ELECTION OF CHAIR

Temporary Chair Woods thanked the Board for their support and outlined procedures for selection of the Chair and Vice Chair.

According to Section 3 of Public Acts of 1851, No. 156, as amended by Public Acts of 1973, No. 102, the first order of business is as follows: "The Board of Commissioners at their first meeting in each year, choose one of their number as Chair and one of their number as Vice-Chair."

And according to Saginaw County Local Act 653 of 1905 and the Rules of the Board, it is stated that "All officials, appointees, agents, and servants elected by the Board of "Supervisors" of Saginaw County shall be elected viva voce vote of the members of said board."

CHAIR HADSALL

Chair Hadsall thanked her fellow commissioners for their vote of confidence and support. She recalled four years ago when commissioners elected her to fill the vacancy in District #3. It was a difficult time but she remembered all the help and encouragement she received from her fellow commissioners, especially Todd Hare who was Chair at the time. She asked for the Board's continued support today. She expressed her passion for public service, and how she will enjoy being Chair and representing the Board. Turning to the "Wall of Past Chairs" in the Commissioners' Chambers, she recognized the other women that have held the leadership position - Audra E. Francis in 1972 and Barbara J. McDonald from 1994-1996 - and how she was proud to be the third woman to serve as Chair. There were four other Chairmen on the Wall she recognized, three from her district and several that she had known personally - Charles W. Bois - 1934-1939, Lewis F. McNally - 1946-1955, Edward McNamara - 1959-1964, and Robert L. Fish who served as Chair from 1999 until his death on January 24, 2002 and whose vacant seat she filled. Chair Hadsall thanked former Chair Hare for the leadership he provided during the last four years. She admired him for his ability to juggle the responsibilities of a family, career, and public service, knowing how difficult this is to do. She asked for his guidance and expertise in the months ahead. Chair Hadsall made two promises to the Board: that she would work very hard - with them, for them, and sometimes against them; and that her door would always be open to listen. She then introduced her family - daughter Trisha, her husband Mark Gaffney and daughter Astana, and daughter Jennifer.

ELECTION OF VICE CHAIR

Chair Hadsall opened nominations for Vice Chair. Commissioner Blaine placed in nomination the name of Commissioner Terry W. Sangster. Commissioner Sangster accepted the nomination.

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 1.1 JANUARY 24, 2006

Your committee has considered communication no. 1-10-3 from Judge Faye Harrison, Tenth Judicial Circuit of Michigan, Family Division requesting authorization to use a portion of Borchard Park for activities in conjunction with Law Day 2006.

The Saginaw County Law Day celebration is scheduled for April 27, 2006. The Saginaw County Bar Association and Lawyers Auxiliary will sponsor activities to highlight the significance of our legal system. In addition, a blood drive is being proposed again this year whereby the Saginaw Valley Community Blood Program would bring its mobile collection station (van) to the Governmental Center to service donors.

We recommend the proper County officials be authorized and directed to facilitate the Law Day activities at Borchard Park and the Saginaw Valley Community Blood Program mobile collection station at the County Governmental Center on April 27 in celebration of Law Day 2006.

Respectfully submitted,

COMMITTEE ON COURTS & PUBLIC SAFETY

Michael P. O'Hare, Chair
Thomas A. Basil
Patrick A. Wurtzel

By Commissioner O'Hare: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COUNTY SERVICES -- 2.1 JANUARY 24, 2006

Your committee has considered communication 1-24-6 from Saginaw Community Foundation - Next Generation Cares Committee asking the Board to consider allowing construction of a 100' x 200' ice skating rink in front of the Courthouse.

We met with Tom Miller, Next Generation Cares Committee who informed us the proposed ice skating rink would be constructed to be minimally invasive, and berm'd with an eighteen inch slope to be visually obscure during other seasons. All engineering, construction and maintenance costs would be covered entirely by the Saginaw Community Foundation. The County's existing insurance policy has a provision for this activity at no additional cost. The project would be coordinated by the Controller's Office and County Maintenance. County Parks will not have any responsibility for the proposed ice skating rink.

It is the recommendation of your committee to approve the request; and further, that the Controller be authorized and directed to work with Saginaw Community Foundation.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

Carl E. Ruth, Chair
Raymond F. Bartels
Terry W. Sangster

By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Commissioner Graham objected. Approved.
FROM: COMMITTEE ON COUNTY SERVICES -- 2.2  

January 24, 2006

Your committee has considered communication 12-13-10 from Kochville Township notifying 
the County of their proposed ordinance that will create an expanded District (Development Area 
#2) to their existing Downtown Development Area District. At our November 29, 2005 meeting 
your committee referred said communication to the Tax Increment Financing Staff Evaluation 
Committee in accordance with Saginaw County Policy #213. (See attached Policy)
The response from the Staff Evaluation Committee (Comm. 1-24-2) recommends the County 
"opt out". Mr. Totten, Equalization Director explained that counties have sixty days from the 
time a public hearing is held to exempt its taxes from capture and make a decision regarding a 
specific Downtown Development Area. Since Kochville held its public hearing on December 20, 
2005, the sixty day deadline to make a decision expires before the next Board Session. It was 
noted that the County's decision to opt out could be revisited in the future.
Under the proper order of business, the appropriate resolution will be submitted to accomplish 
same.
Respectfully submitted,
COMMITTEE ON COUNTY SERVICES

By Commissioner Ruth: That the Report of the Committee be received and the recommendations 
contained therein be adopted. Approved.

Attachment 1-24-2.2

Category: 200
Number: 213
Subject: TAX INCREMENT FINANCING POLICY

1. PURPOSE: The Goals of this Policy are to:
   1.1 Formulate a comprehensive written County Policy, which clearly defines the Board of Commissioners position with respect to tax increment financing;
   1.2 Serve as a guideline for whether the Staff Evaluation Committee should encourage the Board to voice approval or disapproval for a specific Downtown Development Authority (DDA), Local Development Financing Authority (LDFA) and Tax Increment Financing Authorities (TIFA's);
   1.3 Assist the County in evaluating the specific economic impact of a given tax increment financing proposal on the County for the current and future years;
   1.4 Set in place a method for evaluating current and future policy in the taxation and economic development area; and
   1.5 Communicate to County Elected Officials, Department Heads, Municipalities and the General Public the formal County policy with respect to tax increment financing.

2. AUTHORITY: The Saginaw County Board of Commissioners.

3. APPLICATION: This policy applies to all Elected Officials, Departments and Agencies of Saginaw County.

4. RESPONSIBILITY: The County Equalization Director shall be responsible for the implementation of this policy.

5. DEFINITION(S): NONE

6. POLICY:
   6.1 It is the policy of the Saginaw County Board of Commissioners to support economic development and rational tax increment financing which is beneficial to
the County as a whole and to support local tax increment financing where appropriate. Economic development is vital to local municipalities, as well as, the County and should be supported in principle and in practice. In determining, to what extent and for what duration, whether a specific DDA, LDFA or TIFA is to be supported or opposed by the County, the County will review at least the following factors:

6.1.1 With respect to a DDA, is the DDA located within an existing area, "principally and primarily used for business"?
6.1.2 With respect to a LDFA, is the township an "Urban Township"?
6.1.3 With respect to TIFA, is the TIFA located in an area of "substantially declining property values"?
6.1.4 Is the proposed tax increment financing located in a general area of "substantially declining property values" and "necessary for the development or rehabilitation of the area"?
6.1.5 What is the number of projected jobs saved or to be created, net of any transfers of employment within the area? Is this proposed tax increment financing plan a benefit or detriment to the local unit?
6.1.6 What is the anticipated captured taxable value, what is the cost in terms of lost tax revenues to the County versus the benefits to the County as a whole and what is the anticipated captured taxable value?
6.1.7 How long will the tax abatement last, how specific is the plan, and what is the cost and benefit to the local unit of government for financing utilizing tax increment financing? Does the plan outline the scope of the proposed projects, the amount of money to be borrowed, and the extent to which captured taxable value is to be relied upon?
6.1.8 What will the local unit do with the revenues captured from the DDA, LDFA and TIFA? Are projects allowable under the law? Will the revenue be spent for the benefit of the development area?
6.1.9 Is the local unit of government willing to submit to Saginaw County annual reports of revenues, expenses and fund balances related to the tax abatement?
6.1.10 On the whole, is this proposed tax increment financing plan a benefit or detriment to the County?

7. ADMINISTRATIVE PROCEDURES: The Staff Evaluation Committee (which consists of a representative selected by the Chairman of the Board, Equalization Director, Civil Counsel, Planning Director, and County Treasurer) will review and recommend to the Board of Commissioners an action, based on the above mentioned criteria.

8. CONTROLLER/CAO LEGAL COUNSEL REVIEW: The Controller/CAO has determined that this policy as submitted to the Board of Commissioners contains the necessary substance in order to carry out the purpose of the policy. The County Civil Council has determined that this policy as submitted contains content that appears to be legal activities of the Saginaw County Board of Commissioners.

Approved as to Substance: Saginaw County Controller/CAO
Approved as to Legal Content: Saginaw County Civil Counsel
ADOPTED: November 23, 1999 / AMENDED: February 26, 2002

PULLED AND RETURNED TO COMMITTEE

Humans Services Committee Vice-Chair Blaine, in the absence of Committee Chair Woods, pulled the report and sent it back to committee for further study.
FROM: COMMITTEE ON HUMAN SERVICES -- 3.1 JANUARY 24, 2006

At the December 13, 2005 Session, a public hearing was held to hear comments on the proposed Clean Indoor Air Regulation, pursuant to Section 2442 of the Public Health Code and the authority conferred upon local health departments by the Michigan Public Health Code, 1978 P.A. 368, as amended. Your committee was to meet in early 2006 to consider its adoption.

In this regard we considered communication 12-13-7 from Natasha Coulouris, Health Officer, Saginaw County Department of Public Health, the comments made at the public hearing, and other supplementing documents regarding the proposed Clean Indoor Air Regulation.

The Regulation is intended to protect the public's health and welfare by eliminating smoking in public and private worksites and public places, excluding bars and restaurants. County Civil has reviewed the Regulation and finds it to be a legal undertaking.

It is our recommendation that the attached Clean Indoor Air Regulation as submitted by the Saginaw County Department of Public Health be adopted and go into effect in ninety (90) days from and after its adoption.

Respectfully submitted,

FROM: COMMITTEE ON APPROPRIATIONS -- 4.1 JANUARY 24, 2006

Your Labor Relations Subcommittee considered communication no. 1-24-8 from Michael E. Thompson, Administration Director submitting proposed revisions to Saginaw County Retirement Policy #346, Section 6.5.3. The revisions will clarify that it only applies to those employees who are not covered by a collective bargaining agreement, and will allow any eligible payments to be contributed to the Retiree Health Savings Plan. The amendments are listed below in bold print.

Category: 300
Number: 346
Subject: RETIREMENT

6.5.3. Employees, not covered by a collective bargaining agreement, hired prior to March 1, 2005 may make an irrevocable election to refuse retirement health insurance and choose the RHS plan. They will be offered a one-time incentive of $15,000.00 by the County, and will not be eligible for retiree health insurance or a stipend in lieu of retiree health insurance. Once opting out of retiree health insurance, the County will contribute 1% of the employee's gross wages to the RHS plan, while the employee has an option of not contributing or contributing 1% - 7% of their salary, this decision shall be irrevocable.

Employees hired prior to March 1, 2005 who wish to keep the County's retiree health may contribute from 1% to 7% to this plan with no County match, this decision shall be irrevocable.

All employees may contribute any lump sum payment on base wages or any retiree buy out payment or any eligible payments to a RHS plan provided that the transfer is acceptable to the IRS and Plan Administrator, and the County incurs no fee, tax or other charges or liabilities.

We concur and recommend Saginaw County Retirement Policy #346 be amended, as submitted; further, that the proper County officials be directed to distribute the policy to all Saginaw County Elected Officials, Department Heads, and Agencies of the County, and make the necessary changes to the Central Electronic File Repository for viewing on the County Board of
Your Labor Relations Subcommittee considered communication no. 1-24-10 from Michael E. Thompson, Administration Director recommending Saginaw County become a corporate member of the Saginaw YMCA.

During the past year Administration invited all County employees to attend health care informational meetings and to complete a health risk appraisal questionnaire. The goals of these activities were to bring attention to the County's ever increasing health care expenses, to identify personal health risk factors, and to motivate individuals to improve their own fitness and, by doing so, have a favorable impact on the level of County expenses.

As a result, a number of options have been identified to further aid individuals to improve their fitness. One of these options is becoming a corporate member of the Saginaw YMCA. The program has numerous benefits for both the employee and the County, and is utilized by many local public and private sector entities. The minimum cost is $25 per year, per employee. All costs would be paid for from within the existing Employee Benefit Fund and no County General Fund monies would be used.

We recommend that Saginaw County become a corporate member of the YMCA, and further that the proper County officials be authorized and directed to negotiate the details with the YMCA Administration and execute the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form.

TO: MEMBERS OF THE SAGINAW COUNTY
BOARD OF COMMISSIONERS

Honorable Commissioners:

In accordance with Article VI, Section 6.11, this memo is included with the 2006 Rules to provide clarity relating to conduct and procedure at Official Board Sessions, and any other matters which may be appropriate.

One of the duties as Board Chair is to preserve order. The Board Rules assist the Chair with this in the sections pertaining to reporting, questioning and voting on committee recommendations. The Rules provide that committee reports be introduced by the Committee Chair who is encouraged to summarize the reports. Members with questions are recognized by the Board Chair and the questions are addressed through the Board Chair. Members are encouraged to keep debate on a reasonable plane; questions and/or debate on the Board Floor should stay within the parameters of the motion consistent with the Rules adopted by the Board.

There are guidelines on the number of times and length of time a member may speak on...
an issue. Voting is open and members have the option of voice vote, hand vote or roll call. Members are allowed by privilege to request that a question be postponed. In addition, there is opportunity to speak under commissioners' initiatory motions and commissioners' audiences.

When a member requires more extensive information, it is recommended that he/she contact the Board Chair, Committee Chair or Staff Person prior to the Board Session, when possible. Commissioners are welcome to attend Standing Service Committee meetings for a better understanding of the issues.

To avoid disruptions and out of courtesy, please have all cell phones and pagers turned off or on vibrate while the Board is in session.

Following these procedures maintains the dignity in which the Board has successfully conducted its business throughout the years, and allows us to be more efficient, effective and organized.

Respectfully,
Cheryl M. Hadsall, Board Chair

WHEREAS, The County of Saginaw received notice of a public hearing establishing Development Area #2 on November 28, 2005, and, the County has 60 days to exempt its taxes from capture and thereby opting out of the proposed Development Area #2, from the time of the public hearing which was held on December 20, 2005; and,

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COUNTY SERVICES -- 1.1    FEBRUARY 21, 2006
Your committee has considered communication 2-21-6 from Susan Kaltenbach, County Clerk asking the Board to set a $10 fee for Release of Construction Liens and for Bond Filings for Release of Construction Liens to recover costs incurred by her Office.
Ms. Kaltenbach informed the committee there is no statutory fee set for this service that calls for staff to prepare and sometimes mail the proper documents with a certification. There are usually about ten requests in a year.
It is the recommendation of your committee to approve the County Clerk's request to charge a $10 fee for Release of Construction Liens and for Bond Filings for Release of Construction Liens.
Respectfully submitted,
COMMITTEE ON COUNTY SERVICES
Carl E. Ruth, Chair         Todd M. Hare, Vice-Chair
Raymond F. Bartels         Kenneth B. Horn
Terry W. Sangster          Cheryl M. Hadsall
By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COUNTY SERVICES -- 1.2    FEBRUARY 21, 2006
Your committee has considered communication 2-21-8 from Jay Reithel, Transportation Planner, Michigan Department of Transportation (MDOT) Bay Region Office requesting a resolution of support to include with their grant application for development of a non-motorized path on the Harger Rail Line right-of-way.
Mr. Reithel informed us that during the summer of 2005, MDOT purchased eight and one-half miles of the abandoned Harger Rail Line right-of-way from Rail America, Inc. The right-of-way is located about one-half mile north of M-46 and extends from the western boundary at Airport Road in Saginaw County, easterly to M-15 in Richville Village in Tuscola County.
The intent is to create a non-motorized path that will connect with the eventual non-motorized facility being planned for M-15 by the M-15 Heritage Route Committee. A map showing the proposed plan is available for review in the Board Office.
MDOT may have an opportunity to construct the path in 2007 and coordinate its construction along with the mill and resurfacing project of M-15 in Richville. In order to secure funding, design plans must begin immediately and the project let for bidding later this year.
The total cost estimate for the project is three million dollars. MDOT will seek funding for the project from transportation enhancement funds, and if successful, the Bay Region Office will provide the matching funds. No County funds are being requested.
We agree with the request. Under the proper order of business, the appropriate resolution will be submitted.

FROM: COMMITTEE ON HUMAN SERVICES -- 2.1  FEBRUARY 21, 2006
Your Human Services Committee at its January meeting considered communication no. 12-13-7 from Natasha Coulouris, Health Officer, asking the Board to adopt a Clean Indoor Air Regulation to protect the public's health and welfare by eliminating smoking in public and private worksites and public places, excluding bars and restaurants. The Regulation was prepared in accordance with Section 2442 of the Public Health Code and the authority conferred upon local health departments by the Michigan Public Health Code, 1978 P.A. 368, as amended.

At the January 24, 2006 Board Session, the recommendation from the Human Services Committee to approve the Regulation was pulled and returned to the committee for further study. Subsequently, your committee met in February to review communication 2-21-10 from Health Officer Coulouris proposing two amendments to the Regulation to incorporate input received from commissioners, concerned citizens at the December 13, 2005 public hearing, and other agencies.

The Health Officer believes the two amendments, listed below in **bold print**, reflect an acknowledgment of areas strengthened by further clarification, and a commitment to the Health Department's mission.

**Amendment 1**

Sec. 1008 - A. Where Smoking is Not Regulated

4. **An employer owned or leased vehicle that is occupied by one employee and is not occupied by other employees or the public.**

**Amendment 2**

Sec. 1012 - A. Violations and Penalties

A good faith effort shall, at a minimum, consist of the following:

1. Adopting a written smoking policy in conformance with this regulation and informing employees and/or tenants of the policy;

2. Establishing no smoking areas near entrances, windows and ventilation systems and removing smoking trash receptacles from these areas;

3. Posting “no smoking” signs as required by this regulation and removing ashtrays and other smoking paraphernalia from any areas where smoking is prohibited by this regulation; and

4. Informing employees, members of the public and others who are in violation of the regulation and/or the employer’s smoking policy that they must extinguish smoking materials or leave the premises or be subject to the provisions of this regulation.

In addition, the Human Services Committee recommended two additional amendments listed below in **bold print**.

**Amendment 3**

Sec. 1008

C. Business and property owners have the option of constructing an outdoor smoking structure provided it meets the distance guidelines as provided in Section 1007.

**Amendment 4**

Sec. 1012

G. Landlords, defined as those who lease real property to others, shall be exempt from the violations and penalties herein if they: (1) post the proper signage, as provided by this regulation; (2) provide written notice to all tenants that the
building is smoke free; and (3) remove all trash receptacles in no smoking areas, as provided in Section 1007.

Counsel has reviewed the Regulation with the four modifications and finds it to be a legal undertaking. It is our recommendation that the Clean Indoor Air Regulation as attached be adopted and go into effect in ninety (90) days from and after its adoption.

Respectfully submitted,

COMMITTEE ON HUMAN SERVICES

Ann M. Doyle
Cheryl M. Hadsall

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1 FEBRUARY 21, 2006
Your committee has considered communication no. 1-24-11 from Sheriff Charles Brown requesting approval of the 2006-2010 Edward Byrne Memorial Justice Assistance Grant (JAG) in joint application with the Saginaw City Police Department. A public hearing was held at the Courts & Public Safety Committee meeting on February 8, 2006 to provide the public with the opportunity to comment; program information is attached.

We met with Sheriff Brown who informed us that, as in the past, the Sheriff Department would serve as the fiduciary and program manager for this funding initiative. The Sheriff would continue to use the County's allotment to support expenses associated with maintaining an entry
level Deputy position; the City Police Department would use their portion to support overtime (non-funded) expenses for officers deployed to suppress gang related activities. Both entities would divide the $108,369 grant ($54,184.50 each) for fiscal years 2006-2010. There is no local match required.

It is our recommendation that the Sheriff Department accept the 2006-2010 Justice Assistance Grant (JAG) in the amount of $108,369, as outlined above. We further recommend the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Counsel as to legal form, and to amend the budget accordingly.

Respectfully submitted,

REPORT PULLED BY VICE-CHAIR NOVAK AND RETURNED TO COMMITTEE
FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.2 FEBRUARY 21, 2006
At the May 20, 2003 Session, a proposal was submitted by Tom McIntyre, Executive Director, Saginaw County 911 Communications Center to ensure that Saginaw County would have a reliable public safety communications system for the future. To do this, approval was given by the Board to assess up to a 4% surcharge on basic local exchange service rates to create a fund for equipment replacement and necessary system upgrades estimated to cost $5.5 million. The 4% surcharge, an increase of $.80 per month per landline in Saginaw County, would result in estimated revenues of $900,000 per year depending on the number of landline telephones.

In this regard, your committee considered communication no. 2-21-2 from Director McIntyre asking to use the 4% surcharge funds to pay for billing costs for Motorola radio maintenance expenses of approximately $280,000 for the current fiscal year. We met with Deputy Director Barry Nelson who informed us that yearly maintenance costs are $78.00 per radio as opposed to replacement costs of $3,000 each. In the past, the municipalities paid for the maintenance.

It is our recommendation to approve the request submitted by the 911 Communications Center Authority to use funds from the 4% surcharge equipment and replacement fund to cover radio maintenance expenses for the current fiscal year in an amount up to $280,000. We further recommend the proper County Officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Counsel as to legal form, and to make the appropriate budgetary adjustments for implementation.

Your Budget Audit Subcommittee considered communication no. 2-21-13 from Marc A. McGill, Controller/CAO sending the General Operating Fund Balance Analysis and the proposed Appropriations for the fiscal year ended September 30, 2005. (attached)
The Report, subject to audit, shows that the total fund balance declined by 5.49% or $1,166,512.59. Inasmuch as Fiscal Year 2005 ended without a surplus in the General Operating Fund, no funds are available for transfer to either the Public Improvement Fund or the Budget Stabilization Reserve Fund as provided for in paragraph #28 of adopted Budget Resolution A.

In accordance with applicable provisions of Budget Resolution A and County Policies, we recommend:

- That the attached report be accepted and approved subject to final audit;
- That an appropriations of $65,613 be made from the Budget Stabilization Reserve to cover the specific program deficits listed;
- That an appropriation of $204,148 be made from the Cash Flow Reserve Fund to the Budget Stabilization Reserve Fund to cover the $1,343,900 needed to balance the Fiscal Year 2006 budget.

Further, that the proper County Officials be authorized and directed to amend the budget accordingly.

FROM: EXECUTIVE COMMITTEE -- 6.1 FEBRUARY 21, 2006
At the December 13, 2005 Board Session, a proposal from Commissioner Patrick A. Wurtzel to address allegations critical of Road Commission operations was referred to the Executive Committee for review.
Commissioner Wurtzel's six-point proposal addressed the number of road commissioners, appointment process, mission, investigations, personnel policies, training and the appointment of a liaison committee.
Although the committee understands that road commissions by statute are relatively independent of county boards, we believe it is of primary importance and in the best interest of the
community that our two agencies establish a process to improve communications between us. To accomplish this, we recommend that the Board of Commissioner Chair invite the Saginaw County Road Commission to be part of a Special Liaison Committee whose membership shall include county commissioners and county road commissioners; further, that the group meet on a quarterly basis to discuss issues affecting Saginaw County.

Respectfully submitted,

EXECUTIVE COMMITTEE

Terry W. Sangster, Vice-Chair

RESOLUTIONS
RESOLUTION "A" FEBRUARY 21, 2006
TO BORROW AGAINST
ANTICIPATED DELINQUENT 2005 REAL PROPERTY TAXES
At a regular meeting of the Board of Commissioners of the County of Saginaw, State of
Michigan, held at Saginaw, Michigan, on the 21st day of February, 2006.

