Since Carl became Chair  
He’s lost all his hair  
Because he listens to us  
When we complain and some cuss  
But he’s a patient man  
Right down to the ground  
He navigates well, on this merry-go-round  
He’s balanced and calm  
He’s grounded and cool  
But I wonder why he continues  
He doesn’t seem like a fool  
No, I know why Carl continues  
To guide this loose clan  
Because he loves his County  
He’s that kind of Man  
So as we raise up our glasses  
With a cup of good cheer  
Let’s toast to our Chair Carl  
And a Happy New Year

By Commissioner Theisen, seconded by Commissioner Harris: That the Board adjourn. Motion carried. Thereupon the Board adjourned at 5:09 p.m.

On January 12, 2018 Animal Care & Control Officers teamed up with the Destination Imagination Project and seven bright kids from Hemmeter Elementary. The focus was aimed at education concerning animals being left outside during inclement weather. Three (3) Animal Control Officers would spend the night in doghouses made by Saginaw Correctional Facility Inmates. One Officer had straw, a heated water bowl, and a light; the second Officer had only blankets, scraps of food and was chained; and the third Officer had no shelter at all.

Officers struggle daily in the field, seeing dogs tethered to houses, some having no shelter at all and at times recovering the dogs that didn’t make it. They wanted to raise awareness in the community and have personal experience to share with animal owners. With almost perfect timing, Destination Imagination, Inc. reached out. Animal Control presented the kids with the idea and they were eager to take on the challenge. The kids would monitor the Officers all night, checking temperature, heart rate, blood pressure, and the physical stresses of being outside.

Upon announcement of the event, Animal Care & Control received immediate support from the community. Several local businesses came forth to outfit the Officers and provided silent auction items to raise money for the event and the animals. Project Underdog teamed up to also bring awareness. Project Underdog is an organization in Saginaw that works with outdoor animals to provide shelter, food, straw, and education. Apple Mountain Resort provided an excellent venue for the event. Officers began at 6:00 p.m. and stayed outside until 8:00 a.m. the following morning. Temperatures dipped to -15° below with the wind chill. One Officer wore a 40 pound chain and was unable to endure the challenge after three (3) hours and had to be brought inside. The Officer with
no shelter was .6 degrees from being pulled for hyperthermia. He began to fall asleep and was only allowed to continue after moving around to bring up his body heat. The Officer with blankets made it thru the night. He walked to stay warm. An ambulance was on site and monitored the Officers for the entire evening. By the next morning, the kids had gathered valuable statistics, but the impact of the study was so much more. These kids and Officers had touched the hearts of animal lovers worldwide. The story was circulated as far as Ireland, U.K., Israel, Germany, and Canada. What began as a compassionate study exploded into an opportunity to present the world with what the impact the weather has on animals.

The Saginaw County Board of Commissioners congratulates Animal Care & Control for its willingness to team up with Destination Imagination Project and seven bright kids from Hemmeter Elementary. You have left an everlasting impact on the community and have reached people worldwide who have learned why it is important to be respectful of animals and to assume responsibility for their wellness. Cruelty is not an option – and certainly not an option without consequence.

Destination Imagination Inc. is a leading educational non-profit dedicated to teaching students the skills needed to succeed in school, their careers and beyond. It develops project-based learning programs that blend STEM (science, technology, engineering and mathematics) education with the arts and social entrepreneurship. Through its programs, students use the creative process to turn their ideas into reality and learn invaluable skills. This year, seven (7) 5th graders from Hemmeter Elementary in Saginaw, Michigan visited Saginaw County Animal Care & Control to search for their Service Learning Challenge.

Officers struggle daily in the field, seeing dogs tethered to houses, some having no shelter at all and at times recovering the dogs that didn’t make it. They wanted to raise awareness in the community and have personal experience to share with animal owners. With almost perfect timing, Destination Imagination reached out. Animal Control presented the kids with the idea and they were eager to
take on the challenge. The kids would monitor the officers all night, checking temperature, heart rate, blood pressure, and the physical stresses of being outside.

On January 12, 2018 the Destination Imagination Project and seven bright kids from Hemmeter Elementary teamed up with Animal Care & Control Officers. The focus was aimed at education concerning animals being left outside during inclement weather. Three (3) Animal Control Officers would spend the night in doghouses made by Saginaw Correctional Facility Inmates. One Officer had straw, a heated water bowl, and a light; the second Officer had only blankets, scraps of food and was chained; and the third Officer had no shelter at all.

Throughout the evening, the team checked the vitals of the Officers, the outside temperature, the temperature inside the houses, as well as the time it took the water to freeze. There came a point in which the medical equipment wouldn’t work outside due to the temperature so the officers were brought to the door to check their vitals. Their temps dropped to dangerously low levels -.6° from hypothermia in one case. The Officer with the chain around her neck had to drop out of the experiment due to the fact that the chain was causing too much pain and she couldn’t feel her arms.

At the end of the event, it was determined through the data collected that all of the vitals for all of the Officers dropped throughout the evening. Not only had the vitals dropped, but the Officers were unable to do things like critically think, and they failed many of their dexterity tests. One of the students made a great point – the Officers knew at some point they would be going inside. The animals for which we are trying to be a voice do not know that. They have nothing to look forward to. So not only is it physically crippling for the animals, it’s mentally debilitating as well.

The Saginaw County Board of Commissioners congratulates the seven (7) bright kids from Hemmeter Elementary and Destination Imagination, Inc. on their hard work. You have left an everlasting impact on the community and have reached people worldwide who have learned why it is important to be respectful of animals and to assume responsibility for their wellness. Cruelty is not an option – and certainly not an option without consequence.

Your committee considered Communication No. 2-20-11 from Lisa Stoffel, Director, Animal Care & Control Center, requesting approval to enter into an agreement with William Kibbe & Associates for $62,930 from the Public Improvement Fund to cover additional expenses related to obtaining a cost estimate, surveys, and specialty architectural services for the construction of a new shelter.
We met with Ms. Stoffel who indicated the urgency for this request is to enter into the agreement this month to allow the contractors and architectural company to get the information back to us prior to the March deadline for millage consideration. The cost has increased to $62,930 due to actual figures received from William Kibbe & Associates.
We recommend approval to enter into an agreement with William Kibbe & Associates for $62,930 from the Public Improvement Fund to obtain a cost estimate, surveys, and specialty architectural services for the construction of a new shelter.

Commissioner Krafft offered the following resolution and moved for adoption. The motion was seconded by Commissioner Dwan.
WHEREAS, the Board of Commissioners of the County of Saginaw (the "County") has heretofore adopted a resolution establishing the Saginaw County Delinquent Tax Revolving Fund (the "Fund") pursuant to Section 87b of Act No. 206, Public Acts of Michigan, 1893, as amended ("Act 206"); and,

WHEREAS, the purpose of the Fund is to allow the Saginaw County Treasurer (the "County Treasurer") to pay from the Fund any or all delinquent real property taxes that are due and payable to the County, the State of Michigan and any school district, intermediate school district, community college district, city, township, special assessment district or other political unit for which delinquent tax payments are due; and,

WHEREAS, it is hereby determined to be necessary for the County to borrow money and issue its notes for the purposes authorized by Act 206, particularly Sections 87c, 87d and 87g thereof; and,

WHEREAS, it is estimated that the total amount of unpaid 2017 delinquent real property taxes (the "delinquent taxes") outstanding on March 1, 2018, will be approximately $16,337,088 exclusive of interest, fees and penalties.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the County of Saginaw, State of Michigan, as follows:

Authorization of Borrowing

1. Pursuant to and in accordance with the provisions of Act 206, Public Acts of Michigan, 1893, as amended, and especially Sections 87c, 87d and 87g thereof, the County shall borrow the sum of not to exceed Fifteen Million Dollars ($15,000,000) and issue its notes (the "notes") therefor for the purpose of continuing the Fund for the 2017 tax year. The exact amount to be borrowed shall not exceed the amount of delinquent taxes outstanding on March 1, 2018, exclusive of interest, fees and penalties. The County Treasurer shall designate the exact amount to be borrowed after the amount of the 2017 delinquent taxes outstanding on March 1, 2018, or the portion of the 2017 delinquent taxes against which the County shall borrow, has been determined.

Note Details

2. Pursuant to provisions of applicable law and an order of the County Treasurer, which order is hereby authorized, the notes may be issued in one or more series; shall be known as "General Obligation Limited Tax Notes, Series 2018" with a letter designation added thereto if the notes are issued in more than one series; shall be in fully registered form in denominations not exceeding the aggregate principal amounts for each maturity of the notes; shall be sold for not less than 98% of the face amount of the notes; shall bear interest at fixed or variable rates not to exceed the maximum interest rate permitted by applicable law; shall be dated, payable as to interest and in principal amounts, be subject to redemption in whole or in part prior to maturity, including any redemption premiums, and be subject to renewal, at such times and in such amounts, all as shall be designated in the order of the County Treasurer. Notes or portions of notes called for redemption shall not bear interest after the redemption date, provided funds are on hand with the note registrar and paying agent to redeem the same. Notice of redemption shall be given in the manner prescribed by the County Treasurer, including the number of days’ notice of redemption and whether such notice shall be written or published, or both. If any notes of any series are to bear
interest at a variable rate or rates, the County Treasurer is hereby further authorized to establish by order, and in accordance with law, a means by which interest on such notes may be set, reset or calculated prior to maturity, provided that such rate or rates shall at no time be in excess of the maximum interest rate permitted by applicable law. Such rates may be established by reference to the minimum rate that would be necessary to sell the notes at par; by a formula that is determined with respect to an index or indices of municipal obligations, reported prices or yields on obligations of the United States or the prime rate or rates of a bank or banks selected by the County Treasurer; or by any other method selected by the County Treasurer.

Payment of Principal and Interest

3. The principal of and interest on the notes shall be payable in lawful money of the United States from such funds and accounts as provided herein. Principal shall be payable upon presentation and surrender of the notes to the note registrar and paying agent when and as the same shall become due, whether at maturity or earlier redemption. Interest shall be paid to the owner shown as the registered owner on the registration books at the close of business on such date prior to the date such interest payment is due, as is provided in the order of the County Treasurer. Interest on the notes shall be paid when due by check or draft drawn upon and mailed by the note registrar and paying agent to the registered owner at the registered address, or by such other method as determined by the County Treasurer.

Note Registrar and Paying Agent

4. The County Treasurer shall designate, and may enter into an agreement with, a note registrar and paying agent for each series of notes that shall be the County Treasurer or a bank or trust company that is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The County Treasurer may from time to time designate a similarly qualified successor note registrar and paying agent. Alternatively, the County Treasurer may serve as note registrar and paying agent if so designated by written order of the County Treasurer.

Disposition of Note Proceeds

5. The proceeds of the sale of the notes shall be deposited into a separate account in the Fund and shall be used to continue the Fund. The County Treasurer shall pay therefrom and from unpledged funds in the Fund, uncommitted funds in the County General Fund and/or any other legally available funds, the full amount of the delinquent tax roll against which the County has borrowed, delivered as uncollected by any tax collector in the County and that is outstanding and unpaid on or after March 1, 2018, in accordance with the provisions of Act 206. If the notes are sold at a premium, the County Treasurer shall determine what portion of the premium, if any, shall be deposited in the 2018 Collection Account established in Section 6 hereof.

2018 Collection Account

6. There is hereby established as part of the Fund an account (hereby designated the "2018 Collection Account") into which account the County Treasurer shall place
delinquent taxes against which the County has borrowed, and interest thereon, collected on and after March 1, 2018, or such later date as determined by the County Treasurer, all County property tax administration fees on such delinquent taxes, after expenses of issuance of the notes have been paid, any premium as determined pursuant to Section 5 hereof, and any amounts received by the County Treasurer from the County, the State of Michigan and any taxing unit within the County, because of the uncollectibility of such delinquent taxes. The foregoing are hereby established as funds pledged to note repayment. The County Treasurer shall designate the delinquent taxes against which the County shall borrow for each series of notes.

Note Reserve Fund

7. There is hereby authorized to be established by the County Treasurer a note reserve fund for the notes (the "2018 Note Reserve Fund") if the County Treasurer deems it to be reasonably required as a reserve and advisable in selling the notes at public or private sale. The County Treasurer is authorized to deposit in the 2018 Note Reserve Fund from proceeds of the sale of the notes, unpledged moneys in the Fund, uncommitted funds in the County General Fund and/or any other legally available funds, an amount not exceeding ten percent (10%) of the face amount of the notes.

Security for Payment of Notes

8. All of the moneys in the 2018 Collection Account and the 2018 Note Reserve Fund, if established, and all interest earned thereon, relating to a series of notes are hereby pledged equally and ratably as to such series to the payment of the principal of and interest on the notes and shall be used solely for that purpose until such principal and interest have been paid in full. When moneys in the 2018 Note Reserve Fund, if established, are sufficient to pay the outstanding principal of the notes and the interest accrued thereon, such moneys may be used to retire the notes. If more than one series of notes is issued, the County Treasurer by order shall establish the priority of the funds pledged for payment of each such series. In such case the County Treasurer may establish sub-accounts in the various funds and accounts established pursuant to the terms of this resolution as may be necessary or appropriate.

Additional Security

9. Each series of notes, in addition, shall be a general obligation of the County, secured by its full faith and credit, which shall include the County's limited tax obligation, within applicable constitutional and statutory limits, and its general funds. The County budget shall provide that if the pledged delinquent taxes and any other pledged amounts are not collected in sufficient amounts to meet the payments of principal and interest due on each series of notes, the County, before paying any other budgeted amounts, will promptly advance from its general funds sufficient moneys to pay that principal and interest. The County shall not have the power to impose taxes for payment of the notes in excess of constitutional or statutory limitations. If moneys in the 2018 Collection Account and the 2018 Note Reserve Fund, if established, are not sufficient to pay the principal of and interest on the notes, when due, the County shall
pay the same in accordance with this Section, and may thereafter reimburse itself from the delinquent taxes collected.

**Release of Pledge of 2018 Collection Account**

10. Upon the investment of moneys in the 2018 Collection Account in direct non-callable obligations of the United States of America in amounts and with maturities that are sufficient to pay in full the principal of and interest on the notes when due, any moneys in the 2018 Collection Account thereafter remaining may be released from such pledge created pursuant to Section 8 hereof and may be used to pay any or all delinquent real property taxes that are due the County, the State of Michigan and any school district, intermediate school district, community college district, city, township, special assessment district or other political unit to which delinquent tax payments are due for any year or for any other purpose permitted by law.

**Sale of Notes**

11. The County Treasurer is hereby authorized to offer the notes at public or private sale as determined by order of the County Treasurer and to do all things necessary to effectuate the sale, delivery, transfer and exchange of the notes in accordance with the provisions of this resolution. Notes of one series may be offered for sale and sold separately from notes of another series. If the notes are to be sold publicly, sealed proposals for the purchase of the notes shall be received by the County Treasurer for such public sale to be held at such time as shall be determined by the County Treasurer and notice thereof shall be published in accordance with law once in *The Bond Buyer*, which is hereby designated as being a publication printed in the English language and circulated in this State that carries as a part of its regular service, notices of sale of municipal bonds. Such notice shall be in the form prescribed by the County Treasurer.

The County Treasurer is hereby authorized to cause the preparation of an official statement for the notes for the purpose of enabling compliance with SEC Rule 15c2-12 (the "Rule") and to do all other things necessary to enable compliance with the Rule. After the award of the notes, the County will provide copies of a final official statement (as defined in paragraph (e)(3) of the Rule) on a timely basis and in reasonable quantity as requested by the successful bidder or bidders to enable such successful bidder or bidders to comply with paragraphs (b)(3) and (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board. The County Treasurer is authorized to enter into such agreements as may be required to enable the successful bidder or bidders to comply with the Rule.

**Continuing Disclosure**

12. The County Treasurer is hereby authorized to execute and deliver in the name and on behalf of the County (i) a certificate of the County to comply with the requirements for a continuing disclosure undertaking of the County pursuant to paragraph (b)(5) or (d)(2) of the Rule, as applicable, and (ii) amendments to such certificate from time to
time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Certificate"). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate.

**Execution and Delivery of Notes**

13. The County Treasurer is hereby authorized and directed to execute the notes for the County by manual or facsimile signature and the County Treasurer shall cause the County seal or a facsimile thereof to be impressed or imprinted on the notes. Unless the County Treasurer shall specify otherwise in writing, fully registered notes shall be authenticated by the manual signature of the note registrar and paying agent. After the notes have been executed and authenticated, if applicable, for delivery to the original purchaser thereof, the County Treasurer shall deliver the notes to the purchaser or purchasers thereof upon receipt of the purchase price. Additional notes bearing the manual or facsimile signature of the County Treasurer and upon which the seal of the County or a facsimile thereof is impressed or imprinted may be delivered to the note registrar and paying agent for authentication, if applicable, and delivery in connection with the exchange or transfer of fully registered notes. The note registrar and paying agent shall indicate on each note that it authenticates the date of its authentication. The notes shall be delivered with the approving legal opinion of Dickinson Wright PLLC.

**Exchange and Transfer of Fully Registered Notes**

14. Any fully registered note, upon surrender thereof to the note registrar and paying agent with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney, at the option of the registered owner thereof, may be exchanged for notes of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note.

Each note shall be transferable only upon the books of the County, which shall be kept for that purpose by the note registrar and paying agent, upon surrender of such note together with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney.

Upon the exchange or transfer of any note, the note registrar and paying agent on behalf of the County shall cancel the surrendered note and shall authenticate, if applicable, and deliver to the transferee a new note or notes of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note. If, at the time the note registrar and paying agent authenticates, if applicable, and delivers a new note pursuant to this Section, payment of interest on the notes is in default, the note registrar and paying agent shall endorse upon the new note the following: "Payment of interest on this note is in default. The last date to which interest has been paid is [place date]."
The County and the note registrar and paying agent may deem and treat the person in whose name any note shall be registered upon the books of the County as the absolute owner of such note, whether such note shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such note and for all other purposes, and all payments made to any such registered owner, or upon his or her order, in accordance with the provisions of Section 3 hereof shall be valid and effectual to satisfy and discharge the liability upon such note to the extent of the sum or sums so paid, and neither the County nor the note registrar and paying agent shall be affected by any notice to the contrary. The County agrees to indemnify and save the note registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

For every exchange or transfer of notes, the County or the note registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

The note registrar and paying agent shall not be required to transfer or exchange notes or portions of notes that have been selected for redemption.

**Book Entry System**

15. At the option of the County Treasurer and notwithstanding any provisions of this resolution to the contrary, the County Treasurer is hereby authorized to enter into an agreement with a custodian or trustee for the purpose of establishing a "book entry" system for registration of notes to be fully registered. Pursuant to the provisions of such agreement, the notes may be registered in the name of the custodian or trustee for the benefit of other persons or entities. Such agreement shall provide for the keeping of accurate records and prompt transfer of funds by the custodian or trustee on behalf of such persons or entities. The agreement may provide for the issuance by the custodian or trustee of certificates evidencing beneficial ownership of the notes by such persons or entities. For the purpose of payment of the principal of and interest on the notes, the County may deem payment of such principal and interest, whether overdue or not, to the custodian or trustee as payment to the absolute owner of such note. Pursuant to provisions of such agreement, the book entry system for the notes may be used for registration of all or a portion of the notes and such system may be discontinued at any time by the County. The note registrar and paying agent for the notes may act as custodian or trustee for such purposes.

**Issuance Expenses**

16. Expenses incurred in connection with the issuance of the notes, including without limitation any premiums for any insurance obtained for the notes, note rating agency
fees, travel and printing expenses, fees for agreements for lines of credit, letters of
credit, commitments to purchase the notes, remarketing agreements, reimbursement
agreements, purchase or sales agreements or commitments, or agreements to provide
security to assure timely payment of the notes, fees for the setting of interest rates on
the notes and bond counsel, financial advisor, paying agent and registrar fees, all of
which are hereby authorized, shall be paid by the County Treasurer from County
property tax administration fees on the delinquent taxes, from any other moneys in
the Fund not pledged to the repayment of notes and general funds of the County that
are hereby authorized to be expended for that purpose.

Replacement of Notes
17. Upon receipt by the County Treasurer of satisfactory evidence that any outstanding
note has been mutilated, destroyed, lost or stolen, and of security or indemnity
complying with applicable law and satisfactory to the County Treasurer, the County
Treasurer may execute or authorize the imprinting of the County Treasurer’s facsimile
signature thereon and thereupon, and if applicable, a note registrar or paying agent
shall authenticate and the County shall deliver a new note of like tenor as the note
mutilated, destroyed, lost or stolen. Such new note shall be issued and delivered in
exchange and substitution for, and upon surrender and cancellation of, the mutilated
note or in lieu of and in substitution for the note so destroyed, lost or stolen in
compliance with applicable law. For the replacement of authenticated notes, the note
registrar and paying agent shall, for each new note authenticated and delivered as
provided above, require the payment of expenses, including counsel fees, which may
be incurred by the note registrar and paying agent and the County in the premises.
Any note issued under the provisions of this Section in lieu of any note alleged to be
destroyed, lost or stolen shall be on an equal basis with the note in substitution for
which such note was issued.

