REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 1.1

JANUARY 23, 2007

Your committee has considered communication no. 1-9-8 from Timothy Genovese, Director, Saginaw County Office of Emergency Management requesting the Board to adopt the Michigan Emergency Management Assistance Compact (MEMAC) in accordance with the Emergency Management Act. (copy available for review)

We met with Mr. Genovese to discuss the MEMAC, which is an initiative of the Michigan State Police Emergency Management and Homeland Security Division. Modeled after intrastate mutual aid compacts already being successfully implemented in other states, MEMAC is designed to help Michigan’s 1,776 local political subdivisions share vital public safety services and resources more effectively and efficiently in the event of an emergency or major disaster, especially terrorist acts involving chemical, biological or nuclear weapons of mass destruction. MEMAC creates an organized process and structure spelled out in advance for jurisdictions, large and small across the State to render or receive assistance in times of crisis. MEMAC is designed to be flexible and to supplement rather than replace existing, local mutual aid agreements already in place to handle “routine” public safety services among neighboring jurisdictions and fire departments. If requested to provide resources, Saginaw County has the option to refuse. If resources are provided, we have the option to receive payment or reimbursement. If we request resources, they will be available to us. In addition, MEMAC will facilitate the receipt of state or federal disaster funds through the Public Assistance Program.

We recommend the Board adopt the Michigan Emergency Management Assistance Compact (MEMAC) in accordance with the Emergency Management Act. Under the proper order of business, the appropriate resolution will be submitted.

JANUARY 23, 2007

Your committee has considered communication 1-9-9 from James A. Koski, Public Works Commissioner asking the County to issue bonds for the Trickey Drain and Branch Drain. Mr. Koski informed us the project was petitioned for in March 2006 and deemed necessary by the Board of Determination at a public meeting on April 14, 2006. The total project cost is $545,000. The County's share for road benefits is 14.75% as based on the State formula. The bond will be spread over 7 years not to exceed 6% per annum. We agree with the request. Under the proper order of business, the appropriate resolution will be submitted.

Your committee has considered communication 1-23-1 from James A. Koski, Public Works Commissioner asking the Board to adopt a resolution appointing the Trustee and Alternate Trustee to the Saginaw Area Storm Water Authority and that they serve by virtue of their office or until otherwise replaced by the Board of Commissioners.
In 2002, the Saginaw County Board of Commissioners adopted a resolution authorizing Saginaw County to become an incorporating member of the Saginaw Area Storm Water Authority (SASWA). The Articles of Incorporation and Bylaws were approved and through a resolution the Public Works Commissioner was appointed as Trustee and County Services Chair as Alternate Trustee for an initial term expiring December 31, 2006. The SASWA Articles of Incorporation and Bylaws state that the trustees and alternates shall be appointed by a majority vote of the governing body of the member municipality.
We agree with the request. Under the proper order of business, the appropriate resolution will be submitted.

Your committee has considered communication 1-9-10 from Mildred M. Dodak, Register of Deeds, asking approval of a License Agreement that will allow her to provide every township, village and city assessor with notice of property transfers electronically.
Providing notice is a State statutory requirement, and the License Agreement a requirement of the Social Security Privacy Act that regulates all municipalities regarding public records. Previously, the Register has complied by sending hard copies; however, by working with the ISS Department a web site has been successfully developed. A password will be required to define who will have access to the site and safeguard the resale of information. Any costs associated with ISS will be paid for with funds in the Register's Automation budget. Counsel prepared the License Agreement which is included in the Resolution.

We agree with the request. Under the proper order of business, the appropriate resolution will be submitted.

FROM: COMMITTEE ON HUMAN SERVICES -- 3.1
JANUARY 23, 2007

Your committee has considered communication no. 1-9-1 from Natasha J.V. Coulouris, Health Officer, Saginaw County Department of Public Health requesting to implement a new fee of $140 for the Human Papilloma Virus (HPV) vaccine and to change the vaccine administration fee from $15 per visit to $10 per injection.

Ms. Coulouris informed us the new HPV vaccine will protect females against four strains that cause cervical cancer. The vaccine is given in a three dose series and the current cost is $120 per dose. Last year there was a 10-20% market increase in pharmaceuticals; the proposed fee amount will allow the Health Department to stay current with the projected increase in vaccine costs for at least another year.

The administration fee change from $15 per visit to $10 per injection is necessary to follow Medicaid guidelines. The guidelines state that providers cannot charge Medicaid a higher rate for a service rendered to a beneficiary than the lowest charge that would be made to others for the same or similar service. Currently, Medicaid and other insurances are being billed per injection. The change in calculation of administration fees will not prevent clients from being vaccinated since federal guidelines state that a child shall not be denied administration of a federally procured vaccine due to the inability of the child’s parent to pay the administration fee.

It is our recommendation that the Saginaw County Department of Public Health be authorized to implement the new fee of $140 for the Human Papilloma Virus (HPV) vaccine and to change the vaccine administration fee from $15 per visit to $10 per injection; further, that the proper County officials be directed to implement same.

RESOLUTION “C” JANUARY 23, 2007
BOARD OF COMMISSIONERS
COUNTY OF SAGINAW
RE: LICENSE AGREEMENT TO PROVIDE NOTICE OF PROPERTY TRANSFERS
At a regular meeting of the Board of Commissioners of the County of Saginaw, State of Michigan, held in the City of Saginaw on the 23rd day of January 2007 at 5:00 o’clock P.M.
ABSENT - None
Commissioner Ruth offered the following resolution and moved its adoption. The motion was seconded by Commissioner Graham.

THIS LICENSE AGREEMENT entered into this day of ______ 20__, and between SAGINAW COUNTY, a municipal corporation being a political subdivision of the State of Michigan, having its principal offices located at 111 South Michigan Avenue, Saginaw, MI 48602, (hereinafter “COUNTY”), and ______________, whose address is ______________, (hereinafter “USER”).

WHEREAS, COUNTY maintains a Register of Deeds Office as required by Michigan Statutes; and,

WHEREAS, The Register of Deeds has authority to enter into this Agreement on behalf of COUNTY pursuant to Saginaw County Board Resolution “C”, adopted January 23, 2007; and,
WHEREAS, USER employs an Assessor who desires to secure on-line access to certain documents pertaining to real property from the Register of Deeds, as permitted by Michigan Statute, for the limited purposes of assessing and assessment; and,

WHEREAS, USER desires to secure on-line access to said documents, for said purposes, through the County’s online digital database and storage system;

NOW, THEREFORE, BE IT RESOLVED, In consideration of the foregoing and the mutual covenants contained herein, COUNTY and USER agree as follows:

1. COUNTY will provide to USER a license for on-line access to certain digital records maintained by COUNTY’S Register of Deeds. USER understands and agrees that access and use of said on-line system and of said records will only be utilized by USER’S Assessor, for the limited purposes of assessing/assessment. And, USER further understands and agrees that only certain categories of such records will be available for on-line access. The categories of records available for on-line access as of the date of execution of this Agreement are:
   A. Grantor-grantee index, starting [Dates of available records];
   B. Scanned documents, starting [Dates of available records];
   C. Certified survey maps.

2. This Agreement shall begin on ______, 20_____, and the initial term shall run through December 31, 20___. This Agreement shall then annually automatically renew on identical terms unless otherwise agreed by the parties. Either party may terminate this Agreement at any time without cause upon thirty (30) days written notice during the initial or any renewal term.

3. COUNTY will not charge USER a fee in connection with the use of this service; however, USER shall be solely responsible for its own expenses incurred to implement and perform this Agreement, including, by way of illustration, but not limited to computer hardware, software, peripherals, telephone lines, internet service provider (ISP), and staff training.

4. COUNTY will use reasonable efforts to keep the on-line system available for access twenty-four (24) hours per day, seven (7) days per week, including holidays. COUNTY agrees to enter the records described herein into the system in a reasonably timely manner after documents are recorded in the Register of Deeds Office. USER understands that there may be reasonable delays in entering information into the system due to normal operating procedures. USER also understands that the system may be unavailable in the event of system malfunctions, maintenance, back-ups, and upgrades, and USER agrees that COUNTY will not be liable for any damages which USER may incur due to such events.

5. The obligation to provide on-line access as detailed herein is subject at all times to the obligation of the Register of Deeds to fulfill the office's statutory duties. COUNTY's obligations and USER's rights under this Agreement are secondary to the statutory duties of the Register of Deeds. Events beyond the control of COUNTY, including but not limited to, weather emergencies and power or equipment failure, may prevent the Register of Deeds from meeting the timeliness and service standards provided herein. In such event, the service standards shall be suspended during the period of the emergency and for a reasonable time thereafter.

6. USER agrees to establish a unique password for access to COUNTY’s system, and to provide the password to COUNTY’s Register of Deeds for administration purposes. The password will be used only by current employees of USER who are adequately trained to access and use the COUNTY's system. USER agrees not to disclose the password to other persons except the COUNTY’S Register of Deeds and the COUNTY’s Information Systems and Services Director. USER is encouraged to change its password frequently to limit the risk of unauthorized access. COUNTY reserves the right to change USER's password if, in COUNTY’s sole discretion, a password change is necessary to maintain the integrity of the system. In the event COUNTY changes USER's password, COUNTY will inform USER at the earliest practical time.
7. For any error or omission from an image provided pursuant to this Agreement, of which USER becomes aware, USER will promptly notify the Register of Deeds. The Register of Deeds will make a determination and promptly correct and re-scan the corrected document if, in fact, there is an error and the document is available to the Register of Deeds. The Register of Deeds will then notify USER of the correction. COUNTY makes no representations, warranties, or guarantees express or implied, including, without limitation, warranties of merchantability or fitness for particular purpose, other than the express representations, warranties, and guarantees contained in this Agreement. The parties agree that COUNTY will have no liability to USER or any other party whatsoever for any loss, expense, or damages, including, without limitation, incidental or consequential damages resulting from omitted or inaccurate images, software or equipment malfunction, quality of the original document, delay in imaging documents for COUNTY’s role in software installation and maintenance, or for any other reason, except as provided herein. USER will indemnify, defend, and hold harmless COUNTY, its officers, officials, employees, boards, commissions, committees, and other agents against all liability for such loss, expense, or damage. Neither acceptance of any payment from USER, nor COUNTY’S delay in exercising its right hereunder, will be construed as a waiver of USER's default or breach of this Agreement, nor impair or prejudice COUNTY's rights to recover damages and remedies as a result of such default or breach. The parties agree that this Agreement will be governed by, and construed and enforced in accordance with, the laws of the State of Michigan.

8. The document data base accessed through this system is not to be construed as true and complete; rather it is a working copy, subject to errors, omissions, and future modification.

9. USER shall not assign or transfer any of its interests or obligations in this Agreement without prior written consent of COUNTY. Records and data obtained pursuant to this Agreement are for USER's internal purposes only and are not to be resold, transferred, loaned, copied, or otherwise provided to or for any third party. For each violation of this Paragraph, USER will pay liquidated damages to COUNTY equal to three times the price the third party would have paid to COUNTY for such service or documents, and USER will pay all of COUNTY’S legal fees, costs, and expenses incurred in the enforcement of this provision.

10. USER agrees not to access, or attempt to access, any information on COUNTY's system other than that provided pursuant to this Agreement. If USER or any of USER's officers, employees, or agents access or attempt to access information on COUNTY’s system other than that explicitly permitted by this Agreement, USER shall immediately notify COUNTY's Information Systems and Services Director. USER shall not modify or use such information for any purpose. If USER violates the terms of this Paragraph or any other provisions of this Agreement, USER understands and agrees that it will be liable for all damages incurred as a result of such unauthorized access, including, without limitation, damages related to the destruction or manipulation of any data, equipment, or software, including any incidental or consequential damages. COUNTY reserves the right to terminate this Agreement immediately upon any violation of the terms of this Paragraph or any other provisions of this Agreement.

11. Notices, invoices, and other correspondence related to this Agreement shall be deemed delivered as of the date of postmark if sent by first class mail, postage prepaid. It shall be the duty of a party changing its address to notify the other party in writing.

12. The entire agreement between the parties is contained in this document. This Agreement supersedes all prior agreements between the parties on the same subject. No modification to this Agreement shall be effective unless made in writing and signed by authorized representatives of the parties.

13. USER represents that the person signing this Agreement has the authority to bind USER to the terms of this Agreement.

RE: RESOLUTION TO BORROW AGAINST ANTICIPATED DELINQUENT 2006 REAL PROPERTY TAXES

At a regular meeting of the Board of Commissioners of the County of Saginaw, State of Michigan, held in the City of Saginaw on the 20th day of February, 2007, at 5:00 o'clock P.M.

PRESENT - Raymond F. Bartels, Thomas A. Basil, Bregitte K. Braddock, Eddie F. Foxx, James M. Graham, Cheryl M. Hadsall, Todd M. Hare, Dennis H. Krafft, Timothy M. Novak, Michael P. O'Hare, Carl E. Ruth, Ronald L. Sholtz, Robert M. Woods, Jr., Patrick A. Wurtzel

ABSENT - Ann M. Doyle

Commissioner Braddock offered the following resolution and moved its adoption. The motion was seconded by Commissioner Woods:

WHEREAS, The Board of Commissioners of the County of Saginaw (the "County") has heretofore adopted a resolution establishing the Saginaw County Delinquent Tax Revolving Fund (the "Fund") pursuant to Section 87b of Act No. 206, Public Acts of Michigan, 1893, as amended ("Act 206"); and,

WHEREAS, The purpose of the Fund is to allow the Saginaw County Treasurer (the "County Treasurer") to pay from the Fund any or all delinquent real property taxes that are due and payable to the County and any school district, intermediate school district, community college district, city, township, special assessment district, the State of Michigan or any other political unit for which delinquent tax payments are due; and,

WHEREAS, It is hereby determined to be necessary for the County to borrow money and issue its notes for the purposes authorized by Act 206, particularly Sections 87c, 87d and 87g thereof; and,

WHEREAS, It is estimated that the total amount of unpaid 2006 delinquent real property taxes (the "delinquent taxes") outstanding on March 1, 2007, will be approximately $13,000,000 exclusive of interest, fees and penalties.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the County of Saginaw, State of Michigan, as follows:
Authorization of Borrowing

1. Pursuant to and in accordance with the provisions of Act 206, Public Acts of Michigan, 1893, as amended, and especially Sections 87c, 87d and 87g thereof, the County shall borrow the sum of not to exceed Thirteen Million Dollars ($13,000,000) and issue its notes (the "notes") therefore for the purpose of continuing the Fund for the 2006 tax year. The exact amount to be borrowed shall not exceed the amount of delinquent taxes outstanding on March 1, 2007, exclusive of interest, fees and penalties. The County Treasurer shall designate the exact amount to be borrowed after the amount of the 2006 delinquent taxes outstanding on March 1, 2007, or the portion of the 2006 delinquent taxes against which the County shall borrow, has been determined.

2. Pursuant to provisions of applicable law and an order of the County Treasurer, which order is hereby authorized, the notes may be issued in one or more series; shall be known as "General Obligation Limited Tax Notes, Series 2007"; shall be in fully registered form in denominations not exceeding the aggregate principal amounts for each maturity of the notes; shall be sold for not less than 98% of the face amount of the notes; shall bear interest at fixed or variable rates not to exceed the maximum interest rate permitted by applicable law; shall be dated, payable as to interest and in principal amounts, be subject to redemption in whole or in part prior to maturity, including any redemption premiums, and be subject to renewal, at such times and in such amounts, all as shall be designated in the order of the County Treasurer. Notes or portions of notes called for redemption shall not bear interest after the redemption date, provided funds are on hand with the note registrar and paying agent to redeem the same. Notice of redemption shall be given in the manner prescribed by the County Treasurer. If any notes of any series are to bear interest at a variable rate or rates, the County Treasurer is hereby further authorized to establish by order, and in accordance with law, a means by which interest on such notes may be set, reset or calculated prior to maturity, provided that such rate or rates shall at no time be in excess of the maximum interest rate permitted by applicable law. Such rates may be established by reference to the minimum rate that would be necessary to sell the notes at par; by a formula that is determined with respect to an index or indices of municipal obligations, reported prices or yields on obligations of the United States or the prime rate or rates of a bank or banks selected by the County Treasurer; or by any other method selected by the County Treasurer.

