LAUDATORY RESOLUTIONS
Chairman O’Hare announced the following resolutions were prepared for presentation:

CERTIFICATE OF RECOGNITION
MIKEY SZAFIROWSKI
“The world’s all better!”

Every morning, many courthouse employees are greeted by Michael “Mikey” Szafirowski as he sits on the County bench reading his book while they report to their respective offices in the Saginaw County Courthouse. When 8:00 a.m. rolls around, it’s business as usual for Mikey, Judge A. T. Frank and staff. “To Protect and Serve” is what Mikey has been doing since June 30, 1992 when he became Judge Bruce J. Scorsone’s Bailiff until Judge retired in 2000. He then served as Bailiff for Judge Darnell Jackson until Judge Jackson moved to Circuit Court. He landed his last Bailiff position with Judge A.T. Frank until his time of retirement. His compassion for defendants was outstanding and his assistance was appreciated.

Over the years Mikey has been very entertaining with his demeanor. Whether you see him in the courtroom, the elevator or on the bench outside, you will usually hear him say “the world’s all better!” Like clockwork, Mikey is always at the euchre game held during lunch hour in the third floor jury room. You can hear the laughter and fun permeating down the hall.

The Saginaw County Board of Commissioners congratulates Mikey Szafirowski on his retirement and thanks him for his hard work and dedication to Saginaw County, the Judges he served and the people that he assisted throughout the years. His humor and morning greetings will be missed!

Respectfully, Presented: December 20, 2011
Saginaw County Adopted: January 24, 2012

Michael P. O’Hare Judge A. T. Frank
Chair, District #1 70th District Court
WHEREAS, It is a distinct privilege to extend congratulations to Andrew Gerald Kinney, as he is presented with the highest honor bestowed on a Boy Scout, the prestigious Eagle Scout Award. This achievement signifies qualities that are much admired by his peers as well as the residents of Saginaw County; and,

WHEREAS, Through his affiliation with Boy Scout Troop 321, Andrew has taken full advantage of the opportunities for personal growth that have made the Boy Scouts of America one of the most universally respected organizations in our Country. Eagle Scout Kinney has joined a unique group, including former President Gerald Ford from Grand Rapids, Michigan. Former President Ford was the only Eagle Scout to serve as President of the United States. Like those before him, Andrew has displayed unselfishness and eagerness to accept responsibility; and,

WHEREAS, Andrew has followed Boy Scout tradition through the positions he has held with his troop, his participation in civic activities, and the completion of his Eagle Scout service project by improving the courtyard at Longfellow Elementary School, Saginaw, Michigan. He cleaned up the courtyard and put mulch and landscape timbers around the trees and bushes. Andrew also built benches, hung bird feeders, put out a bird bath and some flower pots; and,

WHEREAS, The famed Boy Scout motto "Be Prepared" appropriately describes Andrew in his new role as an Eagle Scout. Under the leadership of Scoutmaster Tom Mahaffy, he has clearly learned the valuable lessons that scouting strives to teach, such as working hard, accepting responsibility, showing concern for others and providing leadership. Andrew is the son of Gerald and Yvonne Kinney.

NOW, THEREFORE, BE IT RESOLVED, That the Saginaw County Board of Commissioners take special pride in acknowledging Andrew Gerald Kinney for achieving the rank of Eagle Scout. We are very proud of this young man, and we are pleased he is a part of this community. We wish him continued success in all his future endeavors; and,

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COUNTY SERVICES -- 2.1

Your committee considered Communication No. 1-24-4 from Matthew Rappley, Public Works Commissioner, asking approval of the 2012 Saginaw Area Storm Water Authority (SASWA) Budget, Apportionment of Operational Costs and adoption of a Resolution.
We met with Gladys Strobel, Chief Deputy Public Works Commissioner, who informed us the Saginaw Area Storm Water Authority’s bylaws require the legislative bodies of the member municipalities to approve the apportionment of the annual operating costs of the Authority. Saginaw County’s share in the amount of $1,949.50 is included in the 2012 Saginaw County Budget.
It is the recommendation of your committee to adopt the Resolution approving the 2012 SASWA Apportionment of Operational Costs and accepting the FY 2012 Budget. Under the proper order of business, the appropriate Resolution will be submitted to accomplish same.

COMMITTEE ON APPROPRIATIONS
Michael J. Hanley, Chair
Patrick A. Wurtzel, Vice-Chair

By Commissioner Ruth: That the Report of the Committee is received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1

Your committee considered Communication No. 1-24-8 from Honorable Judges Kaczmarek, McGraw and Jurrens, submitting a plan of concurrent jurisdiction that will enable the courts to more efficiently match judicial resources with caseload.

We met with Judge Jurrens and Judge McGraw, who stated they are in the process of obtaining approval from the Michigan Supreme Court for a plan of concurrent jurisdiction. Subject to approval by the Supreme Court and certain other limitations as defined in 2001 PA 678, a plan of concurrent jurisdiction is adopted by a majority vote of each of the following groups of judges: Circuit, District and Probate. The Plan would allow the Courts to exercise the power and jurisdiction of each in Saginaw County. Benefits that would be shared include Judicial Resources, Governance and Decision Making, Administration and Fiscal Control, Information Systems and Case Management. The plan would reduce costs and increase efficiency, including coordinating portions of the courts’ administrative and budgetary functions. (A copy of the Plan is on file in the Board Office)

It is the recommendation that the Saginaw County Courts submit the plan of concurrent jurisdiction to the Michigan Supreme Court; that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.2

Your committee considered Communication No. 1-24-12 from Sheriff Federspiel, requesting approval to add one Lieutenant Position and move half of the funding for the existing Lieutenant’s position from the Law Enforcement Fund to the Area Records Management Fund (ARMS).

We met with the Sheriff who stated he would like to hire a new Lieutenant to oversee the ARMS Technology Division and the Road Patrol Division. Initially, his request was to move half of the existing Lieutenant’s Position from the Law Enforcement Fund to the Area Records Management Fund. This
would free up over half the funding required for one new Lieutenant’s position and more accurately reflect the true cost of the Area Records Management Fund. In FY 2011, there was a fund balance of approximately $400,000 remaining in the ARMS Fund. After lengthy discussion, it was recommended to fill the Lieutenant position using 100% of ARMS funds. No General Fund dollars or Law Enforcement funds would be used to fund this position.

It is the recommendation that the Saginaw County Sheriff’s Office be authorized to add one new Lieutenant position and for the position to be funded 100% from the Area Records Management Fund; that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and to make the necessary personnel and budgetary adjustments accordingly.

Respectfully submitted,

COMMITTEE ON COURTS & PUBLIC SAFETY

FROM: COMMITTEE ON APPROPRIATIONS -- 4.2 JANUARY 24, 2012

Your Budget/Audit Subcommittee considered Communication No. 1-24-14 from Marc A. McGill, Controller/CAO, submitting the proposed Saginaw County Budget Calendar for adoption of the Fiscal Year 2013 Operating Budget and Capital Improvement Plan for Fiscal Years 2013-2017.

The first step annually in creating a budget for consideration and ultimate approval is the adoption of a Budget Calendar. The calendar outlines the timetable of events that will happen to cause the creation and approval of the budget. It allows all departments, elected officials and agencies to know when tasks related to building the budget must be completed.
We recommend the attached Budget Calendar for adoption of the Fiscal Year 2013 Operating Budget and Capital Improvement Plan for Fiscal Years 2013-2017 be approved; further, that the proper County Officials be directed to implement same.

REPORTS OF SPECIAL COMMITTEES

FROM: SPECIAL COMMITTEE ON RULES – 6.1  JANUARY 24, 2012
The Saginaw County Board of Commissioners at its organizational meeting held January 3, 2012 adopted the 2011 Rules and 2012 Board meeting schedule, subject to review by the Special Committee on Rules.
Your committee met January 10th and various sections were considered with no changes being recommended at this time. We considered the need to amend the Rules prior to 2013 when the redistricting and reduction of commissioners from 15 to 11 take place. The Committee recommends convening a Special Rules Committee meeting in November 2012, after the general election, with commissioners-elect, to review and possibly revise the 2012 Board Rules pertaining to committee structure and number of commissioners on present committees pursuant to the redistricting that will take effect January 1, 2013. The Committee further recommends, based upon a commissioner suggestion, holding a Committee of the Whole session on Parliamentary Procedure for commissioners.
According to Article X, Section 10.1, the Rules may be revised or amended by a two-thirds (2/3rds) vote provided that the proposed amendments have been submitted to the Board in writing at a previous meeting. Since the only change is the meeting schedule distributed at the January 3rd Board Session, we recommend the 2012 Rules of the Board be approved at this session.

Respectfully submitted,
SPECIAL COMMITTEE ON RULES
Timothy M. Novak, Chair    Robert M. Woods, Jr., Vice-Chair
Ann M. Doyle    Eddie F. Foxx
Michael J. Hanley    Dennis H. Krafft
Susan A. McInerney

By Commissioner Novak: That the Report of the Committee is received and the recommendations contained therein be adopted. Approved.

*Certificate of Recognition*

**ERNIE L. BRADLEY**

“Anyone who says sunshine brings happiness
has never danced in the snow!”

You know it’s time to start work at the courthouse when you see a burnt orange Avalanche with Big Bird on it pull in to the parking lot. Ernest L. Bradley aka Ernie aka “Big Bird” has arrived for work in the usual fashion with his breakfast from McDonald’s and a smile on his face. He will then join his fellow Deputies for their morning meeting. When winter arrives, Ernie is like a kid in a candy store! The snow and cold are Ernie’s favorite things and he makes sure that he lets you know when it is really coming down outside!

Ernie retired from the City Police Department after 21½ years of service before coming to Saginaw County on August 16, 1999. He has been Bailiff for Judge Terry Clark from August 16, 1999 until his time of retirement on February 8, 2012.
In Ernie’s spare time he has taught ballroom dancing and is a member of the Oasis Truck Club. The Saginaw County Board of Commissioners congratulates Ernie L. Bradley on his retirement and thanks him for his hard work and dedication to Saginaw County, the Judge he served and the people that he assisted throughout the years. He will be greatly missed!

Respectfully,

Saginaw County
Board of Commissioners

Chair, District #1

Certificate of Recognition
HENRY SHAFT

“Happiness is the meaning of the purpose of life, the whole aim and end of human existence.” ~ Aristotle

Henry “Hank” Shaft has always been a dedicated community advocate, not only through his commitment to the elderly, but throughout his years of work as well. Hank began his work career at the General Motors Parts Plant on Washington Avenue in 1951. When the plant shut down, Hank was the last worker to leave the building and had the honor of locking the door. During a career that spanned 33 years, he was active in the Union, serving as Committee Man, Union President and Bargaining Committee Chairman.

After retirement, Hank continued his advocacy role by actively participating in and holding officer positions in the Local 522 Retiree Chapter, UAW Area 5 Saginaw Retirees Council, Michigan Council of Senior Citizens and UAW Retirees in Region 1-D. He has served on Region VII Area Agency on Aging’s Advisory Council since 1995, as well as a Board member of the Saginaw County Commission on Aging Board which includes serving as Board Chair for the past four years.

On August 25, 1997, Governor John Engler commended Hank as one of Michigan’s Senior Citizens of the Year. “Henry’s dedication to helping seniors is extraordinary. His tireless efforts serve as an outstanding example for us all,” Engler said. That year Hank also received the Saginaw County Senior of the Year award. In 2005 he was honored for his volunteering services and dedication to Michigan’s older adults when he received the State’s Claude Pepper Award. The Claude Pepper Award is given to an outstanding senior citizen advocate who demonstrates a strong concern for the special needs of the elderly.

The Saginaw County Board of Commissioners does hereby extend this Certificate of Recognition to Henry Shaft. No one is more cherished in this world than someone who lightens the burden of another.

Respectfully,

The County Treasurer shall designate the exact amount to be borrowed after the amount of the 2011 delinquent taxes outstanding on March 1, 2012, or the portion of the 2011 delinquent taxes against which the County shall borrow, has been determined.

Note Details

Pursuant to provisions of applicable law and an order of the County Treasurer, which order is hereby authorized, the notes may be issued in one or more series; shall be known as "General Obligation Limited Tax Notes, Series 2012" with a letter designation added thereto if the notes are issued in more than one series; shall be in fully registered form in denominations not exceeding the aggregate principal amounts for each maturity of the notes; shall be sold for not less than 98% of the face amount of the notes; shall bear interest at fixed or variable rates not to exceed the maximum interest rate permitted by applicable law; shall be dated, payable as to interest and in principal amounts, be subject to redemption in whole or in part prior to maturity, including any redemption premiums, and be subject to renewal, at such times and in such amounts, all as shall be designated in the order of the County Treasurer. Notes or portions of notes called for redemption shall not bear interest after the redemption date, provided funds are on hand with the note registrar and paying agent to redeem the same. Notice of redemption shall be given in the manner prescribed by the County Treasurer, including the number of days' notice of redemption and whether such notice shall be written or published, or both. If any notes of any series are to bear interest at a variable rate or rates, the County Treasurer is hereby further authorized to establish by order, and in accordance with law, a means by which interest on such notes may be set, reset or calculated prior to maturity, provided that such rate or rates shall at no time be in excess of the maximum interest rate permitted by applicable law. Such rates may be established by reference to the minimum rate that would be necessary to sell the notes at par; by a formula that is determined with respect to an index or indices of municipal obligations, reported prices or yields on obligations of the United States or the prime rate or rates of a bank or banks selected by the County Treasurer; or by any other method selected by the County Treasurer.

Payment of Principal and Interest

2. The principal of and interest on the notes shall be payable in lawful money of the United States from such funds and accounts as provided herein. Principal shall be payable upon presentation and surrender of the notes to the note registrar and paying agent when and as the same shall become due, whether at maturity or earlier redemption. Interest shall be paid to the owner shown as the registered owner on the registration books at the close of business on such date prior to the date such interest payment is due, as is provided in the order of the County Treasurer. Interest on
the notes shall be paid when due by check or draft drawn upon and mailed by the note registrar and paying agent to the registered owner at the registered address, or by such other method as determined by the County Treasurer.

Note Registrar and Paying Agent

3. The County Treasurer shall designate, and may enter into an agreement with, a note registrar and paying agent for each series of notes that shall be the County Treasurer or a bank or trust company that is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The County Treasurer may from time to time designate a similarly qualified successor note registrar and paying agent. Alternatively, the County Treasurer may serve as note registrar and paying agent if so designated by written order of the County Treasurer.

Disposition of Note Proceeds

4. The proceeds of the sale of the notes shall be deposited into a separate account in the Fund and shall be used to continue the Fund. The County Treasurer shall pay therefrom and from unpledged funds in the Fund, uncommitted funds in the County General Fund and/or any other legally available funds, if the notes are sold at a discount, the full amount of the delinquent tax roll against which the County has borrowed, delivered as uncollected by any tax collector in the County and that is outstanding and unpaid on or after March 1, 2012, in accordance with the provisions of Act 206. If the notes are sold at a premium, the County Treasurer shall determine what portion of the premium, if any, shall be deposited in the 2012 Collection Account established in Section 6 hereof.

2012 Collection Account

5. There is hereby established as part of the Fund an account (hereby designated the "2012 Collection Account") into which account the County Treasurer shall place delinquent taxes against which the County has borrowed, and interest thereon, collected on and after March 1, 2012, all County property tax administration fees on such delinquent taxes, after expenses of issuance of the notes have been paid, any premium as determined pursuant to Section 5 hereof, and any amounts received by the County Treasurer from the County, the State of Michigan and any taxing unit within the County, because of the uncollectibility of such delinquent taxes. The foregoing are hereby established as funds pledged to note repayment. The County Treasurer shall designate the delinquent taxes against which the County shall borrow for each series of notes.

Note Reserve Fund

6. There is hereby authorized to be established by the County Treasurer a note reserve fund for the notes (the "2012 Note Reserve Fund") if the County Treasurer deems it to be reasonably required as a reserve and advisable in selling the notes at public or private sale. The County Treasurer is authorized to deposit in the 2012 Note Reserve Fund from proceeds of the sale of the notes, unpledged moneys in the Fund, uncommitted funds in the County General Fund and/or any other legally available funds, an amount not exceeding ten percent (10%) of the face amount of the notes.

Security for Payment of Notes

7. All of the moneys in the 2012 Collection Account and the 2012 Note Reserve Fund, if established, and all interest earned thereon, relating to a series of notes are hereby pledged equally and ratably as to such series to the payment of the principal of and interest on the notes and shall be used solely for that purpose until such principal and interest have been paid in full. When moneys in
the 2012 Note Reserve Fund, if established, are sufficient to pay the outstanding principal of the notes and the interest accrued thereon, such moneys may be used to retire the notes. If more than one series of notes is issued, the County Treasurer by order shall establish the priority of the funds pledged for payment of each such series. In such case the County Treasurer may establish sub-accounts in the various funds and accounts established pursuant to the terms of this resolution as may be necessary or appropriate.

Additional Security

8. Each series of notes, in addition, shall be a general obligation of the County, secured by its full faith and credit, which shall include the County's limited tax obligation, within applicable constitutional and statutory limits, and its general funds. The County budget shall provide that if the pledged delinquent taxes and any other pledged amounts are not collected in sufficient amounts to meet the payments of principal and interest due on each series of notes, the County, before paying any other budgeted amounts, will promptly advance from its general funds sufficient moneys to pay that principal and interest. The County shall not have the power to impose taxes for payment of the notes in excess of constitutional or statutory limitations. If moneys in the 2012 Collection Account and the 2012 Note Reserve Fund, if established, are not sufficient to pay the principal of and interest on the notes, when due, the County shall pay the same in accordance with this section, and may thereafter reimburse itself from the delinquent taxes collected.

Release of Pledge of 2012 Collection Account

9. Upon the investment of moneys in the 2012 Collection Account in direct non-callable obligations of the United States of America in amounts and with maturities that are sufficient to pay in full the principal of and interest on the notes when due, any moneys in the 2012 Collection Account thereafter remaining may be released from such pledge created pursuant to Section 8 hereof and may be used to pay any or all delinquent real property taxes that are due the County and any school district, intermediate school district, community college district, city, township, special assessment district, the State of Michigan or any other political unit to which delinquent tax payments are due for any year or for any other purpose permitted by law.

Sale of Notes

10. The County Treasurer is hereby authorized to offer the notes at public or private sale as determined by order of the County Treasurer and to do all things necessary to effectuate the sale, delivery, transfer and exchange of the notes in accordance with the provisions of this resolution. Notes of one series may be offered for sale and sold separately from notes of another series. If the notes are to be sold publicly, sealed proposals for the purchase of the notes shall be received by the County Treasurer for such public sale to be held at such time as shall be determined by the County Treasurer and notice thereof shall be published in accordance with law, once in The Bond Buyer or the Detroit Legal News, both of which are hereby designated as being a publication printed in the English language and circulated in this State that carries as a part of its regular service, notices of sale of municipal bonds. Such notice shall be in the form prescribed by the County Treasurer.

The County Treasurer is hereby authorized to cause the preparation of an official statement for the notes for the purpose of enabling compliance with SEC Rule 15c2-12 (the "Rule") and to do all other things necessary to enable compliance with the Rule. After the award of the notes, the County will provide copies of a final official statement (as defined in paragraph (e)(3) of the Rule) on a timely basis and in reasonable quantity as requested by the successful bidder or bidders to enable such
successful bidder or bidders to comply with paragraph (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board.

Continuing Disclosure

11. The County Treasurer is hereby authorized to execute and deliver in the name and on behalf of the County (i) a certificate of the County to comply with the requirements for a continuing disclosure undertaking of the County pursuant to subsection (b)(5) or (d)(2) of the Rule, as applicable, and (ii) amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Certificate"). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. The remedies for any failure of the County to comply with and carry out the provisions of the Continuing Disclosure Certificate shall be as set forth therein.