Chargebacks
18. For any principal payment date of the notes on or after January 1, 2021, the
delinquent taxes on property foreclosed and sold pursuant to the provisions of Act 206
and against which the County has borrowed shall, if necessary to ensure full and timely
payment of principal of and interest on the notes when due, be charged back to the
taxing jurisdictions in such manner as determined by the County Treasurer. The
proceeds of such chargebacks shall be deposited in the 2018 Collection Account as
security for payment of the notes as described in Section 8 hereof. The provisions of
this Section shall not limit the authority of the County Treasurer under the laws of the
State of Michigan to charge back delinquent taxes under other circumstances or at
other times.

Purchase of Notes by County
19. All or any portion of the notes may be purchased or otherwise acquired by the County
if the County Treasurer by order deems such purchase or acquisition to be in the best
interest of the County. In such case, the County Treasurer is authorized to take such
actions to effectuate the purchase or acquisition, including without limitation entering
into an agreement to purchase or repurchase the notes. The purchase or other
acquisition of notes by or on behalf of the County does not cancel, extinguish or otherwise affect the notes and the notes shall be treated as outstanding notes for all purposes of this resolution until paid in full.

**Issuance of Refunding Notes**

20. The County shall refund all or part of the notes authorized hereunder and/or notes previously issued by the County to continue the Fund for prior tax years if and as authorized by order of the County Treasurer through the issuance of refunding notes (the "Refunding Notes") in an amount to be determined by order of the County Treasurer. Proceeds of the Refunding Notes may be used to redeem such notes and to pay issuance expenses of the Refunding Notes as authorized and described in Section 16 hereof. The County Treasurer shall have all the authority with respect to the Refunding Notes as is granted to the County Treasurer with respect to the notes by the other Sections hereof, including the authority to select a note registrar and paying agent, to apply to the Michigan Department of Treasury for approval to issue the Refunding Notes, if necessary, to cause the preparation of an official statement and to do all other things necessary to sell, execute and deliver the Refunding Notes. The Refunding Notes shall contain the provisions, shall be payable as to principal and interest and shall be secured as set forth herein and as further ordered by the County Treasurer. The Refunding Notes may be sold as a separate issue or may be combined in a single issue with other obligations of the County issued pursuant to the provisions of Act 206 as shall be determined by the County Treasurer. The County Treasurer is authorized to prescribe the form of Refunding Note and the form of notice of sale, if any, for the sale of Refunding Notes.

**Form of Notes**

21. The notes shall be in the form approved by the County Treasurer, which approval shall be evidenced by the County Treasurer’s execution thereof.

Proclamation
Teen Dating Violence Awareness Month
February 2018

Whereas, February is National Teen Dating Violence Awareness Month. This month provides an excellent opportunity for our County to demonstrate its commitment to ending teen dating violence and support the numerous victims and survivors who are among us. One in three teens in the United States is a victim of physical, emotional or sexual abuse from a dating partner. Now is the time to educate our communities about the seriousness of teen dating violence and prevalence of this epidemic in our lives; and,

Whereas, High school students who experience physical violence in a dating relationship are more likely to use drugs and alcohol, are at greater risk of suicide and are much more likely to carry patterns of abuse into future relationships. Young people victimized by a dating partner are more likely to engage in risky sexual behavior and unhealthy dieting behaviors and the experience may disrupt normal development of self-esteem and body image. Nearly half of teens who experience dating violence report that incidents of abuse took place in a school building or on school grounds.

Now, Therefore, Be It Resolved, The Saginaw County Board of Commissioners hereby proclaims February 2018 as Teen Dating Violence Awareness Month and calls upon the people of the County of Saginaw to recommit to our community to increase awareness. Everyone has the right to a safe and healthy relationship and to be free from abuse.

PUBLIC HEARING

At 5:07 p.m., Chairman Stack opened a public hearing on the annexation of property from the Township of Chesaning to the Village of Chesaning for the purpose of promoting the business and economic development of the Village of Chesaning (former site of Peet Packing Co.) that was published for this date and time. He asked if there was anyone wishing to speak. Four (4) people spoke, providing their opinions as to the effects the annexation of property would have on the community.

- Ken Hornak, Chesaning Township, opposed annexation of the property and included his analogy that it would create a tsunami of effects, not a wave. He also commented specifically to Commissioner Harris that the property owner was well aware of the zoning limitations (residential) for the property upon purchase. He cited past results of a survey taken were 2 to 1 against a marijuana grow facility in the community.
- Zach Chludil, Plant Life, LLC, a lifelong resident of Chesaning Village/Township, began his presentation listing the businesses that have closed in Chesaning Village and Township since 1995, including Peet Packing and several of the Main Street businesses, along with two area schools. He feels the annexation of property will help rebuild jobs in the community and asked that the commissioners please vote yes on the annexation.
- Tim Andrews, a Veteran and a medical marijuana patient, supports the annexation. He smokes CBD oils and is in support of the organic and flavored oils that will be made available. His four children have been around him while he uses the oils and he cited the successes in each of their lives. His medicinal use of marijuana does not affect the people around him.
- James Kostrewa, a member of the Plant Life group, commented on the fact that the product produced will be all natural and organic. The product will have plant growth enhancers. There will be no pesticide runoff; no synthetic pesticides. He urges commissioners to vote yes on the annexation to provide the best, healthy medicine.

Chairman Stack announced the hearing would remain open.

PUBLIC HEARING
2nd Call

At 5:30 p.m., Chairman Stack announced the second call of a public hearing on the annexation of property from the Township of Chesaning to the Village of Chesaning for the purpose of promoting the business and economic development of the Village of Chesaning (former site of Peet Packing Co.). Two (2) people spoke providing their opinions as to the effects the annexation of property would have on the local community.
Ken Hornak read excerpts from an article regarding the 5-year anniversary of Colorado sanctioning the first “anything goes” commercial grade pot. He cited that the homeless growth rate is up due to easy access to marijuana, crashes are up and there is more marijuana in schools. He said the article states that drug use in K through 12 has increased 45% and there is a 71% increase in drug violations in schools.

Kaylee Chludil is a resident of Chesaning and believes this will bring positive changes to the community and encouraged Commissioners to be a part of that change and please vote yes on the annexation of property.

Chairman Stack announced that the hearing will remain open.

REPORTS OF COMMITTEES

1. Human Services Committee – S. McInerney, Chair; J. Theisen, Vice-Chair
   1.1) Public Health, re: Approval to increase the Saginaw County-issued credit card limit for the Public Health Accounting Supervisor from $5,000 to $20,000
   McInerney moved, seconded by Theisen, to approve 1.1. Motion carried.

FROM: COMMITTEE ON HUMAN SERVICES – 1.1 MARCH 20, 2018
Your committee has considered Communication No. 3-20-9 from Christina Harrington, Health Officer, Public Health, requesting to increase the Saginaw County-issued credit card limit for the Accounting Supervisor from $5,000 to $20,000.
We met with Ms. Harrington who explained that in an emergency situation the Accounting Supervisor would be making the necessary purchases. During a tabletop exercise it was determined that in an emergency situation, the current Saginaw County Policy for approval on purchases over the $5,000 limit, such as the purchase of large amounts of supplies (gloves, gowns, vaccines, etc.) or large ticket items such as a generator, would not be feasible or in the best interest of the citizens of Saginaw County.
We recommend approval to increase the Saginaw County-issued credit card limit for the Public Health Accounting Supervisor from $5,000 to $20,000.

Respectfully submitted,
COMMITTEE ON HUMAN SERVICES
Sue A. McInerney, Chair James G. Theisen, Vice-Chair
Amos O’Neal Michael A. Webster

2. Courts and Public Safety Committee – C. Hadsall, Chair; K. Kilpatrick, Vice-Chair
   2.1) Animal Care & Control, re: Approval to utilize $9,500 from Donation Account to cover enrollment in SCCJCC ($6,000) and installation of Tough Books ($3,500)
   2.2) Animal Care & Control, re: Approval to place a renewal and increase of its current millage on the August 2018 Primary Election Ballot

   Kilpatrick moved, seconded by Krafft, to approve 2.1. Motion carried.
   Kilpatrick moved, seconded by McInerney, to approve 2.2. Brief Discussion was held and 2.2 was Commissioner Privileged by Theisen.
FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.1 *Amended MARCH 20, 2018

Your committee considered Communication No. 3-20-11 from Lisa Stoffel, Director, Animal Care & Control, requesting approval to utilize funds from its General Donation account in the total amount of $9,500 to increase line item 250-43000-80600 by $6,000 to cover enrollment in the SCCJCC computer replacement program for Animal Control Officers and by $3,500 to increase line item 250-43000-93600 to cover installation of the previously approved Tough Book systems.

We met with Ms. Stoffel who indicated the adjustment is necessary due to the need for future equipment replacement. Additionally, there was a need to replace the iPads that were purchased originally and did not function properly.

We recommend approval to utilize $9,500 from Animal Control’s General Donation account to increase line item 250-43000-80600 by $6,000 to cover enrollment in the SCCJCC computer replacement program for Animal Control Officers and by $3,500 to increase line item 250-43000-93600 to cover installation of Tough Book systems.

UNFINISHED BUSINESS AT APRIL 17, 2018 BOARD SESSION

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.2 MARCH 20, 2018

Your committee considered Communication No. 3-20-12 from Lisa Stoffel, Director, Animal Care & Control, requesting approval to place a renewal and increase of its current millage from 0.15 mills up to 0.425 mills on the August 2018 ballot for the years 2018—2037, both inclusive, which if fully levied is estimated to raise $1,998,749 in the first year of levy.

The draft ballot language is as follows:

“Shall the County of Saginaw, Michigan (“County”) impose a renewal and increase in its levy of general ad valorem taxes, which may be imposed for all purposes upon real and personal property in the County, as provided in Article 9 Section 6 of the Michigan Constitution of 1963, as amended, which will result in the renewal of the 0.15 mill ($0.15 per $1,000) up to 0.425 mill ($0.425 per $1,000) of the taxable valuation of such property as finally equalized, for levy in years 2018 through 2037, both inclusive, which increased levy is estimated to raise $1,998,749 in the first year, for the purposes of continuing operations of the Animal Care and Control Department and facility within Saginaw County?”

Your committee considered Communication No. 3-20-1 from Vera Harrison, CAPE Program Director, CAN Council, requesting placement of blue and silver pinwheels (“Pinwheels for Prevention”) on the grounds of the Saginaw County Governmental Center in the month of April to honor Child Abuse Prevention Month.

Nationally, April is recognized as Child Abuse Prevention and Awareness Month. Your committee considered Communication No. 3-20-7 from Brian Stark, Planning Director, requesting approval of a Resolution to Concur with an agreement between the Midland Area Transportation Study (MATS), the Saginaw Metropolitan Area Transportation Study (SMATS) and the Michigan Department of Transportation regarding Tittabawassee Township.
We met with Mr. Stark who informed the committee that the Federal Highway Administration (FHWA) has recently indicated to SMATS staff that there are issues with the MATS/SMATS Metropolitan Planning Area (MPA) boundaries which they would like resolved. SMATS Tech/Policy and Planning Commission designated a small group to meet with MATS to further discuss the issue and come up with a solution. The meeting was held January 24, 2018 with Tittabawassee Township Manager, SMATS Director, and representatives for the Road Commission, Tittabawassee Township Commissioners, and Midland.
Due to the implementation of new initiatives, such as performance measures, the FHWA wants to clarify the situation so that the overlap is eliminated altogether. The following solution was proposed:

Redesignate both MATS and SMATS boundaries to eliminate the overlap by encompassing all of Tittabawassee Township within the MATS MPA. This would enable both MATS and SMATS respective boundaries to fully encompass their respective Census Urbanized Areas, in accordance with Federal regulations, although it reduces the SMATS MPA.

We recommend approval of the Resolution to Concur with an agreement between the Midland Area Transportation Study, the Saginaw Metropolitan Area Transportation Study and the Michigan Department of Transportation (MDOT) regarding Tittabawassee Township submitted under the regular order of business.

We met with Mr. Oberski who informed the committee that per the Michigan Works! Interlocal Agreement between Bay, Gratiot, Isabella, Midland, and Saginaw Counties, the Michigan Works! On February 26, 2018, the Great Lakes Bay Michigan Works! Joint Consortium/Workforce Development Board by unanimous vote selected Christopher Rishko as its new Chief Executive Officer effective July 1, 2018. This selection was made after an extensive search and interview process.

Your Budget/Audit Committee met with Doug Deeter, Auditor from the CPA firm of Rehmann, who reported on the progress of the County of Saginaw Audited Financial Statements for the Fiscal Year ended September 30, 2017. A draft of the Audit was provided to the Budget/Audit Committee members and for distribution to all other commissioners. (Comm. No. 3-20-22)

PUBLIC HEARING

3rd Call - Closing

At 5:55 p.m., Chairman Stack announced the third and final call of a public hearing on the annexation of property from Chesaning Township to Chesaning Village for the purpose of promoting the business and economic development of the Village of Chesaning (former site of Peet Packing Co.). Three (3) people spoke in opposition to annexation of the property.
Ken Hornak completed presenting his information regarding the 5-year anniversary of recreational marijuana use in Colorado. He added that Plant Life has assured that the facility will become a facility for recreational Marijuana. He stated he has information from Colorado that marijuana is bringing money in, however the community is not benefitting from the income.

Bob Corrin conveyed his appreciation to Commissioner Krafft for calling for a voice vote on the matter. He also commented that people are coming to Chesaning just to purchase property and there will be more requests for annexation in the future.

Mike O’Hare expressed his frustration that he believes the Board of Commissioners should not be involved in the business of a township/village.

*Chairman Stack announced the public hearing closed at 6:04 p.m.*

Public Health Week
April 2 – 8, 2018
Healthiest Nation 2030
“Changing Our Future Together”

Whereas, During the first full week of April each year, the American Public Health Association (APHA) brings together communities across the United States to observe National Public Health Week as a time to recognize the contributions of public health and highlight issues that are important to improving our nation. For nearly 20 years, APHA has served as the organizer of National Public Health Week. Every year, the Association develops a national campaign to educate the public, policymakers and practitioners about issues related to each year’s theme; and,
Whereas, This year’s National Public Health Week is themed “Changing Our Future Together” and focuses on growing the movement to create the healthiest nation in one generation, along with celebrating the power of prevention, advocating for healthy and fair policies, sharing strategies for successful partnerships and championing the role of a strong public health system. To ensure everyone has a chance at a long and healthy life, we must tackle the underlying causes of poor health and disease risk.

Proclamation
April is Child Abuse Prevention Month
“Child Abuse casts a shadow the length of a lifetime.” – Herbert Ward

Whereas, Children are critical to Saginaw County’s success, prosperity, and quality of life. While children are our most valuable resource, they are also the most vulnerable population. Children have a right to be safe and a right to thrive, learn, and to grow in an environment that fosters healthy development; and,
Whereas, Child abuse and neglect can be prevented by supporting and strengthening families, thus preventing the far-reaching effects of maltreatment and providing the opportunity for children to develop healthy, trusting family bonds, and building the foundations of communities; and,
Whereas, Effective intervening in the lives of children threatened by abuse is a shared responsibility and Saginaw County citizens must come together so that the voices of our children are heard by all. By providing a safe and nurturing environment for our children free of violence, abuse, and neglect, we can support Saginaw County’s children as they grow to their full potential as the next generation of leaders.

Now, Therefore, I, Carl E. Ruth, Chairman of the Saginaw County Board of Commissioners, do hereby proclaim April as Child Abuse & Neglect Prevention Month in the County of Saginaw and call for blue pinwheels to be placed on the grounds of the Saginaw County Governmental Center to remember the young lives cut short by senseless violence and to help realize the end of child abuse and neglect.

The YMCA of Saginaw
Celebrating 150 Years

The Village People’s “YMCA” was one of the songs that became synonymous with the disco era, and nearly 42 years later still has people spelling out the four letters with their arms and bodies while singing along. But an even greater accomplishment is that the Young Men’s Christian Association (YMCA) of Saginaw has been a non-profit, membership-based wellness organization in the community for nearly 150 years.

The YMCA was founded in London, England, on June 6, 1844, in response to unhealthy social conditions arising in the big cities at the end of the Industrial Revolution. Growth of the railroads and centralization of commerce and industry brought many rural young men who needed jobs into cities like London. They worked 10 to 12 hours a day, six days a week. Far from home and family, these young men often lived at the workplace. They slept crowded into rooms over the company’s shop, a location thought to be safer than London’s tenements and streets. Outside the shop things were bad – open sewers, pickpockets, thugs, beggars, drunks, lovers for hire, and abandoned children running wild by the thousands.

George Williams, born on a farm in 1821, came to London 20 years later as a sales assistant in a draper’s shop, a forerunner of today’s department store. He and a group of fellow drapers organized the first YMCA to substitute Bible study and prayer for life on the streets. By 1851 there were 24 YMCAs in Great Britain, with a combined membership of 2,700. That same year the YMCA arrived in North America and was established in Montreal on November 25 and in Boston on December 29.

The YMCA of Saginaw organized on June 25, 1868 at the Central Baptist Church with the first quarters opening on January 1, 1969. Rev. McCarty was the first Chairman with John Estabrook as its first president. The first YMCA building location was on Washington Avenue (Lloyd block) opposite the Bancroft Hotel. The East Saginaw YMCA disbanded in 1874 but individuals still attended some
state meetings. The Y was revived on November 28, 1886. On April 9, 1887 the reading rooms
opened and the Y was chartered as a non-profit corporation. In 1889 the membership stood at 519.

On April 9, 1890, the west side department of the Y formed and was housed at the Bittman and
Alderton building on Hancock Street. In 1894 the west side moved to Jerome K. Stevens home at
220 N. Michigan Ave. Then on January 16, 1895 the Saginaw west side becomes a separate
association from east side. The east side Y moved to Flint & Pere Marquette Railway building at the
corner of N. Washington Ave. and Tuscola until it was disbanded in 1906. The Saginaw west side was
inactive between 1902 and 1910. With a generous bequest from Arthur Hill for $20,000 in 1909, it
began the push to re-energize the YMCA. In May 1910 a campaign began with a goal of $75,000 for
an endowment fund and $75,000 for a building. The campaign lasted 10 days and garnered $70,000
for the building and a sizeable sum for the endowment. The slogan was “Pray, Plan, Push.” This was
a total community effort.

The west side office opened in The Hamilton Square Building on April 7, 1911 and the new building
would be larger on Michigan and Ames. Memberships top 1000 by the end of 1912. The west side
board authorized plans for re-incorporation to include the entire City of Saginaw on March 18, 1929
with the newly incorporated YMCA era beginning on August 28, 1929.

A new building was dedicated on September 11, 1960. The board approved certain female
membership classifications be activated on May 28, 1966. On September 16, 1966, Mrs. John (Carol)
Vincent was the first woman elected to the YMCA Board of Directors. At the end of the first century
of service, 5,316 persons are active on membership rolls, during 1867 it is estimated that every
sixth person in the service area had participated in one or more program activities, capital assets
valued at $3,143,833, YMCA endowment funds valued at $39,954, and operating income totaled
$493,908.

