RE: Chair’s Participation in Discussion on Pending Motions

Dear Chair Braddock:

In light of Commissioner Graham’s pronouncement at the most recent Board meeting that the Chair cannot participate in discussion pursuant to Robert’s Rules of Order.\(^1\) I have researched the issue in anticipation of this question arising again. That is, it has been my experience that committee chairs (and the Board Chair) have participated in debate in the past and will likely do so in the future. Thus, I want to ensure the Board and its committees act in accordance with the law and applicable rules in conducting future business.

First, there is no prohibition against the chair participating in discussion on a pending motion under the Board Rules. In addition, I have found nothing under MCL 48.1, et seq. (statutes governing county commissioners) that precludes a committee or county board chair from participating in discussion. That being the case, the Board Rules state that the “business of the Board shall be conducted in accordance with Robert’s Rules of Order, revised, insofar as such rules are not in conflict with these Rules and the Statutes of the State of Michigan.”\(^2\)

Commissioner Graham is correct in pointing out that Robert’s provides, under some circumstances, that the chair does not normally enter discussion on the merits of a pending motion. However, Robert’s specifically qualifies its guidance on this matter; the rule applies to large assemblies, not smaller boards.

\(^{1}\) The incident occurred during the Appropriations Committee meeting on January 20, 2009, when Committee Chair Hadsall began to speak regarding a pending motion. Commissioner Graham declared as a point of order that Commissioner Hadsall, acting as Chair of the Appropriations Committee, did not have authority to speak on a pending matter without relinquishing the chair.

\(^{2}\) Board Rules, Article VI, Section 6.1.
Robert's addresses this matter under two chapters in its 10th edition.

Except in small boards and committees, the presiding officer should not enter into discussion of the merits of pending questions. . . .

Normally, especially in a large body, [the chair] should have nothing to say on the merits of pending questions.4

Robert's statement about chairs not participating in discussion applies only to large assemblies; not small boards, commissions, councils or committees. In fact, the exception for small boards and committees applies to those consisting of less than 50 members.5

In addition, the Board is a public body. Elected officials are expected and, at times, required to actively participate in conducting the public's business.6 Elected officials contribute individually to a small public body and Robert's recognizes the concerns about impartiality in a large assembly do not apply to a relatively small commission, especially considering elected officials are expected to deliberate at public meetings.

Based on my review of Board Rules, applicable statues and Robert's Rules of Order, I believe the Board Chair and committee chairs may actively participate in discussion on pending motions. Further, because this opinion does not contravene Robert's, I do not believe the Board Rules require alteration.7 Thus, if a point of order is raised in the future questioning the authority of a chair to participate in discussion, my recommendation is for the chair to rule that neither Board Rules nor Robert's prohibits chairs from participating in discussion on pending motions.

I hope this opinion guides the Board and its committees during future deliberations. Should you have any questions, please contact me.

Sincerely,

[Signature]

André R. Borrello

7 To emphasize a chair's right to participate in discussion on pending motions, the Board Rules could be amended to specifically authorize such a practice. For example, Saginaw City Council's Charter explicitly provides that the Mayor may speak on pending matters.
REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON HUMAN SERVICES -- 1.1  JANUARY 20, 2009

Your committee considered communication no. 1-20-3 from Karen Courneyea, Director, Saginaw County Commission on Aging (COA) asking to purchase a vehicle in accordance with the Board's directive in May 2007 that any request to replace vehicles go through the appropriate Standing Committee.

Ms. Courneyea informed us two vehicles are utilized in the delivery of food to the centers. Each vehicle has what is referred to as a “hotshot” box that keeps the food hot and makes it possible to safely deliver food especially to centers in the outlying area. One of the vehicles, a 1999 Ford Pickup with over 220,000 miles, will soon be undrivable and not worth repairing. The cost to purchase a 2008 Chevy Pickup chassis and convert and rebuild the existing “hotshot” box is $19,915. A portion of the money is available from within their budget, but an additional $11,000 from their 2009 fund balance is necessary to complete the purchase.

We recommend approval of the request from the Saginaw County Commission on Aging to purchase a new vehicle, as outlined above, in accordance with County policy; further that the proper County officials be authorized and directed to amend the budget accordingly.

Respectfully submitted,

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 2.1  JANUARY 20, 2009

Your committee considered communication no. 1-20-2 from Valerie McCullough, Director, Animal Care Center, asking to revise their fee schedule.

In Resolution D of the County 2009 Fiscal Budget, the Board established fees for services for all elected offices and departments. The Fee Schedule is approved annually through the budget adoption process, and revisions require Board approval.

We met with Ms. McCullough who informed us that during the 2009 budget process the impoundment fees that the department assesses to the owner of a claimed animal were inadvertently omitted. The fees are fairly standard and comparable with other counties. She is requesting approval to charge the following fees:

- 1st impoundment: $15.00
- 2nd impoundment: $30.00
- 3rd impoundment: $100.00 (refunded if animal is spayed/neutered within 30 days)
  - $50.00 (if animal is already spayed/neutered)

We recommend that Budget Resolution D be amended to include the fees that may be charged and collected by the Animal Care Center, as listed above.

By Commissioner Wurtzel: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 2.2  JANUARY 20, 2009
Your committee considered communication no. 1-20-1 from Mary M. Amend, Community Corrections Manager asking to apply for additional funding for a FY 2009 Community Corrections Plans and Services New Initiative made available through the State of Michigan Office of Community Corrections.
An amount of $225,000 in unallocated funds will be awarded to counties on a competitive basis. The County’s application will be for between $10,000 - $15,000 for an Anger Management Program. The target population is non-violent pre-trial felony offenders. The local Community Corrections Advisory Board has approved the application.
We recommend the County Office of Community Corrections be authorized to apply for additional funding for a FY 2009 Community Corrections Plans and Services New Initiative through the State of Michigan Office of Community Corrections and accept the grant, if awarded; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.
Respectfully submitted,

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 2.3  JANUARY 20, 2009
Your committee considered communication no. 1-20-8 from Sheriff William L. Federspiel, asking for a salary waiver for the newly appointed Undersheriff Robert X. Karl from H13 Step 1 to Step 6.
We met with the Sheriff to discuss the request. The position of Undersheriff is second-in-command under the Sheriff. It is a non-union position classified by the 2000 Hay Management Study at grade H13. Duties are all encompassing including Administration, Jail and Law Enforcement. The Department has the largest budget of the County, the largest complement of employees, and is comprised of 8 different labor groups.
The purpose of step levels is to recognize length of service. Undersheriff Karl brings with him 28 years of experience in the field of law enforcement. In researching the past practice of the Board, it shows that salary waivers were approved for the last three Undersheriffs, two of which were moved to the top of their scale.

Currently, the salary at Step 1 is $71,805. The top of the grade, Step 9, is $89,592 which is included in the Sheriff’s 2009 budget. The Sheriff is not requesting the top of the scale but rather a waiver to Step 6 in the amount of $82,455. The resulting savings of $7,137 would be used for some needed improvements within the facility.

It is our recommendation to approve the salary waiver for the Undersheriff from H13 Step 1 to Step 6; further that the proper county officials be authorized and directed to make the necessary personnel changes to the budget.

Attachment 1-20-4.2-09

Category: 300
Number: 364
Subject: FAMILY AND MEDICAL LEAVE POLICY

1. PURPOSE: It is the purpose of this policy to establish uniform guidelines and rules for those employees who elect to apply or otherwise qualify, for leave in accordance with the Family and Medical Leave Act (29 USC 2601).

2. AUTHORITY: The Saginaw County Board of Commissioners.

3. APPLICATION: The rules and regulations herein set forth apply to all employees paid by Saginaw County, pursuant to Policy #301.

4. RESPONSIBILITY: The Controller/CAO of Saginaw County and/or his/her designee shall be responsible for the implementation of this policy. It shall be the responsibility of the Controller’s Office and Department Heads to administer this policy.

5. PRELIMINARY STATEMENT: Saginaw County shall administer this policy in accordance with the Family and Medical Leave Act and its accompanying regulations, set forth in 29 CFR 825.100, et seq. Thus, although this policy sets forth a summary of the requirements, process and procedure regarding employees’ use of leave under applicable circumstances, Saginaw County shall administer this policy in accordance with the Act and its regulations.

6. DEFINITIONS:

   6.1 Serious Health Condition. Is defined as stated in 29 CFR 825.113, but is generally regarded as an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.
7. POLICY:

7.1 Eligibility. Saginaw County’s family and medical leave policy is available to employees with at least 12 months of service and who have worked at least 1,250 hours within the preceding 12 month period, so long as the County has 50 employees within 75 miles. If eligible, an employee may be able to take unpaid leave as indicated below during the calendar year (based on a 12 month rolling calendar).

7.1.1 Basic Leave Entitlement. FMLA requires covered employers to provide up to 12 weeks of unpaid, job protected leave to eligible employees for the following reasons:

7.1.1.1 To care for the employee’s child after birth (within the first 12 months after birth);

7.1.1.2 The placement of a child with the employee for adoption or foster care (within the first 12 months of placement);

7.1.1.3 To care for the employee’s spouse, son or daughter, or parent who has a serious health condition;

7.1.1.4 For a serious health condition that makes the employee unable to perform the employee’s job; or

7.1.1.5 For incapacity due to pregnancy, prenatal medical care, or child birth.

7.1.2 Military Family Leave Entitlements. FMLA requires covered employers to provide leave in the following circumstances relating to military service:

7.1.2.1 Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12 week leave entitlement to address certain qualifying exigencies. Qualified exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

7.1.2.2 Eligible employees (spouse, son, daughter, parent, or next of kin of a covered service member) may take up to 26 weeks of leave to care for a covered service member during a single 12 month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious illness or injury incurred in the line of duty on active duty that may render the service
member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

7.2 Application and Approval. Qualified employees seeking to take leave in accordance with the Family and Medical Leave Act shall contact the Personnel Division of the Controller’s Office. Staff will discuss the need for leave with the employee and will provide the employee with a Notice of Eligibility and Notice of Rights and Responsibilities within the timeframe indicated within the Act. The Notice of Rights and Responsibilities will detail additional information an employee must provide in order for a determination to be made if the absence qualifies as FMLA Leave. If sufficient information is not provided in a timely manner, an employee’s leave may be denied.

After review of any additional documentation required in the Rights and Responsibilities Notice, a representative from the Personnel Division shall indicate if the leave request has been approved or denied by providing the employee with a Designation Notice in the timeframe indicated within the Act.

7.3 Employer/Employee Responsibilities.

7.3.1 Employee Responsibilities. When requesting leave, the employee must provide the Saginaw County Personnel Department with at least 30 days advance notice when the need for leave is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with the employer’s normal call-in procedures. Employees must provide sufficient information for the employer to determine if the leave may qualify for the FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees must also inform the employer if the requested leave is for a reason for which FMLA Leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

7.3.1.1 Certification. Certification will be required if the leave request is for the employee's own serious health condition, to care for a family member's serious health condition, or for a qualifying exigency or serious illness or injury of a covered service member for military family medical leave. Failure to provide the requested certification in a timely manner (within 15 calendar days) may result in denial of the leave until certification is provided.
Consistent with other County policies and procedures and/or terms set forth in applicable collective bargaining agreements, the County may request and, to the extent allowed by law, require a fitness-for-duty certification prior to reinstatement to ensure the employee is able to perform the essential functions of the employee’s job. Qualifying FMLA Leave will not be counted as an absence under the applicable department’s attendance policy.

As allowed by the Act, the County, at its expense, may require an examination by a second health care provider designated by the County of Saginaw if the County has a reasonable question regarding the medical certification provided by the employee. Or, in accordance with the manner prescribed in the Act, the County may request authentication or clarification from the employee’s health care provider as to an issue(s) relating to the provided medical certification.

The County may also seek re-certification of a serious medical condition in accordance with the Family and Medical Leave Act.

7.3.2 Employer Responsibilities. Covered Employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees’ rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee’s leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

7.4 Benefits and Restoration. The County of Saginaw will maintain health care benefits under any “group health plan” and life insurance for the employee while on FMLA Leave on the same terms as if the employee had continued to work, including that the employee is responsible for paying the normal monthly contribution. All other benefits cease to accrue during an unpaid portion of the leave. Use of FMLA Leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee’s leave.

As allowed by the Act, employees must use any personal time off (PTO) to the extent available, subject to allowance for a 40 hour PTO bank limitation (see Section 7.4.1), during this leave period. Absences in excess of these accumulated days will be treated as leave without pay. Upon return from leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.
7.4.1 40 Hour PTO Bank Limitation. Prior to beginning a FMLA Leave, upon written request to the Personnel Division or authorized officials, an employee may retain up to forty (40) PTO hours-banked time by opting for unpaid time once their PTO bank reaches that level of time.

7.5 Intermittent Leave. An employee does not need to use FMLA Leave in one block. When medically necessary, employees can take intermittent FMLA or reduced leave schedule leave. The County will work with employees to arrange reduced work schedules or leaves of absence in order to care for a family member's serious health condition or their own serious health condition. However, employees who are on approved intermittent leave must still, when practicable, give notice of any and all prearranged leaves, including, but not limited to, scheduled doctors appointments, treatment times, etc., which will result in the employee’s absence from his/her department for any period of time. Employees must also make reasonable efforts to schedule leave for planned medical treatments so not to unduly disrupt the employer’s operations.

Leave due to qualifying exigencies may also be taken on an intermittent basis. Leave because of the birth or adoption of a child must be completed within the 12 month period beginning on the date of birth or placement of the child. Leave taken after the birth of a healthy child or placement of a healthy child for adoption or foster care may not be taken intermittently without special permission from the Department Head or applicable Elected Official.

7.6 Applicability of Other Laws. When state and local laws offer more protection or benefits, the protection or benefits provided by those laws will apply.

7.7 Accordance with the Law. This policy shall be interpreted, and construed in accordance, with the Family and Medical Leave Act.

7.8 Any employee who is off on a FMLA Leave and is determined to be acting in a manner, means, or activity not related to the leave can be disciplined up to and including discharge.

7.9 Unlawful Acts by Employers and Enforcement Mechanisms. The FMLA makes it unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided under FMLA or to discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA. If an employee feels they are being discriminated against, they may file a complaint in accordance with County Policy #322, Discrimination and Sexual Harassment.

Concerns or complaints about FMLA Leave can be directed to Personnel, or an employee may file a complaint with the U.S. Department of Labor, or may bring a private lawsuit against an employer. FMLA does not affect any Federal or State law prohibiting discrimination, or supersedes any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COUNTY SERVICES – 1.1 FEBRUARY 17, 2009

Your committee considered communication no. 2-17-5 from James A. Koski, Public Works
Commissioner, asking the Board to take certain action relating to a proposed new county
drainage district known as the Allendale Tile Drain located in Saginaw Charter Township.
Mr. Koski informed us the Township Board has requested the Public Works Commissioner to
assist with the laying out and designating of the new county drainage district; the need arising
from the flooding problems associated with the failure of the existing out-dated system. Pursuant
to Chapter 3 Section 280.51 of Act 40 of 1956, as amended (The Drain Code), the Board of
Commissioners by resolution may instruct the Public Works Commissioner to refuse an
application unless the petitioner provides assurance of payment for any costs associated with
engineering if it is determined that a drain is not necessary.
We concur with the Public Works Commissioner and, in accordance with The Drain Code, instruct him to take no action until he receives a cash deposit, bond or letter of commitment from the petitioner/Saginaw Charter Township for the proposed Allendale Tile Drain. Under the proper order of business, the appropriate resolution will be submitted.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COUNTY SERVICES -- 1.2  FEBRUARY 17, 2009
Your committee considered communication no. 2-17-2 from Ed Oberski, Director, Michigan Works! Administration asking approval to renew the sublease agreement between Saginaw County (Lessor) and the State of Michigan (Lessee) for the Midland Michigan Works! Service Center that expired January 31, 2009.

We met with Assistant Director Ray Ogden who informed the Board’s approval of the sublease agreement is a new requirement of the Department of Labor and Economic Growth. The leased premises, totaling 1,702 of usable office, is located at 1409 Washington, in the City of Midland. The agreement covers a four-year period beginning February 1, 2009 and ending January 31, 2013 at an annual rate of $21,899.88.

We agree with the request to enter into a sublease agreement with the State of Michigan for office space for the Midland Michigan Works! Service Center; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form.

FROM: COMMITTEE ON COUNTY SERVICES -- 1.3  FEBRUARY 17, 2009
Your committee considered communication no. 2-17-11 from Marc A. McGill, Chairman, Saginaw County Building Authority, asking the Board to approve the replacement of the Wendler Arena Floor at the Dow Event Center.