Execution and Delivery of Notes

12. The County Treasurer is hereby authorized and directed to execute the notes for the County by manual or facsimile signature and the County Treasurer shall cause the County seal or a facsimile thereof to be impressed or imprinted on the notes. Unless the County Treasurer shall specify otherwise in writing, fully registered notes shall be authenticated by the manual signature of the note registrar and paying agent. After the notes have been executed and authenticated, if applicable, for delivery to the original purchaser thereof, the County Treasurer shall deliver the notes to the purchaser or purchasers thereof upon receipt of the purchase price. Additional notes bearing the manual or facsimile signature of the County Treasurer and upon which the seal of the County or a facsimile thereof is impressed or imprinted may be delivered to the note registrar and paying agent for authentication, if applicable, and delivery in connection with the exchange or transfer of fully registered notes. The note registrar and paying agent shall indicate on each note that it authenticates the date of its authentication. The notes shall be delivered with the approving legal opinion of Dickinson Wright PLLC.

Exchange and Transfer of Fully Registered Notes

13. Any fully registered note, upon surrender thereof to the note registrar and paying agent with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney, at the option of the registered owner thereof, may be exchanged for notes of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note.

Each note shall be transferable only upon the books of the County, which shall be kept for that purpose by the note registrar and paying agent, upon surrender of such note together with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney.

Upon the exchange or transfer of any note, the note registrar and paying agent on behalf of the County shall cancel the surrendered note and shall authenticate, if applicable, and deliver to the transferee a new note or notes of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note. If, at the time the note registrar and paying agent authenticates, if applicable, and delivers a new note pursuant to this section, payment of interest on the notes is in default, the note registrar and paying agent shall
endorse upon the new note the following: "Payment of interest on this note is in default. The last date to which interest has been paid is [place date]."

The County and the note registrar and paying agent may deem and treat the person in whose name any note shall be registered upon the books of the County as the absolute owner of such note, whether such note shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such note and for all other purposes, and all payments made to any such registered owner, or upon his or her order, in accordance with the provisions of Section 3 hereof shall be valid and effectual to satisfy and discharge the liability upon such note to the extent of the sum or sums so paid, and neither the County nor the note registrar and paying agent shall be affected by any notice to the contrary. The County agrees to indemnify and save the note registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

For every exchange or transfer of notes, the County or the note registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

The note registrar and paying agent shall not be required to transfer or exchange notes or portions of notes that have been selected for redemption.

Book Entry System

14. At the option of the County Treasurer and notwithstanding any provisions of this resolution to the contrary, the County Treasurer is hereby authorized to enter into an agreement with a custodian or trustee for the purpose of establishing a "book entry" system for registration of notes to be fully registered. Pursuant to the provisions of such agreement, the notes may be registered in the name of the custodian or trustee for the benefit of other persons or entities. Such agreement shall provide for the keeping of accurate records and prompt transfer of funds by the custodian or trustee on behalf of such persons or entities. The agreement may provide for the issuance by the custodian or trustee of certificates evidencing beneficial ownership of the notes by such persons or entities. For the purpose of payment of the principal of and interest on the notes, the County may deem payment of such principal and interest, whether overdue or not, to the custodian or trustee as payment to the absolute owner of such note. Pursuant to provisions of such agreement, the book entry system for the notes may be used for registration of all or a portion of the notes and such system may be discontinued at any time by the County. The note registrar and paying agent for the notes may act as custodian or trustee for such purposes.

Issuance Expenses

15. Expenses incurred in connection with the issuance of the notes, including without limitation any premiums for any insurance obtained for the notes, note rating agency fees, travel and printing expenses, fees for agreements for lines of credit, letters of credit, commitments to purchase the notes, remarketing agreements, reimbursement agreements, purchase or sales agreements or commitments, or agreements to provide security to assure timely payment of the notes, fees for the setting of interest rates on the notes and bond counsel, financial advisor, paying agent and registrar fees, all of which are hereby authorized, shall be paid by the County Treasurer from County property tax administration fees on the delinquent taxes, from any other moneys in the Fund not pledged to
the repayment of notes and general funds of the County that are hereby authorized to be expended for that purpose.

Replacement of Notes

16. Upon receipt by the County Treasurer of satisfactory evidence that any outstanding note has been mutilated, destroyed, lost or stolen, and of security or indemnity complying with applicable law and satisfactory to the County Treasurer, the County Treasurer may execute or authorize the imprinting of the County Treasurer's facsimile signature thereon and thereupon, and if applicable, a note registrar or paying agent shall authenticate and the County shall deliver a new note of like tenor as the note mutilated, destroyed, lost or stolen. Such new note shall be issued and delivered in exchange and substitution for, and upon surrender and cancellation of, the mutilated note or in lieu of and in substitution for the note so destroyed, lost or stolen in compliance with applicable law. For the replacement of authenticated notes, the note registrar and paying agent shall, for each new note authenticated and delivered as provided above, require the payment of expenses, including counsel fees, which may be incurred by the note registrar and paying agent and the County in the premises. Any note issued under the provisions of this Section in lieu of any note alleged to be destroyed, lost or stolen shall be on an equal basis with the note in substitution for which such note was issued.

Chargebacks

17. For any principal payment date of the notes on or after February 1, 2015, the delinquent taxes on property foreclosed and sold pursuant to the provisions of Act 206 and against which the County has borrowed shall, if necessary to ensure full and timely payment of principal of and interest on the notes when due, be charged back to the taxing jurisdictions in such manner as determined by the County Treasurer. The proceeds of such chargebacks shall be deposited in the 2012 Collection Account as security for payment of the notes as described in Section 8 hereof. The provisions of this section shall not limit the authority of the County Treasurer under the laws of the State of Michigan to charge back delinquent taxes under other circumstances or at other times.

Purchase of Notes by County

18. All or any portion of the notes may be purchased or otherwise acquired by the County if the County Treasurer by order deems such purchase or acquisition to be in the best interest of the County. In such case, the County Treasurer is authorized to take such actions to effectuate the purchase or acquisition, including without limitation entering into an agreement to purchase or repurchase the notes. The purchase or other acquisition of notes by or on behalf of the County does not cancel, extinguish or otherwise affect the notes and the notes shall be treated as outstanding notes for all purposes of this resolution until paid in full.

Issuance of Refunding Notes

19. The County shall refund all or part of the notes authorized hereunder and/or notes previously issued by the County to continue the Fund for prior tax years if and as authorized by order of the County Treasurer through the issuance of refunding notes (the "Refunding Notes") in an amount to be determined by order of the County Treasurer. Proceeds of the Refunding Notes may be used to redeem such notes and to pay issuance expenses of the Refunding Notes as authorized and described in Section 16 hereof. The County Treasurer shall have all the authority with respect to the Refunding Notes as is granted to the County Treasurer with respect to the notes by the other Sections
hereof, including the authority to select a note registrar and paying agent, to apply to the Michigan Department of Treasury for approval to issue the Refunding Notes, if necessary, to cause the preparation of an official statement and to do all other things necessary to sell, execute and deliver the Refunding Notes. The Refunding Notes shall contain the provisions, shall be payable as to principal and interest and shall be secured as set forth herein and as further ordered by the County Treasurer. The Refunding Notes may be sold as a separate issue or may be combined in a single issue with other obligations of the County issued pursuant to the provisions of Act 206 as shall be determined by the County Treasurer. The County Treasurer is authorized to prescribe the form of Refunding Note and the form of notice of sale, if any, for the sale of Refunding Notes.

Form of Notes

20. The notes shall be in the form approved by the County Treasurer, which approval shall be evidenced by thereof.

COUNTY OF SAGINAW

SPECIAL RESOLUTION TO THE EAGLE SCOUT

Presented to:

JOSHUA NAGY

Achieving the rank of Eagle Scout carries special significance. It is a performance-based award, having standards that have been well maintained over the years. Less than 5 percent of all Boy Scouts earn the Eagle Scout Award, making Scouting’s highest rank a rare honor.

WHEREAS, It is a distinct privilege to extend congratulations to Joshua Nagy, as he is presented with the highest honor bestowed on a Boy Scout, the prestigious Eagle Scout Award. This achievement signifies qualities that are much admired by his peers as well as the residents of Saginaw County; and,

WHEREAS, Through his affiliation with Boy Scout Troop 321, Joshua has taken full advantage of the opportunities for personal growth that have made the Boy Scouts of America one of the most universally respected organizations in our Country. Eagle Scout Nagy has joined a unique group, including former President Gerald Ford from Grand Rapids, Michigan. Former President Ford was the only Eagle Scout to serve as President of the United States. Like those before him, Joshua has displayed unselfishness and eagerness to accept responsibility; and,

WHEREAS, Joshua has followed Boy Scout tradition through the positions he has held with his troop, his participation in civic activities, and the completion of his Eagle Scout service project by repairing and refinishing stairs and replacing windows and screens at the Safe Haven Home, a shelter for women and children; and,

WHEREAS, The famed Boy Scout motto "Be Prepared" appropriately describes Joshua in his new role as an Eagle Scout. Under the leadership of Scoutmaster Thomas Mahaffy, he has clearly learned the valuable lessons that scouting strives to teach, such as working hard, accepting responsibility, showing concern for others and providing leadership. Joshua is the son of Teresa and Ronald VanAcker.

NOW, THEREFORE, BE IT RESOLVED, That the Saginaw County Board of Commissioners take special pride in acknowledging Joshua Nagy for achieving the rank of Eagle Scout. We are very proud of this young man, and we are pleased he is a part of this community. We wish him continued success in all his future endeavors; and,

BE IT FURTHER RESOLVED, That this expression of recognition be placed in the minutes of the March 20, 2012 meeting as a permanent record and presented at a ceremony held March 4, 2012.

KENNETH ROSENSTANGEL

Since March 4, 1991, Ken Rosenstangel ran a tight ship for Judge Christopher Boyd. Ken took his job very seriously. According to Judge Boyd, Ken’s favorite saying is “raise your ‘other’ right hand!” Ken begins his day by joining his fellow deputies for their morning meeting. During lunch he is involved in the daily euchre games where he is very competitive and extremely hilarious. You can hear the laughter and fun permeating down the hall. He proudly served in the United States Army and retired from the Saginaw Police Department with 20+ years of service. Ken enjoys riding his Harley Davidson Softail Heritage 2008 Anniversary Edition bike and is a member of the Blue Knights Motorcycle Club Michigan Chapter X. After retirement he plans to go on many bike runs. The Saginaw County Board of Commissioners congratulates Ken Rosenstangel on his retirement and thanks him for his hard work and dedication to Saginaw County, the Judge he served and the people that he assisted throughout the years. He will be greatly missed!

The Mission…4-H empowers youth to reach their full potential, working and learning in partnership with caring adults.
The Motto…”To Make the Best Better,” its intent is to inspire young people to continue to learn and grow, to make their best efforts better through participation in educational experiences.
The Vision….A world in which youth and adults learn, grow and work together as catalysts for positive change.

The pledge was adopted by the delegates to the 1927 National 4-H Club Camp in Washington, DC. State club leaders voted for and adopted the pledge for universal use. The phrase “and my world” was added in 1973. The saying of the pledge has a prominent place in 4-H activities at regular 4-H meetings, achievement days, and other club events; and,

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON HUMAN SERVICES -- 1.1  MARCH 20, 2012
Your Human Services Committee met and considered Communication No. 3-20-5 from Karen Courneya, Commission on Aging (COA) Director, requesting approval to sell COA property located at 2112 W. Genesee, Saginaw, Michigan with proceeds of the sale reverting back to the COA fund balance account.
Ron Sievert appeared on behalf of the COA and explained that the vacant building at 2112 W. Genesee that previously housed a Senior Center has structural problems and the major repairs needed far exceed the financial viability of the building. The COA has opted to lease another site to relocate the West Side Friendship Center. The Controller advised the Committee that the building was originally purchased with COA funds and, therefore, the net proceeds should return to the COA fund.
It is our recommendation that the building at 2112 W. Genesee be sold, with the sale to be facilitated by the Controller, and that all net proceeds from the sale revert back to the Commission on Aging fund balance account.
Respectfully submitted,

FROM: COMMITTEE ON HUMAN SERVICES -- 1.2  MARCH 20, 2012
Your Human Services Committee met and considered Communication No. 2-21-12 from Elmira Meseraull, resident of Brant Township, requesting assistance from the Board of Commissioners on an issue with a neighbor who operates a waste hauling business.
Elmira Meseraull, who lives at 18378 Gary Road, Chesaning, appeared on her own behalf and explained to the committee that she has repeatedly complained to Brant Township about a hazardous condition at the neighboring property of 18650 Gary Road. John McKellar, Public Health Director, and Steve Alworden, Senior Environmental Health Specialist, provided background information on the condition of the property. The residents of 18650 Gary Road operate a legal waste hauling and storage business from their property and are within their rights to operate this business as long as they don’t create a nuisance or public health concern.

Discussion was held and questions were raised about Brant Township and its zoning ordinances. It is our recommendation that the Board of Commissioners send a letter to Brant Township asking them to assist Mrs. Meseraull with her situation. (Proposed Letter Attached)

Respectfully submitted,

COMMITTEE ON HUMAN SERVICES

By Commissioner Woods: That the Report of the Committee is received and the recommendations contained therein are adopted. After discussion regarding the appropriateness of the Board sending a letter, the Chair asked the Clerk to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board. A record of how each member voted and the results of the vote are hereby entered in the minutes:

Attachment to 3-20-1.2

Raymond Walker, Brant Township Supervisor:
On March 5, 2012 the Human Services Committee of the Saginaw County Board of Commissioners met to hear from Elmira Meseraull of 18378 Gary Road, Brant Township. Ms. Meseraull addressed the committee about her letter(s) of complaint, including several to Brant Township, regarding a waste collection and disposal business in operation at 18650 Gary Road, also in Brant Township. John McKellar, Saginaw County Public Health Director, and Steve Alworden, Senior Environmental Health Specialist, provided background information including a history of prior investigations of the business and the current condition of the property.

Despite Ms. Meseraull’s negative description of the business operations and condition of the property, county officials have concluded that the owner/operator is in compliance with existing statutes and county ordinances. However, the members of the Human Services Committee were collectively and demonstrably concerned enough with Ms. Meseraull’s complaints, that a unanimous vote was cast to notify Brant Township to address the situation conclusively as best they can.

The Saginaw County Board of Commissioners respects the sovereignty of local units of government and their duly elected officials. However, the Saginaw County Board of Commissioners also believe that zoning ordinances should be reliable, consistent, and compatible from one end of the county to the other, and that doing so will promote smarter growth, development, and sustainability.

Sincerely,

Michael P. O’Hare, Chairman
Saginaw County Board of Commissioners
FROM: COMMITTEE ON HUMAN SERVICES -- 1.3  MARCH 20, 2012

Your Human Services Committee met and considered Communication No. 3-20-7 from John McKellar, Public Health Officer, requesting the elimination of the Disease Intervention Specialist position on the department’s PCN roster and replacing it with a Public Health Nurse position.

We met with Mr. McKellar, who explained that a vacancy was created when the Disease Intervention Specialist position was transferred to the Environmental Health Division. He further explained that filling this vacancy with a Public Health Nurse offers greater cross-training and work assignment flexibility consistent with the expectations of the state agency that funds the position. The change would be budget neutral as both positions are factored at the P-06 level.

It is our recommendation that the Disease Intervention Specialist position on the Public Health Department’s PCN roster be replaced with a Public Health Nurse position.

The Disease Intervention Specialist position remains in the PCN roster for Public Health.

FROM: COMMITTEE ON COUNTY SERVICES -- 2.1  MARCH 20, 2012

Your County Services Committee considered Communication No. 3-20-9 from the Child Abuse and Neglect (CAN) Council of Saginaw County asking to place blue ribbons and blue and silver pinwheels on the bushes and trees located on the front lawn of the Courthouse and to fly the Children’s Flag on the Courthouse flagpole the first two weeks of April, 2012.

Nationally, April is recognized as Child Abuse & Prevention Month. Last year approval was given for the display of blue and silver pinwheels and blue ribbons, the national symbol, to raise awareness of child abuse and neglect and build a community where children are free from abuse and neglect.

We recommend the proper County officials be authorized and directed to facilitate the Child Abuse and Neglect Council of Saginaw County using the front lawn of the County Governmental Center to place the ribbons and pinwheels and to fly the Children’s Flag on the Courthouse flagpole during the first two weeks of April, 2012.

Your committee considered Communication No. 3-20-14 from Valerie McCullough, Animal Care Center Director, asking the committee to review a livestock/poultry claim submitted by Edmund Toddish, Birch Run, Michigan.

We met with Mr. Toddish who informed the committee that in October 2011 two stray redbone pit bull dogs entered his property and cattle barns attacking several of his calves. Six calves were severely mauled with ears being chewed off, neck and shoulder lacerations, etc. After treatment and medication, two of the six calves did not make it. One calf died a week after the attack and the other shortly after. Both calves were 6 months old and each weighed approximately 500 pounds.

According to the Dog Law of 1919, Public Act 339, County Board of Commissioners can pay a livestock/poultry claim out of its general fund. According to the Michigan Livestock Exchange in St. Louis, prices for Feeder Calves last fall were as follows: Steers $1.35 lb., Heifers $1.25 lb.

It is the recommendation of this committee that Mr. Toddish be reimbursed $1,150.00 for the loss of his calves. Further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County, subject to review by the Controller as to substance and Counsel as to legal form.

Your Budget/Audit Subcommittee met with Gerald Desloover and Mike Birchmeier, Auditors from the CPA firm of Rehmann Robson, who reported on the progress of the County of Saginaw Audited
Financial Statements for the Fiscal Year ended September 30, 2011. A draft of the Audit was provided to the subcommittee members and all commissioners. A final version of the Audit will be distributed at the March 20, 2012 Board Session.

The Auditors issued an unqualified opinion that the Audited Financial Statements fairly represent the County’s financial position. A detailed explanation of multiple pages of the Audited Financial Statements was provided, highlighting the most material financial information.

All County programs and accounting funds ended the year positively. The Auditors also issued findings and recommendations for strengthening internal controls and improving operating efficiencies. All of these findings and recommendations, along with management responses to each one, were explained and reported to the Subcommittee. (Copy available in Board Office)

3. APPLICATION: The rules and regulations herein set forth apply to all employees paid by Saginaw County pursuant to Policy # 301.

4. RESPONSIBILITY: The Controller/CAO shall be responsible for the implementation and administration of this policy.

5. DEFINITIONS: None

6. POLICY:

   6.1 Retirement Benefit Plans. Retirement benefit plans vary depending upon employee classification and hire date. Said plans are modified from time to time by the direction of the Board of Commissioners. Eligible employees hired prior to June 1, 1994, were required to become members of the defined benefit plan administered under the rules established by the Michigan Municipal Employees Retirement System (MERS). Eligible employees hired on or after June 1, 1994, are required to become members of the defined contribution plan administered under the rules established by the Michigan Municipal Employees Retirement System (MERS) International City/County Management Association (ICMA). There is no mandatory retirement age.
6.2 Defined Benefit Plan (MERS). The County currently pays the entire cost for this plan without any employee contribution required. Benefits are based on a formula, including final average compensation, years of service and benefit program. In addition, an employee must reach a minimum age and/or complete a minimum number of years of service in order to be eligible for the particular MERS pension benefit under which they are covered. Benefit payment options allow for beneficiary coverage and may also include cost of living adjustments. Credit may be given for previous county service, military service, and generic service. Employees may purchase “generic service” up to five (5) years in accordance with MERS policies and procedures with the employee paying eighty percent (80%) of the cost and the employer paying twenty percent (20%) of the cost. Employees may purchase qualified “governmental service” in accordance with MERS policies and procedures with the employee paying eighty percent (80%) of the cost and the employer paying twenty percent (20%) of the cost. Employees may purchase “military service” in accordance with MERS policies and procedures, if the employee was hired prior to May 17, 1994, with the employee paying five percent (5%) of the member’s full-time annual compensation for the year in which payment is made multiplied by the number of years of service to be purchased. In order to receive credit for generic, government or military service, the employee must pay their cost share in full at the time of purchase.

6.3 Defined Contribution Plan (MERSICMA). For employees hired prior to March 1, 2005, a pre-tax employee contribution of either 0% or 3% of compensation is currently required for participation in this plan. The County currently matches this contribution at the rate of 6% or 9%, respectively. For employees hired on or after March 1, 2005, a pre-tax employee contribution of either 0% or 6% of compensation is currently required for participation in this plan. Benefits are based on the dollar amount in an employee's account at the time of termination and the selection of one of several pay out methods approved by the United States Department of Treasury, Internal Revenue Service. The amount in the employee's account accumulates from a combination of the above described contributions and self-directed investment earnings. Upon termination, the employees may withdraw the entire amount of their contribution plus a percentage of the County's contribution based on their months of service as provided below.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.5

MARCH 20, 2012

Your Labor Relations Subcommittee considered a request by the Saginaw County Union/Management Benefit Committee to approve a recommendation regarding Public Act 152 of 2011 known as the Employee Health Insurance Act. The Act significantly impacts how local governments must handle health insurance benefits for employees, including elected officials.