Payment of Principal and Interest

3. The principal of and interest on the notes shall be payable in lawful money of the United States from such funds and accounts as provided herein. Principal shall be payable upon presentation and surrender of the notes to the note registrar and paying agent when and as the same shall become due, whether at maturity or earlier redemption. Interest shall be paid to the owner shown as the registered owner on the registration books at the close of business on such date prior to the date such interest payment is due, as is provided in the order of the County Treasurer. Interest on the notes shall be paid when due by check or draft drawn upon and mailed by the note registrar and paying agent to the registered owner at the registered address.

Note Registrar and Paying Agent

4. The County Treasurer shall designate, and may enter into an agreement with, a note registrar and paying agent for each series of notes that shall be the County Treasurer or a bank or trust company that is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The County Treasurer may from time to time designate a similarly qualified successor note registrar and paying agent.
Disposition of Note Proceeds

5. The proceeds of the sale of the notes shall be deposited into a separate account in the Fund (the "2007 Account") and shall be used to continue the Fund. The County Treasurer shall pay there from and from unpledged funds in the Fund, uncommitted funds in the County General Fund and/or any other legally available funds, if the notes are sold at a discount, the full amount of the delinquent tax roll against which the County has borrowed, delivered as uncollected by any tax collector in the County and that is outstanding and unpaid on or after March 1, 2007, in accordance with the provisions of Act 206.

2007 Collection Account

6. There is hereby established as part of the Fund an account (hereby designated the "2007 Collection Account") into which account the County Treasurer shall place delinquent taxes against which the County has borrowed, and interest thereon, collected on and after March 1, 2007, all County property tax administration fees on such delinquent taxes, after expenses of issuance of the notes have been paid, and any amounts received by the County Treasurer from the County and any taxing unit within the County, because of the uncollectibility of such delinquent taxes. The foregoing are hereby established as funds pledged to note repayment.

Note Reserve Fund

7. There is hereby authorized to be established by the County Treasurer a note reserve fund for the notes (the "2007 Note Reserve Fund") if the County Treasurer deems it to be reasonably required as a reserve and advisable in selling the notes at public or private sale. The County Treasurer is authorized to deposit in the 2007 Note Reserve Fund from proceeds of the sale of the notes, unpledged moneys in the Fund, uncommitted funds in the County General Fund and/or any other legally available funds, an amount not exceeding ten percent (10%) of the face amount of the notes.

Security for Payment of Notes

8. All of the moneys in the 2007 Collection Account and the 2007 Note Reserve Fund, if established, and all interest earned thereon, are hereby pledged equally and ratably as to each series to the payment of the principal of and interest on the notes and shall be used solely for that purpose until such principal and interest have been paid in full. When moneys in the 2007 Note Reserve Fund, if established, are sufficient to pay the outstanding principal of the notes and the interest accrued thereon, such moneys may be used to retire the notes.

Additional Security

9. Each series of notes, in addition, shall be a general obligation of the County, secured by its full faith and credit, which shall include the County's limited tax obligation, within applicable constitutional and statutory limits, and its general funds. The County budget shall provide that if the pledged delinquent taxes and any other pledged amounts are not collected in sufficient amounts to meet the payments of principal and interest due on each series of notes, the County, before paying any other budgeted amounts, will promptly advance from its general funds sufficient moneys to pay that principal and interest. The County shall not have the power to impose taxes for payment of the notes in excess of constitutional or statutory limitations. If moneys in the 2007 Collection Account and the 2007 Note Reserve Fund, if established, are not sufficient to pay the principal of and interest on the notes, when due, the County shall pay the same in accordance with this section, and may thereafter reimburse itself from the delinquent taxes collected.
Release of Pledge of 2007 Collection Account

10. Upon the investment of moneys in the 2007 Collection Account in direct non-callable obligations of the United States of America in amounts and with maturities that are sufficient to pay in full the principal of and interest on the notes when due, any moneys in the 2007 Collection Account thereafter remaining may be released from such pledge created pursuant to Section 8 hereof and may be used to pay any or all delinquent real property taxes that are due the County and any school district, intermediate school district, community college district, city, township, special assessment district, the State of Michigan or any other political unit to which delinquent tax payments are due for any other year or for any other purpose permitted by law.

Sale of Notes

11. The County Treasurer is hereby authorized to offer the notes at public or private sale as determined by order of the County Treasurer and to do all things necessary to effectuate the sale, delivery, transfer and exchange of the notes in accordance with the provisions of this resolution. Notes of one series may be offered for sale and sold separately from notes of another series. If the notes are to be sold publicly, sealed proposals for the purchase of the notes shall be received by the County Treasurer for such public sale to be held at such time as shall be determined by the County Treasurer and notice thereof shall be published in accordance with law, once in The Bond Buyer or the Detroit Legal News, both of which are hereby designated as being a publication printed in the English language and circulated in this State that carries as a part of its regular service, notices of sale of municipal bonds. Such notice shall be in the form prescribed by the County Treasurer.

The County Treasurer is hereby authorized to cause the preparation of an official statement for the notes for the purpose of enabling compliance with SEC Rule 15c2-12 (the "Rule") and to do all other things necessary to enable compliance with the Rule. After the award of the notes, the County will provide copies of a final official statement (as defined in paragraph (e)(3) of the Rule) on a timely basis and in reasonable quantity as requested by the successful bidder or bidders to enable such successful bidder or bidders to comply with paragraph (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board.

Continuing Disclosure

12. The County Treasurer is hereby authorized to execute and deliver in the name and on behalf of the County (i) a certificate of the County to comply with the requirements for a continuing disclosure undertaking of the County pursuant to subsection (b)(5) or (d)(2) of the Rule, as applicable, and (ii) amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Certificate"). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. The remedies for any failure of the County to comply with and carry out the provisions of the Continuing Disclosure Certificate shall be as set forth therein.

Execution and Delivery of Notes

13. The County Treasurer is hereby authorized and directed to execute the notes for the County by manual or facsimile signature and the County Treasurer shall cause the County seal or a facsimile thereof to be impressed or imprinted on the notes. Unless the County Treasurer shall specify otherwise in writing, fully registered notes shall be authenticated by the manual signature of the note registrar and paying agent. After the notes have been executed and authenticated, if applicable, for delivery to the original purchaser thereof, the County Treasurer shall deliver the notes to the purchaser or purchasers thereof upon receipt of the purchase price. Additional notes bearing the manual or facsimile signature of the County Treasurer and upon which the seal of the County or a facsimile thereof is impressed or imprinted may be delivered to
the note registrar and paying agent for authentication, if applicable, and delivery in connection with the exchange or transfer of fully registered notes. The note registrar and paying agent shall indicate on each note that it authenticates the date of its authentication. The notes shall be delivered with the approving legal opinion of Dickinson Wright PLLC, attorneys of Detroit, Michigan.

**Exchange and Transfer of Fully Registered Notes**

14. Any fully registered note, upon surrender thereof to the note registrar and paying agent with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney, at the option of the registered owner thereof, may be exchanged for notes of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note.

Each note shall be transferable only upon the books of the County, which shall be kept for that purpose by the note registrar and paying agent, upon surrender of such note together with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney.

Upon the exchange or transfer of any note, the note registrar and paying agent on behalf of the County shall cancel the surrendered note and shall authenticate, if applicable, and deliver to the transferee a new note or notes of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note. If, at the time the note registrar and paying agent authenticates, if applicable, and delivers a new note pursuant to this section, payment of interest on the notes is in default, the note registrar and paying agent shall endorse upon the new note the following: "Payment of interest on this note is in default. The last date to which interest has been paid is [place date]."

The County and the note registrar and paying agent may deem and treat the person in whose name any note shall be registered upon the books of the County as the absolute owner of such note, whether such note shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such note and for all other purposes, and all payments made to any such registered owner, or upon his or her order, in accordance with the provisions of Section 3 hereof shall be valid and effectual to satisfy and discharge the liability upon such note to the extent of the sum or sums so paid, and neither the County nor the note registrar and paying agent shall be affected by any notice to the contrary. The County agrees to indemnify and save the note registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

For every exchange or transfer of notes, the County or the note registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

The note registrar and paying agent shall not be required to transfer or exchange notes or portions of notes that have been selected for redemption.

**Book Entry System**

15. At the option of the County Treasurer and notwithstanding any provisions of this resolution to the contrary, the County Treasurer is hereby authorized to enter into an agreement with a custodian or trustee for the purpose of establishing a "book entry" system for registration of notes to be fully registered. Pursuant to provisions of such agreement, the notes may be registered in the name of the custodian or trustee for the benefit of other persons or entities. Such agreement shall provide for the keeping of accurate records and prompt transfer of funds by the
custodian or trustee on behalf of such persons or entities. The agreement may provide for the issuance by the custodian or trustee of certificates evidencing beneficial ownership of the notes by such persons or entities. For the purpose of payment of the principal of and interest on the notes, the County may deem payment of such principal and interest, whether overdue or not, to the custodian or trustee as payment to the absolute owner of such note. Pursuant to provisions of such agreement, the book entry system for the notes may be used for registration of all or a portion of the notes and such system may be discontinued at any time by the County. The note registrar and paying agent for the notes may act as custodian or trustee for such purposes.

**Issuance Expenses**

16. Expenses incurred in connection with the issuance of the notes, including without limitation any premiums for any insurance obtained for the notes, note rating agency fees, travel and printing expenses, fees for agreements for lines of credit, letters of credit, commitments to purchase the notes, remarketing agreements, reimbursement agreements, purchase or sales agreements or commitments, or agreements to provide security to assure timely payment of the notes, fees for the setting of interest rates on the notes and bond counsel, financial advisor, paying agent and registrar fees, all of which are hereby authorized, shall be paid by the County Treasurer from County proper tax administration fees on the delinquent taxes, from any other moneys in the Fund not pledged to the repayment of notes and general funds of the County that are hereby authorized to be expended for that purpose.

**Replacement of Notes**

17. Upon receipt by the County Treasurer of satisfactory evidence that any outstanding note has been mutilated, destroyed, lost or stolen, and of security or indemnity complying with applicable law and satisfactory to the County Treasurer, the County Treasurer may execute or authorize the imprinting of the County Treasurer's facsimile signature thereon and thereupon, and if applicable, a note registrar or paying agent shall authenticate and the County shall deliver a new note of like tenor as the note mutilated, destroyed, lost or stolen. Such new note shall be issued and delivered in exchange and substitution for, and upon surrender and cancellation of, the mutilated note or in lieu of and in substitution for the note so destroyed, lost or stolen in compliance with applicable law. For the replacement of authenticated notes, the note registrar and paying agent shall, for each new note authenticated and delivered as provided above, require the payment of expenses, including counsel fees, which may be incurred by the note registrar and paying agent and the County in the premises. Any note issued under the provisions of this section in lieu of any note alleged to be destroyed, lost or stolen shall be on an equal basis with the note in substitution for which such note was issued.

**Issuance of Refunding Notes**

18. The County shall refund all or part of the notes authorized hereunder and/or notes previously issued by the County to continue the Fund for prior tax years if and as authorized by order of the County Treasurer through the issuance of refunding notes (the "Refunding Notes") in an amount to be determined by order of the County Treasurer. Proceeds of the Refunding Notes may be used to redeem such notes and to pay issuance expenses of the Refunding Notes as authorized and described in Section 16 hereof. The County Treasurer shall have all the authority with respect to the Refunding Notes as is granted to the County Treasurer with respect to the notes by the other Sections hereof, including the authority to select a note registrar and paying agent, to apply to the Michigan Department of Treasury for approval to issue the Refunding Notes, if necessary, to cause the preparation of an official statement and to do all other things necessary to sell, execute and deliver the Refunding Notes. The Refunding Notes shall contain the provisions, shall be payable as to principal and interest and shall be secured as set forth herein and as further ordered by the County Treasurer. The Refunding Notes may be sold as a separate issue or may be combined in a single issue with other obligations of the County issued.

In accordance with Article VI, Section 6.11 this memo is included with the 2007 Rules to provide clarity relating to conduct and procedure at Official Board Sessions, and any other matters which may be appropriate. One of the duties as Board Chair is to preserve order. The Board Rules assist the Chair with this in the sections pertaining to reporting, questioning and voting on committee recommendations. The Rules provide that committee reports be introduced by the Committee Chair who is encouraged to summarize the reports. Members are encouraged to keep debate on a reasonable plane; questions and/or debate on the Board Floor should stay within the parameters of the motion consistent with the Rules adopted.
by the Board. There are guidelines on the number of times and length of time a member may speak on an issue. Voting is open and members have the option of voice vote, hand vote or roll call. Members are allowed by privilege to request that a question be postponed. In addition, there is opportunity to speak under commissioners' initiatory motions and commissioners' audiences. When a member requires more extensive information, it is recommended that he/she contact the Board Chair, Committee Chair or County Official prior to the Board Session, when possible. Commissioners are welcome to attend Standing Service Committee meetings for a better understanding of the issues. To avoid disruptions and out of courtesy, please have all cell phones and pagers turned off or on vibrate while the Board is in session. Following these procedures maintains the dignity in which the Board has successfully conducted its business throughout the years, and allows us to be more efficient, effective and organized.

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COUNTY SERVICES -- 1.1  MARCH 27, 2007

Your committee has considered communication no. 3-27-2 from Marc A. McGill, Controller/CAO, recommending the Board enter into a three year agreement with Ezeway Auction Services of Frankenmuth to provide online auction services. The service is not intended to replace the Annual County Auction but instead provide an alternative means to dispose of specialized surplus equipment that may or may not sell well at the auction. This concept was discussed at a recent Department Head meeting and received unanimous support.

The Controller explained how the system will operate. Upon notice from the County, Ezeway will inspect the item, take digital photos, create a written description, grade the quality, place the item for sale on the Internet, monitor the sale, answer any questions, collect the sale price, and make shipping arrangements. Payment to the County will be made after the commission, internet and PayPal fees are deducted. All sale proceeds will be deposited into the General Fund or Millage Funded Agency.

We concur with the Controller's proposal and recommend entering into a three year agreement with Ezeway Auction Services to provide online auction services; further, that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES
 Carl E. Ruth, Chair   Michael P. O'Hare, Vice-Chair
 Raymond F. Bartels   James M. Graham

FROM: COMMITTEE ON APPROPRIATIONS – 4.2 MARCH 27, 2007

Your Budget Audit Subcommittee met with Gerald Desloover and Thomas Smith, Auditors from the firm of Rehman Robson, who reported on the County of Saginaw’s Comprehensive Annual Financial Report (CAFR) and Management Letter for the fiscal year ended September 30, 2006. Draft copies of these documents were provided to the Subcommittee; finalized copies will be laid on commissioners’ desks. (3-27-11)

The Auditors issued an unqualified opinion that the CAFR fairly represents the County’s financial position. They further noted that the CAFR continues to meet the standards and model reporting requirements prescribed by the Governmental Accounting Standards Board (GASB) thus qualifying Saginaw County for continuing recognition for excellence in financial reporting.

A detailed explanation of multiple pages of the CAFR was provided highlighting the most material financial information. The Auditors also provided an accompanying graphic presentation of significant information related to the General Operating Fund and the status of fund balances and reserves.

All County programs and accounting funds ended the year positively with the exception of the River Dredging Project Fund. The River Dredging Project Fund ended in deficit because, under existing accounting rules, a long term receivable from private sources (Saginaw River Alliance) was not able to be recognized as current revenue. This situation created a temporary “accounting deficit” that is expected to be resolved in future accounting periods. A deficit reduction plan, explaining that the Saginaw River Alliance has entered into an agreement pledging to contribute the money necessary to pay down and eliminate the deficit, will be filed with the State of Michigan as part of the audit process.

The Auditors also issued five (5) findings and recommendations for strengthening internal controls and improving operating efficiencies. All of these findings and recommendations, along with management responses to each one, were explained and reported to the Subcommittee.

The Subcommittee commended the Controller’s Office staff as well as all County Elected Officials and Department Heads for working together to accomplish yet another successful and timely completion of the County’s Annual Financial Report.