ABSENT: Michael P. O’Hare

Commissioner Bartels offered the following resolution and moved its adoption. The motion was seconded by Commissioner Graham.

WHEREAS, the Board of Commissioners of the County of Saginaw (the "County") has heretofore adopted a resolution establishing the Saginaw County Delinquent Tax Revolving Fund (the "Fund") pursuant to Section 87b of Act No. 206, Public Acts of Michigan, 1893, as amended ("Act 206"); and

WHEREAS, the purpose of the Fund is to allow the Saginaw County Treasurer (the "County Treasurer") to pay from the Fund any or all delinquent real property taxes that are due and payable to the County and any school district, intermediate school district, community college district, city, township, special assessment district, the State of Michigan or any other political unit for which delinquent tax payments are due; and

WHEREAS, it is hereby determined to be necessary for the County to borrow money and issue its notes for the purposes authorized by Act 206, particularly Sections 87c, 87d and 87g thereof; and

WHEREAS, it is estimated that the total amount of unpaid 2005 delinquent real property taxes (the "delinquent taxes") outstanding on March 1, 2006, will be approximately $12,000,000 exclusive of interest, fees and penalties.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the County of Saginaw, State of Michigan, as follows:

Authorization of Borrowing

1. Pursuant to and in accordance with the provisions of Act 206, Public Acts of Michigan, 1893, as amended, and especially Sections 87c, 87d and 87g thereof, the County shall borrow the sum of not to exceed Twelve Million Dollars ($12,000,000) and issue its notes (the "notes") therefor for the purpose of continuing the Fund for the 2005 tax year. The exact amount to be borrowed shall not exceed the amount of delinquent taxes outstanding on March 1, 2006, exclusive of interest, fees and penalties. The County Treasurer shall designate the exact amount to be borrowed after the amount of the 2005 delinquent taxes outstanding on March 1, 2006, or the portion of the 2005 delinquent taxes against which the County shall borrow, has been determined.

Note Details

2. Pursuant to provisions of applicable law and an order of the County Treasurer, which order is hereby authorized, the notes may be issued in one or more series; shall be known as "General Obligation Limited Tax Notes, Series 2006"; shall be in fully registered form in denominations not exceeding the aggregate principal amounts for each maturity of the notes; shall be sold for not less than 98% of the face amount of the notes; shall bear interest at fixed or variable rates not to exceed the maximum interest rate permitted by applicable law; shall be dated, payable as to interest and in principal amounts, be subject to redemption in whole or in part prior to maturity, including any redemption premiums, and be subject to renewal, at such times and in such amounts, all as shall be designated in the order of the County Treasurer. Notes or portions of notes called for redemption shall not bear interest after the redemption date, provided funds are on hand with the note registrar and paying agent to redeem the same. Notice of redemption shall be given in the manner prescribed by the County Treasurer. If any notes of any series are to bear interest at a variable rate or rates, the County Treasurer is hereby further authorized to establish
by order, and in accordance with law, a means by which interest on such notes may be
set, reset or calculated prior to maturity, provided that such rate or rates shall at no time
be in excess of the maximum interest rate permitted by applicable law. Such rates may be
established by reference to the minimum rate that would be necessary to sell the notes at
par; by a formula that is determined with respect to an index or indices of municipal
obligations, reported prices or yields on obligations of the United States or the prime rate
or rates of a bank or banks selected by the County Treasurer; or by any other method
selected by the County Treasurer.

Payment of Principal and Interest
3. The principal of and interest on the notes shall be payable in lawful money of the United
States from such funds and accounts as provided herein. Principal shall be payable upon
presentation and surrender of the notes to the note registrar and paying agent when and as
the same shall become due, whether at maturity or earlier redemption. Interest shall be
paid to the owner shown as the registered owner on the registration books at the close of
business on such date prior to the date such interest payment is due, as is provided in the
order of the County Treasurer. Interest on the notes shall be paid when due by check or
draft drawn upon and mailed by the note registrar and paying agent to the registered
owner at the registered address.

Note Registrar and Paying Agent
4. The County Treasurer shall designate, and may enter into an agreement with, a note
registrar and paying agent for each series of notes that shall be the County Treasurer or a
bank or trust company that is qualified to act in such capacity under the laws of the
United States of America or the State of Michigan. The County Treasurer may from time
to time designate a similarly qualified successor note registrar and paying agent.

Disposition of Note Proceeds
5. The proceeds of the sale of the notes shall be deposited into a separate account in the
Fund (the "2006 Account") and shall be used to continue the Fund. The County Treasurer
shall pay therefrom and from unpledged funds in the Fund, uncommitted funds in the
County General Fund and/or any other legally available funds, if the notes are sold at a
discount, the full amount of the delinquent tax roll against which the County has
borrowed, delivered as uncollected by any tax collector in the County and that is
outstanding and unpaid on or after March 1, 2006, in accordance with the provisions of
Act 206.

2006 Collection Account
6. There is hereby established as part of the Fund an account (hereby designated the "2006
Collection Account") into which account the County Treasurer shall place delinquent
taxes against which the County has borrowed, and interest thereon, collected on and after
March 1, 2006, all County property tax administration fees on such delinquent taxes, after
expenses of issuance of the notes have been paid, and any amounts received by the
County Treasurer from the County and any taxing unit within the County, because of the
uncollectibility of such delinquent taxes. The foregoing are hereby established as funds
pledged to note repayment.

Note Reserve Fund
7. There is hereby authorized to be established by the County Treasurer a note reserve fund
for the notes (the "2006 Note Reserve Fund") if the County Treasurer deems it to be
reasonably required as a reserve and advisable in selling the notes at public or private
sale. The County Treasurer is authorized to deposit in the 2006 Note Reserve Fund from
proceeds of the sale of the notes, unpledged moneys in the Fund, uncommitted funds in
the County General Fund and/or any other legally available funds, an amount not
exceeding ten percent (10%) of the face amount of the notes.

Security for Payment of Notes

8. All of the moneys in the 2006 Collection Account and the 2006 Note Reserve Fund, if established, and all interest earned thereon, are hereby pledged equally and ratably as to each series to the payment of the principal of and interest on the notes and shall be used solely for that purpose until such principal and interest have been paid in full. When moneys in the 2006 Note Reserve Fund, if established, are sufficient to pay the outstanding principal of the notes and the interest accrued thereon, such moneys may be used to retire the notes.

Additional Security

9. Each series of notes, in addition, shall be a general obligation of the County, secured by its full faith and credit, which shall include the County's limited tax obligation, within applicable constitutional and statutory limits, and its general funds. The County budget shall provide that if the pledged delinquent taxes and any other pledged amounts are not collected in sufficient amounts to meet the payments of principal and interest due on each series of notes, the County, before paying any other budgeted amounts, will promptly advance from its general funds sufficient moneys to pay that principal and interest. The County shall not have the power to impose taxes for payment of the notes in excess of constitutional or statutory limitations. If moneys in the 2006 Collection Account and the 2006 Note Reserve Fund, if established, are not sufficient to pay the principal of and interest on the notes, when due, the County shall pay the same in accordance with this section, and may thereafter reimburse itself from the delinquent taxes collected.

Release of Pledge of 2006 Collection Account

10. Upon the investment of moneys in the 2006 Collection Account in direct non-callable obligations of the United States of America in amounts and with maturities that are sufficient to pay in full the principal of and interest on the notes when due, any moneys in the 2006 Collection Account thereafter remaining may be released from such pledge created pursuant to Section 8 hereof and may be used to pay any or all delinquent real property taxes that are due the County and any school district, intermediate school district, community college district, city, township, special assessment district, the State of Michigan or any other political unit to which delinquent tax payments are due for any other year or for any other purpose permitted by law.

Sale of Notes

11. The County Treasurer is hereby authorized to offer the notes at public or private sale as determined by order of the County Treasurer and to do all things necessary to effectuate the sale, delivery, transfer and exchange of the notes in accordance with the provisions of this resolution. Notes of one series may be offered for sale and sold separately from notes of another series. If the notes are to be sold publicly, sealed proposals for the purchase of the notes shall be received by the County Treasurer for such public sale to be held at such time as shall be determined by the County Treasurer and notice thereof shall be published in accordance with law, once in The Bond Buyer or the Detroit Legal News, both of which are hereby designated as being a publication printed in the English language and circulated in this State that carries as a part of its regular service, notices of sale of municipal bonds. Such notice shall be in the form prescribed by the County Treasurer. The County Treasurer is hereby authorized to cause the preparation of an official statement for the notes for the purpose of enabling compliance with SEC Rule 15c2-12 (the "Rule") and to do all other things necessary to enable compliance with the Rule. After the award of the notes, the County will provide copies of a final official statement (as defined in paragraph (e)(3) of the Rule) on a timely basis and in reasonable quantity
as requested by the successful bidder or bidders to enable such successful bidder or bidders to comply with paragraph (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board.

Continuing Disclosure

12. The County Treasurer is hereby authorized to execute and deliver in the name and on behalf of the County (i) a certificate of the County to comply with the requirements for a continuing disclosure undertaking of the County pursuant to subsection (b)(5) or (d)(2) of the Rule, as applicable, and (ii) amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Certificate"). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. The remedies for any failure of the County to comply with and carry out the provisions of the Continuing Disclosure Certificate shall be as set forth therein.

Execution and Delivery of Notes

13. The County Treasurer is hereby authorized and directed to execute the notes for the County by manual or facsimile signature and the County Treasurer shall cause the County seal or a facsimile thereof to be impressed or imprinted on the notes. Unless the County Treasurer shall specify otherwise in writing, fully registered notes shall be authenticated by the manual signature of the note registrar and paying agent. After the notes have been executed and authenticated, if applicable, for delivery to the original purchaser thereof, the County Treasurer shall deliver the notes to the purchaser or purchasers thereof upon receipt of the purchase price. Additional notes bearing the manual or facsimile signature of the County Treasurer and upon which the seal of the County or a facsimile thereof is impressed or imprinted may be delivered to the note registrar and paying agent for authentication, if applicable, and delivery in connection with the exchange or transfer of fully registered notes. The note registrar and paying agent shall indicate on each note that it authenticates the date of its authentication. The notes shall be delivered with the approving legal opinion of Dickinson Wright PLLC, attorneys of Detroit, Michigan.

Exchange and Transfer of Fully Registered Notes

14. Any fully registered note, upon surrender thereof to the note registrar and paying agent with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney, at the option of the registered owner thereof, may be exchanged for notes of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note.

Each note shall be transferable only upon the books of the County, which shall be kept for that purpose by the note registrar and paying agent, upon surrender of such note together with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney.

Upon the exchange or transfer of any note, the note registrar and paying agent on behalf of the County shall cancel the surrendered note and shall authenticate, if applicable, and deliver to the transferee a new note or notes of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note. If, at the time the note registrar and paying agent authenticates, if applicable, and delivers a new note pursuant to this section, payment of interest on the notes is in default, the note registrar and paying agent shall endorse upon the new note the following: "Payment of interest on this note is in default. The last date to which
interest has been paid is [place date]."
The County and the note registrar and paying agent may deem and treat the person in
whose name any note shall be registered upon the books of the County as the absolute
owner of such note, whether such note shall be overdue or not, for the purpose of
receiving payment of the principal of and interest on such note and for all other purposes,
and all payments made to any such registered owner, or upon his or her order, in
accordance with the provisions of Section 3 hereof shall be valid and effectual to satisfy
and discharge the liability upon such note to the extent of the sum or sums so paid, and
neither the County nor the note registrar and paying agent shall be affected by any notice
to the contrary. The County agrees to indemnify and save the note registrar and paying
agent harmless from and against any and all loss, cost, charge, expense, judgment or
liability incurred by it, acting in good faith and without negligence hereunder, in so
treating such registered owner.
For every exchange or transfer of notes, the County or the note registrar and paying agent
may make a charge sufficient to reimburse it for any tax, fee or other governmental
charge required to be paid with respect to such exchange or transfer, which sum or sums
shall be paid by the person requesting such exchange or transfer as a condition precedent
to the exercise of the privilege of making such exchange or transfer.
The note registrar and paying agent shall not be required to transfer or exchange notes or
portions of notes that have been selected for redemption.

Book Entry System
15. At the option of the County Treasurer and notwithstanding any provisions of this
resolution to the contrary, the County Treasurer is hereby authorized to enter into an
agreement with a custodian or trustee for the purpose of establishing a "book entry"
system for registration of notes to be fully registered. Pursuant to provisions of such
agreement, the notes may be registered in the name of the custodian or trustee for the
benefit of other persons or entities. Such agreement shall provide for the keeping of
accurate records and prompt transfer of funds by the custodian or trustee on behalf of
such persons or entities. The agreement may provide for the issuance by the custodian or
trustee of certificates evidencing beneficial ownership of the notes by such persons or
entities. For the purpose of payment of the principal of and interest on the notes, the
County may deem payment of such principal and interest, whether overdue or not, to the
custodian or trustee as payment to the absolute owner of such note. Pursuant to
provisions of such agreement, the book entry system for the notes may be used for
registration of all or a portion of the notes and such system may be discontinued at any
time by the County. The note registrar and paying agent for the notes may act as
custodian or trustee for such purposes.

Issuance Expenses
16. Expenses incurred in connection with the issuance of the notes, including without
limitation any premiums for any insurance obtained for the notes, note rating agency fees,
travel and printing expenses, fees for agreements for lines of credit, letters of credit,
commitments to purchase the notes, remarketing agreements, reimbursement agreements,
purchase or sales agreements or commitments, or agreements to provide security to
assure timely payment of the notes, fees for the setting of interest rates on the notes and
bond counsel, financial advisor, paying agent and registrar fees, all of which are hereby
authorized, shall be paid by the County Treasurer from County property tax
administration fees on the delinquent taxes, from any other moneys in the Fund not
pledged to the repayment of notes and general funds of the County that are hereby
authorized to be expended for that purpose.
**Replacement of Notes**

17. Upon receipt by the County Treasurer of satisfactory evidence that any outstanding note has been mutilated, destroyed, lost or stolen, and of security or indemnity complying with applicable law and satisfactory to the County Treasurer, the County Treasurer may execute or authorize the imprinting of the County Treasurer's facsimile signature thereon and thereupon, and if applicable, a note registrar or paying agent shall authenticate and the County shall deliver a new note of like tenor as the note mutilated, destroyed, lost or stolen. Such new note shall be issued and delivered in exchange and substitution for, and upon surrender and cancellation of, the mutilated note or in lieu of and in substitution for the note so destroyed, lost or stolen in compliance with applicable law. For the replacement of authenticated notes, the note registrar and paying agent shall, for each new note authenticated and delivered as provided above, require the payment of expenses, including counsel fees, which may be incurred by the note registrar and paying agent and the County in the premises. Any note issued under the provisions of this section in lieu of any note alleged to be destroyed, lost or stolen shall be on an equal basis with the note in substitution for which such note was issued.

**Issuance of Refunding Notes**

18. The County shall refund all or part of the notes authorized hereunder and/or notes previously issued by the County to continue the Fund for prior tax years if and as authorized by order of the County Treasurer through the issuance of refunding notes (the "Refunding Notes") in an amount to be determined by order of the County Treasurer. Proceeds of the Refunding Notes may be used to redeem such notes and to pay issuance expenses of the Refunding Notes as authorized and described in Section 16 hereof. The County Treasurer shall have all the authority with respect to the Refunding Notes as is granted to the County Treasurer with respect to the notes by the other Sections hereof, including the authority to select a note registrar and paying agent, to apply to the Michigan Department of Treasury for approval to issue the Refunding Notes, if necessary, to cause the preparation of an official statement and to do all other things necessary to sell, execute and deliver the Refunding Notes. The Refunding Notes shall contain the provisions, shall be payable as to principal and interest and shall be secured as set forth herein and as further ordered by the County Treasurer. The Refunding Notes may be sold as a separate issue or may be combined in a single issue with other obligations of the County issued pursuant to the provisions of Act 206 as shall be determined by the County Treasurer. The County Treasurer is authorized to prescribe the form of Refunding Note and the form of notice of sale, if any, for the sale of Refunding Notes.

**Form of Notes**

19. The notes shall be in the form approved by the County Treasurer, which approval shall be evidenced by the County Treasurer’s execution thereof.

Honorable Commissioners:

In accordance with Article VI, Section 6.11 this memo is included with the 2006 Rules to provide clarity relating to conduct and procedure at Official Board Sessions, and any other matters which may be appropriate.

One of the duties as Board Chair is to preserve order. The Board Rules assist the Chair with this in the sections pertaining to reporting, questioning and voting on committee recommendations. The Rules provide that committee reports be introduced by the Committee Chair who is encouraged to summarize the reports. Members with questions are recognized by the Board Chair and the questions are addressed through the Board Chair. Members are encouraged to keep debate on a reasonable plane; questions and/or debate on the Board Floor should stay within the parameters of the motion consistent with the Rules adopted by the Board.
There are guidelines on the number of times and length of time a member may speak on an issue. Voting is open and members have the option of voice vote, hand vote or roll call. Members are allowed by privilege to request that a question be postponed. In addition, there is opportunity to speak under commissioners' initiatory motions and commissioners' audiences.

When a member requires more extensive information, it is recommended that he/she contact the Board Chair, Committee Chair or Staff Person prior to the Board Session, when possible. Commissioners are welcome to attend Standing Service Committee meetings for a better understanding of the issues.

To avoid disruptions and out of courtesy, please have all cell phones and pagers turned off or on vibrate while the Board is in session.

Following these procedures maintains the dignity in which the Board has successfully conducted its business throughout the years, and allows us to be more efficient, effective and organized.

Respectfully,
Cheryl M. Hadsall, Board Chair

RESOLUTION OF RECOGNITION
Presented to:
GANG XU
2006 Recipient of Prudential Spirit of the Community Award

WHEREAS, The Prudential Spirit of Community Awards program is America's largest youth recognition program based exclusively on volunteerism. Its aim is to reach into every county, in all fifty states and the District of Columbia, to identify and honor these young men and women locally, state-by-state, and then nationally, in the hopes that their recognition will serve to stimulate others to volunteer service; and,

WHEREAS, The soul of a community and its vitality as a place to live and work depend on the relationship of families, friends and neighbors. Strengthening these bonds is not as much in the hands of governments or institutions as it is in the hearts of its people - individuals who volunteer to help people of all ages, races and religions cope with illnesses, overcome hardships and barriers, adjust to social changes, and fulfill their potential; and,

WHEREAS, These volunteers are the unidentified, unrecognized, advocates of our society, heroes if you will. Gang Xu, recently named as one of Michigan's top honorees in the Prudential Spirit of Community Awards program, exemplifies the value of volunteer community service, and is a role model to other youth as well as adults in Saginaw County; and,
WHEREAS, Gang Xu, a senior at Heritage High School, organized and leads a tutoring service for middle level students. During his program's first year, Gang recruited and trained twenty-four student volunteers, solicited financial backing for materials and snacks, and scheduled tutoring sessions for forty-five middle school students; and,

WHEREAS, A surprising number of volunteers in communities across the nation are like Gang, a student contributing time without expectation of reward, other than the gratification that comes from helping others. Some of these young people work in established groups; others seek new and unique ways to help others on their own. Recognizing these young volunteers and encouraging others to follow their example is the aim of this nationwide program.

INITIATORY MOTIONS

Commissioner Timothy Novak addressed the commission:

Today Governor Granholm signed legislation that increases the state's minimum wage from $5.15 per hour to $7.40 per hour over the next two years. I believe it is important for the County Board to go on record as supporting the increase at both the state and federal levels and I propose a resolution be submitted to accomplish same.

Commissioner Novak moved, supported by Commissioner Blaine to adopt a resolution supporting the raising of the minimum wage.

The Chair requested a roll be taken by the Clerk; a 2/3 majority vote was required for passage
Commissioner Patrick Wurtzel addressed the commission:

At the December Session, I presented a six-point framework to address the findings of two independent audit reports that were critical of how the Saginaw County Road Commission operates because I believed, and continue to believe, it is the responsibility of the Board of Commissioners to assist in lifting the allegations that were raised and provide constituents with answers.

I was very open with the Board on how I see the problems being resolved.

1) Support legislation to expand the number of road commissioners and elect the members;
2) Limit tasks to maintenance of roads and publicly bid all new construction;
3) Request the Prosecutor to appoint a special prosecutor to investigate the allegations of financial improprieties;
4) Freeze hiring until personnel policies are thoroughly reviewed;
5) Initiate mandatory training requirements for all employees;
6) Create a Board of Commissioners/Road Commission liaison committee to meet on a regular basis.

Last month the Board recommended the special committee be formed to improve communications between the two agencies. While this may or may not be helpful, I do not believe it will be enough to remove the cloud that hangs over the Road Commission, and ultimately Saginaw County, and not enough for us as commissioners to respond to our constituency that elected us to represent them.

I also bring to your attention the fact that County Counsel is unable to respond to the Board of Commissioners about what the County can and cannot legally do with respect to the Road Commission because they also represent the Road Commission. In these situations the Prosecutor acts as Counsel, however he has indicated unwillingness to investigate without the evidence and the funds to pay for a special prosecutor. This further impedes us from addressing and resolving the problems before us.

For these reasons as well as other allegations of impropriety contained in the Bishop Report, I propose the County Board take action to address these issues.

Commissioner Wurtzel moved, supported by Commissioner Basil that the Saginaw County Board of Commissioners request through our legislators for the Michigan State Attorney General to investigate the alleged financial and legal improprieties existing at the Saginaw County Road Commission.

The Chair requested a roll be taken by the Clerk; a 2/3 majority vote was required for passage (Board of Commissioners Rules Section 4.9). The results of the vote were as follows:

Ayes - Basil, Doyle, Bartels, Wurtzel;
Nays - Braddock, Graham, Novak, O'Hare, Blaine, Horn, Sangster, Woods, Ruth, Hare, Hadsall.

There were 4 ayes and 11 nays; motion failed.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 1.2  MARCH 28, 2006

Your committee has considered communication no. 2-21-5 from the Saginaw County Crime Prevention Council asking support of the attached 14-page "No Boundaries" Law Enforcement Plan as revised and dated March 10, 2006 attained through a 1.6 mill Public Safety Millage. The plan, designed by input from more than 120 individuals over an extended period in cooperation with the Crime Prevention Council, will maintain and improve public safety throughout Saginaw County. It supports and expands local police departments, provides additional countywide road patrol, eliminates boundaries by establishing special units to attack crime and provides support to volunteer fire fighters.

The ballot question on page 12 of the Plan as approved by Civil Council reads as follows:

COUNTY OF SAGINAW
PUBLIC SAFETY MILLAGE

Shall the limitation on the total amount of general ad valorem taxes which may be imposed for all purposes upon real and personal property in the County of Saginaw, as provided in Art. 9 Sec. 6 of the Michigan Constitution of 1963, as amended, be increased by a new additional millage of up to 1.6000 mills ($1.6000 per $1,000.00) of taxable valuation, as finally equalized, for the years 2006 to 2015, both inclusive, which if fully levied is estimated to raise $7,680,000.00 in the first year, for the purpose of enhancing public safety including, but not limited to: law enforcement, crime prevention, fire protection and prosecutorial efforts in the County of Saginaw, with revenue to be disbursed to the following local units of government: the Cities of Frankenmuth, Saginaw and Zilwaukee; the Villages of Birch Run, Chesaning, Merrill, Oakley and St. Charles; and the Townships of Albee, Birch Run, Blumfield, Brady, Brant, Bridgeport, Buena Vista, Carrollton, Chapin, Chesaning, Frankenmuth, Fremont, James, Jonesfield, Kochville, Lakefield, Maple Grove, Marion, Richland, Saginaw, St. Charles, Spaulding, Swan Creek, Taymouth, Thomas, Tittabawassee and Zilwaukee?