Public Act 152 of 2011, formerly known as Senate Bill 7, provides three options for public employers who provide medical benefit plans: (1) Institute a hard-cap of $5,500 for single person coverage, $11,000 for individual and spouse coverage, and $15,000 for family coverage; (2) Institute an 80% / 20% split between the employer and employee; and (3) Exemption from the Act (opt-out with possible sanctions) by a 2/3 vote of the governing body.

We met with Cheryl Jarzabkowski and Patrick Duggan, elected representatives of the Benefit Committee, who confirmed with the Labor Committee that all twenty-one (21) members of the Benefit Committee have agreed with the recommendation to not opt-out of the Act and to institute the hard-cap provisions of the Act.

We concur and recommend approval of the recommendation made by the Union/Management Benefit Committee to (1) not opt-out of the Act, and (2) to stay with the Act’s original purpose and place caps on the County’s cost for its employees’ health insurance. Further, that the proper County officials be directed to distribute material in accordance with County Policy and implement the process.

Respectfully submitted,

COMMITTEE ON APPROPRIATIONS

Celebrating the Past ~ Imagining the Future
18th National Conference on Child Abuse & Neglect
APRIL AS CHILD ABUSE PREVENTION & AWARENESS MONTH

WHEREAS, Increasing public awareness of the need to ensure the safety and welfare of children led to the passage of the first Federal child protection legislation, the Child Abuse Prevention and Treatment Act (CAPTA), in 1974. While CAPTA has been amended many times over the years, most recently by the Keeping Children and Families Safe Act of 2003, the purpose of the original legislation remains intact. In the early 1980’s, Congress made a further commitment to identify and implement solutions to child abuse. Recognizing the alarming rate at which children continued to be abused and neglected and the need for innovative programs to prevent child abuse and assist parents and families affected by maltreatment, Congress resolved that a week in June would be designated as the first National Child Abuse Prevention Week. The following year, April was proclaimed the first National Child Abuse Prevention Month. Since then, child abuse and neglect awareness activities have been promoted across the country during April each year; and;

WHEREAS, In 1989, a Virginia grandmother received the devastating news that her grandson had died of injuries inflicted by his parents. In an expression of grief and outrage, this grandmother did something that has given us a symbol. She tied a blue ribbon to the antenna of her van as a way to
remember “the bruised and battered body of her grandson” and to alert her community to the
tragedy of child abuse. The Blue Ribbon Campaign has since expanded across the country and many
wear blue ribbons each April in memory of those who have died as a result of child abuse; and,
WHEREAS, The Child Abuse and Neglect Council of Saginaw has adopted the blue pinwheel as the
“Pinwheels for Prevention.” Each pinwheel represents the idea that children deserve to be raised in a
healthy, stable and nurturing home, neighborhood and community.
NOW, THEREFORE, I, Michael P. O’Hare, Chair of the Saginaw County Board of Commissioners, do
hereby proclaim:

APRIL AS CHILD ABUSE PREVENTION & AWARENESS MONTH

in the County of Saginaw and call upon the Children’s Memorial Flag to be flown along with blue
ribbons placed on the trees and blue and silver pinwheels on the Courthouse lawn to remember the
young lives cut short by senseless violence and to help realize the end of child abuse and neglect.
IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the County of Saginaw to
be affixed this 20th day of March in the year of our Lord two thousand and twelve.
Respectfully Submitted,                                      Adopted & Presented:  March 20, 2012

She also stated the City of Saginaw is down by eight officers and slated to lose four more in June, 2012. (Hand-outs on file in the Board Office)

Commissioner Krafft reported on the Budget/Audit Subcommittee, County Services, the Frankenmuth Convention and Visitors Bureau, and the Airport Commission. The airport commission is the least active, but will probably become active in the future because the facility is old and needs repair.

**LAUDATORY RESOLUTIONS**

Chair O’Hare announced the following resolutions were prepared for presentation:
In 1951, Irene Pretzer’s life would change forever. That year she married Wally Bronner at St. Peter Lutheran Church in Hemlock. In 1952, Wayne Bronner, the couple’s first child was born. Through 1966, the Bronners were blessed with three more children - Carla, Randy and Maria.

Irene and Wally constructed their first building in Frankenmuth in 1954. Half of the building housed the sign painting business, while the other half was used for Christmas decorations. Because their business continued to grow, the business expanded. They purchased the Frankenmuth Bank Building and renamed it Bronner’s Tannenbaum Shop, a store featuring Christmas decorations. In 1971, the business expanded again. This time they acquired the former Hubinger Grocery Store and opened Bronner’s Bavarian Center. Their last move would be in 1977 when the Bronners consolidated three businesses under one roof on a 45 acre tract of land on the southern edge of Frankenmuth, this time naming the company Bronner’s CHRISTmas Wonderland at 25 Christmas Lane. By 1991 the store doubled in size. In 2000, the Bronners expanded the store’s shipping department and two years later expanded the building to encompass an area the size of 5.5 football fields. Today, over two million people, including 2,000 group tours, visit Bronner’s CHRISTmas Wonderland annually.

Family means everything to the Bronners. Irene and Wally transferred the company’s leadership to their children in 1998. Wayne became President and Chief Executive Officer, while Carla and Maria serve as Vice-Presidents. Irene believes every day of the year should be a celebration of Christ’s birthday; therefore Bronner’s motto is “Enjoy CHRISTmas, It’s HIS Birthday; Enjoy Life, It’s HIS way.”

The Saginaw County Board of Commissioners does hereby extend this Certificate of Recognition to Irene Bronner. She is a part of a team that worked side by side to develop Bronner’s Christmas Wonderland to what it is today. We congratulate her on her 85th birthday along with our best wishes for many more happy, productive years in the future.

Sincerely,

Saginaw County

COUNTY OF SAGINAW

SPECIAL RESOLUTION TO THE EAGLE SCOUT

Presented to:

BAILEY LOUIS CASE

Achieving the rank of Eagle Scout carries special significance.
It is a performance-based award, having standards that have been well maintained over the years. Less than 5 percent of all Boy Scouts earn the Eagle Scout Award, making Scouting’s highest rank a rare honor.
WHEREAS, It is a distinct privilege to extend congratulations to Bailey Louis Case, as he is presented with the highest honor bestowed on a Boy Scout, the prestigious Eagle Scout Award. This achievement signifies qualities that are much admired by his peers as well as the residents of Saginaw County; and,

WHEREAS, Through his affiliation with Boy Scout Troop 323, Bailey has taken full advantage of the opportunities for personal growth that have made the Boy Scouts of America one of the most universally respected organizations in our Country. Bailey has joined a unique group, including former President Gerald Ford from Grand Rapids, Michigan. Former President Ford was the only Eagle Scout to serve as President of the United States. Like those before him, Bailey has displayed unselfishness and eagerness to accept responsibility; and,

WHEREAS, Bailey has followed Boy Scout tradition through the positions he has held with his troop, his participation in civic activities, and the completion of his Eagle Scout service project by constructing a rugby pitch by the Freeland Elementary School to be used by the Under 19 Boys and Girls Barbarian Rugby Teams as well as the Men’s Barbarian Rugby team; and,

WHEREAS, The famed Boy Scout motto "Be Prepared" appropriately describes Bailey in his new role as an Eagle Scout. **OPERATION REACH**

“Before we can teach, we first have to reach”

We thank God because He has made all things possible and continues to bless the program.

**Whereas,** Operation Reach began as a thought or suggestion from one of the inmates in the Youth Deterrent Program serving a life sentence at Ryan Correctional Facility. Operation Reach was first conceived several years ago after a prayer was made to God by Noah Bruner, the founding Director, requesting the opportunity to be a blessing to others. The inmate stated that a community center would have perhaps made a difference in his life and the paths that he chose. Then the inmates prayed for a door to open in Saginaw where at-risk youth could come in and gain the tools that they needed to overcome the negative statistics that have devastated their generation for so many years. In June 2011, the thought became a reality when the doors of Operation Reach Community Center were opened; and,

**Whereas,** Operation Reach’s mission is to stop the process that leads our young people down the path to prison. Research shows that one out of four foster youths will be incarcerated within two years of leaving foster care. Children of incarcerated parents are six times more likely than other youth to land in prison. One in 14 teens, ages 16 to 19, are high school dropouts. Eighty-two percent of prisoners in America are also high school dropouts. Although they accept all youths at no charge, Operation Reach targets foster youths, children that have incarcerated parents, children with a parent or parents that lack interest in them and children that have either dropped out or are considering dropping out of school; and,

**Whereas,** Noah Bruner became employed with the State, helping to reunite families experiencing abuse and neglect. Even though he had been helping many, he still was bothered by seeing so many foster youths go from the foster care system to the prison system. The statistics did not sit well with Noah which motivated him to send letters to a number of prisons requesting a tour/visit/trip through the parking lot or facility to warn our youths that they were headed for disaster. All of the prisons turned down the requests except one - Ryan Correctional Facility in Detroit. Mr. Bruner had never attended such a powerful workshop that was so effective at reaching challenged youths. He made a decision to consistently recruit youth every month to attend this awesome program. March 2012 marks the third year that Mr. Bruner has transported youths to the Youth Deterrent Program at the Ryan Correctional Facility. The community center is open seven days a week and serves as a positive alternative to poor decision making and crime in our streets.
Now, Therefore, Be It Resolved, That the Saginaw County Board of Commissioners does hereby join Zeta Omega Zeta Chapter, friends and family in recognizing Operation Reach as “Outstanding Community Organization.” We wish them God’s continued blessings; and,

Be It Further Resolved, that this expression of recognition be placed in the minutes of the April 17, 2012 session of the Saginaw County Board of Commissioners.

SAGINAW HIGH SCHOOL
STATE BASKETBALL CHAMPS
2011 ~ 2012

STAY FOCUSED
“When the players become leaders, it’s a lot easier for a coach.
They learned that as individuals they may not be able to win,
but as a team they can do just about anything.”
Coach of the Year – Julian Taylor

On Saturday, March 24, 2012 the Saginaw High School Basketball Team captured the State Title beating Rockford, 54 – 42, at Michigan State University’s Breslin Center. The Trojans ended their season with a phenomenal record of 26-2.

Throughout their season they lived and breathed by their motto “STAY FOCUSED.” First year Varsity Coach, Julian Taylor, led the team to a tremendously successful season and won the state title in his first season as the Saginaw High Coach. But Coach Taylor did not do it alone. “The seniors decided to become leaders. When the seniors saw a person down, they picked him up. It was a total team effort because of the seniors decided to make it a team effort. They led by example.” The most important win on the trek to the state title probably came in the district final, when the Trojans beat rival Arthur Hill, 66 – 62.

Honors came for Coach Taylor and Senior Travontis Richardson when they were named to The Saginaw News 2011-12 Boys Basketball Dream Team as Coach of the Year and Dream Team Member respectively. The Saginaw News All-Area Team for Class A includes Julian Henderson, Jeff Hill and Trevon Bentley with Davario Gaines and Kevin Marshall receiving Honorable Mention. A quote from Michael Jordan truly sums up this team: “Talent wins games but teamwork and intelligence wins championships.” Without the teamwork, dedication and the ability to stay focused from each player, the possibility of winning a state championship wouldn’t have been possible. The fans of the basketball team must be commended for their support, encouragement to the team and the dedication they displayed on the way to the state title. Support can make all the difference in the world.

The Saginaw County Board of Commissioners congratulates Saginaw High School on its State Championship in basketball and salutes its display of sportsmanship and enthusiasm in accomplishing their goal. We wish you luck in your future and hope to see another championship for the Trojans!
Richland Township was organized on January 8, 1862 by authority given by the Saginaw County Board of Supervisors. The name “Richland” was given to the township by Lemuel Cone, one of the earliest settlers in the area. It is assumed that the early settlers first came to call the present center of Richland Township, Hemlock, because of the vast number of Eastern Hemlock trees which covered the area. Many found Richland Township a good location to prosper in the lumbering industry. When the forests were spent, they established Richland as an agricultural area. The first settlers in Richland Township are believed to be Philo and Arminda Thomas.

Fast forward 150 years, Richland Township is a community of approximately 4,400 residents located 10 miles west of Saginaw, Michigan. Richland Township is a General Law Township and is governed by a Board of Trustees, although there is a full time Township Manager as well. The unincorporated Village of Hemlock sits in the middle of Richland Township and includes a vibrant and growing commercial area to serve its residents. Residentially there are new subdivisions just completed with new housing under construction. Agriculture is alive and well in the township with some dairy farms and many large tract crop parcels. In April of 1889, the first township hall was constructed on South Elm Street which is still being used today as a Senior Center. In September of 2002, construction was started on a new Richland Township Administration building located at 1180 North Hemlock Road. The administration build was completed and occupied on January 17, 2003.

Richland Township will celebrate its 150th year with a wide variety of events starting April 18, 2012 and culminating June 22, 23, 24, 2012. It is a great accomplishment to reach its sesquicentennial year as a township with a great community, wealth and prosperous land.

The Saginaw County Board of Commissioners congratulates Richland Township on its 150th year as a township, its hard work and dedication to the residents and the continued growth of the area.

IV. Agenda – COMMITTEE REFERRALS

1. Human Services Committee – R. Woods, Chair; T. Kelly, Vice-Chair

1.1) HealthSource Saginaw Millage Renewal

---Woods moved, supported by Foxx, to approve the millage renewal language for HealthSource Saginaw (HSS) to be placed on the August 7, 2012 Primary Election ballot. Woods called Les Heyboer, Jr., President and CEO of HSS and Robert DuCharme, Chairman of the HSS Board of Trustees, to the lectern to provide information and answer questions. Wurtzel congratulated them on the success at HSS but stated he could not go to the taxpayers and ask for a millage levy when they have $19 million sitting in the bank. Mr. Heyboer informed commissioners that HSS wants to add an Adolescent Mental Health Services Unit at a cost of $4.3 million which would add about nine beds and create about $2 million per year in revenue. He also wants to update all medical records information technology systems in the amount of $4 million. Mr. Heyboer stated the accountants recommend HSS maintain $10 million in savings, which is equivalent to three months of operational costs. He also cited concerns with the instability of funding in the healthcare industry, cuts in Medicaid reimbursement, and future effects of the Affordable Care Act. Krafft congratulated HSS on a nice turn-around but stated his concern with a county-owned vs. private sector facility receiving additional funds because of a millage. He can’t support a millage renewal based on that. The Chair asked the Clerk to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board. A record of how each member voted and the results of the vote are hereby entered in the minutes:

Yeas: Foxx, Woods, Ruth, Hanley, Braddock, McInerney, O’Hare – 7;
Nays: Hadsall, Krafft, Wurtzel, Kelly, Doyle, Kilpatrick, Sholtz – 7; Absent: Novak – 1;
Total: -15. Motion failed.

2. County Services Committee – C. Ruth, Chair; R. Sholtz, Vice-Chair

None

3. Courts and Public Safety Committee – C. Hadsall, Chair; P. Wurtzel, Vice-Chair

3.1) Resolution in opposition to DHS proposal to increase foster care rates

---Hadsall moved, supported by Doyle, to approve the submission of a resolution opposing a rate increase for private foster care agencies. Hadsall asked Judge Harrison to speak and she explained this is an administrative rate that is paid to the agency, not the child. There are approximately 84 kids in foster care in Saginaw County and if the rate would increase it would cost almost $200,000 a year. After discussion, the motion carried.

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON HUMAN SERVICES -- 1.1 APRIL 17, 2012

Your committee considered Communication No. 4-17-11 from Robert DuCharme, Chairman, HealthSource Saginaw Board of Trustees, asking approval of the HealthSource Saginaw Operating Millage Renewal Proposal for placement on the August 7, 2012 Primary Election Ballot.

We met with Mr. DuCharme and Lester Heyboer, Jr., President & C.E.O., HealthSource Saginaw, who informed us the millage request represents the same amount of Operating tax (up to .2000) as in 2008 and a reduction in the length of the millage (3 years instead of 4 years).

The ballot question, prepared and reviewed by County Counsel, is as follows:

**SAGINAW COUNTY HEALTHSOURCE SAGINAW OPERATING PROPOSAL**

Shall the County of Saginaw, Michigan (“County”), renew the existing millage from the previously voted increase in the limitation on the total amount of general ad valorem taxes which may be imposed for all purposes upon real and personal property in the County, as provided in Article 9 Section 6 of the Michigan Constitution of 1963, as amended, which last resulted in a levy of .2000 mill ($0.2000 per $1,000) of taxable valuation of such property as finally equalized, up to the same levy of .2000 ($0.2000 per $1,000) of taxable valuation, for levy in the years 2013-2015, both inclusive, which levy is estimated to raise up to $990,000 in the first year, for the purpose of operating and maintenance expenses of HealthSource Saginaw?

It is our recommendation to approve the request from HealthSource Saginaw, and direct the County Clerk to place the millage renewal question before the electorate at the August 7, 2012 Primary Election. Respectfully submitted,

COMMITTEE ON HUMAN SERVICES

Robert M. Woods, Jr., Chair
Susan A. McInerney
Michael P. O’Hare

Timothy P. Kelly, Vice-Chair
Timothy M. Novak

APPROPRIATIONS AUTHORIZATION: It is the recommendation of your committee to concur with the above.

Michael J. Hanley, Chair
Patrick A. Wurtzel, Vice-Chair

By Commissioner Woods: That the Report of the Committee is received and the recommendations contained therein are adopted. Failed by tie vote. (See Appropriations Minutes)
Your committee has considered Communication No. 4-17-12 from James T. Totten, Equalization Director, submitting the report of real and personal property by class. The Saginaw County Department of Equalization has, in accordance with constitutional and statutory provisions, examined the assessment rolls of the various townships and cities in the County of Saginaw, as required, and has determined that the real and personal property valuations as set opposite the several townships and cities represent the County Equalized Valuations for the year 2012.

We met with James Totten, Equalization Director, who informed us the Total Equalized Value of the County for 2012 has decreased by some $82,287,801 to $5,323,051,213 for a decrease of 1.52 percent. Real Property decreased $138,803,481 or 2.85 percent. Personal Property increased by $56,515,680 or 10.4 percent. Industrial Facilities Assessed Values for 2012 are $136,799,608 which is a 11.2 percent decrease ($17,287,328) from the previous year.

Parcels in the name of the Department of Natural Resources have been moved to a special act roll and are no longer part of the equalization process. These parcels, with an assessed value of $8,627,750, showed an increase of $2,400 for 2012. The taxable values for these properties are subject to the Consumer Price Index increase for 2012.

Taxable Value is certified the fourth Monday in June and is not part of this report. However an estimate of this value would be a decrease of approx. $45,000,000 or 1.0% from the 2012 taxable value for Saginaw County. The captured valuations of the various TIFA, DDA, Brownfield, and Renaissance Districts will be published with the actual breakdown of taxable values.

It is the recommendation of your committee that the Equalization Report for Saginaw County by class for 2012 by class be accepted.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

Eddie F. Foxx
Dennis H. Krafft

Ronald L. Sholtz, Vice-Chair

By Commissioner Ruth: That the Report of the Committee is received and the recommendations contained therein are adopted. Approved.

APRIL 17, 2012

Your committee considered Communication No. 9-20-2 (2011), from Ed Oberski, CEO Great Lakes Bay Michigan Works! and D. Strader Taylor of Northcoast Administrative Consultants, Kansas City, Missouri, requesting Saginaw County discontinue its role as the Michigan Works! administrative entity and supporting the creation of a stand-alone private, non-profit corporation as the administrative entity.