Installed in 1972 during the facility’s original construction, the floor has exceeded its expected life cycle of 35 years. Knowing this and being aware that it is functioning below its original capability, a number of knowledgeable firms, as well as, the Center’s Management Firm of SMG, Inc. from Philadelphia, Pennsylvania were contacted to perform an evaluation. All concluded the floor should be replaced as a total failure could occur at any time. Its failure, especially during the ice season, would be disastrous for planned events and financially damaging to all concerned.

The refrigerated floor contains thousands of feet of refrigerant tubing. It is a required element for ice events in Wendler Arena. It is used by the Ontario Hockey League, Saginaw Spirit, Disney on Ice, Ice Capades and local hockey leagues and high school teams. Everyone can be proud of the accomplishments that have been made during the last 7 years the County has been operating
the facility – continuing increases in the number of scheduled events, attendance and a decrease in the Net Operating Deficit.
In looking at the cost, the Controller reported the total, not to exceed, amount to replace the refrigerated floor of Wendler Arena is estimated at $800,000. (The actual cost of the project will be known once it has been fully engineered and bid out.) The proposed funding is shown below:

- Saginaw Spirit Hockey Franchise (tenant) $150,000
- Event Center Equipment Replacement $150,000
- SMG Inc. of Philadelphia (operator) $500,000

We recommend approval of the construction project, acceptance of the funding, and extension of the SMG, Inc. Management agreement; further, that the proper County officials be authorized and directed to proceed with negotiations to facilitate the replacement of the Wendler Arena Floor, and further authorized to sign the necessary documents on behalf of the County in accordance with policy and procedure.

Your Budget Audit Subcommittee considered communication no. 1-20-9 from Marc A. McGill, Controller/CAO submitting the proposed Saginaw County Budget Calendar for adoption of the Fiscal Year 2010 Operating Budget and Capital Improvement Plan for Fiscal Years 2010-2014.

The first step annually in creating a budget for consideration and ultimate approval is the adoption of a budget calendar. The calendar outlines the timetable of events that will happen to cause the creation and approval of the budget. It allows all departments, elected officials and agencies to know when tasks related to building the budget must be completed.

We recommend the attached Budget Calendar for adoption of the Fiscal Year 2010 Operating Budget and Capital Improvement Plan for Fiscal Years 2010-2014 be approved; further, that the proper County Officials be directed to implement same.

Your committee considered communication no. 2-17-3 from Charles H. Cleaver, Administration Director, sending revisions to Policy #346 titled “Retirement” which addresses employee retirement entitlements and options. The proposed updates reflect the benefit changes and the County’s switch from International City/County Management Association (ICMA-Retirement Health Savings Plan) to the Municipal Employees Retirement System (MERS-Health Care Savings Program) of Michigan as adopted by the Board in November 2008.

We concur and recommend approval of the amendments to Policy #346 titled “Retirement” as follows: (revisions in bold; deletions in strike-out)
6.5.2 Employees hired on or after March 1, 2005 will not be eligible for retirement health insurance. They will be offered an employer sponsored health benefit savings plan (RHS plan) Health Care Savings Program (HCSP) or its equivalent. The County will contribute 1% of employee's gross wages to the RHS Plan HCSP. The employee shall contribute 50% of their PTO bank pay out to the RHS Plan HCSP upon termination/retirement. Additionally, eligible employees shall contribute 0.25% to 7% of their bi-weekly gross wages to the HCSP. Allowable changes to employee contribution levels shall be in accordance with the HCSP participation document. Once a percentage is selected, participants may increase the participation level but never decrease it.

6.5.3 Employees not covered by a collective bargaining agreement hired prior to March 1, 2005 may make an irrevocable election to refuse retirement health insurance and choose the RHS plan. They will be offered a one-time incentive of $15,000.00 by the County, and will not be eligible for retiree health insurance or a stipend in lieu of retiree health insurance. Once opting out of retiree health insurance, employees that have previously opted out of retiree health insurance, the County will contribute 1% of the employee's gross wages to the RHS Plan HCSP. The employee shall contribute 50% of their PTO bank pay out to the RHS Plan HCSP upon termination/retirement. Additionally, eligible employees shall contribute 0.25% to 7% of their bi-weekly gross wages to the HCSP. Allowable changes to employee contribution levels shall be in accordance with the HCSP participation document. Once a percentage is selected, participants may increase the participation level but never decrease it.

Employees hired prior to March 1, 2005 who wish to keep the County's retiree health shall contribute 50% of their PTO bank pay out to the RHS Plan HCSP upon termination/retirement.

We further, that the proper County officials be directed to distribute the material in accordance with County Policy and implement the process.

RESOLUTION “A” FEBRUARY 17, 2009
BOARD OF COMMISSIONERS COUNTY OF SAGINAW
RE: RESOLUTION TO BORROW AGAINST ANTICIPATED DELINQUENT 2008 REAL PROPERTY TAXES

At a regular meeting of the Board of Commissioners of the County of Saginaw, State of Michigan, held in the City of Saginaw on the 17th day of February 2009, at 5:00 o’clock p.m.
ABSENT - None

Commissioner Krafft offered the following resolution and moved its adoption. The motion was seconded by Commissioner Hadsall:

WHEREAS, the Board of Commissioners of the County of Saginaw (the "County") has heretofore adopted a resolution establishing the Saginaw County Delinquent Tax Revolving Fund (the "Fund") pursuant to Section 87b of Act No. 206, Public Acts of Michigan, 1893, as amended ("Act 206"); and

WHEREAS, the purpose of the Fund is to allow the Saginaw County Treasurer (the "County Treasurer") to pay from the Fund any or all delinquent real property taxes that are due and payable to the County and any school district, intermediate school district, community college district, city, township, special assessment district, the State of Michigan or any other political unit for which delinquent tax payments are due; and

WHEREAS, it is hereby determined to be necessary for the County to borrow money and issue its notes for the purposes authorized by Act 206, particularly Sections 87c, 87d and 87g thereof; and

WHEREAS, it is estimated that the total amount of unpaid 2008 delinquent real property taxes (the "delinquent taxes") outstanding on March 1, 2009, will be approximately $16,000,000.00 exclusive of interest, fees and penalties.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the County of Saginaw, State of Michigan, as follows:

Authorization of Borrowing

1. Pursuant to and in accordance with the provisions of Act 206, Public Acts of Michigan, 1893, as amended, and especially Sections 87c, 87d and 87g thereof, the County shall borrow the sum of not to exceed Fifteen Million Dollars ($15,000,000.00) and issue its notes (the...
"notes") therefore for the purpose of continuing the Fund for the 2008 tax year. The exact amount to be borrowed shall not exceed the amount of delinquent taxes outstanding on March 1, 2009, inclusive of interest, fees and penalties. The County Treasurer shall designate the exact amount to be borrowed after the amount of the 2008 delinquent taxes outstanding on March 1, 2009, or the portion of the 2008 delinquent taxes against which the County shall borrow, has been determined.

Note Details

2. Pursuant to provisions of applicable law and an order of the County Treasurer, which order is hereby authorized, the notes may be issued in one or more series; shall be known as "General Obligation Limited Tax Notes, Series 2009"; shall be in fully registered form in denominations not exceeding the aggregate principal amounts for each maturity of the notes; shall be sold for not less than 98% of the face amount of the notes; shall bear interest at fixed or variable rates not to exceed the maximum interest rate permitted by applicable law; shall be dated, payable as to interest and in principal amounts, be subject to redemption in whole or in part prior to maturity, including any redemption premiums, and be subject to renewal, at such times and in such amounts, all as shall be designated in the order of the County Treasurer. Notes or portions of notes called for redemption shall not bear interest after the redemption date, provided funds are on hand with the note registrar and paying agent to redeem the same. Notice of redemption shall be given in the manner prescribed by the County Treasurer. If any notes of any series are to bear interest at a variable rate or rates, the County Treasurer is hereby further authorized to establish by order, and in accordance with law, a means by which interest on such notes may be set, reset or calculated prior to maturity, provided that such rate or rates shall at no time be in excess of the maximum interest rate permitted by applicable law. Such rates may be established by reference to the minimum rate that would be necessary to sell the notes at par; by a formula that is determined with respect to an index or indices of municipal obligations, reported prices or yields on obligations of the United States or the prime rate or rates of a bank or banks selected by the County Treasurer; or by any other method selected by the County Treasurer.

Payment of Principal and Interest

3. The principal of and interest on the notes shall be payable in lawful money of the United States from such funds and accounts as provided herein. Principal shall be payable upon presentation and surrender of the notes to the note registrar and paying agent when and as the same shall become due, whether at maturity or earlier redemption. Interest shall be paid to the owner shown as the registered owner on the registration books at the close of business on such date prior to the date such interest payment is due, as is provided in the order of the County Treasurer. Interest on the notes shall be paid when due by check or draft drawn upon and mailed by the note registrar and paying agent to the registered owner at the registered address.

Note Registrar and Paying Agent

4. The County Treasurer shall designate, and may enter into an agreement with, a note registrar and paying agent for each series of notes that shall be the County Treasurer or a bank or trust company that is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The County Treasurer may from time to time designate a similarly qualified successor note registrar and paying agent.

Disposition of Note Proceeds

5. The proceeds of the sale of the notes shall be deposited into a separate account in the Fund (the "2009 Account") and shall be used to continue the Fund. The County Treasurer shall pay therefrom and from unpledged funds in the Fund, uncommitted funds in the County General Fund and/or any other legally available funds, if the notes are sold at a discount, the full amount of the delinquent tax roll against which the County has borrowed, delivered as
uncollected by any tax collector in the County and that is outstanding and unpaid on or after March 1, 2009, in accordance with the provisions of Act 206.

2009 Collection Account

6. There is hereby established as part of the Fund an account (hereby designated the "2009 Collection Account") into which account the County Treasurer shall place delinquent taxes against which the County has borrowed, and interest thereon, collected on and after March 1, 2009, all County property tax administration fees on such delinquent taxes, after expenses of issuance of the notes have been paid, and any amounts received by the County Treasurer from the County and any taxing unit within the County, because of the uncollectibility of such delinquent taxes. The foregoing are hereby established as funds pledged to note repayment.

Note Reserve Fund

7. There is hereby authorized to be established by the County Treasurer a note reserve fund for the notes (the "2009 Note Reserve Fund") if the County Treasurer deems it to be reasonably required as a reserve and advisable in selling the notes at public or private sale. The County Treasurer is authorized to deposit in the 2009 Note Reserve Fund from proceeds of the sale of the notes, unpledged moneys in the Fund, uncommitted funds in the County General Fund and/or any other legally available funds, an amount not exceeding ten percent (10%) of the face amount of the notes.

Security for Payment of Notes

8. All of the moneys in the 2009 Collection Account and the 2009 Note Reserve Fund, if established, and all interest earned thereon, are hereby pledged equally and ratably as to each series to the payment of the principal of and interest on the notes and shall be used solely for that purpose until such principal and interest have been paid in full. When moneys in the 2009 Note Reserve Fund, if established, are sufficient to pay the outstanding principal of the notes and the interest accrued thereon, such moneys may be used to retire the notes.

Additional Security

9. Each series of notes, in addition, shall be a general obligation of the County, secured by its full faith and credit, which shall include the County's limited tax obligation, within applicable constitutional and statutory limits, and its general funds. The County budget shall provide that if the pledged delinquent taxes and any other pledged amounts are not collected in sufficient amounts to meet the payments of principal and interest due on each series of notes, the County, before paying any other budgeted amounts, will promptly advance from its general funds sufficient moneys to pay that principal and interest. The County shall not have the power to impose taxes for payment of the notes in excess of constitutional or statutory limitations. If moneys in the 2009 Collection Account and the 2009 Note Reserve Fund, if established, are not sufficient to pay the principal of and interest on the notes, when due, the County shall pay the same in accordance with this section, and may thereafter reimburse itself from the delinquent taxes collected.

Release of Pledge of 2009 Collection Account

10. Upon the investment of moneys in the 2009 Collection Account in direct non-callable obligations of the United States of America in amounts and with maturities that are sufficient to pay in full the principal of and interest on the notes when due, any moneys in the 2009 Collection Account thereafter remaining may be released from such pledge created pursuant to Section 8 hereof and may be used to pay any or all delinquent real property taxes that are due the County and any school district, intermediate school district, community college district, city, township, special assessment district, the State of Michigan or any other political unit to which delinquent tax payments are due for any other year or for any other purpose permitted by law.
Sale of Notes

11. The County Treasurer is hereby authorized to offer the notes at public or private sale as determined by order of the County Treasurer and to do all things necessary to effectuate the sale, delivery, transfer and exchange of the notes in accordance with the provisions of this resolution. Notes of one series may be offered for sale and sold separately from notes of another series. If the notes are to be sold publicly, sealed proposals for the purchase of the notes shall be received by the County Treasurer for such public sale to be held at such time as shall be determined by the County Treasurer and notice thereof shall be published in accordance with law, once in The Bond Buyer or the Detroit Legal News, both of which are hereby designated as being a publication printed in the English language and circulated in this State that carries as a part of its regular service, notices of sale of municipal bonds. Such notice shall be in the form prescribed by the County Treasurer.

The County Treasurer is hereby authorized to cause the preparation of an official statement for the notes for the purpose of enabling compliance with SEC Rule 15c2-12 (the "Rule") and to do all other things necessary to enable compliance with the Rule. After the award of the notes, the County will provide copies of a final official statement (as defined in paragraph (e)(3) of the Rule) on a timely basis and in reasonable quantity as requested by the successful bidder or bidders to enable such successful bidder or bidders to comply with paragraph (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board.

Continuing Disclosure

12. The County Treasurer is hereby authorized to execute and deliver in the name and on behalf of the County (i) a certificate of the County to comply with the requirements for a continuing disclosure undertaking of the County pursuant to subsection (b)(5) or (d)(2) of the Rule, as applicable, and (ii) amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Certificate"). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. The remedies for any failure of the County to comply with and carry out the provisions of the Continuing Disclosure Certificate shall be as set forth therein.

Execution and Delivery of Notes

13. The County Treasurer is hereby authorized and directed to execute the notes for the County by manual or facsimile signature and the County Treasurer shall cause the County seal or a facsimile thereof to be impressed or imprinted on the notes. Unless the County Treasurer shall specify otherwise in writing, fully registered notes shall be authenticated by the manual signature of the note registrar and paying agent. After the notes have been executed and authenticated, if applicable, for delivery to the original purchaser thereof, the County Treasurer shall deliver the notes to the purchaser or purchasers thereof upon receipt of the purchase price. Additional notes bearing the manual or facsimile signature of the County Treasurer and upon which the seal of the County or a facsimile thereof is impressed or imprinted may be delivered to the note registrar and paying agent for authentication, if applicable, and delivery in connection with the exchange or transfer of fully registered notes. The note registrar and paying agent shall indicate on each note that it authenticates the date of its authentication. The notes shall be delivered with the approving legal opinion of Dickinson Wright PLLC, attorneys of Detroit, Michigan.
Exchange and Transfer of Fully Registered Notes

14. Any fully registered note, upon surrender thereof to the note registrar and paying agent with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney, at the option of the registered owner thereof, may be exchanged for notes of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note.

Each note shall be transferable only upon the books of the County, which shall be kept for that purpose by the note registrar and paying agent, upon surrender of such note together with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney.

Upon the exchange or transfer of any note, the note registrar and paying agent on behalf of the County shall cancel the surrendered note and shall authenticate, if applicable, and deliver to the transferee a new note or notes of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note. If, at the time the note registrar and paying agent authenticates, if applicable, and delivers a new note pursuant to this section, payment of interest on the notes is in default, the note registrar and paying agent shall endorse upon the new note the following: "Payment of interest on this note is in default. The last date to which interest has been paid is [place date]."

The County and the note registrar and paying agent may deem and treat the person in whose name any note shall be registered upon the books of the County as the absolute owner of such note, whether such note shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such note and for all other purposes, and all payments made to any such registered owner, or upon his or her order, in accordance with the provisions of Section 3 hereof shall be valid and effectual to satisfy and discharge the liability upon such note to the extent of the sum or sums so paid, and neither the County nor the note registrar and paying agent shall be affected by any notice to the contrary. The County agrees to indemnify and save the note registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

For every exchange or transfer of notes, the County or the note registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

The note registrar and paying agent shall not be required to transfer or exchange notes or portions of notes that have been selected for redemption.

Book Entry System

15. At the option of the County Treasurer and notwithstanding any provisions of this resolution to the contrary, the County Treasurer is hereby authorized to enter into an agreement with a custodian or trustee for the purpose of establishing a "book entry" system for registration of notes to be fully registered. Pursuant to provisions of such agreement, the notes may be registered in the name of the custodian or trustee for the benefit of other persons or entities. Such agreement shall provide for the keeping of accurate records and prompt transfer of funds by the custodian or trustee on behalf of such persons or entities. The agreement may provide for the issuance by the custodian or trustee of certificates evidencing beneficial ownership of the notes by such persons or entities. For the purpose of payment of the principal of and interest on the notes, the County may deem payment of such principal and interest, whether overdue or not, to the custodian or trustee as payment to the absolute owner of such note. Pursuant to provisions of
such agreement, the book entry system for the notes may be used for registration of all or a portion of the notes and such system may be discontinued at any time by the County. The note registrar and paying agent for the notes may act as custodian or trustee for such purposes.