It is our recommendation to support the "No Boundaries" Law Enforcement Plan as revised and dated March 10, 2006, to approve the ballot language for a Public Safety Millage as prepared by Counsel, and to direct the County Clerk to place the Millage Question before the electorate at the August 8, 2006 Primary Election.

Respectfully submitted,

NO BOUNDARIES LAW ENFORCEMENT PLAN March 10, 2006

A Plan to:
Support and Expand Local Police Departments
Provide additional Countywide Road Patrol
Eliminate Boundaries by establishing Special Units to Attack Crime
Provide support to Volunteer Fire Fighters

Citizens of Saginaw County,

Our most important goal as County Commissioners is to maintain and improve public safety throughout the entire county.

In order to pursue that goal we are proposing the attached Law Enforcement Plan for your consideration on the August 8, 2006 ballot. We believe this plan addresses several layers of law enforcement that will have a significant impact on crime, and will make everyone in the County safer.

We believe the number one building block (the foundation) for any American Community is Public Safety. Without recognizing that the core value of a community is safety; we cannot expect to attain safe schools, safe parks, safe neighborhoods, or attract new business.

This plan was crafted by input from more than 120 individuals over an extended period of time in cooperation with the Crime Prevention Council. We believe the plan contains several new and expanded law enforcement tools that are desired by police departments. We believe this proposal is worthy of your consideration on August 8, 2006.

Considering all tax supported programs at the Local, County, State and Federal level; we believe the most important programs are those that make communities safe.

We are asking that you study the positive aspects of this plan, and that you align those positive aspects against the negative aspect of higher taxes ($5.25 per month on a $100,000 property). We encourage you then to vote your preference on August 8, 2006.

Respectfully,
Saginaw County Board of Commissioners

PLAN INTRODUCTION

This plan provides law enforcement services throughout Saginaw County based upon increases in personnel attained through a 1.6 mill Law Enforcement Millage.

This plan will replace the current and expiring 0.34 mill county plan. The current 0.34 mill plan employs 14 road patrol officers. The proposed 1.6 mill plan will employ 70, many of whom will be employed in local police departments. Of the 56 proposed new staff, over half (35) will be added to local police departments.

There is also for the first time support for Volunteer Fire Fighters. It is important to note the support is not intended to replace funding for Fire Departments. This plan does not begin to touch the level of resources necessary to fund Fire Departments. Neither does the plan intend to fund Fire Departments on any other basis other than volunteer. The funding in this plan is intended to support the Volunteer Fire Fighters.
This plan enables many of the personnel the ability to work together within special units. These special units are designed to use our law enforcement resources more efficiently. These units will have goals that lead to identifying, targeting, attacking, prosecuting, and reducing crime. Many of the officers in these units will have no boundaries, as crime has no boundaries. This plan will put our law enforcement resources on a more even playing field with criminals. We expect that several of the forward thinking local police chiefs will participate in these units.

This plan is outlined for your review in the following sections:

**The Cost** - This is a tax increase, what will it cost?

**Business Points** - What are the underlying goals this plan attempts to achieve?

**Special Units** – What are the special units and how do they enhance police departments in your community?

**Management and Control** - How does a County millage put more resources into your local Police Departments?

**Positive aspects of the plan** – What are the positives you can weigh against higher taxes? Are there enough positives for you to support safer communities?

**Summary** - Is adding police officers, road patrol officers, special units, and volunteer fire fighter support worth your attention?

**Is public safety a priority?**

**THE COST**

$100,000 home calculation:

For a home valued at $100,000, this plan will cost approximately $80/yr.

The Taxable Value of a $100,000 home is about $50,000. By multiplying the 1.6 mill by the $50,000 Taxable Value you get $80/yr.

This 1.6 mill plan replaces the current 0.34 mill you’re paying now. The same $100,000 home with a $50,000 Taxable Value is paying $17/yr on the 0.34 mill.

Thus, for a homeowner of a $100,000 home, the proposed net increase is $63/yr ($80 - $17).

This equates to $5.25/month.

**BUSINESS POINTS**

To propose a plan the Board of Commissioners could support, it had to meet certain requirements that made good business and law enforcement sense. We believe these business points are of value to any law enforcement plan you may desire to support.

1. **Preserve and Expand Existing Police Departments.** This plan adds significant resources directly and indirectly to all communities that support law enforcement through millages, assessments, or contracts. Exhibit (2) attached shows the deployment of officers. You can view that 35 officers are going directly into local police departments, and also view the percentage of increases in the community’s police departments. We believe these are significant additions that will make all communities safer.

2. **Add a Significant amount of Law Enforcement** that will have an impact on making our neighborhoods, schools, and businesses safer. Moving from the current 14 officer County plan to this 70 staff plan is significant. Thirty-five (35) County staff and thirty-five (35) Local Police Officers will provide a significant impact on crime.

3. **No Supplanting of Officers.** There will only be new officers added with the new millage dollars. If a police department cannot maintain their existing officers these new dollars will be removed from them and reallocated to those that do maintain existing levels. **New Tax Dollars must result in New Services.** There will always be 70 officers funded. Any municipality that does not maintain its levels as of August 8, 2006 will loose staff added by this plan. We will not supplant any laid off officers in any community beyond August 8, 2006. **Increased taxes must mean increased Law Enforcement.**
4. **Special Units** need to be identified. **Resources must go into tax payer funded programs that IDENTIFY, ATTACK, SOLVE, and PREVENT crime.** Police Chiefs will have the opportunity to participate in these special Units that will have no boundaries. They will work in teams to seek out criminals from one jurisdiction that dare commit crime in another.

5. **Support Local Public Safety Efforts.** This proposal respects that different municipalities financially support their own police departments. This proposal does not disrupt that local support, but rather adds officers to locally supported law enforcement efforts. If a community supports its own police department, this plan puts more officers and resources into that police department.

6. **New/Better Tools for Local Police & Fire Departments.** This plan is designed to help individual police and fire departments to be much more effective in keeping their own municipality safe while working together to keep the whole County safe.

**SPECIAL UNITS**

**Crime Analysis Unit**
The Crime Analysis Unit will initially be comprised of **two (2) officers.** The Crime Analysis Unit will draw information from criminal complaints reported across the County. This Unit will support every jurisdiction in this County; there will be no boundaries in their work. Compilation and analysis of information obtained will assist in developing proactive law enforcement strategies. By identifying suspects, their methods of operation, potential target areas, we can be in a better position to apprehend them. This information will be disseminated and accessible to all police agencies and special units.

**Crime Suppression Unit**
The Crime Suppression Units will initially be comprised of **ten (10) officers.** The Crime Suppression Unit will consist of two teams of (5) that will have the capabilities of working in either a covert or overt capacity. They will have no boundaries within the County. Their mission will be to target perpetrators of Part One crimes and bring them to justice through surveillance or by target area saturation. This unit will work closely with the Crime Analysis Unit and local Police Chiefs. This unit is dependent upon Police Chief Participation and Support.

**Property Crimes/Fraud Unit**
The Property Crimes/Fraud Unit will initially be comprised of **five (5) officers.** The Property Crimes/Fraud Unit will be responsible for the investigation of property crimes (burglaries, major larcenies, major frauds, identity theft). This unit will investigate and bring to prosecution complaints that are large in scale (multi-jurisdictional), or too time consuming for local law enforcement agencies to investigate. This unit will work in all municipalities of the County, and will not be restricted to boundaries. This unit will have the capability of working in either a covert or overt capacity. This unit will work closely with other units and local Police Chiefs. This unit is dependent upon Police Chief Participation and Support.

**Detectives**
The Detective efforts of the County are designed to be increased by **seven (7) staff.** Detectives are responsible for the investigation of criminal complaints occurring throughout Saginaw County. Detectives will have no boundaries in the County. This unit will also complete investigations and present to the Prosecutor’s Office cases generated by all Law Enforcement Agencies within the County.

**Prosecutors**
Additional staff will be responsible for the prosecution of cases brought forward as a result of the stepped up efforts of additional law enforcement. The Prosecutor’s Office will add **three (3) staff.**
Narcotics Unit
The Narcotics Unit will do follow up investigation on high profile drug cases. The Narcotics Unit will be comprised of three (3) officers. This unit will initiate narcotics investigations through covert operations. This unit will be working the entire County and will have no boundaries. This unit will work high profile drug cases that must be solved at the root of the drug problem. This unit will also work closely with other units and Police Chiefs. This unit is dependent upon Police Chief Participation and Support.

Volunteer First Responders
The men and women who volunteer to protect us and our property as Volunteer Fire Fighters have seen reduced state and local resources during the past several years. These men and women are a life safety value to all of us. These men and women on a cost benefit measurement are worth more to us than any other government employee at any level. These volunteers are an existing example of the no boundaries concept as they respond regularly into neighboring jurisdictions everyday. This support is intended for training and equipment for volunteers. The amount of 1/10th mill will go towards training and equipment for these men and women. The money will be prorated to municipalities based on the number of volunteers. The goal is to support our local Americans who voluntarily put their life on the line to protect ours.

Road Patrol Unit
The Road Patrol Unit will be initially comprised of forty (40) officers. At least Twenty-one (21) will be assigned as Sheriff Deputies, a 50% increase over today’s funded level of 14; the remaining will be assigned within Local Police Departments.
The significantly increased number of Road Patrol Officers will be responsible for providing a higher visibility presence and quicker response to calls for service. The 21 Sheriff Deputies will have no boundaries in the County. The officers operating out of the local police departments will enhance visibility and response in their local municipality. Patrols will enforce the laws of the State of Michigan, enforce traffic regulations and apprehend perpetrators of crime. Patrols will work closely with the Crime Analysis Unit to develop proactive patrol strategies to prevent crime throughout the communities. Patrols will also assist other special units when needed.

Unit Summary
The staff deployment will comprise 70 employees, with 35 as County employees, and the remaining 35 as local police officers. Regardless of the employing unit, all 70 positions will be working to make Saginaw County safer. The initial goal will be to fund and operate the aforementioned special units. The local Police Chiefs Participation and Support will be the key factors in these units coming to fruition and providing results.

MANAGEMENT AND CONTROL
THE CONTRACTS
The Goal is Results through Simplicity
For each of the local police departments adding a combined total of 35 officers, a contract will be created between that municipality and the County.
Example: This plan includes an officer being added to the Village of St. Charles Police Department. The officer will be assigned to Road Patrol in the Village of St. Charles. The Village will employ the officer, and have the opportunity to assign the officer to one of the Special Units other than Road Patrol if they decide it’s in their best interest. The Village will agree that the equivalent of one new officer will be employed. The County will transfer $90,000 of the millage funds to the Village for this officer. The Village will agree to not lower its ranks of law enforcement officers during the term of the contract. They will maintain their level of (4) officers they are funding on August 8, 2006. This is the “maintenance of effort clause”. It strongly supports the business point about new taxes must mean new services. If the Village ever reduces its police force below the August 8, 2006
level of 4, they will lose the $90,000. The funding for the officer will be moved to a municipality that continues to support their maintenance of effort level.

The maintenance of effort clause provides that if you are paying more as a taxpayer, you should (MUST) get more. Therefore, there will be no supplanting on behalf of any municipality that does not continue to support their existing levels.

The $90,000 figure for each officer will be adjusted annually by the increase or decrease in the County’s taxable value. The Village will find this very easy to administer. The $90,000 basically will have three (3) requirements attached to it.

1. Add a law enforcement officer.
2. Maintain the number of budgeted positions as of August 8, 2006.
3. Expend the $90,000 as adjusted in the Police Budget.

Management of the Special Units
Each municipality who desires to assign one of their officers to one of the Special Units may do so. How the Special Units will be managed is as follows:

Who will employ the officers in the Special Units?
The Police Chiefs will. Let’s use one of the two Crime Suppression Units as an example, with Thomas Township determining to be part of one of the two Crime Suppression Units. In this case we know that Thomas Township has added 3 officers under this plan and they have determined to assign (1) of them to the Crime Suppression Unit. They determine what officer from their ranks is assigned. The Thomas Township Police Chief is still the employer and still the person to keep informed as he and his officer agree or is directed.

Where do the Special Units report to work?
Once assigned to a special unit the officer will work as part of a team of 5 to seek out the root of certain crimes. The initial three teams of 5 (2 Crime Suppression teams and 1 Property Crimes team) will work out of a “home base”. The “home bases” will be initially set up in existing police offices such as the Saginaw Township, Bridgeport Township, or the County Sheriff Department. Should additional units come into existence through the success of these units, additional home bases will be established such as (for example only) the Thomas Township PD or Carrolton Township PD. If more suitable “home bases” are deemed to be appropriate as this plan comes to fruition they will be used. It’s important to note that these special units will spend much of their time in the field. Also, depending on the case, location, and nature of their current assignment, may meet or gather at various locations or times throughout the County.

Who will direct the work of the Special Units?
The Police Chiefs will. The Police Chiefs Association will guide, review and establish priorities for these teams. Additionally, the Crime Analysis Unit will make recommendations as to where and what types of crimes should be targeted. Obviously, the success of these teams will depend on a combination of factors. The ability to work together and the ability to provide results will be the most important factors. There are obvious advantages to having these teams as well as advantages to being part of them.

Will the teams be the same for all ten (10) years?
No, improvements and modifications will change the team make ups over time. Nor is it likely that all the initial participating units will always be the participating units. Also, individuals will come and go from participating units. As the teams begin operations they may increase or decrease in size. New teams may be developed that replace existing teams. Special units on the offensive are the goal. Police Chief Participation and Involvement will be the key to success.

POSITIVE POINTS
Eliminates Boundaries that restrict local police departments. Criminals have no boundaries, why should our police departments? This proposal allows local police to work together and go on the attack.
Board of Commissioners
March 28, 2006

Support and Enhance Local Police Efforts – Each Township, Village and City for which its citizens provide for police efforts will receive direct added support. Unlike now where the County controls all 14 officers, local departments will directly control 35 of the 70 funded positions.

Special Units – Unlike now where there exists no Crime Analysis Unit to identify and target crime; and unlike now where police departments do not have the resources to attack crime via Crime Suppression Units or a Property Crime Unit, this plan does. We will have these tools. This plan also provides a Narcotics Unit and more Detectives to get cases solved and get criminals out of our communities. A significant increase in road patrol, with many communities working together, makes better use of our law enforcement tax dollars.

No supplanting of law enforcement officers. This proposal supports only increases in staffing where the local community supports a safe community. For 10 years the Board of Commissioners will be able to point to where the 70 staff is. They will be able to state they are not supplanting a single displaced officer in a municipality that doesn’t continue to support public safety at levels that exist on August 8, 2006.

Criminals won’t like this plan. The idea of police departments not being confined to boundaries is bad for criminals. The idea of police departments working together is bad for criminals. The idea of special units that all police departments can benefit from is bad for criminals. Moving from 14 to 70 County funded law enforcement officers is bad for criminals.

Everyone pays, everyone benefits. It is fiscally sound to use our resources to an extent that all 35 municipalities will benefit.

Local Police Departments Involved – Unlike the current County millage plan, this plan unites Local Police departments in fighting crime.

This proposal can attack crime and increase public safety. It can be accomplished by eliminating boundaries and working together.

SUMMARY
The Board of Commissioners desires that you weigh the importance of a safer community against higher taxes ($63 on a $100,000 home).

We hope you weigh the benefits of this plan against all the other things important enough to spend your limited funds on. If you agree that boundaries no longer make sense, and agree that individual police departments working together does make sense; then we hope you support increased law enforcement.

We thank and commend all the citizens of this County that have developed, reviewed and provided comment on this proposal as it has been formulated.

This plan works to support and enhance those police departments that are supported by their local citizens.

This plan adds significant law enforcement.

This plan adds special units designed to attack crime.

This plan covers the entire County.

This plan will make our homes and communities safer.

Working together on the attack vs. working separately on the defense, is the hallmark of this countywide crime fighting plan.

We believe this proposal is unique for communities such as your County. We also believe you deserve to have a say in its appropriateness as to your expectations from government.

We hope you’ll vote your preference on August 8, 2006.

BALLOT LANGUAGE FOR THE AUGUST 8TH ELECTION
County Of Saginaw
Public Safety Millage
Shall the limitation on the total amount of general ad valorem taxes which may be imposed for all purposes upon real and personal property in the County of Saginaw, as provided in Art. 9 Sec. 6 of the Michigan Constitution of 1963, as amended, be increased by a new additional millage of up to 1.6000 mills ($1.6000 per $1,000.00) of taxable valuation, as finally equalized, for the years 2006 to 2015, both inclusive, which if fully levied is estimated to raise $7,680,000.00 in the first year, for the purpose of enhancing public safety including, but not limited to: law enforcement, crime prevention, fire protection and prosecutorial efforts in the County of Saginaw, with revenue to be disbursed to the following local units of government: the Cities of Frankenmuth, Saginaw and Zilwaukee; the villages of Birch Run, Chesaning, Merrill, Oakley and St. Charles; and the townships of Albee, Birch Run, Blumfield, Brady, Brant, Bridgeport, Buena Vista, Carrollton, Chapin, Chesaning, Frankenmuth, Fremont, James, Jonesfield, Kochville, Lakefield, Maple Grove, Marion, Richland, Saginaw, St. Charles, Spaulding, Swan Creek, Taymouth, Thomas, Tittabawassee and Zilwaukee?
March 3, 2006

On March 2, 2006 members of the Police Chief’s Association of Saginaw County met to discuss the No Boundaries Law Enforcement Proposal. The proposal was thoroughly discussed and concerns were amicably addressed.

The Chief’s Association moved and supported the No Boundaries Law Enforcement proposal. The Association supports this proposal and will offer continued support to encourage voters to approve this millage request. The Association also wholeheartedly supports the City of Saginaw’s and Buena Vista’s public safety millages. The Association believes that all three proposals need to pass in order for Saginaw County to become a safer community.

The Association requests that the Courts and Public Safety Committee recommend the proposal to the Saginaw County Board of Commissioners for placement on the August ballot.

Sincerely,

Steven D. Kocsis
President

In June 2004, the Board approved an amended contract and bond issue for the Village of Oakley Sewer Project under P.A. 185 of 1957, as amended. Subsequently, we received communication 3-28-11 from James Koski, Public Works Commissioner asking to further amend and restate the contract to authorize the borrowing of an additional $125,000 to pay for the remaining land acquisition costs.

Matthew Rappley, Deputy Public Works Commissioner informed us that arrangements have been made to roll over the existing $150,000 note and borrow the additional $125,000 to pay for the remaining land acquisition costs. The amended and restated contract is attached to Resolution B, this day’s session.

We agree with the request. Under the proper order of business, the appropriate resolution will be submitted to accomplish same.

Your committee has considered communication no. 3-28-16 from Natasha Coulouris, Health Officer, requesting to increase the vaccine administration fee from $10 to $15 per visit and to implement a fee of $40 for the Tdap vaccine.
Ms. Coulouris informed us the vaccine administration $10 fee has not increased since 1994, while the cost of supplies and staff time to administer the vaccine has continued to rise. The fee
is currently charged to insurances that are billed and to clients that are without insurance. If clients do not have the ability to pay, the fee is waived. The Tdap vaccine is a new vaccine that was approved by the FDA in 2005 and is responsible for decreasing pertussis (whooping cough) in adolescents and adults. The cost of the vaccine is $33.74 per dose.

It is our recommendation that the Saginaw County Department of Public Health be authorized to increase the vaccine administration fee from $10 to $15 per visit and to establish a $40 fee per injection for the Tdap vaccine; further, the proper County officials be directed to implement same.

Your committee has considered communication no. 3-28-15 from Natasha Coulouris, Health Officer, Saginaw County Department of Public Health requesting a new position of Public Health Nurse, P06 and the deletion of a vacant position of Disease Intervention Specialist, P06.
The Michigan Department of Community Health has changed the qualifications for health care providers in the diagnosis, treatment and management of sexually transmitted diseases. The training required for this position is only provided to clinicians (Nurse Practitioners, Physician Assistants and Registered Nurses). Your committee has considered communication no. 3-28-13 from Karen Courneya, Commission on Aging Director asking to add two part-time positions of Custodian.

We met with Ms. Courneya who informed us that in evaluating the services currently provided by a local cleaning service, she believes the service can be improved as follows:

- Adding two part-time COA employees will save the agency approximately $10,000 per year for janitorial costs.
- The cost of maintenance will be reduced since presently the COA has no custodian which can be assigned to routine maintenance jobs, such as hanging pictures, moving furniture, etc.
- The COA will have control for scheduling and the quality of janitorial services.

We recommend approval of the request from the Commission on Aging for two new part-time positions of Custodian; and, that the proper County officials be authorized and directed to make the necessary adjustment to the personnel complement and amend the budget accordingly.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.2  
March 28, 2006

Your Budget Audit Subcommittee met with Gerald Desloover and Thomas Smith, Auditors from the firm of Rehman Robson, who reported on the County of Saginaw’s Comprehensive Annual Financial Report (CAFR) and Management Letter for the fiscal year ended September 30, 2005.

Copies of these documents were provided to the subcommittee and for distribution to all other commissioners as well. (3-28-23)

The Auditors issued an unqualified opinion that the CAFR fairly represents the County’s financial position. They further noted that the CAFR continues to meet the standards and model reporting requirements prescribed by the Governmental Accounting Standards Board (GASB) thus qualifying Saginaw County for continuing recognition for excellence in financial reporting.
A detailed explanation of multiple pages of the CAFR was provided highlighting the most material financial information. The Auditors also provided an accompanying graphic presentation of significant information related to the General Operating Fund and the status of fund balances and reserves.

All County programs and accounting funds ended the year positively with the exception of the Brownfield Redevelopment Authority Fund. The Brownfield Fund ended in deficit because, under existing accounting rules, the financial report must recognize long term liabilities due in more than one year, while the property tax revenue to be levied for the purpose of paying for these long term liabilities can only be recognized for the current year. A deficit reduction plan explaining this situation will be filed with the State of Michigan as part of the audit process.

The Auditors also issued eight (8) findings and recommendations for strengthening internal controls and improving operating efficiencies. All of these findings and recommendations, along with management responses to each one, were explained and reported to the subcommittee.

The subcommittee commended the Controller’s Office staff as well as all County Elected Officials and Department Heads for working together to accomplish yet another successful and timely completion of the County’s Annual Financial Report.

Accordingly, we recommend the County of Saginaw’s Comprehensive Annual Financial Report (CAFR) and Management Letter for the fiscal year ended September 30, 2005 be accepted; and further, that the proper County officials be authorized and directed to file the necessary documents to complete the audit process.

Your Labor Relations Subcommittee considered communication no. 3-28-21 from Jennifer J. Broadfoot, Personnel Assistant submitting proposed revisions to Saginaw County Recruitment, Selection & Appointment Policy #311, Sections 7.5.1 and 7.5.1.1. The revisions will allow probationary, part-time and temporary employees the ability to apply for promotional opportunities within the County. Additions are in bold; deletions are in strike-out.

Category: 300
Number: 311
Subject: RECRUITMENT, SELECTION AND APPOINTMENT

7.5.1 Promotional selection shall be open to all regular County employees hired through an open competitive selection process who meet the minimum qualifications for the position; however, the Department Head may decide to fill the position internally without a general posting. A probationary employee who accepts promotion shall be subject to a new probationary period equal to ninety (90) days or the remaining time of his/her original probationary period whichever is longer. Probationary employees are provisional employees; therefore, they are not eligible to be promoted to regular full-time and regular part-time positions. Temporary, seasonal and part-time employees who were not certified when hired are not eligible; however, individuals who were certified are eligible for promotional opportunities and may apply during the County posting period. Their selection would be as a new hire rather than as a promoted employee; therefore, they must compete for the position in the open competitive selection process.

7.5.1.1 Exception: Part-time employees who were selected through the open competitive selection process may be considered for promotion to an identical or functionally equivalent full-time or regular part-time position within the same department at
We concur and recommend Saginaw County Recruitment, Selection and Appointment Policy #311 be amended, as submitted; further, that the proper County officials be directed to distribute the policy to all Saginaw County Elected Officials, Department Heads, and Agencies of the County, and make the necessary changes to the Central Electronic File Repository for viewing on the County Board of Commissioners' web site, in accordance with County Policy.