Accordingly, we recommend the County of Saginaw’s (CAFR) Comprehensive Annual Financial Report, Management Letter, and the above described deficit reduction plan for the fiscal year ended September 30, 2006 be accepted; and further, that the proper County officials be authorized and directed to file the necessary documents to complete the audit process.

AUDIENCES
Chair Hadsall called on those requesting an audience in accordance with the Rules of the Board:

Commissioner Krafft presented Karen Courneya, Director, Commission on Aging with a proclamation designating April 15-21 as Volunteer Recognition Week and May 23 as Commission on Aging Volunteer Recognition Day.

Commissioner Woods presented Tim Ninemire, Mental Health Authority (Director Sandra Lindsey was unable to attend) with a proclamation designating May as Mental Health Month. Consumers Leisa McAfee, Georgia Reyes and Johnnie Salter gave their testimonies.

Commissioner Novak presented Geoffrey Scott, Chair, Law Day Committee with a proclamation designating May 3 as Law Day.

Commissioner Doyle presented Stephanie Wirtz, Coordinator, Saginaw County Promise with a resolution recognizing Saginaw County as one of the 100 best communities for young people. (under Laudatory Resolutions)

All proclamations are listed under that order of business in the minutes.
Chair Hadsall announced the Rules provide petitioners with three minutes to address their concerns to the Board.

Jack O. Schmidt, County resident, voiced his objection to an expanded road commission, encouraged commissioners to start making budget reductions, and stated his problem with renting jail space to the federal government.

Earl Jesse, County resident, voiced his objections to the high cost of government and the increase in service fees, commenting these may be the reasons why people are moving out of the area.

Jack Campbell, County resident, voiced his objection to a proposed five member road commission, encouraged the county to focus on the budget problems, and commented on the potential effect of proposed changes in Department of Corrections guidelines and the absence of a waiting area for visitors to the jail.

Joyce Seals and Doug Leffler, Ezekiel Project, voiced their objections to the jail visitation area being outside in the elements, calling it "unjust and inhumane." They encouraged the Board to find funds to enclose the area. (see Commissioner Wurtzel's comments under Commissioners' Audiences)

Hal Downs, American United for the Separation of Church and State, distributed material relating to the proposed location of the Ten Commandments in the Courthouse lobby.

Sheriff Brown reported on the final inspection of the Jail received from the Michigan Department of Corrections. It is the 6th year the Jail has passed this very difficult inspection, and he commended everyone employed at the Jail. He responded to Jack Schmidt's problem with renting jail space to the federal government saying the County takes in $500,000 per year for housing federal prisoners. (5-22-9)

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 1.1 APRIL 24, 2007

Your committee has considered communication no. 3-27-12 from Judge Faye Harrison, Saginaw County Law Day Committee sending notification of the 2007 Law Day Celebration and asking to use a portion of Borchard Park for a series of activities.

Saginaw County Law Day is scheduled for Thursday, May 3, 2007 and the Saginaw County Bar Association and Lawyers Auxiliary have planned a number of activities for this year's celebration. Throughout the day, high school students will participate in mock trials in many of the courtrooms. In addition, they are asking permission to hold a blood drive, voter registration and child identification program in Borchard Park and the adjoining parking lot. St. John’s Episcopal Church located next to the park has offered to provide power for the Secretary of State voter registration.

We recommend the proper County officials be authorized and directed to facilitate the Law Day Committee with use of Borchard Park and the adjoining parking lot for the activities in celebration of Law Day 2007.

Respectfully submitted,

COMMITTEE ON COURTS & PUBLIC SAFETY

Todd M. Hare, Vice-Chair
Thomas A. Basil

Eddie F. Foxx

By Commissioner Novak: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COUNTY SERVICES – 2.1 APRIL 24, 2007

Your committee considered communication no. 4-24-3 from Douglas A. Bell, Planning Director, submitting applications for the enrollment of farm land located in Chapin Township in the State Farmland and Open Space Preservation Program (Act 116).

Mr. Bell informed us Act 116 is designed to preserve farmland and open space. It enables a farm owner to enter into a development rights agreement with the State to ensure the land remains in agricultural use for a minimum of 10 years. The main benefits to the property owner are tax credits and exemption from special assessments for urban improvements.

Applications for enrollment are made with the township if it has adopted its own zoning ordinance. In this case Chapin Township does not have local zoning so the county board of commissioners is responsible for their review and approval. The agreements are strictly between the property owners and the State; there is no requirement for the county to monitor or enforce.

The governing body has 45 days to approve or reject the application. Within that period the governing body must seek comments from the county or regional planning commission, the soil conservation district, a city if the land is within three miles of the city or a village if the land is within one mile of the village. These agencies then have 30 days to respond. The review process is intended to avoid conflicts with local plans and programs. Both the County Planning Commission and the Soil Conservation District have reviewed the agreements and find no conflicts.

It is the recommendation of your committee that the three farmland agreements for 96.49 acres at 20355 Kramer Road (Section 35), 66.88 acres at 20400 W. Ridge Road (Section 35), and 72.91 acres at 19000 Ridge Road (Section 35) in Chapin Township, Saginaw County, State of Michigan be approved for a ten year period in accordance with Act 116; further, that the proper County officials be authorized and directed to sign the necessary agreements on behalf of the County.
Respectfully submitted,

FROM: COMMITTEE ON COUNTY SERVICES – 2.2  APRIL 24, 2007

We herewith submit the report (revised communication 4-24-4) of the real and personal property by class. (attached) The Saginaw County Equalization Department has, in accordance with the constitutional and statutory provisions, examined the assessment rolls of the various township and cities in the County of Saginaw, as required, and has determined that the real and personal property valuations as set opposite the several townships and cities represent the County Equalized Valuations for the year 2007.

We met with James Totten, Equalization Director, who informed us the Total Equalized Value of the County for 2007 has increased by some $125,407,979 to $5,981,826,799 for an increase of 2.14%. Real Property increased $126,387,319 or 2.35%. Personal Property decreased $979,340 or .2%. This continued the overall trend of decreasing personal property values over the last six years.

Industrial Facilities Assessed Values for 2007 are $145,951,406 which is a 13.1% decrease ($21,965,312) from the previous year. The reductions for the Facilities Rolls are directly connected to the accelerated depreciation multipliers approved by the State Tax Commission and the growth in Personal Property Exemptions for Act 328. This is the seventh year for these exemptions in Saginaw County.

Parcels in the name of the Department of Natural Resources have been moved to a special acts roll and are no longer part of the equalization process. These parcels, with an assessed value of $8,228,700, showed no change for 2007. Saginaw County will still continue to collect taxes at the 2004 taxable value and tax rates.

Taxable Value is certified the fourth Monday in June and is not a part of this report. However, an estimate of this value would be an increase of approximately 3.6 % over the 2006 Taxable Value for Saginaw County. The captured valuations of the various TIFA, DDA, Brownfield, and Renaissance Districts will be published with the actual breakdown of taxable values.

It is the recommendation of your committee that the Equalization Report for Saginaw County for 2007 by class be accepted.

FROM: COMMITTEE ON COUNTY SERVICES – 2.3 APRIL 24, 2007

Your committee met prior to the Board Session to consider communication no. 3-27-1 from Thomas Township notifying the County of a proposed Ordinance to create a Downtown Development Authority District; and, to review communication no. 4-24-19 from the County of Saginaw Tax Increment Financing Staff Evaluation Committee.

In accordance with Saginaw County Policy #213 - Tax Increment Financing, the Staff Evaluation Committee met on April 18 to review whether the Board should be encouraged to voice approval or disapproval. Their recommendation is for the County to "opt out" of the proposed Downtown Development Authority District located in Thomas Township based on the criteria set forth in the policy.

Counties have sixty days from the time a public hearing is held to exempt its taxes from capture. The public hearing in Thomas Township was held on March 12, 2007 so the deadline would expire prior to the May Board. It was noted that a decision to opt out can be revisited in the future.

We concur with the recommendation from the Tax Increment Financing Staff Evaluation Committee to "opt out" of the proposed Downtown Development Authority District in Thomas Township. Under the proper order of business, the appropriate resolution will be submitted to accomplish same.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES
Carl E. Ruth, Chair
Raymond F. Bartels
Patrick A. Wurtzel
Chair Hadsall announced the Committee met prior to the Board and a 2/3rds majority vote was necessary for approval.

By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Commissioner Graham requested a show of hands. Approved with one nay vote recorded for Commissioner Wurtzel.

FROM: COMMITTEE ON HUMAN SERVICES -- 3.1 APRIL 24, 2007

Your committee has considered communication no. 4-24-8 from Natasha J.V. Coulouris, Health Officer, Saginaw County Department of Public Health requesting approval to establish new laboratory fees for sexually transmitted disease (STD) testing.

We met with Tamara Theisen, Laboratory Services Director who informed us the Health Department would like to set a new fee for Chlamydia (CT) and Gonorrhea (GC) testing beginning February 1, 2007 due to the new Plan First Medicaid waiver. The current fee is $12.00 for a CT test and $13.50 for a combined GC/CT test. The proposed new fees are as follows:

- $32.00 for CT only (negative result)
- $36.00 for GC/CT (positive result)

The new Plan First Medicaid waiver is approved for five years with the implementation date of July 1, 2006. The program enables the Michigan Department of Community Health (MDCH) to provide family planning services to women who otherwise would not have medical coverage for these services.

MDCH has agreed to reimburse the Regional Lab (Saginaw) for Plan First tests done between July 1, 2006 and January 31, 2007 at a rate of $2.00 per test, as well as, replace testing supplies used. The labor reimbursement would be part of an amendment to the Comprehensive Planning Budgeting and Contracting (CPBC) contract in June 2007. The replacement reagents and CPBC payment is in lieu of billing Plan First, or Medicaid, for these tests.
It is our recommendation that the Saginaw County Department of Public Health be authorized to establish the fee structure for sexually transmitted disease, as listed above. We further recommend that the proper County officials be authorized and directed to implement same. Respectfully submitted,

COMMITTEE ON HUMAN SERVICES

By Commissioner Woods: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON HUMAN SERVICES -- 3.2   APRIL 24, 2007
Your committee has considered communication no. 4-24-6 from Natasha J.V. Coulouris, Health Officer, Saginaw County Department of Public Health asking to delete a position of Public Health Nurse, P06 and allocate a new position of Senior Public Health Nurse, P07 in the Personal and Preventative Health Services Department.
We met with Tawnya Simon, Personal and Preventative Health Services Director who informed us the Health Department has been awarded a grant from the Michigan Department of Community Health for Infant Mortality Reduction. The Senior Public Health Nurse will be serving in a leadership capacity and networking with various agencies in the community to carry out the mandates of the grant. The position is supported by a combination of local and State funding and will not require any additional County funds.
We recommend approval of the request to delete a position of Public Health Nurse, P06 and allocate a new position of Senior Public Health Nurse, P07 as outlined above; further that the proper County officials be authorized and directed to make the necessary adjustments to the personnel complement and amend the budget accordingly.
Respectfully submitted,

By Commissioner Braddock: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.2 APRIL 24, 2007
Your committee considered communication no. 4-24-1 from Marvin D. Hare, County Treasurer asking to establish a restricted fund to support the foreclosure and Land Bank process.

In September 2005, the Board created a Saginaw County Land Bank Authority pursuant to the Land Bank Fast Track Act, 2003 PA 258 which allows for the transfer of abandoned and tax delinquent properties from local governments to public land bank authorities. Once transferred, the properties can be redeveloped and sold to nonprofit agencies, private homeowners, neighborhood associations and others.

Now that the County conducts the tax foreclosure process, the Treasurer is able to generate an additional $175 dollars per foreclosure. With the Board’s approval, these extra foreclosure monies can be used for other purposes. At 2006 year end the foreclosure fund had an unrestricted balance of $383,725.00.

The Treasurer would like to transfer the $383,725 and future proceeds from the Delinquent Property Tax Foreclosure Fund to a Land Reutilization Fund to restrict these funds from any other use thereby ensuring the continued improvement of the community. The funds will pay for contracts with title insurance companies, service of notices, recording fees, defense of title actions, demolition of buildings and other costs incurred in administering the foreclosure and disposition of property forfeited for delinquent taxes. (The General Property Tax Act 206 of 1893, Section 211.78n - Land Reutilization Fund)

We concur with the County Treasurer and recommend that $383,725 in the Saginaw County Delinquent Property Tax Foreclosure Fund and all future funds collected from sales and tax penalties associated with the foreclosure be transferred to a Land Reutilization Fund to pay for expenses of the Land Bank operation; further, that the proper County Officials be authorized and directed to create the restricted fund and make the appropriate transfers.

Respectfully submitted,

COMMITTEE ON APPROPRIATIONS
Todd M. Hare, Chair
Timothy M. Novak, Vice-Chair

By Commissioner Braddock: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

Region VII (term expires March 31, 2008) Leonard A. Ballosh

ANNOUNCEMENTS BY THE CHAIR
Today's Board Session is followed by a Committee of the Whole meeting.

COMMISSIONERS' AUDIENCES
Commissioner Wurtzel responded to comments made under Public Participation when some individuals called the lack of an enclosed area for jail visitation "unjust and inhumane." He said what is "unjust and inhumane" is the choice seniors have to make between either buying food or buying medications, residents without heat and electricity, the numbers of children being killed on the streets, the reduction of law enforcement personnel to balance budgets, cuts in services to the mentally ill. He went on to say that waiting outside to visit someone that is incarcerated is an "inconvenience" and is not caused by Saginaw County but by the individuals themselves not abiding by the laws.
Commissioner Krafft commented on the tradition that was passed down to him by former Commissioner Ken Horn (now serving as a State Legislator) to announce events being held in Frankenmuth, Saginaw County's "Little Bavaria." The next one is the World Expo of Beer scheduled for May 18-19.

Commissioner Foxx congratulated Saginaw High School - its boy's basketball team, coaches, students, teachers, and administrators - for capturing the 2007 Class A State Championship. Commissioners Ruth and Woods were recognized as SHS alumni. Commissioner Woods noted the team has the distinction of being the second best in the Nation.

By Commissioner Basil: That the Board adjourn. Carried.
Thereupon, the Board adjourned at 6:05 p.m.

---Braddock moved, supported by Graham to approve same. Motion carried.
4.2) Recommendation, re: amendments to Specific Fund Balance Policy #221
---Braddock moved, supported by Graham to approve same. Wurtzel asked the Controller what the effect would be if a 5% budget stabilization reserve were created as recommended in the report or if a 10% reserve was created as recommended by the auditors. In response, a 10% reserve would require the Board to make immediate cuts this summer for the next fiscal year; a 5% reserve would forestall the cuts and allow the Board time to work with Department Heads in making the anticipated 4 million dollars in cuts. Wurtzel moved, supported by Basil to implement a 10% "across the board" budget stabilization reserve. Upon conclusion of the debate, the Chair asked the Clerk to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board. A record of how each member voted and the results of the vote are hereby entered in the minutes: Ayes - Basil, Doyle, Bartels, Sholtz, Wurtzel - 5; Nays - Braddock, Graham, Novak, O'Hare, Krafft, Foxx, Woods, Ruth, Hare, Hadsall - 10. ---Braddock moved, supported by Ruth to approve same. Wurtzel commented for the record that this action was only putting off the reductions that needed to be made. Todd responded it does not preclude the board from making cuts this year. McGill said the 4 million dollars in cuts equates to 50-60 employees, the process will be a long undertaking and he was in favor of the action taken by the board today which balances the budget for
another year. Discussion having ended, the vote was taken. Debate ended, the motion carried with a nay vote recorded for Wurtzel.

REPORTS OF REGULAR COMMITTEES
FROM: COMMITTEE ON HUMAN SERVICES -- 1.1

Your committee considered communication no. 5-22-5 from Natasha J.V. Coulouris, Health Officer, Saginaw County Department of Public Health requesting approval of a revised fee structure for the Environmental Health Services Division. (attached)

We met with Bryant Wilke, Director of the Environmental Health Services Division who informed us the proposed fees reflect the actual cost associated with conducting the specific service. In addition, approval will help avoid service and staff reductions, and avoid requests for assistance from the County General Fund.