**Issuance Expenses**

16. Expenses incurred in connection with the issuance of the notes, including without limitation any premiums for any insurance obtained for the notes, note rating agency fees, travel and printing expenses, fees for agreements for lines of credit, letters of credit, commitments to purchase the notes, remarketing agreements, reimbursement agreements, purchase or sales agreements or commitments, or agreements to provide security to assure timely payment of the notes, fees for the setting of interest rates on the notes and bond counsel, financial advisor, paying agent and registrar fees, all of which are hereby authorized, shall be paid by the County Treasurer from County property tax administration fees on the delinquent taxes, from any other moneys in the Fund not pledged to the repayment of notes and general funds of the County that are hereby authorized to be expended for that purpose.

**Replacement of Notes**

17. Upon receipt by the County Treasurer of satisfactory evidence that any outstanding note has been mutilated, destroyed, lost or stolen, and of security or indemnity complying with applicable law and satisfactory to the County Treasurer, the County Treasurer may execute or authorize the imprinting of the County Treasurer's facsimile signature thereon and thereafter, and if applicable, a note registrar or paying agent shall authenticate and the County shall deliver a new note of like tenor as the note mutilated, destroyed, lost or stolen. Such new note shall be issued and delivered in exchange and substitution for, and upon surrender and cancellation of, the mutilated note or in lieu of and in substitution for the note so destroyed, lost or stolen in compliance with applicable law. For the replacement of authenticated notes, the note registrar and paying agent shall, for each new note authenticated and delivered as provided above, require the payment of expenses, including counsel fees, which may be incurred by the note registrar and paying agent and the County in the premises. Any note issued under the provisions of this section in lieu of any note alleged to be destroyed, lost or stolen shall be on an equal basis with the note in substitution for which such note was issued.

**Issuance of Refunding Notes**

18. The County shall refund all or part of the notes authorized hereunder and/or notes previously issued by the County to continue the Fund for prior tax years if and as authorized by order of the County Treasurer through the issuance of refunding notes (the "Refunding Notes") in an amount to be determined by order of the County Treasurer. Proceeds of the Refunding Notes may be used to redeem such notes and to pay issuance expenses of the Refunding Notes as authorized and described in Section 16 hereof. The County Treasurer shall have all the authority with respect to the Refunding Notes as is granted to the County Treasurer with respect to the notes by the other Sections hereof, including the authority to select a note registrar and paying agent, to apply to the Michigan Department of Treasury for approval to issue the Refunding Notes, if necessary, to cause the preparation of an official statement and to do all other things necessary to sell, execute and deliver the Refunding Notes. The Refunding Notes shall contain the provisions, shall be payable as to principal and interest and shall be secured as set forth herein and as further ordered by the County Treasurer. The Refunding Notes may be sold as a separate issue or may be combined in a single issue with other obligations of the County issued pursuant to the provisions of Act 206 as shall be determined by the County Treasurer. The County Treasurer is authorized to prescribe the form of Refunding Note and the form of notice of sale, if any, for the sale of Refunding Notes.
Form of Notes

19. The notes shall be in the form approved by the County Treasurer, which approval shall be evidenced by the County Treasurer’s execution thereof.

COUNTY OF SAGINAW, STATE OF MICHIGAN
RESOLUTION
IN SPECIAL RECOGNITION AND APPRECIATION
PRESENTED TO
KAYE VOLZ SCHULTZ
ON BEHALF OF THE OFFICIALS, EMPLOYEES, AND RESIDENTS
OF SAGINAW COUNTY, FOR 34 YEARS OF PUBLIC SERVICE
KAYE SCHULTZ began her employment with Saginaw County on March 31, 1975, under the CEDA Program (Comprehensive Employment & Training Act) working as a clerk
between the Controller's Office and the Board of Commissioners’ Office. She was a steno-secretary, Assistant Board Coordinator and on June 1, 1993 she was promoted to Board Coordinator, the position she will retire from.

The Office of the Saginaw County Board of Commissioners evolved into an efficient and highly organized place under Kaye’s leadership and direction. She led a team of dedicated working women during her tenure in the Board Office. Kaye Schultz was proficient in every aspect of operating the Office. During her 34 years, she worked for eleven Board Chairs, four Controllers, three County Clerks, six Legal Counsels, and 74 County Commissioners.

KAYE’S years of experience and knowledge will be a tremendous loss to the County, but of equal loss will be the attributes this fine woman brought to public service – consistency, dedication, loyalty, patience, devotion and especially her humor.

REPORTS OF REGULAR COMMITTEES
FROM: COMMITTEE ON COUNTY SERVICES – 2.1
MARCH 24, 2009
At the March 25, 2008 Session, the Board supported the future development of a non-motorized Center Road Bridge located parallel to the new Center Road Vehicular Bridge as the connecting link between the Saginaw Township Trail System to the north and the Saginaw Valley Rail Trail to the south. To further proceed with the plan, the Board at its June 24, 2008 Session supported the development of a pathway from the non-motorized bridge along Center Road to Stroebel Road. Michigan Department of Transportation Enhancement funds were approved for construction of the non-motorized bridge and the pathway. Local organizations provided the local match; no County funds were used for the project.

In communication no. 3-24-9, John Schmude, Director, Saginaw County Parks and Recreation Commission is requesting a Resolution of Support to submit a grant application to the Michigan Department of Natural Resources Trust Fund for a 1.4 mile extension of the Saginaw Valley Rail Trail from the parking lot on Stroebel Road to Center Road. The total project cost is $334,000 with a required match of 25% that would be secured through local cash donations; no County funds will be used for the project. A public comment session was held March 18, 2009 at the Saginaw County Governmental Center to provide an opportunity for citizens to express opinions, ask questions, and discuss all aspects of the project.

We recommend the Saginaw County Board of Commissioners support Phase IV Development of the Saginaw Valley Rail Trail, as outlined above. Under the proper order of business the appropriate resolution will be submitted to accomplish same.
FROM: COMMITTEE ON COUNTY SERVICES – 2.2    MARCH 24, 2009

Your committee considered communication no. 3-24-10 from John Schmude, Director, Saginaw County Parks and Recreation Commission asking for a Resolution of Support for the 2009-2013 Five Year Saginaw County Recreation Plan.

We met with Mr. Schmude who informed us the primary emphasis of the Plan, developed with the assistance of Spicer Engineering, will be to focus on continued development of existing parks, promote multi-use path connectivity through the three-county region, and promote and provide diverse recreational opportunities for all age groups and levels of ability. Most importantly, the Plan is required by the Department of Natural Resources to maintain Saginaw County's eligibility for State and National grant programs.

A public comment session was held February 19, 2009 at the Saginaw County Governmental Center to provide an opportunity for citizens to express opinions, ask questions, and discuss all aspects of the Recreation Plan. The Goals & Objectives are attached; a copy of the Plan is on file in the Parks Department and the Board Office.

We recommend the 2009–2013 Five Year Saginaw County Recreation Plan be approved as submitted by the Saginaw County Parks and Recreation Commission. Under the proper order of business the appropriate resolution will be submitted to accomplish same.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.
FROM: COMMITTEE ON COUNTY SERVICES -- 2.3    MARCH 24, 2009

Your committee considered communication no. 3-25-6 from John Schmude, Director, Saginaw County Parks & Recreation Commission asking to utilize funds from the unappropriated William H. Haithco Restricted fund account. Board approval is required because the expenditure exceeds $10,000 and because the account is restricted. No County general fund dollars will be used for the project. (see attached)

We recommend approval for the Saginaw County Parks & Recreation Commission to use funds in the William H. Haithco Restricted Account, not to exceed $28,000, for the following purposes: (1) refinishing ten paddleboats at an estimated cost of $11,000; and, (2) painting all park buildings at an estimated cost of $17,000; further, that the proper County officials be authorized and directed to make the necessary budget adjustments.

Respectfully submitted,

Your Budget Audit Subcommittee met with Gerald Desloover, Auditor, from the firm of Rehmann Robson, who reported on the County of Saginaw Audited Financial Statements and Management Letter for the Fiscal Year ended September 30, 2008. Copies of these documents were provided to the Subcommittee members and commissioners. (Communication No. 3-24-17) The Auditors issued a qualified opinion that the Audited Financial Statements fairly represent the County’s financial position. A detailed explanation of multiple pages of the Audited Financial Statements was provided highlighting the most material financial information. All County programs and accounting funds ended the year positively. The Auditors also issued findings and recommendations for strengthening internal controls and improving operating efficiencies. All of these findings and recommendations, along with management responses to each one, were explained and reported to the Subcommittee. Accordingly, we recommend the County of Saginaw Audited Financial Statements and Management Letter for the Fiscal Year ended September 30, 2008 be accepted; further, that the proper County officials be authorized and directed to file the necessary documents to complete the audit process.

Your committee considered communication no. 4-21-17 from Mary M. Amend, Jail Reimbursement Coordinator, Office of Community Corrections, seeking approval to apply for a State Criminal Alien Assistance Program (SCAAP) grant through the Bureau of Justice Assistance in cooperation with the Department of Homeland Security.

The SCAAP grant provides payment to states and localities that incurred officer costs for incarcerating undocumented criminal aliens for four or more consecutive days and were convicted of a felony and/or two or more misdemeanors. The local Community Corrections Advisory Board has approved the application. An undetermined amount in allocated funds will be awarded to counties based upon documentation of incarceration. FROM: COMMITTEE ON COUNTY SERVICES – 3.1  

APRIL 21, 2009

We herewith submit the report (revised communication no. 4-21-5) of the real and personal property by class. The Saginaw County Department of Equalization has, in accordance with the constitutional and statutory provisions, examined the assessment rolls of the various townships and cities in the County of Saginaw, as required, and has determined that the real and personal property valuations as set opposite the several townships and cities represent the County Equalized Valuations for the year 2009.

We met with James Totten, Equalization Director, who informed us the Total Equalized Value of the County for 2009 has decreased by some $206,742,239 to $5,805,424,251 for a decrease of 3.43 percent. Real Property decreased $219,860,510 or 3.97 percent. Personal Property increased $13,118,271 or 2.75 percent. This is the first increase in personal property values in the last eight years.

Industrial Facilities Assessed Values for 2009 are $151,170,849 which is an 11.8 percent increase ($15,982,422) from the previous year. The increase for the Facilities Rolls is the first increase in several years and may be attributed to the growth at Hemlock Semiconductor and the fact that almost all new industrial development is requesting a facilities tax exemption. This growth is also accompanied by a continued growth in Personal Property Exemptions for Act 328. This is the ninth year for these exemptions in Saginaw County.

Parcels in the name of the Department of Natural Resources have been moved to a special act roll and are no longer part of the equalization process. These parcels, with an assessed value of
$8,228,700, showed no change for 2009. The taxable values for these properties were subject to the CPI increase for 2009 and Saginaw County will collect taxes at these higher taxable values but at 2004 tax rates.

Taxable Value is certified the fourth Monday in June and is not a part of this report. However, an estimate of this value would be an increase of $3,513,000 or approximately .06% over the 2008 Taxable Value for Saginaw County. The captured valuations of the various TIFA, DDA, Brownfield, and Renaissance Districts will be published with the actual breakdown of taxable values.

It is the recommendation of your committee that the Equalization Report for Saginaw County for 2009 by class be accepted.

By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COUNTY SERVICES – 3.2		APRIL 21, 2009

Your committee considered communication no. 3-24-18 from André R. Borrello, Legal Counsel, Gilbert, Smith & Borrello, advising the Board that on March 5, 2009 the State of Michigan Department of Agriculture reviewed and approved Saginaw County’s draft Ordinance to Limit, Ban and/or Control the Use of Fertilizer Containing Phosphorus in Saginaw County.

The Saginaw Bay Coastal Initiative Phosphorus Committee advised the Board (6-24-18-16-08) of their unanimous approval of a Resolution recommending all county boards of commissioners in the Saginaw Bay Watershed, including Arenac, Bay, Huron, Iosco, Midland, Saginaw and Tuscola, restrict the use of lawn fertilizers containing phosphorus.

During the past several months, we met with members of the Phosphorus Committee and Public Works Commissioner Jim Koski. County Counsel was then asked for an opinion to determine the County’s ability to approve a resolution and/or an ordinance restricting the use of phosphorus. His review included issues of pre-emption, equal protection, interstate commerce, other constitutional matters, and contact with counsels from other counties who have adopted related ordinances. Based on the information gathered and as directed by your committee, Counsel drafted an Ordinance under the authority of MCL 46.10b. Based on State Statute, a local unit of government must have the prior approval of the Department of Agriculture before adopting an ordinance, which regulates fertilizers.

In November 2008, the Board approved and recommended that County Counsel be authorized and directed to forward the draft Ordinance to the State of Michigan Department of Agriculture for review (6-24-16/11-18-1.1-08). The Ordinance was approved by the State on March 5, 2009 (3-24-18).

We recommend the adoption of the attached Ordinance to Limit, Ban and/or Control the Use of Fertilizer Containing Phosphorus in Saginaw County numbered County Ordinance #117. We further recommend the proper County officials be authorized and directed to publish the Ordinance in a newspaper of general circulation in the County. The Ordinance will take effect 60 days after publication.

The Commissioners of the County of Saginaw Do Ordain:

Section 1: Declaration of Purpose
The County Board of Commissioners finds that the rivers, lakes, and streams are natural assets, which enhance the environmental, cultural, recreational and economic resources of the area and contribute to the general health and welfare of the public. The County Board of Commissioners further finds that regulating the amount of nutrients and contaminants, including phosphorus contained in lawn fertilizer, entering the lakes, rivers and streams of Saginaw County will improve and maintain lake and stream water quality by reducing algae blooms and the excess growth and spread of other aquatic plants. The County Board of Commissioners finds that unreasonable adverse effects on the environment of Saginaw County and on the public health of the citizens of Saginaw County and the visitors to Saginaw County will occur unless this Ordinance is adopted to ban and/or control the use of lawn fertilizers containing phosphorus.

Section 2: Authority
This ordinance is adopted under the authority of MCL 46.10b.

Section 3: Definitions
(a) "Agriculture uses" means beekeeping, dairying, egg production, floriculture, fish or fur farming; forest and game management; grazing; livestock raising; orchards; plant greenhouses and nurseries; poultry raising; raising of grain, grass, mint and seed crops; raising of fruits, nuts, berries, sod farming and vegetable raising.
(b) "Fertilizer" has the meaning in MCL 324.8501(m).
(c) "Lawn Fertilizer" means any fertilizer, whether applied by property owner, renter, or commercial entity, intended for nonagricultural use, such as for lawns, golf courses, parks, and cemeteries. Lawn fertilizer does not include fertilizer products intended primarily for garden or indoor use.

Section 4: Applicability
(a) This Ordinance applies in all areas of Saginaw County.
(b) Townships, cities, and villages wholly or partially in Saginaw County may assume administration and regulation of lawn fertilizer application if they have adopted ordinances that include standards at least as restrictive as those described in Sections 5 through 8.

Section 5: Regulation of the Use and Application of Lawn Fertilizer
(a) No person shall apply any lawn fertilizer within the County of Saginaw that is labeled as containing more than 0% phosphorus, except as provided in Section 6 of this Ordinance.
(b) No lawn fertilizer shall be applied within the County of Saginaw when the ground is frozen.

(c) No person shall apply lawn fertilizer to any impervious surface including but not limited to parking lots, sidewalks, and roadways. In the event that such application occurs, the fertilizer must be immediately removed from the surface and either legally applied to turf or lawn or placed in an appropriate container.

Section 6: Exemptions
The restrictions upon the use of lawn fertilizer under Section 5 of this Ordinance shall not apply to:

(a) Newly established turf or lawn areas during their first growing season.
(b) Turf or lawn areas that soil tests, performed within the past three years by the Michigan State University Extension Service or Other qualified or recognized authority in the area of soil analysis, confirm are below phosphorus levels established by the Michigan State University Extension Service. The lawn fertilizer application shall not contain an amount of phosphorus exceeding the amount and rate of application recommended in the soil test evaluation.
(c) Agricultural uses, vegetable and flower gardens, or application to trees or shrubs.
(d) Yard waste compost, bio-solids or other similar materials that are primarily organic in nature and are applied to improve the physical condition of the soil.

Section 7: Enforcement
This Ordinance will be enforced by the Environmental Health Division of the Saginaw County Health Department.