COMMISSIONER BASIL TABLED BY COMMISSIONER PRIVILEGE
FOR CONSIDERATION AT THE APRIL 25 SESSION UNDER UNFINISHED BUSINESS
FROM: COMMITTEE ON APPROPRIATIONS -- 4.4 MARCH 28, 2006

Your Labor Relations Subcommittee considered communication no. 3-28-22 from Jennifer J. Broadfoot, Personnel Assistant submitting proposed revisions to Saginaw County Paid Time Off (PTO) Policy #341, Sections 6.3 and 6.7. The revisions will allow County employees to donate accrued PTO to fellow employees in accordance with specific rules and procedures; terminal PTO language has been deleted. Both proposals are consistent with language agreed to as part of several recent labor negotiations. Additions are in bold; deletions are in strike-out.

Category: 300
Number: 341
Subject: PAID TIME OFF (PTO)

6.3 Separation. Upon separation from County employment, an eligible employee shall receive pay for 50% of the unused accumulated PTO hours up to a maximum of 600 hours or 75 days accumulation (or actual pay-off at 300 hours, or 37.5 days), or as negotiated in employment contracts. Upon retirement, PTO pay will count toward the employee's final average compensation, unless otherwise provided by employment contracts. Terminal paid time off shall not be added to an employee's length of service (except in the case of retirement). Terminal PTO is not authorized and final payment shall be made to the employee the next pay period following the employee's last day of work. (Once an employee has notified the employer of his/her intention to terminate his/her employment for any reason, PTO shall be not authorized except in cases of illness or emergency as determined by the Department Head in consultation with the Personnel Division.) Compensation for unused PTO hours will be paid at the rate prevailing on the employee's last working day.

6.7 PTO Donation. County employees may donate earned PTO hours on an individual basis to fellow County employees to supplement that member's PTO bank with the understanding that the recipient member accepts all tax liability and the donor must give two weeks' notice of the donation to the Payroll Department. Donations must be in eight (8) hour increments and the donor's bank cannot fall below eighty (80) hours as a result of the donation. Each employee may donate no more than an accumulated total of eighty (80) hours per calendar year. Donations are irrevocable. Management shall have the exclusive right to approve or deny the use of PTO under this provision; and any decision made relative thereto shall not be subject to the grievance procedure unless management acted arbitrarily or capriciously.

We concur and recommend Saginaw County Paid Time Off (PTO) Policy #341 be amended, as submitted; further, that the proper County officials be directed to distribute the policy to all Saginaw County Elected Officials, Department Heads, and Agencies of the County, and make the necessary changes to the Central Electronic File Repository for viewing on the County Board of Commissioners' web site, in accordance with County Policy.

The contract covers a four-year period, commencing October 1, 2005 and ending September 30, 2009. The agreement has been formally ratified by the Union upon acceptance by the County. The financial implications of this agreement will be borne with funds within the existing, respective budgets. A summary of the main provisions is set forth below:

Economic Issues:
1. Wages (current and new employees)
   FY 2005/06: Wage freeze. One-time lump sum = 3.5% of wages
   FY 2006/07: Wage freeze. One-time lump sum = 3.5% of wages

   FY 2008/09: Base wage increase of 2.75%

2. Health Insurance (current employees only)
   10% employee insurance premium co-pay on PPO2
   20% employee insurance premium co-pay on PPO1
   Or employees may choose no co-pay if they switch to PPO8

3. Health Insurance (new employees)
   Mandatory PPO8 with no co-pay

4. Longevity

   New employees: no longevity

5. Pension

      Employee contribution 6% / employer contribution 6% (change from 3% / 9%)

6. Retiree health insurance (current employees)
   No change or $15,000 one-time incentive to switch to tax advantaged RHS plan
7. Retiree health insurance (new employees)

This is an employer-sponsored health benefit savings vehicle that allows employees to accumulate assets to pay for future medical expenses on a tax-free basis. Employer will contribute 1% of wages to the RHS plan; employee contribution: 0% through 7% (employee’s choice).

**NOTE:** All major wage and benefit provisions (1-7 above) are the same as those approved in the UAW Managers' Contract in May 2005.

8. Pension for MERS-Defined Benefit Employees

Union to consider either E-2, FAC-3, or B-4 with the cost paid for by the affected union members. (Union has 30 days to choose which benefit change to pursue and to decide whether to accept it.)

9. Retiree Health Insurance

Contribution table amended so only those employees who currently have 20 years of service will maintain no co-pay upon retirement.

**Non-Economic Issues:**

10. PTO Accumulation/Request Response

Maximum PTO accumulation was increased to 700 hours from 600 hours; however maximum payout upon separation remains unchanged. Language was included detailing how requests for PTO would be processed by Departments.

11. Family and Medical Leave

Union agreed to follow County Policy with respect to the Family and Medical Leave Act. We recommend approval of the agreement between the County of Saginaw and the Office and Professional Employees International Union (OPEIU), Local 459, as outlined above; further, authorize the proper County officials to sign the appropriate documents and make the necessary budgetary adjustments.

At a regular meeting of the Board of Commissioners of the County of Saginaw held in the City of Saginaw, Michigan, on March 28, 2006, at 5:00 o’clock, P.M., Michigan time.

ABSENT: None

The following resolution was offered by Commissioner Carl Ruth and seconded by Commissioner James Graham:

WHEREAS, the County of Saginaw (the "County"), by resolution of its Board of Commissioners, has established a Department of Public Works for the administration of the powers conferred upon the County by Act 185 of the Michigan Public Acts of 1957, as amended ("Act 185"), which Department is administered by the Saginaw County Public Works Commissioner, acting as the Board of Public Works, under the general control of the Board of Commissioners; and,

WHEREAS, pursuant to the Contract, the County has issued its notes in the aggregate principal amount of $150,000 on January 7, 2005 (the "Prior Notes") to pay part of the preliminary costs of the Project for land acquisition and engineering; and,

WHEREAS, in order to provide permanent financing to pay all or part of the costs of the Project, the County expects to issue its bonds (the "Bonds") pursuant to the Amended and Restated Contract in an amount not to exceed $1,653,000 (the estimated cost of the Project less an anticipated federal grant of $2,116,000) in anticipation of payments to be made by the Village pursuant to the Contract, which Bonds shall be a full faith and credit limited tax general obligation of the County.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE COUNTY OF SAGINAW, as follows:

1. The Board of Commissioners does hereby approve the description of the specific area to be served by the Project, as set forth on Exhibit A attached to the form of the Amended and Restated Contract, and the revised estimate of cost for the Project and the estimate of period of usefulness for the Project, as set forth on Exhibit B attached to the form of the Amended and Restated Contract, and the County Clerk is hereby authorized to endorse on said description and estimates the fact of such approval and return the same to the Public Works Commissioner.

RESOLUTION C

SUPPORTING RAISING THE MINIMUM WAGE

WHEREAS, It has been eight years since the Congress of the United States has increased the federally mandated minimum wage and the State of Michigan last raised the minimum wage in 1996; and,

WHEREAS, Inflation has eaten away at the purchasing power of the current $5.15 per hour. Today’s $5.15 is now worth $4.25 in 1997 dollars, a 17% decrease; and,
WHEREAS, Forty percent of minimum wage workers are the sole breadwinners for their families and over 460,000 Michigan citizens will see their quality of life improve if the minimum wage is increased; and,

WHEREAS, The minimum wage is one of government’s most effective tools in combating poverty and promoting broader economic prosperity for all Americans; and,

WHEREAS, Raising the minimum wage is morally right. It would put more money in the hands of those who need it to support their families; and,

WHEREAS, It is proven that lower income workers generally spend what they make in providing for themselves and families, the income will allow them to spend their increased paychecks with local businesses, thus helping to stimulate our local economy; and,

WHEREAS, Proposals to increase the minimum wage at both the State and Federal levels have been defeated within the past year.

NOW, THEREFORE, BE IT RESOLVED, That the Saginaw County Board of Commissioners fully supports an increase in the minimum wage, which is being worked on within the State of Michigan and will be brought forward to our Federal Government again this year.

BE IT FURTHER RESOLVED, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the Members of the Michigan Congressional Delegation, Governor Granholm, Members of the Michigan House and Senate, and the Michigan Democratic and Republican Parties.

Dr. Neil Varner, Saginaw County Medical Director approached the subject from what he believed was a concern of some commissioners. He said the factor did not appear to be a question about the scientific medical evidence but rather a debate over regulation and regulatory reform. He referenced the history on the debate in this country "to regulate or not to regulate." He requested a yes vote on the un-amended version of the Regulation. (comments on file)
Being no further comments, the Chair announced the public hearing would remain open.

PUBLIC HEARING
3rd Call
At 5:54 p.m., Chair Hadsall announced the third and final call of the public hearing being held on the proposed Clean Indoor Air Regulation for Saginaw County. (Human Services Committee Report 4-25-1.1) The following individual addressed the Board:
Sam Connon, Respiratory Therapist, Michigan Cardiovascular Institute referenced the rise in
In November 2005, the Saginaw County Department of Public Health recommended the Saginaw County Board of Commissioners adopt a Clean Indoor Air Regulation, pursuant to Section 2442 of the Public Health Code and the authority conferred upon local health departments by the Michigan Public Health Code, 1978 P.A. 368. The Regulation will eliminate all smoking in public and private worksites and public places,
excluding bars and restaurants for the purpose of protecting the public's health and welfare. It shall have effect throughout Saginaw County in all areas incorporated and unincorporated, which includes cities, villages and townships.

Over the course of the last several months, your Human Services Committee carefully reviewed the input provided by commissioners, including several opinions from County Counsel and guidance from the Health Officer.

At this time, we recommend:

- The Regulation, as originally submitted by the Saginaw County Department of Public Health, be revised to include five amendments which Counsel has opined as legally acceptable, as attached;
- A public hearing on the amended Regulation be held at the April 25 session, notice of which was printed in the Saginaw News on March 31, 2006; and,
- The Saginaw County Clean Indoor Air Regulation as attached be adopted and go into effect in ninety (90) days from and after its adoption.

This regulation is hereby adopted pursuant to authority conferred upon local health departments by the Michigan Public Health Code, 1978 P.A. 368, as amended.

Sec. 1002. Jurisdiction and Administration
A. This regulation shall have effect throughout Saginaw County in all areas incorporated and unincorporated, which includes cities, villages, and townships.
B. The Health Officer shall have responsibility for administering and enforcing this regulation, including all amendments hereafter adopted unless otherwise specifically stated.

Sec. 1003. Purpose
A. Saginaw County hereby finds and declares that:
   1. The U.S. Surgeon General, National Research Council, and National Academy of Sciences, report that environmental tobacco smoke causes lung cancer in healthy adult nonsmokers, and can cause lung function and structure alteration to the fetus of pregnant nonsmoking women. Additionally, in utero exposure is known to predispose children to long-term pulmonary risks. Further, these agencies found, separating smokers and nonsmokers within the same air space may reduce but does not eliminate a nonsmoker’s exposure to environmental tobacco smoke.
   2. The U.S. Environmental Protection Agency (EPA) finds that environmental tobacco smoke is a Group A Carcinogen - a category reserved for known cancer-causing agents in humans.
   3. The National Institute for Occupational Safety and Health (NIOSH):
      (a) Finds that secondhand smoke poses an increased risk of lung cancer and, possibly, heart disease to people exposed in the worksite,
      (b) Recommends that nonsmokers should not be exposed to secondhand smoke, and
      (c) Indicates the simple separation of smokers and nonsmokers within the same airspace may reduce, but does not eliminate, the exposure of nonsmokers to secondhand smoke.
B. These studies find that tobacco smoke is a major contributor to indoor air pollution, and that breathing secondhand smoke is a cause of disease, including cancer, heart disease and stroke in nonsmokers. At special risk are infants, children, teens, pregnant women, elderly people, nonsmokers with long-term exposure to secondhand smoke, individuals with cardiovascular disease, and individuals with impaired respiratory function, including the young, asthmatics and those with obstructive airway disease. Also harmed are those with health conditions induced by breathing secondhand smoke including asthma, lung
cancer, heart disease, respiratory infection, decreased respiratory function, including bronchoconstriction and broncho-spasm.

C. Accordingly, Saginaw County finds and declares that the purpose of this regulation is to protect the public health and welfare by regulating smoking in public places and places of employment and recreation.

Further appeals, as provided by statute, may be to the Saginaw County Board of Health, or a committee thereof.

E. Notwithstanding the existence and pursuit of any other remedy, the Health Officer or his/her designee, without posting bond, may maintain an action in a court of competent jurisdiction for an injunction or other process against any persons to restrain or prevent a violation of this regulation.

F. Notwithstanding any other provisions of this regulation, an employee or a private citizen may bring legal action to enforce this regulation.

G. Landlords, defined as those who lease real property to others, shall be exempt from the violations and penalties herein if they: (1) post the proper signage, as provided by this regulation; (2) provide written notice to all tenants that the building is smoke free; and (3) remove all trash receptacles in no smoking areas, as provided in Section 1007.

Sec. 1013. Public Education

This regulation shall not be interpreted or construed to permit smoking where it is otherwise restricted by other applicable laws.

Sec. 1015. Severability
If any provision, clause, sentence or paragraph of this regulation or the application thereof to any person or circumstances shall be held invalid, such invalidity shall not affect the other provisions of this regulation which can be given effect without the invalid provision or application, and to this end the provisions of this regulation are declared to be severable.
Sec. 1016. Effective Date

A. This regulation shall be effective ninety (90) days from and after the date of its adoption.

Commissioner Woods moved, supported by Commissioner Graham to approve the Clean Indoor Air Regulation with the five amendments. He directed questions to County Counsel Andre' Borrello.

Counsel clarified where we were in the process. The Regulation, as amended, went before the Board on February 21. Several additional amendments were approved at the meeting. Subsequently the Board adopted the Regulation subject to Counsel's review. In several written Opinions, Counsel recommended that one amendment be deleted, that a second public hearing be held, and that the Board action on February 21 be rescinded.

A motion to amend was made by Commissioner Wurtzel and supported by Commissioner O'Hare to delete the five amendments and adopt the Clean Indoor Air Regulation as originally submitted by the Saginaw County Department of Public Health.

The Chair asked the Clerk to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board. A record of how each member voted and the results of the vote are hereby entered in the minutes:

Four (4) Ayes: O'Hare, Blaine, Wurtzel, Hadsall
Eleven (11) Nays: Doyle, Bartels, Novak, Horn, Sangster, Woods, Ruth, Hare, Braddock, Graham, Basil

Motion failed.

A motion to amend was made by Commissioner Basil and supported by Commissioner Horn to exempt offices housing bonafide substance abuse rehabilitation programs (including smoking cessation programs) as long as the substance abuse program is in effect. The Chair asked Dr. Varner, Medical Director and Natasha Coulouris, Health Officer to comment. Both agreed this would be contradictory to the Health Department's mission.

The Chair asked the Clerk to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board. A record of how each member voted and the results of the vote are hereby entered in the minutes:

Two (2) Ayes: Horn, Basil
Thirteen (13) Nays: Bartels, Novak, O'Hare, Blaine, Wurtzel, Sangster, Woods, Ruth, Hare, Braddock, Graham, Doyle, Hadsall

Motion failed.

There being no further comments or amendments, the Chair asked for a roll call vote on the main motion. A majority was required for passage.

Motion carried unanimously.

A motion to rescind the action taken by the Board at the February 21 Session was made by Commissioner Sangster and supported by Commissioner Basil.

Motion carried unanimously.

Courts and Public Safety Committee (None submitted)
FROM: COMMITTEE ON COUNTY SERVICES -- 3.1 APRIL 25, 2006

We herewith submit the report (communication 4-25-5) of the real and personal property by class. The Saginaw County Department of Equalization has, in accordance with the constitutional and statutory provisions, examined the assessment rolls of the various townships and cities in the County of Saginaw, as required, and has determined that the real and personal property valuations as set opposite the several townships and cities represent the County Equalized Valuations for the year 2006.

We met with James Totten, Equalization Director, who informed us the Total Equalized Value of the County for 2006 has increased by some $281,508,237 to $5,856,418,820 for an increase of 5.05 percent. Real Property increased $266,851,318 or 5.23 percent. Personal Property increased $14,656,919 or 3.11 percent. This is the first increase in personal property values in five years. Industrial Facilities Assessed Values for 2006 are $167,916,718 which is an 11.33 percent decrease ($21,451,329) from the previous year. The reductions for the Facilities Rolls are directly connected to the accelerated depreciation multipliers approved by the State Tax Commission and the growth in Personal Property Exemptions for Act 328. This is the sixth year for these exemptions in Saginaw County.

Parcels in the name of the Department of Natural Resources have been moved to a special acts roll and are no longer part of the equalization process. This was a loss of $8,228,700 to equalized value. Saginaw County will continue to collect taxes at the 2004 taxable value and tax rates. Taxable Value is certified the fourth Monday in June and is not a part of this report. However, an estimate of this value would be an increase of approximately 4.5 percent over the 2005 Taxable Value for Saginaw County. The captured valuations of the various TIFA, DDA, Brownfield, and Renaissance Districts will be published with the actual breakdown of taxable values.

It is the recommendation of your committee that the Equalization Report for Saginaw County for 2006 by class be accepted.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

Carl E. Ruth, Chair
Raymond F. Bartels
Terry W. Sangster

Todd M. Hare, Vice-Chair
Kenneth B. Horn
Cheryl M. Hadsall

By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COUNTY SERVICES -- 3.2

Your committee has considered communication 4-25-6 from Saginaw Transit Authority Regional Services (STARS) asking the Board to support their 2007 grant application for capital improvements.

We met with Kevin Camese, Chair, and Paul Kekel, Director of Finance, STARS who informed us STARS continues to make improvements to its downtown facilities and bus fleet. STARS recently has submitted an application to the U.S. Department of Transportation, Federal Transit Administration requesting approximately $7.8 million dollars for capital improvements that will be earmarked later this year. If awarded, STARS plans to renovate and expand the facility at 615 Johnson, and allow the administration and operations departments to be housed under one roof again. Additionally, the funds will also be used to automate their farebox collection system to give more accurate reporting and accountability. The remaining funds will be used to purchase buses and bus parts for STARS aging fleet.

We agree with the request. Under the proper order of business, the appropriate resolution will be submitted to accomplish same.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

Carl E. Ruth, Chair
Todd M. Hare, Vice-Chair
Raymond F. Bartels
Kenneth B. Horn
Terry W. Sangster
Cheryl M. Hadsall

By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COUNTY SERVICES -- 3.3

Your committee has considered communication 4-25-3 from Edward M. Oberski, Director, Saginaw Midland Bay Michigan Works! Administration asking to add a position of Accountant II in accordance with a recommendation from Northwest Administrative Consultants, Inc. (See attached)

Marc McGill, Controller/CAO indicated that grant funds would pay all costs associated with the new position. No County General Fund monies are involved.

It is our recommendation that a new position of Accountant II be added to the Michigan Works! personnel complement, as requested by Michigan Works! Administration; and further that the proper County officials be authorized and directed to make the necessary personnel and budgetary adjustments.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

APPROPRIATIONS AUTHORIZATION: It is the recommendation of your committee to concur with the above.

By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

Attachment 4-25-3.3

Excerpt from Northcoast Administrative Consultants, Inc.
March 28 & 29 Report Summary

Fiscal Staffing: After working with SMB MWA for the past several months to analyze the functioning of the fiscal activities, staffing and grant/sub-grant management and compare the
staffing levels and skills with other similar entities in Michigan and in the Chicago Region of US DOL it is clear to Northcoast that the level of staff is no less than one Fulltime Employee Equivalent below the norm. The Workforce Department manages $14 million +/- in State and Federal funds from 26 funding sources. These funds are sub-granted/contracted to 8 separate entities and 16 separate funding agreements.

After installation of the Fund Accounting Software, for grant and sub-grant management, the department should consider the addition of one full time professional and possibly consider one additional parttime support person to keep track of all the grant, subgrant, reporting, tracking, filing, managing and oversite of the volume of activities to adequately manage such a system. The current staff is to be commended for their efficient management of the current system, however, over time the demands of managing federal and state funds, as well as the sub-grant management requirements established by State Policies, can take their toll on an understaffed department that can eventually lead to inefficiencies and significant errors. Based on the fact that there are available funds to fill the fiscal positions recommended I would hope that the MWA would seriously consider this recommendation.

UNFINISHED BUSINESS

FROM: COMMITTEE ON APPROPRIATIONS – 4.4 MARCH 28, 2006

Your Labor Relations Subcommittee considered communication no. 3-28-22 from Jennifer J. Broadfoot, Personnel Assistant submitting proposed revisions to Saginaw County Paid Time Off (PTO) Policy #341, Sections 6.3 and 6.7. The revisions will allow County employees to donate accrued PTO to fellow employees in accordance with specific rules and procedures; terminal PTO language has been deleted. Both proposals are consistent with language agreed to as part of several recent labor negotiations. Additions are in bold; deletions are in strike-out.

Category: 300
Number: 341
Subject: PAID TIME OFF (PTO)

6.3 Separation. Upon separation from County employment, an eligible employee shall receive pay for 50% of the unused accumulated PTO hours up to a maximum of 600 hours or 75 days accumulation (or actual pay-off at 300 hours, or 37.5 days), or as negotiated in employment contracts. Upon retirement, PTO pay will count toward the employee's final average compensation, unless otherwise provided by employment contracts. Terminal paid time off shall not be added to an employee's length of service (except in the case of retirement). Terminal PTO is not authorized and final payment shall be made to the employee the next pay period following the employee's last day of work. (Once an employee has notified the employer of his/her intention to terminate his/her employment for any reason, PTO shall be not authorized except in cases of illness or emergency as determined by the Department Head in consultation with the Personnel Division.) Compensation for unused PTO hours will be paid at the rate prevailing on the employee's last working day.

6.7 PTO Donation. The purpose of PTO donation is to allow county employees to support fellow employees in personal or family situations which create a severe issue for the receiving employee. County employees may donate earned PTO hours on an individual basis to fellow County employees to supplement that member's PTO bank with the understanding that the recipient member accepts all tax liability and the donor must give two weeks' notice of the donation to the Payroll Department. Donations must be in eight (8) hour increments and the donor's bank cannot fall below eighty (80) hours as a result of the donation. Each employee may donate no more than an accumulated total of eighty (80) hours per calendar year. Donations are irrevocable. Donated PTO may not be used for cash out or retirement purposes. Donated PTO will have no value for the recipient other than to use for PTO. Management shall have the exclusive right to approve or deny the use of PTO under this provision; and any decision made relative thereto shall not be subject to the grievance procedure unless management acted arbitrarily or capriciously.

We concur and recommend Saginaw County Paid Time Off (PTO) Policy #341 be amended, as submitted; further, that the proper County officials be directed to distribute the policy to all Saginaw County Elected Officials, Department Heads, and Agencies of the County, and make the necessary changes to the Central Electronic File Repository for viewing on the County Board of Commissioners' web site, in accordance with County Policy.
Respectfully submitted,

COMMISSIONERS INITIATORY MOTIONS

Commissioner Horn moved, supported by Commissioner Basil to recommend the compensation for county commissioners be frozen. The Clerk notes: In communication no. 5-23-11 the Saginaw County Officers Compensation Commission presented the 2007 and 2008 compensation levels for elected county officials. It recommended a 2.75% wage increase per year for the six county elected officials and fifteen county commissioners. The determination is binding unless the Board of Commissioners rejects the determination by resolution adopted by two-thirds of the members of the board, MCLA 45.473. Counsel Christina Grossi was present to answer questions. After some debate, Commissioner Horn withdrew his motion and Commissioner Basil his support. (See the Appropriations Minutes and Commissioners Audiences.)

RE: COMPENSATION LEVELS FOR ELECTED COUNTY OFFICIALS (2007-2008)

Dear Madam Chair:

The Saginaw County Officers Compensation Commission met on May 4, 2006 pursuant to PA 485 of 1978 (MCL 45.471 et. seq.) and Resolution “J” of the Saginaw County Board of Commissioners, adopted February 27, 1990 as amended for the purpose of determining salary levels for Saginaw County Elected Officials (except Judges).