In preparing the request, the Health Department conducted a thorough analysis of each program activity to determine the time spent performing field services and the actual cost associated with those services. The following describes the loss figures for the past two years:

- An average loss equaling $50,000 per fiscal year
- Fund balance spending of $88,000 per fiscal year
- Total deficit of $138,000 per fiscal year

The new fee structure establishes a fair and equitable method to generate the revenue necessary to provide the service. The following describes the benefits of implementing:

- Increases revenues by an estimated $37,000 per year averaged over a 3 year period
- Increases revenue to assist reducing deficits from the Division’s annual budget
- Creates an incentive for food service operators in Phase 4 to lower annual license fee and enhances protection of public health
- Creates an education provision that will allow the Division to offer a national food service management certification course which in turn will help develop a workforce competent in food safety and illness prevention

We recommend approval of the revised user fees for the Saginaw County Department of Public Health, Environmental Health Services Division, as submitted; further that the proper County officials be authorized and directed to implement same.

Respectfully submitted,

COMMITTEE ON HUMAN SERVICES
Robert M. Woods, Jr., Chair
Dennis H. Krafft
Cheryl M. Hadsall
Bregitte K. Braddock, Vice-Chair
Ronald L. Sholtz
Commissioner Woods moved, supported by Commissioner Novak to approve the request from the Saginaw County Department of Public Health to revise the fee structure for the Environmental Health Services Division, as submitted. To reflect additional input received from the Saginaw County Chamber of Commerce, County Commissioners and various businesses subject to the service fees and to develop an acceptable compromise, Commissioner Novak moved, supported by Commissioner Krafft to amend the user fee schedule by eliminating the automatic increases listed in Phases 2-4; further, that the appropriate standing committee review any request to increase these fees above the 20% listed in Phase 1 to determine the need. A debate followed and the Chair called on Natasha Coulouris, Health Officer and Bryant Wilke, Environmental Health Services Director who responded to questions from commissioners. Also, additional material was presented by Ms. Coulouris and Mr. Wilke and by Veronica Horn, Saginaw County Chamber of Commerce and laid on commissioners desks prior to the meeting. Upon conclusion of the debate, the Chair requested the Clerk to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board. A record of how each member voted and the results of the vote are hereby entered in the minutes: 9 ayes - Graham, Bartels, Novak, O'Hare, Krafft, Woods, Hare, Braddock, Hadsall; 6 nays - Basil, Doyle, Sholtz, Wurtzel, Foxx, Ruth. Amendment to the motion carried. The Chair asked for a vote on the main motion as amended. Carried with nay votes recorded for Commissioners Basil, Doyle, Sholtz and Wurtzel.

Revised 4/25/07
FROM: COMMITTEE ON HUMAN SERVICES -- 1.2  MAY 22, 2007
Your committee considered communication no. 5-22-6 from Natasha J.V. Coulouris, Health Officer, Saginaw County Department of Public Health requesting approval to delete a part-time position of Clerk Typist I/II, T05/07 and allocate a new full-time position of Health and Emergency Information Specialist/Office Manager, as factored. The new job description and title more accurately describes the increased responsibilities of the position. Duties will include a full range of administrative support services for both Health Promotion and Communications, and Emergency Preparedness. No additional County funds are needed. It is our recommendation to approve the request of the Health Department to delete a part-time position of Clerk Typist I/II, T05/07 and allocate a new full-time position of Health and Emergency Information Specialist/Office Manager, subject to factoring evaluation by the Labor Relations Subcommittee. We further recommend the proper County officials be authorized and directed to make the necessary budgetary and personnel adjustments.

Your committee considered communication no. 4-24-16 from Ruth Miller, County Extension Director, Michigan State University asking authorization to set up a Special Activity Budget with additional grant funding received for the Parenting Education project. We met with Ms. Miller who informed us the funding is a cooperative grant between the Buena Vista Michigan School Readiness Program, the Saginaw Intermediate School District and MSU Extension. The Saginaw ISD is serving as the fiduciary for the partners. Funding in the amount of $94,500 will cover the salary of 1.4 Parent Educators, office supplies and local travel.
We recommend approval of the request from the Michigan State University County Extension to set up a Special Activity Budget with additional grant funding received for the Parenting Education project; further, that the proper County officials be authorized and directed to implement same.

FROM: COMMITTEE ON HUMAN SERVICES -- 1.4  MAY 22, 2007

Your committee considered communication no. 5-22-12 from Sandra Lindsey, CEO, Saginaw County Community Mental Health Authority asking to make an early payoff of the balance due to the Saginaw County Building Authority for the debt obligation on Mental Health Group Homes and OBRA Homes, owned and operated by SCCMHA since the mid 1990s.

We met with Ms. Lindsey who informed us the request is made at this time to include the payoff of this obligation as part of their overall residential refinancing strategy which also includes the construction costs of the new Hospital Road Crisis Residential Facility. The Mental Health Authority intends to continue using these homes as specialized residential settings, which was the purpose for their construction. The eight homes are located in Saginaw (4), Hemlock (1), Bridgeport (1), Birch Run (1) and St. Charles (1); the balance due the Saginaw County Building Authority is $227,566.98. The payment schedule and payoff calculations are attached.

We concur with the request from the Saginaw County Community Mental Health Authority to make an early payoff of the balance due to the Saginaw County Building Authority for the debt obligation on Mental Health homes, as submitted. We further recommend the proper County officials be authorized and directed to execute the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and to amend the budget accordingly.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 2.1 MAY 22, 2007

Your committee considered a request from the Legislative Subcommittee of Appropriations to support Senate Bills 410 and 411 amending Public Act 32 of 1986 entitled the “Emergency Telephone Service Enabling Act.”

The bills achieve parity for providers and a stable funding source for county 9-1-1 services while retaining funding and operational control at the local level. The bills allow for revenue neutrality and a lowering of county surcharges since the surcharge would be spread over all devices equally. The plan is recommended by the Emergency Telephone Service Commission and endorsed by the Michigan Association of Counties Judiciary Committee and Board of Directors.

We recommend the Saginaw County Board of Commissioners go on record in support of Senate Bills 410 and 411. Under the proper order of business, the appropriate resolution will be submitted.

We recommend the County Office of Community Corrections be authorized to submit the FY 2008 continuation grant application to the State and accept the grant, if awarded; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County subject to review by the Controller as to substance and Counsel as to legal form, and amend the budget accordingly.

Your committee considered communication no. 3-27-8 from Tittabawassee Township notifying the County of a proposed Ordinance creating an expanded district to the existing Downtown Development Authority District; and, communication no. 5-22-18 from the County of Saginaw Tax Increment Financing Staff Evaluation Committee forwarding their review.
In accordance with Saginaw County Policy #213 - Tax Increment Financing, the Staff Evaluation Committee met on May 8, 2007 to review whether the Board should be encouraged to voice approval or disapproval. Their recommendation is for the County to "opt out" of the proposed intention to amend the boundaries of the Downtown District in Tittabawassee Township, based on the criteria set forth in the policy.

Counties have sixty days from the time a public hearing is held to exempt its taxes from capture. The public hearing in Tittabawassee Township was held on April 10, 2007. It was noted that a decision to opt out can be revisited in the future.

We concur with the recommendation from the Tax Increment Financing Staff Evaluation Committee to "opt out" of the proposed amended boundaries of the Downtown Development Authority District in Tittabawassee Township. Under the proper order of business, the appropriate resolution will be submitted to accomplish same.

Your committee considered communication no. 5-22-4 from the Village of St. Charles notifying the County of a public hearing scheduled for May 9, 2007 to consider a resolution creating a Commercial Rehabilitation District.

Jim Totten, Director of Equalization, informed us that the County has 28 days from the receipt of a copy of the resolution establishing the Commercial Rehabilitation District to reject its establishment, that date being June 12, 2007. (communication no. 5-22-20)

The establishment of this district will cause the loss of County taxes inclusive of extra voted millages approved for other purposes and intended to benefit all citizens of Saginaw County.

Your committee considered communication 5-22-7 from Susan Kaltenbach, County Clerk asking to revise the fees for certified copies of vital records, marriage license waivers and notarized documents to recover the cost to provide the service. She also is requesting that a portion of the additional revenue be set aside in an Office Technology Fund to update record formats and microfilm court records.
The Clerk is proposing the following:
- Adjust the fee for the first certified copy of a vital record from $10 to $13 and the fee for additional copies of the same record from $4.00 to $5.00 (the statutory limit is $26); and, set aside $30,000 of the estimated $43,000 a year in additional revenue in a Special Office Technology Fund to update record formats and microfilm certain court records which could then be destroyed (to help alleviate storage problems);
- Adjust the fee for marriage license waivers from $5.00 to $10.00; and,
- Adjust the fee for notarizing documents from $2.00 to $3.00.

We concur with the Clerk's request and recommend approval of the revised fees for certified copies of vital records, marriage license waivers and notarized documents as submitted; further, authorize and direct the proper County officials to set up an Office Technology Fund for up to $30,000 in additional revenue to update record formats and microfilm certain court records.

Commissioner Ruth moved, supported by Commissioner Graham to approve same. The floor was open for debate. To address concerns she had with the cost of the service versus revenues estimated at $43,000 and the distribution thereof, Commissioner Doyle moved, supported by Commissioner Wurtzel to amend the report by reducing the fees to better reflect the estimated $30,000 in revenues proposed to be set aside in an Office Technology Fund and not the additional $13,000 that would return to the General Fund. After debate, the Chair asked the Clerk to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board. A record of how each member voted and the results of the vote are hereby entered in the minutes: 4 ayes - Basil, Doyle, Sholtz, Wurtzel; 11 nays - Hare, Braddock, Graham, Bartels, Novak, O'Hare, Krafft, Foxx, Woods, Ruth, Hadsall. Amendment to the motion failed. The Chair asked for a vote on the main motion. Carried with a nay vote recorded for Commissioner Basil.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.2

MAY 22, 2007

Your Budget Audit Subcommittee considered communication no. 5-22-8 from Marc A. McGill, Controller/CAO, submitting amendments to Saginaw County Policy #221 titled Specific Fund Balance Policy. (attached with deletions in strike-out; additions in bold).

The policy amendments reflect the recommendations from County Auditors Rehmann Robson included in their March 2007 Five-Year Financial Model and Cash Flow Analysis. The Five-Year report was previously reviewed by the Board at a Committee of the Whole meeting, placed on the County website, and shared with all Elected Officials, Judges, Department Heads and Agencies of the County.

In response to the auditor's report, the Controller drafted amendments to Policy #221. The revisions establish a Cash Flow Reserve Fund which requires 50% of the General Fund tax collections and a 5% Budget Stabilization Fund for emergencies and unexpected expenditures. The policy also makes changes to other specific fund balances. The attached schedule of the adjustments to reserves was reviewed and agreed upon by county departments.

We recommend the Board approve revised Policy #221 titled Fund Balance Policy; further, that the proper County officials be directed to distribute the policy to all Saginaw County Elected Officials, Department Heads, and Agencies of the County, and make the necessary changes to the Central Electronic File Repository for viewing on the County Board of Commissioners' web site, in accordance with County Policy.

Respectfully submitted,

COMMITTEE ON APPROPRIATIONS

Todd M. Hare, Chair
Timothy M. Novak, Vice-Chair

Commissioner Braddock moved, supported by Commissioner Graham to approve same. Commissioner Wurtzel asked the Controller what the effect would be if a 5% budget stabilization reserve were created as recommended in the report or if, instead, a 10% reserve was created as recommended by the auditors. In response, a 10% reserve would require the Board to make immediate cuts this summer for the next fiscal year; a 5% reserve would forestall the cuts and allow the Board time to work with Department Heads in making the anticipated 4 million dollars in cuts. Commissioner Wurtzel moved, supported by Commissioner Basil to implement a 10% "across the board" budget stabilization reserve. Upon conclusion of the debate, the Chair asked the Clerk to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board. A record of how each member voted and the results of the vote are hereby entered in the minutes: 5 ayes - Basil, Doyle, Bartels, Sholtz, Wurtzel; 10 nays - Braddock, Graham, Novak, O'Hare, Krafft, Foxx, Woods, Ruth, Hare, Hadsall. Amendment to the motion failed. The Chair asked for a vote on the main motion. Carried with nay votes recorded for Commissioners Basil and Wurtzel.

Subject: SPECIFIC FUND BALANCE POLICY

1. PURPOSE: The purpose of this financial policy is to establish levels of reserves within the various funds and fund types operated and maintained by the County of Saginaw. The levels of Fund Balance prescribed within this policy are designed to ensure adequate cash flow for operations, adequate reserves for contingency and emergency natures, and adequate funds for the perpetual continuation of the services provided by the operating funds of the County.
2. **AUTHORITY:** The authority to establish Fund Balance levels within the various funds and fund types lies with the Saginaw County Board of Commissioners.

3. **APPLICATION:** This policy applies to all operating funds of the County of Saginaw including the General Fund, all Special Revenue Funds, all Debt Service Funds, all Capital Project Funds, all Enterprise Funds, all Internal Service Funds and all Trust and Agency Funds.

4. **RESPONSIBILITY:** The Board of Commissioners shall be responsible for the adoption and amendment of this policy. The Controller/CAO shall be responsible for the implementation of this policy.

5. **DEFINITIONS:**
   
   5.1 General Fund: Used to account for all financial resources except those required to be accounted for in another fund.
   
   5.2 Special Revenue Funds: Used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.
   
   5.3 Capital Project Funds: Used to account for financial resources to be used for the acquisition or construction of major equipment and/or the maintenance or construction of capital facilities.
   
   5.4 Debt Service Funds: Used to account for the accumulation of resources required to meet and the payment of, general long-term debt principal and interest.
   
   5.5 Enterprise Funds: Used to account for services provided to the general public on a user charge basis and operating in a manner similar to private business enterprises. The intent of the Board of Commissioners is that the cost (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through fees.
   
   5.6 Internal Service Funds: Used to account for the financing of goods or services provided by one department or agency to another department or agency of the County of Saginaw, or to other governmental units, on a cost-reimbursement basis.
   
   5.7 Trust and Agency Funds: Used to account for assets held by the County of Saginaw in a trustee capacity or as an agent for individuals, private organizations, other governmental units and/or other funds. These include private-purpose, expendable trust funds, nonexpendable trust funds, pension trust funds and agency funds.
   
   5.8 **Cash Flow Reserve:** Funds required to meet the continuing financial needs in order to maintain a positive cash position in a fund. This is essential when revenue streams are inconsistent with expenditure streams due to tax collection dates beginning much later than fiscal years begin or when revenues are on a reimbursement basis.
   
   5.9 Fund Balance/Reserves: Designated portions of assets, which represent financial resources available to finance expenditures other than those tentatively planned.
   
   5.10 Restricted Fund Balance/Reserve: That portion of a fund balance/reserve which is restricted by law, agreement or encumbrance and must be maintained for its restricted purpose.
   
   5.11 Budget Stabilization: Designated portions of assets, which represent financial resources, dedicated to maintaining the long-term financial viability of a specific fund. These funds will be available for emergency and unforeseen measures such as the loss of a revenue stream or the increase in an expense area, or a combination of revenue losses and expenditure increases.
6. **POLICY:**

6.1 **GENERAL FUND** General Fund: The General Fund shall establish a Cash Flow Reserve with a minimum amount of 5% (five percent) and a maximum amount of 7% (seven percent) of the most current Board Approved General Fund Budget. In addition to the Cash Flow Reserve, a Budget Stabilization Reserve will be created with a minimum balance of 10% (ten percent) and a maximum balance of 15% (fifteen percent) of the most current BoardApproved General Fund Budget. The total of the two Reserves shall not exceed 20% (twenty percent) of the most current Board Approved General Fund Budget.

6.1.1 *Cash Flow Reserve:* The General Fund shall establish a Cash Flow Reserve with a minimum amount of 50% (fifty percent) of the most current Board Approved General Fund Budget for tax collections. This level of Cash Flow Reserve is required in the General Fund as tax revenues are not receipted until the 11th and 12th month of the fiscal year. The County fiscal year starts on October 1; tax revenues are levied on the following July 1 and due September 15. The County by law can only borrow tax anticipation notes up to a level of 50% of tax collections, thus the minimum cash flow reserve is required to be the other 50% of tax collections. With the fiscal year now ending on September 30, it is mandatory to establish a Reserve for Advance Tax Collections. The amount for this Reserve shall be 25% (twenty five percent) of the upcoming year’s budgeted tax collections.