Section 8: Civil Infraction Penalties; Injunctive Relief
Any person who violates Section 5 in the application of lawn fertilizer at his or her residence shall be subject to a civil infraction penalty of fifty ($50) dollars per violation. Any commercial fertilizer applicator, residential or commercial developer, industrial or commercial owner, or other person who violates Section 5, shall be subject to a civil infraction penalty of $50 for the first violation within a twelve (12) month period, $150.00 for the second violation within a twelve (12) month period, and $300.00 for the third and each subsequent violation within a twelve (12) month period. The repeated use of lawn fertilizer in violation of this Ordinance may also be declared a nuisance, subject to injunctive and other equitable relief in the Circuit Court for the County of Saginaw.

Section 9: Effective Date
This Ordinance shall take effect 60 days after notice of the adoption is published in a newspaper of general circulation in the County of Saginaw.

Your Budget Audit Subcommittee at its April 9, 2009 meeting received information (communication no. 4-21-9) from Marc A. McGill, Controller/CAO asking the board to approve procedural changes that were addressed in the County of Saginaw Single Audit for the fiscal year ended September 30, 2008, which was conducted by the County’s audit firm of Rehmann Robson.

The auditing firm addressed two deficiencies in their Financial Statement Findings. The first of the two deficiencies dealt with monthly bank reconciliation procedures in the Treasurer’s Department. Changes have been made to this procedure that will satisfy the auditing firm’s concern. The second of the two deficiencies dealt with daily balancing procedures in the Treasurer’s Department. Changes have been made to this procedure, as well, that will satisfy the auditing firm’s concern.

We recommend approval of the findings and responses from the Saginaw County Controller’s Office that were addressed in the County of Saginaw Single Audit for the fiscal year ended September 30, 2008 as conducted by Rehmann Robson.

Your Budget Audit Subcommittee at its April 9, 2009 meeting received information from Marvin D. Hare, Saginaw County Treasurer, asking the board to approve the hiring of up to one full-time employee in the Treasurer’s Office for a period of at least three years, with all costs associated with collecting Buena Vista taxes to be paid by Buena Vista Township.

The Treasurer addressed the committee citing multiple deficiencies in the tax collection, reporting and distribution of taxes by Buena Vista Township. Based upon a request from the Township Supervisor and a recommendation from the Buena Vista Township Board of Trustees, the County Treasurer has agreed to begin collecting current year summer taxes beginning July 1, 2009 at the Courthouse and possibly at a location in Buena Vista Township. INITIATORY MOTIONS

Chair Braddock announced the next order of business is Initiatory Motions. Commissioner Graham moved, supported by Commissioner Woods, to have the Chair designate the Sheriff, or the Under-Sheriff in his absence, as Sergeant-at-Arms for every regular meeting of the Board of Commissioners. (Initiatory Motion was previously emailed to commissioners and laid on commissioners’ desk at this day’s session – approval would require a 2/3rds majority)

Commissioner Hadsall expressed curiosity as to why this motion is before the Board. Commissioner Graham explained that it is common practice in some counties to formally designate the Sheriff Sergeant-at-Arms. Commissioner Wurtzel cited some violent crime statistics and stated that with the Sheriff’s Office being shorthanded he would prefer the Sheriff be on the road. After further discussion, the Clerk was instructed to take a roll call vote. The result of the roll taken by the Clerk is as follows: Ayes 6 – Hanley, Graham, O’Hare, Foxx, Woods, Braddock; Nays 9 – Ruth, McColgan, Doyle, Lincoln, Novak, Sholtz, Hadsall, Krafft, Wurtzel. Motion failed.

APPROPRIATIONS COMMITTEE

Chair Braddock announced the Board would now recess for the Appropriations Committee meeting. The Board recessed, time being 5:34 p.m. The Board reconvened, time being 5:51 p.m. By Commissioner Hanley, supported by Commissioner Graham, that the Minutes of the Appropriations Committee meeting be received and made a part of this day's session with the nays so noted. REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COUNTY SERVICES – 1.1  MAY 19, 2009
Your committee considered Communication No. 5-19-8 from Cynthia Winland, Administrator, Saginaw County Brownfield Authority, asking the Board to approve a resolution for the Fort Saginaw Mall Brownfield Redevelopment Plan.
We met with Ms. Winland who informed the committee that on March 13, 2009, Buena Vista Township Board of Trustees approved a “draft” Fort Saginaw Mall Brownfield Redevelopment Plan. In addition, the Saginaw County Brownfield Redevelopment Authority approved the Plan April 27, 2009.
The project is located at the intersection of I-75 and M-46 in Buena Vista Township and owned by the Buena Vista Township Downtown Development Authority. It consists of approximately 33.6 acres in size with several separate structures throughout. The intent of the project consists of demolition of the existing, defunct mall and preparation of the site for new development. The Brownfield Plan has been created for facilitating redevelopment of the property by providing the developer and Saginaw County with reimbursement for certain eligible activities, and makes the developer eligible to file an application for a Michigan Business Tax Credit.
We recommend approval of a resolution supporting the Fort Saginaw Mall Brownfield Redevelopment Plan, and further recommend the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form. Under the regular order of business, the appropriate resolution will be submitted.

FROM: COMMITTEE ON COUNTY SERVICES – 1.2  MAY 19, 2009
Your committee considered Communication No. 5-19-11 from Douglas Bell, Planning Director, requesting an appropriation from the County’s General Fund Budget Stabilization Reserve Fund based on Fiscal Years 2003, 2004 and 2005 Michigan Department of Transportation (MDOT) audit findings.
We met with Mr. Bell who informed us that as a result of an audit performed by the Michigan Department of Transportation (MDOT) for Fiscal Years 2003, 2004, and 2005, a balance of $156,987 is due to the State of Michigan. The initial audit report was issued in November 2007 reporting discrepancies in labor costs, fringe benefits, indirect rates and passed through funds to Saginaw County Geographic Information Systems. The Administration Director and Planning Director appealed MDOT’s findings of ineligible reimbursements and because of this effort, the State had reduced the debt by $56,874 (A copy of the MDOT audit is on file in the Board Office.)
We recommend approval to fund the requested appropriation of $156,987 from the County’s General Fund Budget Stabilization Reserve Fund in order to repay the Michigan Department of Transportation for its audit findings. We further recommend that the proper County officials be authorized and directed to make the necessary adjustments and amend the budget accordingly.

Your committee considered Communication No. 5-19-3 from Charles Cleaver, Administration Director, Controller’s Office, requesting to amend Saginaw County Policy #243, titled “Vendor/Credit Card Policy.” The proposed update reflects the most recent audit recommendation by Rehman Robson to address inappropriate meal purchases. We concur and recommend approval of the amendments to Policy #243 titled “Vendor/Credit Card Policy” as follows:

6.5 Unauthorized Credit Card Use
6.5.1 The credit card may never be used to purchase items for personal use or for non-County purposes, even if the cardholder intends to reimburse the County.
6.5.2 The credit card shall not be used to pay for any food, beverages or meals including meals at training sessions, departmental meetings or lunches, conferences or related travel.

We further recommend that the proper County officials be directed to distribute the material in accordance with County Policy and implement the process.

COMMISSIONER KRAFFT POSTPONED BY COMMISSIONER PRIVILEGE
FROM: COMMITTEE ON COUNTY SERVICES – 1.4
MAY 19, 2009

Your committee considered Communication No. 5-19-5 from Marc McGill, Controller/CAO, requesting replacement of current Policy #422 titled, “Administrative Policy on Cellular Telephone Acquisition, Assignment and Utilization” in its entirety, with new Policy #422 titled, “Administrative Policy on Cellular Telephones.” We met with Mr. McGill, Controller/CAO and he stated Policy #422 was adopted by the Board of Commissioners in 1999 and currently contains several outdated items and does not address the use of cell phones while driving. He is requesting updating the policy and changing the language particularly in Section 6.6.2 titled “Specific Practices Prohibited” which prohibits the use of cell phones while driving and/or conducting County business.

Numerous research studies have addressed the dangers of operating a cell phone while driving and considering the statistics, many countries, states and cities have already completely banned the use of cell phones while driving. County Legal Counsel and the Insurance Carrier support the policy that prohibits the use of cellular phones, hands on or hands-free, while conducting County business.
We concur and recommend approval to replace Policy #422, in its entirety, with new Policy #422, titled “Administrative Policy on Cellular Telephones” as follows: (revisions in bold; deletions in strike-out) (Policy #422 old and new attached).

We further recommend that the proper County officials be directed to distribute the material in accordance with County Policy and implement the process.

FROM: COMMITTEE ON HUMAN SERVICES -- 2.1

Your committee considered Communication No. 5-19-2 from Natasha Coulouris, Health Officer, Department of Public Health, requesting approval of a job description for a new position of Environmental Health Specialist – General Programs.

We met with Ms. Coulouris and Bryant Wilke, Director, Environmental Health Services, who are requesting the allocation of a new Senior Environmental Health Specialist - General Programs position and the deletion of the Assistant Environmental Health Director (M09) and an Environmental Health Specialist (P06) positions which are currently vacant. They explained this is a cost saving measure resulting in a net savings of $71,565. This arrangement is fiscally responsible and an effective use of professional staff.

We recommend approval of the reorganizational structure for the Public Health Department, as follows:

1) Delete full-time position of Assistant Environmental Health Director (M09)
2) Delete full-time position of Environmental Health Specialist (P06)
3) Create full-time position of Senior Environmental Health Specialist - General Programs

Further, that the position of Senior Environmental Health Specialist - General Programs be forwarded to the Labor Relations Subcommittee for factoring evaluation and that the proper County officials be authorized and directed to make the necessary adjustments to the personnel complement and amend the budget accordingly.

FROM: COMMITTEE ON HUMAN SERVICES -- 2.2

At the March Session, the Board approved an organizational structure for the Home Delivered Meal Program and Congregate Center Program (3-24-4/3-24-3.2). In Communication No. 5-19-9, Karen M. Courneya, Director, Saginaw County Commission on Aging, asks the request be withdrawn and the Board considers revised job descriptions for the positions of Nutrition Program Supervisor, H09 and Home Delivered Meal Aide, T07.

Ms. Courneya advised us that the new job descriptions were rewritten to meet three goals:
1. Offer an employment situation to County employees and the general public who can perform the job but may not have the required education and experience;
2. Open opportunities to more people who previously would not have qualified, but could adequately perform the job; and,
3. Provide a cost savings to taxpayers and more funds for direct services provided by the Commission on Aging.

We recommend approval of the reorganizational structure for the Commission on Aging, as submitted; further, that the positions of Nutrition Program Supervisor and Home Delivered Meal Aide be forwarded to the Labor Relations Subcommittee for refactoring evaluation and that the proper County officials be authorized and directed to make the necessary adjustments to the personnel complement and amend the budget accordingly.

We met with Mary Amend who stated the Community Corrections Comprehensive Plan is due to the State of Michigan by June 1, 2009. The local Community Corrections Advisory Board approved submittal of the Plan and the FY 2010 grant application for approximately $380,877.
This grant will allow the continuation of administration for Community Corrections in Saginaw County.

We recommend the County Office of Community Corrections be authorized to apply for funds through the State of Michigan and accept the grant, if awarded; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

Your committee considered Communication No. 5-19-19 from Prosecutor Michael D. Thomas, seeking approval to apply for a 2009/2010 Auto Theft Grant Application through the Automobile Theft Prevention Authority.

The Saginaw County Auto Theft Task Force (SCATT) works closely with the funded assistant prosecutor on prosecution of all auto theft-related cases. This renewal would continue to allow a specific Assistant Prosecutor to be available to all local police agencies to handle auto theft-related cases and to continue the working relationship between SCATT and the Prosecutor’s Office. This division allows for more uniform, quality convictions and ability to concentrate on repeat offenders with an increased habitual offender conviction rate.

We recommend the Saginaw County Prosecutor’s Office be authorized to apply for funds through the Automobile Theft Prevention Authority and accept the grant, if awarded; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

Your Budget Audit Subcommittee considered Communication No. 5-19-12 from Marc McGill, Controller, asking the Board to approve a Resolution in Support of the State of Michigan to Fulfill its Obligations and Promises and Fully and Unconditionally Restore State Revenue Sharing for all of Michigan’s 83 Counties.

A copy of Controller McGill’s December 1, 2008 memo on State Revenue Sharing was provided to the subcommittee. In FY2010, the State will consider keeping its promise to 19 counties, including Saginaw. Although the 2010 Executive Budget includes full funding to the 19 counties, support of the resolution is recommended to keep our legislators attuned to the dire need for them to keep State funding coming home for the benefit of their constituents.

We recommend the Saginaw County Board of Commissioners support the Resolution regarding State Revenue Sharing. Under the regular order of business, the appropriate resolution will be submitted.

FROM: EXECUTIVE COMMITTEE -- 6.1 JUNE 23, 2009
Your Executive Committee at its June 16, 2009 meeting received information from Under-Sheriff Robert Karl on behalf of Sheriff William Federspiel, Saginaw County Sheriff’s Office, asking the board to waive the county’s purchasing policy and authorize the purchase of two security camera systems from Asset Protection Specialists.

As part of a strategic crime reduction plan, these camera systems will be installed in two specific areas yet to be determined. There is no cost to the County for this program, as one camera system will be purchased with funds from the 2006-2009 Justice Assistance Grant and the other will be purchased using funds from Sheriff forfeiture funds. Asset Protection Specialists is a sole-source, local provider of the programs which support and operate the camera systems.
We recommend approval of the request from the Saginaw County Sheriff’s Office to waive the county’s purchasing policy and enter into an agreement with Asset Protection Specialists to provide two security camera systems; further, authorize and direct the proper County officials to sign the necessary documents on behalf of the County.

Respectfully submitted,
EXECUTIVE COMMITTEE

UNFINISHED BUSINESS

POSTPONED WITH COMMISSIONER PRIVILEGE FROM 5-19-09 SESSION
FROM: COMMITTEE ON COUNTY SERVICES – 1.4

Your committee considered Communication No. 5-19-5 from Marc McGill, Controller/CAO, requesting replacement of current Policy #422 titled, “Administrative Policy on Cellular Telephone Acquisition, Assignment and Utilization” in its entirety, with new Policy #422 titled, “Administrative Policy on Cellular Telephones.”

We met with Mr. McGill, Controller/CAO and he stated Policy #422 was adopted by the Board of Commissioners in 1999 and currently contains several outdated items and does not address the use of cell phones while driving. He is requesting updating the policy and changing the language particularly in Section 6.62 titled “Specific Practices Prohibited” which prohibits the use of cell phones while driving and/or conducting County business.
Numerous research studies have addressed the dangers of operating a cell phone while driving and considering the statistics, many countries, states and cities have already completely banned the use of cell phones while driving. County Legal Counsel and the Insurance Carrier support the policy that prohibits the use of cellular phones, hands on or hands-free, while conducting County business.

We concur and recommend approval to replace Policy #422, in its entirety, replacing with new Policy #422, titled “Administrative Policy on Cellular Telephones” as follows: (revisions in bold; deletions in strike-out) (Policy #422 old and new attached).

We further recommend that the proper County officials be directed to distribute the material in accordance with County Policy and implement the process.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES
Carl E. Ruth, Chair
Michael J. Hanley, Vice Chair
Ann M. Doyle
Dennis H. Krafft
Judith A. Lincoln
Bregitte K. Braddock

FROM: COMMITTEE ON COUNTY SERVICES – 2.1 AUGUST 25, 2009
Your committee considered Communication No. 8-25-27 from JoAnn Crary, President, Saginaw Future, Inc., asking approval to hold a public hearing and consider a resolution to reissue bonds for the Peace Lutheran School Project.
We met with Ms. Crary, who informed us the Saginaw County Economic Development Corporation (EDC) was established by the Board of Commissioners in 1979 under P.A. 338 of 1974. The purpose of the EDC is to alleviate and help prevent conditions of unemployment, to assist and retain local businesses, and to strengthen and revitalize the economy of Saginaw County. It is the EDC’s role to issue industrial development revenue bonds for fixed asset investment, and act as a vehicle to issue the bonds. It is up to the applicant to find a buyer for the bonds; it is the buyer’s responsibility to analyze and determine a company’s financial strength. Saginaw County is in no way responsible or liable for bond repayment.
On January 16, 2003 the EDC issued its $5,600,000 Variable Rate Demand Limited Obligation Revenue Bonds, Series 2003 for the Peace Lutheran School Project through Peace Evangelical Lutheran Church, U.A.C. of Saginaw for purposes of financing the acquisition, construction and furnishing of a K-8 private school owned and operated by the Borrower in Saginaw Township, Michigan.
The Series 2003 Bonds are currently outstanding in the aggregate principle amount of $4,980,000 and the Borrower desires to make certain modifications which will result in a reissuance of the Bonds for federal tax purposes. The maturity date of the Bonds will be extended to February 1, 2038, which will enable the Series 2003 Bonds to qualify for credit enhancement from the Federal Home Loan Bank of Indianapolis. The Board of Directors of the EDC adopted a resolution on July 23, 2009 authorizing certain modifications to the Series 2003 Bonds.
We agree with the request to hold a Public Hearing on August 25, 2009 and consider a Resolution to reissue bonds for the Peace Lutheran School Project. Under the proper order of business, the appropriate resolution will be submitted to accomplish same.