This meeting was a public meeting held pursuant to the “Open Meetings Act” (PA 267 of 1976; MCL 15.261 et. Seq.).

We were provided an explanation of the County’s financial position from the County Controller. The Controller indicated that he intends to set budgeted wage and salary increases according to Union Agreements for 2007 and 2008. The Controller indicated that it was his intent to recommend 2.75% for the remainder of the work force in 2007 and 2008. We understood that what was recommended in the budgets would be subject to review, discussion, or change by the Board of Commissioners.

The Controller indicated that the Commissioners have had 0.00% increase in 4 years.

The Controller indicated that the Elected Officials have had 0.00% increase in 2 years.

All other employees who have settled labor agreements have received a 3.5% lump sum or a 2.75% wage increase during the past 2 years.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.2  MAY 23, 2006
Your Budget Audit Subcommittee reviewed information provided by County Controller/CAO Marc A. McGill regarding Title IV-E Federal Funding. This information was also provided to the Courts & Public Safety Committee. Both committees met with representatives from Saginaw County Circuit Court, Family Court and Department of Human Services (DHS).
Title IV-E is federal funding the County receives for the placement of abused, neglected and delinquent children. An estimated $3,000,000 of federal funding is used each year to house our youth. Of this, approximately 57% is Federal monies and 43% State. When Title IV-E is used it results in no cost to the General Fund, therefore this funding source is used whenever possible.
When eligibility requirements do not allow Title IV-E reimbursement, the County uses its
Board of Commissioners  May 23, 2006

General Fund money and State money for the placement of youth. This year's budgeted cost is $2,360,000 with 50% of this amount reimbursed by the State.

Due to changes in the eligibility requirements for the use of Title IV-E monies coupled with a Federal Audit of the Title IV-E cases for the period April - September 2006, the County is facing additional expenses of possibly $400,000 for fiscal 2006. This amount accounts for 43 questionable cases that were moved from Federal IV-E funding to County/State funding to avoid long-term permanent reductions and avoid possible retroactive payments.

The Family Court and DHS are taking every action and course to limit these amounts while maintaining quality placements and effective programs. Each agency will jointly and separately review, check, and cross check all cases to determine continued need, and level of the placements. County staff will continue to evaluate the effect on next year's budget estimated at $800,000 and will incorporate revised estimates as the County builds the fiscal 2007 budget.

We concur with the Controller's recommendation and direct the proper County officials to amend the FY 2006 budget by appropriating up to $400,000 from the County General Fund Reserves, in order of use as outlined in the Board's 2006 Five-Year Financial Model, for distribution to both the Family Court Child Care Fund and the Department of Human Services Fund, for board and care costs associated with out of home placement services.

CERTIFICATE OF RECOGNITION

Presented To

JAMES NORMAN LEHMAN

The Saginaw County Board of Commissioners join the family, friends and associates of Jim Lehman in celebrating his retirement from the Saginaw County Road Commission after 29 years of dedicated service. Tonight, we take this special occasion to reflect upon his professional and personal life.

Jim was born in a suburb of Detroit to Alex and Helen Lehman. He was educated and earned his degrees in Michigan; attending grade school in Detroit and Saginaw, high school at Arthur Hill, and college at Delta and Michigan Technological University.

He married his sweetheart Marlene and they were blessed with one daughter and three sons; Michelle, Peter, James Alex, and James Norman who they sadly lost shortly after his birth. Feeling the need to give back to the community, the Lehmans became foster parents and opened their home to over 50 children throughout the years including Sisters Shannon and Shanelle who they later adopted. Today, the Lehmans are the proud grandparents of six grandchildren.

In the early days of his career, Jim worked road construction for Sargent Construction. It was an outside job that he enjoyed and later returned to after a short stint at Wickes Corporation and Saginaw Steering Gear.

In 1967, the Saginaw County Road Commission hired him to fill a new job of Contract Construction Engineer. Unfortunately after completing college, a second position of engineer was no longer needed, so he was forced to look for other employment opportunities.

Jim and his family moved to Denver where he served as Project Engineer for a large firm involved in the design and construction of several airport projects. Finding a need to be closer to his roots, he relocated to Berlin, Wisconsin, the birth town of his father, where he served as City Manager.

In 1984, he was notified of an opening at the Saginaw County Road Commission. He happily accepted the job of Engineer and returned with his family to Saginaw where he has since worked and lived.

We commend Jim Lehman for a job well done. In his personal life, Jim and his wife raised lovely children who grew into successful and productive adults. They went a step further by caring for children in need of a safe place to live, providing them with food and shelter, support and encouragement, but most importantly with love.

Jim was committed as well in his professional life. He directed the Saginaw County Road Commission in providing over 1800 miles of well planned and maintained roads, 228 bridges and 2800 culverts. He worked diligently and cooperatively with the State and local units of government and gave the community a quality road system to last for generations to come.

In closing, we direct this Certificate of Recognition to be spread upon the Official Minutes of the Saginaw County Board of Commissioners as a permanent record and duly inscribed upon parchment and presented to him.

"Jim, we wish you good health and lots of time to do the things that make you happy."

Respectfully submitted,

One Hundredth Birthday

The Saginaw County Board of Commissioners is very proud and honored
To have the privilege of recognizing the 100th birthday of Mrs. Pearl H. Neuendorf. Pearl was born on June 24, 1906 in Lodi, New Jersey to George and Eva Losee. She was the loving wife of Rudy Neuendorf for forty-five years. Together they raised two children Maryann and Rudy. She has six grandchildren. Throughout her life, Pearl devoted herself to family and friends, and the church. She inspired and enriched the lives of everyone around her. Her 100th birthday marks two milestones - Pearl has lived for a century and lived in two dramatically different millenniums. This is quite a remarkable achievement. Let us spend this day in celebrating Pearl's life, In reminiscing about all the wonderful memories, and In counting our many blessings from the Lord. "Happy Birthday, Pearl."

INITIATORY MOTIONS

Commissioner Braddock moved to amend the Initial Staffing Complement contained in the Public Safety Millage Proposal as approved by the Board of Commissioners at the March 25, 2006 Session (Report 3-28-1.2) by adding 3 positions to the City of Saginaw and reducing 3 positions from the County of Saginaw; 1 from the County Prosecutor's staff and 2 from the County Sheriff's staff. The motion was supported by Commissioner Woods.

Commissioner Braddock explained her motion to increase the number of officers assigned to the City of Saginaw by 3 is based on the percentage of crime, 9-1-1 calls, population, residents below the poverty level, and unemployment. She pointed out: the amendment does not affect the number of staff in any other jurisdiction of the County, it only makes adjustments between the County and City of Saginaw staff; upon approval of the amendment the County Sheriff is still adding 16 officers and the County Prosecutor is still adding 2 attorneys above and beyond their current ranks; the amendment does not alter the ballot language or the total amount of staff from what was originally approved by the Board on March 25, 2006.

Commissioner Horn moved to amend the motion by deleting the reference to where the reductions would be made and leaving that decision up to the Prosecutor and Sheriff. Motion to amend died for lack of support.

After debate a roll call was taken by the Clerk on the main motion. A 2/3rds majority was required for passage. Roll: 11 Ayes - O'Hare, Wurtzel, Sangster, Woods, Ruth, Hare, Braddock, Graham, Basil, Bartels, Hadsall; 4 Nays - Blaine, Horn, Doyle, Novak. Motion carried.

PUBLIC HEARING

3rd Call

At 5:29 p.m., Chair Hadsall announced the third and final call of the Public Hearing being held on a proposed lease agreement between the Saginaw County Building Authority and the Mental Health Authority for 4.0 acres of County owned property located at 3333 Hospital Road to construct an Adult Crisis Residential Group Home. She called for comments.

• Renee A. Hawkins-Morris, President, Saginaw Health Care Providers Association, referenced her concerns with the bid process for selecting operators at the homes. She felt that preference should be given to local businesses and residents. (Her comments are on file.)

• Arthur G. Andrewes, President, Sawmill Condominium Association, relayed questions from residents. These included why this specific location was selected, what type of home would be built, how many residents would be at the home, what was the supervision level, and whether fencing would be put in place on the property that abuts the Sawmill.

• Michele R. Fila, Sawmill resident, expressed her concerns about the safety of the children. She said the Sawmill is a gated community which does not allow any fences because of the golf course.

Chair Hadsall called on Sandra Lindsey who responded to questions and encouraged them to contact her about their concerns.

Chair Hadsall asked if there was anyone else who wished to speak. Hearing none, she announced the Public Hearing closed at 5:39 p.m.
Chair Hadsall announced the Board would now recess for the Appropriations Committee meeting. The Board recessed, time being 5:40 p.m. The Board reconvened, time being 5:44 p.m. By Commissioner Ruth, supported by Commissioner Wurtzel that the Minutes of the Appropriations Meeting be received and made a part of this day's session with the nays so noted. Carried.

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 1.1  JUNE 20, 2006
Your committee has considered communication no. 5-23-17 from Tom McIntyre, Executive Director, Saginaw County 9-1-1 Communications Center Authority asking to place on the November Ballot the 9-1-1 surcharge renewal question for a period of five years.
We met with Mr. McIntyre who informed us this is a continuation of a public safety telephone surcharge, first approved in 1992, that provides police, fire and ambulance response within Saginaw County. Counsel has reviewed the ballot question and found the language to be sufficient, as follows:

9-1-1 SURCHARGE RENEWAL
Shall the County renew the assessment of up to 16% of the highest monthly flat rate charged by the service supplier for a one-party access line within the County, for a five calendar-year period, April 2008 through March 2013, both inclusive, to be distributed to the 9-1-1 Communications Center Authority for the operation of the enhanced 9-1-1 program?

YES       NO
It is our recommendation to approve the request from the 9-1-1 Communications Center Authority, and the ballot language as written above; we further direct the County Clerk to place the 9-1-1 surcharge renewal question before the electorate at the November 7, 2006 General Election.
Respectfully submitted,

A copy of the audit is on file in the Board Office along with information relating to current budgeted programs.

COMMISSIONER HORN TABLED BY COMMISSIONER PRIVILEGE
TO THE AUGUST 29 SESSION UNFINISHED BUSINESS
(see Appropriations Committee Minutes)
FROM: COMMITTEE ON HUMAN SERVICES -- 3.1  JUNE 20, 2006
Your committee has considered communication no. 6-20-2 from Sandra Lindsey, CEO, Saginaw County Community Mental Health Authority asking the Board to consider a long term lease of County owned property located at 3333 Hospital Road to accommodate new construction of a crisis residential group home.

We met with Ms. Lindsey who informed us the Mental Health Authority would like to lease 4.0 of the 12.03 acres on Hospital Road to construct a 3400 square foot eight bedroom barrier free adult crisis residential group home. The home would be licensed by the Adult Foster Care Division of the State Department of Consumer and Industry Services. The program to be operated at the new facility would replace the current program in Birch Run which needs a location closer to urban Saginaw activity to gain efficiency for ambulance and law enforcement transport. The Mental Health Authority believes a facility of this sort is a critical component to their organization in that it would adequately meet the needs of the consumers for care as an alternative to hospital admissions and as a step down from hospital care to community living.

It is our recommendation to approve the request of the Mental Health Authority to enter into a ninety-nine year lease agreement with the Saginaw County Building Authority for 4.0 acres of County owned property located at 3333 Hospital Road at a cost of $1.00; further that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Civil Counsel as to legal form. A public hearing will be held by the Board of Commissioners on Tuesday, June 20, 2006 to hear public comments on the lease agreement and construction project. All property owners adjacent to County owned property on Hospital Road and all residents of property in the Saw Mill as well as Saginaw Township will be notified of the public hearing.

FROM: COMMITTEE ON HUMAN SERVICES -- 3.2

Your committee has considered communication no. 6-20-3 from Natasha Coulouris, Health Officer, Saginaw County Department of Public Health asking for a budget adjustment in the Laboratory and Dental Services Divisions.

We met with Ms. Coulouris who informed us that the Laboratory Services Division has expanded their drug and water testing and it is estimated additional fees should equal $46,624. The new revenue will be used to purchase supplies and renovate areas of the laboratory.

In addition, the Dental Services Division has experienced a $55,000 increase in reimbursement from insurance billing. This is the result of increasing the hours of a contracted dentist who is providing new and enhanced services.

We recommend approval of the budget adjustments in the Laboratory and Dental Services Divisions as requested by the Health Department; further, that the proper County officials be authorized and directed to make the necessary budgetary adjustments and amend the budget accordingly. No additional staff or General Fund dollars are required.

FROM: COMMITTEE ON HUMAN SERVICES -- 3.3 JUNE 20, 2006
Your committee has considered communication no. 6-20-14 from Sandra Lindsey, CEO, Saginaw County Community Mental Health Authority asking the Board to support Senate Bills 229 and 230 addressing parity in mental health insurance coverage.
Senate Bills 229 and 230 are designed to put mental health insurance on equal footing with physical health coverage in Michigan. It has been noted that finding a mental health professional qualified to treat specific disorders is typically not the problem, however, many commercial insurance policies do not have coverage for mental disorders or the coverage that is available is greatly restricted in terms of benefit coverage and limitations to treatment duration. The Mental Health Board is in support of the legislation.
We recommend support of Senate Bills 229 and 230 and under the proper order of business the appropriate resolution will be submitted.

RESOLUTION A
SAGINAW COUNTY BOARD OF COMMISSIONERS
JUNE 20, 2006

MERS REVISED UNIFORM DEFINED CONTRIBUTION
PRORAM RESOLUTION

WHEREAS, the MERS Plan Document of 1996, effective October 1, 1996, authorized a defined contribution option (Section 19A, Benefit Program DC) as a new benefit program that a participating municipality or court may adopt for MERS members to be administered under the discretion of the Municipal Employees' Retirement Board as trustee and fiduciary, directly by (or through a combination of) MERS or MERS' duly-appointed third-party administrator.

WHEREAS, as a new provision, Section 19A, along with the remainder of the Plan, received from the Internal Revenue Service a Letter of Favorable Determination (dated July 8, 1997) that the Plan is a qualified Plan under Section 401 of the Internal Revenue Code, and an exempt trust under Section 501.

WHEREAS, on May 5, 1997, the Municipal Employees' Retirement Board entered into an Alliance Agreement with ICMA-RC (the International City Management Association Retirement Corporation) as third-party administrator for the defined contribution plans under Plan Document Section 19A.

WHEREAS, on November 14, 2001, following MERS' due diligence search and review, the Retirement Board and ICMA-RC entered into the Amended and Restated Alliance Agreement (the “2001 Alliance Agreement”) (Attachment 1) for third-party administrator services. Participating employees of MERS' municipalities and courts adopting Benefit Program DC receive enhanced services and favorable decreased participant fees under the 2001 Agreement. Additionally, such services and fees shall also be available where the participating municipality or court adopting Benefit Program DC has in effect (or subsequently establishes) an IRC section 457 deferred compensation plan or section 401(k) plan. Approval of this Revised Uniform Resolution by each MERS participating municipality and court which adopts or has adopted MERS Benefit Program DC is necessary and required in order that the benefits available under the 2001 Alliance Agreement may be extended to covered participants.

WHEREAS, this Revised Uniform Resolution has been approved by the Board under the authority of 1996 PA 220, Section 36(2)(a), MCL 38.1536(2)(a), declaring that the Retirement Board “shall determine . . . and establish” all provisions of the retirement system. Under this authority, the Board authorized Section 19A, the Defined Contribution Benefit Program, which shall not be implemented unless in strict compliance with the terms and conditions of this Revised Resolution.

- It is expressly agreed and understood as an integral and nonseverable part of this Revised Resolution that Section 43B of the Plan Document shall not apply to this Revised Uniform Resolution and its administration or interpretation.

- In the event any alteration of the terms or conditions stated in this Revised Uniform Resolution is made or occurs, under Section 43B or other plan provision or other law, it is expressly recognized that MERS and the Retirement Board, as sole trustee and fiduciary of the MERS Plan and its trust reserves, and whose authority is nondelegable shall have no obligation or duty: to administer (or to have administered) the Defined Contribution Benefit
Program; to authorize the transfer of any defined benefit assets to the Defined Contribution Benefit Program; or to continue administration by the third-party administrator or by MERS directly.

WHEREAS, concurrent with this Revised Resolution, and as a continuing obligation, this governing body has completed and approved, and submitted to MERS documents necessary for adoption and implementation of the MERS Benefit Program DC. This obligation applies to any documents deemed necessary to the operation of the defined contribution program by MERS' third-party administrator.

NOW, THEREFORE, BE IT RESOLVED that the governing body adopts (or readopts) MERS Benefit Program Defined Contribution as provided below.

I. NEW EMPLOYEES

Effective June 20, 2006, (to be known as the ADOPTION DATE), the County of Saginaw (MERS municipality/court)

DC (as set forth in the MERS Uniform Defined Contribution Program Adoption Agreement) for

94—Upper Management, 95—Non Union Mgmt, 96—UAW Para Prof. (specify employees/division #s)

(A) CONTRIBUTIONS shall be as allowed and specified in the Adoption Agreement (Attachment 2, completed and approved and a certified copy submitted to MERS concurrent with and incorporated by reference in this Resolution) subject to the provisions of MERS Plan Document: Section 19A(2) that employer contributions shall be in any percentage of compensation from 1% to the maximum allowed by the Internal Revenue Code, in increments of 0.1%; and Section 19A(3), under which an employee member may voluntarily contribute additional amounts to the extent allowed by the Code.

(B) EARNINGS under the Adoption Agreement shall include items of “Compensation” under Section 2A(6) of the MERS Plan Document, being the Medicare taxable wages reported on the member’s W-2 statement.

(2) the Adoption Agreement.

STOP If covering new employees only, skip II and go to III on page 5. STOP
II. OPTIONAL PROVISION FOR CURRENT MERS MEMBERS WHERE DC PROGRAM FOR NEW EMPLOYEES ESTABLISHED (PLAN SECTION 19A(8)-(11))

This optional provision shall only be selected where the total funded percent of aggregate accrued liabilities and valuation assets of all reserves specified in Table 11 (or successor table) of the most recent MERS annual actuarial valuation report is at least sixty percent (60%).

It is additionally resolved, as provided in each of the following paragraphs:

(A) Effective on the Adoption Date, pursuant to Plan Section 19A(8)(b) all current MERS defined benefit members who are members of the same employee classification described in Section I above on the Adoption Date shall:

THE GOVERNING BODY SHALL SELECT ONLY ONE OF THE FOLLOWING

_____ where vested under this municipality’s MERS vesting program (10, 8, or 6 years)

_____ where the employee has at least the following number of years of credited service for this municipality on Adoption Date: ___________ (insert whole number less than vesting program)

_____ without regard to vesting

be offered the opportunity to irrevocably elect coverage under Benefit Program DC, under the detailed procedures specified in Plan Section 19A(9)-(11).

(B) For each eligible employee, an opportunity to irrevocably elect to participate in Benefit Program DC shall be offered. Section 19A(9) specifies an employee’s written election to participate shall be filed with MERS: (a) not earlier than the last day of the third month after this Resolution is adopted and received by MERS; and (b) not later than the first day of the first calendar month that is at least six months after MERS receives this Resolution. This means each eligible employee will have about 90 days to make the decision.

After MERS receives this Resolution, this governing body's authorized official and eligible employees will be advised by MERS of the election window timelines and other information to consider in making the irrevocable decision whether to participate in Benefit Program DC.

(C) Participation for those electing coverage shall be effective the first day of the first calendar month at least seven (7) months after MERS’ receipt of the Resolution, here designated as being the month of _____________, 20___, (insert month and year) which shall be known as the “CONVERSION DATE.”
(D) The opportunity for current employees on the Adoption Date to participate in the DC Program shall:

THE GOVERNING BODY SHALL
SELECT ONLY ONE OF THE FOLLOWING

—— apply to all employees who separate from or terminate employment with this municipality after the Adoption Date and before the Conversion Date, so long as the employee does not receive a retirement allowance from MERS based on service for this municipality.

—— not apply to any employee who separates from or terminates employment with this municipality after the Adoption Date.

(E) CONTRIBUTIONS shall be as provided in Section 1 (A) above.

(F) EARNINGS shall be as provided in Section 1 (B) above.

(G) VESTING shall be as provided in Section 1 (C) above, and participants shall be credited, on participant written request and MERS’ verification of such service, with all eligible service, if any, specified in Plan Section 19A(12) which states:

Where a member has previously acquired in the employ of any participating municipality or participating court:

(a) not less than 1 year of defined benefit service in force with a participating municipality or participating court;

(b) eligible credited service where the participating municipality or participating court has adopted the Reciprocal Retirement Act, 1961 PA 88;

(c) at least 12 months in which employer contributions by a participating municipality or participating court have been made on behalf of the member under Benefit Program DC,

such service shall on the member’s written request to the employer and MERS’ verification of such service be applied toward satisfying the vesting schedule for employer contributions. This requirement shall apply to all adoptions of Benefit Program DC on and after October 1, 2000; where previously adopted, the participating municipality or participating court may adopt this subsection (12) with full effectiveness as of the original defined contribution adoption date for the employer division involved.

(H) For each employee irrevocably electing to participate in Benefit Program DC, then under Plan Section 19A(11), MERS shall transfer to the member’s credit (as adjusted through MERS’ records to the Conversion Date) the greater of:

(1) The member’s accumulated contributions; or
(2) The actuarial present value (as determined in Paragraph (I) below).

The transfer shall be made approximately 30 calendar days after the Conversion Date, and the transfer amount shall include pro-rated regular interest at the regular Board-established
rate of (currently four percent (4%)) measured from the Conversion Date to the actual transfer date.

(I) Per Plan Section 19A(11)(b), the Retirement Board has established the assumptions for calculation of the actuarial present value of a member’s accrued benefit that may be transferred. The assumptions are:

(1) The interest rate in effect as of the Adoption Date, to determine actuarial present value, shall be the Board-established investment earnings rate assumption (currently eight percent (8.00%)).

(2) The funded level for the member’s specific MERS division (total funded percentage of the present value of accrued benefits and valuation assets of all reserves) as of the Adoption Date from the most recent MERS annual actuarial valuation report data provided by MERS’ actuary. In the APV calculation, the funded level used shall be:

THE GOVERNING BODY SHALL SELECT ONLY ONE OF THE FOLLOWING

_______ Funded level for the division (not to exceed 100% funded level).

_______ If greater than the division’s funded level but not more than 100% funded level, then MERS is directed to compute the funded percentage for the transfer calculation on _________% funded basis (insert number not less than funded level percentage and not more than 100%). Where less than 100% funded level exists, this governing body recognizes that such direction shall increase its pension funding liability. MERS shall not implement such direction unless the governing body forwards to MERS sufficient cash up to the funded level selected for all members prior to the Conversion Date; if sufficient cash is not forwarded, then the governing body expressly covenants with MERS and directs, as a condition of this selection, to MERS billing and the governing body remitting to MERS all contributions necessary to fund the unfunded liability occasioned by the aggregate transfer of the difference between the actual funded level for the division and funded level directed above over a period of four (4) years.

III. IMPLEMENTATION DIRECTIONS FOR MERS BENEFIT PROGRAM DC THIRD-PARTY ADMINISTRATOR.

(A) The governing body of this MERS participating municipality or court as Employer desires that MERS Benefit Program DC be administered by MERS’ duly-designated third-party administrator and that some or all of the funds held under such plan be invested in the TPA’s retirement trust established for the collective investment of funds held under the Employer’s retirement, defined contribution, and deferred compensation plans.

(B) The Employer hereby establishes MERS Benefit Program Defined Contribution as authorized by Section 19A of the Municipal Employees’ Retirement System of Michigan Plan Document, in the form of the third-party administrator’s IRS-qualified retirement trust.
(C) The Declaration of Trust (Attachment 2, Appendix A, approved and adopted concurrent with and incorporated by reference in this Resolution) is operative and applies with respect to any MERS Benefit Program DC plan or deferred compensation plan previously or subsequently established by the Employer, if the assets are to be invested in the third-party administrator’s retirement trust.