6.1.2 **Budget Stabilization Reserve:** In addition to the Cash Flow Reserve, a Budget Stabilization Reserve will be created with a minimum balance of 5% (five percent) of the most current Board Approved General Fund Budget. The County’s audit firm recommends as a minimum 10% of operating expenditures as a means to address unforeseen and unanticipated events. It is also the policy that the General Fund shall gradually reduce or eliminate advances to other funds (except the Delinquent Tax Revolving Fund) in future years and make each dependent fund self-sufficient when possible. The establishment or increase of an existing advance from the General Fund to any other fund or entity must be approved by the Board of Commissioners.

6.2 **SPECIAL REVENUE FUNDS** Special Revenue Funds:

Each Special Revenue Fund is to be evaluated annually to ascertain if the revenue or fund balances have been restricted by State statute, ordinance, resolution or contract. If the fund balance has been restricted, the specific fund will retain that restricted or earmarked amount. However, if unrestricted, the entire remaining balance will revert to the General Fund at year-end except for the reserves specifically identified in subsequent sections of this policy.

6.2.1 Each Special Revenue Fund is to be evaluated annually to ascertain if the revenue or fund balances have been restricted by State statute, ordinance, resolution, or contract. If the fund balance has been restricted, the specific fund will retain that restricted or earmarked amount. However, if unrestricted, the entire remaining balance will revert to the General Fund at year-end. Those funds receiving Federal Medicaid revenue as the principal source of funding shall retain up to a maximum of six months of the fund’s accounts receivable balance as reserved. This reserve is to provide financial protection in the event
Medicaid funding is reduced retroactively. This reserve will then function as transitional funding until permanent replacement funding is secured.

6.2.2 In the event that a Special Revenue Fund has an insufficient fund balance to cover its minimum reserves in accordance with this policy, that fund’s operations are mandated to initiate the appropriate budget reductions during the ensuing year in an amount that will achieve the minimum reserves during the ensuing year. Those funds receiving dedicated millage to finance operations, currently Parks and Recreation, Mosquito Control, Castle Museum, Aging Services and Law Enforcement, shall retain a Reserve for Advance Tax Collections (RATC). The amount of this RATC shall be determined based on the nature of the service performed. The RATC will be set at 25% (twenty-five percent) of the upcoming year’s budgeted tax collections for the funds which operate on an annually consistent spending cycle, e.g., Castle Museum, Aging Services and Law Enforcement.

6.2.3 Aging Services shall also establish a Cash Flow Reserve with a minimum amount of 3% (three percent) and a maximum amount of 5% (five percent) of the most recently approved Aging Services Budget. A Budget Stabilization Reserve of a minimum of 5% (five percent) and a maximum of 8% (eight percent) of the most recently approved budget shall be reserved. Additionally, a Reserve for Capital Outlay/Equipment Replacement of a minimum of 1% (one percent) and a maximum of 5% (five percent) of the most recently approved budget will be established. The total reserved fund balance in the Aging Services Fund shall not exceed 18% (eighteen percent), exclusive of the RATC, of the most recently-approved budget.

6.2.4 The two unique millage supported Special Revenue Funds are Parks and Recreation and Mosquito Control. Due to the cyclical nature of these operations, the majority of their annual cost will be incurred by September 30 and the amount of their Reserve for Advance Tax Collections will be established at 12 1/2% (twelve and one-half percent) of the most recently approved budgeted tax collections.

6.2.5 Mosquito Control shall also establish Reserves for Cash Flow, a maximum amount of 7 1/2% (seven and one-half percent); Budget Stabilization, a maximum of 5% (five percent); and Capital Outlay/Equipment Replacement, a maximum amount of 5% (five percent) of the most recently-approved budget. The total combination of the reserves shall not exceed 30% (thirty percent) of Mosquito Control’s most currently approved budget.

6.2.6 Parks and Recreation shall also establish Reserves for Cash Flow, a maximum of 20% (twenty percent); Budget Stabilization, a maximum amount of 10% (ten percent); and Capital Outlay/Equipment Replacement, a maximum of 25% (twenty-five percent) of the most recently-approved budget. The total combination of the reserve shall not exceed 67 1/2% (sixty-seven and one-half percent) of the most currently-approved budget.
6.2.7 State Revenue Sharing Fund: This fund shall carry no reserves. Any reserves that may accumulate at year end shall be transferred to the General Fund.

6.2.8 In the event that a Special Revenue Fund has an insufficient fund balance to cover its minimum reserves in accordance with this policy, that fund's operations are mandated to initiate the appropriate budget reductions during the current year in an amount that will achieve the minimum reserves during the current year.

6.3 DEDICATED MILLAGE FUNDS

6.3.1 Mosquito Control Fund: The Mosquito Control Fund will carry a Cash Flow Reserve of 12.5% (twelve and one-half percent) of the most recently approved budgeted tax collections. The Mosquito Control Fund will also carry a Budget Stabilization Reserve at a minimum of 5% (five percent) of the most current Board Approved Budget.

6.3.2 Parks Fund: The Parks Fund will carry a Cash Flow Reserve of 12.5% (twelve and one-half percent) of the most recently approved budget tax collections. 6.3.4 Commission on Aging Fund: The Commission on Aging Fund will establish a Cash Flow Reserve of 25% (twenty five percent) of the most recently approved budgeted tax collections. The Commission on Aging will carry a Budget Stabilization Reserve at a minimum of 5% (five percent) of the most recently approved budget.

6.3.5 Castle Museum Fund: The Castle Museum Fund will establish a Cash Flow Reserve of 25% (twenty five percent) of the most recently approved budgeted tax collections.
6.4 DEBT SERVICE FUND: Debt Service Funds shall maintain all cash and investments in the specific fund until the bonds and interest are paid in full. Should there be a residual amount within the fund when the bonds are paid in full, such amount will be transferred to the Public Improvement Fund or to the fund or funding entity from which the primary source of financing those bonds originated from.

6.3 Debt Service Funds: These funds shall maintain all cash and investments in the specific fund until the bonds and interest are paid in full. Should there be a residual amount within the fund when the bonds are paid in full, such amount will be transferred to the Public Improvement Fund or to the fund or funding entity from which the primary source of financing those bonds originated from.

6.3.1 Debt Service Funds deriving their revenues from the General Fund or General Fund supported Activity shall carry as reserved an amount at least equal to the next year’s anticipated principal and interest payments. This additional one-year reserve shall provide for adequate time to determine alternative funding should the primary (original) designated funding source be reduced or eliminated.

6.5 CAPITAL PROJECT FUNDS: Capital Project Funds’ entire reserves shall be restricted for the specific purpose or project they were established for, usually by contract, resolution or both. Any residual reserves in these funds after completion of the project will first be transferred to the associated Debt Service Fund if one has been established, or secondly, transferred to the original funding source as provided by contract, agreement or resolution. Any residual reserve not required to be transferred to a Debt Service Fund or to the original funding source shall be transferred to the General Public Improvement Fund.

6.4 Capital Project Funds: These funds’ entire reserves shall be restricted for the specific purpose or project they were established for, usually by contract, resolution or both. Any residual reserves in these funds after completion of the project will first be transferred to the associated Debt Service Fund if one has been established, or secondly, transferred to the original funding source as provided by contract, agreement or resolution. Any residual reserve not required to be transferred to a Debt Service Fund or to the original funding source shall be transferred to the Public Improvement Fund.

6.6 ENTERPRISE FUNDS: All Enterprise Fund Balances should remain in each individual Enterprise Fund. In the event any Enterprise Fund is dissolved then any remaining amount of reserves shall be transferred to the General Fund unless not legally permitted. In the event that the transfer to the General Fund is not legally permitted, then those remaining reserves shall be transferred as legally required or as stipulated by general legal counsel.

6.6.1 County Event Center: The County Event Center will carry a Cash Flow Reserve of 25% (twenty five percent) of annual operating expenses of the most recently approved budgeted tax collections.

6.5 Enterprise Funds: All Enterprise Fund Balances should remain in each individual Enterprise Fund. In the event that the transfer to the General Fund is not legally permitted, then those remaining reserves shall be transferred as legally required or as stipulated by general legal counsel.
6.5.1 Parking System Fund: This fund was created February 27, 1990 by the Saginaw County Board of Commissioners with the intent that it be a self-supporting fund. The fund is to be used for maintenance and improvement of the parking lots. Excess reserves at the end of each fiscal year shall be transferred to the General Fund.

6.5.2 Inmate Services Fund: This fund provides concessions, telephone and television services for inmates at a reasonable cost. It shall carry a reserved cash flow operating reserve of $25,000. Any amounts in excess of this reserve at the end of each fiscal year shall be transferred to the Public Improvement Fund and restricted for exclusive use by the Sheriff's Department.

6.7 INTERNAL SERVICE FUNDS: Each Internal Service Fund should be reviewed annually to determine the available amount which can be returned to the General Fund. If it is determined that the residual reserves are excessive, future charges for services should be adjusted accordingly.

6.7.1 Delinquent Tax Revolving Fund: Due to the significant size and restricted mechanics of this fund, the Board of Commissioners has adopted a separate policy for the operations and reserve balances of this fund.

6.7.2 Employee Benefit Fund and Risk Management Fund: These funds accumulate cost from all of the County's Funds and Activities in order to provide centralized efficient benefits and coverages to the County. The minimum reserves maintained within these Funds shall be as follows:

At an April 24 Committee of the Whole meeting, the Board reviewed the Five-Year Financial Model and Cash Flow Analysis Report with John Kaczor, a Government Consultant with County Auditors Rehmann Robson. The report summarizes the information used to develop future forecasts, the findings related to the analysis and options for moving forward. It is updated annually to assist with the budget process.

To ensure long-term financial stability, the report advises the County to reduce its operating expenditures no later than FY 2009. After Mr. Kaczor's presentation, the Controller distributed a draft general fund reduction process which, after discussion, was forwarded to your Budget Audit Subcommittee.

To provide time for county departments to prepare for making significant budget reductions, to work together to review our options, and to reach some kind of consensus on the cuts, we recommend that the Board formalize the 2009 budget process at this time by adopting the attached Budget Calendar for the Fiscal Year 2009 Operating Budget and Capital Improvement Plan for Fiscal Years 2009-2013 with the understanding that if deemed necessary it can revised at a later date; further, that the proper County Officials be directed to implement same.

Respectfully submitted,

COMMITTEE ON APPROPRIATIONS
Todd M. Hare, Chair
Timothy M. Novak, Vice-Chair

By Commissioner Braddock: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

September  
An Operating Budget and a Capital Improvement Plan are adopted at the Board session.
FROM: EXECUTIVE COMMITTEE -- 6.1

This year's Comprehensive Annual Financial Report as accepted by the Board on March 27 Session, included a Management Letter that presented five findings or recommendations to strengthen internal controls and improve operating efficiencies. One of the recommendations is that mileage reimbursement paid to employees and officials traveling to or from their home to the workplace be reported as taxable income. Subsequently, the recommendation was implemented by the Controller's Office.

Although reimbursement for mileage is not mentioned in the Saginaw County Officers Compensation Commission report setting 2007 and 2008 compensation levels for elected county officials, the practice of reimbursing commissioners mileage is common throughout the State in virtually all other counties.

At the May 15 meeting of your Executive Committee, the Board Chair and Vice Chair, Appropriations Committee Chair, Standing Committee Chairs and member of the minority party considered the elimination of in-county mileage for County commissioners. The committee would like their action to serve as a sign of the Board's intent to review its budget as well as all other County budgets in making reductions, both large and small, now and in the future.

We recommend that the practice of compensating commissioners for in-county mileage be eliminated and the proper County officials authorized and directed to amend the Board's Budget to reflect the reduction effective immediately.

Respectfully submitted,

EXECUTIVE COMMITTEE
Cheryl M. Hadsall, Chair
James M. Graham, Vice-Chair

By Commissioner Hadsall: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

The County agrees to indemnify and save the bond registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner. Principal and interest are payable in lawful money of the United States of America and shall be paid by check or draft mailed to the Registered Owner at the address shown on the Registration Grid.

This bond is one of a series of bonds aggregating the principal sum of $______________ Dollars ($__________) issued by the County under and pursuant to and in full conformity with the Constitution and Statutes of Michigan (especially Act No. 185, Public Acts of 1957, as amended) and a bond authorizing resolution adopted by the Board of Commissioners of the County (the “Resolution”) for the purpose of defraying part of the cost of acquiring and constructing sewage disposal system improvements to serve the Village of Oakley (the “Village”). The bonds of this series are issued in anticipation of payments to be made by the Village in the aggregate principal amount of $______________ Dollars ($__________) pursuant to a contract between the County and the Village. The full faith and credit of the Village have been pledged to the prompt payment of the foregoing amount and the interest thereon as the same become due. END OF BOND FORM
10. **SECURITY.** The Bonds shall be issued in anticipation of payments to be made by the Village pursuant to the Contract. The Bonds shall be secured primarily by the full faith and credit pledge made by the Village in the Contract pursuant to the authorization contained in Act 185. As additional and secondary security the full faith and credit of the County are pledged for the prompt payment of the principal of and interest on the bonds as the same shall become due. If the Village shall fail to make payments to the County pursuant to the Contract which are sufficient to pay the principal of and interest on the Bonds as the same shall become due, then an amount sufficient to pay the deficiency shall be advanced from the general fund of the County. Taxes imposed by the County shall be subject to constitutional limitations.

11. **PRINCIPAL AND INTEREST FUND; CAPITALIZED INTEREST.** There shall be established for the Bonds a Principal and Interest Fund which shall be kept in a separate bank account. All payments received from the Village pursuant to the Contract are pledged for payment of the principal of and interest on the Bonds and expenses incidental thereto and as received shall be placed in the Principal and Interest Fund.

12. **CONSTRUCTION FUND.** The remainder of the proceeds of the sale of the bonds shall be set aside in a construction fund for the Project and used to acquire and construct the Project in accordance with the provisions of the Contract, which shall include the payment of the principal of and interest on the Notes.

13. **REPAIR, REPLACEMENT AND IMPROVEMENT FUND.** There shall be established for the Project a Repair, Replacement and Improvement Fund. Annually, the County shall cause the Village to deposit in the Repair, Replacement and Improvement Fund the sum of $3,100. Moneys deposited in the Repair, Replacement and Improvement Fund may be withdrawn to pay the cost of emergency maintenance of the Project, extensions to Project facilities and replacement of Project assets having useful lives ending prior to the final maturity of the Bonds.

14. **SALE, ISSUANCE, DELIVERY, TRANSFER AND EXCHANGE OF BONDS.** The Bonds shall be sold to and registered in the name of the United States of America acting through the United States Department of Agriculture, Rural Development ("Rural Development") in furtherance of Rural Development's program to provide low-interest rate, long-term loans for eligible projects (the "Program"). This Board of Commissioners hereby determines that the Program and the delivery of the Bonds directly to the United States of America as provided in this resolution will provide the County and the Village with the lowest cost of borrowing money for the Project. The Public Works Commissioner, the County Clerk, the County Treasurer and other officers and employees of the County are each authorized to do all things necessary to effectuate the sale, issuance, delivery, transfer and exchange of the Bonds in accordance with the provisions of this resolution.

15. **TAX COVENANT.** The County covenants to comply with all requirements of the Internal Revenue Code of 1986, as amended, necessary to assure that the interest on the bonds will be and will remain excludable from gross income for federal income tax purposes. The Public Works Commissioner and other appropriate County officials are authorized to do all things necessary to assure that the interest on the bonds will be and will remain excludable from gross income for federal income tax purposes.

16. **QUALIFIED TAX EXEMPT OBLIGATIONS.** The bonds are hereby designated as Qualified Tax Exempt Obligations as described in Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.
17. **COVENANT AS TO DEFEASANCE.** The County covenants that it will not defease this resolution with respect to the Bonds so long as registered owner of the Bonds is the United States of America or an agency or department thereof.