RESOLUTION OF RECOGNITION
BRIDGEPORT – SPAULDING COMMUNITY SCHOOL DISTRICT

WHEREAS, 50 years ago each township had several schools which went by district numbers, not names. Each school housed students kindergarten through eighth grade and had its own school board consisting of five members. During this time, if students wanted to graduate from high school, they were transported by bus to Saginaw High or Frankenmuth. In the late 1950’s, there was a movement in the City to refuse tuition students. The alternative was for the districts to annex to the City; and,

WHEREAS, Spaulding Township approached Bridgeport Township about joining together to form one school district. It was at this time that the two school districts consolidated because neither one wanted to be annexed to the City. On June 16, 1959 an agreement was signed to become the Bridgeport-Spaulding Community School District. The school board still consisted of five board members; and,

WHEREAS, Neither school district had a high school so a high school had to be built. In 1960, the district received a grant from the Ford Foundation for the Advancement of Education for planning of the new high school that was finished in 1961. The first class to attend the new high school was the 10th grade with the first graduating class in 1964; and,

WHEREAS, The communities of Bridgeport and Spaulding will gather from September 30, 2009 through Sunday, October 4, 2009 to celebrate 50 years of dedication and teamwork to educate the children of their area. Festivities will begin September 30th with a tailgate party and Powder Puff Game with the Homecoming Parade and Football Game on October 2, ending on October 4 with a Scholarship Pancake Breakfast.

NOW, THEREFORE, BE IT RESOLVED, that the Saginaw County Board of Commissioners by Resolution does hereby recognize the organizations that provided resources and support systems in our community that helped our children and youth thrive and succeed. Their leadership has worked hard to present the type of environment where children and families can realize their potential and we applaud their success; and, BE IT FURTHER RESOLVED, That this expression of recognition be printed in the minutes of the Board of Commissioners meeting as a permanent record and presented to them.
Respectfully submitted,

Your committee considered Communication No. 8-25-38 from Bryant Wilke, Acting Health Officer, Saginaw County Department of Public Health, sending notification that the Health Department received increased fiscal year 2008/2009 funding from the Michigan Department of Community Health for the following programs:

At the March 25, 2008 Session, the Board supported the future development of a non-motorized Center Road Bridge located parallel to the new Center Road Vehicular Bridge as the connecting link between the Saginaw Township Trail System to the north and the Saginaw Valley Rail Trail to the south. To further proceed with the plan, the Board at its June 24, 2008 Session supported the development of a pathway from the non-motorized bridge along Center Road to Stroebel Road. Michigan Department of Transportation Enhancement funds were approved for construction of the non-motorized bridge and the pathway. Local organizations provided the local match; no County funds were used for the project.

In Communication No. 3-24-9 (2009), John Schmude, Director, Saginaw County Parks and Recreation Commission, requested a Resolution of Support to submit a grant application to the Michigan Department of Natural Resources Trust Fund for a 1.4-mile extension of the Saginaw Valley Rail Trail from the parking lot on Stroebel Road to Center Road. The total project cost is $334,000 with a required match of 25% that would be secured through local cash donations; no County funds will be used for the project. A public comment session was held March 18, 2009 at the Saginaw County Governmental Center to provide an opportunity for citizens to express opinions, ask questions, and discuss all aspects of the project. At the March 24, 2009 Board Session Resolution “A” supporting the Saginaw County Parks and Recreation Commission’s application for funding Phase IV Development of the Saginaw Valley Rail Trail and Resolution “B” approving the 2009-2013 Saginaw County Recreation Plan were approved.

In Communication No. 9-22-19, Mr. Schmude, is requesting a Resolution of Support to increase the local match from 25% not to exceed 50% for the Saginaw Valley Rail Trail Phase IV grant request to the Michigan National Resources Trust Fund. The local match will be secured through local cash donations. No County funds will be used toward the local match. We recommend the Saginaw County Board of Commissioners approve a Resolution of Support to increase the local match from 25% not to exceed 50% for the Saginaw Valley Rail Trail Phase IV Development, as outlined above. Under the proper order of business the appropriate resolution will be submitted to accomplish same.

Re: 2009 Year End Budget Adjustments

Dear Madam Chair:

Attached you will find the 2009 Year End Budget adjustment requests for various funds of the County. These requests are intended to cover any budget shortfalls on both a categorical and fund level. However, there may be further year end adjustments as recommended by our auditors during the annual audit process.

As you can see there are four (4) departments in need of additional funds from the General Fund in order to reconcile estimated revenues to estimated expenditures and are highlighted in red on the attached list of budget adjustments. These departments are the Department of Public Works, Law
Library, Sheriff’s Department, and Planning. This communication has been copied to those respective officials notifying them they are expected to appear at the Budget and Audit Subcommittee to answer any questions the Committee may have.

The fiscal year 2008/2009 Budget Resolution authorizes the Controller to transfer monies from one category to another within an activity and between activities within the same fund in an amount up to $50,000 for non-equipment expenditures, and up to $25,000 for equipment expenditures when deemed necessary. The amount of these Budget adjustments requires Board approval as they are outside the Controller’s and Board Chairman’s authorized levels.

I am requesting that the Budget and Audit Subcommittee review this request and recommend forwarding it to the full Board for approval.

If you have any questions regarding these Budget adjustments, please feel free to contact me at 790-5578.

Sincerely,
Marc A. McGill
Controller/CAO

FROM: COMMITTEE ON APPROPRIATIONS -- 4.3

September 22, 2009

Your Budget/Audit Subcommittee considered Communication No. 9-22-1 from Natasha J.V. Coulouris, Health Officer, Saginaw County Department of Public Health, requesting approval of a revised fee schedule for the FY 2010 Budget. (Attached)

The Budget/Audit Subcommittee met with Marc McGill, Controller, who presented the revised fee schedule on behalf of Natasha Coulouris, Health Officer, pending approval by the Human Services Committee. The Human Services Committee met with Natasha Coulouris and Bryant Wilke, Director of the Environmental Health Services Division, who informed the committee that the proposed fees reflect the actual cost associated with conducting the specific service.

The revised fee structure establishes a fair and equitable method to generate the revenue necessary to provide the service. We recommend approval of the revised fee schedule for the Saginaw County Department of Public Health, as submitted; further that the proper County officials be authorized and directed to implement same and adjust the budget accordingly.

Respectfully submitted,

COMMITTEE ON APPROPRIATIONS

Cheryl M. Hadsall, Chair
James M. Graham, Vice-Chair

By Commissioner Krafft: That the Report of the Committee be received and the recommendations therein be adopted. Approved.

(Fee Schedule on Next Page)
The following fees shall be incorporated into the fee schedules for the following departments and shall become effective on October 1, 2009.

Human Services Committee Report 8-25-31 / 1.2

By Commissioner Novak: That the Report of the Committee be received and the recommendations therein be adopted. Approved.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.5 SEPTEMBER 22, 2009

Your Labor Relations Subcommittee considered Communication No. 9-22-12 from Charles H. Cleaver, Administration Director, sending revisions to Policy #343 titled “Employee Insurance” which addresses employee insurance entitlements and options. The proposed updates reflect health insurance options and an annual refund from Blue Cross/Blue Shield of Michigan. We concur and recommend approval of the amendments to Policy #343 titled “Employee Insurance” as follows: (revisions in bold; deletions in strike-out)

6.1.1 New hires or employees who were not eligible for health insurance benefits on or after January 1, 1993, must be of regular full-time status to become eligible for health insurance coverage. **Health insurance eligible** employees hired prior to March 1, 2005 are eligible for Blue Cross Blue Shield of Michigan (BCBSM) PPO1 (Suffix 601) insurance plan and will pay 20% of the premium, PPO2 (Suffix 621) and will pay 10% of the premium, PPO3 and will pay 0% of the premium or PPO8 (Suffix 689) and will pay 0% of the premium. Additionally, employees hired prior to March 1, 2005 are eligible for HealthPlus PPO 1E insurance and will pay 10% of the premium, HMO IH and will pay 0% of the premium, or HMO D6 and will pay 0% of the premium. **Health insurance eligible** employees hired on or after March 1, 2005 will be eligible to receive BCBSM PPO8 or HealthPlus HMO D6 health insurance only. During an open enrollment period employees hired on or after March 1, 2005 may elect to purchase, or "buy up" to BCBSM PPO1, PPO2 or HealthPlus (PPO 1E or HMO IH) options at a cost equal to the actual difference plus any administrative expenses, as determined exclusively by the County Controller's Office, between PPO8 and coverage elected by the employee.

6.1.2 Historically, the County of Saginaw receives an annual Michigan Savings Refund (Refund) from Blue Cross/Blue Shield of Michigan (BCBSM). This annual refund has been based on physician and other medical provider settlements; pharmacy recoveries; and prescription drug rebates. Each non-union only employee who is eligible to receive employer sponsored health benefits will participate in a pro-rata share of the annual Refund on or before March 31 of the
following year (e.g. 2009’s annual Refund share, if any, will be distributed by March 31, 2010).

The pro-rata share will be based on the total number of County employees eligible to share the annual Refund amount. Eligibility for the pro-rata share of the Refund is contingent on the employee having been employed the entire calendar year, as no shares will be prorated. By way of an example, if an employee left employment on December 30 after having been employed the rest of the entire calendar year, they would not be eligible to receive any share of the Refund. The County has no control whether an annual Refund is provided by BCBSM or the amount of the annual Refund, if provided.

We further request that the proper County officials be directed to distribute the material in accordance with County Policy and implement the process.

Respectfully submitted,
COMMITTEE ON APPROPRIATIONS

FROM: COMMITTEE ON APPROPRIATIONS -- 4.6 SEPTEMBER 22, 2009

Your Labor Relations Subcommittee considered Communication No. 9-22-13 from Charles H. Cleaver, Administration Director, sending revisions to Policy #353 titled “Wellness Activity Reimbursement” which establishes procedures to reimburse employees and retirees for participation in certain wellness activities. The proposed updates reflect a change to the reimbursement amount for non-union employees, retirees and those covered under a Collective Bargaining Agreement.

We concur and recommend approval of the amendments to Policy #353 titled “Wellness Activity Reimbursement” as follows: (revisions in bold; deletions in strike-out)

3. APPLICATION: This policy shall apply to all eligible non-union employees only and retirees who participate in programs or activities that further personal wellness.

6.1 It is the policy of Saginaw County to encourage its employees to live as healthy a lifestyle as possible. To support employees to that end, the County has joined with certain local wellness organizations to offer discounted rates to employees for participation in those programs. To further encourage a wider number of employees and retirees to participate in wellness activities, the County will reimburse each eligible non-union only employee or retiree up to $200.00 for the cost of participation or membership in such activities. Employees covered by a Collective Bargaining Agreement (CBA) will receive up to $100 per calendar year for the cost of participation or membership in such activities unless the applicable CBA states otherwise. Proper documentation and verification must be provided as outlined in 7.1.

6.2.2 An employee or retiree shall not be reimbursed for any amount over $200.00 in one calendar year. If an employee’s or retiree’s actual costs are less than $200.00, the employee or retiree will be reimbursed for the lesser amount.

We further request that the proper County officials be directed to distribute the material in accordance with County Policy and implement the process.

Respectfully submitted,
COMMITTEE ON APPROPRIATIONS

FROM: COMMITTEE ON APPROPRIATIONS -- 4.7

Your Labor Relations Subcommittee considered Communication No. 9-22-14 from Charles H. Cleaver, Administration Director, sending revisions to Policy #346 titled “Retirement” which addresses employee retirement entitlements and options. The proposed updates reflect changes to Retirement Health Insurance for non-union employees and elected officials. We concur and recommend approval of the amendments to Policy #346 titled “Retirement” as follows: (revisions in bold; deletions in strike-out)

6.5.2 Employees hired on or after March 1, 2005 will not be eligible for retirement health insurance. They will be offered an employer sponsored Health Care Savings Program (HCSP) or its equivalent. The County will contribute 1% of eligible employee's gross wages to the HCSP. The Employee shall contribute 50% of their PTO bank pay out to the HCSP upon termination/retirement. Additionally, eligible employees shall contribute 0.25% to 7% of their bi-weekly gross wages to this HCSP. Allowable changes to employee contribution levels shall be in accordance with the HCSP participation document. Once a percentage is selected, participants may increase the participation level but never decrease it. Employees hired prior to March 1, 2005 who wish to keep the County’s retiree health shall contribute 50% of their PTO bank pay out to the HCSP upon termination/retirement.

6.5.3 Prior to midnight on December 31, 2009, employees not covered by a collective bargaining agreement that were hired prior to March 1, 2005 may make an irrevocable election to refuse retirement health insurance and choose the HCSP plan. They will be offered a onetime incentive of $15,000.00 by the County, and will not be eligible for retiree health insurance or a stipend in lieu of retiree health insurance. Once opting out of retiree health insurance, the County will contribute 1% of the employee's gross wages to the HCSP plan. For employees that have previously opted out of retiree health insurance, the County will contribute 1% of eligible employee's gross wages to the HCSP. BE IT FURTHER RESOLVED #3, That the Board of Commissioners hereby authorizes a 9-1-1 Emergency Services Funding Assessment in an amount not to exceed $2.65 per month. This charge shall be placed upon all devices capable of E 9-1-1 service. This charge may further be subject to the Michigan Public Service Commission and may be as low as $2.18 per month; and

BE IT FURTHER RESOLVED #4, That the sum of $151,873,921 as set forth in the Budget adopted by this Board is hereby appropriated for the use of several departments, for the purpose

BE IT FURTHER RESOLVED #5, That said sum is appropriated to and shall be available for expenditures from several funds in accordance with the law, and no obligation or liability shall be incurred, nor any vouchers drawn in payment thereof by any County department, which shall not be confined to the objects or categories of expenditures but, which shall exceed the amount appropriated therefore, as set forth in the categories of said budget; and

BE IT FURTHER RESOLVED #10, That the Controller is authorized upon request of the respective elected official or department head to transfer persons from certain positions contained in the Position Control Number Roster List, which are supported in some part by grant, cost sharing, child care reimbursement or other source of outside funding, to another grant funded position in order to reduce County cost; and

BE IT FURTHER RESOLVED #11, That the County shall designate 16 beds in the County jail for rental to the federal government in order to meet revenue projections for the 2009/2010 Budget Year; and

REPORTS OF REGULAR COMMITTEES
FROM: COMMITTEE ON COUNTY SERVICES – 2.1	OCTOBER 20, 2009

Your committee considered Communication No. 9-22-9 from Marc McGill, County Controller/CAO, sending Exhibits A & B, which are attached. Your committee finalized the plan to increase representation on the Saginaw County Road Commission from three to five members as of January 1, 2010 thus reducing potential taxpayer cost. State law, over the years, has developed to allow Counties to move from three to five appointed members.

With the economic realities faced by our community, it is our recommendation to change the number of Saginaw County Road Commissioners from three to five. Below are three determinations, which will align wages and benefits:

1. That for Road Commissioner terms beginning January 1, 2010, and thereafter, the compensation and benefits for Road Commissioners is limited to a $50 per diem per meeting, an annual salary of $6,000 for the Chair, and an annual salary of $5,000 for members.
2. That two (2) additional Road Commissioners be appointed for a term beginning January 1, 2010. Both will be appointed for one-year terms per statute and legal counsel opinion.
3. That when the three (3) Road Commissioner terms expiring on January 1, 2011 come up for reappointment; two (2) be appointed for six years terms and one (1) be appointed for a four year term.

This appointment process will allow for conversion from three to five Road Commissioners after the appropriate public hearing and legal process effective January 1, 2010. Upon the appointment of a Road Commissioner for the six-year term beginning January 1, 2015 all Road Commissioners will be alleviated of all benefits. (See Exhibits A and B)

We concur and recommend approval to proceed with the attached plan and recommendation to change the number of Saginaw County Road Commissioners from three to five members; and further recommend implementing the attached process to align the pay and benefit structure for members, subject to review by the Controller as to substance and Counsel as to legal form.

Respectfully Submitted,

COMMITTEE ON COUNTY SERVICES

Carl E. Ruth, Chair
Ann M. Doyle
Judith A. Lincoln

Michael J. Hanley, Vice Chair
Dennis H. Krafft
Bregitte K. Braddock

By Commissioner Ruth: That the Report of the Committee be received and the recommendations therein be adopted. Approved with a nay vote recorded for O’Hare.