On September 6, 2011 discussion was held at the County Services Committee meeting regarding the intent Great Lakes Bay Michigan Works! (GLBMW) to switch to a non-profit organization and to take over the administrative duties Saginaw County currently handles. Oberski and Taylor stated it would allow more flexibility and more opportunity for grant awards. The GLBMW includes Saginaw, Bay and Midland Counties. There are 29 members on the Workforce Development Board, 13 members on the Consortium Board and 14 Saginaw County employees. Commissioners asked several questions and focused on the current 14 county employees, asking what would happen to them and their county employment. Oberski stated the current county employees would have to resign and then be re-hired by the non-profit organization. Additional questions were asked regarding Labor Unions, Salaries and Retirement. A Committee of the Whole meeting was held September 20, 2011 to give all commissioners the opportunity to hear the presentation, ask questions and discuss. Recently, Midland County had recommended that Saginaw County continue the role as the administrative entity.

It is the recommendation of your committee that Saginaw County remain the administrative entity for the Great Lakes Bay Michigan Works! with no support for the creation of a private, non-profit corporation.

At the March 20, 2012 Board Session, Jimmy Greene, President and CEO, The Greater Michigan Chapter of the Associated Builders and Contractors (ABC), distributed a letter to all commissioners demanding Saginaw County repeal its County Ordinance concerning Wages and Fringe Benefits for County Projects. Furthermore, in his correspondence he stated, “Should the County refuse to repeal the County’s Wages and Fringe Benefits for County Projects ordinance, ABC will be filing a complaint in the Saginaw County Circuit Court seeking injunctive relief to invalidate the ordinance.” Saginaw County does not have an Ordinance regarding Wages and Fringe Benefits for County Projects. However, Saginaw County does have County Policy #241, titled “Purchasing Policy,” which addresses Prevailing wage. At the April 3, 2012 County Services Committee meeting, the correspondence from Jimmy Greene was distributed to members. Discussion was held regarding inaccuracies in Mr. Greene’s letter and referring the matter to civil counsel for review and written response.

It is the recommendation of this committee to leave the prevailing wage provisions in Saginaw County Purchasing Policy #241.

Your committee considered Communication No. 4-17-14 from the Honorable Judge Faye Harrison, 10th Judicial Circuit Court-Family Division, requesting a resolution in opposition to a Department of Human Services proposal to increase rates for private agencies providing foster care within the State of Michigan.

We met with Honorable Judges Faye Harrison and Patrick McGraw who informed the committee that a proposal is being considered as part of the Department of Human Services (DHS) state appropriation for FY 2013. This proposal includes an administrative rate increase for private agencies providing foster care within the State of Michigan. The current rate is $37.50 per day, per child, in foster care. The proposed increase is for $47.50 per day, per child. Approximately four years ago the per diem administrative rate was $17 per day, per child. This shows a significant increase in the private foster care program. This money goes to cover private agencies’ administrative costs only and benefits neither the foster parents who directly provide care nor, more importantly, the children placed in care.

The Judicial Council and Michigan Probate Judges Association strongly oppose a rate increase for private foster care agencies and have recently passed a resolution opposing same.

It is our recommendation that Saginaw County submit a resolution opposing a rate increase for private foster care agencies. Copies of the resolution will be submitted under the regular order of business to accomplish same and copies will be sent to the Michigan Department of Human Services Director, Senators and State Representatives.

FROM: SPECIAL COMMITTEE ON ROAD COMMISSION -- 7.1

The Saginaw County Board of Commissioners at its regular meeting on February 21, 2012 approved the appointment of a five-member committee to investigate the Board of Commissioners taking over
the powers, duties and functions of the Saginaw County Road Commission pursuant to P.A. 14 and P.A. 15 of 2012.

This Committee held four public meetings to which representatives from all 27 townships were specifically invited to attend. Comments from township supervisors and others were received and discussed by the committee. The Controller and Civil Counsel advised committee members on questions regarding financial and legal concerns, collective bargaining, insurance, and liability issues. The majority of township supervisors and general public who spoke at the meetings, including written correspondence from Swan Creek Township, indicated they do not support a change to the Board of Commissioners and wish to continue their relationship with the Road Commission. It is the consensus of this committee that there is no outstanding benefit, neither financially nor administratively, in elimination of the Road Commission.

We, therefore, recommend that all powers, duties and functions of the Road Commission remain under the control of the current Saginaw County Road Commission.

Respectfully submitted,

RESOLUTIONS

RESOLUTION "A"
APRIL 17, 2012
BOARD OF COMMISSIONERS
COUNTY OF SAGINAW

RE: RESOLUTION OPPOSING THE PROPOSAL FROM THE MICHIGAN DEPARTMENT OF HUMAN SERVICES TO INCREASE RATES FOR PRIVATE AGENCIES PROVIDING FOSTER CARE WITHIN THE STATE OF MICHIGAN

At a regular meeting of the Board of Commissioners of the County of Saginaw, State of Michigan, held in the City of Saginaw on the 17th day of April, 2012, at 5:00 o’clock p.m.

ABSENT – Timothy M. Novak

Commissioner Hadsall offered the following resolution and moved its adoption. The motion was seconded by Commissioner Doyle:

WHEREAS, The Michigan Probate Judges Association has passed a resolution that strongly opposes a rate increase for private agencies supervising foster care and those agencies are already being paid an administrative rate of $37.50 per day per child to grant these agencies a 22% increase after just one year is unconscionable. Many courts and counties are paying for multiple children – it is not
uncommon for a family of 4-5 children to be placed in relative care. [In just one example, a court paid an agency $37.50 per day per child, for a total of $5625 per month, and $67,500 per year. The five children were with a grandmother and the agency did not provide any special services. A caseworker saw them once per month.], and;

WHEREAS, The courts report that when special services to children are ordered, the response can vary from compliance to “we are not being paid for that” and the state mandated preference for private agencies has changed the ideal of placing children in their home communities. We now see frequent instances where children must be placed with an agency that only has beds available in distant counties. Courts and counties are paying higher dollars for reduced services and case workers who are unfamiliar with the community in which the parent is supposed to be served, and;

WHEREAS, Courts and counties are at the breaking point with the current $37.50 administrative fee and there is nothing to ensure the accountability, competition, and improved services which privatization is intended to provide. The State Department of Human Services is conducting a study to determine appropriate rates for private agency administrative fees, and that research is not concluded, any rate increase is premature and unwarranted. It now makes more fiscal sense for courts to use that rate money to hire local social workers who are under the control of the court to supervise foster care arrangements. Under the current system there is no accountability, no competition, and no way to recognize credible agencies or sanction poor ones. Furthermore, it is not appropriate to single out private agencies for massive fee increases when, in every other area of social welfare, the state is cutting costs and reducing reimbursements to local governments.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners that the County of Saginaw opposes the proposed rate increase for private foster care agencies. Copies of the resolution will be sent to the Michigan Department of Human Services Director, Senators and State Representatives.

Respectfully submitted,

Commissioner Privileged by E. Foxx at March 20, 2012 Board Session

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1

Your committee considered Communication No. 3-20-14 from Valerie McCullough, Animal Care Center Director, asking the committee to review a livestock/poultry claim submitted by Edmund Toddish, Birch Run, Michigan.

We met with Mr. Toddish who informed the committee that in October 2011 two stray redbone pit bull dogs entered his property and cattle barns attacking several of his calves. Six calves were severely mauled with ears being chewed off, neck and shoulder lacerations, etc. After treatment and medication, two of the six calves did not make it. One calf died a week after the attack and the other shortly after. Both calves were 6 months old and each weighed approximately 500 pounds.

According to the Dog Law of 1919, Public Act 339, County Board of Commissioners can pay a livestock/poultry claim out of its general fund. According to the Michigan Livestock Exchange in St. Louis, prices for Feeder Calves last fall were as follows: Steers $1.35 lb., Heifers $1.25 lb.

It is the recommendation of this committee that Mr. Toddish be reimbursed $1,150.00 for the loss of his calves. Further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County, subject to review by the Controller as to substance and Counsel as to legal form.

Respectfully submitted,

PROCLAMATIONS

LAW DAY 2012
NO COURTS, NO JUSTICE, NO FREEDOM
May 3, 2012

“America’s courtrooms must be open to keep the wheels of justice turning.”
~ American Bar Association President Wm. T. (Bill) Robinson III
Whereas, Law Day originated in 1957 when American Bar Association President Charles Rhyne envisioned a special day for celebrating the U.S. legal system. President Dwight Eisenhower established the first Law Day in 1958 to mark the nation's commitment to the rule of law. In 1961, Congress issued a joint resolution designating May 1 as the official date for celebrating Law Day. Every president since then has issued an annual Law Day proclamation. In 1961, May 1st was designated by joint resolution of Congress as the official date for celebrating Law Day; and,

Whereas, Law Day is a special day aimed to help people appreciate their liberties and to affirm their loyalty to the United States, especially with regard to equality and justice. It also aims to cultivate respect for the law, which is vital to the democratic way of life. Supported by organizations such as the American Bar Association, this day is an opportunity for people to recognize and discuss the role of courts in the United States; and,

Whereas, Open and accessible courts are the cornerstone of a free society and are essential to maintaining the American way of life. The courts are where we go to have our rights protected, our injuries redressed and our disputes resolved. Whether you are a consumer or a corporation, a victim or an accused, a lender or a debtor, a parent or a child, the work of the courts affects your everyday life. This year’s Law Day theme, “No Courts, No Justice, No Freedom,” underscores the importance of the Courts and their role in ensuring access to justice for all Americans.

Now, Therefore, Be It Resolved, That the Saginaw County Board of Commissioners do hereby proclaim Thursday, May 3, 2012 as Saginaw County Law Day and call upon the people of the County of Saginaw to acknowledge the importance of our legal and judicial systems with appropriate ceremonies and activities, and to display the flags of the United States, State of Michigan and Saginaw County in support of this educational observance. We further encourage schools, businesses, media, religious institutions, civic and service organizations to join members of the bar and bench in commemorating Law Day.

Respectfully Submitted,

Saginaw County

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON HUMAN SERVICES -- 1.1 MAY 15, 2012

Your committee considered Communication No. 4-17-11 from Robert DuCharme, Chairman, HealthSource Saginaw Board of Trustees, asking approval of the HealthSource Saginaw Operating Millage Renewal Proposal for placement on the August 7, 2012 Primary Election Ballot.

We met with Mr. DuCharme and Mr. Heyboer, Jr., President & C.E.O., HealthSource Saginaw, who informed us the millage request represents the same amount of Operating tax (up to .2000) as in 2008 and a reduction in the length of the millage (3 years instead of 4 years).

The ballot question, prepared and reviewed by County Counsel, is as follows:

**SAGINAW COUNTY HEALTHSOURCE SAGINAW OPERATING PROPOSAL**

Shall the County of Saginaw, Michigan (“County”), renew the existing millage from the previously voted increase in the limitation on the total amount of general ad valorem taxes which may be imposed for all purposes upon real and personal property in the County, as provided in Article 9 Section 6 of the Michigan Constitution of 1963, as amended, which last resulted in a levy of .2000 mill ($0.2000 per $1,000) of taxable valuation of such property as finally equalized, up to the same levy of .2000 ($0.2000 per $1,000) of taxable valuation, for levy in the years 2013-2015, both inclusive, which levy is estimated to raise up to $990,000 in the first year, for the purpose of operating and maintenance expenses of HealthSource Saginaw?

It is our recommendation to approve the request from HealthSource Saginaw, and direct the County Clerk to place the millage renewal question before the electorate at the August 7, 2012 Primary Election.

Respectfully submitted,

By Commissioner Woods: That the Report of the Committee is received and the recommendations contained therein are adopted.

Your committee has considered Communication No. 5-15-10 from John McKellar, Health Officer, Saginaw County Public Health Department, requesting the addition of six (6) new positions to the PCN staffing roster due to a 3-year funding award from the Michigan Department of Community Health for implementation of the new evidence-based Nurse Family Partnership Home Visiting Program.
These positions are required and will be paid for by a three year funding award from the Michigan Department of Community Health. Focused on low-income, first time pregnant women who are at risk for poor birth outcomes, public health nurses will provide home visits, education and support during pregnancy and throughout the children’s first two years of life. The requested positions are as follows:

4.0 Public Health Nurses (P06)
0.5 Public Health Nurse Supervisor (M09)
0.5 Typist/Clerk I/II (T05/T07)

We recommend approval to add six (6) new positions to the PCN staffing roster at the Saginaw County Health Department for a 3-year period to implement the new evidence-based Nurse Family Partnership Home Visiting Program.

MAY 15, 2012

Your committee has considered Communication No. 5-15-11 from John McKellar, Health Officer, Saginaw County Public Health Department, requesting elimination of the Health & Emergency Information Specialist/Office Manager position from the PCN staffing roster and addition of a part-time Typist/Clerk I/II position as replacement.

The timing of this request correlates with the departure of the T08 employee in the Health Promotion and Communications Division and subsequent review of program operational needs and diminished state funding for public health emergency preparedness. The proposed change will have a favorable impact on the Health Department’s budget going forward, saving approximately $30,000 on an annual basis.

It is the recommendation of your committee to approve the elimination of a Health & Emergency Information Specialist/Office Manager (T08) position on the Health Department’s PCN Roster and to add a new part-time Typist/Clerk I/II (T05/07) position.

This document articulates the mission, vision and values of the Department and outlines goals and actions that will guide its work over the next two years.

FROM: COMMITTEE ON COUNTY SERVICES -- 2.1 MAY 15, 2012
At the March 20, 2012 Board Session, Jimmy Greene, President and CEO, The Greater Michigan Chapter of the Associated Builders and Contractors (ABC), distributed a letter to all commissioners demanding Saginaw County repeal its County Ordinance concerning Wages and Fringe Benefits for County Projects. Furthermore, in his correspondence he stated, “Should the County refuse to repeal the County’s Wages and Fringe Benefits for County Projects ordinance, ABC will be filing a complaint in the Saginaw County Circuit Court seeking injunctive relief to invalidate the ordinance.”

Saginaw County does not have an Ordinance regarding Wages and Fringe Benefits for County Projects. However, Saginaw County does have County Policy #241, titled “Purchasing Policy,” which addresses Prevailing wage. At the April 3, 2012 County Services Committee meeting, the correspondence from Jimmy Greene was distributed to members. Discussion was held regarding inaccuracies in Mr. Greene’s letter and referring the matter to Civil Counsel for review and written response.

At the May 1, 2012 County Services Committee meeting, CSC Report 2.3 (April 17, 2012) was revisited. Civil Counsel distributed background information, a copy of the Rudolph case and relevant portions of Saginaw County’s Purchasing Policy. Discussion was held regarding legal issues and similar lawsuits in the State of Michigan.

It is the recommendation of this committee to leave the prevailing wage provisions in Saginaw County Purchasing Policy #241.

The Controller was asked to read all references to prevailing wage contained in County Policy #241. A record of how each member voted and the results of the vote are hereby entered in the minutes:

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1 MAY 15, 2012

Your committee considered Communication No. 5-15-7 from Mary Amend, Community Corrections Manager, asking to submit and accept, if awarded, a Community Corrections grant for FY 2013. We met with Mary Amend who stated that on April 10, 2012 the local Community Corrections Advisory Board approved submittal of the FY 2013 grant application for approximately $1,200,000.00. This grant will allow for the continuation of Community Corrections administration in Saginaw County. We recommend the Saginaw County Office of Community Corrections be authorized to apply for funding through the State of Michigan Office of Community Corrections and accept the grant, if awarded; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.2 MAY 15, 2012

Your committee considered Communication No. 4-17-18 from William L. Federspiel, Sheriff, sending notification of the 2012 Byrne Justice Assistance Grant (JAG) through the U.S. Department of Justice (DOJ) and negotiation with the City of Saginaw on disbursement.

We met with Undersheriff Karl, who indicated the JAG allocation has been made to Saginaw County and the City of Saginaw. Because the DOJ has designated the above-named units as disparate jurisdictions, Saginaw County must, as fiscal agent, submit a joint application for the total eligible allocation of $117,438.00. The joint application must specify the award distribution to each unit of government, the purpose for which the grant funds will be used, and signed Memorandums of Understanding. It was agreed that Saginaw County and the City of Saginaw would split the grant award equally. Undersheriff stated that $15,000.00 of the County’s awarded amount will go to Area Records Management System (ARMS) fees and the remainder to wages and benefits for deputies.

We recommend the Sheriff and/or his designee be authorized to complete negotiations with any disparate jurisdictions, submit a grant application to the Department of Justice in amounts to be determined after negotiations are complete, and accept the grant, if awarded; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County...
subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.3  MAY 15, 2012
Your committee considered Communication No. 5-15-6 from William L. Federspiel, Sheriff, requesting deletion of the vacant deputy position of home surveillance officer within the PLUS home surveillance program and addition of a Sheriff’s Office Clerk position as a replacement.
We met with Undersheriff Karl who stated the Sheriff wishes to eliminate the Personnel Control Number (PCN) that was assigned to a vacant deputy position and would like to add a clerk position to the PCN Roster. Sheriff is not deleting a deputy position and no deputies will be taken off the road, it is simply a housecleaning item. Previously, there were three deputies and one clerical staff working with the PLUS program and this change will now allow for two deputies and two clerical staff. No additional funding will be used, and the change will actually be a great cost savings to the Sheriff’s Office.
We recommend the Sheriff and/or his designee be authorized to delete the vacant deputy position within the PLUS home surveillance program and replace it with an office clerk position. Further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.4  MAY 15, 2012
Your committee considered Communication No. 5-15-15 from Valerie K. McCullough, Animal Control Director, asking for approval of the pre-payment of alteration (sterilization) of animals adopted from the center.
We met with Ms. McCullough, who stated the Animal Care Center is making several changes to better the adoption process and other programs within the center. The Animal Control Advisory Committee met on several occasions and discussed the adoption process and sterilization of animals. The revised Agreement includes language that makes it mandatory for the adopter to pre-pay with a veterinarian for the services of sterilization and rabies vaccination. The committee discussed the State law that applies to this provision and it was added to the Agreement. Civil Counsel reviewed the Adoption and Sterilization Agreement and concurred.

We recommend the Saginaw County Animal Care Center be authorized to begin using the revised Adoption and Sterilization Agreement and continue reviewing other components of the center; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County.

UNFINISHED BUSINESS

FROM: SPECIAL COMMITTEE ON ROAD COMMISSION - - 7.1  
The Saginaw County Board of Commissioners at its regular meeting on February 21, 2012 approved the appointment of a five-member committee to investigate the Board of Commissioners taking over the powers, duties and functions of the Saginaw County Road Commission pursuant to P.A. 14 and P.A. 15 of 2012. This Committee held four public meetings to which representatives from all 27 townships were specifically invited to attend. Comments from township supervisors and others were received and discussed by the committee. The Controller and Civil Counsel advised committee members on questions regarding financial and legal concerns, collective bargaining, insurance, and liability issues. The majority of township supervisors and general public who spoke at the meetings, including written correspondence from Swan Creek Township, indicated they do not support a change to the Board of Commissioners and wish to continue their relationship with the Road Commission. It is the consensus of this committee that there is no outstanding benefit, neither financially nor administratively, in elimination of the Road Commission.
We, therefore, recommend that all powers, duties and functions of the Road Commission remain under the control of the current Saginaw County Road Commission. Respectfully submitted,
SPECIAL COMMITTEE ON ROAD COMMISSION

Commissioner Privileged by S. McNerney at April 17, 2012 Board Session.
May 15, 2012
Chair O’Hare announced that at the April session the foregoing was moved by Ruth, supported by Hanley, to approve. Discussion was held regarding whether or not all twenty-seven (27) townships in Saginaw County had ample opportunity to make known to commissioners their position on the Board of Commissioners taking over the powers, duties and functions of the Road Commission. Ruth, Chair of the Special Committee, was asked to reiterate the findings of the Committee (See
Wurtzel stated he is still undecided and doesn’t believe the Board had heard from all townships. Wurtzel moved to amend the motion to continue the work of the special committee, extend the time to investigate the matter further, and to hold two (2) Public Hearings before making the decision to take over the Road Commission or not. Discussion was held on the amendment. Hanley stated the Special Committee worked in good faith and it is time to listen to constituents. McInerney stated that it is irresponsible to make a decision without a thorough review of the Road Commission, including an audit and a study of its liabilities, costs and debt. Kelly and Sholtz both agree with McInerney and want further exploration of the issue and to follow through with hearings. Doyle agrees with holding two (2) public hearings because her district is split between wanting change and not wanting change. Foxx stated the recommendation of the committee is not to take over the duties of the Road Commission and public hearings are not required. The Clerk was asked to read the amended motion and the Chair asked the Clerk to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board. A record of how each member voted and the results of the vote are hereby entered in the minutes:

Yeas: Braddock, McInerney, Kelly, Doyle, Kilpatrick, Sholtz, Hadsall and Wurtzel – 8;

The Clerk then was asked to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board on the Main Amended Motion. A record of how each member voted and the results of the vote are hereby entered in the minutes:

PROCLAMATIONS

NATIONAL CHILDREN’S MENTAL HEALTH AWARENESS DAY
MAY 9, 2012

Whereas, National Children’s Mental Health Awareness Day is a key strategy of the “Caring for Every Child’s Mental Health Campaign,” which is a part of the Public Awareness and Support Strategic Initiative by the Substance Abuse and Mental Health Services Administration (SAMHSA), U.S. Department of Health and Human Services. In 1992 the Substance Abuse and Mental Health Services Administration (SAMHSA) was established and began its work to help address the nation’s behavioral health needs – including those of our nation’s military service members, veterans and their families. SAMHSA’s “Caring for Every Child’s Mental Health” public awareness effort was created in 1994 with the mission to increase awareness around children’s mental health; and,

Whereas, This year’s theme, “Heroes of Hope,” focuses on families, friends, caregivers and others who help children maintain resilience when dealing with trauma. Research from a number of studies indicates that children and youth exposed to trauma and violence show increased levels of stress hormones – similar to levels seen in combat veterans – that may lead to decreased academic achievement and reckless behavior; and,

Whereas, The effort seeks to raise awareness about the importance of children's mental health and that positive mental health is essential to a child's healthy development from birth. Last year, the national theme focused on building resilience in young children dealing with trauma. Caring adults
can buffer the impact of trauma and promote better outcomes for children, even in stressful times, by fostering protective factors that can buffer the negative effects of stress and trauma; and,

Whereas, Through all of these efforts SAMHSA will honor its past by continuing its mission of promoting mental health and substance abuse prevention and treatment services benefiting individuals and communities throughout the country. SAMHSA is a public health agency within the Department of Health and Human Services. Its mission is to reduce the impact of substance abuse and mental illness on America’s communities.