18. **CONFLICTING RESOLUTIONS.** All resolutions and parts of resolutions insofar as they may be in conflict herewith are hereby rescinded.

A RESOLUTION OF THE Board of Commissioners
OF THE County of Saginaw

AUTHORIZING AND PROVIDING FOR THE INCURRENCE OF INDEBTEDNESS FOR THE PURPOSE OF PROVIDING A PORTION OF THE COST OF ACQUIRING, CONSTRUCTING, ENLARGING, IMPROVING, AND/OR EXTENDING ITS Oakley Sewer System FACILITY TO SERVE AN AREA LAWFULLY WITHIN ITS JURISDICTION TO SERVE.

WHEREAS, it is necessary for the County of Saginaw (Public Body) (herein after called Association) to raise a portion of the cost of such undertaking by issuance of its bonds in the principal amount of

**ONE MILLION SIX HUNDRED FIFTY THREE DOLLARS AND XX / 100 DOLLARS**
($1,653,000.00)

pursuant to the provisions of Applicable State Statutes; and
WHEREAS, the Association intends to obtain assistance from the United States Department of Agriculture, (herein called the Government) acting under the provisions of the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) in the planning, financing, and supervision of such undertaking and the purchasing of bonds lawfully issued, in the event that no other acceptable purchaser for such bonds is found by the Association;

NOW THEREFORE, in consideration of the premises the Association hereby resolves:

1. To have prepared on its behalf and to adopt an ordinance or resolution for the issuance of its bonds containing such items and in such forms as are required by State statutes and as are agreeable and acceptable to the Government.

2. To refinance the unpaid balance, in whole or in part, of its bonds upon the request of the Government if at any time it shall appear to the Government that the Association is able to refinance its bonds by obtaining a loan for such purposes from responsible cooperative or private sources at reasonable rates and terms for loans for similar purposes and periods of time as required by section 333(c) of said Consolidated Farm and Rural Development Act (7 U.S.C. 1983(c)).

3. To provide for, execute, and comply with Form RD 400-4, "Assurance Agreement," and Form RD 400-1, "Equal Opportunity Agreement," including an "Equal Opportunity Clause," which clause is to be incorporated in, or attached as a rider to, each construction contract and subcontract involving in excess of $10,000.

4. To indemnify the Government for any payments made or losses suffered by the Government on behalf of the Association. Such indemnification shall be payable from the same source of funds pledged to pay the bonds or any other legally permissible source.

5. That upon default in the payments of any principal and accrued interest on the bonds or in the performance of any covenant or agreement contained herein or in the instruments incident to making or insuring the loan, the Government at its option may (a) declare the entire principal amount then outstanding and accrued interest immediately due and payable, (b) for the account of the Association (payable from the source of funds pledged to pay the bonds or any other legally permissible source), incur and pay reasonable expenses for repair, maintenance, and operation of the facility and such other reasonable expenses as may be necessary to cure the cause of default, and/or (c) take possession of the facility, repair, maintain, and operate or rent it. Default under the provisions of this resolution or any instrument incident to the making or insuring of the loan may be construed by the Government to constitute default under any other instrument held by the Government and executed or assumed by the Association, and default under any such instrument may be construed by the Government to constitute default hereunder.

6. Not to sell, transfer, lease, or otherwise encumber the facility or any portion thereof, or interest therein, or permit others to do so, without the prior written consent of the Government.

7. Not to defease the bonds, or to borrow money, enter into any contractor agreement, or otherwise incur any liabilities for any purpose in connection with the facility (exclusive of normal maintenance) without the prior written consent of the Government if such undertaking would involve the source of funds pledged to pay the bonds.

8. To place the proceeds of the bonds on deposit in an account and in a manner approved by the Government. Funds may be deposited in institutions insured by the State or Federal Government or invested in readily marketable securities backed by the full faith and credit of the United States. Any income from these accounts will be considered as revenues of the system.

9. To comply with all applicable State and Federal laws and regulations and to continually operate and maintain the facility in good condition.

10. To provide for the receipt of adequate revenues to meet the requirements of debt service, operation and maintenance, and the establishment of adequate reserves. Revenue accumulated over and above that needed to pay operating and maintenance, debt service and reserves may only be retained or used to make prepayments on the loan. Revenue cannot be used to pay any expenses which are not directly incurred for the facility financed by USDA. No free service or use of the facility will be permitted.

11. To acquire and maintain such insurance and fidelity bond coverage as may be required by the Government.

12. To establish and maintain such books and records relating to the operation of the facility and its financial affairs and to provide for required audit thereof as required by the Government, to provide the Government a copy of each such audit without its request, and to forward to the Government such additional information and reports as it may from time to time require.

13. To provide the Government at all reasonable times access to all books and records relating to the facility and access to the property of the system so that the Government may ascertain that the Association is complying with the provisions hereof and of the instruments incident to the making or insuring of the loan.

14. That if the Government requires that a reserve account be established, disbursements from that account(s) may be used when necessary for payments due on the bond if sufficient funds are not otherwise available and prior approval of the Government is obtained. Also, with the prior written approval of the Government, funds may be withdrawn and used for such things as emergency maintenance, extensions to facilities and replacement of short lived assets.

15. To provide adequate service to all persons within the service area who can feasibly and legally be served and to obtain USDA’s concurrence prior to refusing new or adequate services to such persons. Upon failure to provide services which are feasible and legal, such person shall have a direct right of action against the Association or public body.
16. To comply with the measures identified in the Government's environmental impact analysis for this facility for the purpose of avoiding or reducing the adverse environmental impacts of the facility's construction or operation.

17. To accept a grant in an amount not to exceed $2,116,000.00 under the terms offered by the Government; that the Chairperson and Treasurer of the Association are hereby authorized and empowered to take all action necessary or appropriate in the execution of all written instruments as may be required in regard to or as evidence of such grant; and to operate the facility under the terms offered in said grant agreement(s).

The provisions hereof and the provisions of all instruments incident to the making or the insuring of the loan, unless otherwise specifically provided by the terms of such instrument, shall be binding upon the Association as long as the bonds are held or insured by the Government or assignee. The provisions of sections 6 through 17 hereof may be provided for in more specific detail in the bond resolution or ordinance; to the extent that the provisions contained in such bond resolution or ordinance should be found to be inconsistent with the provisions hereof, these provisions shall be construed as controlling between the Association and the Government or assignee.

APPOINTMENTS
Brownfield Redevelopment Authority (term expires December 31, 2008): Tom Miller, Sr.

ANNOUNCEMENTS BY THE CHAIR
The Chair referenced a letter she received from retiring employee Peggy Malone (included in the May minutes, below). Ms. Malone wanted the commissioners and controller to know how very much she appreciated being employed by Saginaw County in the Friend of the Court's Office and that without it her family could not have survived economically. A resolution recognizing her years of service with the County will be presented at the June Session.

May 5, 2007
Commissioner Cheryl Hadsall, Board Chair
111 S. Michigan Avenue
Saginaw, MI 48602
Dear Commissioner Hadsall,

As my impending retirement approaches (June 1, 2007), I wanted to let you and the commissioners, Controller and others know how much I have appreciated being employed by the County of Saginaw. On August 4, 1986, I began an almost 21 year career at the Friend of the Court office. During those twenty plus years the Friend of the Court office has had to implement many new computer programs, the most recent being Mi-CSES and the most challenging. But I want to make clear that I truly appreciated my position and without it my family could not have economically survived. I am looking forward to having a few years off with my grandchildren and then perhaps seeking employment in another area. Since my husband and I farm, I will continue to be busy with day to day operations. I wish the County of Saginaw the best especially since we may be experiencing budget shortfalls and potential layoffs. Again, I thank you for the opportunity to work for Saginaw County.
Sincerely,
Peggy Malone

INITIATORY MOTIONS

Chair announced the next order of business is Initiatory Motions.

Commissioner Sholtz moved, supported by Commissioner Basil that all motor vehicles owned and operated by Saginaw County be identified with the Saginaw County seal or other Saginaw County departmental marking located on the driver and passenger doors; further, that the only exception to this policy be for vehicles operated exclusively by Saginaw County Sheriff Department detectives and undercover personnel.

During discussion Commissioner Hare asked the maker of the motion if he objected to it being referred to committee for study. Commissioner Sholtz did not object to this being part of his original motion nor did Commissioner Basil who supported it.

The Chair pointed out a 2/3rds majority vote was required for passage. The Clerk was asked to take a vote by roll call in accordance with Section 4.5 of the Rules of the Board. Motion carried unanimously. The Chair referred it to the County Services Committee and asked that members be provided with a copy of Vehicle Assignment Policy #421 and a list of unmarked vehicles.

Commissioner Bartels moved, supported by Commissioner Wurtzel to adopt a resolution urging state lawmakers to vote against a tax increase designed to replenish the state’s declining revenue stream and increase “investments," and instead focus on government reforms that will reduce spending to balance the state’s budget. (a copy of the proposed resolution was laid on commissioners’ desks)

After debate by the body, the Chair pointed out a 2/3rds majority vote was required for passage. REPORTS OF REGULAR COMMITTEES
FROM: COMMITTEE ON HUMAN SERVICES -- 2.1       JUNE 19, 2007
Your committee considered communication no. 6-19-1 from Randy Barst, Director, Saginaw
County Department of Human Services (DHS) submitting a supplemental funding request for the
DHS County Child Care Fund Budget (CCCF) for 2007.
We met with Mr. Barst who informed us this request is for an additional appropriation of $282,500,
of which the State DHS will reimburse Saginaw County 50% ($141,250). The current County
approved CCCF Budget is $499,300. If the supplemental amount is approved, it would bring
Saginaw County’s total budget to $781,800. ($390,900 County cost)
There are three primary reasons for the rising CCCF costs:
   ▪ Increase in number of children ineligible for Federal/State Title IVE payment. In FY 2007,
     98 separate foster children have been CCCF eligible, compared to 23 in FY 2000.
   ▪ Increase in number of children with serious emotional/mental health needs requiring high
     cost institutional care. In FY 2007, Saginaw County averaged 8-10 children in institutional
     care, twice the average of previous years.
   ▪ Increase in number of dual wards (neglect-delinquency) where parents refuse to provide
     care after the delinquency case is closed.

We recommend approval of the request from the Saginaw County Department of Human
Services for supplemental funding in the amount of $282,500 for the 2007 CCCF Budget with
50% of the cost ($141,250) to come from the unappropriated fund balance of the General Fund;
further, that the proper County officials be authorized and directed to amend the budget
accordingly.
Respectfully submitted,

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1  JUNE 19, 2007

Your committee considered communication no. 5-22-15 from Sheriff Charles Brown requesting approval of the 2007-2011 U.S. Department of Justice Assistance Grant (JAG) in joint application with the Saginaw City Police Department. A public hearing was held at the Courts & Public Safety Committee meeting on June 6, 2007 to provide the public with the opportunity to comment.

We met with Sheriff Brown who informed us that, as in the past, the Sheriff Department would serve as the fiduciary and program manager for this funding initiative. The County’s allotment would be used to support expenses associated with maintaining an entry level Deputy position along with the Sheriff’s Office commitment to the maintenance of the Area Records Management System (ARMS). The City Police Department would use their portion to support overtime (non-funded) expenses for officers deployed to suppress gang related activities and to pay their share of ARMS maintenance. Both entities would divide the $201,377 grant ($100,688.50 each) for fiscal years 2007-2011. There is no local match required.

It is our recommendation that the Sheriff Department accept the 2007-2011 Justice Assistance Grant (JAG) in the amount of $201,377. We further recommend the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Counsel as to legal form, and to amend the budget accordingly.

Respectfully submitted,

COMMITTEE ON COURTS & PUBLIC SAFETY
Timothy M. Novak, Chair            Todd M. Hare, Vice-Chair
Thomas A. Basil                   Ann M. Doyle
Eddie F. Foxx                     Cheryl M. Hadsall

APPROPRIATIONS AUTHORIZATION: It is the recommendation of your committee to concur with the above.

Todd M. Hare, Chair
Timothy M. Novak, Vice-Chair

By Commissioner Novak: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.2  JUNE 19, 2007

Your committee considered communication no. 6-19-9 from Sheriff Charles Brown asking to replace the worn out servers that facilitate the functioning of the camera system in the Jail. Sheriff Brown informed us the current servers are eight years old and have reached the end of their service life. As a result, these current servers are breaking down on a regular basis, causing an increase in repair expense and the periodic loss of camera function in portions of the Jail. This creates a safety issue for the Jail staff and inmates, and raises the liability concerns for the County. The approximate cost to upgrade is $89,000; no general fund monies will be used.

We recommend approval of the request from the Sheriff Department to make the needed upgrades to the current camera system with the cost to come from the Sheriff’s balance within the Public Improvement Fund; further, that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County.

Respectfully submitted,

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.3 JUNE 19, 2007
Your committee considered communication no. 6-19-3 from Judge Faye M. Harrison, Tenth Judicial Circuit of Michigan Family Division asking to delete a vacant position of Court Recorder, J06W and allocate a new position of Deputy Register/Courtroom, J05W.
This adjustment is due to a reduction in the certification requirements which now allow the general duties of a court recorder to be performed by a deputy register. The change will result in a reduction to the general fund. It is an existing position and factoring is not required.
It is our recommendation to approve the request from the Tenth Judicial Circuit of Michigan Family Division to delete a vacant position of Court Recorder, J06W and allocate a new position of Deputy Register/Courtroom, J05W; further, that the proper County officials be authorized and directed to make the necessary adjustment to the personnel complement and amend the budget accordingly.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.4 JUNE 19, 2007
Your committee considered communication no. 6-19-11 from Barbara Beeckman, Deputy Court Administrator, Tenth Judicial Circuit of Michigan Family Division submitting a supplemental funding request for the Family Court Division Child Care Fund Budget for FY 2007.
We met with Ms. Beeckman to discuss the costs associated with housing juveniles. The expenditures for State and private institutions are in jeopardy of exceeding the funds originally allocated. An additional amount of $165,000 is needed to continue funding the temporary court wards and Act 150 wards for the remainder of FY 2007. There are approximately 133 of these children in care.
We recommend approval of the request from the Tenth Judicial Circuit of Michigan Family Division for supplemental funding in the amount of $165,000 for the 2007 Child Care Fund Budget with the cost to come from the unappropriated fund balance of the General Fund; further, that the proper County officials be authorized and directed to amend the budget accordingly.

COUNTY OF SAGINAW
SPECIAL RESOLUTION TO THE EAGLE SCOUT
Presented to:
ROBERT PETERS
Achieving the rank of Eagle Scout carries special significance.
It is a performance-based award, having standards that have been well maintained over the years.
Only 5.0 percent of all boy scouts fulfill the requirements needed to achieve this status.

WHEREAS, It is a distinct privilege to extend congratulations to Robert Peters, as he is presented with the highest honor bestowed on a Boy Scout, the prestigious Eagle Award. This achievement signifies qualities that are much admired by his peers as well as the residents of Saginaw County; and,

WHEREAS, Through his affiliation with Boy Scout Troop #205, Robert has taken full advantage of the opportunities for personal growth that have made the Boy Scouts of America one of the most universally respected organizations in our Country. Like those before him, Eagle Scout Peters has displayed unselfishness and eagerness to accept responsibility; and,

WHEREAS, Robert has followed Boy Scout tradition through the positions he has held with his troop, his participation in civic activities, and the completion of his Eagle service project to paint the Old Township Hall and the Donna Lamb Gazebo located in the Bridgeport Township Historical Village. He raised money on his own for some of the paint and tools and persuaded Lowe's to donate the rest of the paint and brushes; and,

WHEREAS, The famed Boy Scouts' motto, "Be Prepared," appropriately describes Robert in his new role as an Eagle Scout. He has clearly learned the valuable lessons that scouting strives to teach, such as working hard, accepting responsibility, showing concern for others and providing leadership. Robert is the son of Frank Peters and Sara Ewell and the grandson of Donna Peters.

NOW, THEREFORE, BE IT RESOLVED, That the Saginaw County Board of Commissioners take special pride in acknowledging Robert Peters for achieving the rank of Eagle Scout. We are very proud of this young man, and are pleased he is a part of this community. We wish him continued success in all his future endeavors.