*Estimated

The numbers above for Wages, Health Insurance, Per Diem, Dental, Optical, Life Insurance and Mileage are the current annual budgeted numbers for the Road Commissioners as provided by the Road Commission. Currently, the Road Commissioners do not take health insurance. Instead they get an "Health Insurance Offset" of $125/month or $1500/year. Therefore the numbers above would be $3,000.00 less per commissioner for actual cost. Should any or all of the Road Commissioners decide not to take dental or optical, those costs would be adjusted as well. However, the full cost of the insurance is included in these totals as Road Commissioners are allowed these benefits at taxpayer expense. Retirement and Retiree Health Insurance are estimated (imputed cost). These taxpayer funded life time benefits are also allowed for Road Commissioners. These estimates were compiled based on information provided from the Road Commission and imputed to actual cost. Conferences and travel cost for conferences are not included in the above numbers. These conference numbers have not been provided for review and inclusion in the calculation of cost per commissioner. Nor does this proposal recommend any changes to conference costs.

An analysis of the above compensation and benefit costs is attached as part of this EXHIBIT A.

### EXHIBIT A page 4

**Wages**
Wages are set at $6,000 per year for the Chair of the Road Commission and $5,000 per year for the two other Road Commissioners. For all three Road Commissioners the total budget for the year is $16,000.

### Per Diem
Per Diem is paid at $50 per meeting. Each Road Commissioner is budgeted for 26 meetings per year for a total of $1,300 per Road Commissioner. For all three Road Commissioners the total budgeted is $3,900 for 2009.

### Health Insurance
Health Insurance is available to all Road Commissioners. The cost per Road Commissioner varies depending on the plan and whether the single subscriber, two (2) person subscribers or family subscriber is selected by the Road Commissioner. The most common plan for management employees is the PPO4 plan. The single rate is $4,277 annually; the two person rate is $9,624 annually; the family rate is $11,976 annually per Road Commissioner.
If all three Road Commissioners selected the single plan the total for the year would be $12,831 annually. This would be the low end if all three Road Commissioners selected Health Insurance. The high end would be if all three Road Commissioners selected Health Insurance at the Family plan level. In this instance the annually cost for all three would be $35,928. This is the highest cost that could be incurred should the Road Commissioners exercise their right to this benefit, which is allowable, by the Saginaw County Board of Commissioners. None of the three Road Commissioners currently have exercised their right to this benefit. As opposed to taking Health Insurance the Road Commissioners are taking a payment in lieu of Health Insurance known as “Health Insurance Offset”. The Health Insurance Offset is a $125 per month payment or $1,500 per year per Road Commissioner. For all three Road Commissioners the budget is $4,500 for Health Insurance Offset payments. In summary the lowest cost the Road Commission could incur is what they are incurring today; that is all three Road Commissioners electing offset at a total cost of $4,500. The highest cost it could be today is if all three road commissioners elected to take family coverage at $35,928 per year. This possible cost to the Road Commission will no doubt increase with time but will only come into fruition if/when Road Commissioners or future Road Commissions change their selection from the offset to a health plan as they are entitled to do.

EXHIBIT A page 5

FICA
FICA is a percentage of compensation. The percentage is 7.65%. Compensation includes Salary, Per Diem and Health Insurance Offset Payments.

Dental Insurance
Dental Insurance is budgeted at $1,815 in total for all three Road Commissioners. Divided it is $605 annually per Road Commissioner.

Optical Insurance
Optical Insurance is budgeted at $1,200 in total for all three Road Commissioners. Divided it is $400 annually per Road Commissioner.

Life Insurance
Life Insurance is budgeted at $285 in total for all three Road Commissioners. Divided it is $95 annually per Road Commissioner.

Mileage
Mileage is budgeted at $726 in total for all three Road Commissioners. Divided it is $242 annually per Road Commissioner.

Retirement
Retirement is not budgeted at employee level and therefore not budgeted for the Road Commissions in their individual budget. In other words the Road Commission does not allocate retirement cost to individual staff of the Road Commissioners. There is a cost though; it however is not allocated to each employee/road commissioner who will benefit from the cost. Road Commissioners are eligible for a Defined Benefit Retirement. They must serve on the board 6 years (one term) and attain the age of 60 to vest for this benefit. Or they serve on the board for 15 years (three terms) and attain the age of 55 to vest for this benefit. The benefit plan is thru the Municipal Employees Retirement System (MERS) and is known as the MERS B-4 plan. The B-4 plan has a 2.5% multiplier, a five year final average compensation, and 6 year minimum vesting as previously explained. The employee (Road Commissioner) does contribute 4% of their pay annually for this benefit. For the Chair it would be ($8,800 see FICA above x 4%) = $352 annually. For the regular Road Commissioners it would be ($7,800 see FICA above x 4%) = $312 annually.
Retirement - continued
The Benefit based upon a Road Commission serving two 6 year terms (12 years) and leaving at
or after age 60 would be approximately $2,640/year for life for the Chair ($8,800 x 2.5
multiplier x 12 years). For a regular Road Commissioner it would be $2,340/year for life
($8,800 x 2.5 multiplier x 12 years). The amount of benefit will vary with the years of service.
It will also vary on a minor level with compensation, which includes per diem and amount of
insurance offset. Obviously the longer a person serves the larger the benefit will be during
retirement years.

As there is no budgeted amount for the cost of this benefit one would have to either conduct an
actuarial valuation of the cost or conservatively estimate the cost. One estimation could be that
the average Road Commissioner will upon retirement have served 2 terms or 12 years. Further
that after retirement they will live 20 years. All these assumptions are speculative but to get to a
number assumptions must be made. In fact an actuarial valuation, which takes time and money
to produce, uses assumptions as well. In the case of serving 12 years, a Road Commissioner
would receive $2,340 a year for 22 years or $51,480 as a lifetime benefit per Road
Commissioner. Or $154,480 for all three lives of three retired Road Commissioners. If that is
spread over their 12 year career the cost might be near $4,290 a year per Road Commissioner.
Or $12,870 a year for all three Road Commissioners. Of course the more years served and the
longer the life after retirement the higher the cost. Conversely the fewer years served and the
shorter the life after retirement the less the cost. Further complications involve selecting survivor
benefits. For illustrative purposes (baring an actuarial valuation) the schedules following use the
12 years served and 22 year life afterwards.

Retiree Health Care
Retiree Health Care is by far the most expensive benefit provided to Road Commissioners. It is
provided to Road Commissioners for life as long as they qualify for a MERS pension as stated
above. They receive these Health benefits for life. It may also covers spouses and other
qualifying dependents in accordance with BCBS rules.

The total retiree healthcare cost for the 90 retirees for last year was $1,007,705. Thus the
average cost per retiree is $11,196/year. As with retirement, the retiree health care is not
allocated to employees or the road commissions individual budgets. The $1 million plus is
expended from a separate line item of the Road Commission budget.

The following page indicates three common methods of allocating the benefit of retiree health
care against the employees/road commissioners to determine what the cost per employee is. The
financial schedules in this exhibit A use the least cost method.

Your committee considered Communication No. 10-20-2 from James T. Totten, Equalization Director, submitting the 2009 Tax Rate Requests - Form L-4029 for Saginaw County, filed by the various cities, townships, villages and school districts indicating the amount of millage to be spread, for all purposes, by the taxing entities within their jurisdiction. Attached hereto and made a part of this report is the schedule of tax levies to be spread upon the 2009 tax rolls of the respective jurisdictions. Said levies are expressed in terms of millage provided for in Section 37 of Act 347 of the Public Acts of 1968, as amended.

Mr. Totten informed us there are four taxing jurisdictions; Blumfield, Bridgeport, Buena Vista Charter and Chapin Townships that have not submitted their L-4029 Millage Rate Request Form. This will require the L-4029 to be amended at a later session. There are no ballot proposals on the November election that would affect this report.

It is the recommendation of your committee that the 2009 Apportionment Report be approved pending the above-noted jurisdictions’ final millage rates.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES
Carl E. Ruth, Chair
Ann M. Doyle
Judith A. Lincoln
Michael J. Hanley, Vice-Chair
Dennis H. Krafft
Bregitte K. Braddock

By Commissioner Ruth: That the Report of the Committee be received and the recommendations therein be adopted. Approved.

FROM: COMMITTEE ON COUNTY SERVICES – 2.3  

Your committee considered Communication No. 10-20-4 from JoAnn Crary, President, Saginaw Future, Inc., asking for a Resolution of Support to move forward with the proposed economic development project with Suniva Inc.; and, further, approval to appoint on a temporary basis two (2) additional directors, Robert Weise and Dave Sommers, to the Economic Development Corporation Board for the purpose of this project.

We met with Ms. Crary, who informed us the Saginaw County Economic Development Corporation (EDC) was established by the Board of Commissioners in 1979 under P.A. 338 of 1974. The purpose of the EDC is to alleviate and help prevent conditions of unemployment, to assist and retain local businesses and commercial enterprises, and to encourage the location and expansion of such enterprises to provide needed services and facilities to the County of Saginaw, Michigan and its residents.

On October 6, 2009, Ms. Crary joined Governor Granholm in Lansing during her announcement of the new proposed solar manufacturing facility, which will be located in Thomas Township, Saginaw County, Michigan. The facility will be operated by Suniva Inc., a Georgia-based company who will develop, manufacture and market high quality, high efficiency silicon photovoltaic cells. The investment of this facility would bring approximately 250 million dollars to the County of Saginaw and create up to 500 jobs within the next five years. Suniva is currently pursuing a United States Department of Energy loan guarantee for purposes of this project.

Under the Saginaw County Economic Development (EDC) P.A. 338 of 1974, the Chairperson of the County Board of Commissioners of the County of Saginaw is authorized to appoint two (2) additional directors to the Board of Directors to the Economic Development Corporation Board, in accordance with Section 4(3) of the Act.

We concur and recommend approval of a Resolution of Support to move forward with the proposed economic development project and approval to appoint this on a temporary basis two (2) additional directors, Robert Weise and Dave Sommers, to the Economic Development Corporation Board for the purpose of this project.

Under the proper order of business, the appropriate resolution will be submitted to accomplish same.

Respectfully submitted,

RESOLUTION "A"
BOARD OF COMMISSIONERS
COUNTY OF SAGINAW
RE: RESOLUTION APPROVING PROJECT AREA, ESTABLISHING PROJECT DISTRICT AREA AND CONFIRMING APPOINTMENT OF ADDITIONAL DIRECTORS TO THE BOARD OF DIRECTORS OF THE ISSUER (Project Sunshine)

At a regular meeting of the Board of Commissioners of the County of Saginaw, State of Michigan, held in Saginaw, Michigan on the 20th day of October, 2009 at 5:00 p.m.

Commissioner Ruth offered the following resolution and moved its adoption. The motion was seconded by Commissioner Krafft:

WHEREAS, the Economic Development Corporations Act, Act No. 338 of the Michigan Public Acts of 1974, as amended (the “Act”), recognizes that there exists in the State of Michigan the need for programs to alleviate and prevent conditions of unemployment, to assist and retain local industries and commercial enterprises, to encourage and assist the location and expansion of such enterprises to provide needed services and facilities to the County of Saginaw and its residents, and to encourage the development of facilities designed to produce energy from renewable resources; and

WHEREAS, the Act provides a means by which these needs may be addressed; and

WHEREAS, the Economic Development Corporation of the County of Saginaw (the “Issuer”) desires to acquire certain property located in Thomas Township, Saginaw County, Michigan, and described in Exhibit A attached hereto for the purpose of developing the site as an alternative energy park so it can be marketed to companies in the solar energy industry to induce location and investment in Saginaw County (the “Project”); and

WHEREAS, the Issuer, in conformity with the Act, has designated a Project Area and Project District Area for the Project to the Board of Commissioners for its approval thereof.

Your committee considered Communication No. 9-22-6 from Mark Thompson, CEO of Mobile Medical Response, Inc., submitting an Ambulance Service Agreement between Mobile Medical Response, Inc. and Saginaw County. (On file and available for review in the Board Office)

In October 2008, Mobile Medical Response, Inc. approached Saginaw County with a proposal to provide ambulance service on a county-wide basis.

**Certificate of Appreciation**
Presented to:
TOM MEDER
The Saginaw County Board of Commissioners is honored in joining the residents of the Village of Chesaning in recognizing Mr. Tom Meder for his dedication and leadership on the Shiawassee River Restoration Project located in the Village of Chesaning, Saginaw County, Michigan. The 146-year-old dam that sat in the middle of the Shiawassee River in the Village of Chesaning was recently removed and redesigned to create a new rock ramp. The rock ramp will allow the passage of fish, including targeted species such as walleye and sturgeon, to pass through this area and access historically important spawning areas above Chesaning. After more than 150 years, spawning fish will have unencumbered access to nearly 75 miles of the Shiawassee River that was previously inaccessible. This completed fish passage is a key element in the restoration of the native fishery in the Saginaw River system and an important step toward the eventual delisting of the Saginaw River/Bay area of concern.
We hereby commend Mr. Tom Meder for his leadership on this project and for loyally serving the residents of the Village of Chesaning.

Respectfully,

Your committee considered Communication No. 11-17-14 from John Schmude, Director, Parks & Recreation Commission, asking to increase the FY 2010 Haithco Restricted Fund budget by $4,400.00 previously approved by not expended during FY 2009.

(Application to be on file in the Board Office)

We met with Ms. Crary, Steve Jonas and Craig Hammond, EDC Legal Counsel, who provided information on the proposed acquisition and development of a 240 acre renewable energy park to be located in Thomas Township, Saginaw County, Michigan and the conveyance of a 40 acre parcel within the renewable energy park to Suniva, Inc., a Georgia-based company, for the development of a new manufacturing facility for the production of high quality, high efficiency silicon photovoltaic cells. Your committee considered Communication No. 11–17-6 from JoAnn Crary, President, Saginaw Future, Inc., requesting a Public Hearing be held and approval of a Resolution to submit a Community Development Block Grant application in the amount of $2,500,000 for a forgivable loan to Suniva, Inc. for fixed asset purchases. (Application to be on file in the Board Office)

We met with Ms. Crary, Steve Jonas and Craig Hammond, EDC Legal Counsel, who provided information on the proposed solar manufacturing facility, which will be located in Thomas Township, Saginaw County, Michigan. The facility will be operated by Suniva, Inc., a Georgia-based company who will develop, manufacture and market high quality, high efficiency silicon photovoltaic cells. The investment of this facility would bring approximately $250 million dollars to the County of Saginaw and create up to 500 jobs within the next five years. Suniva, Inc. is currently pursuing a United States Department of Energy loan guarantee for purposes of this project.

Ms. Crary is requesting authorization to hold a Public Hearing and submit a Resolution for an Economic Development Grant Agreement relating to the Community Development Block Grant (CDBG) Program in obtaining a $2,500,000 forgivable loan to Suniva, Inc. to help finance fixed asset purchases. The funds are necessary to facilitate the location of Suniva, Inc., and to acquire an approximately 40-acre parcel of land located within the Renewable Energy Park for development, by Suniva, Inc., a new 200,000 square foot manufacturing facility.

We met with Ms. Crary, Steve Jonas and Craig Hammond, EDC Legal Counsel, who provided information on the proposed solar manufacturing facility, which will be located in Thomas

The investment of this facility would bring approximately $250 million dollars to the County of Saginaw and create up to 500 jobs within the next five years. Suniva, Inc. is currently pursuing a United States Department of Energy loan guarantee for purposes of this project.

The County of Saginaw desires to expand economic activity, and increase the number of jobs and income available to residents of the area. NOVEMBER 17, 2009

Your committee considered Communication No. 11-17-4 from Marc McGill, Controller/CAO, recommending the Board enter into a two-year agreement with Mary Cornell to provide Level IV Assessor services for Saginaw County.

Mr. McGill informed the committee that because of the County’s SEV level, the State is requiring the County to utilize the services of a Level IV Assessor. For the past 5 years, Saginaw County has contracted for these services with the Bay County Equalization Director; unfortunately, the services provided from this previous agreement came to end with the death of this individual.

Mary Cornell currently serves as Midland County Equalization Director and has agreed to offer her expertise to aid Saginaw County in meeting the State’s requirements. Ms. Cornell is a certified Level IV Assessor who has proven experience in county government. She would prepare and/or supervise the preparation of all reports/services requiring Level IV certification for a sum not to exceed $25,000 per year. Mr. Jim Totten, Saginaw County Equalization Director, would continue to oversee the daily operations of the Department. Funds have been included in Equalization’s activity of the General Fund.

We recommend the contract with Mary Cornell for Level IV assessor services be approved for a two-year period beginning December 1, 2009 through November 30, 2011 as outlined above; further, that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Counsel as to legal form.