Dick Fabian and Bob Dyer came up with the idea of establishing the Y-A-Go-Go at the YMCA
gymnasium in Saginaw where they were both members. The idea came while brainstorming how
they might be able to bring kids from Bay City and other outlying areas into Saginaw for music events.
They rented the Y’s gym for Saturday dance/concerts and planned to have their own go-go dancer in
a cage by the stage as a gimmick to attract the kids. Fabian and Dyer got a sexy WKNX employee
named Kay Wyman to dance at the first event. Apparently Ms. Wyman’s gyrating was a little risqué
for the two police officers in attendance and they told them that they couldn’t have that type of thing
going on. The Y-A-Go-Go was stiff competition for Frank Patrick’s Daniel’s Den, Saginaw’s other teen
hotspot. Fabian and Dyer booked The Dave Clark Five, Sonny & Cher, The Lovin’ Spoonful, The Beau Brummels, Glen Campbell and other big names along with the virtual “who’s who” of Michigan bands
at the time. One of the more interesting stories from the Y-A-GO-GO involved Fabian and Dyer
booking a then little-known folk duo called Simon & Garfunkel several months before the pair had
any hits. After the contract was signed, Simon & Garfunkel’s producer put a rock band behind a track
the pair had already recorded called “The Sounds of Silence.” After the new version of their song
became a surprise #1 hit, their performance price went up as well. When Dyer called concerned that
they might not be able to afford them, Paul Simon said that they were going to honor the original
contract because he was curious to see what a place named Saginaw looked like. Two years later,
Simon wrote a memorable song called “America,” which contained lyrics – “Michigan seems like a
dream to me now. It took me four days to hitch-hike from Saginaw. I’ve gone to look for America.”
They were undoubtedly inspired by his experiences surrounding the gig at the Y-A-GO-GO.
The YMCA held its first camping session from June 29 – July 8, 1914 on Tawas Bay with 37 campers. Throughout the years camp was held on Saginaw Bay, Sharpstein Point, Houghton Lake, Mud Lake, Round Lake, Bass Lake, Cranberry Lake, and Piper Lake. Land was secured in Huron National Forest between Rose City and Mio where camp and new buildings were established and called Camp O-Ge-Maw-Ke. In 1967 Camp Timbers was dedicated on Piper Lake, 15 miles northwest of West Branch. Camp Timbers is celebrating its 50th year of summer overnight camps for youth.

Today, The YMCA of Saginaw has been a non-profit, membership-based wellness organization in the community for 150 years. They integrate the four core values of character development into all activities and everything they say and do: Caring, Honesty, Respect and Responsibility. The YMCA of Saginaw is an association of all people united in a common effort to put Judeo-Christian principles into practice through programs that enrich the spirit, mind and body for all. They encourage you to be part of something bigger than yourself!

The Saginaw County Board of Commissioners congratulates the YMCA of Saginaw on its 150th year of helping make Saginaw County and its residents healthier and happier. May people continue to spell out the four letters of YMCA with their arms and bodies while singing along until the next celebration!

FROM: COMMITTEE ON HUMAN SERVICES – 1.1 APRIL 17, 2018
Your committee has considered Communication No. 4-17-7 from Jessica Sargent, Interim Director, Commission on Aging, requesting approval to utilize $14,409 from the agency’s fund balance to update security measures/systems at two County-owned buildings.

We met with Ms. Sargent who discussed with committee the planned updates of security measures/systems at two County-owned buildings. The Marie Davis Senior Center often has staff members who may be the only person in the building at any given time. The Commission on Aging main office building also has several concerns as the office area is open to the general public and currently there are no means of alerting the police and/or other staff if an incident were to occur. The panic buttons have the capacity to immediately notify the police and there would be visual light displayed in strategic areas of both buildings to notify other staff and center participants if the panic button was activated. To accommodate the panic alert buttons, the alarm control panels need to be updated at the Main Office building.
We recommend approval to utilize $14,409 from the agency’s fund balance to update security measures/systems at the main office and the Marie Davis building.

Respectfully submitted,

Your committee has considered Communication No. 4-17-8 from Jessica Sargent, Interim Director, Commission on Aging, requesting approval to place a renewal and increase of its current millage from 0.43 mills up to 0.59 mills on the August 2018 ballot for the years 2019 – 2024, both inclusive, which if fully levied is estimated to raise $2,867,239 in the first year of levy.

The draft ballot language is as follows:

“Shall the County of Saginaw, Michigan (‘County’) RENEW the previously approved extra millage, which last resulted in a levy of .43 mill ($0.43 per $1000.00) of taxable valuation of such property as finally equalized, and INCREASE the millage limitation on the total amount of general ad valorem taxes, which may be imposed for all purposes upon real and personal property in the County, as provided in Article 9 Section 6 of the Michigan Constitution of 1963, as amended, which will result in a total levy of up to .59 mill ($0.59 per $1000.00) of taxable valuation of such property in the years 2019 to 2024, both inclusive, for the purpose of continuing the operations of the Saginaw County Commission on Aging within the County, which renewal and increase is estimated to raise up to $2,867,239 in the first year?”

We recommend approval of the above language, as reviewed, modified and approved by Civil Counsel, and direct the County Clerk to place the question before the electorate at the August 7, 2018 Primary Election.

Your committee has considered Communication No. 4-17-11 from Christina Harrington, Health Officer, Public Health, requesting approval to utilize $63,347 from the Public Improvement Fund to purchase Environmental Health program software.
We met with Ms. Harrington and Christopher Klawuhn, Environmental Health (EH) Services Director, who explained that currently there is only one program that uses an electronic computer system. All other programs operate under staff built databases and pen and paper to issue permits, perform inspections, and tabulate data and site drawings. A new software application for all environmental health services will build substantial efficiencies by the elimination of paperwork, improve accuracies, and reduce staff time spent on inspections and permitting. EH along with IT personnel have researched computer software systems that would meet the needs of EH operations. Saginaw, along with four other local health departments, was able to effectively reduce the purchase price for the Hedgerow system by 50%. The total amount to implement the software for all EH Division programs is $63,347, which includes:

- $20,000 (50% off) Hedgehog Application Suite
- $17,885 serve with necessary software licensing through IT
- $15,462 9 tablets for field staff
- $10,000 database conversion of existing records

We recommend approval to utilize $63,347 from the Public Improvement Fund to purchase Environmental Health program software.

2.2) Community Corrections, re: Approval to submit and accept, if awarded, the State of Michigan – Office of Community Corrections Grant for FY 2019 in an amount in excess of $500,000
Hadsall moved, seconded by Krafft, to approve 2.1. Commissioner Krafft stated he is a 32 year veteran on the Fire Department and he is in favor of the 9-1-1 millage. Commissioner Dwan agrees that radios are needed, however, there is no accountability by the phone companies and until audits can be performed on surcharge fees she is opposed to asking people to pay. After discussion, a roll-call vote was taken on approval to place the millage question on the August 2018 ballot as follows:

The draft ballot language is as follows:

“Shall the County of Saginaw, Michigan (‘County’) impose an increase in its levy of general ad valorem taxes which may be imposed for all purposes upon real and personal property in the County, as provided in Article 9 Section 6 of the Michigan Constitution of 1963, as amended, which will result in an increase of up to 0.280 mill ($0.28 per $1000) of the taxable valuation of such property as finally equalized for a period of ten (10) years, 2018 through 2027, both inclusive, which increased levy is estimated to raise up to $1,316,822 in the first year, for the purpose of replacing outdated radio equipment for Fire, Police and Emergency Medical Services and other equipment necessary for the 9-1-1 Central Dispatch System to effectively provide and ensure twenty-four hour public safety communications service to the citizens, communities and public responders of Saginaw County and for otherwise continuing operations of the Saginaw County 9-1-1 Authority?”

Courts and Public Safety Committee – C. Hadsall, Chair; K. Kilpatrick, Vice-Chair

2.2) Animal Care & Control, re: Approval to place a renewal and increase of its current millage on the August 2018 Primary Election Ballot

MARCH 20, 2018 BOARD SESSION
Kilpatrick moved, seconded by McInerney, to approve 2.2. Brief Discussion was held and 2.2 was Commissioner Privileged by Theisen.

APRIL 17, 2018 BOARD SESSION
Krafft stated the amount is excessive and he is afraid if it goes on the ballot it may not only be turned down, which will affect the ability to raise funds in the future, but it may also effect other millages on the August ballot. He understands something needs to be done, but he is not in support of this millage increase. Commissioner Dwan completely agreed with Commissioner Krafft and added that we may have to raise taxes in the future to pay for mandated services. Commissioner Hadsall stated, as the Chair of the Animal Care & Control Advisory Council, that she is in support of the millage. After discussion, a roll-call vote was taken on approval to place the millage question on the August 2018 ballot as follows:
Yes – Webster, Stack, Kilpatrick, McInerney, Hadsall, O’Neal, Ruth – 7
No – Dwan, Harris, Krafft – 3
Absent – Theisen – 1
Total – 11
Motion carried.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.2

Your committee considered Communication No. 3-20-12 from Lisa Stoffel, Director, Animal Care & Control, requesting approval to place a renewal and increase of its current millage from 0.15 mills up to 0.425 mills on the August 2018 ballot for the years 2018 – 2037, both inclusive, which if fully levied is estimated to raise $1,998,749 in the first year of levy.
The draft ballot language is as follows:

“Shall the County of Saginaw, Michigan ("County") impose a renewal and increase in its levy of general ad valorem taxes, which may be imposed for all purposes upon real and personal property in the County, as provided in Article 9 Section 6 of the Michigan Constitution of 1963, as amended, which will result in the renewal of the 0.15 mill ($0.15 per $1,000) up to 0.425 mill ($0.425 per $1,000) of the taxable valuation of such property as finally equalized, for levy in years 2018 through 2037, both inclusive, which increased levy is estimated to raise $1,998,749 in the first year, for the purposes of continuing operations of the Animal Care and Control Department and facility within Saginaw County?”
We recommend approval of the above language, as reviewed, modified and approved by Civil Counsel, and direct the County Clerk to place the question before the electorate at the August 7, 2018 Primary Election.

PROCLAMATIONS

Proclamation
Law Day 2018
60th Anniversary
Separation of Powers - Framework for Freedom
May 1, 2018

Whereas, Law Day is held on May 1st every year to celebrate the role of law in our society and to cultivate a deeper understanding of the legal profession. The Law Day 2018 theme enables us to reflect on the separation of powers as fundamental to our constitutional purpose and to consider how our governmental system is working for ourselves and our posterity; and,

Whereas, Law Day allows all citizens to recognize and honor the contributions of the lawyers, judges, and law enforcement agencies and individuals in our community for the responsibilities they bear to the commitment of the rule of law. We, the people, must continually act to ensure that our constitutional democracy endures, preserving our liberties and advancing our rights; and,

Whereas, Law Day will be commemorated in the County of Saginaw with a Mock Trial presented by Saginaw County High Schools; a blood drive with our Law Day partners: Saginaw County Animal Care and Control and MI Blood; billboard and poster contests; and a scholarship presented by Saginaw County Lawyers Auxiliary.

Now, Therefore, Be It Resolved, That the Saginaw County Board of Commissioners hereby proclaims Tuesday, May 1, 2018 as Saginaw County Law Day and calls upon the people of the County of Saginaw to acknowledge the importance of our legal and judicial systems with appropriate ceremonies and activities, and to display the flags of the United States, State of Michigan and Saginaw County in support of this educational observance. We further encourage schools, businesses, media, religious institutions, and civic and service organizations to join members of the bar and bench in commemorating Law Day.

In Witness Whereof, I have hereunto set my hand and caused the seal of the County of Saginaw to be affixed this 17th day of April in the year of our Lord, two thousand and eighteen.

Respectfully Submitted,

Proclamation
National Volunteer Week
April 15 – 21, 2018
Celebrating the Value of Volunteering
Building Confidence, Connections & Community

Whereas, National Volunteer Week is April 15 – 21, 2018. It’s a time of year when organizations across the country honor volunteers for their selfless contributions and recognize the irreplaceable impact of their time, energy, and caring all year round. Their stories can serve to inspire others to find ways to take action that creates change; and,

Whereas, During National Volunteer Week, we celebrate the impact of volunteer service and the power of change makers to come together to tackle tough challenges and build stronger, more vibrant communities. This is an opportunity to shine a light on the people and causes that inspire us to serve. Benefits of volunteer work are enjoyed by the community affected, but also by the volunteers themselves, in knowing that they contributed to the betterment of society in some way.

Now, Therefore, Be It Resolved, That the Saginaw County Board of Commissioners hereby proclaims April 15 – 21, 2018 as Volunteer Week in Saginaw County, Michigan and urges our fellow citizens to volunteer in their respective communities. By volunteering and recognizing those who serve, we can replace disconnection with understanding and compassion.

In Witness Whereof, The seal of the County of Saginaw will be affixed and the Proclamation adopted by the Board of Commissioners on the 17th day of April in the year of our Lord two thousand eighteen.

Certificate of Recognition
Mark Hensel

“It’s when you’re acting selflessly that you are at your bravest.” – Divergent

True heroism is remarkably sober, very undramatic. It is not the urge to surpass all others at whatever cost, but the urge to serve others, at whatever cost. Every one of us can be a hero. It doesn’t just arrive from truly exceptional people but from people placed in the right circumstance, given the necessary tools to transform compassion into heroic action. When an act of heroism occurs the person is not concerned with oneself but more with the needs of others.

On Monday, April 23, 2018, Mark Hensel, Utility Worker for Saginaw County Maintenance Department, was driving to the Maintenance Garage when he noticed a gentleman lying in the road at the intersection of Court Street and Michigan Avenue. Mark blocked the intersection with his truck, turned on the emergency lights, radioed the office and asked Beth Capen, Administrative Assistant, to call 9-1-1. The individual wasn’t breathing so Mark immediately began performing CPR. Another individual began assisting Mark and before the ambulance arrived the individual was breathing! Mark’s quick actions made a difference in that moment.

The Saginaw County Board of Commissioners commends Mark Hensel for his willingness to reach out and help someone in distress! His quick thinking and selfless act saved an individual’s life.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.1 *AMENDED MAY 15, 2018*

Your committee considered Communication No. 5-15-4 from Sheriff William Federspiel, requesting approval to:

- In December, 2017, the Board of commissioners approved use of applied savings from an open deputy position (PCN #207034) to purchase a Ford Taurus ($19,955). Request change to a Chevrolet pickup ($29,500) due to the higher anticipated resale value on the Chevrolet pickup, for a difference of $9,545.

- Use applied savings from another open deputy position (PCN #207017) to purchase a police pursuit rated Ford F150 pickup at a cost of $32,421 plus the cost of outfitting at $5,500 for a total cost of $37,921.

We met with Undersheriff Philip Hart, Lt. Marsha Austin and Sgt. James Hogue who discussed with committee that both pickups are anticipated to have a higher resale value. The trucks will also be beneficial in the wintertime, as it will be easier to get to calls quicker and safer with a truck versus a Ford Taurus. We recommend approval to purchase both vehicles as noted above, using applied savings from open deputy positions. *We further recommend that both PCN #207034 and PCN #207017 be eliminated from the FY 2018 Budget and reinstated in the FY 2019 Budget.*

Your committee considered Communication No. 5-15-19 from Denise Babbitt, Equalization Director, submitting for approval a revised Report of Equalization, Form L-4024, Statement of Valuation.

We met with Ms. Babbitt who discussed with committee that the first report submitted to the Board of Commissioners on April 17, 2018 was incorrect. According to BS&A Software, its coding for the Village of St. Charles, which contains parcels in Brant Township, St. Charles Township and Swan Creek Township, was not set up properly. The reports from its database will not run correctly until the coding issues are resolved. Equalization Department is taking steps at this time to resolve these issues so that they do not run into this problem going forward. Also, in the Township of Bridgeport, there was a discrepancy between the County values and the Township values. This discrepancy will be corrected at the 2018 July Board of Review.

It is the recommendation of your committee that the Report of Equalization, Form L-4024, Statement of Valuation, for Saginaw County be accepted and authorize the proper county officials to execute same.

OFFICE OF THE BOARD OF COMMISSIONERS OF SAGINAW COUNTY, Michigan 2018

WE HEREBY CERTIFY that the foregoing is a true statement of the assessed valuations of real property classifications in each township and city in the County of Saginaw in the year 2018. We further certify that said statement does not embrace any property taxed under P.A. 77 of 1951; P.A. 68 of 1963; P.A. 198 of 1974; P.A. 255 of 1978; P.A. 385 of 1984; P.A. 224 of 1985; P.A. 147 of 1992; or Section 5 Article IX of the Constitution of the State.

4.1) **Treasurer/Controller**, re: Approval of Claims for February and March 2018

4.2) **Saginaw County Community Mental Health Authority (SCCMHA)**, re: Approval to assist in the financing of capital projects with issuance of bonds up to $4,700,000

- **Krafft moved, seconded by Kilpatrick**, to approve 4.1. Motion carried.
- **Krafft moved, seconded by O’Neal**, to approve 4.2. Discussion was held with Dwan inquiring of the Controller why the county should put itself on the line. The Controller responded that Saginaw County has excellent credit and is in a better position to obtain lower interest rates. The county is obligated but will have ownership of both buildings and can liquidate if necessary. Further, Saginaw County can aid the SCCMHA in correcting its cash flow challenges. Krafft stated the Budget Audit committee received detailed information from the SCCMHA Auditor and Interim Finance Director to offset concerns and the committee agreed this was the right thing to do. Hadsall appreciated the explanation but is still skeptical. Stack, as the Board of Commissioners’ member on the SCCMHA Board, explained that critical issues at the Albert & Woods and Hancock buildings need to be addressed and if SCCMHA had to pursue bonding on its own it would have to lessen services. In response to Dwan asking if the buildings could be combined, Sandra Lindsey, SCCMHA Director, described the function of both buildings and that it would not be feasible. After discussion, the Chairman called for the vote and the motion as to 4.2 carried with Nay votes recorded for Dwan and Harris.

FROM: COMMITTEE ON BUDGET/AUDIT -- 4.2 MAY 15, 2018

Your Budget/Audit Subcommittee considered Communication No. 5-15-11 from Sandra Lindsey, CEO, Saginaw County Community Mental Health Authority (SCCMHA), requesting Saginaw County approve issuance of a single bond issue in an amount not to exceed $4,700,000 for the purpose of financing capital projects.

We met with Ms. Lindsey, Richard Carpenter, Interim Finance Director, and Matthew Briggs, Contracts & Properties Manager, and reviewed the Financial Statements for period ending September 30, 2017. After that presentation, discussion was held regarding the request by SCCMHA to have Saginaw County finance the cost of (1) Paying off the remaining mortgage on the Albert & Woods (A & W) Professional Development Center building in the amount of $2,727,959 and (2) Capital improvements at the A & W building and the SCCMHA Hancock building in the amount of $1,784,486. AUDIENCES

- Commissioner Dwan read correspondence (on file) to commissioners on behalf of Jimmy Greene, CEO/President of Associated Builders & Contractors, who was unable to attend, regarding the State of Michigan repealing its prevailing wage law and requesting Saginaw County use a fair and open bidding process free of prevailing wage.
- Rick Riebschleger spoke regarding the proposed Adult Detention Center, the additional bonding that is necessary because of problems with the bids and the cost of the jail, and believes the Jail Project should be re-bid. He also spoke about the millages and his belief the requests are “bloated.” He stated Commissioner Dwan is the only commissioner who votes correctly.
- Armando Ramos, Agent for Local 1098 Laborers, spoke on worker safety and what he has seen on many construction sites with non-union workers. He stated that workers are injured or killed in the name of low construction costs.
- Evan Allardyce, Business Manager for IBEW Local 557, spoke regarding local jobs for local people with fair wages, the need for prevailing wage, and that vigilance is needed in vetting workers.

**LAUDATORY RESOLUTIONS**

**INITIATORY MOTIONS**

**REPORTS OF COMMITTEES**

**Executive Committee – C. Ruth, Chair**

6.1) Consideration of additional funding of the Saginaw County Adult Detention Center & Sheriff Administration Building

- Krafft moved, seconded by Stack, to approve 6.1. Discussion was held between commissioners, the Controller, and Herb Spence of Spence Brothers, regarding the bids coming in higher than expected, the possibility of re-bidding the project, and if the state repealing its prevailing wage regulation has an effect on our project.
- It was stated that re-bidding the project would cause in excess of a two (2) month delay with a minimum cost of $124,000 per month. In addition to those costs, companies that had lower bids the first time around could re-bid with higher amounts as wages and supply costs have risen since the original bid process took place. Mr. Spence informed commissioners that the original bidding contained a level playing field and if this project were re-bid it is likely the prices would go up since there was a 9% gap between the first and second bidder. Dwan thanked Mr. Spence for his information and stated we have a duty to our taxpayers to get the best price. Krafft agrees that re-bidding would cost the county more money, especially if the Board is asked to repeal our policy on prevailing wage.
- After discussion, the motion carried with Nay votes recorded for Dwan and Harris.

FROM: EXECUTIVE COMMITTEE -- 6.3                          JUNE 12, 2018

Your committee considered Communication No. 6-12-3, a recommendation from Robert V. Belleman, Controller/CAO, for authorization to finance (i.e. bonding) up to an additional $2 million for the Saginaw County Adult Detention and Sheriff Administration Building Project (“Jail Project”).

We met with the Controller and discussion was held regarding the meeting of the Building Authority held on June 7, 2018 and the report received from Spence Brothers regarding bid results compared to budget estimates for the Jail Project. An “Overall Project Cost Summary” spreadsheet and possible value engineering options to reduce the estimated $3,464,659 in increased Jail Project costs was reviewed. The Jail Project budget includes $1 million in contingencies and the architectural drawings and bid specifications are developed to a level where there should be minimal change orders or additional unforeseen conditions. Therefore, the County may not need all of the requested $2 million in additional funding but the Board of Commissioners will need to authorize additional funding up to $2 million for the Jail Project to proceed.