(D) Retirement Administrator (use title of official, not name) shall be the Employer’s MERS Benefit Program Defined Contribution Plan coordinator; shall receive necessary reports, notices, etc., from the third-party administrator or its retirement trust; shall cast, on behalf of the Employer, any required votes under the retirement trust; may delegate any administrative duties relating to the defined contribution plan to appropriate departments.

(E) The Municipal Employees’ Retirement Board retains full and unrestricted authority over the administration of MERS Benefit Program Defined Contribution, including but not limited to the appointment and termination of the third-party administrator, or MERS’ self-administration of the defined contribution program in whole or in part.

IV. EFFECTIVENESS OF THIS REVISED RESOLUTION

BE IT FINALLY RESOLVED: This Resolution shall have no legal effect under the MERS Plan Document until a certified copy of this adopting Resolution shall be filed with MERS, and MERS determines that all necessary requirements under Plan Document Section 19A, the 2001 Alliance Agreement, the Adoption Agreement, and this Resolution have been met. All dates for implementation of Benefit Program DC under Section 19A shall be determined by MERS from the date of filing with MERS of this Revised Resolution in proper form and content. Upon MERS determination that all necessary documents have been submitted to MERS, MERS shall record its formal approval upon this Resolution, and return a copy to the Employer’s defined contribution plan coordinator identified in Section III (D) above.

In the event an amendatory Resolution or other action by the municipality is required, such Resolution or action shall be deemed effective as of the date of the initial Resolution or action where concurred in by this governing body and MERS (and the third-party administrator if necessary). Section 54 of the Plan Document shall apply to this Resolution and all acts performed under its authority. The terms and conditions of this Revised Resolution supersede and stand in place of any prior resolution, and its terms are controlling.

I hereby certify that the above is a true copy of a Resolution adopted at the official meeting held on ______________________________ 2006. (Signature of authorized official)

10. SECURITY. The Bonds shall be issued in anticipation of payments to be made by the Village and the Township pursuant to the Contract. The Bonds shall be secured primarily by the full faith and credit pledges made by the Village and the Township in the Contract pursuant to the authorization contained in Act 185. As additional and secondary security the full faith and credit of the County are pledged for the prompt payment of the principal of and interest on the bonds as the same shall become due. If the Village and/or the Township shall fail to make payments to the County pursuant to the Contract which in the aggregate are sufficient to pay the principal of and interest on the Bonds as the same shall become due, then an amount sufficient to
pay the deficiency shall be advanced from the general fund of the County. Taxes imposed by the County shall be subject to constitutional limitations.

11. PRINCIPAL AND INTEREST FUND; CAPITALIZED INTEREST. There shall be established for the Bonds a Principal and Interest Fund which shall be kept in a separate bank account. From the proceeds of the sale of the Bonds there shall be set aside in the Principal and Interest Fund an amount equal to the interest to accrue on the Bonds through November 1, 2006, which is hereby capitalized. All payments received from the Village and the Township pursuant to the Contract are pledged for payment of the principal of and interest on the Bonds and expenses incidental thereto and as received shall be placed in the Principal and Interest Fund.

12. CONSTRUCTION FUND. The remainder of the proceeds of the sale of the bonds shall be set aside in a construction fund for the Project and used to acquire and construct the Project in accordance with the provisions of the Contract, which shall include the payment of the principal of and interest on the Notes.

13. REPAIR, REPLACEMENT AND IMPROVEMENT FUND. There shall be established for the Project a Repair, Replacement and Improvement Fund. Annually, the County shall cause the Village and the Township to deposit in the Repair, Replacement and Improvement Fund the sum of $11,900. Moneys deposited in the Repair, Replacement and Improvement Fund may be withdrawn to pay the cost of emergency maintenance of the Project, extensions to Project facilities and replacement of Project assets having useful lives ending prior to the final maturity of the Bonds.

14. SALE, ISSUANCE, DELIVERY, TRANSFER AND EXCHANGE OF BONDS. The Bonds shall be sold to and registered in the name of the United States of America acting through the United States Department of Agriculture, Rural Development ("Rural Development") in furtherance of Rural Development's program to provide low-interest rate, long-term loans for eligible projects (the "Program"). This Board of Commissioners hereby determines that the Program and the delivery of the Bonds directly to the United States of America as provided in this resolution will provide the County and the Village and the Township with the lowest cost of borrowing money for the Project. The Public Works Commissioner, the County Clerk, the County Treasurer and other officers and employees of the County are each authorized to do all things necessary to effectuate the sale, issuance, delivery, transfer and exchange of the Bonds in accordance with the provisions of this resolution.

15. TAX COVENANT. The County covenants to comply with all requirements of the Internal Revenue Code of 1986, as amended, necessary to assure that the interest on the bonds will be and will remain excludable from gross income for federal income tax purposes. The Public Works Commissioner and other appropriate County officials are authorized to do all things necessary to assure that the interest on the bonds will be and will remain excludable from gross income for federal income tax purposes.

16. QUALIFIED TAX EXEMPT OBLIGATIONS. The bonds are hereby designated as Qualified Tax Exempt Obligations as described in Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.

17. COVENANT AS TO DEFEASANCE. The County covenants that it will not defease this resolution with respect to the bonds so long as registered owner of the bonds is the United States of America or an agency or department thereof.

18. CONFLICTING RESOLUTIONS. All resolutions and parts of resolutions insofar as they may be in conflict herewith are hereby rescinded.

A RESOLUTION OF THE Board of Commissioners OF THE County of Saginaw AUTHORIZING AND PROVIDING FOR THE INCURRENCE OF INDEBTEDNESS FOR THE PURPOSE OF PROVIDING PORTION OF THE COST OF ACQUIRING, CONSTRUCTING, ENLARGING, IMPROVING, AND/OR EXTENDING ITS Village of Merrill/Jonesfield Township Water System FACILITY TO SERVE AN AREA LAWFULLY WITHIN ITS JURISDICTION TO SERVE.

WHEREAS, it is necessary for the County of Saginaw (herein after called Association) to raise a portion of the cost of such undertaking by issuance of its bonds in the principal amount of ONE MILLION FIFTY-FIVE THOUSAND AND XX / 100 DOLLARS ($1,055,000.00) pursuant to the provisions of Applicable State Statutes; and

WHEREAS, the Association intends to obtain assistance from the United States Department of Agriculture, (herein called the Government) acting under the provisions of the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 ct seq.) in the planning, financing, and supervision of such undertaking and the purchasing of bonds lawfully issued, in the event that no other acceptable purchaser for such bonds is found by the Association:

NOW THEREFORE, in consideration of the premises the Association hereby resolves:

1. To have prepared on its behalf and to adopt an ordinance or resolution for the issuance of its bonds containing such items and in such forms as are required by State statutes and as are agreeable and acceptable to the Government.

2. To refinance the unpaid balance, in whole or in part, of its bonds upon the request of the Government if at any time it shall appear to the Government that the Association is able to refinance its bonds by obtaining a loan for such purposes from responsible cooperative or private sources at reasonable rates and terms for loans for similar purposes and periods of time as required by section 333(c) of said Consolidated Farm and Rural Development Act (7 U.S.C. 1983(c)).

3. To provide for, execute, and comply with Form RD 400-4, “Assurance Agreement,” and Form RD 400-1, “Equal Opportunity Agreement,” including an “Equal Opportunity Clause,” which clause is to be incorporated in, or attached as a rider to, each construction contract and subcontract involving in excess of $10,000.

4. To indemnify the Government for any payments made or losses suffered by the Government on behalf of the Association. Such indemnification shall be payable from the
same source of funds pledged to pay the bonds or any other legally permissible source.

5. That upon default in the payments of any principal and accrued interest on the bonds or in the performance of any covenant or agreement contained herein or in the instruments incident to making or insuring the loan, the Government at its option may (a) declare the entire principal amount then outstanding and accrued interest immediately due and payable, (b) for the account of the Association (payable from the source of funds pledged to pay the bonds or any other legally permissible source), incur and pay reasonable expenses for repair, maintenance, and operation of the facility and such other reasonable expenses as may be necessary to cure the cause of default, and/or (c) take possession of the facility, repair, maintain, and operate or rent it. Default under the provisions of this resolution or any instrument incident to the making or insuring of the loan may be construed by the Government to constitute default under any other instrument held by the Government and executed or assumed by the Association, and default under any such instrument may be construed by the Government to constitute default hereunder.

6. Not to sell, transfer, lease, or otherwise encumber the facility or any portion thereof or interest therein, or permit others to do so, without the prior written consent of the Government.

7. Not to defease the bonds, or to borrow money, enter into any contractor agreement, or otherwise incur any liabilities for any purpose in connection with the facility (exclusive of normal maintenance) without the prior written consent of the Government if such undertaking would involve the source of funds pledged to pay the bonds.

8. To place the proceeds of the bonds on deposit in an account and in a manner approved by the Government. Funds may be deposited in institutions insured by the State or Federal Government or invested in readily marketable securities backed by the full faith and credit of the United States. Any income from these accounts will be considered as revenues of the system.

9. To comply with all applicable State and Federal laws and regulations and to continually operate and maintain the facility in good condition.

10. To provide for the receipt of adequate revenues to meet the requirements of debt service, operation and maintenance, and the establishment of adequate reserves. Revenue accumulated over and above that needed to pay operating and maintenance, debt service and reserves may only be retained or used to make prepayments on the loan. Revenue cannot be used to pay any expenses which are not directly incurred for the facility financed by USDA. No free service or use of the facility will be permitted.

Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to Department of Agriculture, Clearance Officer, OIRM, Room 404-W, Washington, DC 20250; and to the Office of Management and Budget, Paperwork Reduction Project (OMB No. 0575-0015), Washington, DC 20503.

11. To acquire and maintain such insurance and fidelity bond coverage as may be required by the Government.

12. To establish and maintain such books and records relating to the operation of the facility and its financial affairs and to provide for required audit thereof as required by the Government, to provide the Government a copy of each such audit without its request, and to forward to the Government such additional information and reports as it may from time to time require.

13. To provide the Government at all reasonable times access to all books and records relating to the facility and access to the property of the system so that the Government may ascertain that the Association is complying with the provisions hereof and of the instruments incident to the making or insuring of the loan.
14. That if the Government requires that a reserve account be established, disbursements from that account(s) may be used when necessary for payments due on the bond if sufficient funds are not otherwise available and prior approval of the government is obtained. Also, with the prior written approval of the Government, funds may be withdrawn and used for such things as emergency maintenance, extensions to facilities, and replacement of short lived assets.

15. To provide adequate service to all persons within the service area who can feasibly and legally be served and to obtain USDA’s concurrence prior to refusing new or adequate services to such persons. Upon failure to provide services which are feasible and legal, such person shall have a direct right of action against the Association or public body.

16. To comply with the measures identified in the Government’s environmental impact analysis for this facility for the purpose of avoiding or reducing the adverse environmental impacts of the facility’s construction or operation.

17. To accept a grant in an amount not to exceed $180,000 under the terms offered by the Government; that Chairman and Treasurer of the Association are hereby authorized and empowered to take all action necessary or appropriate in the execution of all written instruments as may be required in regard to or as evidence of such grant; and to operate the facility under the terms offered in said grant agreement(s).

The provisions hereof and the provisions of all instruments incident to the making or the insuring of the loan, unless otherwise specifically provided by the terms of such instrument, shall be binding upon the Association as long as the bonds are held or insured by the Government or assignee. The provisions of sections 6 through 17 hereof may be provided for in more specific detail in the bond resolution or ordinance; to the extent that the provisions contained in such bond resolution or ordinance should be found to be inconsistent with the provisions hereof these provisions shall be construed as controlling between the Association and the Government or assignee.

WHEREAS, it is necessary for the County of Saginaw (herein after called Association) to raise
a portion of the cost of such undertaking by issuance of its bonds in the principal amount of
TWO MILLION FOUR HUNDRED FIFTEEN THOUSAND AND XX / 100 DOLLARS
($2,415,000.00) pursuant to the provisions of Applicable State Statutes; and
WHEREAS, the Association intends to obtain assistance from the United States Department of
Agriculture, (herein called the Government) acting under the provisions of the Consolidated
Farm and Rural Development Act (7 U.S.C. 1921 ct seq.) in the planning, financing, and
supervision of such undertaking and the purchasing of bonds lawfully issued, in the event that no
other acceptable purchaser for such bonds is found by the Association:

NOW THEREFORE, in consideration of the premises the Association hereby resolves:

1. To have prepared on its behalf and to adopt an ordinance or resolution for the issuance of
its bonds containing such items and in such forms as are required by State statutes and as
are agreeable and acceptable to the Government.

2. To refinance the unpaid balance, in whole or in part, of its bonds upon the request of the
Government if at any time it shall appear to the Government that the Association is able
to refinance its bonds by obtaining a loan for such purposes from responsible cooperative
or private sources at reasonable rates and terms for loans for similar purposes and periods
of time as required by section 333(c) of said Consolidated Farm and Rural Development
Act (7 U.S.C. 1983(c)).

3. To provide for, execute, and comply with Form RD 400-4, “Assurance Agreement,” and
Form RD 400-I, “Equal Opportunity Agreement,” including an “Equal Opportunity
Clause,” which clause is to be incorporated in, or attached as a rider to, each construction
contract and subcontract involving in excess of $10,000.

4. To indemnify the Government for any payments made or losses suffered by the
Government on behalf of the Association. Such indemnification shall be payable from the
same source of funds pledged to pay the bonds or any other legally permissible source.

5. That upon default in the payments of any principal and accrued interest on the bonds or
in the performance of any covenant or agreement contained herein or in the instruments
incident to making or insuring the loan, the Government at its option may (a) declare the
entire principal amount then outstanding and accrued interest immediately due and
payable, (b) for the account of the Association (payable from the source of funds pledged
to pay the bonds or any other legally permissible source), incur and pay reasonable
expenses for repair, maintenance, and operation of the facility and such other reasonable
expenses as may be necessary to cure the cause of default, and/or (c) take possession of
the facility, repair, maintain, and operate or rent it. Default under the provisions of this
resolution or any instrument incident to the making or insuring of the loan may be
construed by the Government to constitute default under any other instrument held by the
Government and executed or assumed by the Association, and default under any such
instrument may be construed by the Government to constitute default hereunder.

6. Not to sell, transfer, lease, or otherwise encumber the facility or any portion thereof or
interest therein, or permit others to do so, without the prior written consent of the
Government.

7. Not to defease the bonds, or to borrow money, enter into any contractor agreement, or
otherwise incur any liabilities for any purpose in connection with the facility (exclusive
of normal maintenance) without the prior written consent of the Government if such
undertaking would involve the source of funds pledged to pay the bonds.

8. To place the proceeds of the bonds on deposit in an account and in a manner approved by
the Government. Funds may be deposited in institutions insured by the State or Federal
Government or invested in readily marketable securities backed by the full faith and
credit of the United States. Any income from these accounts will be considered as
revenues of the system.

9. To comply with all applicable State and Federal laws and regulations and to continually
operate and maintain the facility in good condition

10. To provide for the receipt of adequate revenues to meet the requirements of debt service,
operation and maintenance, and the establishment of adequate reserves. Revenue
accumulated over and above that needed to pay operating and maintenance, debt service
and reserves may only be retained or used to make prepayments on the loan. Revenue
cannot be used to pay any expenses which are not directly incurred for the facility
financed by USDA. No free service or use of the facility will be permitted.

11. To acquire and maintain such insurance and fidelity bond coverage as may be required by
the Government.

12. To establish and maintain such books and records relating to the operation of the facility
and its financial affairs and to provide for required audit thereof as required by the
Government, to provide the Government a copy of each such audit without its request,
and to forward to the Government such additional information and reports as it may from
time to time require.

13. To provide the Government at all reasonable times access to all books and records
relating to the facility and access to the property of the system so that the Government
may ascertain that the Association is complying with the provisions hereof and of the
instruments incident to the making or insuring of the loan.

14. That if the Government requires that a reserve account be established, disbursements
from that account(s) may be used when necessary for payments due on the bond if
sufficient funds are not otherwise available and prior approval of the government is
obtained. Also, with the prior written approval of the Government, funds may be
withdrawn and used for such things as emergency maintenance, extensions to facilities,
and replacement of short lived assets.

15. To provide adequate service to all persons within the service area who can feasibly and
legally be served and to obtain USDA’s concurrence prior to refusing new or adequate
services to such persons. Upon failure to provide services which are feasible and legal, such person shall have a direct right of action against the Association or public body.

16. To comply with the measures identified in the Government's environmental impact analysis for this facility for the purpose of avoiding or reducing the adverse environmental impacts of the facility’s construction or operation.

17. To accept a grant in an amount not to exceed **$1,855,000.00** under the terms offered by the Government; that Chairman and Treasurer of the Association are hereby authorized and empowered to take all action necessary or appropriate in the execution of all written instruments as may be required in regard to or as evidence of such grant; and to operate the facility under the terms offered in said grant agreement(s).

The provisions hereof and the provisions of all instruments incident to the making or the insuring of the loan, unless otherwise specifically provided by the terms of such instrument, shall be binding upon the Association as long as the bonds are held or insured by the Government or assignee. The provisions of sections 6 through 17 hereof may be provided for in more specific detail in the bond resolution or ordinance; to the extent that the provisions contained in such bond resolution or ordinance should be found to be inconsistent with the provisions hereof these provisions shall be construed as controlling between the Association and the Government or assignee.

AUDIENCES

Chair Hadsall called on individuals who requested an audience to speak about the countywide funding of law enforcement and road patrol services in Saginaw County. Jack Schmidt, Tom Call and Richard Riebschleger voiced their support for renewal of the 0.3394 mill for countywide law enforcement and road patrol services by the Saginaw County Sheriff Department, and registered their opposition for any increase.

Chair Hadsall called on William "Bill" Miller, Manager, Saginaw County Road Commission. Mr. Miller distributed their 2005 Annual Report and reported on their proposed plans to move to a new facility. Commissioner Wurtzel asked to suspend the rules so he could present questions. There were no objections; the Chair authorized the suspension of the rules. Commissioner Wurtzel presented the questions posed to him by his constituency after several articles appeared in the news regarding the Road Commission's plan to move to a new location. As follows are Commissioner Wurtzel's questions and additional questions presented by Commissioners Basil and Sangster. The Chair referred both the questions and the Annual Report to the County Services Committee.

**Commissioner Pat Wurtzel**

1) Who originally initiated the idea to approach Thompson regarding relocating the Road Commission to the property?
2) Who was involved in the negotiations for the property from the Road Commission?
3) Was the contact made through a realtor? Did the realtor have any affiliation with any employees of the Road Commission?
4) When Jim Lehman told the Saginaw News the cost of the building was about $2.5 million, was he aware of the additional $6 to $8 million necessary to make the building useable? Were any of the Road Commission members aware of this AT THAT TIME?
5) What consultant was used to determine that another $6 to $8 million was necessary? At what point in time was this consultant hired?
6) Was Butch Warner the only person that realized that 2 trucks would not fit side-by-side in the bays?
7) Why did Jim Lehman say this is a GO, GO, GO? What was the urgency of this project to Mr. Lehman?
8) How much money has been spent to date on studying this? Did the Road Commission post any earnest money that was lost because of the "no sale?"
9) Has the Farmer Peet property in Chesaning, that Dr. Shaheen currently owns and has offered to the Road Commission at no cost, been investigated as a new facility?

**Commissioner Tom Basil**

1) Who, if anyone, received a real estate commission, referral fee, finders fee, etc?

**Commissioner Terry Sangster**

1) Have you contacted Saginaw Future, Inc. to discuss the impact of the City loosing jobs and related income tax revenue?

---Woods moved, supported by Bartels to approve same. Motion carried.

1.3) Health Department, re: write-offs for the period 10/01/04-09/30/05

---Woods moved, supported by Graham to approve same. In response to a question from Wurtzel, McGill explained the write-offs do not have an impact on the County's General Ledger, and that the amount was consistent with previous years. Motion carried.
Board of Commissioners

August 29, 2006

1.4) Health Department, re: increase of part-time Clerk Typist to full-time---Woods moved, supported by Wurtzel to approve same. Basil asked what the WIC case load was for the previous two years. Dr. Varner, representing the Health Officer, responded the figures are available and he would get them to the commissioners. Motion carried.

2. Courts and Public Safety - M. O'Hare, Chair; T. Novak, Vice-Chair

2.1) Prosecutor, re: salary waiver for Citizens Affairs Investigator
---O'Hare moved, supported by Basil to approve same. Motion carried.

2.2) Recommendation, re: two millage questions to fund countywide law enforcement and road patrol services (revised report and counsel opinion laid on desks)
---O'Hare moved, supported by Wurtzel to divide the question, allowing commissioners to vote on the two ballot questions separately. Discussion ensued. Wurtzel relayed feedback he has received from District 5 of their opposition to any increase. Hadsall was concerned about dividing the question, saying it came out of committee as one recommendation, and asked Counsel for direction. Counsel opined the current motion on the table made by O'Hare and supported by Wurtzel should be an amendment rather than a division of the question. He went on to explain the revised language in ballot number 2, as noted in his opinion dated August 28, saying the total amount of the levy has to be part of the language, referring to the 0.5394. Horn disputed Counsel's position on the right of a commissioner to call for a division. Counsel responded that in his judgment the committee recommended one proposal with two parts, and that he did not want to undermine the intent of the committee. O'Hare withdrew his motion to divide and Wurtzel withdrew his support.
---O'Hare moved, supported by Wurtzel to amend the report to consider the ballot proposals separately. Discussion ensued. Hadsall objected saying the complaint made to her by the voters about the No Boundaries Proposal was that they had no choice. Bartels commented he felt the separation was reasonable. Blaine was concerned about jeopardizing the renewal. Discussion having ended, Blaine requested a roll call vote.

Motion to amend the report to consider the ballot proposals separately carried.

Motion to approve the renewal language and place before the voters at the November 7 General Election carried.

---O'Hare moved, supported by Doyle to approve the ballot language for renewal of the existing 0.3394 millage and increase of 0.2000 mill for a total levy of 0.5394 for ten years to fund 7 additional officers for county-wide law enforcement and road patrol services. Discussion ensued. Doyle urged the Board to give the voters a choice. Hadsall reiterated the same message, adding that each person who talked under public comments
at the Courts Committee meeting said they would support a small increase. Horn expressed his concern with the "dual" questions, commenting that when voters are confused they will usually vote no. Bartels questioned what would happen if both ballot questions passed. Counsel said the County would be authorized to levy up to 0.5394. Basil felt the change in wording of the second millage question (originally reading just the 0.2000) will result in a change of "perception" for voters. Discussion having ended, Blaine requested a roll call vote.

Ayes (9): Sangster, Woods, Ruth, Braddock, Graham, Doyle, Bartels, Novak, Hadsall
Nays (5): Basil, O'Hare, Blaine, Horn, Wurtzel

   ---Ruth moved, supported by Bartels to approve same. Motion carried.
   3.2) Michigan Works!, re: delete one of the two Steno Secretary II positions
   ---Ruth moved, supported by Basil to approve same. Wurtzel asked whether department heads had the latitude to delete positions. McGill responded since it was requested during the budget period, it would require Board approval. Sangster relayed his difficulty in understanding why an employment agency would want to lay off people. He had previously expressed this to the Michigan Works Board. Horn requested a roll call.