Your committee considered Communication No. 11-17-10 from Saginaw County Sheriff Federspiel, asking to utilize a forfeited 2007 Mustang vehicle as an advertisement tool against drugs.

We met with Sheriff Federspiel who informed the committee that a 2007 Mustang vehicle along with other personal property was seized during a drug raid. Upon the pending signed Declaration of Forfeiture and adjudication of the case, the Sheriff is requesting to use this vehicle as an advertising tool and “moving bulletin board against drugs.” The vehicle will be used in
parades and at local schools and community forums. This effort has been used by other law enforcement agencies throughout the country with great success and will have a positive effect on Saginaw County’s youth and community.

Sheriff will replace his patrol car, which is in need of repair and maintenance, and drive the forfeited 2007 Mustang. All maintenance and gas for the 2007 Mustang would be expended from drug forfeiture monies and no county funds will be used.

We recommend approval, pending the Declaration of Forfeiture, for the Saginaw County Sheriff to utilize the 2007 Mustang vehicle.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 3.2  NOVEMBER 17, 2009

Your committee considered Communication No. 10-20-10 Sandra Lindsey, CEO Saginaw County Community Mental Health Authority asking to apply for a six (6) year $9 million dollar grant from the Federal Substance Abuse and Mental Health Services Administration (SAMHSA).

We met with Sandra Lindsey, Judge Harrison, 10th Circuit Court, and Randy Barst, Department of Human Services. The purpose of the grant is to assist communities to develop integrated home and community based serves and support systems for children and youth with serious emotional disturbances and their families thru the development and expansion of effective and enduring systems of care. All three agencies, being the Mental Health Authority, Family Court, and Human Services, will be involved in administering the grant.

The grant requires a local match of up to $3 million dollars per year during the six (6) year grant period. The grant allows existing expenditures of County and State funds to serve as local match funds. The Controller/CAO confirmed that the approximate $6 million dollars being expended now in the County’s Child Care Fund could be used to satisfy this grant requirement. Further, that over the six (6) year grant period this amount would not diminish so that matching funds will be secure.

We recommend approval of the grant application and acceptance and further recommend that the proper County officials be authorized and directed to make the necessary budget adjustments.

2. AUTHORITY: The Saginaw County Board of Commissioners.

3. APPLICATION: The rules and regulations herein set forth apply to all non-union employees only paid by Saginaw County, pursuant to Policy # 301.

4. RESPONSIBILITY: The Controller/CAO shall be responsible for the implementation and administration of this policy.

5. DEFINITIONS: NONE

6. POLICY:

6.1 Health Insurance. Health insurance shall be provided to regular full-time and regular part-time employees and their dependents (as defined by the plan administrator effective on the first billing date subsequent to completion of six (6) months of qualifying service.

6.1.1 New hires or employees who were not eligible for health insurance benefits on or after January 1, 1993, must be of regular full-time status to become eligible for health insurance coverage. Health insurance eligible employees hired prior to March 1, 2005 are eligible for Blue Cross Blue Shield of Michigan (BCBSM) PPO1 (Suffix 601) insurance plan and will pay 20% of the premium, PPO2 (Suffix 621) and will pay 10% of the premium, or PPO8 (Suffix 689) and will pay 0% of the premium. Additionally, employees hired prior to March 1, 2005 are eligible for HealthPlus PPO1E insurance and will pay 10% of the premium, HMO IH and will pay 0% of the premium, or HMO D6 and will pay 0% of the premium.

Health insurance eligible employees hired on or after March 1, 2005 will be eligible to receive BCBSM PPO8 or HealthPlus HMO D6 health insurance only. During an open enrollment period employees hired on or after March 1, 2005 may elect to purchase, or "buy up" to BCBSM PPO1 or PPO2 or HealthPlus (PPO 1E or HMO IH) options at a cost equal to the actual difference plus any administrative expenses, as determined exclusively by the County Controller's Office, between PPO8 and coverage elected by the employee.

6.1.2 Historically, the county of Saginaw receives an annual Michigan Savings Refund (Refund) from Blue Cross/Blue Shield of Michigan (BCBSM). This annual refund has been based on physician and other medical provider settlements; pharmacy recoveries; and prescription drug rebates. Each non-union only employee who is eligible to receive employer sponsored health benefits will participate in a pro-rata share of the annual Refund on or before March 31 of the following year (e.g. 2009’s annual Refund share, if any, will be distributed by March 31, 2010). The pro-rata share will be based on the total number of County employees eligible to share the annual Refund amount. Eligibility for the pro-rata share of the Refund is contingent on the entire refund calendar year, as no shares will be prorated.
For purposes of this section only, “refund year” means the 12 month period recognized by BCBSM (historically from December 1 through November 30).

By way of an example, if an employee left employment on November 29, after having been employed the rest of the entire refund calendar year, he/she would not be eligible to receive any share of the Refund. The County has no control whether an annual Refund is provided by BCBSM or the amount of the annual Refund, if provided.

6.4 Life Insurance. Life insurance shall be provided to regular full-time employees upon completion of six (6) months of qualifying service.

6.5 Insurance Coverage and Premium Cost Shares. The Board of Commissioners will designate the level of all insurance coverage provided and the premium cost shares which are required to be paid by subscribers.

6.6 Dual Coverage. No person shall be eligible for dual coverage as both a subscriber and a dependent for any insurance coverage paid with Saginaw County funds.

6.7 Continuation of Insurance.

6.7.1 Health: In the event of disability leave, health insurance will continue for the entire period up to one (1) year, but requires the regular employee co-pay contribution to remain in effect. In the event of a leave of absence (except FMLA leaves), or layoff, health insurance will be continued at County expense to the first billing date subsequent to thirty (30) days after the leave or layoff began. The term "County expense" shall be in accordance with paragraph 6.5.

6.7.2 Dental: Coverage will continue until the first billing date subsequent to layoff or unpaid (non-FMLA) leave of absence. In the event of disability, refer to paragraph 6.1 of the Disability Leave Policy.

6.7.3 Optical: Coverage will continue until the first billing date subsequent to layoff or unpaid (non-FMLA) leave of absence. In the event of disability, refer to 6.1 of the Disability Leave Policy.

6.7.4 Life: Coverage during layoff will continue until the end of the month following the month in which the layoff began. Life insurance will continue in force for a period of up to six (6) months from the first day of the month in which the leave of absence began for all leaves of absence other than service in the armed forces. In cases of disability, basic coverage will continue throughout the leave up to one (1) year. Voluntary additional insurance will be maintained based on continuous employee premium payments. An eligible employee who returns to work without loss of seniority within one (1) year after his/her life insurance terminated due to layoff or leave of absence is not required to satisfy the six (6)
month waiting period and will be insured on the first billing date after return to work.

6.7.5 In the event of an unpaid leave of absence, the employee shall be responsible for paying the full amount of any premium for any benefit coverage they wish to continue for each month they are on said leave pursuant to specific rules and regulations contained in this policy. Failure to pay said premiums will result in termination of coverage.

6.8 Separation from Employment. Upon separation from employment other than retirement, all insurance coverage will terminate on the last day of the month in which the separation occurs. Certain coverage may be continued at the employee's expense if requested in accordance with Federal Law.

6.9 Option to Health Insurance Coverage. An employee who is eligible for enrollment in a County health insurance program may choose to receive one hundred-fifty dollars ($150.00) per month in lieu of such insurance coverage; provided, however, the employee provides proof of another source of insurance and signs a statement attesting to said insurance coverage and is not covered as a dependent on a County paid health plan.

6.9.1 If an employee's status changes such that he/she is no longer eligible for coverage under another policy (divorce, death of spouse, etc.) the employee may reenter County coverage subject to the terms and conditions of the plan administrator. In the event that a lapse in coverage occurs due to the employee not notifying the County in a timely manner, or for any other reason not directly attributable to the County, the County shall in no way be held liable for health coverage during such lapse.

TOM SMALLWOOD

2009 Professional Bowling Association World Champion

WHEREAS, The Saginaw County Board of Commissioners is honored to congratulate Tom Smallwood for capturing the 2009 PBA World Championship at Northrock Lanes in Wichita, Kansas on Sunday, December 13, 2009; and,

WHEREAS, Tom Smallwood, defeated reigning Professional Bowlers Association Player of the Year Wes Malott of Pflugerville, Texas, with a score of 244-228, to win the PBA World Championship at Northrock Lanes; and,

WHEREAS, Tom always felt he could compete on the PBA Tour, but with a wife and 2-year old daughter, he had no desire to go on the road until he received news from his employer, General Motors that he was going to be laid off. When Tom heard of the PBA Tour Trails in suburban Detroit, he decided to “try out” for it. With a finish in the top eight and a full year’s exemption to bowl, finishing third meant a new career option; and,

NOW, THEREFORE, BE IT RESOLVED, That a unanimous accolade of tribute be hereby accorded to Tom Smallwood as we recognize not only his bowling skills but his self-discipline and strength of character that brought home the 2009 Professional Bowling Association World Championship. We join the community in supporting and encouraging him as he begins his professional career; and,

**FROM: COMMITTEE ON HUMAN SERVICES -- 1.1 DECEMBER 15, 2009**

Your committee considered Communication No. 12-15-5 from Natasha J.V. Coulouris, Health Officer, Saginaw County Department of Public Health, asking approval to amend the FY 2010 Budget to include Public Health Emergency Response (PHER) grant funds for H1N1 response. PHER funds have been allocated to cover all H1N1-related expenses, including, but not limited to, staffing, clinic operations and school outreach. The total of all expenditures allocated for Phases 1 and 2 is $249,211 and the total allocated for Phase 3 is $495,584. These funds are being utilized to cover, in part, the salaries of current employees of the Saginaw County Health Department and new employees are not being hired with this funding. There is no county match. We recommend the Health Department be authorized to amend the FY 2010 Budget to include the Public Health Emergency Response grant funds for H1N1 response; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County and amend the budget accordingly.

Your committee considered Communication No. 12-15-2 from Jim Koski, Public Works Commissioner, asking the Board to adopt a resolution approving the Kochville Township Downtown Development Authority (DDA) Sanitary Sewer Project.
Mr. Koski informed the committee that on November 24, 2009 the Kochville Township Board approved a resolution and requests the County of Saginaw, through its Department of Public Works under Act 185, to assist the township in financing the acquisition and construction of sewer disposal system improvements in the township. The project consists of sanitary sewer mains running along Bay Road from Liberty Road to Pierce Road and east along Pierce Road from Bay Road approximately one-third mile. Other related improvements, including a pumping station and force main, will be constructed. In order to finance all or part of the costs of the project, the county proposes to issue bonds in an amount not to exceed $925,000.
We agree with the request and hereby authorize and direct the Public Works Commissioner, acting as the Board of Public Works, to undertake the project under Act 185, as requested by the township. The appropriate resolution will be submitted under the regular order of business to accomplish same.
Respectfully submitted,

Your committee considered Communication No. 12-15-4 from Marc McGill, Controller, asking approval of an agreement between Saginaw County and the Historical Society of Saginaw County Inc. for 2010.
Mr. McGill informed the committee that an agreement is processed annually between the County of Saginaw and the Historical Society of Saginaw County Inc. for conveying Castle Museum millage monies. Board approval is not required annually. However, Article 9 was incorporated into the agreement and therefore board approval is requested.
Article 9, titled; “Out County Historical Society Support from Millage Monies” includes special requirements of the out-county Societies that include Bridgeport, Chesaning, Frankenmuth and St. Charles Townships in order to qualify for receipt of millage monies. Article 9 is as follows:

ARTICLE 9
Out County Historical Society Support from Millage Monies

The Society will accept the millage monies received from the citizens of Saginaw County as collected by the County of Saginaw and will distribute funds in an equitable fashion on a
quarterly basis to the Historical Museums in Bridgeport, Chesaning, Frankenmuth and St. Charles.

To qualify for the receipt of millage monies contained in Exhibit A; a Historical Society must adhere to the following rules.

2. Each Historical Society must be open to the public on at least 3 different days during the week. Further the Society must be open for 2 hours each of the aforementioned days. Actual hours will be reported in the Quarterly Financial Report.

3. Each Historical Society is prohibited from using millage monies for legal cost. Should a Society desire to use money for legal cost Saginaw County Board of Commissioners permission must be obtained before any such expenditure is made.

4. Each Historical Society must publicly post Board of Director meetings.

5. Each Historical Society must keep current all required 501c(3) filings. Further a copy of all required 501c(3) statements must be sent to the Saginaw Historical Society on dates consistent with federal due dates.

The Society will be responsible for the adherence of the aforementioned restrictions. The Society upon any withholding of funds for noncompliance will notify the County. The County will then determine the redistribution of those withheld funds to the remaining Out County Support Historical Societies.

We recommend the agreement be approved as outlined above; further, that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Counsel as to legal form.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.1 DECEMBER 15, 2009

Your Budget/Audit Subcommittee considered Communication No. 12-15-1 from Marc McGill, Controller, informing commissioners of various issues pertaining to a mid-year budget deficit of $905,000. (Distributed to all Commissioners - Attached)

Your Budget/Audit Subcommittee met with Mr. McGill at its regular meeting on November 5, 2009 to review mid-year deficits within the General Fund’s FY 2010 budget. The two items creating the current deficit are State of Michigan reductions in Revenue Sharing and Jail Reimbursement. As a result of that meeting, at the direction of the Budget/Audit Subcommittee, Mr. McGill prepared the attached communication.

At the December 3, 2009 Budget/Audit meeting, Mr. McGill reviewed his entire communication with the committee, with specific focus on five proposals to address filling the budget gap. Budget/Audit committee members voted to forward Recommendation “E” to the full board for deliberation at its December meeting. The committee will be reviewing the entire communication at a Committee of the Whole session on Tuesday, December 15, 2009 at 4:00 p.m.
We recommend the FY 2009/2010 mid-year budget deficit be filled using Budget Stabilization Reserve funds in the amount of $905,000; further, that the proper County officials be authorized and directed to amend the various budgets accordingly.

RE: 2010 FY Mid-Year Budget Adjustments

Chair Braddock,

Contained in this Communication are the following issues:

1. The new mid-year 2010 deficit of $905,000.
2. An analysis of the General Fund Budget Stabilization Reserve and the amount below the 5% policy limit it is at or will be at depending on the outcome of number three.
3. Five proposals for solving the $905,000 and any other gap between our reserves and the 5% policy amount.
4. A discussion on the 2011 FY budget process and the challenges it will present.

For ease of calculation and reading; all numbers have been rounded to the nearest thousand.

1. New 2010 Mid-Year Deficit of $905,000

The Budget Audit Subcommittee of the Board of Commissioners met at their regularly scheduled meeting of November 5, 2009 to review mid-year deficits within the General Fund’s 2010 FY Budget. While many items were discussed, the two items creating the mid-year budget deficit are discussed in this communication.

These two items are State of Michigan reductions in Revenue Sharing and State of Michigan reductions in Jail Reimbursement.

State of Michigan reductions in Revenue Sharing now appear to be solid in terms of no replacement revenue. The County had originally budgeted a zero change in this line item for the 2010 FY. The State did approve an 11% reduction for this year. That reduction equates to a current gap of $505,000 in the General Fund. We still expect to receive $4,063,000 of the originally budgeted $4,568,000. That $4,063,000 we still expect to receive will be of great concern for the 2011 FY. This and other concerns will be discussed in more detail under item number four.

State of Michigan reductions in Jail Reimbursement are still in question as to their possible but unlikely replacement. Some State Legislators have indicated support for approving a supplemental appropriation to reinstate this revenue loss. For the State to reinstate this program they would need to identify additional or new revenue at the State level. In the unlikely event it is reinstated it may take several months. Remember that in the 2008 FY the State shorted the County the last month’s payment and never replaced it. Also for this recently completed 2009 FY the State shorted the County the last three months payments and never replaced them. We are now hopeful to have the 12 months in the 2010 FY replaced. History has not been on our side. For Saginaw County the cut equates to $400,000 of the $516,000 budgeted in the General Fund for this service. Thus a $400,000 gap exists in the General Fund that needs to be addressed.
Together the State’s reductions in Revenue Sharing and Jail Reimbursement leave us with a $905,000 budget gap that is required to be closed. Closing this budget gap and the additional gap in our reserve balance are discussed via 5 alternatives in section three of this correspondence.

Another significant item discussed at length was the drop in property tax revenue. The approved budget accounted for nearly a 4% ($1,000,000) drop in property taxes. The revised estimates for the actual number are still very near 4%. No further reduction is expected during this 2010 FY. Another substantial reduction in property tax revenue of another ($1,000,000+) is expected for the 2011 FY. This and other concerns will be discussed in more detail in section four of this document.

2. Analysis of General Fund Budget Stabilization Reserves

County Policy 221: The General Fund’s Budget Stabilization Reserve is set by County Board policy to be no less than 5% of the most current Board approved General Fund Budget. As the current General Fund Budget is $44,003,000; the minimum policy limit for this reserve is 5% of that amount, or $2,200,000.