In addition, every month delay results in the County incurring approximately $124,000 in debt service on the original $39,275,264.60 bond issue. The original bond included $2,994,800 in capitalized interest to cover the annual principal and interest payments during the 24 month construction period. Construction was originally scheduled to commence in April 2018 but the Jail Project schedule has been adjusted to reflect construction commencing in July 2018.

It is the recommendation of this committee to accept the value engineering ideas contained in the “Potential Savings” document and authorize up to an additional $2 million in funding for the Jail Project.

Respectfully submitted,

Certificate of Recognition
Chief Robert B. Bowns

Robert B. Bowns joined the Taymouth Township Fire Department on October 5, 1971 where he served as a firefighter. He was promoted to Assistant Chief in 1973 and then appointed to Fire Chief where he has diligently served for 40 years from 1978 until April 1, 2018. Since 1978 Chief Bowns sacrificed a great deal, and has formed the fire department into what that it is today. Former Chief
Bowns remains on the department as a member and a firefighter. He has more than earned his semi-retirement. While his official title may change, he will forever be “Chief” to fellow firefighters. **Chief Bowns** served as past President of Saginaw County Fire Chief Association, member of the Saginaw County Firefighters Association, Charter member of Taymouth Firefighters Association and selected as 1992 “Taymouth Firefighter of the Year.” In his role as Chief, he saw the fire department grow from handling 354 incidents in 1978 and ran 300 plus incidents per year for years. In 2016 the department went to Selective Dispatching because of needless non-emergency calls. This was to reduce the cost and wear on personnel. In 2017 there were 229 incident with 100 incidents to date this year.

**The Taymouth Township Fire Department** formed in Burt, Michigan in 1965 as a volunteer fire department and moved to the current station located in Taymouth Township, Michigan in 1975. The Department celebrated its 50th anniversary in 2015. Currently, they have 19 firefighters who are on paid On Call status. The Station Number is 73-19 - 73 symbolizes Saginaw County and 19 is the fire department number in Saginaw County. In addition to firefighting, the department also has two units for licensed non-transport Basic Life Support medical first responders, ATV off road rescue and brush unit, boat and trailer and 6 units all together. The department protects an area of approximately 36 square miles containing a residential population of more than 4,386 people.

In this cynical age, firefighting remains a heroic and noble profession. No two days are alike, and the work is as varied as it is unpredictable. Although the life of a firefighter may seem exciting and glamorous, it has many challenges. Camaraderie and strong bonds between co-workers, along with respect from grateful members of the community is extremely rewarding. However, firefighting is a physically demanding and dangerous occupation. The work requires firefighters to think on their feet, rapidly assess the problem at hand, plan a course of action and then quickly react when conditions change. Throughout an emergency, a firefighter must maintain a constant and heightened awareness, never losing sight of the broader picture while attending to a specific task. Adventure, challenge, variety, teamwork, service, skill and satisfaction are all aspects of a firefighter’s life.

**The Saginaw County Board of Commissioners** thanks Robert B. Bowns for his 40 years of dedication as Chief to the citizens of Taymouth Township and Saginaw County. Let his leadership be an example to all of us.

Respectfully Submitted,

**INITIATORY MOTION**

Theisen moved, seconded by Dwan, to approve a motion to waive the hiring freeze and authorize filling the position of Account Clerk III in the Register of Deeds. Discussion was held with Penny Klein, Deputy Register of Deeds, regarding the request coming to the Board Session outside of the committee process and the necessity to fill the position quickly because the office is short-staffed. After discussion, the motion carried.
INITIATORY MOTION

Hadsall moved, seconded by Theisen, to approve a request from the Information Technology (IT) Department to move $70,600 from the 10 GB Network Backbone Update Project surplus, and $3,120.80 from the Fire Suppression Project surplus (Account #636-25800-97000) to Computer Software Licensing (Account #636-25800-94411) to purchase Datacenter Licenses and authorize the proper County officials to make the proper adjustments. Discussion was held with Josh Brown, IT Director, regarding the urgency of the request and he explained his department was notified recently of the need to upgrade its licensing and with the Board of Commissioners not meeting until August it would cause his staff to not be able to perform certain duties. After discussion, the motion carried.

FROM: COMMITTEE ON HUMAN SERVICES – 1.1 JUNE 19, 2018

Your committee has considered Communication No. 6-19-9 from Christina Harrington, Health Officer, Public Health, requesting approval of the Accounts Receivable Write-Off and Comparison Reports for the period of October 1, 2016 through September 30, 2017.

We met with Ms. Harrington who provided a brief explanation of each report and she explained the noticeable difference between years 2016 and 2017 was the result of not being compensated for lab testing completed for the City of Detroit, which amounted to $65,000.

We recommend approval of the attached Accounts Receivable Write-Off and Comparison Reports for the period of October 1, 2016 through September 30, 2017.

Respectfully submitted,

COMMITTEE ON HUMAN SERVICES

RESOLUTIONS

RESOLUTION “A”
BOARD OF COMMISSIONERS
COUNTY OF SAGINAW

At a regular meeting of the Board of Commissioners of the County of Saginaw, Michigan, held on the 19th day of June 2018.

PRESENT: Kathleen K. Dwan, Cheryl M. Hadsall, Kyle R. Harris, Kirk W. Kilpatrick, Dennis H. Krafft, Susan A. McInerney, Carl E. Ruth, Charles M. Stack, James G. Theisen, Michael A. Webster – 10

ABSENT: Amos O’Neal – 1

Commissioner Hadsall offered the following resolution and moved for adoption. The motion was seconded by Commissioner Kilpatrick.

WHEREAS, Michigan Public Act 93 of 2013 created the Michigan Indigent Defense Commission (MIDC), authorized the MIDC to establish minimum standards for the provision of indigent defense services, mandated compliance plans from all Michigan counties by November 20, 2017 to address the first four indigent defense standards, and mandated that any additional costs required to implement these minimum standards be paid by the state; and,

WHEREAS, Saginaw County developed and submitted its compliance plan for implementing the first four indigent defense standards on November 20, 2017; and,

WHEREAS, MIDC approved Saginaw County’s Compliance Plan, but rejected its cost analysis on January 18, 2018; and,

WHEREAS, Saginaw County had until February 20, 2018 to re-submit its cost analysis; and,

WHEREAS, MIDC issued its approval of the County’s cost analysis on April 20, 2018; and,
WHEREAS, Governor Snyder has now proposed a Fiscal Year 2019 budget for the State of Michigan, which includes what appears to be insufficient funding to pay the additional indigent defense expenses that are anticipated in association with implementation of the first four indigent defense minimum standards, as required by Public Act 93 of 2013; and,
WHEREAS, realizing state funding as currently proposed, appears to be insufficient and in violation of Public Act 93 of 2013, the Governor has further proposed amendatory legislation, “to clarify and improve” Public Act 93 of 2013, which includes, among other things, establishing a minimum local share of indigent defense costs to $7.25 per capita and requiring that 90 percent of the revenue now collected by the counties from partially indigent defendants be remitted to the state to support statewide system costs; and,
WHEREAS, it has been determined that the proposed amendatory changes to Public Act 93 of 2013 would result in an increase in expense to Saginaw County to provide indigent defense services in compliance with the first four standards.

THEREFORE, BE IT RESOLVED, the Saginaw County Board of Commissioners hereby opposes any amendatory legislation to Public Act 93 of 2013 that would reduce or eliminate the State of Michigan’s fiduciary responsibility to pay any and all costs required to implement the minimum indigent defense standards, as presently legislated and/or that would result in any county revenues related to indigent defense being diverted to the Stare of Michigan; and,

BE IT FURTHER RESOLVED, the Board of Commissioners remains committed to implementing the new minimum indigent defense standard as mandated by MIDC, so long as the State of Michigan remains true to its original commitment to pay for any additional costs above and beyond the County’s three year average to implement the Compliance Plan; and,

BE IT FURTHER RESOLVED, that a copy of this resolution be forwarded to Governor Snyder, Senator Horn and Representatives Kelly and Guerra and to the Michigan Association of Counties.

RESOLUTION “B”
BOND RESOLUTION

At a regular meeting of the Board of Commissioners of the County of Saginaw, Michigan (the "County"), held on the 19th day of June, 2018.

PRESENT:  Kathleen K. Dwan, Cheryl M. Hadsall, Kyle R. Harris, Kirk W. Kilpatrick, Dennis H. Krafft, Susan A. McInerney, Carl E. Ruth, Charles M. Stack, James G. Theisen, Michael A. Webster – 10

ABSENT:  Amos O’Neal – 1

Commissioner Krafft offered the following resolution and moved for adoption. The motion was seconded by Commissioner Theisen.

WHEREAS, the Board of Commissioners of the County (the "Board") does hereby determine that it is necessary to finance the cost of acquiring, constructing, improving and equipping Saginaw County Community Mental Health Authority facilities located in the County (the "Project"); and,

WHEREAS, it is anticipated that all or a portion of the Project will be leased by the County to the Saginaw County Community Mental Health Authority; and,

WHEREAS, the cost of the Project is estimated not to exceed Four Million Seven Hundred Thousand Dollars ($4,700,000); and,

WHEREAS, the Board has determined to issue bonds in one or more series and to use the proceeds of the sale of such bonds to finance the Project.

THEREFORE, BE IT RESOLVED by the Board of Commissioners of the County of Saginaw, Michigan, as follows:

25. AUTHORIZATION OF BONDS – PURPOSE. Bonds of the County aggregating the principal sum as determined by order of the Controller/Chief Administrative Officer, but not to exceed Four Million Seven Hundred Thousand Dollars ($4,700,000), shall be issued and sold in one or more series for the purpose of defraying all or part of the cost of the Project.

26. BOND DETAILS. The bonds shall be designated "Limited Tax General Obligation Bonds, Series _____" (with the year of delivery of the bonds and a letter designated by the Controller/Chief Administrative Officer to be inserted in the blank for each series of bonds), shall be dated the date of their delivery; shall be numbered from 1 upwards; shall be fully registered; shall be in the denomination of $5,000 each or any integral multiple thereof not exceeding the aggregate principal amount for each maturity at the option of the purchaser thereof; shall bear interest at a rate or rates not exceeding 6% per annum to be determined upon the sale thereof and payable semiannually on such dates as shall be determined by order of the Controller/Chief Administrative Officer; and shall be serial and/or term bonds and mature on such dates and in such amounts as shall be determined by order of the Controller/Chief Administrative Officer;
provided, however, that the final principal maturity of each series of bonds shall be not later than 20 years from the date of their issuance. If the original purchaser of the bonds shall designate certain of the bonds as term bonds, the principal maturities of the bonds shall become mandatory redemption requirements in accordance with the provisions of Section 6 and the form of bond set forth in Section 10. If requested by the original purchaser of the bonds and determined by the Controller/Chief Administrative Officer, the bonds may be issued in the form of a single bond with an exhibit containing the principal maturity amounts and applicable interest rates and due dates.

In the absence of the Controller/Chief Administrative Officer, the County Treasurer shall exercise any authority granted to the Controller/Chief Administrative Officer as contemplated by and in furtherance of the provisions of this Bond Resolution.

27. **PAYMENT OF PRINCIPAL AND INTEREST.** The principal of and interest on the bonds shall be payable in lawful money of the United States. Principal shall be payable upon presentation and surrender of the bonds to the bond registrar and paying agent as they severally mature; provided, however, if the bonds are issued in the form of a single bond, the Controller/Chief Administrative Officer may determine that such presentation and surrender of the bonds is not required for payment and all other principal installments shall be paid to the registered owner of the bond as shown on the registration books. Interest shall be paid to the registered owner of each bond as shown on the registration books at the close of business on the 15th day of the calendar month preceding the month in which the interest payment is due. Interest shall be paid when due by check or draft drawn upon and mailed by the bond registrar and paying agent to the registered owner at the registered address.

28. **BOOK-ENTRY SYSTEM.** Initially, one fully-registered bond for each maturity, in the aggregate amount of such maturity, shall be issued in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC") for the benefit of other parties (the "Participants") in the book-entry-only transfer system of DTC. In the event the County determines that it is in the best interest of the County not to continue the book-entry system of transfer or that the interests of the holders of the bonds might be adversely affected if the book-entry system of transfer is continued, the County may notify DTC and the bond registrar and paying agent, whereupon DTC will notify the Participants of the availability through DTC of bond certificates.

In such event, the bond registrar and paying agent shall deliver, transfer and exchange bond certificates as requested by DTC and any Participant or "beneficial owner" in appropriate amounts in accordance with this Bond Resolution. DTC may determine to discontinue providing its services with respect to the bonds at any time by giving notice to the County and the bond registrar and paying agent and discharging its responsibilities with respect thereto under applicable law or the County may determine that DTC is incapable of discharging its duties and may so advise DTC. In either such event, the County shall use reasonable efforts to locate another securities depository. Under such circumstances (if there is no successor securities depository), the County and
the bond registrar and paying agent shall be obligated to deliver bond certificates in accordance with the procedures established by this Bond Resolution. In the event bond certificates are issued, the provisions of this Bond Resolution shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of and interest on such certificates. Whenever DTC requests the County and the bond registrar and paying agent to do so, the County and the bond registrar and paying agent shall cooperate with DTC in taking appropriate action after reasonable notice to make available one or more separate certificates evidencing the bonds to any Participant having bonds credited to its DTC account or to arrange for another securities depository to maintain custody of certificates evidencing the bonds.

Notwithstanding any other provision of this Bond Resolution to the contrary, so long as any bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, interest on and redemption premium, if any, on the bonds and all notices with respect to the bonds shall be made and given, respectively, to DTC. The Controller/Chief Administrative Officer is authorized to sign the Blanket Issuer Letter of Representations on behalf of the County in such form as such official deems necessary or appropriate in order to accomplish the issuance of the bonds in accordance with law and this Bond Resolution.

Notwithstanding any other provision of this Bond Resolution to the contrary, if the Controller/Chief Administrative Officer deems it to be in the best interest of the County, the bonds shall not initially be issued through the book-entry-only transfer system of DTC.

29. **OPTIONAL REDEMPTION.** The Bonds shall be subject to optional redemption prior to maturity upon such terms and conditions as shall be determined by order of the Controller/Chief Administrative Officer.

30. **MANDATORY PRIOR REDEMPTION.** If any of the bonds are designated by the original purchaser as term bonds such bonds shall be subject to mandatory prior redemption at par and accrued interest in accordance with the maturity schedule determined by the Controller/Chief Administrative Officer and upon the terms and conditions set forth in the form of bond contained in Section 10 hereof. The bonds to be redeemed shall be selected by lot.

31. **BOND REGISTRAR AND PAYING AGENT.** The County Treasurer shall designate, and may enter into an agreement with, a bond registrar and paying agent for the bonds that shall be a bank or trust company located in the State of Michigan that is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The County Treasurer may from time to time as required designate a similarly qualified successor bond registrar and paying agent. Alternatively, the Treasurer may serve as bond registrar and paying agent for the bonds if the Controller/Chief Administrative Officer determines it is in the best interest of the County.
32. **EXECUTION, AUTHENTICATION AND DELIVERY OF BONDS.** The bonds shall be executed in the name of the County by the facsimile signatures of the Chairperson of the Board and the County Clerk and authenticated by the manual signature of an authorized representative of the bond registrar and paying agent, and the seal of the County (or a facsimile thereof) shall be impressed or imprinted on the bonds. After the bonds have been executed and authenticated for delivery to the original purchaser thereof, they shall be delivered by the County Treasurer or the Controller/Chief Administrative Officer to the purchaser upon receipt of the purchase price. Additional bonds bearing the facsimile signatures of the Chairperson of the Board and the County Clerk and upon which the seal of the County (or a facsimile thereof) is impressed or imprinted may be delivered to the bond registrar and paying agent for authentication and delivery in connection with the exchange or transfer of bonds. The bond registrar and paying agent shall indicate on each bond the date of its authentication.

33. **EXCHANGE AND TRANSFER OF BONDS.** Any bond, at the option of the registered owner thereof and upon surrender thereof to the bond registrar and paying agent with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or his duly authorized attorney, may be exchanged for bonds of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered bond.

Each bond shall be transferable only upon the books of the County, which shall be kept for that purpose by the bond registrar and paying agent, upon surrender of such bond together with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or his duly authorized attorney.

Upon the exchange or transfer of any bond, the bond registrar and paying agent on behalf of the County shall cancel the surrendered bond and shall authenticate and deliver to the transferee a new bond or bonds of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered bond. If, at the time the bond registrar and paying agent authenticates and delivers a new bond pursuant to this section, payment of interest on the bonds is in default, the bond registrar and paying agent shall endorse upon the new bond the following: "Payment of interest on this bond is in default. The last date to which interest has been paid is [insert applicable date]."

The County and the bond registrar and paying agent may deem and treat the person in whose name any bond shall be registered upon the books of the County as the absolute owner of such bond, whether such bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such bond and for all other purposes, and all payments made to any such registered owner, or upon his order, in accordance with the provisions of Section 3 of this Bond Resolution shall be valid and effectual to satisfy and discharge the liability upon such bond to the extent of the sum or sums so paid, and neither the County nor the bond registrar and paying agent shall be affected by any notice to the contrary. The County agrees to indemnify and save the
bond registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

For every exchange or transfer of bonds, the County or the bond registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

34. **FORM OF BONDS.** The bonds shall be in substantially the following form, with such changes as approved by the Controller/Chief Administrative Officer and consistent with the terms of this Bond Resolution:

the principal and interest on the bonds authorized by this Bond Resolution. Each year
the County shall include in its budget as a first budget obligation an amount sufficient to
pay such principal and interest as the same shall become due. The ability of the County
to raise funds for the payment of the principal of and interest on the bonds is subject to
applicable constitutional and statutory limitations on the taxing power of the County.
The amount of taxes necessary to pay the principal of and interest on the bonds,
together with the taxes levied for the same year, shall not exceed the limit authorized. It
is anticipated that the principal of and interest on the bonds will be paid primarily from
revenues from leases or other agreements with the Saginaw County Community Mental

Officer is hereby authorized to determine the estimated period of usefulness of the
Project for which the bonds are to be issued. The bonds shall comply with the maturity
34”), particularly section 501 thereof. The estimated cost of the Project in the amount
of $4,700,000 as submitted to the Board is hereby approved and adopted.

bonds there shall be set aside in the Principal and Interest Fund, which Principal and
Interest Fund is hereby established, (i) any accrued interest received from the purchaser
of the bonds at the time of delivery of the bonds, (ii) such premium, if any, received

determined by the Controller/Chief Administrative Officer, and (iii) such amount, if any,

on such date or dates determined by the Controller/Chief Administrative Officer, which
interest is hereby capitalized. The remainder of the proceeds of the sale of the bonds shall be set aside in a construction fund and used to pay the costs of issuing the bonds and to acquire and construct the Project.

38. **TAX COVENANT.** The County covenants to comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Code") necessary to assure that the interest on the bonds will be and will remain excludable from gross income for federal income tax purposes.

39. **NOT QUALIFIED TAX-EXEMPT OBLIGATIONS.** The bonds are not designated as "Qualified Tax-Exempt Obligations" as described in Section 265(b)(3)(B) of the Code.

40. **DEFEASANCE.** In the event cash or direct obligations of the United States or obligations the principal of and interest on which are guaranteed by the United States, or a combination thereof, the principal of and interest on which, without reinvestment, come due at times and in amounts sufficient to pay, at maturity or irrevocable call for earlier optional redemption, the principal of, redemption premium, if any, and interest on the bonds, or any portion thereof, shall have been deposited in trust, this Bond Resolution shall be defeased with respect to such bonds, and the owners of the bonds shall have no further rights under this Bond Resolution except to receive payment of the principal of, redemption premium, if any, and interest on the bonds from the cash or securities deposited in trust and the interest and gains thereon and to transfer and exchange bonds as provided herein.

41. **REPLACEMENT OF BONDS.** Upon receipt by the County Treasurer of proof of ownership of an unmatured bond, of satisfactory evidence that the bond has been lost, apparently destroyed or wrongfully taken and of security or indemnity that complies with applicable law and is satisfactory to the County Treasurer, the County Treasurer may authorize the bond registrar and paying agent to deliver a new executed bond to replace the bond lost, apparently destroyed or wrongfully taken in compliance with applicable law. In the event an outstanding matured bond is lost, apparently destroyed or wrongfully taken, the County Treasurer may authorize the bond registrar and paying agent to pay the bond without presentation upon the receipt of the same documentation required for the delivery of a replacement bond. The bond registrar and paying agent, for each new bond delivered or paid without presentation as provided above, shall require the payment of expenses, including counsel fees, which may be incurred by the bond registrar and paying agent and the County in the premises. Any bond delivered pursuant to the provisions of this Section 17 in lieu of any bond lost, apparently destroyed or wrongfully taken shall be of the same form and tenor and be secured in the same manner as the bond in substitution for which such bond was delivered.