FROM: COMMITTEE ON HUMAN SERVICES -- 1.4  AUGUST 29, 2006
Your committee has considered communication no. 6-20-12 from Natasha Coulouris, Health Officer, Saginaw County Department of Public Health asking to delete a part-time WIC Clerk Typist T05/07 and establish a new full-time WIC Clerk Typist T05/07.
We met with Neill Varner, Medical Director and Debra Dudewicz, WIC Supervisor who informed us the full-time position is needed to handle the approximately 5400 client caseload, as well as, provide back up coverage for clinic and technical areas. The position is State funded and no additional County dollars are needed.
We recommend approval of the request from the Health Department to delete a part-time Clerk Typist T05/07 and allocate a full-time Clerk Typist T05/07 for the WIC Program; further, that the proper County officials be authorized and directed to make the necessary adjustment to the personnel complement and amend the budget accordingly.
Respectfully submitted,

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 2.1  AUGUST 29, 2006
Your committee has considered communication no. 8-29-19 from Prosecutor Michael Thomas asking for a salary waiver to hire Cheryl Courtney for the position of Citizens Affairs Investigator, I07 at the step 9 level with funds available in the Prosecutor's budget.
We met with Prosecutor Thomas who informed us this request is a result of the vacancy created by the passing of Mr. Kenneth J. Kusowski. He describes Ms. Courtney as a highly decorated police officer with an impeccable thirty-year reputation in law enforcement. She recently retired from the Saginaw Township Police Department and is currently working at the Saginaw County Child Assessment Center conducting child interviews. Ms. Courtney is an honors graduate of Michigan State University with B.S. and Masters Degrees in Criminal Justice.
It is our recommendation to approve the salary waiver for the position of Citizens Affairs Investigator, I07 at the step 9 level, effective immediately; further, that the proper County officials be authorized to make the necessary adjustment to the personnel complement and amend the budget accordingly.
Respectfully submitted,

APPROPRIATIONS AUTHORIZATION: It is the recommendation of your committee to concur with the above.

Todd M. Hare, Chair

By Commissioner O'Hare: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.
Your committee considered various options for providing continued funding of county-wide law enforcement and road patrol services to address the expiration of the current 0.3394 mill on December 31, 2006 (funded through September 30, 2007). After hearing public comments and meeting with Sheriff Charlie Brown, your committee proposes placing two questions before the electorate. The first ballot proposal is a strict renewal of the existing 0.3394 millage for 10 years and would initially fund 14 officers. The second ballot proposal is a renewal of the existing millage and increase of 0.2000 mill for 10 years to add 7 new officers. The ballot question language has been reviewed by County Counsel (see attached) and reads as follows:

**SAGINAW COUNTY LAW ENFORCEMENT ROAD PATROL MILLAGE RENEWAL**

Shall the County of Saginaw, Michigan ("County") renew the previously voted increase in the limitation on the total amount of general ad valorem taxes which may be imposed for all purposes upon real and personal property in the County, as provided in Article 9 Section 6 of the Michigan Constitution of 1963, as amended, which last resulted in a levy of 0.3394 mill ($0.3394 per $1,000) of taxable valuation of such property as finally equalized, up to the same levy of 0.3394 mill ($0.3394 per $1,000) of taxable valuation, for levy in the years 2007 to 2016, both inclusive, which levy is estimated to raise up to $1,761,894 in the first year for the purpose of county-wide law enforcement and road patrol services by the Saginaw County Sheriff’s Department?

The following is for informational purposes only:

“This proposal renews the expiring millage of 0.3394 mill only and will result in a levy of up to 0.3394 mill of taxable valuation for county-wide law enforcement and road patrol services for the years 2007 to 2016, both inclusive.”

YES____     NO____

**SAGINAW COUNTY LAW ENFORCEMENT ROAD PATROL MILLAGE RENEWAL AND INCREASE**

Shall the County of Saginaw, Michigan ("County") renew and add additional millage in the amount of up to 0.2000 mill ($0.2000 per $1,000) of taxable valuation to the current levy, being 0.3394 mill ($0.3394 per $1,000), on the total amount which may be imposed for all purposes upon real and personal property in the County, as provided in Article 9 Section 6 of the Michigan Constitution of 1963, as amended, for a total levy of up to 0.5394 mill ($0.5394 per $1,000) of taxable valuation of such property as finally equalized, for levy in the years 2007 to 2016, both inclusive, which is estimated to raise up to $2,800,135 in the first year for the purpose of county-wide law enforcement and road patrol services by the Saginaw County Sheriff’s Department?

The following is for informational purposes only:

“This proposal renews the expiring levy of 0.3394 mill of taxable valuation and increases the total amount levied in relation to county-wide law enforcement and road patrol services by up to 0.2000 mill for a total of up to 0.5394 mill of taxable valuation for levy in the years 2007 to 2016, both inclusive.”

YES____     NO____

It is our recommendation to approve the above language and direct the County Clerk to place the questions before the electorate on the November 7, 2006 General Election.

Re: Law Enforcement Road Patrol Millage Language

Dear Chairperson Hadsall:

Upon further review of the language for the proposed law enforcement road patrol millage proposals, which was reported out of the Courts and Public Safety Committee, I recommend that the actual ballot language be changed to comply with constitutional and statutory requirements. I have attached the proposed ballot proposal language in its entirety for the Board’s consideration.

Please be advised that the Committee’s proposals remain as approved and intended, as the proposed changes are recommended so the proposed ballot language complies
with legal requirements and provides complete and accurate information to the voters. In other words, the first proposal remains a renewal of the 0.3394 mills and the second proposal keeps the request for a renewal and increase of 0.2000 mills for a total levy of up to 0.5394 mills.

As your counsel, I recommend the proposed ballot language as attached hereto. If you have any questions, please do not hesitate to contact me.

Sincerely,

Andre R. Borrello

Your committee has considered communication 6-20-5 from Mildred Dodak, Register of Deeds requesting to have the 2006 budget for the Register of Deeds Automation Fund amended to pay the remaining $200,000 of a contract service with U.S. Imaging.
Ms. Dodak informed us the U.S. Imaging, which is a Saginaw County based company, would be adding nineteen more years of indexes and images into the current Register of Deeds recording system. This will give residents and businesses a total of forty-three years of easy access from within the Register's Office or webpage. In addition, it allows a more convenient way of retrieving archival documents which would otherwise be on microfilm. There is $465,719.28 available in the Automation Fund, leaving a balance of $265,719.28 for additional projects.
It is the recommendation of your committee that the Register of Deeds request be approved, and the proper County officials authorized and directed to appropriate $200,000 from the Automation Fund Reserves to pay U.S. Imaging for services, as outlined above.

Mr. Oberski informed us the Michigan Works! Office no longer has enough clerical work to support two Steno Secretary II positions. Michigan Works! believes this action will allow for a better use of federal and state workforce development grant funds.
It is the recommendation of your committee that the request of the Michigan Works! Board be approved, and the proper County officials authorized and directed to make the necessary personnel and budgetary adjustments, effective October 1, 2006.

Your committee has considered communication 8-29-12 from Ed Oberski, Director, Saginaw Midland Bay Michigan Works! asking to establish a temporary (two-year) grant funded position of Disability Navigator.
Mr. Oberski informed us the position is a temporary two-year grant funded position that the U.S. Department of Labor and Training Administration are providing the State of Michigan/Michigan Works! Agencies. The position titled Disability Navigator, will develop processes that will assist persons with disabilities in navigating the employment system and its related services. Grant funds would pay all costs associated with the new position. No County General Fund monies are involved. The position is effective October 1, 2006.

It is our recommendation that a new temporary position of Disability Navigator be added to the Michigan Works! personnel complement, as requested by Michigan Works! Administration; and the job description be forwarded to Labor Relations for factoring in accordance with County policy. We further recommend the proper County officials be authorized to make the necessary changes to the budget and personnel complement.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.2 AUGUST 29, 2006

Your Budget Audit Subcommittee received communication no. 8-29-14 dated August 4, 2006 from Marc A. McGill, Controller/CAO, submitting Draft #1 of the recommended Fiscal 2007 Budget, as well as, a detailed packet of the Standing Committees departmental budgets. Each committee reviewed the proposed budgets and has forwarded recommendations of support to this committee. Draft #1, previously distributed to each commissioner, is attached.

Resolution A contains the budget for the total County and the General Fund. The total County Budget for Fiscal 2007 is $148,992,529 which is a 0.75 percent increase from the amended Fiscal 2006 Budget. The General Fund Budget for Fiscal 2007 is $44,911,212 which represents a
2.46 percent increase over the amended Fiscal 2006 Budget.

Resolution A contains the proposed County millage rates to be levied December 1, 2006 and July 1, 2007, as well as, the authorization of the 9-1-1 surcharge to fund operations of the 2007 Budget.

Resolution B lists salaries for elected/appointed officials and judges, and non-union employees. The salaries of elected/appointed officials and judges have been set by the Saginaw County Officers Compensation Commission and the State Officers Compensation Commission in the case of judges.

Resolution C sets forth the prioritized Capital Improvement Budget for Fiscal 2007.

A public hearing will be held at this day's session to allow comment. Notice was previously published in the Saginaw News and copies of the budget material will be made available to the public at the meeting.

It is the recommendation of your committee that the Fiscal 2007 Budget Resolutions A, B and C, together with the Controller's recommended Draft #1 of the Budget be laid on the table and scheduled for formal adoption at the September 26, 2006 Board Session.

Respectfully submitted,

FROM: COMMITTEE ON APPROPRIATIONS -- 4.3 AUGUST 29, 2006

The MERS 2006 Annual Meeting of participating municipalities will be held in Grand Rapids, MI, September 19-21, 2006. In accordance with the provisions of Act 427, P.A. 1984, the Michigan Employees Retirement Act, the governing body of each participating municipality must certify to the MERS Board an officer and employee delegate and alternate to represent them at the meeting.

The officer delegate and alternate are selected by the governing body of the participating municipality. The employee delegate and alternate are elected by employee members of the Retirement System. In communication no. 8-29-4, Amy J. Deford, Retirement Administrator, reports that Benita Snyder, Community Corrections was elected as the employee delegate and Patricia Washburn, Michigan Works, as the employee alternate.

It is the recommendation of your Labor Relations Subcommittee that Amy J. Deford be appointed as the officer delegate and Michael E. Thompson as the officer alternate; further, that the proper County officials certify the delegates and alternates to represent Saginaw County at the MERS Annual Meeting with expenses paid by the Retirement Fund.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.4 AUGUST 29, 2006

Your Labor Relations Subcommittee herewith submits the agreement between the County of Saginaw and Teamsters Local 214 representing Public Health Nurses. The contract covers a four-year period, commencing October 1, 2005 and ending September 30, 2009. The agreement has been formally ratified by the Union upon acceptance by the County. The financial implications of this agreement will be borne with funds within the existing, respective budgets. A summary of the main provisions is set forth below:
Economic Issues:

1. Wages (current and new employees)
   - FY 2005/06: Initial wage adjustment for classifications - public health nurse, senior public health nurse and nurse practitioner to be adjusted 6% (based on 7.6% - 9.4% difference in comparables with similar counties). One-time lump sum = 3.5% of wages
   - FY 2006/07: Wage freeze. One-time lump sum = 3.5% of wages
   - FY 2007/08: Base wage increase of 2.75%
   - FY 2008/09: Base wage increase of 2.75%

2. Health Insurance (current employees only)
   - 10% employee insurance premium co-pay on PPO2
   - 20% employee insurance premium co-pay on PPO1
   - Or employees may choose no co-pay if they switch to PPO8

3. Health Insurance (new employees)
   - Mandatory PPO8 with no co-pay
   - Employees can "buy up" to PPO1 or PPO2 (actual difference + any administrative expenses paid for exclusively by employee - together to be the illustrative rates, as determined exclusively by the Controller's Office)

4. Longevity
   - Current employees: no change
   - New employees: no longevity

5. Pension
   - Current employees: no change
   - New employees - Defined Contribution:
     - Employee contribution 0% / employer contribution 3% (change from 0% / 6%)
     - Employee contribution 6% / employer contribution 6% (change from 3% / 9%)

6. Retiree health insurance (current employees)
   - No change or $15,000 one-time incentive to switch to tax advantaged RHS plan (irrevocable; see below)

7. Retiree health insurance (new employees)
   - Retirement Health Savings (RHS) plan modeled after ICMA-RC. This is an employer-sponsored health benefit savings vehicle that allows employees to accumulate assets to pay for future medical expenses on a tax-free basis. Employer will contribute 1% of wages to the RHS plan; employee contribution: 0% through 7% (employee’s choice).

8. PTO/Disability
   - PTO limits were reduced in exchange for Nurses' participation in the County's Disability Program.

NOTE: All major wage and benefit provisions (1-8 above) are the same or substantially similar to those approved in the majority of collective bargaining agreements ratified since 2003, but for the 6% initial wage adjustment which is justified by comparables.

9. Operational and/or administrative changes related to the department, reviewed and approved by the Health Officer and Controller, among which are matters related to evaluations, promotions, vacancies, reassignments, scheduling, inclement weather policy for off-site services, military leave, FMLA and licensure renewals.

We recommend approval of the agreement between the County of Saginaw and Teamsters Local 214 representing Public Health Nurses, as outlined above; further, authorize the proper County officials to sign the appropriate documents and make the necessary budgetary adjustments.

UNFINISHED BUSINESS

FROM: COMMITTEE ON HUMAN SERVICES -- 3.1 JUNE 20, 2006

Your committee has considered communication no. 6-20-2 from Sandra Lindsey, CEO, Saginaw County Community Mental Health Authority asking the Board to consider a long term lease of County owned property located at 3333 Hospital Road to accommodate new construction of a crisis residential group home.

We met with Ms. Lindsey who informed us the Mental Health Authority would like to lease 4.0 of the 12.03 acres on Hospital Road to construct a 3400 square foot eight bedroom barrier free adult crisis residential group home. The home would be licensed by the Adult Foster Care Division of the State Department of Consumer and Industry Services. The program to be operated at the new facility would replace the current program in Birch Run which needs a location closer to urban Saginaw activity to gain efficiency for ambulance and law enforcement transport. The Mental Health Authority believes a facility of this sort is a critical component to their organization in that it would adequately meet the needs of the consumers for care as an alternative to hospital admissions and as a step down from hospital care to community living.

It is our recommendation to approve the request of the Mental Health Authority to enter into a ninety-nine year lease agreement with the Saginaw County Building Authority for 4.0 acres of County owned property located at 3333 Hospital Road at a cost of $1.00; further that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Civil Counsel as to legal form. A public hearing will be held by the Board of Commissioners on Tuesday, June 20, 2006 to hear public comments on the lease agreement and construction project. All property owners adjacent to County owned property on Hospital Road and all residents of property in the Saw Mill as well as Saginaw Township will be notified of the public hearing.

Respectfully submitted,
COMMITTEE ON HUMAN SERVICES

FROM: COMMITTEE ON HUMAN SERVICES -- 3.3 JUNE 20, 2006
Your committee has considered communication no. 6-20-14 from Sandra Lindsey, CEO, Saginaw County Community Mental Health Authority asking the Board to support Senate Bills 229 and 230 addressing parity in mental health insurance coverage.

Senate Bills 229 and 230 are designed to put mental health insurance on equal footing with physical health coverage in Michigan. It has been noted that finding a mental health professional qualified to treat specific disorders is typically not the problem, however, many commercial insurance policies do not have coverage for mental disorders or the coverage that is available is greatly restricted in terms of benefit coverage and limitations to treatment duration. The Mental Health Board is in support of the legislation.

We recommend support of Senate Bills 229 and 230 and under the proper order of business the appropriate resolution will be submitted.

COUNTY OF SAGINAW
BOARD OF COMMISSIONERS

RE: MENTAL HEALTH INSURANCE PARITY
At a regular meeting of the Board of Commissioners of the County of Saginaw, State of Michigan, held in the City of Saginaw on the 29th day of August, 2006, at 5:00 p.m.

ABSENT --- Todd M. Hare

Commissioner Woods offered the following resolution and moved its adoption. The motion was seconded by Commissioner Blaine:

WHEREAS, Private insurance plans in Michigan often fail to cover or inadequately cover costs
for mental health care; and,
WHEREAS, This discrimination in health insurance coverage further contributes to stigma associated with mental illness; and,
WHEREAS, Thirty-five states have instituted some form of mental health parity without undue costs; and,
WHEREAS, Mental health parity would differ from other insurance “mandates,” in that the modest increased costs of such coverage would be offset by employer gains from reduced absenteeism and increased productivity; and,
WHEREAS, Both President George W. Bush and Michigan Governor Jennifer M. Granholm support the concept of parity in mental health insurance coverage;
NOW THEREFORE BE IT RESOLVED, That the Saginaw County Board of Commissioners hereby goes on record in support of mental health parity and Senate Bills 229 and 230 and in so doing encourages its Senators and Representatives to approve these bills;
BE IT FURTHER RESOLVED, That a copy of this resolution be forwarded to President George W. Bush, Governor Jennifer M. Granholm, Michigan Association of Counties, our area Legislators and the Saginaw County Mental Health Authority.

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON HUMAN SERVICES -- 2.1  SEPTEMBER 26, 2006
Your committee has considered communication no. 9-26-3 from Dr. Neill Varner, Medical Director, Saginaw County Department of Public Health requesting to increase the fee for the influenza vaccine from $25 to $30, the pneumonia vaccine fee from $30 to $45 and to implement a new fee for the rotavirus vaccine of $75.

We met with Tawnya Simon, Personal Health Section Director who informed us that the Medicare reimbursement for administration of the influenza and pneumonia vaccine increased last year and the new fee will allow the Health Department to capture the increased reimbursement. The rotavirus is a new oral vaccine approved this year by the FDA for use in infants less than 32 weeks of age. It is used to prevent a virus which can lead to dehydration in infants. The Board of Health approved the fees at their September 6, 2006 meeting.

It is our recommendation that the Saginaw County Department of Public Health be authorized to increase the fees for the influenza vaccine to $30, the pneumonia vaccine to $45 and establish a $75 fee for the rotavirus vaccine; further, that the proper County officials be directed to implement same.

Respectfully submitted,
COMMITTEE ON HUMAN SERVICES
Robert M. Woods, Jr., Chair  
Robert D. Blaine, Vice-Chair
Ann M. Doyle  
James M. Graham
Cheryl M. Hadsall

By Commissioner Woods: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

TABLED REPORT

FROM: COMMITTEE ON HUMAN SERVICES -- 2.2  SEPTEMBER 26, 2006
Your committee has considered communication 9-26-7 from Dr. Neill Varner, Medical Director, Saginaw County Department of Public Health requesting approval of new and increased service fees for the Environmental Health Services Division. (attached)

We met with Bryant Wilke, Director, Saginaw County Department of Public Health Environmental Health Services Division who informed us that over the years, they have been unable to keep pace with the actual cost of completing specific services. The proposed fee adjustments would place program budgets more in line with actual costs and eliminate fund balance spending. A revenue source will be established that relies on the user to pay the cost of the field services being requested by them verses depleting the department’s fund balance or other supplemental revenue sources to cover these costs.

It is our recommendation to approve the new and increase service fees of the Saginaw County Department of Public Health, Environmental Health Services Division, as submitted; further that the proper County officials be authorized and directed to implement same.

Respectfully submitted,
COMMITTEE ON HUMAN SERVICES
Robert M. Woods, Jr., Chair  
Robert D. Blaine, Vice-Chair
Ann M. Doyle  
James M. Graham
Cheryl M. Hadsall

By Commissioner Woods: That the Report of the Committee be received and the recommendations contained therein be adopted. Debate ensued. Dr. Neil Varner and Mr. Bryant
Wilke were called on to explain the new fee structure. Commissioner Horn moved, supported by Commissioner Basil to table the recommendation in order to provide an opportunity for the public to comment. Motion carried. *(The Chair referred to Human Services Committee to give the public an opportunity to comment.)*

FROM: COMMITTEE ON HUMAN SERVICES – 2.3  SEPTEMBER 26, 2006
Your committee has considered communication no. 9-26-4 from Dr. Neill Varner, Medical Director, Saginaw County Department of Public Health asking approval to delete two part-time positions of Registered Dietitian, P05 and create a new full-time position of Registered Dietitian, P05 in the Maternal Infant Health Program.

Last year, the Health Department received notification that the Michigan Department of Community Health was changing the name of the Maternal Support Services and Infant Support Services Program (MSS/ISS) to the Maternal Infant Health Program (MIHP). The goal was to create a program that would better identify prenatal women and infants by level of risk and create a case management program designed to address such risks. At that time, two part-time Registered Nutritionist positions were added to meet the requirements and mandates for the new program. However, the Health Department has had difficulty in filling two part-time positions and believes one full-time position is a better option. No additional County allocation is required.

We recommend approval of the request from the Health Department to delete two part-time positions of Registered Nutritionist, P05 and allocate a full-time Registered Dietitian, P05 for the Maternal Infant Health Program; further, that the proper County officials be authorized and directed to make the necessary adjustments to the personnel complement and amend the budget accordingly.

Respectfully submitted,

COMMITTEE ON HUMAN SERVICES
Robert M. Woods, Jr., Chair
Ann M. Doyle
Cheryl M. Hadsall

(attached) These requests are intended to cover any budget shortfalls; further adjustments as recommended by the County Auditors may be submitted during the annual audit process. FROM: COMMITTEE ON APPROPRIATIONS -- 4.4 SEPTEMBER 26, 2006
Your Affirmative Action Subcommittee considered material received from One United Michigan asking Saginaw County to adopt a resolution in favor of affirmative action and in opposition to the "Michigan Civil Rights Initiative."
We believe the November 7 Ballot Proposal 06-2 to amend the constitution would harm the ability of all Michigan residents to enjoy a fair chance in education and employment, and that opposition to its passage would send an important message about the importance of diversity.
Under the proper order of business the appropriation resolution will be submitted.

By Commissioner Woods: That the Report of the Committee be received and the recommendations contained therein be adopted. Commissioner Woods requested a roll be taken by the Clerk. The recommendation was unanimously approved with one absent.
I herewith submit for your approval, the per diem and mileage to which members of this Board are entitled for attendance at Committee Meetings held – August 13-26, 2006.

RESOLUTIONS

RESOLUTION "D" SEPTEMBER 26, 2006

BOARD OF COMMISSIONERS
COUNTY OF SAGINAW

In Support of Diversity and Affirmative Action Programs

In Opposition to November Ballot Proposal 2006-2: Michigan Civil Rights Initiative

At a regular meeting of the Board of Commissioners of the County of Saginaw, State of Michigan, held in the City of Saginaw on the 26th day of September 2006, at 5:00 o'clock P.M.

PRESENT - Raymond F. Bartels, Thomas A. Basil, Robert D. Blaine, Bregitte K. Braddock, Ann M. Doyle, James M. Graham, Cheryl M. Hadsall, Todd M. Hare, Kenneth B. Horn, Timothy M. Novak, Michael P. O’Hare, Carl E. Ruth, Robert M. Woods, Jr., Patrick A. Wurtzel

ABSENT - Terry W. Sangster

Commissioner Horn offered the following resolution and moved its adoption. The motion was seconded by Commissioner Ruth:

WHEREAS, The Saginaw County community has a long history of promoting racial, ethnic, and gender equality in education, employment, housing, contracts and public services; and,

WHEREAS, Saginaw County implemented and currently administers an Affirmative Action Plan to promote these important community values; and,

WHEREAS, Affirmative action has proven its value as an effective tool in diminishing barriers for women and men of various ethnic and cultural groups who have been denied equality; and,

WHEREAS, Out-of-state interest groups have launched a misleading and deceptive campaign to amend Michigan’s Constitution that would outlaw Affirmative Action; and,

WHEREAS, The proposed constitutional amendment would remove from local governments and public universities their ability to control their own policies, processes, and practices by eliminating the ability to consider racial and gender disparities in the areas of personnel hiring, contracting, and university admissions; and,

WHEREAS, The Saginaw County community has long recognized that the diversity of its citizens is one of its most valuable assets and further recognizes that it must be allowed to continually review and improve its processes to increase diversity among its workforce and contractors to better reflect the composition of the County and better serve its residents; and,
WHEREAS, The deceptive "Michigan Civil Rights Initiative" (MCRI) is certain to have broad and far reaching negative consequences by irreparably harming the ability of all Michigan residents to enjoy a fair chance in education and employment; and,

WHEREAS, The adoption of the proposed amendment would likely cripple efforts to resolve gender and racial inequalities in key areas such as health care, education, housing, contracts, law enforcement and other public services; and,

WHEREAS, The proposed amendment would remove the ability of local officials to bring about diversity within the operations of local government, and would conflict with the principle of local control that allows officials to determine how best to serve its residents; and,

WHEREAS, Numerous civic organizations, labor unions, business groups, educational institutions, persons from all political parties, religious, ethnic, and women’s organizations oppose the adoption of this amendment;

NOW, THEREFORE, BE IT RESOLVED, That the Saginaw County Board of Commissioners reaffirms its support for diversity and Affirmative Action Programs, as well as, the principle of local control;

BE IT FURTHER RESOLVED, That the Saginaw County Board of Commissioners goes on record as opposing the inappropriately called “Michigan Civil Rights Amendment” to the Michigan Constitution since it in no way furthers the civil rights of Michigan citizens and instead is completely contrary to the promotion and continuance of civil rights in this State;

BE IT FURTHER RESOLVED, That we encourage our citizens, as well as, our citizen organizations to become informed and educate themselves on this important issue and to actively participate in efforts to defeat this proposal;

BE IT FURTHER RESOLVED, That a certified copy of this Resolution be sent to Governor Jennifer M. Granholm, U.S. Senators Carl Levin and Debbie Stabenow, U.S. Representatives Dave Camp and Dale E. Kildee, State Senator Michael Goschka, State Representatives Roger Kahn, John Moolenaar and Carl M. Williams, the Michigan Association of Counties and the other 82 Michigan counties.