The General Fund Budget Stabilization Reserve ended the 2009 FY (subject to audit) at $3,489,000. This was well above the policy minimum of $2,200,000.

The 2010 General Fund Budget when approved for this year used $1,289,000 of this reserve to balance the budget. These reserves were used to avoid layoffs and also wait until other probable gaps in our budget became known via the State’s approval of their budget. The spending of these reserves to balance the budget moved our Budget Stabilization back to the minimum policy limit of $2,200,000 ($3,489,000 - $1,289,000).

The Board of Commissioners at their September 2009 meeting approved four Deficit Elimination adjustments for certain Funds of the County that would otherwise have ended the 2009 FY in deficit. Instead of these Funds ending the year in a deficit position, the Board approved the additional use of $133,000 of Budget Stabilization Reserves. Thus bringing the reserve balance down to what it is today $2,067,000 ($2,200,000 - $133,000). This of course is less than the policy limit of 5% of budget being $2,200,000.

Now from section 1 of this communication a new $905,000 budget gap appears. If this budget gap were filled by the use of reserves, the new Budget Stabilization balance would then drop to $1,162,000 ($2,067,000 - $905,000). This would then leave the Budget Stabilization Reserve below the $2,200,000 minimum policy limit by $1,038,000 ($2,200,000 - $1,162,000).

The following is a summary of the above concerning the Budget Stabilization Reserve Balance:

Amount required per Policy: $2,200,000
Amount below Policy if c. is used: $1,038,000

Thus, without reductions in services to attend to the $133,000 we expended in September, or the reduction in services to attend to this new $905,000, we are below our policy limit by $1,038,000. The next section presents 5 alternatives for dealing with the issue.

3. Filling the Budget and Reserve Gap

Following are five proposals to address the budget gap. They shall be lettered A through E. The budget gap for this discussion shall be $1,038,000. The budget gap could be just the new $905,000. Or the budget gap could be the reserves we used to balance the budget ($1,289,000) plus the bailout we did in September ($133,000) plus the new items ($905,000) which equals $2,327,000. All this is debatable to no end. However, the new $905,000 budget gap needs to be addressed and while we’re doing that an end point needs to be established. That end point is to get the General Fund Budget Stabilization Reserve back to its bare minimum policy limit of 5% of the General Fund budget and for this year the amount of change that is required is $1,038,000.

Some notes regarding the following proposals A through E:

- There is likely to not be total consensus on any of these proposals. Some may even garner no support at all.
- There are an infinite amount of proposals that any one person or group of persons could put forth. For any of them to work there will need to be 8 Commissioners in agreement.

A. The Law Enforcement Plan:

Do not make any reduction to the budget or number of staff contained in the County Road Patrol Millage Fund (Fund 205). This Fund employs 14.5 officers. This fund has a budget of $1,800,000. This fund is supported by a voter approved millage of approximately 1/3 of 1 mill. This fund receives no support from the General Fund. Do reduce the General Fund’s contribution to the Law Enforcement Fund (Fund 207) by $1,038,000. This reduction could be sorted out by the Sheriff department. However, this reduction if solely applied to man power (for which most of this budget is comprised of) would equate to the reduction of twelve officers. One draft spread of the officers could mean three Detectives, eight Road Patrol Officers and one Sergeant from the Fund. The average cost of a staff person in this fund is $90,000.

These are highly valued services throughout the County. However, a rationale could be used that if General Fund dollars are being cut such as from property taxes, state revenue sharing and state jail reimbursement that the area the General Fund spends its largest appropriation in (Law Enforcement) should be correspondingly reduced. The General Fund is contributing $1,940,000 this year to the Law Enforcement Fund (Fund 207). No support from the Sheriff Department has been garnered for such a plan as this.

B. The Non-Mandated Plan:

Reduce appropriations from the General Fund to non-mandated activities of the County. The following nearly equate to the $1,038,000 at issue.

<table>

<td>150,000</td>
</tr>
<tr>
<td>GIS Authority</td>
<td>93,000</td>
</tr>
</tbody>
</table>
These services are valued throughout the County. However, a rationale could be used that if our tax base, revenue sharing and jail reimbursement are non-mandated and so thus are reduced, then in that event, non-mandated services of the county should also be reduced. In the above cases they would be eliminated in their entirety. No support from any of these departments/agencies has been garnered for such a plan.

C. The Pick & Choose Plan:

This is where an amount would be reduced in each department that would add up to $1,038,000. The rationale used is that one staff person from the largest departments will be sought for reduction to attain the $1,038,000 in reductions. The rationale also suggests that the larger departments can withstand reductions better than the smaller ones. So the largest departments were chosen. While the amounts for elected and judicial offices would be left up to the elected official or judges to decide how their departments would be reduced, I have converted the numbers into staff positions as again these budgets are mainly comprised of staff costs. No support from any of these departments has been garnered for such a plan.

D. The Across the Board Plan:

Attached as Exhibit D are the numbers for the Across the Board Plan. This exhibit shows the activities of the General Fund and their budgets. This then shows those activities for which an across the board cut would be recommended. Any activity that has its budget in the “Distribution Activities” column would get the reduction next to it. Sixteen of the sixty-one activities have been preserved from this scenario of cuts as I do not believe they can withstand cuts due to their nature of operation, contract, or law. This correspondence does not go into detail for each activity preserved from the across the board cuts. All that have been preserved are debatable and could be unpreserved. Likewise, many slated for across the board cuts could be debatable as not being able to be cut. This selection of those that
could or could not be subject to across the board cuts will be a lengthy discussion. I offer here the Controller’s opinion on what should be considered across the board and what should not as part of this recommendation. Any could be added back or taken out. My recommendation is as presented.

It should be noted that while across the board cuts are simple and require little thought or study, they have been successfully challenged and reversed by the courts. Many of these reductions are small in certain activities and likely will not result in staff cuts. Those which exceed $25,000 would likely result in staff cuts as most of these budgets are comprised of staff costs. There has not been any support garnered from the departments for such a plan.

E. The Further use of Reserves Plan:

In this plan the Board appropriates $905,000 more from reserves and thus further uses up the Budget Stabilization Reserve. As explained in section two, if this were to happen it would bring our Budget Stabilization Reserve balance down to $1,162,000. This of course would be $1,038,000 below the minimum amount per policy of $2,200,000. Under this plan we would then be using $2,194,000 in reserves to get through this year. Under this plan we would have (baring more mid-year issues) $1,162,000 left in Budget Stabilization reserves to help build next year’s budget.

It should be noted that if nothing changes between this 2010 FY budget and the building of the 2011 FY budget we would have a $1,030,000 hole going into the 2011 budget. That’s because we’d be surviving on $2,194,000 in reserves this year and building next year’s budget would only have $1,162,000 available to plug that hole. That hole would be in addition to the near $1,200,000 hole we’ll have with our tax base reduction next year. In summary, under this plan we’ll need at minimum, again baring any further mid-year cuts, close to a $2.5 million dollar hole building the 2011 FY Budget. This and more will be further discussed in section 4 of this correspondence.

4. Fiscal 2011 Budget Concerns:

RESERVES – BUDGET STABILIZATION: As we have reviewed, depending upon if the Board cuts now or waits we’ll have between $2,200,000 and $1,162,000 in budget stabilization funds to work with when building the 2011 FY budget. While this might sound good, remember that $2,200,000 is the minimum per Board Policy. Also remember that that equates to 5% of the General Fund budget and our Auditors strongly suggest we have 10% in such a reserve. Further other authorities on governmental finances recommend between 8.5% (one month’s expenses) and 15% in reserves. Under any measurement we’ll be carrying our 5% or less in the case of the $1,162,000. The next issue is will the Board even allow the use of these minimum or below minimum reserves to be used in building the 2011 FY budget.

RESERVES – CASH FLOW: The general fund has a Cash Flow Reserve equal to 50% of its property tax collections. Pending our yearend audit the amount is $11,863,000. The Cash Flow reserve allows County Employees to be paid until tax revenue arrives during the 10th, 11th and 12th months of our fiscal year. Two ways we could use these reserves up are as follows:

a. Get agreement from all employees that they won’t start getting paid until the last three months of the year.

b. Get the Board to start funding a new expenditure that provides zero service to the tax payers. This new expenditure would be “interest expense” associated with the issuance
Either path would push the County toward financial insolvency and leave nothing to fix a broken elevator, boiler or air conditioner.

Of most importance is that these reserves will for sure run out and the cuts that are put off to put us in debt will be made. In fact, more cuts will be made as we’ll have to cover the new General Fund activity aptly titled “Interest costs to make Payroll.”

Nevertheless, the short term attractiveness of this resolution will hotly be debated. I will not recommend the use of Cash Flow reserves as it would destroy any remaining financial integrity of the County. The reductions would still all be made only they would be made larger by spending the reserves to create a new/additional expenditure which provides no services to the public. However, the option does exist for the Board.

STATE REVENUE SHARING: It still represents nearly 10% of the General Fund Revenues. It will bring in nearly $4,000,000 to the General Fund this year. Should it be eliminated, which has been recommended in the past and will come up again next year, in that event Exhibit D attached would have nearly 4 times the dollar amounts next to all the cuts. This revenue stream is not guaranteed. It can be eliminated just like the State eliminated 11% of it this year. It can be eliminated just like the State eliminated the Jail Reimbursement Program this year.

PROPERTY TAXES: They went down this year by approximately $1,000,000 due to a 4% drop in our property tax values in the County. This drop was not anticipated a year ago. The great housing collapse is the culprit. When building the 2011 FY budget we already are planning on a near 5% further drop in values in the County. This will result in another $1,200,000 of reduction to address. It is unclear what taxable values will do in 2012 and beyond. Further reductions are just as likely to occur as increases.

NATIONAL HEALTH CARE: A lot has been discussed about National Health Care. From my vantage point, 98% of the discussion has been regarding the plans. About 2% has been on how it will be paid for. The prevailing understanding is that those entities that provide a plan to their employees that exceeds the government plan (public option) the government will provide, they will pay a surcharge on their plans. Our County plans will all exceed the public option and so we will be assessed a surcharge. For example, if the surcharge is 10% of our plans cost that will mean another $1,200,000 in reductions. The jury is still out and quite frankly confused on this issue. We are watching it closely.

CHILD CARE/FOSTER CARE: All during this 2010 FY budget development cycle at the State, various plans were proposed/supported and modified that would shift or increase the cost to Counties for Foster Care. These proposals were ultimately defeated in total via the Governor’s veto powers and declarations of unenforceable. While the proposals appear complicated, the attempt to get Counties to pay more of these costs than they do now will no doubt resurface. The estimated cost of the various proposals many of us spent the summer and fall lobbying against fell between $200,000 and $300,000 a year.

MENTAL HEALTH SERVICES IN THE JAIL: An attorney general opinion followed by a directive from the State Department of Community Health strongly suggests the County Jails in the State will start paying for the Mental Health services provided in the Jails. For the Saginaw County Jail (a General Fund activity) this could mean a new cost of between $300,000 and $400,000 per year. Reductions will need to be made somewhere to counter this new expense.

COURT EQUITY FUNDING: The County has budgeted to receive $1,233,000 in Court Equity Funding for the 2010 FY. This is a 4.3% cut from the State projected amount in FY 2009 of $1,288,000 and a 21% cut from the amount the County received in FY 2003 ($1,562,000). This revenue is provided by the State based on a statutory formula that establishes each County’s
share. The formula takes into consideration two factors: the caseload activity of the circuit and probate courts and the number of judgeships in each county. Payments are distributed quarterly by the State from revenue sources including the State General Fund and multiple sources of restricted revenue that originate from local trial court fees, costs, and assessments. Will it be one of the items they cut next year?

STATE CONVENTION FACILITY/LIQUOR TAX: The County has budgeted to receive a total of $1,084,000 in Convention Facility/Liquor Tax funding for the 2010 FY of which 50% or $542,000 is allocated to the General Fund. The other 50% of the Convention Facility/Liquor Tax revenue not used to reduce our general operating millage rate is required by Public Act 2 of 1986 to be distributed to the County’s designated substance abuse coordinating agency for substance abuse programs which in the case of Saginaw County is our Department of Public Health. This revenue source is provided by the State. Will it be one of the items they cut next year?

LABOR COST: I end this discussion with labor costs being wages and benefits. To the great credit of our labor groups we have been successful at the table of reaching an understanding with our unions. They continue to grow in knowledge and may be the most knowledgeable groups in the State. They have thus far (for those settled) studied and understand our financial situation. Baring the State’s budget ax, the agreements we’ve reached likely would have held us through our own difficulties with our own tax base as well as other cost drivers such as health care. They, for the most part, have accepted benefit concessions together with four or five years of pay freezes. It is important to note that these agreements follow four year agreements where employees took two years of pay freezes. This equates to six or seven years of pay freezes out of eight or nine years of possible pay increases. They will go far to cure our own financial ailments. They will not be enough to cure the State imposed ailments. The labor groups have done their part in terms of individual pay and benefits. There comes a time when we must stop eroding the pay and benefits of employees and start determining which will stay and which will go. Further ideas will be discussed such as furlough days. Until such time employees should be commended for their hugely valuable piece in this struggle we live with.

SUMMARY: The State has reduced our revenues. We must cut or further erode reserves. Despite what path we choose today we will be facing much larger cuts as we build the FY 2011 budget which starts in ten short months. The FY 2011 budget may require us to implement cuts similar to plans A, B, C and D together and in their entirety. The alternative would be to use up the Cash Flow reserves over the next two budgets and then make the same cuts we would have plus more to finance payroll for County Employees. In that end we would have achieved cutting more than we otherwise would have had to cut.

Unlike past years the 2011 FY cuts will be felt by our citizens. We have done the following in recent years to avoid cuts the citizens would feel. We increased fees. We early retired 75 employees. We cut benefits for new hires. We eliminated 25 staff positions last year. We eliminated over 100 jobs the past eight years. We reduced and in some cases totally eliminated appropriations to certain functions. This year we are following up 4 year labor contracts that included two years of pay freezes with new labor contracts. These new 4 or 5 year labor contracts have four or five years of wage freezes within them. In addition these recently approved labor contracts provide significant concessions in the benefit areas as did the previous ones.
RECOMMENDATION

My recommendation is to reduce services as the Board sees fit in the amount of $1,038,000. If not, then use $905,000 more in Budget Stabilization Reserves as soon as possible. As soon as possible because this current financial issue needs to be put to rest so that we can start deliberating on a much more significant issue; the 2011 FY Budget. The 2011 FY number and impact will likely be five times the current $1,038,000 issue or $5,000,000.

The financial implications of this agreement will be borne with funds within the existing, respective budgets. A summary of the main provisions is set forth below:

WHEREAS, the County of Saginaw (the “County”), by resolution of its Board of Commissioners, has established a Department of Public Works for the administration of the powers conferred upon the County by Act 185 of the Michigan Public Acts of 1957, as amended (“Act 185”), which Department is administered by the Saginaw County Public Works Commissioner, acting as the Board of Public Works, under the general control of the Board of Commissioners; and

WHEREAS, the Township Board of the Township of Kochville (the “Township”), by resolution adopted on November 24, 2009, has requested the County, acting through its Department of Public Works under Act 185, to assist the Township in financing the acquisition and construction of sewage disposal system improvements in the Township consisting of sanitary sewer mains running along Bay Road from Liberty Road to Pierce Road and east along Pierce Road from Bay Road approximately one-third mile, and related improvements including a pumping station and force main (collectively, the “Project”); and

WHEREAS, the establishment of a County project as requested in the foregoing resolution will protect the public health and welfare of the citizens of the Township to be served by the Project; and

WHEREAS, in order to finance all or part of the costs of the Project, the County expects to issue its bonds (the “Bonds”) in an amount not to exceed $925,000 in anticipation of payments to be made by the Township pursuant to a contract between the Township and the County, which Bonds shall be a full faith and credit limited tax general obligation of the County; and
WHEREAS, it is anticipated that the County or the Township will advance a portion of the costs of the Project prior to the issuance of the Bonds, such advances to be repaid from proceeds of the Bonds upon the issuance thereof; and

WHEREAS, Section 1.150-2 of the Treasury Regulations on Income Tax (the “Reimbursement Regulations”) specifies conditions under which a reimbursement allocation may be treated as an expenditure of the proceeds of tax-exempt obligations, and the County intends by this resolution to qualify amounts advanced by the County or the Township to the Project for reimbursement from proceeds of the Bonds in accordance with the requirements of the Reimbursement Regulations.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE COUNTY OF SAGINAW:

1. The Board of Commissioners of the County of Saginaw hereby authorizes and directs the Public Works Commissioner, acting as the Board of Public Works, to undertake the Project under Act 185 as requested by the Township.