Now, Therefore, Be It Resolved, That the Saginaw County Board of Commissioners hereby proclaims Wednesday, May 9, 2012 as

CHILDREN’S MENTAL HEALTH AWARENESS DAY

and urges the citizens of Saginaw County and all agencies and organizations interested in meeting every child’s mental health needs to unite on that day in observance of such exercises.

Be It Further Resolved, That this expression of recognition be placed in the minutes of the May 15, 2012 session of the Saginaw County Board of Commissioners.

Respectfully Submitted,                                             Adopted: May 15, 2012

National Mental Health Month
Healing Trauma’s Invisible Wounds
do more for 1 in 4

WHEREAS, Mental Health Month began in 1949 to raise awareness of mental health conditions and mental wellness for all. We are called to action to help the one in four American adults who live with a diagnosable, treatable mental health condition and the fact that they can go on to live full and productive lives. “do more for 1 in 4” is a call to action to help the 1 in 4 American adults who live with a diagnosable, treatable mental health condition and the fact that they can go on to live full and productive lives. Healing Trauma's Invisible Wounds, focuses on the impact of traumatic events on individuals and communities. It centers around asking the person-based question: "What happened to you?"; and,

WHEREAS, Trauma has tremendous human and societal costs and is the leading cause of the death of children in this country. The effect of trauma on productive life years lost exceeds that of any other disease. The economic cost of 50 million injuries in the year 2000, alone, was $406 billion. When children or adults respond to traumas with fear, horror and/or helplessness, the extreme stress is toxic to their brains and bodies, and overwhelsms their ability to cope. Unresolved trauma can manifest in many ways, including anxiety disorders, panic attacks, intrusive memories (flashbacks), obsessive-compulsive behaviors, Post-Traumatic Stress Disorder, addictions, self-injury and a variety of physical symptoms. Trauma increases health-risk behaviors such as overeating, smoking, drinking and risky sex. Trauma survivors can become perpetrators themselves; and,

WHEREAS, Unaddressed trauma can significantly increase the risk of mental and substance use disorders, suicide, chronic physical ailments, as well as premature death. Movement for trauma-informed care has emerged to ensure that trauma is recognized and treated and that survivors are not
re-victimized when they seek care. Complementing these changes are programs to promote healthy development of children and healthy behaviors in families, schools and communities that reduce the likelihood of trauma.

NOW, THEREFORE, I, Michael P. O’Hare, do hereby proclaim May 2012 as Mental Health Month in Saginaw County. As Chairman of the Board of Commissioners, I also call upon citizens, government agencies, public and private institutions, business and schools in the state of Michigan to recommit to our community by increasing awareness and understanding of mental health, and the need for appropriate and accessible services for all people who are affected by mental illness.

IN WITNESS WHEREOF, The seal of the County of Saginaw will be affixed and the Proclamation adopted by the Board of Commissioners on the 15th day of May in the year of our Lord two thousand twelve.

Sincerely,

Saginaw County Board of Commissioners

Frankenmuth, Michigan ~ Gunzenhausen, Germany
50th Anniversary

Sister Cities ~ A city that is linked to another, usually for the purposes of cultural exchange.

The idea of founding Frankenmuth was first fostered due to a German Missionary named Frederick Wyneken working in the states of Indian, Ohio and Michigan. In 1840 he wrote an appeal for help to all the Lutherans in Germany, telling them of the hardships of German pioneers in his region and of their lack of pastors, churches, and schools. This appeal struck the heart of Wilhelm Loehe, pastor of the country church in Neuendettelsau, Central Franconia, Kingdom of Bavaria. He organized a mission society, still operating today, and began training teachers and pastors for work in the United States. His idea, formulated in 1844, was an experiment to send a mission congregation with dual purpose: to give spiritual comfort to the German pioneers in the Midwest, specifically the Saginaw Valley, and to show the native Indians in the area "Wie gut und schön es ist in Jesu sein" (how good and wonderful it is to be in Jesus). Loehe wrote the pastor of a Swabian settlement in Michigan to recommend a site for his mission colony. He approved the location along the Cass River in Michigan, naming it "Frankenmuth." The German word "Franken" represents the three provinces of Upper Franconia, Central Franconia and Lower Franconia in the Kingdom of Bavaria, and the German word "Muth" means courage, thus the city name Frankenmuth means "courage of the Franconians." Its nickname is “Little Bavaria.”

The colonists had meetings during the 1844-45 winters to discuss the founding of their colony and to set down their congregation’s constitution. It defined the colonists’ responsibilities to each other and the church, and it outlined the colony’s government. Frankenmuth was to be an exclusively German-Lutheran community, and the colonists pledged to remain loyal to Germany and faithful to the German language. This Bavarian community has come a long way from its humble beginnings. Little did they know that their tiny ethnic community would one day achieve the rank of one of Michigan’s top visitor destinations. Today 4,900 residents live in the City of Frankenmuth. They have a common civic pride that is evident in the well-kept neighborhoods. Their civic responsibility has motivated them to provide first class schools, facilities and services. Frankenmuth attracts more than 3 million visitors annually from all over the world. The German hospitality provided by the early settlers is even more irresistible today.
Gunzenhausen is a town in the Weißenburg-Gunzenhausen district, in Bavaria, Germany. Gunzenhausen is a nationally recognized recreation area. In the 1970’s eighteen municipalities were integrated and so the city grew to about 17,000 inhabitants. Karl Wilhelm Hilpert was the first Mayor of the City of Gunzenhausen-Middle Franconia Bavaria, Federal Republic of Germany. Gunzenhausen was officially adopted as Frankenmuth’s Sister City in 1962 as part of the “People to People” Program. The Sister Cities have more than language in common. They are able to compare farming and industry, history, culture and religion. The Sister City relationship is one of the longest in the world spanning 50 years. In celebration and commemoration of that 50 year relationship, the City of Frankenmuth has constructed a fountain topped with a bronze pair of dancing figures. A delegation of nearly 100 Gunzenhausen residents are expected for the dedication.

The Saginaw County Board of Commissioners congratulates Frankenmuth, Michigan and Gunzenhausen, Germany on their 50th Anniversary of becoming Sister Cities. May your communities embrace the dedication of your ancestors while embracing the future brought forth from generation to generation.

Sincerely,

The project will be grant funded.
The State Court Administrative Office (SCAO) has awarded the 10th Circuit Court a planning grant for $20,000 retroactive to April 1, 2012 and will expire September 30, 2012. The 10th Circuit Court is
applying for FY 2013 Michigan Drug Court Program Grant (MDCP) for $462,520 and Governor Snyder announced they will also receive a grant of up to $225,000 to fund the Adult Felony Drug Court for the City of Saginaw.

We recommend the Saginaw County 10th Circuit Court be authorized to apply for funding through the State of Michigan and accept the grants, if awarded; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

WHEREAS, the County has leased to the Authority pursuant to a Ground Lease dated as of June 1, 2012, the sites of the County Event Center and the project; and

WHEREAS, it is proposed that the Authority finance all or part of the cost of renovating, expanding and improving the project by the issuance of building authority bonds payable from cash rentals to be paid by the County to the Authority pursuant to this Contract of Lease; and

WHEREAS, an estimate of 30 years and upwards as the period of usefulness of the project and an estimate of $3,300,000 as the cost of the project have been prepared and have been filed with the County Clerk and the Secretary of the Authority; and

WHEREAS, in order to provide for renovating, expanding, improving and financing the project and to make possible the issuance of building authority bonds to defray all or part of the cost of the project it is necessary for the parties to enter into this Contract of Lease.

THEREFORE, IN CONSIDERATION OF THE MUTUAL UNDERTAKINGS AND AGREEMENTS HEREINAFTER SET FORTH, IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO as follows:

1. The Authority shall, as soon as practicable after the effective date of this Contract of Lease, proceed to issue its building authority bonds in one or more series in the aggregate principal amount of $3,300,000 or such lesser amount as shall be determined by the Commission of the Authority to be necessary to defray all or part of the cost of the project, pursuant to and in accordance with the provisions of Act 31, and shall pledge for the payment of the principal of and interest on said bonds the receipts from the cash rental payments hereinafter agreed to be paid by the County. The bonds shall be serial bonds, term bonds or a combination thereof dated as of such date as shall be determined by the Authority, shall bear interest at a rate or rates not to exceed 8% per annum and shall mature (subject to such prior redemption, if any, as may be provided in the bond authorizing resolution) on such dates and in such years as shall be determined in the resolution authorizing the issuance of the bonds. Upon receipt of the proceeds of the sale of the building authority bonds the Authority immediately shall deposit such proceeds (other than any premium and accrued interest received from the purchaser of the bonds, which shall be transferred to the bond and interest
redemption fund) into a construction fund, which shall be maintained as a separate depositary account and from which shall be paid the cost of the project.

2. After the building authority bonds have been sold, the Authority shall renovate, expand and improve the project or cause the renovation, expansion and improving thereof. The cost estimate and the estimated period of usefulness for the project, of which heretofore have been filed with the County Clerk and the Secretary of the Authority, are approved and adopted. The cost of the project shall include not only the direct costs of renovating, expanding, and improving the project but all other costs including, without limitation, all architectural, engineering, construction management, moving, financial, legal, printing and publishing costs and expenses incidental to the project and to the issuance of the building authority bonds. The project shall be renovated, expanded and improved in accordance with the final plans and specifications to be prepared by William A. Kibbe & Associates, Inc., Saginaw, Michigan. The Chairperson of the Board of Commissioners of the County shall approve the final plans and specifications on behalf of the County prior to the renovation, expansion and improving of the facilities. No major changes in the scope of the project as described in the final plans and specifications shall be made by the Authority without the written approval of the Chairperson of the Board of Commissioners of the County.

3. In the event that the Authority shall at any time determine that the project cannot be completed at the estimated cost, the Authority immediately shall so notify the County in writing, specifying the additional funds required, and thereupon one of the following actions shall be taken: (a) the County shall pay or cause to be paid to the Authority in cash the additional amount so required, or (b) the Authority shall issue building authority bonds in such increased or additional principal amount as shall be necessary to complete the project, or (c) the project shall be modified so as to permit its completion within the estimated cost. No such increased or additional building authority bonds shall be issued unless the County and the Authority shall provide by amendment or supplement of this Contract of Lease for such issuance and for an increase in the cash rental payable by the County hereunder sufficient to permit payment of the principal of and interest on the increased or additional bonds. Any additional building authority bonds so issued shall have equal standing with the bonds hereinbefore authorized to be issued. The proceeds of any such cash payments or increased or additional bonds (except for accrued interest, premium and capitalized interest) shall be deposited into the construction fund for the project.

4. If, after completion of the project, moneys remain in the construction fund, such moneys shall be considered to be an unexpended balance of the proceeds of the sale of the bonds. Any unexpended balance of the proceeds of the sale of the bonds remaining after completion of the project may be used to renovate, improve or enlarge the project or for other projects of the Authority leased to the County if such use is approved by the State Treasurer of the State of Michigan, if required by law, and by the County. Any unexpended balance not so used shall be paid into the bond and interest redemption fund and the County shall receive a credit against the cash rental payments next due under this Contract of Lease to the extent of the moneys so deposited in the manner provided in the ordinance or resolution authorizing the bonds.

5. The Authority shall require the contractor or contractors for the project to furnish all necessary bonds guaranteeing performance and all labor and materials bonds and all owners protective, workers compensation and liability insurance required for the protection of the Authority and the County. All bonds and insurance, and the amounts thereof, shall be subject to approval of the County attorney. All such insurance shall be made effective from the date of issuance of the building authority bonds described in Section 1 or commencement of construction of the project, whichever is
later. The Authority also shall require a sufficient fidelity bond from any person handling funds of the Authority.

6. The Authority hereby leases the project to the County for a term commencing on the effective date of this Contract of Lease and ending on May 31, 2042, or such earlier date as hereinafter provided. Possession of the project shall vest in the County upon completion of construction of the project. When all of the building authority bonds issued by the Authority to finance the project have been retired the Authority shall convey to the County all of its right, title and interest in the project and any lands, air space, easements or rights-of-way appertaining thereto. Upon such conveyance by the Authority to the County this Contract of Lease and the leasehold term shall terminate and the Authority shall have no further interest in, or obligations with respect to, the project.

7. The County hereby agrees to pay to the Authority as cash rental for the project herein leased to it by the Authority such periodic amounts as shall be sufficient to enable the Authority to pay the principal of and interest on the building authority bonds to be issued by the Authority as such principal and interest shall become due. On the 15th day of the month preceding the first date that any noncapitalized interest shall become due on the bonds and semiannually thereafter while any of the bonds remain outstanding the County shall pay to the Authority an amount sufficient to pay the interest due on the bonds on the first day of the following month. On the 15th day of the month preceding the first principal payment date on the bonds and annually thereafter while any of the bonds are outstanding the County shall pay to the Authority an amount sufficient to pay the principal due on the bonds on the first day of the following month. If for any reason the cash rental payments made by the County are not used to pay the principal of and interest on the bonds, the County agrees to pay to the bondholders on behalf of the Authority as additional cash rental such amounts as are necessary to pay such principal and interest. The County hereby pledges its full faith and credit for the payment of the cash rental when due and agrees that it will levy each year such ad valorem taxes as shall be necessary for the payment of such cash rental which taxes shall be subject to applicable constitutional and statutory tax limitations. If the County, at the time prescribed by law for the making of its annual tax levy, shall have other funds on hand which have been set aside and earmarked for payment of its obligations for which a tax levy otherwise would have to be made, then the tax levy shall be reduced by the amount of such other funds. Such other funds may be raised from any lawful source. The obligation of the County to make such cash rental payments shall not be subject to any setoff by the County nor there any abatement of the cash rentals for any cause including, but not limited to, casualty that results in the project being untenantable.

8. The County may pay in advance to the Authority any cash rental payments herein required to be made and in such event shall be credited therefor upon future-due cash rental payments as the County shall direct. Any such advance payments, if the County shall so direct, shall be used by the Authority to redeem or purchase bonds prior to maturity when and to the extent possible and to pay the interest thereon and any call premiums applicable thereto. Any such advance payments shall be deposited in the Bond and Interest Redemption Fund of the Authority. The County also shall have the right to purchase bonds on the open market and to surrender the same to the Authority at any time. In the event that any bonds are redeemed or purchased and surrendered as above provided, the respective amounts which otherwise would have been payable as semiannual interest thereon shall be credited upon the cash rental payments otherwise required to be made on the cash rental payment dates next preceding such semiannual interest payment dates and the principal amount of such bonds shall be credited upon the cash rental payments otherwise required to
be made on the cash rental payment dates next preceding the maturity dates of the bonds. Any bonds redeemed, purchased or surrendered shall be cancelled.

9. In addition to the cash rental provided for in Section 7 hereof, the County hereby agrees to pay to the Authority all operating expenses of the Authority including expenses incidental to the issuance and payment of the bonds to the extent such expenses are not paid from the proceeds of the bonds. The obligations of the County to make such payments shall be general obligations of the County.

10. The County shall, at its own expense, operate and maintain the project and shall keep the same in good condition and repair. The County may enter into an agreement with another entity to operate and maintain the project on its behalf. Operation and maintenance shall include (but not be limited to) the providing of all personnel, equipment and facilities, all air conditioning, light, power, heat, telephone, water, sewage disposal, storm drainage and all other personnel services, equipment and supplies, of whatever nature, as shall be necessary or expedient for the operation and maintenance of the project. Premiums for insurance required to be carried upon or with respect to the project or the use thereof and taxes levied upon either party hereto on account of the ownership or use thereof or rentals or income therefrom likewise shall be deemed operation and maintenance expenses. The obligation of the County to pay all costs and expenses of the operation and maintenance of the project shall be a general obligation of the County.

11. The County shall provide, at its own expense, fire and extended coverage, malicious mischief and vandalism insurance in an amount which is at least equal to the amount of the building authority bonds outstanding from time to time or to the amount of the full replacement cost of the project if that amount be less than the amount of bonds outstanding. Such insurance shall be payable to the County and the Authority as their interests may appear and shall be made effective from the date of issuance of the building authority bonds described in Section 1 or commencement of construction of the project, whichever is later. In the event of the partial or total destruction of the project during or after construction, or if the project is for any reason made unusable, the cash rental payments as provided in Section 7 hereby, shall continue unabated. The County shall have the option to use the proceeds of insurance, in the event of loss or damage to the project, for the repair or restoration of the project. If the County shall determine not to use the proceeds of insurance for the repair or restoration of the project the amount of such insurance proceeds shall be paid to the Authority and by it deposited in the bond and interest redemption fund and the County shall receive appropriate credits on future cash rental payments due.

12. The County shall provide adequate liability insurance protecting the County, the Authority and the members of the Commission of the Authority against loss on account of damage or injury to persons or property, imposed by reason of the ownership, possession, use, operation or repair of the project or resulting from any acts of omission or commission on the part of the County, the Authority, the members of the Commission of the Authority or their agents, officers or employees in connection therewith. Such insurance shall be made effective from the date of issuance of the building authority bonds described in Section 1 or commencement of construction of the project, whichever is later.

13. The County shall hold the Authority and the members of its Commission harmless and keep it fully indemnified at all times against any loss, injury, or liability to any person or property by reason of the use, misuse, or non-use of the project by the County or by any other person or from any act or omission in, on or about the project, including any liability resulting from any and all environmental matters pertaining thereto. The County shall, at its own expense, make any changes or alterations in, on or about the project which may be required by any applicable statute, charter,
ordinance or governmental regulation or order, and shall save the Authority and the members of its Commission harmless and free from all cost or damage in respect thereto.

14. The County, in its sole discretion, may install or construct in or upon, or may remove from the project, any equipment, fixtures or structures and may make any alterations or structural changes as it may desire, but the County shall not make any permanent alterations to the project that will affect adversely the security for the building authority bonds to be issued by the Authority or the prompt payment of the principal of or interest on such bonds.

15. The Authority, through its officers, employees or agents, may enter upon the project at any time during the term of this Contract of Lease for the purpose of inspecting the project and determining whether the County is complying with the covenants, agreements, terms and conditions hereof.