42. **APPROVAL OF DEPARTMENT OF TREASURY.** If the issuance and sale of the bonds shall be subject to permission being granted therefor by the Michigan Department of Treasury pursuant to Act 34, the Controller/Chief Administrative Officer is authorized and directed to make application to the Department of Treasury for permission to issue and sell the bonds as provided by the terms of this Bond Resolution and by Act 34.
Controller/Chief Administrative Officer is authorized to request such waivers of the requirements of the Department of Treasury or Act 34 as the Controller/Chief Administrative Officer shall determine to be necessary or desirable in connection with the sale of the bonds, including but not limited to a waiver of the credit rating requirement on the bonds.

43. **SALE, ISSUANCE, DELIVERY, TRANSFER AND EXCHANGE OF BONDS.** The bonds shall be sold pursuant to a negotiated sale as hereinafter provided, and it is hereby determined that such negotiated sale is in the best interests of the County and is calculated to provide the County with the lowest issuance costs and other costs of borrowing money through the issuance of the bonds. The bonds shall be sold either to a purchaser in connection with a private placement by Robert W. Baird & Co. (the “Placement Agent”) or to Robert W. Baird & Co. as underwriter (the "Underwriter"), in connection with a public offering of the bonds, as determined by the Controller/Chief Administrative Officer to be in the best interest of the County, in either case at a price determined by Controller/Chief Administrative Officer. The sale for the private placement of the bonds may be made pursuant to a request for proposals as determined by order of the Controller/Chief Administrative Officer, and the Controller/Chief Administrative Officer is authorized to determine the compensation to be paid to the Placement Agent and execute and deliver such documents as Controller/Chief Administrative Officer shall determine to be necessary or desirable in connection with the sale of the bonds.

Alternatively, the Controller/Chief Administrative Officer is authorized to negotiate a bond purchase agreement with the Underwriter at or prior to the time of the sale of the bonds. Such bond purchase agreement shall set forth the principal amount, principal maturities and dates, interest rates and interest payment dates, redemption provisions, purchase price to be paid by the Underwriter and compensation to be paid to the Underwriter with respect to the bonds, as well as such other terms and provisions as the Controller/Chief Administrative Officer determines to be necessary or appropriate in connection with the sale of the bonds.

The Chairperson of the Board of Commissioners, the County Treasurer, the County Clerk, the Controller/Chief Administrative Officer and all other officials of the County are authorized to do all things necessary to effectuate the sale, issuance, delivery, transfer and exchange of the bonds in accordance with the provisions of this Bond Resolution.

44. **OFFICIAL STATEMENT; CONTINUING DISCLOSURE:** The Controller/Chief Administrative Officer is hereby authorized, if necessary, to cause the preparation of a preliminary official statement and a final official statement for the bonds for the purpose of enabling compliance with SEC Rule 15c2-12 (the "Rule") by the successful bidder or bidders and to do all other things necessary to enable compliance with the Rule by the successful bidder or bidders. After the award of the bonds, the County shall provide, on a timely basis and in reasonable quantity as requested by the successful bidder or bidders to enable the successful bidder or bidders to comply with paragraphs (b)(3) and (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board.
The Controller/Chief Administrative Officer is hereby authorized, if necessary, to execute and deliver in the name of and on behalf of the County (i) a certificate of the County to comply with the requirement for a continuing disclosure undertaking of the County pursuant to subsection (b)(5) or (d)(2) of the Rule, as applicable, and (ii) amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Certificate"). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. The remedies for any failure of the County to comply with or carry out the provisions of the Continuing Disclosure Certificate shall be as set forth therein.

1.1) Public Health, re: Amendment of FY 2018 Fee Schedule to add the Shingrix vaccine at a cost of $145 and to begin offering the vaccine to the public prior to October 1, 2018

- McInerney moved, seconded by Dwan, to approve 1.1. Motion carried.

FROM: COMMITTEE ON HUMAN SERVICES – 1.1 AUGUST 21, 2018

Your committee has considered Communication No. 8-21-22 from Christina Harrington, Health Officer, Public Health, requesting an amendment of its FY 2018 Fee Schedule to add a new vaccine, Shingrix, at a cost of $145.00, which would allow Public Health to begin offering the vaccine prior to October 1, 2018.

We met with Ms. Harrington who explained that Public Health already has the vaccine in supply. This vaccine is 90% effective in protecting individuals against complications of shingles which is an improvement over the current vaccine available.

We recommend approval to amend the FY 2018 Fee Schedule for Public Health to add the Shingrix vaccine at a cost of $145.00 and to begin offering the vaccine to the public prior to October 1, 2018.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.1 AUGUST 21, 2018

Your committee considered Communication No. 8-21-15 from Sheriff William Federspiel, requesting approval to apply for, and accept if awarded, a grant in the amount of $60,732 from the Department of Justice (DOJ), Byrne Justice Assistance Grant (JAG) to be split evenly with the City of Saginaw. We met with Lt. Marsha Austin, Lt. Ebony Rasco and Controller Robert Belleman, who indicated the JAG allocation has been made to Saginaw County and the City of Saginaw. Because the DOJ has designated the above-named units as disparate jurisdictions, Saginaw County must, as fiscal agent, submit a joint application for the total eligible allocation of $60,732. The joint application must specify the award distribution to each unit of government, the purpose for which the grant funds will be used, and signed Memorandums of Understanding. The Saginaw County Sheriff’s Office is negotiating the disbursement with the Saginaw City Police Department. We recommend the Sheriff and/or his designee be authorized to submit a grant application to the Department of Justice and accept the grant, if awarded; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.2 AUGUST 21, 2018

Your committee considered Communication No. 8-21-30 from Mary Stec, Community Corrections, requesting approval of the FY 2019 Community Corrections Grant from the Michigan Department of Corrections (MDOC) and to accept the awarded amount of funds. We met with Ms. Stec and Judge Patrick McGraw, Chief Judge, who informed the committee that Michigan Department of Corrections had requested the Saginaw County Community Corrections office revise and resubmit its FY 2019 Community Corrections grant. At its July 25, 2018 Advisory Board meeting, the members and Ms. Stec reviewed the grant and its revisions in detail and the board approved it be submitted to the MDOC. The FY 2019 grant was submitted to the MDOC on July 27, 2018 asking for a total of $634,000. Due to the grant revisions and procedural issues, the Michigan Department of Corrections has indicated they are unwilling to commit to a full year of grant funding for the 2019 fiscal year for programs and services which focus on Saginaw County jail
utilization, court programs and functions and efforts that reduce Saginaw county prison commitment rates. These programs and services which are slated to go unfunded will significantly impact the operations of pretrial services, both circuit and district courts, and the Saginaw County Jail. Total funding recommendation from MDOC is $206,933.

We recommend approval of the FY 2019 Community Corrections Grant from the Michigan Department of Corrections and to accept the awarded amount of funds of $206,933.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.3          *AMENDED      AUGUST 21, 2018
Your committee considered Communication No. 8-21-25 from Robert Belleman, Controller/CAO, requesting budget amendments to the Animal Control Operating Budget and the Animal Control Shelter Donations Budget in the total amount of $159,969 to cover anticipated shortfalls in revenue and expected increases in expenses.

We met with Mr. Belleman and Michelle Sawyer, Interim Animal Care & Control Director, who informed the committee that additional funds are needed for emergency medical care and other invoices that are expected to be received before the end of the fiscal year. Discussion included continuation of the Trap-Neuter-Release (TNR) program, where feral and/or community cats are captured, spayed or neutered, tested for leukemia, and then released back into the area. Further discussion about how much money could be used from the donation fund vs. general fund was also explored. Mr. Belleman recommended having a $10,000 cushion for TNR. The committee instructed the Controller to utilize the maximum amount of the Donations Fund to offset the budget shortfall, including $10,000 for TNR. The initial request of $159,969 has been modified.

Mr. Belleman proposes to address these revenue shortfalls and expenditure increases through the following budget adjustments:

| Increase Use of Animal Control Fund Balance (250-43000-69433) | $50,000 |
| Contribution from General Fund Fund Balance (101-92500-69433) | $87,000 |
| Increase Use of Shelter Donations Fund Balance (250-43099-69433) | $61,613 |
| **Total Additional Appropriations:** | **$198,613** |

We recommend approval to amend the Animal Control Operating Budget, the Animal Control Shelter Donations Budget, and the General Fund Budget in the total amount of $198,613 to cover anticipated shortfalls in revenue and expected increases in expenses *and to use the General Fund dollars as an advancement until millage dollars are received*. Your committee considered Communication No. 8-21-38 from Robert Belleman, Controller/CAO, requesting approval of a Real Estate Purchase Agreement between the County of Saginaw and Walter Martin, Jr. and John E. Martin for property at 803 Court Street for the county to provide space for a non-profit Public Defender’s Office as a result of the Michigan Indigent Defense Commission (MIDC) Compliance Plan.
We met with Mr. Belleman who informed the committee that the County of Saginaw desires to purchase 803 Court Street for $300,000 for the Public Defender’s Office. The Executive Committee authorized Mr. Belleman to negotiate the acquisition of 803 Court Street with the final purchase price within the agreed upon price range. The property has been appraised and inspected with the proposed purchase price being consistent with the appraisal.

The County of Saginaw submitted its MIDC Compliance Plan, which recommends the establishment of a non-profit Public Defender’s Office consisting of nine (9) attorneys and support staff. The Plan also recommends the continuation of a Managed Assigned Counsel system to assist with caseload. The County’s MIDC Compliance Plan budget included rent for office space. The plan estimated rent at $7.50 per square feet for approximately 7500 square feet. The Public Defender’s Office will pay the County rent use of 803 Court Street. There are four apartments with two currently occupied.

We recommend approval of a Real Estate Purchase Agreement between the County of Saginaw and Walter Martin, Jr. and John E. Martin for property at 803 Court Street and authorize the proper county officials to facilitate the purchase.

Your Budget/Audit Committee considered Communication No. 8-21-31 from Mary Stec, Community Corrections Manager, requesting (1) To amend its FY 2018 Budget using General Fund dollars to support a portion of its Administrative Assistant’s wages not covered by Community Corrections funding; and (2) To amend its FY 2019 Budget using General Fund Dollars in the amount of $368,441, eliminate one (1) FT position of Administrative Assistant, and adjust the Community Corrections Manager’s PCN to reflect 77% funding contributed by the General Fund and the remaining 23% from the Community Corrections Budget. *(The portion of this request noted by strike-out was addressed in Board Report 8-21-4.2)*

We met with Ms. Stec and Judge Patrick McGraw, and lengthy discussion was held regarding the request. The FY 2018 grant award from the Michigan Department of Corrections (MDOC) did not include enough funding to cover her wages or wages for her Administrative Assistant, due to the administration program description being inadvertently omitted from the submission. Ms. Stec and
Community Corrections Advisory Board (CCAB) members worked with the MDOC and Senator Ken Horn’s office regarding funding opportunities and proposed budget amendments within the grant to cover these wages. Until a decision is made by the MDOC, Ms. Stec is requesting appropriation of General Fund dollars to support the wages of her Administrative Assistant until the end of the fiscal year.

We recommend approval to amend the Community Corrections FY 2018 Budget to use up to $56,000 from the General Fund to fund the Administrative Assistant position until September 30, 2018, pending notification by the Michigan Department of Corrections.

The Court and the Department of Health & Human Services (DHHS) are attempting to control systemic issues, including late billings by private institutions that the county is obligated to pay, a sharp increase of youth requiring medical or mental health treatment that is not offered or it cannot be offered in the community, and the increased cost associated with institutional care. The Michigan Employees’ Retirement System (MERS) 2018 Annual Meeting of participating municipalities will be held at the Amway Grand Plaza Hotel, Grand Rapids, Michigan October 4, 2018 to October 5, 2018. In accordance with the provisions of Act 427, P.A. 1984, the Michigan Employees Retirement Act, the governing body of each participating municipality must certify to the MERS Board an officer and employee delegate to represent them at the meeting. The officer delegate is selected by the governing body of the participating municipality. The employee delegate is elected by employee members of the Retirement System. In Communication No. 8-21-10, Amy J. Deford, Retirement Administrator, reports that Cathy Brickel, Controller’s Office, was elected as the employee delegate.
It is the recommendation of your Labor Relations Subcommittee that Koren Thurston, Finance Director, be appointed as the Officer Delegate and Cathy Brickel as the Employee Delegate; further, that the proper County officials certify the delegates to represent Saginaw County at the MERS Annual Meeting with expenses paid by the Retirement Fund.

Your Labor Relations Committee considered Communication No. 8-21-2 from Paula McGlown, 10th Circuit Court Administrator, requesting waiver of the hiring freeze and approval to fill the position of Friend of the Court Director.
We met with Ms. McGlown who stated that the current director is retiring and this position will be vacant in January 2019. Because the qualified replacement must be an attorney with experience in Family Law, familiar with Friend of the Court operations, and possess good management skills, it is necessary to post the position to the public as soon as possible in order to have a replacement in place prior to retirement of the current director.

We met with Ms. James who stated that these positions have high turnover due to transfers to other county department and low wages. Employees often use these positions in District Court as a stepping stone and when a higher wage position becomes available they apply and take new positions within the county or leave the county to take a higher paying job in the private sector. All positions are funded and in the budget.

We recommend approval to waive the hiring freeze and fill the positions of two (2) Traffic Clerk Cashiers; Traffic Clerk/Cashier – Disposition Clerk; Civil Division Supervisor; Recorder/Secretary; and Traffic Abstract/Warrant Clerk.

FROM: EXECUTIVE COMMITTEE -- 6.1 AUGUST 21, 2018

The Executive Committee received a Memo from Suzy Koepplinger, Board Coordinator, regarding a request from the Michigan Department of Transportation to amend the legal description that was part of the Resolution and Order Approving enlargement of Boundaries of the Village of Chesaning approved by the Board of Commissioners at its March 2018 meeting.

The Board Coordinator explained that all documentation regarding the annexation of property in Chesaning was sent to the State of Michigan, Office of the Great Seal, in March. All annexation property descriptions are reviewed by the Michigan Department of Transportation and Saginaw County was notified in June 2018 that the legal description was “good” but should be amended to read for the property to follow the west bank of the Shiawassee River and abut the current village boundary.

We recommend approval of the Amended Resolution and Order Approving Enlargement of Boundaries of the Village of Chesaning, Saginaw County, Michigan proposed under the regular order of business as Resolution “C.”

WHEREAS, proceedings have been taken by the Drainage Board for the Misteguay Creek Intercounty Drain for improvements to the Misteguay Creek Intercounty Drain (the “Project”) pursuant to a petition filed with the Saginaw County Public Works Commissioner under the provisions of Chapter 8 of the Drain Code of 1956, as amended (the “Drain Code”); and,

WHEREAS, in order to refinance a note previously issued by the Misteguay Creek Intercounty Drain Drainage District (the “Drainage District”) in the principal amount of $800,000 to pay for certain preliminary costs of acquiring and constructing the Project, the Drainage District issued a note on October 14, 2015 designated “Misteguay Creek Intercounty Drain Note, Series 2015” (as subsequently amended as described below, the “Note”) in the principal amount of $800,000, bearing interest at the rate of 1.49% per annum and maturing on February 1, 2017, in anticipation of bonds (the “Bonds”) to be issued by the Drainage District to provide the permanent financing for the Project; and,

WHEREAS, as a result of amendments to the Note subsequent to the date of issuance thereof, the Note now bears interest at the rate of 1.89% per annum and matures on September 1, 2018; and,

WHEREAS, 17.0% of the cost of the Project has been apportioned by the Drainage Board to the County of Genesee, 43.0% of such cost has been apportioned by the Drainage Board to the County of Saginaw (the “County”) and 40.0% of such cost has been apportioned by the Drainage Board to the County of Shiawassee; and,

WHEREAS, by resolution adopted by the Board of Commissioners of the County of Saginaw on February 21, 2017, the County of Saginaw pledged its limited tax full faith and credit to the prompt payment of 43% of the principal of and interest on the Note when due on September 1, 2018; and,

WHEREAS, the Bonds will not be issued on or before September 1, 2018 and as a result, at the request of the Drainage Board, the purchaser of the Note has agreed to extend the maturity date of the Note from September 1, 2018 to September 1, 2019, bearing interest at a new rate of 2.79% per annum, provided that the County of Genesee, the County of Saginaw and the County of Shiawassee

WHEREAS, the Project is necessary to protect and preserve the public health and it is in the best interest of the County of Saginaw that the maturity date of the Note be extended to September 1, 2019.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE COUNTY OF SAGINAW:

1. Pursuant to the authorization provided in Section 434 of the Drain Code, the Saginaw County Board of Commissioners, by a 2/3 vote of its members, does hereby irrevocably pledge the limited tax full faith and credit of the County of Saginaw for the prompt payment of 43.0% of the principal of and interest on the Note when due on September 1, 2019, and does agree that in the event that the Bonds are not issued prior to September 1, 2019 and that moneys are not otherwise available to the Drainage District on such date to pay such principal and interest, the County Treasurer is directed to immediately make such advancement from general funds of the County to the extent necessary to pay the County’s share of the principal of and interest on the Note when due. The ability of the County to levy taxes to pay its share of the principal of and interest on the Note shall be subject to constitutional and statutory limitations on the taxing power of the County.

2. In the event that, pursuant to said pledge of full faith and credit, the County of Saginaw advances out of County funds, any part of the principal of and interest due on the Note, it shall be the duty of the County Treasurer, for and on behalf of the County of Saginaw, to take all actions and proceedings and pursue all remedies permitted or authorized by law for the reimbursement of such sums so paid.

3. This resolution shall become effective only if the Board of Commissioners of the County of Genesee and the Board of Commissioners of the County of Shiawassee each adopt a resolution substantially in the form of this resolution that pledges the limited tax full faith and credit of each respective county to the payment of the principal of and interest on the Note when due on September 1, 2019 to the extent of its apportioned share of the cost of the Project.

4 All resolutions and part of resolutions, insofar as the same may be in conflict with the provisions of this resolution, are hereby rescinded.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.1  
SEPTEMBER 18, 2018

Your committee considered Communication No. 9-18-1 from Susan Prine, Friend of the Court, requesting creation of a temporary Personnel Control Number (PCN) for approximately two (2) months (November/December 2018) to allow for training a new Friend of the Court (FOC) Director, due to the retirement of the current FOC Director.

We met with Paula McGlown, Circuit Court Administrator, who indicated Susan Prine’s last day of employment will be January 2, 2019. It is imperative that the new Friend of the Court be trained to perform Susan Prine’s duties. The amount of time needed for training will depend on who is selected. If that individual is already an employee in the FOC office, or in the FOC in another County, the training will not take as long compared to someone who has not worked in a FOC office. Regardless, the training needed should not take longer than two (2) months. The new Friend of the Court will hopefully start by the beginning of November which makes it necessary to have a temporary PCN number. Funds are available in the FY 2019 Friend of the Court budget to cover this request.

We recommend the creation of a temporary Personnel Control Number (PCN) for approximately two (2) months (November/December 2018) to allow for training a new Friend of the Court (FOC) Director.

Your Labor Relations Committee considered Communication No. 9-18-8 from Robert V. Belleman, Controller/CAO, pertaining to continuation of the hiring freeze in FY 2019 with exceptions for positions that are statutorily required (Exhibit A).

We recommend the Board of Commissioners continue the hiring freeze, effective for FY 2019, on all departments as follows:

“The Board of Commissioners hereby finds justification to control its annual appropriations by instituting a hiring freeze effective October 1, 2018 through September 30, 2019 on all departments. Once an authorized position becomes available in any department, said department shall leave the position vacant if an external hire is desired or required to fill said vacancy. The department is encouraged to reorganize its personnel complement resulting in fewer overall full-time county employees. In the alternative, the department may submit a formal business case request to the Labor Relations Committee for the Board of Commissioners’ consideration of a waiver of said hiring freeze. Said vacant position shall not be filled by an external candidate except by specific Board of Commissioners authorization. The hiring freeze shall not apply to the statutorily required positions identified in Exhibit A.”

We further recommend that, as in previous years, the Elected or Appointed Department Head shall submit, in writing to the Board of Commissioners, a request to waive the hiring freeze containing sufficient information for members of the Labor Relations Committee and the Board of Commissioners to validate the need to fill said vacant positions. The business case should include a clear and concise rationale for the position; options considered either to consolidate within the department or with another department, to modify the current status to part-time/seasonal or to eliminate and the operational impact these options would have on the department. This request should also include a brief overview of the services provided by the position and whether those services are affected by seasonal demands.