BE IT FURTHER RESOLVED, That this expression of recognition be spread upon the minutes of the August 21 meeting as a permanent record and duly inscribed upon parchment and presented to him.

Respectfully submitted, SAGINAW COUNTY BOARD OF COMMISSIONERS

FROM: COMMITTEE ON COUNTY SERVICES – 2.2 AUGUST 21, 2007
Your committee considered communication no. 6-19-6 from Marc A. McGill, Controller/CAO forwarding a notice of public hearing from the Village of Birch Run on a proposed Ordinance to expand the boundaries of their existing Downtown Development Authority District to include additional parcels.
In accordance with Saginaw County Policy #213 - Tax Increment Financing, the Staff Evaluation Committee met on August 7, 2007 to review whether the Board should be encouraged to voice approval or disapproval. Their recommendation included in communication no. 8-21-28 is for the County to "opt out" of the proposed intention to amend the boundaries of the Downtown Development District in the Village of Birch Run based on the criteria set forth in the policy.
Counties have sixty days from the time a public hearing is held to exempt its taxes from capture. The public hearing in the Village of Birch Run was held on June 25, 2007. It was noted that a decision to opt out can be revisited in the future.
We concur with the recommendation from the Tax Increment Financing Staff Evaluation Committee to "opt out" of the proposed Ordinance to expand the boundaries of the existing Downtown Development Authority District in the Village of Birch Run. Under the proper order of business, the appropriate resolution will be submitted to accomplish same.

We met with Mr. Schmude who informed us the amendments are required by the Department of Natural Resources to maintain Saginaw County’s eligibility for State and Federal grant programs. A public meeting was held on May 14 at the Governmental Center to give residents of the County the opportunity to comment.

FROM: COMMITTEE ON HUMAN SERVICES -- 3.2  AUGUST 21, 2007

Your committee considered communication no. 8-21-10 from Karen M. Courneya, Director, Saginaw County Commission on Aging submitting a summary of their FY 2008 application for State and Federal funds through the Region VII Area Agency on Aging for service programs to persons age 60 and older in Saginaw County.

The funding application in the amount of $742,161 includes the following services: Case Coordination and Support, Senior Center Staffing, Senior Center Operations, Congregate Nutrition, Home Delivered Meals, Care Giver Support, Minority Outreach, Minority Senior Center Staffing and Minority Transportation. The 10% local match requirement will be either a cash match using millage funds, in-kind goods or services, or a combination thereof.

It is our recommendation to endorse the FY 2008 application submitted by the Saginaw County Commission on Aging for funding of service programs through the Region VII Area Agency on Aging, and authorize acceptance of the award for inclusion in the Commission on Aging 2008 Budget; further, that the proper County officials be authorized and directed to sign the necessary documents on behalf of the County, subject to review by the Controller as to substance and Counsel as to legal form.

Your committee considered communication no. 8-21-16 from Karen M. Courneya, Director, Saginaw County Commission on Aging asking to make the following personnel adjustments:

- Delete a full-time position of Cook
- Allocate a new part-time position of Cook’s Helper Floater
- Allocate a new full-time position of Food Service Supervisor

Ms. Courneya informed us the changes will allow the food service program to operate more efficiently. The additional cost of $15,000 to implement the personnel adjustments will be paid with Commission on Aging millage funds. No additional County dollars are needed.

It is our recommendation to approve the staff changes as requested by the Commission on Aging subject to factoring evaluation of the Food Service Supervisor position through the Labor Relations Subcommittee; further, that the proper County officials be authorized and directed to make the necessary adjustments to the personnel complement for inclusion in the 2008 County budget.

FROM: COMMITTEE ON APPROPRIATIONS – 4.2  AUGUST 21, 2007
Your Budget Audit Subcommittee considered communication no. 6-19-7 from Marvin D. Hare, Saginaw County Treasurer, submitting amendments to the Delinquent Tax Revolving Fund Policy #222, Sections 1.3, 6.1.1, 6.1.2.1, 6.1.3, and 6.3.1. (attached with deletions in strike-out; additions in bold).
Changes in Policy #222 as well as previously approved changes in the Specific Fund Balance Policy #221 are consistent with recommendations included in the Comprehensive Annual Financial Report for FY ended September 30, 2006 and the Five Financial Model and Cash Flow Analysis dated March 2007. The Auditors recommended these policies be updated to reflect the current economic situation faced by the County.
The Treasurer's original request was to change the minimum amount to be held in the Unpledged Note Reserve Account (UNRA) within the Delinquent Tax Revolving Fund (DTRF) from $10,500,000 to $6,000,000 but agreed to lower the amount to $5,000,000. This amount will continue to ensure adequate cash flow and liquidity to properly operate the Delinquent Tax Revolving Fund and assure its continuation.
We recommend the Saginaw County Delinquent Tax Revolving Fund Policy #222 be amended, as submitted; further, that the proper County officials be directed to distribute the policy to all Saginaw County Elected Officials, Department Heads, and Agencies of the County, and make the necessary changes to the Central Electronic File Repository for viewing on the County Board of Commissioners' web site, in accordance with County Policy.
Respectfully submitted,

Subject: DELINQUENT TAX REVOLVING FUND POLICY

1. PURPOSE: The purposes of this Policy are:
   1.1 To formulate a written County policy for making planned annual transfers from the Saginaw County Delinquent Tax Revolving Fund (DTRF) into the General Fund while maintaining adequate reserves within the Delinquent Tax Revolving Fund, to assure prompt payment of all current and future outstanding General Obligation Limited Tax Notes as well as to assure the continuation of the DTRF.
   1.2 To provide adequate cash flow within an Unpledged Note Reserve Account (UNRA) and to assure all outstanding notes, interest expense and other expenses are paid on a timely basis.
   1.3 To self fund utilizing available resources within the DTRF without borrowing, provided sufficient funds are available.

1.3 This Policy fully recognizes the proposition that unless adequate financial resources remain in the DTRF which are unpledged, it is impossible to predict with any certainty, whether it would be feasible for the County to enter the credit markets in order to borrow for future years. Only by maintenance of a reasonable cushion in the UNRA within the DTRF will it be feasible for the County to continue the DTRF.

2. AUTHORITY: Saginaw County Board of Commissioners.
3. APPLICATION: This policy applies to the Saginaw County Treasurer.
4. RESPONSIBILITY: It is the Saginaw County Treasurer’s responsibility to implement this policy.
5. DEFINITIONS: NONE
6. POLICY:
   6.1 Annual Mechanics
      6.1.1 Each year after all the notes are paid off from a particular year's borrowing (usually from three years prior), or if self funding, after completion of foreclosures of a particular year's tax) and the County Treasurer's Office has completed its internal audit of a particular year's 100% Tax Payment Fund (which audit must ascertain to the satisfaction of the Treasurer that the charge backs to be made against local units of government as well as other off setting entries have been made upon reasonable estimates), the entire current year General Fund appropriation fund balance for distribution (not to exceed available cash) shall be paid over to the General Fund by September 1st of that year based on amounts available as of August 31st of that year.
      6.1.2 On or before August 31st of each year, the County Treasurer will determine whether there is available cash and investments on hand in the UNRA within the DTRF. In order to make this determination, the Treasurer will take into account the following:
       6.1.2.1 The projected amount of indebtedness as of August 31st of that year with respect to outstanding General Obligation Limited Tax Notes, times 30% (thirty percent).
6.1.2.2 The amounts that have been collected and are on hand in the form of cash and investments for the payment of such indebtedness, and current projections as to the collections which are expected to meet such debt payments.

6.1.2.3 Other factors which may affect the ability of the County to borrow in the current and future credit markets.

6.1.2.4 Current and projected future interest rates paid on debt outstanding, current and projected future interest rates on investments, feasibility of advancing funds for current and future borrowings and advisability of early retirement of outstanding debt.

6.1.2.5 Potential changes in the law authorizing the County to continue the DTRF or in the Federal Tax Laws which might have an impact on either the issuance of General Obligation Limited Tax Notes under Act 206 of P.A. 1893, as amended, or the maintenance of reserves.

6.1.3 Once the County Treasurer has determined the existence of available funds (or lack thereof) in the UNRA within the DTRF, the County Treasurer, on or before September 1st of each year shall recommend to the Board of Commissioners the minimum and maximum to be held in the UNRA, the minimum of which shall not be less than $5,000,000 (five million dollars) $10,500,000 (ten million five hundred thousand dollars) including advances.

6.1.4 The actual transfer of cash from the UNRA, if any, within the DTRF to the County's General Fund will be made on or before September 1st of each year.

6.2 Transfers From the General Fund to Make Note Payments

6.2.1 Notwithstanding the existence of the various unpledged amounts maintained in the DTRF to ensure the continued stability of that fund and provide for continued accessibility to credit markets, the County Treasurer, without further action of the Board of Commissioners is authorized to draw from the County’s General Fund a cash advance which may be necessary to assure that the General Obligation Limited Tax Notes and interest thereon of the County are paid when due, after first drawing on the UNRA. The County Treasurer, however, must notify the Board of Commissioners at least 10 days before a draw occurs and also when the repayment is made to the General Fund.

6.3 Maintenance of Long-Term General Fund Advance and An Unpledged Note Reserve Account

6.3.1 In order to permit continued market access and to otherwise assure funds will be available for payment of outstanding Notes, there will be maintained within the DTRF a new account titled "Unpledged Note Reserve Account." There will be maintained within this account a minimum amount of $5,000,000 (five million dollars) $10,500,000 (ten million five hundred thousand dollars), which amount will be annually reviewed and adjusted, in the future, in accordance with the Policy set forth above, to insure adequate cash flow and liquidity to properly operate the DTRF.
7. ADMINISTRATIVE PROCEDURES:

7.1 Saginaw County Delinquent Tax Collection Cycle (Example)

7.1.1 The local Treasurer in July and December, as applicable, sends property tax bills to the taxpayer. The taxpayer has until a certain date in order to pay these current bills. However, if the taxpayer does not pay the bill before March 1st of the succeeding year, the taxes will be returned delinquent to the County Treasurer. For example, in a township which issued a bill in December 2001, if the taxpayer does not pay before March 1, 2002, the taxes on that property are then returned delinquent to the County Treasurer.

7.1.2 All local Treasurers return delinquent property taxes to the County Treasurer on March 1, 2002. For example, Saginaw County Treasurer will receive approximately ten and one half million dollars in unpaid property taxes.

7.1.3 The County Treasurer reviews the taxes returned delinquent and summarizes those and issues approximately ten and one half million dollars in tax notes in the general financial markets. This happens sometime in May, 2002. The tax notes are to be paid off over a variable period dependent on County collections of delinquent property taxes. If the County Treasurer has adequate funding in the Delinquent Tax Revolving Fund, he may determine not to borrow and use existing funds.

7.1.4 After the County Treasurer sells the notes, the approximately ten and one half million dollars in cash is then paid to each of the local treasurers depending on their proportionate share of the delinquent taxes. This is done around June, 2002.

7.1.5 During 2002 the County Treasurer collects all delinquent taxes for 2001 and prior years carefully separating cash collections by tax year.

7.1.6 The County Treasurer uses these delinquent tax collections and interest earnings on investments to pay off the tax notes and interest expense which come due during 2002 or reimburses the Unpledged Note Reserve if he self funds.

7.1.7 The County Treasurer repeats the same process in 2003 with respect to the 2002 tax bills as indicated in Steps 7.1.5 and 7.1.6.

7.1.8 Again, the County Treasurer repeats the same process in 2004 with respect to collection of taxes and payments of notes as indicated in Steps 7.1.5 and 7.1.6.

7.1.9 Again, the County Treasurer repeats the same process as indicated in Steps 7.1.5 and 7.1.6 and makes the final payment on the 2002 note issuance in 2005.

7.1.10 The County Treasurer returns the available cash in the 2002 Delinquent Tax Fund to the General Fund on or before September 1, 2004.

7.1.11 The County Treasurer then collects the remaining unpaid 2001 taxes after September 1, 2004 and chargebacks to local units for uncollectible taxes. Adjustments are also made depending on the nature of the problem. Available cash in the 2002 Delinquent Tax Fund will be transferred to the Unpledged Note Reserve Account as of September 30th of each subsequent year.

7.1.12 The County Treasurer will eventually close the 2002 Delinquent Tax Fund when in his/her judgment he/she deems it appropriate.
8. AUGUST 21, 2007

Your Budget Audit Subcommittee received communication no. 8-21-12 dated July 20, 2007 from Marc A. McGill, Controller/CAO, submitting the Controller/CAO recommended Fiscal 2008 Budget, as well as, a detailed packet of the Standing Committees departmental budgets. Each committee reviewed the proposed budgets and has forwarded recommendations of support to this committee. The budget, previously distributed to each commissioner, is attached.

Resolution A contains the budget for the total County and the General Fund. The total County Budget for Fiscal 2008 is $148,116,925 which is a 2.4% percent decrease from the current amended Fiscal 2007 Budget. The General Fund Budget for Fiscal 2008 is $46,837,125 which represents a 3.5% percent increase over the current amended Fiscal 2007 Budget. Resolution A contains the proposed County millage rates to be levied December 1, 2007 and July 1, 2008, as well as, the authorization of the 9-1-1 surcharge to fund operations of the 2008 Budget.

Resolution B lists salaries for elected/appointed officials and judges, and non-union employees. The salaries of elected/appointed officials and judges have been set by the Saginaw County Officers Compensation Commission and the State Officers Compensation Commission in the case of judges.

Resolution C sets forth the prioritized Capital Improvement Budget for Fiscal 2008.

Resolution D sets fees for all departments controlled by the Saginaw County Board of Commissioners. This has been created for the first time for inclusion in the budget document.

A public hearing will be held at this day's session to allow comment. Notice was previously published in the Saginaw News and copies of the budget material will be made available to the public at the meeting.

It is the recommendation of your committee that the Fiscal 2008 Budget Resolutions A, B, C, and D together with the Controller's recommended Budget be laid on the table and scheduled for formal adoption at the September 18, 2007 Board Session.

The MERS 2007 Annual Meeting of participating municipalities will be held in Kalamazoo, MI, September 18-20. In accordance with the provisions of Act 427, P.A. 1984, the Michigan Employees Retirement Act, the governing body of each participating municipality must certify to the MERS Board an officer and employee delegate and alternate to represent them at the meeting.
The officer delegate and alternate are selected by the governing body of the participating municipality. The employee delegate and alternate are elected by employee members of the Retirement System. In communication no. 8-21-20, Amy J. Deford, Retirement Administrator, reports that Cathy Brickel of the Controller's Office was elected as the employee delegate and Marilynn LeGrande of Community Corrections as the employee alternate.

It is the recommendation of your Labor Relations Subcommittee that Amy J. Deford be appointed as the officer delegate and Michael E. Thompson as the officer alternate; further, that the proper County officials certify the delegates and alternates to represent Saginaw County at the MERS Annual Meeting with expenses paid by the Retirement Fund.

Your Legislative Subcommittee will meet on Monday, August 20 to consider a request from Commissioner Eddie F. Foxx to adopt a resolution opposing the plans of the Secretary of State to close the Branch Office in Buena Vista Charter Township located at 4212 Dixie.

The concerns of the community and other state and local officials are that the closure will cause a serious hardship in the ability of the urban population to access basic fundamental services, and will create an unfair imbalance in the availability of services for the elderly, disabled and minority populations, and people who struggle with resources.

A draft of the Resolution that will be considered by the Subcommittee is being included in the packet for commissioners' review prior to the Board.

FROM: EXECUTIVE COMMITTEE -- 6.1 AUGUST 21, 2007
At the May 15 meeting of your Executive Committee, concerns were raised about HealthSource, Saginaw, Inc. After questions about the role of the County in its operation and what other options may be available, the committee directed the Controller to work with Counsel to determine the legal authority of the Board of Commissioners to sell or transfer HealthSource Saginaw, Inc.