16. Inasmuch as this Contract of Lease, and particularly the obligations of the County to make cash rental payments to the Authority, provides the security for payment of the principal of and interest on the building authority bonds to be issued by the Authority to finance the project, it is hereby declared that this Contract of Lease is made for the benefit of the holders of said bonds as well as for the benefit of the parties and that said holders shall have contractual rights herein. In the event of any default on the part of the County, the Authority and the holders of said bonds shall have all rights and remedies provided by law and especially by Act 31. The parties further covenant and agree that they will not do or permit to be done any act, and that this Contract of Lease will not be amended in any manner, which would impair the security of said bonds or the rights of the holders thereof. An amendment of this Contract of Lease to authorize the issuance of additional building authority bonds and providing for the payment of additional cash rentals for the payment thereof shall not be deemed to impair the security of the bonds or the rights of the holders.

17. This Contract of Lease shall inure to the benefit of, and be binding upon the respective parties hereto and their successors and assigns; provided, however, that no assignment shall be made in violation of the terms hereof nor shall any assignment be made which would impair the security of the bonds or the rights of the holders thereof.

18. Additional building authority bonds of equal standing with the bonds herein authorized may be issued, in addition to those for which provision is made in Section 3, for the purpose of making improvements or additions to the project; provided, however, that no such bonds of equal standing may be issued unless this Contract of Lease is amended or supplemented to provide for such issuance and for an increase in the cash rental payments required to be made by the County in amounts sufficient to permit payment of the principal of and interest on such additional bonds. Nothing in this Contract of Lease shall prevent the Authority from issuing building authority bonds to finance other projects for lease to the County.

19. In the event the building authority bonds to finance the project cannot be or are not issued by the Authority prior to June 1, 2013, the project shall be abandoned and the County shall pay all expenses of the Authority incurred to the date of abandonment, and neither party shall have any further obligations under this Contract of Lease. The provisions of this Section 19 may be extended or waived by the parties by resolution of their respective governing bodies.

20. Except as otherwise provided herein, the right to give any consent, agreement or notice herein required or permitted shall be vested, in the case of the County, in its Board of Commissioners, and in the case of the Authority, in its Commission. Any notice required or permitted to be given hereunder shall be given by delivering the same, in the case of the County, to the County Clerk or the Deputy County Clerk, and in the case of the Authority, to any member of its Commission.
21. In the event there shall occur changes in the constitution or statutes of the State of Michigan which shall affect the organization, territory, powers or corporate status of the County, the terms and provisions of this Contract of Lease shall be unaffected thereby insofar as the obligation of the County to make cash rental payments is concerned. The proceeds of any sale or other liquidation of any interest of the County in the project are hereby impressed with a first and prior lien for payment of any outstanding building authority bonds or other obligations of the Authority incurred by reason of the project or any additions or improvements thereto.

22. This Contract of Lease shall become effective 60 days after a notice of intention of entering into this Contract of Lease has been published in a newspaper of general circulation in the County as required by Section 8b(3) of Act No. 31; provided, however, that if a petition for a referendum requesting an election on this Contract of Lease is filed with the County Clerk within 45 days after the notice is published, signed by not less than 10% or 15,000 of the registered electors of the County, whichever is less, then this Contract of Lease shall become effective only if and when approved by a majority of the electors of the County voting thereon. This Contract of Lease shall terminate on May 31, 2042, unless terminated prior to such date in accordance with the provisions hereof.

IN WITNESS WHEREOF, the COUNTY OF SAGINAW BUILDING AUTHORITY, by its Commission, and the COUNTY OF SAGINAW, by its Board of Commissioners, each have caused this Contract of Lease to be signed in its name, for and on its behalf, by its duly authorized officers, as of the day and year first above written.

Certificate of Recognition
Presented to: Ann Neuhaus

“There’s one thing I always wanted to do before I quit – retire!” ~ Groucho Marx

Ann Neuhaus began her career at Saginaw County on January 6, 1999 in the Prosecutor’s Office. She has held many different positions in the department including Traffic Clerk, Floater filling in for District Court Clerk, File Clerk, Appellate Clerk, Receptionist and Circuit Court Clerk. For the past eight years, Ann has held the position of Circuit Court Coordinator preparing all Circuit Court felony files for trial, pleas, motions, hearings and sentencings. She also prepared all subpoenas for witnesses and coordinating witnesses’ schedules for trial.

Ann is the mother of two beautiful children - daughter, Dr. Julie Tredemeyer, and son, Jeff Gulvas. She loves children and animals, especially her dog, Sadie. Ann is an avid fan of the Michigan State University Spartans. Ann’s favorite sayings include “If it’s not something that’s gonna bother you in five years then let it go.” - “Did you check the file room, Richard’s office, Jeff’s couch?” - “You know what...if it were me...I’d...but you decide!”
Ann’s retirement from Saginaw County will leave a huge void as she will be taking a great wealth of knowledge with her. But of equal loss will be the attributes that Ann brought to public service—faithfulness, trustworthiness, constancy and compassion. Her dedication to Saginaw County, crime victims, attorneys and fellow co-workers is unwavering. Ann will be truly missed by the staff of the Saginaw County Prosecuting Attorney’s Office.

Respectfully Submitted,

WHEREAS, It is a distinct privilege to extend congratulations to Elijah Carl Wilson as he is presented with the highest honor bestowed on a Boy Scout, the prestigious Eagle Scout Award. This achievement signifies qualities that are much admired by his peers as well as the residents of Saginaw County; and,

WHEREAS, Through his affiliation with Boy Scout Troop 323, Elijah has taken full advantage of the opportunities for personal growth that have made the Boy Scouts of America one of the most universally respected organizations in our Country. Eagle Scout Wilson has joined a unique group, including former President Gerald Ford from Grand Rapids, Michigan. Former President Ford was the only Eagle Scout to serve as President of the United States. Like those before him, Elijah has displayed unselfishness and eagerness to accept responsibility; and,

WHEREAS, Elijah has followed Boy Scout tradition through the positions he has held with his troop, his participation in civic activities, and the completion of his Eagle Scout service project by writing, producing, editing, acting and taping a gun safety video for the Saginaw Field and Stream Club. Elijah presented it to over 130 members of the Field and Stream Club at its May meeting; and,

WHEREAS, The famed Boy Scout motto "Be Prepared" appropriately describes Elijah in his new role as an Eagle Scout. Soldiers’ and Sailors’ Civil Relief Act
Certificate of Recognition
Elwood Spiegel

Elwood Spiegel has been active with the Soldiers and Sailors Civil Relief Commission for the last 15 years. The Soldiers’ and Sailors’ Civil Relief Act (“the Act”) was passed to help tackle the unique problems that service personnel encounter trying to balance their personal financial lives and the rigors of military service. Specifically, the Act can provide a service person temporary relief from evictions, lease terminations, mortgage foreclosures on real and personal property, installment sales contracts, repossessions, high interest rates, and suits against the service person. But the Act does have limitations: once the service person’s military service no longer interferes with his ability to handle his personal obligations, the service person is no longer protected by the Act.

Elwood was drafted in 1950 to the armed forces where he went to Korea from 1951 to 1952 as a sergeant in the 90th Field Artillery. On his return, he joined the American Legion Post 212 of Chesaning, Michigan, where he has been a member for 63 years. He is also a life-long member of the VFW and a member of the 40 & 8 of Owosso, Michigan for the past 20 years. Elwood retired from General Motors with 31 years of service.

For the past 58 years, Elwood has been married to Mildred (Davis) Spiegel. They have four sons: Richard (Nancy) Spiegel, Gene (Sandy) Lader, Alan (Sue) Spiegel and Jerry Spiegel. He has six grandchildren and five great-grandchildren.

The Saginaw County Board of Commissioners hereby salutes and recognizes the outstanding service that Elwood has rendered to his nation, state and county. This expression of recognition will be placed in the minutes of the August 21, 2012 meeting as a permanent record.

Saginaw WONDER Fest

“Just because a man lacks the use of his eyes doesn’t mean he lacks vision.” ~ Stevie Wonder

Stevie Wonder (Stevland Hardaway Morris) is a child prodigy from Saginaw, Michigan who developed into one of the most creative musical figures of the late 20th century. The cause of his blindness was the prematurity of the eye due to being born six weeks premature. Even with this disability, Stevie made his landmark to be a pioneer and innovator in the music industry. He is the third of six children to Calvin Judkins and Lula Mae Hardaway. As a child, Stevie would play at the First Ward Community
Center before moving to Detroit. When he was four, his mother left his father and moved herself and her children to Detroit. She changed her name back to Lula Hardaway and later changed her son’s surname to Morris, partly because of relatives. He began playing instruments at an early age, including piano, harmonica, drums and bass. During childhood he was active in his church choir. Stevie was only 13 years old when he scored his first No. 1 hit, “Fingertips (Pt. 2).” Since then he has topped the charts 32 times and won 22 Grammy Awards and an Oscar. Stevie is a member of the Rock and Roll and Songwriters Hall of Fame. For a long time Stevie has stood up for the underprivileged, helped young artists on “American Idol” and sang for the Queen of England.

On Saturday August 25, 2012 on Ojibway Island, Saginaw, Michigan, NextMedia will partner with First Ward Community Center to showcase the talent of the Great Lakes Bay Region spotlighting the Celebration Square sector of Saginaw. The Saginaw “WONDER” Fest will be the culmination event for Saginaw Celebrates Summer and invites everyone to come and experience the many local entertainment and recreation venues plus performances featuring local talent. We are hopeful that one day, some of these young performers will be able to follow in Stevie’s footsteps.

The Saginaw County Board of Commissioners would like to congratulate NextMedia and First Ward Community Center on Saginaw “WONDER” Fest which will exhibit the talent of the youth and encourage growth by celebrating a former youth who’s now a legend not only in our community but the world. Their hard work will surely make a difference in the community and will help make life better for the people around them.

INITIATORY MOTIONS

Chair O’Hare asked if there were any matters from the floor. There were two items, as follows:

Commissioner Novak moved, supported by Commissioner Krafft, to approve the MERS Officer and Employee Delegate Certification form. Motion carried.

Commissioner Hanley moved, supported by Commissioner Hadsall, to approve the following regarding operations at the Saginaw County Animal Care Center. After lengthy discussion, the Motion carried. (Reference: Board Report 8-21-3.1)

1. That new isolation rooms be established at the Saginaw County Animal Care Center (SCACC), in compliance with standards set forth by the Michigan Department of Agriculture and that the facility be thoroughly cleaned, in consultation and cooperation with Dr. Tina Roggenback, the Shelter Veterinarian of record appointed by the Michigan Department of Agriculture.

2. That because of the continued outbreak of illness at the SCACC, all animals not intended to be immediately euthanized should be vaccinated upon intake, [Bordetella and DHPP (distemper, hepatitis, parvo, parainfluenza) for dogs and FVRCP (rhinotracheitis, calici, panleukopenia) for cats]. Further, that a request be made to the Friends of the SCACC to provide any financial assistance they can toward this activity. Further, that if more revenue is required than is on hand in the current SCACC budget and/or charitable donations, staff is directed to develop proposed fee adjustments to defray the cost of vaccinations. It is believed that by developing better animal control and care programs, vaccinations will pay for themselves and save the SCACC money in the long run.
3. That Dr. Tina Roggenbeck be allowed to give necessary medical attention to all animals housed at the shelter, whether it be by her coming to the shelter, or whether it be by animals being brought to her.

Note: Cost of vaccines for SCACC
Bortadella - $1.90 per dose and DHPP (distemper, Hepatitis, parvo, parainfluenza) $2.10
Total $4.00 per dog
FVRCP (rhinotracheitis, calici, panleukopenia) $1.50
Total $1.50 per cat

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COUNTY SERVICES -- 2.1 AUGUST 21, 2012
Your committee considered Communication No. 8-21-15 from the Saginaw County Building Authority requesting approval of a Ground Lease and Resolution regarding the Parking Improvements Project located along the 200 through 400 blocks of Johnson Street and as part of the County Event Center.
At the June 19, 2012 Board Session, the Board of Commissioners approved a Contract of Lease, Ground Lease, Notice of Intention and Resolution, to enable the authority to move forward with upgrades to the parking ramp at the County Event Center and the parcel of property located at the 400 block of Johnson Street.
The Saginaw County Building Authority at its July 12, 2012 meeting approved a modification to Attachment A of the Ground Lease and Resolution. The modification is the inclusion of a legal description of the 300 block of Johnson Street. The 300 block of Johnson Street will now be part of the project previously approved by the board. The County is in need of expanding the parking capacity and improving parking structures and sites for the County Event Center located at 303 Johnson Street in the City of Saginaw.
We agree with the request to approve the modification to Attachment A of the Ground Lease and the appropriate Resolution will be submitted under the regular order of business to accomplish same; further, that the proper County officials are authorized and directed to sign the necessary documents on behalf of the county, subject to review by the Controller as to substance and Counsel as to legal form.
Respectfully submitted,

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1  AUGUST 21, 2012

On June 27, 2012 representatives of Saginaw County and the Saginaw County Animal Care Center met with the Michigan Department of Agriculture & Rural Development (MDARD), Animal Industry Division. After discussing concerns regarding Pet Shops, Dog Pounds & Animal Shelters, Act 287; Bodies of Dead Animals, Act 239; Michigan Penal Code, Chapter IX, Animals, Act 328; and the regulations promulgated thereunder, an agreement was reached between MDARD and Saginaw County Animal Care to initiate or continue certain procedures/practices.

On June 27, 2012 a Committee of the Whole session was held and on August 8, 2012 a meeting of the Courts and Public Safety Committee was held, at which time over 20 people appeared to speak in opposition to seven (7) new policies implemented at the Animal Care Center. The seven (7) new policies are as follows:

- That the former adoption room will now be the isolation room, and that any animals placed in that room will not receive any medical treatment and only receive palliative care.
- That once the stray hold is up on the animals in the isolation room, they will be given 48 hours to either be removed by a rescue or adopted if neither of those things happen then they will be euthanized.
- That the animals in the adoption program will no longer receive medical care.
- That those who assist with the adoption program will no longer be allowed to take pictures to document animals for their stray album.
- That the volunteers will no longer be allowed in the building on the weekends and/or holidays. That the only ones allowed in the building on weekends and holidays are the kennel aides.
- That the kennel aides do not interact or socialize with the animals and also do not let them out for exercise.
- That the small room previously known as the med room which also houses such things as washer, dryer and wash tub, will now become the adoption room and also house small stray animals.

After lengthy discussion, it is the recommendation of this committee to reverse/lift the seven (7) policies that were implemented by the Animal Care Center in an attempt to comply with the Michigan Department of Agriculture in July, 2012.

Respectfully submitted,

Saginaw Township Community Schools Certificate of Recognition
Presented to: DR. JERRY L. SEESE, ED.D.
Dr. Jerry L. Seese began his career as a teacher in 1962. Over the span of 50 years, Dr. Seese has been a teacher, coach, guidance counselor, assistant principal, principal, assistant superintendent and is finishing his thirteen year career as Superintendent of the Saginaw Township Community Schools (STCS) on August 31, 2012. In his final evaluation before he retires, the board said he led the district in a positive and professional manner. Also, as superintendent, he always put children first. Due to his belief that all children can succeed, he has guided the implementation of several programs assuring that students have various options available for success.

Dr. Seese is retiring so he can spend more time with his wife, Ruthann, children and grandchildren. He continues to compete on the winning International Senior’s Basketball Team and is an avid supporter of Indiana collegiate basketball.

The Saginaw County Board of Commissioners thanks Dr. Jerry L. Seese for his dedication to the students of Saginaw Township Community Schools. Dr. Seese’s absence from STCS will leave a huge void as he will be taking a great wealth of knowledge with him. Let his leadership be an example to all of us.

SAGINAW COUNTY BOWLING HALL OF FAME

WHEREAS, It all began in 1891 when a man named Frank Godard had a saloon and decided to put three alleys in the back room. It wasn’t until September 1895 that the American Bowling Congress (ABC) became organized and a standardized set of rules was established. The game went from a total 200 point game to a 20 ball or 300 point game with 12 inches between the pins. The sport started off using wooden pins; however, in 1964 one of the first plastic pins was manufactured. In the early days, pinsetters (people) were used to set up the pins. On April 10, 1956, Brunswick installed the first automatic pinsetters. Wooden bowling balls were used thru 1906 at which time Brunswick came out with the first vulcanized rubber “mineralite” bowling ball. After the Great Depression businesses were going into debt. To keep the bowlers bowling they charged only 5 cents per game just to pay the pin boy. There was no charge for the bowling itself; and,

WHEREAS, The Saginaw County Board of Commissioners is honored to recognize the Saginaw Bowling Hall of Fame as it celebrates the induction of its 37th class of outstanding bowlers. Each outstanding bowler has displayed a lifetime loyalty to the Saginaw community and a commitment to the integrity of the sport. We commend each and every inductee on their achievement. On Sunday, October 14, 2012 at the Swan Valley Banquet Center the “Class of 2012” will be inducted into the Saginaw Bowling Hall of Fame –

Ted Cymbal, Superior Performance
Douglas Wortley, Superior Performance
Ray Eddy, Jr. – Superior Performance, Yesterday’s Star
General Bailey, Meritorious Service
Paul Adridge, Veteran, Ambassador to Bowling
Joseph Smith, Sr., Veteran, Ambassador to Bowling

NOW, THEREFORE, BE IT RESOLVED, That a unanimous accolade of tribute be hereby accorded to the Saginaw Bowling Hall of Fame as we recognize not only its presence in our community but its support of our family of bowlers. We join the community in supporting and encouraging its work. That this expression of recognition be placed in the minutes of the September 18, 2012 session, presented to each inductee as a permanent record of their accomplishment, and given to the Saginaw Bowling Hall of Fame in celebration of its 37th class of inductees.

100th Year of Ministry Church of God in Christ
61ST ANNUAL STATE WOMEN’S CONVENTION

Purpose: World Evangelism ~ Better Homes, Better Schools, Better Communities, Better World

The 61st Annual State Women’s Convention will convene at Garden of Eden Pentecostal Ministries, Church of God in Christ, Saginaw, Michigan. This year, the Church of God in Christ is celebrating its 100th year of Ministry to God and mankind. Bishop Charles Harrison Mason, sainted founding father of the Church of God in Christ, left a great legacy and heritage to remember and embrace. Women have been and still are great contributors to the ministry beginning with the first general supervisor of the Department of Women, Mother Lizzie Woods Robinson from 1911 - 1945. Its purpose “World Evangelism – Better Homes, Better Schools, Better Communities, Better World” continues to motivate the Women of the Church of God in Christ to be faithful and dutiful in the work of the Lord and to build on their inheritance under the leadership of the sainted supervisor of women, Mother Norma L. Burrell and Bishop P. A. Brooks, Prelate Northeast Michigan Jurisdiction, First Assistant Presiding Bishop, Church of God in Christ, Inc.

Church of God in Christ is blessed with people and their passion to give back to their community. As Jackie Robinson (1919 - 1972 American baseball player) once said, “A life is not important except in the impact it has on others.” The Church of God in Christ has done just that.

The Saginaw County Board of Commissioners congratulates the Church of God in Christ on its 100th year of ministry to God and its unselfish and noble actions in helping their fellow man.

MISSION IN THE CITY - NEW LIFE BAPTIST CHURCH

The God inspired Vision for this church is:

“To build a ministry that will meet the needs of the whole person
Through a process of intellectual, physical, spiritual and social growth,
That together we might affect change within our church community.”

New Life Baptist Church started as a mission in February of 1985 and was organized as a Baptist Church in March of 1985, with Rufus Bradley being the founding Pastor. Pastor Bradley has been preaching for 25 years and serving as Pastor for 20 years. He is a pioneer and believes in moving against his fears to do the will of God. He is a church transitional leader in leading through change by
experience. Pastor Bradley’s vision is to lead a ministry that will minister to the whole person. To put this vision into action, New Life today has established a separate arm called "Mission in the City" which is what they do to connect people to God. Presently, this arm is preparing to build a community building that will house programs to meet the intellectual, physical, spiritual and social needs of the people within its church community. The goal of New Life Ministries is to make a difference through affecting change and leaving a legacy that will outlast all of us.