Your Labor Relations Committee considered Communication No. 9-18-12 from Robert V. Belleman, Controller/CAO, pertaining to a blanket policy that would modify typing requirements in Saginaw County job descriptions.

We met with the Controller and he explained the blanket policy would amend all affected job descriptions by (1) maintaining the current typing requirements; (2) maintaining the current typing requirements and adding “preferred” number of words per minute; (3) modifying typing requirements to reflect either “Data Entry Test” or “Computer Competency;” or (4) eliminating the typing requirement altogether.

We recommend approval of a blanket policy that would modify typing requirements in Saginaw County job descriptions.

UNFINISHED BUSINESS

Budget Audit Committee – D. Krafft, Chair; A. O’Neal, Vice-Chair
Resolutions A – D laid on the table pursuant to Board Report 8-21-4.2/9-18-4.2 until the September 18, 2018 Board Session under Unfinished Business

(Resolutions A – D appear under Unfinished Business)

FROM: COMMITTEE ON BUDGET/AUDIT -- 4.2                AUGUST 21, 2018

Your Budget/Audit Subcommittee received Communication Nos. 8-21-37 from Koren Thurston, Finance Director, and 8-21-41 from Robert V. Belleman, Controller/CAO, submitting Draft #2 of the recommended Fiscal Year 2019 Budget. Draft #2 of the Budget contains proposed changes to Draft #1, which was submitted in June, 2018 with all funds in balance. Each committee reviewed Draft #1 of the proposed Fiscal Year 2019 Budget and a Committee of the Whole meeting was held June 25, 2018. The Budget was previously distributed to each commissioner and is available for review in the Office of the Board of Commissioners.

The Budget/Audit Committee reviewed the budget as submitted, considered information presented at the Committee of the Whole meeting, considered additional requests from departments, and made amendments to Draft #1 of the 2019 Budget. These amendments were incorporated as Draft #2 of the Fiscal Year 2019 Budget. The changes contained in Draft #2 of the FY 2019 Budget included:
Amend the Capital Improvement Plan to include $15,000 from the Public Improvement Fund to replace two copy machines in Circuit Court

Amend the Capital Improvement Plan to include $35,000 from its Special Project Activity Fund to replace carpeting in District Court staff offices

Amend the Capital Improvement Plan to include $40,000 from the Public Improvement Fund to replace carpeting and $20,000 from the Public Improvement Fund to provide security updates to the front exterior of the building at Family Division (Hospital Rd.)

Increase the Parks & Recreation budget in an amount not to exceed $90,000 in total compensation/benefits for the addition of a full-time Parks Foreman

Amendment of the Health Department Fee Schedule (Res. D) as to Laboratory Fees and Shingrix Vaccine

Amend the Community Corrections Special Projects Fund and General Fund Jail Reimbursement activity to eliminate the Pretrial Clerk/Office Assistant position; Amend the Community Corrections Special Projects Fund and General Fund Jail Reimbursement activity to reallocate the percentage split of the Comm. Corr. Mgr/Jail Reimb. Coord. from 50%/50% to 23% funded from Community Corrections grant and 77% funded from General Fund Jail Reimbursement; and Allocate an amount not to exceed $184,220 from the General Fund to the Community Corrections Special Projects to cover six (6) months

Amend the 10th Circuit Court budget to fund the Specialty Courts in the amount of $79,000 from the General Fund

Reduce the allocation to Saginaw Future by $100,000 and fund MSU Extension in the amount of $100,000 both for six (6) months until March 2019

The Budget/Audit Committee at its September 6, 2018 meeting considered additional requests from departments and made amendments to Draft #2 of the 2019 Budget. These amendments were incorporated as Draft #3 of the Fiscal Year 2019 Budget. The changes contained in Draft #3 of the FY 2019 Budget include:

- Using $100,000 from Fund Balance to fully fund Saginaw Future for one (1) year;
- To adjust County Commissioner compensation annually at the same percentage rate as negotiated with unionized and non-unionized employees;
- To restrict expenditures ($104,000) by MSU Extension as to the 4H Program only;
- To adjust for the County’s finalized Indirect Cost Allocation Plan and IT Rate Calculation Plan;
- To adjust the Sheriff’s Selective Enforcement grant due to a lesser amount awarded;
- To adjust the Commission on Aging fund to reduce estimated property tax revenue due to millage increase not effective until fiscal year 2020;
- To adjust the Animal Care & Control fund to increase estimated property tax revenue due to millage increase approved by voters August 2018;
- To adjust the E-911 Surcharge fund to add estimated property tax revenues due to millage approved by voters August 2018; and
- To further adjust the Community Corrections grant to reduce the grant amount to equal funding recommendation received from MDOC of $206,993.
Resolution A contains the amended total budget for the County including the General Fund. The amended total County Budget for Fiscal 2019 is $162,621,736 which is a 0.93% percent increase from the current amended Fiscal 2018 Budget. The amended General Fund Budget for Fiscal 2019 is $47,568,526 which represents an increase of $959,503 or 2.05% percent over the current amended Fiscal 2018 Budget. The General Fund budget includes the use of $368,229 in fund balance and will be subject to further expense control to ensure expenditures do not exceed revenues. Resolution A also contains the County millage rates to be levied December 1, 2018 and July 1, 2019, as well as the authorization of the 9-1-1 surcharge to fund operations as set forth in the 2019 Budget.

Resolution B lists salaries for elected/appointed officials including judges and non-union employees. The salaries of elected/appointed officials have been set by the Saginaw County Board of Commissioners and the salaries of judges have been set by the State Officers Compensation Commission.

Resolution C sets forth the prioritized Capital Improvement Budget for Fiscal Year 2019, which totals $6,811,395, a $3,280,625 increase over the current amended FY 2018 budget.

Resolution D sets fees for all departments controlled by the Saginaw County Board of Commissioners, as amended from year to year.

A public hearing was held at the August 21, 2018 session to allow comment on the proposed FY 2019 Budget, as amended, and on the millages to be levied in December 2018 and July 2019. Notice was previously published in The Saginaw News and copies of the budget material will be made available to the public at the meeting.

It is the recommendation of your committee that Draft #3 of the Controller’s recommended Fiscal Year 2019 Budget containing Budget Resolutions A, B, C and D be approved as submitted.

Respectfully submitted,

Certificate of Recognition
Frankenmuth Mutual Insurance - Neighbor Helping Neighbor
150th Anniversary

In 1868, citizens in the little town of Frankenmuth banded together to create the Deutschen Frankenmuther Unterstütuzungs-Verein – the German Frankenmuth Aid Association. Each member pledged to pay a portion of the losses of any other member. So when a barn was struck by lightning and livestock was lost, everyone in the association stepped up to help them out. With just 200 members, the Association pledged to help each other in times of need. They would one day become Frankenmuth Insurance, with over 325,000 policies in force in 15 states. Even though it has grown, its philosophy remains the same:

Neighbor Helping Neighbor

When the association was first formed, all members were required to speak German and be practicing Lutherans. Frankenmuth was founded by German immigrants who came to America to spread their faith as missionaries. Early executives of the company had other jobs as well. Carl Nuechterlein, who served as CEO from 1925 to 1941, also ran a family mortuary. In the late 1930s, State Insurance Department auditors were somewhat startled to discover that the company records were kept in a spare coffin in the back of Nuechterlein’s business!

A vehicle insured on the first auto policy of the Frankenmuth Mutual Auto Insurance Company was a 1923 Dodge, which can be seen on display in its corporate headquarters. It was owned by John A. Geyer, a founder of the company.
Today’s Frankenmuth Insurance is the result of a 1958 merger between the Frankenmuth Mutual Fire Insurance Company and the Frankenmuth Mutual Insurance Company, which was formed in 1921 to insure autos. After the two companies merged, a new headquarters was built. The company moved into the building in 1960 with four expansions (1973, 1980, 1994 and 2008). It is still the company headquarters today.

The original company began with about 200 members with the general amount insured for each member at about $4,000 - $5,000. Today, Frankenmuth Insurance serves 15 states, has more than 600 employees, 500+ independent agents, and over $1.5 billion in assets. Over 150 years of service still honoring its founders’ philosophy – Neighbor Helping Neighbor.

The Saginaw County Board of Commissioners congratulates Frankenmuth Mutual Insurance on its 150th anniversary of being an advocate for helping mankind, continued promotion of its motto and helping people understand the present through a gained perspective of the past.

Your committee considered Communication No. 10-16-7 from Denise Babbitt, Director of Equalization, requesting approval of the 2018 Apportionment Report filed by the various cities, townships, villages and school districts indicating the amount of millage to be spread, for all purposes, by the taxing entities within their jurisdiction. Attached hereto and made a part of this report is the schedule of tax levies to be spread upon the 2018 tax rolls of the respective jurisdictions. Said levies are expressed in terms of millage provided for in Section 37 of Act 347 of the Public Acts of 1968, as amended.

We met with Ms. Babbitt, Equalization Director, and she informed the committee that at this time not all jurisdictions have submitted their L-4029 Millage Rate Request Form. Your Labor Relations Committee considered Communication No. 10-16-16 from Todd Borders, Deputy Court Administrator, 10th Circuit Court, requesting approval of a salary exception for the position of Judicial Secretary to the top of the pay scale (J-7/Currently Step 4 @ $40,046 - $45,989) due to experience, work ethic, and knowledge.

We met with Mr. Borders who stated the person recently appointed to the position worked as former Judge Harrison’s Judicial Secretary from approximately 1995 until 2015 when Judge Meter was elected. This employee has the experience and knowledge to aid the court with complex items that would take someone new one year or more to learn. As the former Judicial Secretary was at a J-7, Step 9, the court’s budget includes this salary for FY 2019.

We recommend approval of a salary exception for the position of Judicial Secretary at 10th Circuit Court – Family Division to the top of the pay scale (J-7/Currently Step 4 @ $40,046 - $45,989).

FROM: EXECUTIVE COMMITTEE -- 6.1  
OCTOBER 16, 2018

Your committee considered Communication No. 10-16-20 from Robert Belleman, Controller/CAO, requesting authority to permit departments to create temporary Personnel Control Numbers (PCNs) for up to ninety (90) days after a Budget or Reorganization Plan has been adopted to facilitate department-approved reorganizations when the affected positions are currently occupied.

We met with Mr. Belleman who informed the committee that the FY 2019 Budget proposed the elimination of the Personnel Analyst position and the creation of a Personnel Assistant (P07) and Confidential Secretary (J05) to be shared with Purchasing/Risk Management. Jennifer Broadfoot has not been able to finalize the job descriptions for the two proposed positions and receive appropriate committee approvals. The FY 2019 Budget took effect October 1, 2018 and, in essence, eliminated the Personnel Analyst position. This position needs to be maintained for the next ninety (90) days to allow the transition period for the reorganization.
After discussion it was decided the request to permit departments to create temporary PCNs should be increased to from ninety (90) days up to 180 days after a Budget or Reorganization Plan has been adopted to facilitate department-approved reorganizations when the affected positions are currently occupied.

We recommend approval to maintain the Personnel Analyst Position for up to 180 days and permit departments to create temporary Personnel Control Numbers (PCNs) for up to 180 days after a Budget or Reorganization Plan has been adopted in order to facilitate department-approved reorganizations when the affected positions are currently occupied.

FROM: EXECUTIVE COMMITTEE -- 6.2  OCTOBER 16, 2018
Your committee considered Communication No. 10-16-21 from Robert Belleman, Controller/CAO, submitting a recommendation to re-classify the position of Board Coordinator from M-09 to H-11 effective October 1, 2018.

We met with Mr. Belleman who informed the committee that the Board Coordinator is currently an M-09 position with a salary range of $51,247 - $65,191. Reclassification to an H-11 position has a salary range of $58,254 - $72,686. The Board of Commissioners Fiscal Year 2019 budget would need to be adjusted by $8,608 increasing salary/wages $7,495 and fringe benefits by $1,113. The Board Coordinator position is most similar to the Parks & Recreation Director, Planning Director, and Mosquito Control Director, which are Department Head level positions. These positions are responsible for planning, organizing and directing all aspects of the departmental operations; hiring; training; supervising full-time/part-time/seasonal employees; preparing and recommending the department’s annual budget; analyzing budgetary and resource needs; assigning and delegating responsibilities for assignment of work; coordinating committees/board meetings; ensuring accuracy of records, etc. The Board Coordinator position requires five years administrative or supervisory experience in a political/governmental environment and requires a Bachelor’s Degree.

We recommend approval to re-classify the position of Board Coordinator from M-09 to H-11 effective October 1, 2018 and increase the Board of Commissioners salary/wages and fringe benefit line items by $8,608.

- *Krafft moved, seconded by O’Neal, to approve 7.1. Motion carried.*

FROM: AIRPORT COMMITTEE -- 7.1  
OCTOBER 16, 2018

Your County Airport Committee met Wednesday, October 3, 2018 and reviewed Communication No. 10-16-6, the H.W. Browne Airport Capital Improvement Plan (CIP) for FY 2018 – FY 2024 and the Engineering Cost Estimate for design/construction of a runway and lighting prepared by Mead & Hunt.

The committee discussed the CIP and the Project Narrative Sheet for each year, in addition to the funding formula that is used for each project. All projects are funded using the same formula: Federal (90%), State (5%), and County (5%).

We recommend approval of the CIP for FY 2018 – FY 2024 and appropriation for the first year of the Capital Plan (FY18/FY19) in an estimated amount of $880,000 ($40,000 cost to Saginaw County) for design/construction of a runway and lighting, with subsequent year projects to be approved by the committee.

ABSENT:  
Charles M. Stack – 1

Commissioner Hadsall offered the following resolution and moved for adoption. The motion was seconded by Commissioner Dwan.
WHEREAS, proceedings have been taken by the Drainage Board for the Swan Creek Intercounty Drain for improvements to the Swan Creek Intercounty Drain (the “Project”) pursuant to a petition filed with the Saginaw County Public Works Commissioner under the provisions of Chapter 8 of the Drain Code of 1956, as amended (the “Drain Code”); and,

WHEREAS, in order to defray the cost of the Project, the Drainage Board is expected to authorize and provide for the issuance by the Swan Creek Intercounty Drain Drainage District (the “Drainage District”) of bonds (the “Bonds”) in the aggregate principal amount of not to exceed $3,500,000, bearing interest at a rate not to exceed 6.0% per annum, and maturing not later than June 1, 2029, in anticipation of the collection of an equal amount of special assessments against property and public corporations (including the County of Saginaw) in the Counties of Gratiot, Midland and Saginaw in the Drainage District, said special assessments to be duly confirmed as provided in the Drain Code; and,

WHEREAS, 4.2% of the cost of the Project has been apportioned by the Drainage Board to the County of Gratiot, 24.4% of such cost has been apportioned by the Drainage Board to the County of Midland and 71.4% of such cost has been apportioned by the Drainage Board to the County of Saginaw (the “County”); and,

WHEREAS, the Drainage Board deems it advisable and necessary to obtain from this Board a resolution consenting to the pledge of the full faith and credit of the County of Saginaw on the Bonds to the extent of special assessments assessed against property and public corporations in the County; and,

WHEREAS, the Project is necessary to protect and preserve the public health and it is in the best interest of the County of Saginaw that the Bonds be sold.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the County of Saginaw:

1. Pursuant to the authorization provided in Sections 132 and 276 of the Drain Code, provided that the Bonds are issued within the parameters set forth above, the Saginaw County Board of Commissioners, by a majority vote of its members elect, does hereby irrevocably pledge the limited tax full faith and credit of the County of Saginaw for the prompt payment of the principal of and interest on the Bonds to the extent of special assessments against property and public corporations in the County, and does agree that in the event that property owners or public corporations in the County shall fail or neglect to account to the County Treasurer of the County of Saginaw for the amount of any such special assessment installment and interest (in anticipation of which the Bonds are issued) when due, then the amount thereof shall be immediately advanced from County funds, and the County Treasurer is directed to immediately make such advancement to the extent necessary. The ability of the County to levy taxes to pay its share of the principal of and interest on the Bonds shall be subject to constitutional and statutory limitations on the taxing power of the County.

2. In the event that, pursuant to said pledge of full faith and credit, the County of Saginaw advances out of County funds, any part of the principal of and interest due on the Bonds, it shall be the duty of the County Treasurer, for and on behalf of the County of Saginaw, to take all actions and proceedings and pursue all remedies permitted or authorized by law for the reimbursement of such sums so paid.
3. The County Treasurer is hereby authorized, if necessary, to execute a certificate of the County to comply with the continuing disclosure undertaking of the County with respect to the Bonds pursuant to paragraph (b)(5) of SEC Rule 15c2-12 issued under the Securities Exchange Act of 1934, as amended, and amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Certificate"). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, to do all other things necessary for compliance with Rule 15c2-12 issued under the Securities Exchange Act of 1934, as amended, and to do all other things that are necessary to effectuate the sale and delivery of the Bonds.

4. This resolution shall become effective only if the Board of Commissioners of the County of Gratiot and the Board of Commissioners of the County of Midland each adopt a resolution substantially in the form of this resolution that pledges the limited tax full faith and credit of each respective county to the payment of the principal of and interest on the Bonds when due to the extent of its apportioned share of the cost of the Project.

5. All resolutions and part of resolutions, insofar as the same may be in conflict with the provisions of this resolution, are hereby rescinded.

PROCLAMATION
October 2018
Domestic Violence Awareness Month
Awareness + Action = Social Change

One action, one question could help someone. One thing could be the difference between despair and hope. During Domestic Violence Awareness Month (DVAM), we mourn those who have lost their lives because of domestic violence, celebrate those who have survived, and connect individuals who work to end gender-based violence. This year DVAM is about inspiring action through a unified #1Thing message.

Domestic violence impacts millions of people each year, but it can be prevented. Accomplishing the social transformation necessary to achieve a world that is peaceful, equitable, and just requires the collective power of individuals, families, institutions, and systems – each whose “one thing” adds value to creating and sustaining healthy communities.

For many, home is a place of love, warmth, and comfort. It’s somewhere that you know you will be surrounded by care and support, and a nice little break from the busyness of the real world. But for millions of others, home is anything but a sanctuary. The U.S. Department of Justice estimates that 1.3 million women and 835,000 men are victims of physical violence by a partner every year.

When we discuss domestic violence, it is often assumed that the victims are women. The less-told story is that a striking number of men are victims, too. One in four adult men in the U.S. will be a victim of domestic violence during his lifetime.

Studies show that three to four million children between the ages of 3-17 are at risk of exposure to domestic violence each year. The children of the women who are victims of violent behavior from male partners often witness the domestic violence. Children who are exposed to battering become fearful and anxious. Those who grow up with abuse are expected to keep the family secret, sometimes not even talking to each other about the abuse.

There are few actions that require as much bravery as walking away from an abusive relationship. To recognize that you are in need of help, and then take the steps needed to get it, is not weakness – it’s a sign of strength.

For over 40 years, Underground Railroad, Inc. has been the only provider of emergency shelter and services to victims of domestic violence in Saginaw County. Though many things have changed in 40 years, a shocking reality remains: the services are just as necessary today as they were when the doors opened in December 1977. Time and time again, victims say that it was one person who changed the trajectory of their lives. It is always one person who does one thing.

The Saginaw County Board of Commissioners hereby proclaims October 2018 as

Domestic Violence Awareness Month
and calls upon the people of the County of Saginaw to recommit to our community to increase awareness and the understanding of domestic violence by supporting victims and their families, and increase the support for agencies and shelters that provide services to these victims. Ask yourself: What #1Thing will you do to make a difference?

PROCLAMATION  
October 2018  
NATIONAL PRO BONO CELEBRATION WEEK

Whereas, The Latin term “pro bono” literally translates to “for the good.” Although state and bar associations have varying criteria for what constitutes pro bono work, it is generally understood to refer to legal services performed free of charge for the public good, often on behalf of individuals or organizations of limited means; and,

Whereas, The biggest issue most attorneys deal with is figuring out how to incorporate pro bono legal service into an already busy schedule. One person’s obligation is another’s escape. Despite having an ethical obligation to render pro bono service, it is not the primary reason most lawyers do it. They view the work as a privilege more than an obligation. As licensed attorneys, they are in a unique position to help open the doors to a justice system that is difficult to navigate alone. It could be considered a lawyer’s “superpower” to have this unique ability to help individuals with their legal needs or bring about systemic change; and,

Whereas, Pro bono work must be seen by all lawyers as nothing more than an essential part of their professional lives. And one way to do that is to get young lawyers and law students involved early in the pro bono activities. The obligation of this service must become a part of the DNA of both the legal profession and of every lawyer; and,

Whereas, Access to justice is a fundamental and essential right to a democratic society. Many people cannot afford the high cost of legal representation needed to protect their lives and cannot proceed on their own without an attorney. The innumerable contributions of volunteer attorneys enable many people to obtain legal assistance they could not otherwise obtain.