Respectfully submitted,
Cheryl M. Hadsall, Chair

BE IT FURTHER RESOLVED #3, That the Board of Commissioners hereby authorizes a 9-1-1 Emergency Services Funding Assessment in an amount not to exceed $3.20 per month, which is 16% of the highest base rate charged for single party basic phone service in Saginaw County as approved by the voters, to cover the costs for the 9-1-1 Emergency Services Program for Fiscal 2006/2007; and

BE IT FURTHER RESOLVED #4, That the Board of Commissioners hereby authorizes a 9-1-1 Emergency Services Funding Assessment in the amount of 4% of the highest base rate charged for single party basic phone service in Saginaw County, to cover the costs for 9-1-1 Emergency Services Equipment Acquisition and Maintenance for Fiscal Year 2006/2007, said funds to be deposited by the County Treasurer separately from all other 9-1-1 funds; and

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COUNTY SERVICES — 2.1
October 24, 2006

We herewith submit the 2006 Tax Rate Requests - Form L-4029 (communication 10-24-7) for Saginaw County, filed by the various cities, townships, villages and school districts indicating the amount of millage to be spread for all purposes by the taxing entities within their jurisdiction.

Attached hereto and made a part of this report is the schedule of tax levies to be spread upon the 2006 tax rolls of the respective jurisdictions. Said levies are expressed in terms of millage provided for in Section 37 of Act 347 of the Public Acts of 1968, as amended.

James Totten, Equalization Director informed us that there are several taxing jurisdictions with millage questions to be decided. Depending on the outcome, this may require the report to be amended.

Mr. Totten also informed us that an L-4029 form was received for the levy of 2 mills in the Kochville Downtown Development Authority - both the original and expanded districts. Based on the Civil Counsel Opinion of August 15, 2006, which opines that the Kochville DDA had been dissolved, the 2 mills has not been included in the millage request report.

It is the recommendation of your committee that the 2006 Apportionment Report be approved as submitted.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

Carl E. Ruth, Chair
Raymond F. Bartels
Terry W. Sangster

Todd M. Hare, Vice-Chair
Kenneth B. Horn
Cheryl M. Hadsall

By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

PULLED AND RETURNED TO COMMITTEE

Committee Chair Ruth pulled the report and sent it back to committee for further study.

FROM: COMMITTEE ON COUNTY SERVICES -- 2.4

OCTOBER 24, 2006

Your committee has considered communication 10-24-9 from Commissioner Timothy Novak requesting the Board to adopt a resolution re-stating the intention of the Board of Commissioners to use the Dredged Material Disposal Facility (DMDF) only for sediment dredged from the Upper Saginaw River shipping channel.

We met with Commissioner Novak who informed us he is requesting the resolution to help quell misinformation about its intended use. James Koski, Public Works Commissioner, who is overseeing the river dredging project, supports the resolution, citing that the ultimate goal has always been to get the river dredged. He added that the permits issued by the Corp of Engineers and Department of Environmental Quality allow the DMDF to only accept material from the Upper Saginaw River.

We agree with the request. Under the proper order of business, the appropriate resolution will be submitted.

OCTOBER 24, 2006

Your committee has considered communication no. 10-24-8 from Dr. Neill Varner, Medical Director, Saginaw County Department of Public Health asking approval to delete a part-time position of Nutritionist I, P04 and create a new full-time position of Nutritionist I, P04 in the Women, Infant and Children’s Program (WIC).

Presently the WIC Program Division does not have enough Nutritionists to handle a caseload of over 5000, and are having difficulty filling the position on a part-time status. The duties of the Nutritionist include counseling the WIC participants regarding proper diet and nutrition, and visiting hospitals to add newborn infants to the program. The State has provided increased funding to allow for a full-time position and no additional County dollars are required.

We recommend approval of the request from the Health Department to delete a part-time position of Nutritionist I, P04 and allocate a full-time position of Nutritionist I, P04 for the WIC Program; further, that the proper County officials be authorized and directed to make the necessary adjustments to the personnel complement and amend the budget accordingly.

FROM: COMMITTEE ON HUMAN SERVICES -- 2.2  SEPTEMBER 26, 2006
Your committee has considered communication 9-26-7 from Dr. Neill Varner, Medical Director, Saginaw County Department of Public Health requesting approval of new and increased service fees for the Environmental Health Services Division. (attached)
We met with Bryant Wilke, Director, Saginaw County Department of Public Health Environmental Health Services Division who informed us that over the years, they have been unable to keep pace with the actual cost of completing specific services. The proposed fee adjustments would place program budgets more in line with actual costs and eliminate fund balance spending. A revenue source will be established that relies on the user to pay the cost of the field services being requested by them verses depleting the department’s fund balance or other supplemental revenue sources to cover these costs.
It is our recommendation to approve the new and increased service fees of the Saginaw County Department of Public Health, Environmental Health Services Division, as submitted; further that the proper County officials be authorized and directed to implement same.

REPORTS OF REGULAR COMMITTEES

FROM:  COMMITTEE ON COURTS & PUBLIC SAFETY -- 2.1  NOVEMBER 14, 2006

Your committee has considered communication no. 10-24-14 from Judge Faye Harrison, Tenth Judicial Circuit of Michigan, Family Division asking to accept a Family Dependency Treatment Court grant from the Michigan Supreme Court Administrative Office in the amount of $60,000. We met with Judge Harrison who informed us the grant funds will be used to implement a pilot family court program. This program will target parents whose children have been removed from the home, or are in danger of removal due to abuse or neglect because of the parent’s drug or alcohol problems. The grant is for the period October 1, 2006 through September 30, 2007 and will not require any additional County funds.

It is the recommendation of your committee that the Tenth Judicial Circuit of Michigan, Family Division be authorized accept the grant, as outlined above, from the Michigan Supreme Court Administrative Office; further, that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Counsel as to legal form, and to amend the budget accordingly.
Respectfully submitted,

COMMITTEE ON COURTS & PUBLIC SAFETY
Michael P. O'Hare, Chair Timothy M. Novak, Vice-Chair
Thomas A. Basil Bregitte K. Braddock
Patrick A. Wurtzel Cheryl M. Hadsall

APPROPRIATIONS AUTHORIZATION: It is the recommendation of your committee to concur with the above.

Timothy M. Novak, Vice-Chair
By Commissioner O'Hare: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COUNTY SERVICES -- 3.1 NOVEMBER 14, 2006
Your committee has considered communication 11-14-5 from James Koski, Public Works Commissioner asking the County to issue bonds for the Goetz Intercounty Drain project. Mr. Koski informed us the project was petitioned for in March 2005 in Bay County. The total project cost is $815,000. The project share is 51% Bay County, 49% Saginaw County. The total assessed amount in Saginaw County is $398,270.10 with Saginaw County's apportioned amount at 6.81%, Michigan Department of Transportation - 7.84%, Kochville Township - 25%, Central Michigan Railway - .1411%. The remaining cost is spread to property owners located in the district. The bond will be spread over 7 years not to exceed 6% interest.
We agree with the request. Under the proper order of business the appropriate resolution will be submitted.
Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

Terry W. Sangster Cheryl M. Hadsall
By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COUNTY SERVICES -- 3.2 NOVEMBER 14, 2006
The Board approved the 2006 Apportionment Report for Saginaw County at the October 24, 2006 session. At that time, James Totten, Equalization Director informed us that the report (10-24-2.1) might need amending to reflect the results of two proposals on the November ballot. We met with Mr. Totten who informed us one of the proposals, a fire millage of .9701 mills for Spaulding Township was approved and they have requested to levy that millage on the December tax bills. This would increase the extra voted millage from .9747 to 1.9448 mills. In addition, it was discovered that there was a mathematical error made in the Non-Principle Residence millage that was reported for Freeland Schools. The correct amount is shown on the amended report.
It is the recommendation of your committee that the amended Apportionment Report for Saginaw County for 2006 be approved as attached. (changes are shown in bold)

WHEREAS, in order to pay for part of the costs of the Project, the Drainage Board has authorized and provided for the issuance by the Goetz Intercounty Drainage District (the “Drainage District”) of bonds designated “Goetz Intercounty Drain Bonds, Series 2006” (the “Bonds”) in the aggregate principal amount of not to exceed $815,000 and bearing interest at a rate not to exceed 6% per annum, in anticipation of the collection of an equal amount of special assessments against property and public corporations (including the County of Saginaw) in the Counties of Bay and Saginaw in the Drainage District, said special assessments having been duly confirmed as provided in the Drain Code; and

WHEREAS, $496,098.04 of the cost of the Project to be financed by the Bonds has been apportioned by the Drainage Board to Bay County and $318,901.96 of the cost of the Project to be financed by the Bonds has been apportioned by the Drainage Board to Saginaw County; and

WHEREAS, the Drainage Board deems it advisable and necessary to obtain from this Board a resolution consenting to the pledge of the full faith and credit of the County of Saginaw on the Bonds to the extent of special assessments assessed against property and public corporations in the County; and

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COUNTY SERVICES -- 1.1 DECEMBER 12, 2006

Your committee has considered communication 11-14-3 from Susan Kaltenbach, County Clerk asking the Board to consider adopting a resolution appointing her to the Michigan Baseball Foundation Board of Directors.

Ms. Kaltenbach informed us she has been invited to be a public member of the Michigan Baseball Foundation (MBF) Board. The Foundation was established to bring affordable, family-friendly entertainment to Mid-Michigan. Through the purchase of the Great Lakes Loons and the construction of their new stadium, MBF hopes to revitalize and reinvigorate the region and promote greater economic and civic prosperity.

We agree with the request. Under the proper order of business, the appropriate resolution will be submitted.

Respectfully submitted,

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1 DECEMBER 12, 2006

Your committee has considered communication no. 10-24-11 from Deborah M. Tubb, System Coordinator, Saginaw County Medical Examiner’s Office asking to raise the fee for performing out-county autopsy services from $1100 to $1500.

The Medical Examiner’s Office is responsible for determining the cause and manner of death in cases such as sudden or unexpected deaths, deaths of individuals in custody, and those related to all medical procedures, found bodies, etc. Deaths that are determined to be the result of causes other than natural require further investigation by means of a forensic autopsy.

In addition to in-county autopsies, the Medical Examiner’s office performs approximately 25-40 autopsies at the request of medical examiners, prosecuting attorneys, and police agencies from other counties who do not have access to these services. Saginaw County’s present fee of $1100 is low compared to similar counties whose fees range from $1800 to $2000. By increasing the autopsy fee to $1500, approximately $10,000 to $16,000 in revenue would be realized.

It is our recommendation to approve the request of the Medical Examiner’s Office to increase the fee for performing out-county autopsy services from $1100 to $1500; further that the proper
County officials be directed to implement same.
Respectfully submitted,

Your Budget Audit Subcommittee received communication no. 11-14-1 from the Government Finance Officers Association notifying Saginaw County that we have once again been awarded a Certificate of Achievement for Excellence in Financial Reporting for our fiscal year ended September 30, 2005 Comprehensive Annual Financial Report.
The Government Finance Officers Association is a nonprofit professional association serving over 16,000 government finance professionals in the United States and Canada since 1906. The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting and its attainment represents a significant accomplishment by a government and its management. It is affirmation that Saginaw County has met the high standards of the program and demonstrated a constructive "spirit of full disclosure" to clearly communicate our financial story.

We commend County Controller/CAO Marc A. McGill, Administration Director Michael E. Thompson, Financial Services Manager Koren A. Reaman, and staff of the Financial Services Division for meeting the standards and model reporting requirements prescribed by the Governmental Accounting Standards Board thus qualifying Saginaw County for continuing recognition for excellence in financial reporting. We further recommend this informational report be received and filed.

FROM: COMMITTEE ON APPROPRIATIONS – 4.4  DECEMBER 12, 2006
Your Labor Relations Subcommittee considered communication no. 12-12-5 from Marc A. McGill, Controller/CAO recommending the Board consider adopting a resolution in support of Senate Bill 1360, a bill to provide for long term funding of retiree health care obligations. Like many municipalities, Saginaw County funds its employee retiree health care benefits on a pay-as-you-go basis. With the implementation of new standards issued by the Government Accounting Standards Board, governmental entities will be required to actuarially determine their long term retiree healthcare liabilities and then make annually required contributions to fund those liabilities. Making contributions of this magnitude would only worsen existing structural budget deficit situations that many municipalities are facing today and would negatively impact the provision of public services.

To address the situation, it has been proposed that governmental units prefund its retiree health care obligation by issuing bonds. Current State law does not allow this, however, Senate Bill 1360 would provide for such bonding authority should the governmental entity choose to do so. The proposal is further detailed in the attached letter from Controller McGill and summary from the Michigan Senate Fiscal Agency. The Michigan Association of Counties is encouraging support for this bill.

We recommend the Board support the passage of Senate Bill 1360 to give counties the opportunity to consider prefunding retiree health care obligations by issuing bonds. Under the proper order of business the appropriate resolution will be submitted for adoption.

Re: Resolution of Support for Michigan Senate Bill 1360
(A bill to provide for long term funding of retiree health care obligations)

Dear Madam Chair:

Saginaw County, like many other governmental entities, provide its employees with health care benefits during their retirement years and funds these benefits on a pay-as-you-go basis. Under standards issued by the Government Accounting Standards Board (GASB Statement No. 45) governmental entities will be required to actuarially determine their long term retiree health care liabilities and then make annually required contributions (ARC) to fund those liabilities. In Saginaw County’s case, as of January 1, 2006, the actuarial determination of said liabilities and contributions amount to approximately $80 million and $8 million, respectively. If Saginaw County were to make an ARC of this magnitude, it would dramatically exacerbate the already existing structural budget deficit situation. In order to address this situation, it has been proposed that governmental units might find it attractive to prefund their retiree health care obligation by issuing bonds, thereby moderating and flattening out the ARC much like the result of refinancing an existing home mortgage.

Under current State law, governmental units do not have the authority to sell bonds in order to fund retiree health care obligations. Senate Bill 1360 would provide for such bonding authority should the governmental entity choose to do so. Attached is one page document prepared by the Michigan Senate Fiscal Agency summarizing the content and fiscal impact of Senate Bill 1360. Also attached, is a one page communication from the Michigan Association of Counties (MAC) encouraging support for this bill and including a proposed resolution of support for this bill. These documents further describe and analyze the bill and indicate MAC’s support for it and encouragement that a resolution be passed supporting same.

Accordingly, it is my recommendation, that Board review and consider this proposed legislation and that, should it be found beneficial to Saginaw County, a resolution of support be adopted and forwarded to MAC.

I shall be available at the appropriate committee meeting(s) and Board meeting to discuss this matter and provide clarification as needed.

Sincerely,

Marc A. McGill

HEALTH CARE TRUST FUND SECURITY

S.B. 1360: FLOOR ANALYSIS

Senate Bill 1360 (as discharged)
Sponsor: Senator Nancy Cassis
Committee: Finance

CONTENT

The bill would amend the Revised Municipal Finance Act to do the following:

-- Allow a county, city, village, or township to issue a municipal security to pay the costs of the unfunded actuarial liability of its public employee retirement system pension fund.
-- Define "unfunded actuarial liability" as the amount by which a health care trust fund is short of the amount that will be necessary, without further payments into the trust fund, to pay postemployment health care benefits already earned by beneficiaries and participants of a public employee retirement system.
-- Require that the municipality make available to the public a comprehensive financial plan, including a plan to reduce health care costs and evidence that issuing the security would result in savings, before issuing a health care trust fund security.
-- Require a referendum on the question of issuing the health care trust fund security if petitions containing a prescribed number of signatures were filed.
-- Provide that outstanding health care trust fund securities could not exceed 5% of the State equalized valuation of the property assessed in the municipality.
-- Provide that the taxes necessary to pay the principal and interest on the security, plus the taxes levied for the same year, could not exceed the limit authorized by law.
-- Require that health care trust fund securities and municipal capital improvement securities be secured by the general fund of the municipality.

MCL 141.2103 et al.

FISCAL IMPACT

The bill would potentially increase both local unit revenue and expenditures by an unknown amount, as well as change the distribution and timing of revenue and expenditures. It is unknown how many local units have unfunded liabilities for the health care costs of retirees, or the number that would choose to issue securities to cover all or a portion of their unfunded liabilities. Furthermore, the impact on individual local units would vary depending on the amount of any unfunded liability, the number of current and future retirees, the economic structure of the community and its effect on future revenue, market returns that can be earned on funds, and future health care costs.

The bill likely would have no fiscal impact on State government.

On November 7, 2006, Proposal 06-2 was adopted by the voters in Michigan. The proposal amends the State Constitution to ban affirmative action programs that give preferential treatment to groups or individuals based on their race, gender, color, ethnicity or national origin for public employment, education or contracting purposes. (attached)

In an opinion dated November 13 from County Counsel Christina M. Grossi, she advised the Board that the passage of Proposal 2 now renders the Saginaw County Affirmative Action Policy #313 and Plan illegal and recommended the County revoke the Policy. Saginaw County Equal Employment Opportunity Policy #312 which prohibits discrimination in all aspects of personnel administration has not been affected and will continue to be enforced.

Subsequently, your Labor Relations Subcommittee received communication no. 12-12-8 from Marc A. McGill, Controller/CAO proposing certain recommendations for changes to plans, policies, and committee structures dealing with affirmative action as a result of the amendment to the Michigan State Constitution and on the advice of Legal Counsel.

We concur and recommend that Saginaw County’s Affirmative Action Subcommittee of Appropriations, Affirmative Action Plan, and Affirmative Action Policy #313 sunset effective December 12, 2006; that Saginaw County Policies #311 - Recruitment, Selection and Appointment, #312 - Equal Employment Opportunity Policy and #316 - Recruitment Selection, and Appointment of Interns and Student Service/Placement Workers be revised to eliminate references to affirmative action policies plans and practices; and that all necessary employment forms, the County website, and any other Personnel document that references affirmative action be changed.

We further recommend that the proper County officials be directed to distribute this information and the revised policies to all Saginaw County Elected Officials, Department Heads, and Agencies of the County, and make the necessary changes to the Central Electronic File Repository for viewing on the County Board of Commissioners’ web site, in accordance with County Policy.

The proposed constitutional amendment would:

- Ban public institutions from using affirmative action programs that give preferential treatment to groups or individuals based on their race, gender, color, ethnicity or national origin for public employment, education or contracting purposes. Public institutions affected by the proposal include state government, local governments, public colleges and universities, community colleges and school districts.

- Prohibit public institutions from discriminating against groups or individuals due to their gender, ethnicity, race, color or national origin. (A separate provision of the state constitution already prohibits discrimination on the basis of race, color or national origin.)

PROPOSAL 06-2

PROPOSED CONSTITUTIONAL AMENDMENT

A proposal to amend the State Constitution to ban affirmative action programs that give preferential treatment to groups or individuals based on their race, gender, color, ethnicity or national origin for public employment, education or contracting purposes. (Proposal provided under an initiative petition filed with the Secretary of State on January 6, 2005.)

The proposal would add a new Section 26 to Article I of the State Constitution to read as follows:

ARTICLE I

Sec. 26. (1) The University of Michigan, Michigan State University, Wayne State University, and any other public college or university, community college, or school district shall not discriminate against, or
grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or
national origin in the operation of public employment, public education, or public contracting.

(2) The state shall not discriminate against, or grant preferential treatment to, any individual or group
on the basis of race, sex, color, ethnicity, or national origin in the operation of public employment, public
education, or public contracting.

(3) For the purposes of this section "state" includes, but is not necessarily limited to, the state itself,
any city, county, any public college, university, or community college, school district, or other political
subdivision or governmental instrumentality of or within the State of Michigan not included in sub-
section 1.

(4) This section does not prohibit action that must be taken to establish or maintain eligibility for any
federal program, if ineligibility would result in a loss of federal funds to the state.

(5) Nothing in this section shall be interpreted as prohibiting bona fide qualifications based on sex
that are reasonably necessary to the normal operation of public employment, public education, or public
contracting.

(6) The remedies available for violations of this section shall be the same, regardless of the injured
party's race, sex, color, ethnicity, or national origin, as are otherwise available for violations of Michigan
anti-discrimination law.

(7) This section shall be self-executing. If any part or parts of this section are found to be in conflict
with the United States Constitution or federal law, the section shall be implemented to the maximum
extent that the United States Constitution and federal law permit. Any provision held invalid shall be
severable from the remaining portions of this section.

(8) This section applies only to action taken after the effective date of this section.

(9) This section does not invalidate any court order or consent decree that is in force as of the
effective date of this section.

RESOLUTION "B"  
DECEMBER 12, 2006

BOARD OF COMMISSIONERS  
COUNTY OF SAGINAW

RE: SUPPORTING SENATE BILL 1360

At a regular meeting of the Board of Commissioners of the County of Saginaw, State of Michigan, held in the City of Saginaw on the 12th day of December 2006, at 5:00 o'clock P.M.

PRESENT - Raymond F. Bartels, Thomas A. Basil, Robert D. Blaine, Bregitte K. Braddock, Ann M. Doyle, James M. Graham, Cheryl M. Hadsall, Todd M. Hare, Kenneth B. Horn, Timothy M. Novak, Michael P. O'Hare, Carl E. Ruth, Terry W. Sangster, Robert M. Woods, Jr., Patrick A. Wurtzel

ABSENT - None

Commissioner Blaine offered the following resolution and moved its adoption. The motion was seconded by Commissioner Ruth:

WHEREAS, The cost of public employee retiree health care is one of the fastest growing components of governmental budgets; and,

WHEREAS, With the implementation of new financial reporting standards, the cost of this benefit is becoming more apparent; and,

WHEREAS, In order to continue to fund this expense and maintain sufficient budget flexibility to provide for necessary public services, local governments need innovative financial tools; and,

WHEREAS, One such tool is the ability to issue debt in the form of municipal bonds to fund retiree health care obligations so that a consistent debt service obligation, at a lower annual cost, funds the projected retiree health care cost; and,

WHEREAS, The Revised Municipal Finance Act (Public Act 34 of 2001) does not provide a mechanism to issue debt in the form of municipal bonds for this obligation, limiting local governments to issue debt only in the form of Trust Certificates; and,

WHEREAS, Because of their cumbersome nature and market unfamiliarity, Trust Certificates would cost local governments additional debt service over the life of the issue; and,

WHEREAS, A change in Public Act 34 of 2001, allowing local governments to issue municipal bonds for this type of obligation would save on annual debt service allowing more resources to be used to support public services;

NOW, THEREFORE BE IT RESOLVED, That the Saginaw County Board of Commissioners supports Senate Bill 1360 (The Revised Municipal Finance Act) to allow local governments the option of issuing debt in the form of bonds to pay the cost of retiree health care;

BE IT FURTHER RESOLVED, That copies of this resolution be sent to Governor Jennifer Granholm, our area Legislators, Michigan counties and the Michigan Association of Counties.
Respectfully submitted,
Cheryl M. Hadsall, Chair