On Friday, September 28, 2012, “Mission in the City” will be hosting a Community Development Banquet at the Horizon Conference Center, 6100 State St., Saginaw, Michigan starting at 5:30 p.m. Keynote Speaker for the occasion is Bishop Edgar L. Vann II, one of Detroit’s most influential community development pastors. His leadership and multi-disciplinary wisdom in ministry, music, business, corporate, civic and community engagement compliments his gifts in the Office of Bishop and as a pastor, teacher and friend. Bishop Vann is fully engaged as a leader both in the kingdom and in his city. He has preached extensively throughout the world bringing global kingdom impact to hurting hearts.

New Life Baptist Church is blessed with people and their passion to give back to their community. As Jackie Robinson (1919 - 1972 American baseball player) once said, “A life is not important except in the impact it has on others.” New Life Baptist Church has done just that.

The Saginaw County Board of Commissioners welcomes Bishop Vann to this celebratory occasion and congratulates the New Life Baptist Church on its dedication to “Mission in the City” and its unselfish and noble actions in helping their fellow man.

INITIATORY MOTIONS

Chair O’Hare asked if there were any matters from the floor.
Commissioner Ruth moved, supported by Commissioner Hadsall, to issue a formal Letter of Support to the Saginaw Valley Historic Preservation Society to aid in their efforts with the City of Saginaw and the Saginaw Valley Historic Preservation Society in setting aside an area around the entrance gate at the former Saginaw County Fair Grounds located at the intersection of East Genesee Avenue and Hess Street to create a new site for a County Fair Memorial Park. After discussion, a roll call vote was taken by the Clerk; the motion carried unanimously.

Commissioner Hanley informed commissioners that the Saginaw County Animal Care Center (SCACC) has been invited to participate in an RV and camper show at the Birch Run Expo Center this coming weekend, on September 22 and 23, and to bring with them animals from the shelter for adoption. Other dog-related entities such as therapy dogs, dog trainers, rescue groups and more will also participate. Attendance at this event will be an opportunity for the SCACC to be seen in a positive light in the eyes of the public. The event will be publicized in the media and by some area radio stations. Prior to being taken to the show, the dogs and cats will be given wellness exams, spaying and/or neutering surgery, full vaccinations, heartworm testing (dogs), deworming (dogs) and FeLV/FIV [Feline Leukemia Virus, Feline Immunodeficiency Virus] testing (cats). This is so they can be ready for “on the spot” adoption.

In order to cover these costs, the SCACC is asking that the adoption fees for these two days be increased to cover the additional expenses, and that in the event any animals remain that are not adopted at the end of these two days, that they be returned to the shelter and be adopted out by SCACC at the increased fees. No increased SCACC staff costs will be incurred and these fees will be revenue positive for the SCACC.

Commissioner Hanley moved, supported by Commissioner Hadsall, to approve the temporary fee changes as listed on the schedule provided. After discussion, the motion carried.

Your committee considered Communication No. 9-18-4 from Mr. John Schmude, Director, Saginaw County Parks & Recreation Commission, asking for approval of a resolution to accept a grant from the Michigan Natural Resources Trust Fund in the amount of $251,500 for development of a pathway parallel to Stroebel Road in James Township.

We met with Mr. Schmude who informed the committee that an application was submitted to the Michigan Natural Resources Trust Fund in the amount of $251,500 for development of a 6’ wide pathway parallel to Stroebel Road in James Township. A local match of $135,500 is being provided through local foundations for a total project cost of $387,000. With the development of this pathway, the project will make the 1.4 mile connection from the trail parking lot on Stroebel Road to the existing pathway on the west side of Center Road. No general fund monies will be used.

We agree with the request to approve the resolution and to accept a grant from the Michigan Natural Resources Trust Fund in the amount of $251,500. The resolution will be submitted under the regular order of business to accomplish same; further, that the proper County officials are authorized and directed to sign the necessary documents on behalf of the county, subject to review by the Controller as to substance and Counsel as to legal form.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1  SEPTEMBER 18, 2012

Your committee considered Communication No. 9-18-1 from the Honorable Chief Judge Robert Kaczmarek, 10th Judicial Circuit Court, asking to reinstate a Law Clerk at the same level of pay and benefits at the time she left employment in February 2012.

We met with the Honorable Judge Darnell Jackson who stated his Law Clerk submitted her resignation in February 2012 to concentrate on personal issues. Since that time she has resolved the reasons for leaving the Circuit Court and would like to be reinstated. The Law Clerk worked with Judge Jackson for six years prior to her departure and due to her extensive experience and knowledge she is fully trained and extremely competent in aiding the 10th Circuit Court and its functions. The court would like to reinstate this employee at the same rate of pay (I-08/Step 7) and benefits as at the time she left. Funding for this position is currently budgeted in the FY 2012 budget; therefore, no additional funds are needed.

We recommend the Saginaw County 10th Circuit Court be authorized to reinstate the Law Clerk at the same level of pay and benefits at the time she left employment in February 2012; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form.
Respectfully submitted,

KATHRYN WALLACE

“There’s one thing I always wanted to
do before I quit – retire!” ~ Groucho Marx

Kathryn Wallace began her career at Saginaw County on November 1, 1999 in 70th District Court – Civil Division as a Civil Clerk Cashier. On October 22, 2003 Kathryn accepted the position in the Equalization Department as Property Appraiser. Kathryn advanced to Deputy Director in Equalization on February 26, 2007 where she has worked until the present time. Kathryn is married to Frank Wallace. She is an avid fan of St. Patrick’s Day and gives updates on how many days are left in the year until Christmas. As of Kathryn’s last day on September 21, 2012 there are 94 days until Christmas 2012! She will most likely spend her down time relaxing, working on her house and having fun at the casino!
Kathryn’s absence from Saginaw County will leave a huge void as she will be taking a great wealth of knowledge with her. But of equal loss will be the attributes that Kathryn brought to public service – faithfulness, trustworthiness, constancy and compassion. Her dedication to Saginaw County, fellow co-workers and the public is unwavering.

Certificate of Recognition
40th Anniversary
Michigan JCI Senate

We Believe...
That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth’s great treasure lies in human personality;
And that service to humanity is the best work of life.
- C. William Brownfield

- 196 -
The Junior Chamber International (JCI) Senate was formed during the 1952 JCI World Congress in Australia. It took 20 additional years for the US JCI Senate to form, which it did at the 1972 National Jaycee Convention held in Atlanta, Georgia. Jim O’Connell, Illinois, was elected its first USJCI Senate President. The Michigan JCI Senate was officially launched on September 9, 1972, at the home of Chuck Nicholas in Eaton Rapids. Several Michigan Senators including Ray Huldin, Roger Lyons, Jim Willoughby, Dave Blakely and Chuck Nicholas were in attendance. Guests included USJCI President Jim O’Connell, Rep. Senators JCI Bob Drdak and Chic Lantz. The Michigan Senate reorganized the following February, electing Raymond “Doc” Huldin as its first president. The new by-laws and constitution were rewritten and adopted September 19, 1974. On October 2, 1974, the Michigan JCI Senate officially became affiliated with the United States Jaycee Senate. O’Connell informed the Michigan Senate of the newly formed national organization and requested Michigan's support. Ideas and programs for both the national and state groups were discussed and adopted.

The Michigan JCI Senate presently has a membership of over 400 and meetings are held in association with the Michigan Jaycees trimester meetings. Over the years, the MI JCI Senate has supported the Michigan Jaycees by providing a Speakers Bureau (now extinct), trainings and manpower for state-wide competitions and elections. Many Senators continue to be very involved in their local communities, as well. Membership to the MI JCI Senate is not open. Senatorships are awarded by local Jaycee chapters and it is the highest honor they can bestow upon a member. Each chapter has its own criteria for awarding a Senatorship but mostly it is presented to someone who has been an active Jaycee for five or more years and has served at local, state and/or national levels.

In Michigan's twenty five years the one thing that has never been forgotten was why they were formed and that which has always been in the forefront. "That the Brotherhood of Man Transcends the Sovereignty of Nations."

As Jackie Robinson (1919 - 1972 American baseball player) once said, “A life is not important except in the impact it has on others.” The Michigan JCI Senate has done just that.

The Saginaw County Board of Commissioners congratulates the Michigan JCI Senate on its 40th Anniversary and its unselfish and noble actions in helping their fellow man.

Sincerely,

Saginaw County

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COUNTY SERVICES -- 2.1          OCTOBER 16, 2012

Your committee considered Communication No. 10-16-9 from Mr. James Totten, Equalization Director, submitting the 2012 Tax Rate Requests - Form L-4029 for Saginaw County, filed by the various cities, townships, villages and school districts indicating the amount of millage to be spread, for all purposes, by the taxing entities within their jurisdiction. Attached hereto and made a part of this report is the schedule of tax levies to be spread upon the 2012 tax rolls of the respective jurisdictions. Said levies are expressed in terms of millage provided for in Section 37 of Act 347 of the Public Acts of 1968, as amended.

Mr. Totten informed us there are a number of taxing jurisdictions that have not submitted their L-4029 Millage Rate Request Forms. This will require the L-4029 to be amended at a later session. There are four ballot proposals on the November election that would also affect this report.

It is the recommendation of your committee that the 2012 Apportionment Report be approved pending the above-noted jurisdictions’ final millage rates.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1

October 16, 2012

Your committee considered Communication No. 10-16-11 from Michael Thomas, Saginaw County Prosecutor, asking to accept the Byrne Justice Assistance Grant (JAG) from the Michigan State Police Grants & Community Services Division, in the amount of $248,922.00 for a Major Crimes Prosecution Project.

We met with Mr. Thomas who informed the committee that the Michigan State Police is granting Saginaw County $248,922.00 for the FY 2013 period. This amount is expected to be renewed for the FY 2014 budget year. This grant is awarded to the Prosecutor’s Office to help reduce and prevent drug use, trafficking and crime in Saginaw County. This grant is a reimbursement-only grant and no county match is required.

We recommend the Saginaw County Prosecutor’s Office be authorized to accept the Byrne Justice Assistance Grant from the Michigan State Police, Grants & Community Services Division, in the amount of $248,922.00 for the FY 2013 period; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.2 - AMENDED - OCTOBER 16, 2012

Your committee considered Communication No. 10-16-3 from Tim Genovese, Emergency Management Coordinator asking to accept the FY 2012 Homeland Security Grant Program (HSGP) Grant Agreement package for Saginaw County, acting as fiduciary for Michigan Homeland Security Region 3.

We met with Mr. Genovese who informed the committee that Bay County was the fiduciary for Michigan Homeland Security Region 3 up to FY 2011 and wishes to no longer be fiduciary of any further Homeland Security Regional grants. Mr. Genovese stated if no county accepted the FY 2012 Michigan Homeland Security grant it would be returned to the State of Michigan; therefore, Saginaw County accepted the responsibilities of fiduciary.

The FY 2012 HSGP Grant is for $732,785.00 and would cover a fourteen (14) county region. The State Homeland Security Program (SHSP) is a core assistance program that provides funds to build capabilities at the state, local, tribal, and territorial levels, to enhance national resilience to absorb disruptions and rapidly recover from incidents, both natural and man-made, as well as to implement the goals and objectives included in state homeland security strategies and initiatives in the State Preparedness Reports. The grant amount must be spent by May 31, 2014. There is no general fund match.

We recommend the County of Saginaw/Emergency Management Office be authorized to accept the State of Michigan FY 2012 Homeland Security Grant Agreement in the amount of $732,785 and that Saginaw County thru the Sheriff’s Office, become the fiduciary for the Michigan Homeland Security Region 3, and accept the State of Michigan FY 2011 Homeland Security Grant Agreement in the amount of $1,467,482 and the associated Regional 2011 Citizens Corps Grant for $26,539, further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

Your committee considered Communication No. 10-16-6 from William L. Federspiel, Sheriff, asking to accept the FY 2013 Office of Highway Safety Planning Grant in the amount of $207,648.00 to support two deputies including vehicle maintenance and operations costs.

We met with Sheriff Federspiel who informed the committee the grant will be used to support wages and equipment for two Deputies assigned to provide traffic and accident enforcement on secondary roads in Saginaw County. There are no local matching funds required.

We recommend the Sheriff’s Office be authorized to accept the FY 2013 Office of Highway Safety Planning Grant in the amount of $207,648.00 to support two deputies including vehicle maintenance and operations costs; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

OCTOBER 16, 2012

Your committee considered Communication No. 10-16-6 from William L. Federspiel, Sheriff, asking to accept the 2012 Byrne Justice Assistance Grant (JAG) through the U.S. Department of Justice (DOJ).

We met with Undersheriff Karl, who indicated the JAG allocation has been made to Saginaw County and the City of Saginaw. Because the DOJ has designated the above-named units as disparate jurisdictions, Saginaw County must, as fiscal agent, submit a joint application for the total eligible allocation of $117,438.00. The joint application must specify the award distribution to each unit of government, the purpose for which the grant funds will be used, and signed Memorandums of Understanding.

We recommend the Sheriff and/or his designee be authorized to accept the 2012 Byrne Justice Assistance Grant (JAG) grant from the Department of Justice in the amount of $117,438.00; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

Your committee considered recommendations from the Animal Control Director Hiring Committee, regarding selection of an Animal Control Director due to the resignation of the previous Director on August 13, 2012.
Approximately thirty-three individuals applied for the Animal Control Director position and after careful review and evaluation of all applications, eleven were selected to interview. The Animal Control Director Hiring Committee indicated they have completed their interview process and have selected Mr. Kevin Wilken for the position of Animal Control Director. Ms. Susan Kelly was the committee’s second choice to fill the position.
We recommend filling the position of Animal Control Director with Mr. Kevin Wilken, being hired at Step 1 of the pay scale with benefits consistent with the UAW Manager’s Agreement and contingent upon a pre-employment background check. If Mr. Wilken does not accept the position, the position will be offered to candidate #2, Ms. Susan Kelly, at Step 1 of the pay scale with benefits consistent with the UAW Manager’s Agreement and contingent upon a pre-employment background check. If neither of the candidates accepts the position, the matter will be taken up by the Animal Control Director Hiring Committee.

Your Labor Relations Subcommittee considered Communication No. 10-16-13 from Jennifer Broadfoot, Personnel Director, asking for approval of the wage schedule for the Detention Youth Team Specialist position at Circuit Court Family Division.
At the June 19, 2012 Board of Commissioners meeting the Board approved the addition of the Detention Youth Team Specialist position factored at a T-13 level. In the current Collective Bargaining Agreement between the County and the Governmental Employees Labor Council (GELC) that represents the position, there is not a current salary range established for a T-13 classification. As a result, the parties met and have agreed on the following range:

<table>
<thead>
<tr>
<th></th>
<th>Start</th>
<th>6 Months</th>
<th>1 Year</th>
<th>2 Years</th>
<th>3 Years</th>
</tr>
</thead>
<tbody>
<tr>
<td>T-13</td>

<td>$33,846.33</td>
<td>$35,171.33</td>
<td>$36,578.19</td>
</tr>
</tbody>
</table>
This range was established based upon the already established classifications of T-11 Detention Youth Care Specialist and a T-14 Detention Supervisor. As the County and the GELC are in agreement, we submit the foregoing for approval and direct the proper County officials to make the necessary budgetary adjustments in the departmental budget.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.2 OCTOBER 16, 2012

Your Labor Relations Subcommittee considered Communication No. 10-16-8 from Barbara L. Mausolf, County Treasurer, forwarded through County Services Committee, requesting elimination of the position of Assistant Foreclosure Specialist (T11) and replacing it with a position of Property Tax Specialist/Foreclosure and Audit (T15).

We met with Treasurer Mausolf who indicated that with the increase in the number of people in tax forfeiture, it is imperative that a second individual is available to meet with property owners and work with them to avoid tax foreclosure. There is a need to keep people in their homes because there is no tax revenue if the property is foreclosed upon and becomes vacant.

We recommend approval to eliminate the position of Assistant Foreclosure Specialist (T11) and replace it with the position of Property Tax Specialist/Foreclosure and Audit (T15) to be paid from the Forfeiture/Foreclosure Fund with no cost to the General Operating Fund.

Proclamation
National Pro Bono Celebration
October 21 – 27, 2012

Every day, lives are changed when our poorest and most vulnerable citizens gain access to the legal system.

Whereas, When the Standing Committee on Pro Bono and Public Service announced its plans for the first National Pro Bono Celebration, questions were raised about the value of a nationally coordinated strategy for recognizing pro bono legal representation across the country. The Pro Bono Committee believed strongly that the initiative, focusing on local projects held during a designated timeframe, would capture the interest and energy of the legal community. That confidence has borne fruit: in the past three years, hundreds of event sponsors and individuals supported and coordinated more than 2000 exciting and well-attended events in 48 states, Puerto Rico, the District of Columbia and Canada; and,

Whereas, The confluence of two circumstances made the timing of the National Celebration of Pro Bono particularly important: the increasing need for pro bono services as economic conditions worsened, and the unprecedented response of attorneys to meet this need. Although national in breadth, this initiative provides an opportunity for legal organizations across the country to collaboratively commemorate the vitally important contributions of America’s lawyers and to recruit and train the many additional volunteers required to meet the growing demand; and,

Whereas, Access to justice is a fundamental and essential right to a democratic society. Many people cannot afford the high cost of legal representation they need to protect their lives and cannot proceed on their own without an attorney. The innumerable contributions of volunteer attorneys enable many people to obtain legal assistance they could not otherwise obtain.

Now, Therefore, Be It Resolved, That the Saginaw County Board of Commissioners recognizes the week of October 21 – 27, 2012 as National Pro Bono Celebration Week, commends Michigan attorneys for their ongoing pro bono contributions, and reminds all members of the Bar that by engaging in pro bono work and providing financial support they can make a significant difference in the lives of Michigan’s poor who would not otherwise have access to the legal system.

In Witness Whereof, The seal of the County of Saginaw will be affixed and the proclamation adopted by the Board of Commissioners on the 16th day of October in the year of our Lord two thousand twelve.

Sincerely,

Saginaw County
Board of Commissioners

LaRunja Frills-Brown was born in Detroit, MI. She spent her early childhood in the Chicago area, but eventually moved to Saginaw after her mother relocated the family for a “fresh start.” LaRunja is the only girl in her family as well as being the oldest of three siblings. Her experience as an adolescent in a single parent household would later have a large impact upon the development of LaRunja’s value systems and the character traits she exhibits today.

LaRunja excelled throughout her entire school career. At 16 years old, she graduated from Arthur Hill High School in Saginaw, Michigan in the top 50th percentile of her class. She also had the credit of being the youngest graduating student that year. LaRunja’s career began at Butman-Fish Library in a page position and quickly advanced to her current position as a Clerical Library Assistant.
She currently holds the title of Chapter President of the Union of Clerical Assistants. While working at the library, LaRunja also took classes working towards her Associates Degree in Business Management and Registered Nursing at Delta College. During this time, she met and married Tyrell Brown and has one son, Tyrell Brown, Jr.

LaRunja’s dedication to her family, education and job is apparent in her desire to give back to the community. Through donations to the United Way of Saginaw, Food Bank of Eastern Michigan or shelters, she has given anything she could spare because of her belief in helping others. Her motivation is a gratitude for the generosity shown her when she had experienced times of struggle and need in her own life. Passing on the mission of giving to others has become a priority for her.

It is through her faith that she has persevered during challenging times in her past as well as the everyday hurdles that she encounters in her daily life. LaRunja and her family are regular worshippers at Pray Room Ministries in Saginaw, Michigan.

LaRunja has carried out the Women’s Progressive Club motto: “Lifting as We Climb.” The Saginaw County Board of Commissioners takes this opportunity to acknowledge LaRunja Brown as recipient of the Mary Church Terrell Club Woman of the Year Award and join the Women’s Progressive Club, family and friends in wishing her the best in her future endeavors.

On Saturday, November 10, 2012 at Trillium Banquet Center, The Women’s Progressive Club of Saginaw, Chapter of the Michigan State Association and the National Association of Colored Women’s Clubs, Inc., will celebrate its 54th Annual Honors Scholarship & Awards Banquet.

Keva Clark is a testimony of faith in action. During her undergraduate experience, she faced and overcame many challenges such as divorce and becoming a single mother with one of her children being diagnosed with Autism Spectrum Disorder, Asperger’s. Throughout her experience she never lost sight of her goal – to successfully complete her Bachelor’s Degree in Education and in the Public Communications field. She knew that completing her undergraduate program was going to be the key to her success and would help her move past those challenges.