Now, Therefore, Be It Resolved, That the Saginaw County Board of Commissioners recognizes the week of October 21 – 27, 2018 as Pro Bono Celebration Week, commends Michigan attorneys for their ongoing pro bono contributions, and reminds all members of the Bar that by engaging in pro bono work and providing financial support they can make a significant difference in the lives of Michigan’s poor who would not otherwise have access to the legal system.

In Witness Whereof, The seal of the County of Saginaw has been affixed and the proclamation adopted by the Board of Commissioners on the 16th day of October in the year of our Lord two thousand eighteen.

   FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.1  NOVEMBER 20, 2018

   Your committee considered Communication No. 11-20-13 from Robert Belleman, Controller/CAO, requesting amendment of the FY 2019 Public Improvement Fund in the amount of $6,795 for improvements to the Victims’ Rights waiting room.

   We met with Mr. Belleman who said that he and Bernard Delaney met with Tracy Cowell of the Sexual Assault Center to discuss possible improvements to the Victims’ Rights waiting room where victims wait prior to testifying in court. The Prosecutor’s Office staff must access their
lunch/breakroom via the Victims’ Rights waiting room which causes interruptions and unease. The proposed improvements include installing a separate door to the Prosecutor’s lunch/breakroom at an estimated cost of $5,250 and carpeting the Victims’ Rights waiting room at an estimated cost of $1,545. The county already painted the waiting room. Ms. Cowell was submitting a grant request to the Junior League of Saginaw for new furniture.

We recommend approval to amend the FY 2019 Public Improvement Fund in the amount of $6,795 for improvements to the Victims’ Rights waiting room.

We met with Mr. Belleman who stated that a meeting was held with Dr. Russell Bush, Deb Tubb, Michael Underwood, Al Rabideau and Randy Mudd, who contract with the Medical Examiner’s Office to provide services as death scene investigators or as Morgue Assistant/Diener. Dr. Bush emphasized the need to enter death scene or autopsy information directly into the MDI Log database, which the County acquired last year. The MDI Log allows users access to Saginaw County Medical Examiner’s files to add/update information associated with a specific death. MDI Log will reduce paper files. Ms. Tubb, Mr. Underwood, Mr. Rabideau and Mr. Mudd all requested iPads with internet access to increase efficiencies and responsiveness.

FROM: COMMITTEE ON COUNTY SERVICES – 3.3

Your committee considered Communication No. 11-20-12 from Brian Stark, Director, Planning Department, submitting information for discussion on waiving the county’s right for 30-day review of ordinance changes from townships.

We met with Mr. Stark who informed the committee the 2006 Zoning Act requires townships to send any ordinance changes to the County Planning Commission for a 30-day review. Currently and since 2015, the procedure from the Planning Department has been to receive and file. Saginaw County has the right to waive the 30-day review by passing a resolution. This would allow townships to enact the ordinance change after their commission passes the change.

We recommend approval to waive the 30-day review for ordinance changes submitted by townships to the County Planning Commission by Resolution submitted under the regular order of business.

(Regular part-time employees accrue 'Paid Time Off' hours at one-half the above rate.)

6.1.2 Probationary employees are not eligible for PTO and accrued PTO is not credited until completion of the probationary period.

6.2 Accumulation of Paid Time Off (PTO) Hours. Accumulation of PTO hours shall be limited to 700 hours.

6.2.1 When an employee's continuous length of service reaches a point entitling him/her to the next higher rate of PTO accrual, earning at the new rate will begin on the first day of the current pay period.

6.2.2 Employees shall be paid during PTO leave on the basis of the normal workweek for the classification of work in which they are normally employed and at the rate of pay prevailing during the period that the time is taken.

6.3 Separation. Upon separation from County employment, an eligible employee shall receive pay for 50% of the unused accumulated PTO hours up to a maximum of 600 hours or 75 days (or actual pay-off at 300 hours, or 37.5 days), or as negotiated in employment contracts. Upon retirement, PTO pay will count toward the employee's final average compensation, for those having defined benefit pensions, unless otherwise provided by employment contracts. Compensation for unused PTO hours will be paid at the regular rate (not overtime) prevailing on the employee's last working day.

6.4 Holidays. If a holiday, as defined in the Holiday Policy, falls within an employee's PTO period, it shall not be counted as a PTO day unless the employee was scheduled to work on the holiday.

6.5 Leave of Absence. PTO leave shall not accrue during an employee's unpaid leave of absence.

6.6 Vacation PTO Scheduling/Management. Employees are responsible for managing their PTO accounts. It is important for employees to plan ahead for how it will be used. Employees should develop a plan for taking vacations, as well as doctor's appointments and personal business. Employees should hold a reasonable amount of PTO time in reserve which allows for the unexpected, such as emergencies and illnesses.
6.6.1 PTO Used for Vacation. Vacation schedules for employees shall be developed and approved by Department Heads. It shall be the practice of each Department Head to schedule vacations over a wide a period as possible in order to obviate the need for temporary increases in staffing. The schedule may be changed by the employee only if approved by the Supervisor/Department Head. Paid Time-Off may be taken in increments of one (1) hour from the PTO bank with advance approval of the Department Head.

6.6.2 The use of PTO hours for “personal” reasons other than vacations is a request, and therefore, it requires supervisory approval. Requests shall be made in advance and in accordance with Department policies/practices. Prior to use in increments not less than 15 minutes. There may be occasions, such as an illness or emergency, when an employee cannot request use of PTO in advance and/or obtain prior supervisory approval. If an illness or emergency exists which prevents an advanced request from being made, employees must discuss the absence with their supervisor. Subject to FMLA, documentation of the illness and/or emergency may be required by the Department Head.

6.6.3 PTO, once approved, must be taken in chronological and sequential order in accordance with the excused absence(s) during the payroll-reporting period.

6.7 Subject to FMLA, taking time off without the accrued PTO available is prohibited. Absence from work without the use of authorized PTO may result in discipline, up to and including discharge.

6.8 PTO Increments. PTO can be taken in increments of fifteen (15) minutes.

6.9 PTO Donation. The purpose of PTO donation is to allow County employees to support fellow employees in personal or family situations which create a severe issue for the receiving employee. County employees may donate earned PTO hours on an individual basis to fellow County employees to supplement that member’s PTO bank with the understanding that the recipient member accepts all tax liability and the donor must give two weeks’ notice of the donation to the Payroll Department. Donations must be in eight (8) hour increments and the donor’s bank cannot fall below eighty (80) hours as a result of the donation. Each employee may donate no more than an accumulated total of eighty (80) hours per calendar year. Donations are irrevocable. Donated PTO may not be used for cash out or retirement purposes. Donated PTO will have no value for the recipient other than to use for PTO. Management shall have the exclusive right to approve or deny the use of PTO under this provision; and any decision made relative thereto shall not be subject to the grievance procedure unless management acted arbitrarily or capriciously.
6.9 PTO Donation. The purpose of PTO donation is to allow County employees to support fellow employees who have a medical emergency pursuant to FMLA, or must take unexpected time off from work to support a family member who does. County employees may donate earned PTO hours to a voluntary leave bank with the understanding that the recipient member accepts all tax liability. Donations must be in eight (8) hour increments and the donor’s personal PTO bank cannot fall below eighty (80) hours as a result of the donation. Each employee may donate no more than an accumulated total of eighty (80) hours per calendar year. Donations are irrevocable. Donor can not specify who receives time once it is donated to the leave bank. Donations can be made through Payroll by completing a PTO donation request form.

6.9.1 A medical emergency is defined as a medical condition that is likely to require the employee to be absent from work for a prolonged period and results in a substantial loss of income due to lack of available PTO or other paid leave. A substantial loss of income is an unpaid absence of 24 work hours or more. Said hours do not have to result from a continuous absence, but can result from time taken on an intermittent basis related to the same condition or illness.

6.9.1.1 A family member can be defined as a spouse, parent, or child.

In order to receive donated PTO, an employee who is being personally affected by a medical emergency must submit a request in writing using the designated form. This will include stating the details of their medical emergency, the amount of time they are requesting, and certifying they have exhausted all other paid leave available to them. The requesting employee will be required to provide medical or other documentation to verify eligibility. Written requests shall be submitted to the Payroll and Benefits Supervisor for consideration. Employee requests for donated PTO will be considered on a first come, first served basis.

The County may notify employees when a request for donated PTO has been received but the PTO Donation Bank has insufficient time available to cover the request. Such notifications will be made exclusively by the Controller’s Office.

Applicants are only eligible to receive leave after their request has been approved and it has been confirmed that all other available paid leave has been exhausted. Employees reserving PTO in accordance with the FMLA, disability or any other leave policy are not eligible for leave donation. Employees may receive a total donation of no more than the time needed to cover the leave time requested. For employees with intermittent need for leave, the leave bank will be reviewed periodically to ensure sufficient, but
not excessive levels of PTO. Probationary employees or employees not otherwise eligible for PTO are not eligible for the donation program. Once received, donated PTO will be placed in a separate bank for that recipient employee. Any donated PTO not used at the conclusion of the medical emergency or within one year of receipt will be returned to the PTO donation bank. Liquidation of donated PTO for cash is not permissible.

Doctor’s slips or other documentation will be required as proof of how leave was used and must be submitted to Payroll when donated PTO is used.

Donors cannot claim an expense, a tax deduction or a charitable contribution for any leave donated under the plan. All paid leave granted to the recipient employee is considered wages and is subject to appropriate tax withholding. Recipient employees will receive paid leave at his/her normal rate.

Management shall have the exclusive right to approve or deny the use of PTO under this provision, and any decision made relative thereto shall not be subject to the grievance procedure unless management acted arbitrarily or capriciously.

6.  Executive Committee – C. Ruth, Chair
6.1)  Equalization, re: Approval of Amended 2018 Apportionment Report

- Krafft moved, seconded by O’Neal, to approve 6.1.  Motion carried.

FROM: EXECUTIVE COMMITTEE -- 6.1  NOVEMBER 20, 2018

Your committee considered Communication No. 11-20-34 from Denise Babbitt, Director of Equalization, requesting approval of the amended 2018 Apportionment Report filed by the various cities, townships, villages and school districts indicating the amount of millage to be spread, for all purposes, by the taxing entities within their jurisdiction. Attached hereto and made a part of this report is the schedule of tax levies to be spread upon the 2018 tax rolls of the respective jurisdictions. Said levies are expressed in terms of millage provided for in Section 37 of Act 347 of the Public Acts of 1968, as amended.

We met with Ms. Babbitt, Equalization Director, and she informed the committee that the Apportionment Report approved in October had to be amended because of the General Election ballot proposals that affected this report.

We recommend approval of the amended 2018 Apportionment Report as presented.

Respectfully Submitted,

EXECUTIVE COMMITTEE

Carl E. Ruth, Chair                                               Susan A. McInerney

LAUDATORY RESOLUTIONS
Certificate of Recognition
Sue A. McInerney
Commissioner District #4

From the minute we met Sue M. McInerney we all knew we were going to gain some weight! Sue provided us with the some of the best pies, cookies and jam. She coined the phrase “Catch ya!” that she will forever be known for.

Sue began her career as Commissioner for District #4 in 2011 and served as Chair on Human Services Committee, and Vice-Chair on Labor Relations and Legislative Committees. She was also a member of the Executive Committee, 911 Authority Board, Airport Board, Board of Health, FEMA, HealthSource Boards & Commissions, Medical Dispatch Advisory, SC-CHAP, Saginaw Valley Zoological Society and MAC Health & Human Services.

She was part of the last group of 15 commissioners that served Saginaw County, as 2013 brought in a new regime of redistricting and a board that consisted of 11 commissioners.

Sue’s pride and joy is her family. She was married to Don and they have one daughter and son-in-law along with twin grandsons. Her grandsons attend Swan Valley High School (SVHS) and play on the football team. This year, she supported SVHS Football Team by putting purple in her hair!

On behalf of the officials, employees and residents of Saginaw County, Michigan we extend our gratitude for eight years of commendable public service as a County Commissioner representing District #4 during the years 2011 – 2018.
We appreciate her dedication to the continuous improvement of the quality of life for all Saginaw County residents and the sacrifices she has made to ensure the preservation of our democracy. Catch ya!

Certificate of Recognition
Mayor Gary C. Rupprecht

Gary C. Rupprecht firmly believes that “everyone has an obligation to serve their community and country in some way to make it a better place to live.” To say that Gary has been a busy man is putting it lightly! His involvement with Frankenmuth, Michigan is extensive and began many years ago. In 1972 he was elected President of the local Jaycees as well as President of the Frankenmuth High School Athletic Association. His local Jaycee involvement led to the President of the Michigan Jaycees in 1976. During that year, he also received the highest of Jaycee honors, the J.C.I. Senate Award. He previously served as Jaycee District Vice-President, Regional Director and Administrative Executive Vice President. As the 52nd President of the Michigan Jaycees, Gary helped raise $125,000 for the National Institute of Burn Medicine and $150,000 for handicapped children. He was appointed to the 18 member Executive Board of the United States Jaycees in 1977 and served the 350,000 member National organization as it Chaplain. In recognition of distinguished community service, the Frankenmuth Jaycees in 2006 presented Gary the Herbert L. Kenneth Award.

He was first elected to the Frankenmuth City Council in 1977 and held the post of Mayor Pro-Tem from 1980-1985. In November 1985, Gary became Frankenmuth’s fourth Mayor. Along the way, he has served on the City’s Parks and Recreation Commission, Wages and Salary Committee, Tax Abatement Committee, Waste Treatment Committee, City Township Water Board, General Chairman of the Bavarian Festival Parade and Co-Chairman of the City’s 25th Anniversary Program.

Gary began his employment with General Motors Corporation after graduating from Michigan State University in 1968 with a B.A. Degree in Industrial management. General Motors honored him in 1985 as a Gold Medal Winner in the Chairman’s Award for Excellence in Community Activities. He retired in early 2001 as Global Logistics Manager for Delphi Saginaw Steering Systems (formerly a division of the General Motors Corporation).

Gary and his wife, Barbara, are both lifetime members of the Frankenmuth Historical Association. Gary believes that the success of any community is directly dependent on its pride. Community leaders must act as catalysts within their community in developing and maintaining this attitude of community pride. “Every community needs to develop participation in activities where young and old alike can develop responsible attitudes toward themselves, others and our American way of life. He is also extremely enthusiastic about preserving the pride and heritage of German immigrants that settled on the banks of the Cass River in 1845 to teach Christianity to the Chippewa Indians. Frankenmuth residents take great pride in preserving the German heritage. It is in this spirit that Frankenmuth has gained the reputation as Michigan’s Little Bavaria.”
The Saginaw County Board of Commissioners congratulates Gary Rupprecht on his retirement after 33 years of outstanding service to his community. Frankenmuth is a better place because of his leadership. Gary’s hard work and determination toward the continuous improvement of the quality of life for all Frankenmuth residents and the sacrifices he has made to ensure the preservation of it history has paid off.

   ▪ McInerney moved, seconded by O’Neal, to approve 1.1. Motion carried.

FROM: COMMITTEE ON HUMAN SERVICES – 1.1 DECEMBER 18, 2018
Your committee has considered Communication No. 12-18-8 from Christina Harrington, Health Officer, Health Department, requesting to engage WTA Architects in the amount of up to $12,000 from the Public Improvement Fund for architectural and engineering services to renovate the Health Department and combine the Family Planning and Sexually Transmitted Disease (STD) clinics.

We met with Ms. Harrington who explained the need for combining the two clinics which will allow a five (5) day clinic operation instead of two (2) days for one clinic and three (3) days for the other clinic, as the same employees staff both clinics. Combining the two clinics will also be more convenient for clients if the need for both services is necessary.

We recommend approval to engage WTA Architects in the amount of up to $12,000 for architectural and engineering services for renovations within the Health Department.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.1 AMENDED DECEMBER 18, 2018
Your committee considered Communication No. 12-18-6 from Sheriff William Federspiel, requesting the use of current and excess SCCJCC funds and funds from vacant positions in the total amount of $133,327 to purchase in-car cameras for patrol vehicles.
We met with Sheriff Federspiel who explained the need for in-car cameras for twenty-two (22) units to go into patrol vehicles. He also stated at this time the officers want the in-car cameras vs the body cam. Spaulding Township has agreed to provide the bay for installation. After discussion about the length of Maintenance Agreement, it was decided to accept the quote for Pro-Vision, with installation, one (1) year maintenance agreement, and use a Spaulding Township bay for installation. The breakdown is as follows:

\[
\begin{align*}
22 \text{ Units installed} \times $3,468 &= $76,296 ($72,481 \text{ less 5% pre-pay discount}) \\
22 \text{ Units SecuraMax} \times $43/Mo \times 12 \text{ months} &= $11,352 \\

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY – 2.2 AMENDED DECEMBER 18, 2018
Your committee considered Communication No. 12-18-13 from Deb Tubb, Medical Examiner Office, requesting approval to purchase an additional computer work station, an additional telephone, funding for two (2) temporary employees, a desktop multi-page scanner, and second monitors for each of the three (3) workstations in the Medical Examiner Office.
We met with Ms. Tubb who explained hiring two (2) temporary employees would allow continued work on the backlog in the Medical Examiner Office. The additional equipment would allow each employee to have a work station to assist with the backlog. It is estimated that the two (2) temporary employees would be necessary for a six (6) month time period and would cost $11,000 and would come out of the general fund. The equipment was approved for up to $3651 and would come from the public improvement fund. It was agreed that the matter of the temporary employees would be reviewed in six (6) months to see if more time is needed.
We recommend approval to fund two (2) temporary employees for $11,000 (General Fund), and, an additional telephone, a computer workstation, a multi-page scanner and second monitors for three (3) workstations for a cost up to $3,651 (Public Improvement Fund) in the Medical Examiner Office.

DECEMBER 18, 2018
Your Labor Relations Committee considered Communication No. 12-18-19 from Jennifer Broadfoot, Personnel Director, submitting proposed changes to County Policy #335 titled “Compensation” revised to establish standards for compensating employees who are asked to perform duties above their current classification.
We met with Ms. Broadfoot who informed the committee that this language applies to non-union employees. (Policy begins on next page)
1. PURPOSE: It is the purpose of this policy to establish uniform guidelines and appropriate rules regarding employee compensation in an effort to improve the quality of personnel administration in the County.

2. AUTHORITY: The Saginaw County Board of Commissioners.

3. APPLICATION: The rules and regulations herein set forth apply to all employees paid by Saginaw County, pursuant to Policy # 301.

4. RESPONSIBILITY: The Controller/CAO of Saginaw County shall be responsible for the implementation and administration of this policy.

5. DEFINITIONS:

   5.1 Pyramiding of overtime is defined as paying for the same hours more than once, which is prohibited.

   5.2 Workweek is defined as seven consecutive 24-hour periods from Sunday, 12:00 a.m. through Saturday, 11:59 p.m.

6. POLICY:

   6.1 Pay Plan. The Pay Plan shall include a schedule of pay ranges consisting of minimum, intermediate, and maximum rates of pay for all classes of positions.

   6.2 Development of the Pay Plan. The development of the Pay Plan shall be directly linked to the Classification Plan and shall be based on the principle of equal pay for equal work. Pay ranges shall be determined with due regard to such factors as:

      6.2.1 Uniformity of pay for each class.

      6.2.2 The relative difficulty and responsibility of work.

      6.2.3 The recruiting experience of the County.

      6.2.4 The prevailing rates of pay in both public service and private sector.

      6.2.5 The financial condition and policies of the County.

      6.2.6 Other pertinent economic considerations.

6.3 Adoption. All salaries must be set by the Saginaw County Board of Commissioners.
6.4 Exceptions. Exceptions from the Pay Plan shall be authorized by the Board of Commissioners as necessary due to the primacy of negotiated labor agreements or statutes.

7. ADMINISTRATIVE PROCEDURES:

7.1 Administration and Amendment. The County Controller/CAO shall be responsible for administering the Pay Plan. He/she shall be responsible for conducting periodic reviews and comparative studies of pertinent factors affecting levels of pay. When appropriate, the Controller/CAO may recommend to the designated committee of the Board of Commissioners necessary amendments to the Pay Plan. In any case, amendments to the Pay Plan may only be made upon the approval of the Board of Commissioners.

7.2 Entrance Salary Rate. The entrance salary rate for a newly hired employee shall be Step 1 of the appropriate pay grade as indicated in the current Pay Plan. If a Department Head believes a newly hired employee should be compensated at a level higher than Step 1, the Department Head must submit pertinent documentation to the appropriate committee of the Board for consideration. The justification must contain specific reasons for the requested action.