Keva began her career in education in 1995 when she was invited to be a part of Saginaw Public School’s Grown Your Own Teacher Program at Houghton Elementary School and in 1998 to serve as the school’s Librarian. During this time she completed her first B.A. majoring in Sociology and Communications from Saginaw Valley State University. Keva then accepted a position as a Family Assessment Worker with the Birth through Five Educational Program, still serving within Saginaw Public Schools. When the funding for this position expired, she then opened her own business, KC Divine Christian Entertainment, as well as continuing to teach. Keva completed the Teachers Certification Program in Communications in 2009.
She currently serves as the Performing Arts Director for Francis Reh Academy and Academic Interventionist. She is coined Saginaw’s only female Gospel Promoter. She has booked national and international gospel celebrities since 2005 and has organized special events, galas for local physicians, youth conferences, summits and concerts throughout the City of Saginaw. She has been a faithful member for 17 years at Word of Faith International Ministries where she serves as the Public Relations Coordinator.

In the Fall of 2012, Keva was accepted into Graduate School and awarded the King Chavez Parks Future Faculty Scholarship from Saginaw Valley State University. Her goal is to complete her Masters in Educational Leadership in May 2013. Keva has one daughter, Kolby, and one son, Timothy. Keva has carried out the Women’s Progressive Club motto: “Lifting as We Climb.” The Saginaw County Board of Commissioners takes this opportunity to acknowledge Keva E. “I developed the belief that I spent so much time being part of the problem in Saginaw that I owed it to my community to do whatever I can to right my wrongs.” ~ Bob Johnson ~

On Saturday, November 10, 2012 at Trillium Banquet Center, The Women’s Progressive Club of Saginaw, Chapter of the Michigan State Association and the National Association of Colored Women’s Clubs, Inc., will celebrate its 54th Annual Honors Scholarship & Awards Banquet.

Bob Johnson’s accomplishments have not come easily to him but he has turned bad situations in to good. Bob grew up in Saginaw, Michigan as the oldest of five brothers and sisters. He attended Saginaw Public Schools until dropping out in the 11th grade. He later obtained his GED. Bob spent most of his teen years and his 20’s in and out of trouble. He was involved in gangs, drugs and guns. Bob had been in and out of prison and even shot three times. Just when Bob thought he was on the right track, he got sucked back into the lifestyle.

In 2008, his house was raided by officers looking for drugs and guns. They found both. Bob sat in jail for about a month before bonding out. He made the decision that he needed to make a real commitment to change. He became involved with some very positive people who taught him how to rid his life of negativity. Once he committed himself to putting his life on the right path, things started to turn for the better. Bob developed the belief that he spent so much time being part of the problem in Saginaw that he owed it to his community to do whatever he can to right his wrongs. He enrolled in Delta College and started Communities Working 2gether (CW2), a non-profit organization. CW2 mobilizes those in the community who are looking to become part of the solution in Saginaw. It connects people with information about volunteering, education and job opportunities. Its goal is to increase the resources and opportunities people have to succeed while decreasing the opportunities they have to fail.
Bob graduated from Delta College’s Electronic Media Broadcasting Program in 2010 and is currently attending Northwood University. Any spare time is used to volunteer, mentor and helping others. He is a graduate of SVAALTI, Leadership Saginaw, 1,000 Leaders, Henry Marsh Institute of Public Policy, Delta College Leadership Academy, board member on Operation Reach and sits on numerous community committees. Bob also received the Student Champion for Diversity Award, Caroline Wirtz Leadership Award, Wesley C. Timm Social Science Award and the Hugo Ted Braun Award for Excellence in Community Service Award.

Bob has carried out the Women’s Progressive Club motto: “Lifting as We Climb.” The Saginaw County Board of Commissioners takes this opportunity to acknowledge Bob Johnson as recipient of the Hazel Wright Community Service Award and join the Women’s Progressive Club, family and friends in wishing him the best in his future endeavors.

By Commissioner Krafft, supported by Commissioner Hanley, that the Minutes of the Appropriations Committee meeting be received and made a part of this day's session with the nays so noted. Carried.
November 23, 2004 with a 25-year maturity schedule with interest rates at 5.00%. The 2004 Bond Issue allowed for renovation of the facility.

The request to refund the bonds has been costed out at current market rates for limited tax full faith and credit governmental obligation bonds. Such calculations indicated that the refunding of the bonds could save over $2,500,000 during the remaining life of the bonds.

We have determined it is in the best interest of the County to proceed with the refunding process and adopt the associated Resolution to Authorize Refunding of HealthSource Saginaw Inc. Bonds as included under the regular order of business. Upon that approval, the issue will be let to the market. In the event that savings are significant enough to issue refunding bonds, they will be so issued.

Respectfully submitted,

Your committee considered Communication No. 11-20-2 from John Schmude, Director, Saginaw County Parks & Recreation Commission, on behalf of PRIDE in Saginaw, Inc. Holidays in the Heart of the City Committee, requesting authorization to place an evergreen tree and plaque in Borchard Park honoring Mr. James McIntyre.

Mr. McIntyre was a man of great character and personal integrity, who passed away June 17, 2012 at the age of 73. He had been a dedicated servant to the Saginaw Community for years. He was responsible for building the gazebo on Ojibway Island, he helped finance a new roof on St. Andrew’s Catholic Church, 612 N. Michigan, and he was a key organizer and participant with the Saginaw Area Fireworks, P.R.I.D.E. and Holidays in the Heart of the City celebrations.

We recommend approval to place an evergreen tree and plaque in Borchard Park honoring Mr. James McIntyre, as outlined above; further, that the proper County officials be authorized to facilitate the project.

FROM: COMMITTEE ON COUNTY SERVICES -- 2.2  NOVEMBER 20, 2012
Your committee considered Communication No. 11-20-4 from Jim Totten, Equalization Director, requesting approval of Amy L. DeHaan to provide required contracted services as a Level IV Michigan Master Assessing Officer (MMAO) for Saginaw County.
Mr. Totten informed the committee that because of the County’s SEV level, the State is requiring the County to utilize the services of a Level IV Assessor. Saginaw County contracted with Ms. Mary Cornell in November 2009; unfortunately, the services she provided from this previous agreement came to an end with her resignation.

After interviewing several individuals who expressed interest in this position, Mr. Totten recommends the hiring of Amy L. DeHaan for the position. Ms. DeHaan currently serves as Traverse City Level IV Assessor and with her expertise will aid Saginaw County in meeting the State’s requirements.
Ms. DeHaan is a certified Level IV Assessor who has proven experience in county government. She would prepare and/or supervise the preparation of all reports/services requiring Level IV certification for a sum not to exceed $25,000 per year. Mr. Jim Totten, Saginaw County Equalization Director, would continue to oversee the daily operations of the Department. Funds have been included in Equalization’s activity of the General Fund.

We recommend the contract with Amy L. DeHaan for Level IV Assessor services be approved for a two-year period beginning December 1, 2012 through November 30, 2014 as outlined above; further, that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Counsel as to legal form.

FROM: COMMITTEE ON COUNTY SERVICES -- 2.4  

Your committee considered verbal communication from Commissioner Eddie Foxx, asking to place a large ribbon on the Courthouse lawn to commemorate World AIDS Day on Saturday, December 1, 2012.

On this World AIDS Day, as we approach the thirty-second year of the HIV/AIDS pandemic, we reflect on the many Americans and Saginaw residents who have lost their lives to this devastating disease, and pledge our support to the millions of people worldwide living with HIV/AIDS. We also recommit to building on the great strides made in fighting HIV, to preventing the spread of the disease, to continuing our efforts to combat stigma and discrimination, and to finding a cure.

The Saginaw County Board of Commissioners hereby designates Saturday, December 1, 2012 as World AIDS Day and urges all citizens to take part in activities and observances designed to increase awareness and understanding of HIV/AIDS as a global and personal challenge, and to help decrease societal stigma that perpetuates the spread of this life changing disease.

We recommend the proper County officials be authorized and directed to facilitate the use of the front lawn of the County Governmental Center and to place the World AIDS Day ribbon on the Courthouse lawn.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1

Your committee has considered Communication No. 11-20-14 from William L. Federspiel, Sheriff, requesting the addition of a Lieutenant position to serve as EOC Division Commander/EOC Director (Lieutenant) and coordinate all matters pertaining to emergency management, disaster preparation and recovery assistance within Saginaw County.

In September 2012 the Board of Commissioners approved actions that place the oversight of the Office of Saginaw County Emergency Management under the direction of the Saginaw County Sheriff’s Office. This action became effective October 1, 2012. On October 24, 2012 the current Director of Emergency Management notified the County that he would be stepping down from that position November 9, 2012. The Sheriff’s Office has been working hard to absorb these duties and fill the appropriate staffing positions. After careful review and deliberation, the Sheriff’s Office has determined that Lieutenant Paula S. Lounsbury is the most qualified person with the highest potential to serve in the position. In addition, the Sheriff’s Office has submitted a revised job description more appropriate for serving under the direction of the Sheriff’s Office.

The Emergency Management Act, Act 390 of 1976, Section 9 (MCL 30.409) mandates that the County Board of Commissioners appoint a County Coordinator (Emergency Management Director) responsible for emergency management. Therefore, it is the recommendation of this committee that Lieutenant Paula S. Lounsbury be designated as the EOC Division Commander/EOC Director (Lieutenant) effective immediately.

NOVEMBER 20, 2012
Your Budget/Audit Subcommittee considered Communication No. 11-20-16 from Marc A. McGill, Controller/CAO, asking for approval of a Resolution and Notice of Intent to Issue Bonds to finance the county’s unfunded pension liability for its defined benefit plan retirement program.

In October 2012, the Michigan Legislature enacted and Governor Snyder signed into law amendments to the Revised Municipal Finance Act (2001 PA 34 or “Act 34”). Together these amendments became Public Act 329 of 2012. This Act authorizes local units, such as counties, to issue bonds in connection with unfunded pension liabilities. By utilizing this Act and financing our unfunded defined benefit pension liabilities, the county can achieve capping costs at a fixed rate and paying less over the life of the payments due than we would otherwise.

It is the recommendation of this committee that the Resolution with attached Notice of Intent to Issue Bonds, submitted under the regular order of business, be approved.

Respectfully submitted, Suzy Koepplinger, Board Coordinator

By Commissioner Woods: That Committee Compensation Report(s) 5.1, 5.2 and 5.3 be received, not read, and the recommendations contained therein adopted. Approved.

FROM: EXECUTIVE COMMITTEE – 6.1

Your Executive Committee considered Communication No. 11-20-17 from James Totten, Equalization Director, requesting amendment of the 2012 Apportionment Report.

The Board approved the 2012 Apportionment Report for Saginaw County at its October 16, 2012 Session. At that time, the County Services Committee reported (10-16-2.1) that amendments would be needed to reflect the results of four ballot proposals that had millage requests to be decided; and to incorporate the information from several taxing units that had not yet submitted their millage request form. Mr. Totten agreed to forward an amended report as soon as possible after the information was received in order to provide the report to the state in a timely manner.
The information for the amended Report was not available at the time the County Services Committee met for its regular meeting. To avoid calling a special meeting for this one item, Chairman Ruth asked the Executive Committee for its review; Chairman O’Hare concurred.

We met with Mr. Totten to review the additional millage rate information, and find same to be in order. We, therefore, recommend the 2012 Amended Apportionment Report for Saginaw County be approved as attached. *(Changes are shown in bold)*

Respectfully submitted,

EXECUTIVE COMMITTEE
Michael P. O’Hare, Chair
Timothy M. Novak, Vice-Chair

*By Commissioner O’Hare: That the Report of the Committee is received and the recommendations contained therein are adopted. Approved.*

There shall be levied upon the tax rolls of the County in each year a sum not less than the amount estimated to be sufficient to pay the principal of and interest on the Refunding Bonds as the same shall become due, the probable delinquency in collection and any net revenues derived from the operation of HealthSource Saginaw, Inc. (but only to the extent that the Board of Trustees of the Corporation determines to make such net revenues, if any, available for such payment), being taken into account in making such estimate. Taxes required to be levied to meet the principal and interest obligations shall be without limitation as to rate or amount.

3. The Refunding Bonds shall contain such terms and shall be sold to the purchaser as determined by the Board of Trustees of the Corporation.

The County hereby covenants and agrees that it will comply with and carry out all the provisions of the Continuing Disclosure Certificate.

UNFINISHED BUSINESS

FROM: COMMITTEE ON APPROPRIATIONS -- 4.2  
OCTOBER 16, 2012

Your Labor Relations Subcommittee considered Communication No. 10-16-8 from Barbara L. Mausolf, County Treasurer, forwarded through County Services Committee, requesting elimination of the position of Assistant Foreclosure Specialist (T11) and replacing it with a position of Property Tax Specialist/Foreclosure and Audit (T15).
We met with Treasurer Mausolf who indicated that with the increase in the number of people in tax forfeiture, it is imperative that a second individual is available to meet with property owners and work with them to avoid tax foreclosure. There is a need to keep people in their homes because there is no tax revenue if the property is foreclosed upon and becomes vacant.
We recommend approval to eliminate the position of Assistant Foreclosure Specialist (T11) and replace it with the position of Property Tax Specialist/Foreclosure and Audit (T15) to be paid from the Forfeiture/Foreclosure Fund with no cost to the General Operating Fund.
Respectfully submitted,

Elizabeth Dugan began her career at Saginaw County in 1981 as a Clerk Typist II through a grant. Elizabeth worked for Dennis Brieske in the Michigan Works area. She was hired full-time in 1982 as a Typist Clerk with the Friend of the Court. In 1984, Elizabeth resigned from full-time work at the Friend of the Court and began part-time work in this department along with working part-time at General Motors at the same time. Elizabeth decided to leave Saginaw County in 1985 and work full-time for General Motors. The year 1989 brought Elizabeth back to Saginaw County as a permanent employee working as a Typist Clerk with the Friend of the Court and in 1990 her position was reclassified to Support Specialist. She has worked in this position until the present time. Elizabeth’s absence from Saginaw County will leave a huge void as she will be taking a great wealth of knowledge with her. But of equal loss will be the attributes that Elizabeth brought to public service – faithfulness, trustworthiness, constancy and compassion. Presented to: Saginaw County Prosecutor Michael D. Thomas

“It has been my distinct honor and privilege to serve the citizens of Saginaw County for the last 23 years as your elected Saginaw County prosecuting attorney,” Thomas stated. “Thanks to all those in law enforcement who share our commitment and responsibility to seek justice in Saginaw County,” he continued. “Thanks also to the thousands of Saginaw citizens who daily do their best to make this a better community.”

Since becoming Saginaw County Prosecutor in 1989, Michael D. Thomas has prosecuted over 125,000 criminal cases, was Chief Law Enforcement Officer in one of America’s most violent cities and prosecuted some of Saginaw County’s most heinous criminals including Steven King, Shytour and August Williams, Michael Perry and most recently, Kenneth Bluew. Mr. Thomas made a concerted effort to reach out to Saginaw County’s diverse community to address the issues of crime and how to make it a safer place to live. He made crime victim rights a focal point of his administration by addressing the needs and concerns of crime victims. His office has provided victim assistance to over 50,000 crime victims and obtained over $1,500,000 on behalf of crime victims from the Crime Victims Compensation Commission.

Mr. Thomas has been a leader in Saginaw County and the State of Michigan, fighting against crime and protecting the rights of crime victims. He worked diligently with the late, Senator William VanRegenmorter in getting Truth-In-Sentencing legislation passed. Mr. Thomas was the first prosecutor in the State of Michigan to obtain a restitution order under the William VanRegenmorter Crime Victim Rights Act for the murder of a crime victim who could have been claimed as a dependent on his parent or guardian’s income tax return, obtaining $190,000 court ordered restitution. He is also the first Saginaw County Prosecutor to hold a community event to honor crime victims and crime victim service providers with over 400 citizens in attendance.

He has testified at hundreds of legislative hearings in the State of Michigan to enhance and protect the rights of crime victims and to hold violent offenders accountable for their actions, in such matters as Truth-In-Sentencing and juvenile lifers. Mr. Thomas is a champion on behalf of crime victims, providing an open door policy to crime victims and resolving the problems they have within the criminal justice process.

Mr. Thomas has promoted the policy of giving and charity to those less fortunate in the Saginaw County community by providing gift and food baskets to local families and adopted an elementary school for Christmas providing over 90 winter coats to small children who needed them.

Michael D. Thomas’s absence from Saginaw County will leave a huge void as he will be taking a great wealth of knowledge with him. But of equal loss will be the attributes that Mike brought to public service – faithfulness, trustworthiness, constancy and compassion. FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1

Your committee has considered Communication No. 12-18-8 from Kevin Wilken, Animal Control Director, asking approval to purchase a computer software program and two new computers for the Animal Care Center.

We met with Mr. Wilken who stated the Animal Care Center is in dire need of a computer system to enhance stronger dispatch, animal licensing, intake and transfers, inventory and accounting functions. In addition to the organizational functions, the computer program will have an adoption website included in the package. Mr. Wilken also requested to purchase two new computers for the center as the current computers and systems are extremely outdated. Funding is available within the Animal Care Center 2013 budget and no general fund money will be used.

We recommend the Saginaw County Animal Care Center be authorized to purchase a computer program and two new computers; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County.

Your committee has considered Communication No. 12-18-4 from William L. Federspiel, Sheriff, asking to accept a grant from the Competitive Grant Assistance Program (CGAP), formally known as the Economic Vitality Incentive Program (EVIP), for $881,944.00 for Region III, Jail Records Management Cooperative Initiative.

We met with Sheriff Federspiel who explained the Competitive Grant Assistance Program. The program is to provide incentive-based grants to cities, villages, townships, and counties that elect to combine government operations. The grant is to offset the costs associated with mergers, inter-local agreements, and cooperative efforts for cities, villages, townships, and counties that elect to combine government operations. Saginaw County will be utilizing the grant for the Area Records Management Department and assisting other counties as well.

It is our recommendation that Saginaw County accept the $881,944.00 grant, if awarded, for Region III, Jail Records Management Cooperative Initiative and a Resolution to accomplish same. The Resolution will be submitted under the regular order of business.

Respectfully submitted,

Your committee has considered Communication No. 12-18-7 from William L. Federspiel, Sheriff, asking for approval to create two new positions in the Emergency Operations Center of Accountant II and Purchasing Coordinator.

We met with Sheriff Federspiel, who stated the County of Saginaw/Emergency Management Office accepted a State of Michigan FY 2012 Homeland Security Grant in the amount of $732,785.00 and that Saginaw County, thru the Sheriff’s Office, became the fiduciary for Michigan Homeland Security Region 3, and the State of Michigan FY 2011 Homeland Security Grant in the amount of $1,467,482.00 and the associated Regional 2011 Citizens Corps Grant for $26,539.00.

The Sheriff is requesting the addition of two (2) new part-time positions in the Emergency Operations Center; (1) Accountant II and (2) Purchasing Coordinator. The job descriptions were sent to Labor Relations Subcommittee for approval and will be placed on file in the Controller’s Office and the positions will be forwarded to the Factoring Committee for evaluation in accordance with County Policies and Procedures.

We recommend the addition of Accountant II (Region III Homeland Security Grant) and Purchasing Coordinator (Region III Homeland Security Grant) to the personnel complement of the Emergency Operations Center within the Sheriff’s Office and to adjust the budget accordingly.

FROM: EXECUTIVE COMMITTEE – 6.1

Your Executive Committee considered applications for the position of Controller/CAO due to the retirement of the current Controller effective February 28, 2013. Approximately eleven (11) individuals applied for the Controller/CAO position and after careful review and evaluation of all applications, three (3) candidates were selected to interview. The Executive Committee has completed its interview process and has selected Mr. Robert V. Belleman for the position of Controller/CAO.

We recommend offering the position of Controller/CAO to Robert V. Belleman, contingent upon fulfilling pre-employment requirements. Further, the committee recommends that Commissioners Krafft and Hanley, together with Civil/Labor Counsel, work with Mr. Belleman to negotiate a contract, said contract to be presented at the earliest Board meeting in January 2013.
If Mr. Belleman does not accept the position, the two other candidates, George Martini and Franklin Peterson, will be offered the opportunity to be interviewed. If neither of the remaining candidates accepts the position, the process will begin again by the Executive Committee.