7.2.1 A part-time or temporary employee shall be paid on an hourly basis at not more than Step 1 of the classified position to which assigned. The Board of Commissioners may approve a higher salary if requested and justified by proper documentation.

7.3 Step Increases. Each pay grade on the salary schedules shall consist of Steps and employees shall progress through the steps based on length of service in their jobs. Step increases are a means of recognizing satisfactory performance and a Department Head is permitted to withhold a salary increase for a period not to exceed six months during which time the employee will be on probation. The employee will be advised in writing of this action and the reasons for withholding the increase. If the employee does not show the required improvement to warrant removal from probationary status within the six-month period, he/she shall be separated from employment.

7.3.1 Progress through the steps shall be based on the time periods indicated on the salary schedule (except in the case of regular part-time employees who must serve twice the time period indicated), unless such time period is adjusted because of the probationary period resulting from a withheld step increase or an approved leave of absence. When an employee is hired at a rate above Step I in accordance with Section 7.2, progression shall proceed from the step at which hired. For example, an employee hired at Step III (one-year rate) would progress to Step IV (two-year rate) after one year and Step V (three-year rate) after two years. An employee hired at Step II (six-month rate) would progress to Step III (one year rate) after six months) and Step IV (two year rate) after 18 months.

7.3.2 Part-time and temporary employees shall not be eligible for step increases except as provided in Section 7.2.1 of this policy.
7.4 Severance Pay. Severance pay is not authorized.

7.5 Overtime. Upon pre-approval, in writing, and only when budgeted in a department’s current year budget, non-exempt Employees of Saginaw County may be scheduled for overtime work and be paid overtime compensation at the rate of time and one-half of regular rates of pay for all hours actually worked in excess of forty hours provided, however, there shall be no pyramiding of overtime. Furthermore, employees who are on authorized PTO, vacation, or personal leave and actually work within the same 24 hour period, shall be credited no more time than a normal scheduled work day or the amount of time actually worked, if more than a normal work day. Elected officials, persons appointed to serve on a policy-making level, and FLSA exempt personnel are generally exempt from overtime pay. Exempt personnel are salaried employees who are expected to meet the demands of the position without overtime compensation.

7.5.1 Overtime shall not be authorized by Department Heads unless provided for as a separate line item in the departmental budget. Special projects or other extraordinary circumstances, not foreseen during the budget process, may justify special consideration for overtime authorization, which may be requested from the Controller.

7.5.2 Regular full-time employees or part-time and temporary employees working or scheduled to work 40 or more hours a week in one department shall not be permitted to work any additional hours in another department unless approved by the Controller.

7.6 Pay Adjustments. The following personnel actions shall affect the pay status of the affected employee in the following manner:

7.6.1 Transfers. If an employee is transferred into a classification with the same pay rate, the employee's pay rate shall remain unchanged. An employee must actually have worked (1) one full year in his/her current position to be eligible to apply for transfers (meaning those positions of the same classification and hours designated to work), unless waived in special circumstances by the Personnel Division or applicable official.

7.6.2 Promotions. If an employee is promoted to a higher paying position, the employee shall be paid at the lowest step in the new pay grade which is at least five percent (5%) above the salary he was receiving immediately before the promotion. For purposes of this policy, promotion means movement to a different position which has a higher final step in the pay grade than the final step in the pay grade for the position being vacated.

7.6.2.1 Personnel may be employed in a lower grade than authorized on the Personnel Allocation Schedule. If such an individual is later promoted to the authorized grade, the promotion shall be treated as a reclassification and he shall retain his/her step.
7.6.3 Demotions for Cause or at employee request. If an employee is demoted to a classification with a lower pay grade, for cause, or at the employee’s request, the employee shall be paid in accordance with the pay range for the new classification but will retain his/her previous step, including time accrued in previous step.

7.6.4 Transfer to a Lower Paying Position. If an employee is transferred to a lower paying position because of budgetary requirements, reorganization, or to avoid layoff, the employee will be paid at the highest step of the new classification, if the highest step is lower than the employee’s salary before the transfer. If the highest step is not lower than the employee’s salary before transfer, then the employee will be placed at the step which is nearest to, but not less than, his/her salary before the transfer.

7.6.5 Recall or Return from Layoff. When an employee following layoff is recalled in the same classification and pay rate from which he/she was laid off, he/she shall be placed in the same step that he/she occupied at the time of layoff. However, the employee shall be credited any time accrued prior to layoff for purposes of determining the employee’s next merit step increase. If the employee returns to a position in a different classification and pay rate (moves from one pay schedule to a different pay schedule), the employee will be placed at the step in the new pay schedule which is closest to but not less than his/her former compensation rate.

7.6.6 Reclassification of Position. If an employee's position is reclassified the following shall apply:

7.6.6.1 If an employee’s position is reclassified to a higher pay grade he/she shall be paid at the higher pay range retaining the same step.

7.6.6.2 If an employee’s position is reclassified to a lower pay grade, the employee's salary shall remain frozen at the current pay rate until such time as the salary rate for the new classification equals or exceeds the employee's current salary pay rate.

7.6.7 Working Out of Classification

7.6.7.1 Employees may be directed by the Department Head or Supervisor to perform duties above their classification.

7.6.7.2 Employees who are temporarily requested to perform duties above their classification shall be paid at the lowest merit step in the new pay grade which is at least 5% above the salary the employee is currently receiving.

7.6.7.3 Employees shall be required to keep a log of their time worked above their classification and submit same to their...
Department Head or Supervisor. Logs should contain actual time worked, specific tasks performed and employees will be paid at the higher rate of pay accordingly.

7.7 Computation of Step Time. Although time spent on an approved leave of absence or layoff is credited towards continuous length of service, such periods of thirty (30) or more continuous days are not credited towards step increases.

7.7.1 Full-time temporary service, when the employee was hired through competitive selection, that immediately precedes the transfer of an employee to a regular position in the same class, shall be credited in determining the employee's position on the salary schedule.

7.7.2 Regular part-time service which immediately precedes the transfer of an employee to regular full-time service in the same class will be credited at one-half (1/2) time regardless of the number of hours actually worked.

7.7.3 Part-time service is not credited.

7.8 Former Employee. A former employee who is rehired shall be paid at Step 1 of the pertinent grade unless a higher step is authorized in accordance with Section 7.2 or the employee is granted previous service in accordance with the Continuous Length of Service Policy (Policy #334).

7.9 Pay Periods. Employees shall be paid on a bi-weekly basis.

7.10 Longevity Pay. Regular Full-Time Employees hired before March 1, 2005 who have completed five or more years of continuous service as of December 1st of each year shall be entitled to longevity pay. Longevity pay shall be based on length of continuous service as of December 1st of each year and employment status (regular full-time or regular part-time) as of December 1st of each year. Length of continuous service shall be determined as stated in the Continuous Length of Service Policy. Employment status is defined in the Recruitment, Selection and Appointment Policy. Regular full-time employees shall receive $70 for each full year of continuous service. Regular Full-Time Employees hired on or after March 1, 2005 are not eligible for nor shall they receive longevity pay. Regular part-time employees, who received longevity pay in 2001, shall receive $35 for each full year of continuous service, until their employment terminates. Regular part-time employees who did not qualify for longevity pay in 2001 (those that had less than five full years continuous service as of 12/01/01), are not eligible for longevity pay.

7.10.1 A Full-Time employee who retires or dies during the year prior to December 1st shall be entitled to a pro-rata longevity pay for the number of months since the previous December 1st to the date of retirement or death.

FROM: COMMITTEE ON LABOR RELATIONS -- 5.5

Your Labor Relations Committee considered Communication No. 12-18-20 from Jennifer Broadfoot, Personnel Director, submitting proposed changes to County Policy #346 titled “Retirement” to eliminate the option of a 0% employee contribution within the defined contribution retirement plans and establish how employees currently in the 0% option will transition to the other plan option for which they are eligible.

We met with Ms. Broadfoot who informed the committee that this language applies to non-union employees eligible for a retirement benefit. If a bargaining unit has specific contract language in their collective bargaining agreement that addresses the defined contribution retirement plan’s contribution rates, that language would take precedent over this policy until terms are negotiated in collective bargaining agreements.

We recommend approval of revised County Policy #346 titled “Retirement.”

Respectfully Submitted,

(Policy begins on next page)
1. PURPOSE: It is the purpose of this policy to assist County employees by providing for their health and well-being during their retirement years.

2. AUTHORITY: The Saginaw County Board of Commissioners.

3. APPLICATION: The rules and regulations herein set forth apply to all employees paid by Saginaw County pursuant to Policy #301.

4. RESPONSIBILITY: The Controller/CAO shall be responsible for the implementation and administration of this policy.

5. DEFINITIONS: None

6. POLICY:

6.1 Retirement Benefit Plans. Retirement benefit plans vary depending upon employee classification and hire date. Said plans are modified from time to time by the direction of the Board of Commissioners. Eligible employees hired prior to June 1, 1994 were required to become members of the defined benefit plan administered under the rules established by the Michigan Municipal Employees Retirement System (MERS). Eligible employees hired on or after June 1, 1994 are required to become members of the defined contribution plan. There is no mandatory retirement age.

6.2 Defined Benefit Plan (MERS). The County currently pays the entire cost for this plan without any employee contribution required, unless otherwise set forth in a collective bargaining agreement. Benefits are based on a formula, including final average compensation, years of service and benefit program. In addition, an employee must reach a minimum age and/or complete a minimum number of years of service in order to be eligible for the particular MERS pension benefit under which they are covered. Benefit payment options allow for beneficiary coverage and may also include cost of living adjustments. Credit may be given for previous county service, military service, and generic service. Employees may purchase “generic service” up to five (5) years in accordance with MERS policies and procedures with the employee paying one hundred percent (100%) of the cost. Employees may purchase qualified “governmental service” in accordance with MERS policies and procedures with the employee paying one hundred percent (100%) of the cost.

Employees may purchase “military service” in accordance with MERS policies and procedures, if the employee was hired prior to May 17, 1994, with the employee paying one hundred percent (100%) of the cost. In order to receive credit for generic, governmental or military service, the employee must pay their cost share in full at the time of purchase.
Defined Contribution Plan. For employees hired prior to March 1, 2005, a pre-tax employee contribution of either 0% or 3% of compensation is currently required for participation in this plan. The County currently matches this contribution at the rate of 6% or 9%, respectively. For employees hired on or after March 1, 2005, a pre-tax employee contribution of either 0% or 6% of compensation is currently required for participation in this plan. The County currently matches this contribution at the rate of 3% or 6%, respectively. Benefits are based on the dollar amount in an employee's account at the time of separation and the selection of one of several pay out methods approved by the United States Department of Treasury, Internal Revenue Service. The amount in the employee's account accumulates from a combination of the above described contributions and self-directed investment earnings. Upon separation, employees may choose to begin using the entire amount of their contribution plus a percentage of the County's contribution based on their months of services as provided below.

As soon as practical after approval of the policy: (1) those employees in the six percent (6%) employer contribution and zero percent (0%) employee contribution shall complete the appropriate paperwork to transition into the nine percent (9%) employer contribution and three percent (3%) employee contribution option, (2) those employees in the three percent (3%) employer contribution and zero percent (0%) employee contribution will complete the appropriate paperwork to transition to the six percent (6%) employer contribution and six percent (6%) employee contribution option.

Re-employment of Retired County Employees. To ensure a more representative workforce and provide employment opportunities, an employee who retires from Saginaw County in accordance with MERS guidelines and/or IRS regulations, will not be rehired into the County as a regular full-time, regular part-time, or on-call employee or pursuant to a contract, except (1) as a seasonal laborer in the Parks & Recreation Department, Maintenance Department, or Mosquito Abatement Commission which is not to exceed six (6) months; (2) to train a successor which is limited to 90 days without the prior approval of the Board of Commissioners for a longer period; and (3) to temporarily fill a vacant position while the department is actively searching for a permanent replacement, provided the department head requests a waiver of the hiring freeze and which is limited to 90 days without the prior approval of the Board of Commissioners for a longer period. The County Controller/CAO will be responsible for providing a report to the Labor Relations Committee identifying the rehiring of County retirees. The report shall include date of rehire, length of re-employment, purpose of re-employment, and name of rehired retiree.
6.5 Health Insurance.

6.5.1 To be eligible for retiree health insurance, an employee must satisfy both the age and continuous length of service requirements associated with retirement under the MERS Defined Benefit Plan even if they are members of the Defined Contribution Plan. An employee hired before January 1, 1993 and retiring shall be entitled to health insurance for themselves, their spouse and their dependents, as defined by County Policy. The employee must continue with the group health option in which they are enrolled (either CB1 or CB8) prior to retirement, provided proper application is made prior to retirement and the above described age and service requirements are met.

Employees hired after January 1, 1993 and prior to March 1, 2005, who similarly retire, shall be entitled to continue with single coverage (employee only) in the group health option in which they are enrolled, (either CB1 or CB8) prior to retirement. Employees hired on or after March 1, 2005 and employees that made an irrevocable election to refuse retiree health insurance are not eligible for retiree health insurance.

6.5.2 Employees hired on or after March 1, 2005, will not be eligible for retiree health insurance. They and those employees who have previously made an irrevocable decision to refuse retiree health insurance, shall thereby be enrolled in an employer sponsored Health Care Savings Program (HCSP) or its equivalent. The County will contribute 1% of eligible employee's gross wages to the HCSP. Additionally, eligible employees shall contribute 0.25% of their bi-weekly gross wages to the HCSP. Allowable changes to employee contribution levels shall be in accordance with the HCSP participation document.

6.5.3 Employees who retire on or after January 1, 1991 and prior to January 1, 2014 and who are eligible for and elect to receive health insurance coverage, shall be required to pay a percentage of premiums for said coverage, as indicated in TABLE A listed below. Payment shall be in accordance with the number of continuous years of service actually worked for Saginaw County regardless of the total number of credited years of service held by the employee for the purpose of calculating the County Defined Pension Benefit through MERS.

Said payment shall be due thirty (30) days after invoice date. Overdue payments will be sent notices to pay. For invoices lapsing for more than ninety (90) days, a termination of insurance letter will be sent indicating coverage will terminate commencing the first date for which coverage has not been paid, i.e., if coverage was paid through January 31, termination is effective February 1. Also enclosed with this letter, will be an election form to transfer to a monthly offset payment in lieu of said coverage. The monthly offset payment amount will be the amount in effect on the date of the election, pursuant to the applicable collective bargaining agreement and/or County policy.
6.5.4 Employees who retire after January 1, 1993, and who are eligible for health insurance coverage, may elect to receive a monthly offset payment in lieu of said coverage, provided that they are not covered under a County paid health plan. A retiree may elect to discontinue his/her current health care coverage and elect to receive said monthly offset payment. The monthly offset payment will be the amount in effect at the time of election, pursuant to the applicable collective bargaining agreement and/or County policy. A retiree electing to receive the monthly offset payment in lieu of health coverage will not be eligible to opt back into the health plan. Employees hired on or after March 1, 2005, and those who have made an irrevocable election to refuse retiree health insurance, are not eligible to receive a monthly offset payment in lieu of said coverage.

6.6 Medicare. Upon becoming eligible for Medicare, the subscriber and his/her dependent(s) must enroll in both Part A and B of Medicare at the subscriber’s expense. It is each individual’s personal responsibility to contact the Social Security Administration regarding Medicare. Once enrolled, Medicare will become the primary coverage, while Saginaw County’s health plan will be the secondary payor.

6.7 Blue Cross/Blue Shield of Michigan Savings Refund Shares – Contribution to Employee HCSP Account and Retiree Health Care Fund.

Historically, the County of Saginaw receives an annual Michigan Savings Refund (Refund) from Blue Cross/Blue Shield of Michigan (BCBSM). This annual refund has been based on physician and other medical provider settlements; pharmacy recoveries; and prescription drug rebates. For purposes of calculating a one-time County contribution to employees’ HCSP accounts, the County will apportion each employee who is eligible to receive County-sponsored health benefits a pro-rata share of the annual Refund on or before March 31 of the refund year. (e.g. 2013’s annual Refund share, if any, will be distributed by March 31, 2014).

The pro-rata share will be based on the total number of County employees eligible to share the annual Refund amount. Eligibility for the pro-rata share of the Refund is contingent on the eligible employee having been employed the entire refund year, as no shares will be prorated. For purposes of this section only, “refund year” means the 12 month period recognized by BCBSM (historically, from December 1 through November 30).

Once determined, this pro-rata share will be contributed to the employee’s HCSP account for those employees who have an HCSP account and are not eligible to receive retiree health insurance, subject to such rules governing such County contributions to the HCSP. The remaining sum of pro-rata shares (that are apportioned to those employees who are eligible for retiree health insurance) will be contributed to the County’s retiree health care fund. Employees who are eligible to receive retiree health insurance shall not receive any pro-rata share of any refund.
By way of an example, if an employee left employment on November 29, after having been employed the rest of the entire refund year, he/she would not be eligible to receive any share of the Refund. The County has no control whether an annual Refund is provided by BCBSM or the amount of the annual Refund, if provided.

This section only becomes effective if all bargaining units agree to the same principle as set forth in this section. Otherwise the entire refund shall be contributed to the County’s retirement health care fund.

6.8 Retiree Life Insurance. Life insurance shall be provided to eligible retirees in an amount designated by the Board of Commissioners without any cost share required from the subscriber.

Your Labor Relations Committee considered Communication No. 12-18-21 from Robert V. Belleman, Controller/CAO, requesting approval to enter into a contract with Springsted for Phase II ($28,600) covering professional level employees and Phase III ($28,100) covering managerial level employees to finalize the Job Classification & Compensation Study.

We met with Mr. Belleman who stated there are 136 professional level employees within 70 job classifications and 64 employees in management positions. The process for Phase II and Phase III will follow the same process previously identified by Springsted for Phase I of this project. 6.1) **Commission on Aging**, re: Approval to use fund balance in the amount of $8,016.25 for the purchase of a copier/printer for the department

- *Krafft moved, seconded by Theisen, to approve 6.1. Motion carried.*

FROM: EXECUTIVE COMMITTEE -- 6.1

**DECEMBER 18, 2018**

Your committee considered Communication No. 12-18-29 from Jessica Sargent, Director, Commission on Aging, requesting approval to utilize $8,016.25 for the purchase of a copier/printer for the department.

We met with Ms. Sargent who explained that the current copier was installed in 2011 and, due to the changes in the phone system, the ability to use facsimile technology was lost and the current printer does not support the new technology. Much of the contact with service providers is done through facsimile and the current practice is cumbersome and time consuming. The option given was to add server space; however Saginaw County Information Technology (IT) Department does not support this option. There is currently $648,000 in COA fund balance. This updated copier/printer is a necessity and is essential for day to day operations.

We recommend approval to utilize $8,016.25 from the agency’s fund balance for the purchase of a copier/printer for the department.

FROM: COMMITTEE ON LABOR RELATIONS -- 5.3
NOVEMBER 20, 2018
Your Labor Relations Committee considered Communication No. 11-20-30 from Christina Harrington, Health Officer, Public Health, requesting waiver of the hiring freeze and approval to fill the vacant position of Senior Public Health Nurse; waiver of the hiring freeze and approval to fill two (2) vacant positions of Public Health Nurse; and approval for a wage adjustment for the remainder of FY 2019 to fill vacant Public Health Nurse positions up to Step 3 of the pay scale based on years of experience.
We met with Ms. Harrington who informed the committee that recent staffing changes resulted in two (2) vacant public health nurse positions; and due to a retirement, the Senior Public Health Nurse position has become vacant. All positions are fully funded by the Michigan Department of Health and Human Services, which fulfills the contractual obligation to provide specific clinical services within Saginaw County. The wage adjustment up to a Step 3 of the current starting wages for these positions, based on experience, for the remainder of FY 2019 will allow for better recruitment options for the department.
We recommend waiver of the hiring freeze for the nurse positions noted above and approval to continue the wage adjustments for the remainder of FY 2019.

Respectfully submitted,

Your Labor Relations Committee considered Communication No. 11-20-9 from Michael Hanley, County Clerk, requesting waiver of the hiring freeze and approval to fill the positions of Vital Records Office Clerk, Circuit Court Records Clerk, and Circuit Court File Clerk.
We met with Mr. Hanley who stated that as of October 22, 2018 the office has been working short-handed as a result of the employees that were in these positions accepting other positions within Saginaw County Government. These positions are currently vacant and in the budget.
We recommend approval to waive the hiring freeze and fill the positions of Vital Records Office Clerk, Circuit Court Records Clerk, and Circuit Court File Clerk.