The Controller and Counsel reported back at the August 14 meeting. The initial response was general in nature, and the committee was advised that a more focused analysis would be necessary if the Board wanted to proceed. Faced with a 12% reduction in the 2009 Budget, the committee went on to discuss the funding of mandated and non-mandated services. The committee agreed that it was time for the County to remove itself from its involvement in the operation of a medical care facility, and to consider turning it over to the health care providers in the private sector.
We recommend the Chair of the Board be authorized and directed to appoint a special committee to explore in greater detail the options available to the County with respect to HealthSource Saginaw, Inc. keeping in mind that the primary mission of providing health care in the Saginaw area continues at the facility.

RESOLUTION "D" AUGUST 21, 2007
BOARD OF COMMISSIONERS COUNTY OF SAGINAW
RE: OPPOSING THE CLOSURE OF THE SECRETARY OF STATE OFFICE
IN BUENA VISTA CHARTER TOWNSHIP

At a regular meeting of the Board of Commissioners of the County of Saginaw, State of Michigan, held in the City of Saginaw on the 21st day of August, 2007, at 5:00 o'clock P.M.
ABSENT - None

Commissioner Doyle offered the following resolution and moved its adoption. The motion was seconded by Commissioner Foxx:
WHEREAS, On June 13, the Secretary of State announced plans to close the Branch Office in Buena Vista Charter Township located at 4212 Dixie and consolidate it with the Saginaw Township Branch located at 4404 Bay where services, staff, and hours would be increased; and,

WHEREAS, The Secretary of State made it clear that the closure will not save any money and that her decision was based on how many branches are in a county, the volume of transactions, proximity of other offices and availability of public transit; and,

WHEREAS, Since that decision, the Secretary of State has considered delaying the closure until an automated teller-type machine to dispense license tabs is installed in the Buena Vista Township Hall, the impact of which would leave tens of thousands of residents without personal assistance; and,

WHEREAS, Saginaw County currently has a total of four Secretary of State Offices with locations in Buena Vista, Saginaw Township, Frankenmuth and St. Charles. The fifth branch located in the City of Saginaw was closed January 2002; and,

WHEREAS, The State Office in Buena Vista Charter Township serving residents from the surrounding areas is the second busiest of the four branches handling nearly 77,000 transactions in 2006; and,

WHEREAS, Closure of what is referred to as the Saginaw South Branch would cause a serious hardship in the ability of the urban population to access basic fundamental services, and would create an unfair imbalance in services for the elderly, disabled and minority populations, and people who struggle with resources; and,

WHEREAS, The community has gathered together to register their objections through public hearings and rallies;

NOW, THEREFORE, BE IT RESOLVED, That the Saginaw County Board of Commissioners opposes the closing of the Saginaw South Branch of the Secretary of State Office in Buena Vista Charter Township and hereby petitions the Secretary of State to listen to the community's concerns, review the facts and consider the ramifications before taking any further action;

BE IT FURTHER RESOLVED, That copies of this resolution be forwarded to the Governor, Secretary of State, and our area Legislators.

RESOLUTION "E"  
COUNTY OF SAGINAW  
RE: OPPOSING HOUSE BILL 4852 AMENDING  
THE "EMERGENCY TELEPHONE SERVICE ENABLING ACT"

At a regular meeting of the Board of Commissioners of the County of Saginaw, State of Michigan, held in the City of Saginaw on the 21st day of August, 2007, at 5:00 o'clock P.M.

ABSENT - None

Commissioner Doyle offered the following resolution and moved its adoption. The motion was seconded by Commissioner Basil:

WHEREAS, The Michigan House of Representatives introduced House Bill 4852, which seeks to amend Public Act 32 of 1986 entitled the “Emergency Telephone Service Enabling Act” by assessing a “Public Service Charge” on each communication device within the State of Michigan; and,

WHEREAS, The revenue generated by the “Public Safety Charge” will pay for services already funded by tax dollars in the State General Fund and other user fees; and,

WHEREAS, House Bill 4852 was introduced in the Michigan House of Representatives and was referred to the Appropriations Committee of the House of Representatives; and,

WHEREAS, The “Public Safety Charge” will fund State of Michigan General Fund departments, programs and services having direct and indirect relationships to public safety services but not direct nexus to 911 services or telephone communication services; and,

WHEREAS, Use of the revenue generated by the “Public Safety Charge” for State of Michigan General Fund purposes and not directed for 9-1-1 services and telephone communication services could be viewed as a tax increase in violation of the Michigan Constitution and Bolt v City of Lansing, 459 Mich. 152 (1998); and,

WHEREAS, House Bill 4852 proposes to divide excessive revenues created by the “Public Service Charge” among the various programs to be funded on a percentage basis, potentially causing programs to be over funded, without any mechanism for reducing the amount or changing other accountability methods; and,

WHEREAS, House Bill 4852 provides ‘no level or effort’ requirement that would ensure that the State of Michigan General Fund expenditures covered by the “Public Safety Charge” would not be diminished in future years; and,

WHEREAS, Many police organizations oppose House Bill 4852 as a tax on Michigan residents that could jeopardize future local police safety funding;

NOW, THEREFORE, BE IT RESOLVED, That the Board of Commissioners of the County of Saginaw go on record in unanimous opposition of House Bill 4852;

BE IT FURTHER RESOLVED, That the Board of Commissioners of the County of Saginaw at its May 22, 2007 Session adopted a resolution in unanimous support of Senate Bills 410 and 411 amending Public Act 32 of 1986 entitled the “Emergency Telephone Service Enabling Act;”

First Day of the September Session of the Board of Commissioners of Saginaw County, Michigan, Tuesday, September 18, 2007. The Board met pursuant to adjournment at 5:00 p.m.

Honorable Cheryl M. Hadsall in the Chair.

Deputy Clerk Kaye Volz Schultz took roll, quorum present as follows:

ABSENT: - 0

TOTAL: - 15

Commissioner Krafft opened the meeting with a prayer, followed by the Pledge of Allegiance to the Flag. Minutes of the preceding meeting were approved as proofread and corrected by the Clerk.

Commissioner Krafft: "It is in Your name Lord that we begin these proceedings of business in the highly varied interests of a free and progressive society in Saginaw County, located within the great State of Michigan, of the Sovereign Union of these 50 United States. While we are such a small part in numbers of the whole, we still intend to act within the commonwealth of the great Constitution that weaves us together as one Nation. While there have been many great transgressions of the core of our Fathers' dreams in shaping a country based on Christian Judeo values, we know you are yet the same God that inspired our forefathers to act in what history now records as the greatest Country in providing true individual freedom, and that you will inspire us to stay on the right path. Please provide Your divine protection to our armed forces as they directly defend our way of life and freedoms which we so often take for granted, if not Your will, than give comfort in the losses we so painfully regret. Give leaders of government regardless of skin color, gender, religious beliefs, or political affiliation, the wisdom to act always in the best interests of the people who have chosen them, and give the people the patience and understanding when a problem does not contain a short and painless solution. We ask this not because of our right or privilege, but because of Thy will and continued blessings. Amen."

5. Executive Committee - C. Hadsall, Chair; J. Graham, Vice-Chair
   6.1) Recommendation, re: 2009 reductions in Board of Commissioner Budget
   ---Hadsall moved, supported by Ruth to approve same. Debate followed. Graham noted
   the vote in Executive Committee was not unanimous as written in the report. He
   explained he was "present but not voting." O'Hare called the recommendation to cut
   commissioners' salaries in half "ridiculous." He said a better move would be to eliminate
   benefits. He then moved, supported by Sholtz to eliminate all health care benefits
   including health insurance, retiree health care, health insurance offset, dental, and vision.
   Graham objected, asking how many commissioners receive the insurance offset. Hadsall
   responded that after an extensive study the committee concluded that a reduction in
   salary would be fair and equal for each commissioner. She went on to say the intent is to
   serve as an example and be the first to make cuts in the 2009 budget. Sholtz explained the
   reason why he supported the motion, saying being a commissioner should not be about
   money or benefits. He asked commissioners to "give up" their benefits, adding that a
part-time job does not warrant full-time benefits. O'Hare asked whether other elected officials would be asked to make salary reductions; Graham questioned the legality of it. Both Hare and Borrello responded - the Board should take the lead role; the Board is asking the Saginaw County Officers Compensation Commission to make the reductions which would not be effective until January 1, 2009. O'Hare tabled the report by commissioner privilege.

V. Miscellaneous---None.

VI. Adjournment---Ruth moved, supported by Krafft to adjourn. Motion carried; time being 5:47 p.m.

Respectfully submitted,
Kaye M. Schultz, Committee Clerk
Todd M. Hare, Committee Chair

REPORTS OF REGULAR COMMITTEES
FROM: COMMITTEE ON HUMAN SERVICES -- 1.1 SEPTEMBER 18, 2007
Your committee considered communication no. 9-18-2 from Eddie L. Patrick, Program Administrator, Saginaw County Housing Assistance Associates sending information on a new Michigan State Housing Development Authority Program titled "Property Improvement Program - Plus" (PIP PLUS), and asking the Board to adopt a resolution so Saginaw County can participate.

We met with Mr. Patrick who informed us the new program is intended to offer project funds to county governments for homeowner rehabilitation projects that are not currently addressed with county allocation dollars. It will allow the County to continue and expand its efforts to provide affordable housing opportunities for its low income residents.

It is our recommendation to approve the request of the Saginaw County Housing Assistance Associates for Saginaw County to participate in the "Property Improvement Program - Plus;" further, that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Civil Counsel as to legal form. Under the proper of business, the appropriate resolution will be submitted.

Respectfully submitted,
COMMITTEE ON HUMAN SERVICES
Robert M. Woods, Jr., Chair
Dennis H. Krafft
Cheryl M. Hadsall

By Commissioner Woods: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

FROM: COMMITTEE ON HUMAN SERVICES -- 1.2 SEPTEMBER 18, 2007
Your committee considered communication no. 9-18-6 from Randall G. Knepper, Director, Mosquito Abatement Commission requesting to purchase 3.2 acres of land owned by the Eddy Trust.

The purchase price for this property located west of the current Mosquito Control Facility on Niagara Street is $15,000 and there are sufficient funds in their budget to cover the cost of this acquisition. The Mosquito Abatement Commission Board of Trustees approved the concept of this property purchase at its August 23, 2007 meeting.
We recommend approval of the request from the Mosquito Abatement Commission to purchase 3.2 acres of land owned by the Eddy Trust located on Niagara Street; further, that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County subject to review by the Controller as to substance and Civil Counsel as to legal form.

Respectfully submitted,

FROM: COMMITTEE ON HUMAN SERVICES -- 1.3         SEPTEMBER 18, 2007

Your committee considered communication no. 9-18-12 from Marc A. McGill, Controller/CAO asking approval of a resolution authorizing the County to make intergovernmental transfers to the State of Michigan for the purpose of participating in the financing of the non-federal share of Medicaid Disproportionate Share payments made under the Indigent Care Agreement Pool.

The request was received from the Saginaw Health Plan Corporation Board of Directors. The Saginaw Health Plan is a community sponsored program that provides access to appropriate health care services for the indigent and uninsured population in Saginaw County.

It is our recommendation to approve the request of the County Controller to participate in the financing of the non-federal share of Medicaid Disproportionate Share payments made under the Indigent Care Agreement Pool; further that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County subject to review by the Controller as to substance and Civil Counsel as to legal form. FROM: COMMITTEE ON HUMAN SERVICES -- 1.4          SEPTEMBER 18, 2007

Your committee considered communication no. 9-18-17 from Natasha Coulouris, Health Officer, Saginaw County Department of Public Health asking to delete one position of Personal and Preventive Health (PPH) Services Director, and to reclassify the remaining PPH Director and two PPH Supervisors.

We met with Ms. Coulouris who informed us that in light of the present economic times, the Health Department recognizes the need to maximize the efficiency of existing staffing patterns. The elimination of the vacant PPH Services Director and assignment of additional supervisory duties to existing management will streamline operations and produce net savings of $84,420. Funding for these positions will be covered by the State and no County funds are needed.
It is our recommendation to approve the request of the Health Department to delete one position of Personal and Preventive Health (PPH) Services Director, and to reclassify the remaining PPH Director and two PPH Supervisors, subject to factoring evaluation by the Labor Relations Subcommittee. We further recommend the proper County officials be authorized and directed to make the necessary budgetary and personnel adjustments.

PULLED BY COMMITTEE CHAIR NOVAK
PENDING ADOPTION OF STATE LEGISLATION
FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 2.1  SEPTEMBER 18, 2007
Your Courts & Public Safety Committee met with Tom McIntyre, Director, and Barry Nelson, Deputy Director, Saginaw County 911 Authority asking the Board to adopt two resolutions, one amending the Saginaw County Final 911 Service Plan and the second adopting the monthly 911 surcharge within Saginaw County.

Adoption of these resolutions is being requested at this time in anticipation of the passage of Senate Bills 410 and 411 amending Public Act 32 of 1986 titled the "Emergency Telephone Service Enabling Act." The Board supported the legislation which creates fundamental stability and fairness in the funding of 911 services.

Both bills have passed the Senate and are currently stalled in the House. A proposed amendment to the bills, House Bill 4852 which the Board and MAC opposed, was withdrawn; however, further amendments to add .63 cents are being debated. The Board is opposed to any additional costs that pay for public safety items, not including 911. If necessary, the resolutions can be amended.

We recommend adoption of resolutions to amend the Saginaw County Final 911 Service Plan and adopt the monthly 911 surcharge within Saginaw County. Under the proper order of business the appropriate resolutions will be submitted.

Respectfully submitted,

APPROPRIATIONS AUTHORIZATION: It is the recommendation of your committee to concur with the above.

Todd M. Hare, Chair
Timothy M. Novak, Vice-Chair
FROM: COMMITTEE ON COUNTY SERVICES – 3.1  SEPTEMBER 18, 2007

Your committee considered communication no. 9-18-7 from Marvin D. Hare, Treasurer asking the Board to adopt a resolution authorizing the Treasurer to renew and continue the principal residence audit exemptions (formally known as homestead exemption) in accordance with Public Act 105 of 2003. The Statute allows counties and local units to take on the responsibility of denying principal residence exemptions with the same authority that the State Treasury has done in the past.

We met with Mr. Hare who informed us if the Board approves the proposal, the County would keep 70% of the interest penalty collected; 20% would go to the State; and 10% would go to the local assessing unit. If the County chooses not to continue this responsibility, the Treasurer still has to collect the prior year's taxes and penalties for the state and local units, but would only receive 20% of the interest penalty. Any excess money in the restricted account reverts to the General Fund after three years. The Equalization Department would assist with enforcement as needed.

We agree with the request, and recommend the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Civil Counsel as to legal form. Under the proper of business, the appropriate resolution will be submitted.

FROM: COMMITTEE ON COUNTY SERVICES – 3.2  SEPTEMBER 18, 2007

Your committee considered communication no. 9-18-3 from Commissioners Eddie Foxx and Robert Woods, Jr. and Attorney Kevin Poston on behalf of the legal community of Saginaw County, requesting authorization to place a stone monument with a plaque and a bust engraved on the stone in Borchard Park honoring Attorney Carl Cardwell Poston, Jr.

Carl Cardwell Poston, Jr. is a man of great character and personal integrity. He has been a dedicated servant to the Saginaw community, serving on the City Council and as Mayor Pro-Tem and as an Assistant Prosecutor. He has practiced law at an exemplary level for over 40 years and been involved in many civic and public activities. He stands as a legal pioneer in the African American community and a professional giant in the Saginaw community at large. The request has the support of the County Controller and the Borchard family. There will be no cost or maintenance for the County.

We recommend approval to place a monument in Borchard Park honoring Attorney Carl Cardwell Poston, Jr., as outlined above; further, that the proper County officials be authorized to facilitate the project.

Respectfully submitted,

Raymond F. Bartels  James M. Graham

By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved. Commissioner Wurtzel recommended the Executive Committee of the Board establish criteria to use when honoring individuals in the community.
FROM: COMMITTEE ON COUNTY SERVICES – 3.3  

Your committee considered communication no. 9-18-10 from Ed Oberski, Director, Saginaw Midland Bay Michigan Works! Administration, asking for a waiver of County Policy 411 – Sale of Real and Personal Property to allow the sale of ten (10) overhead projectors and remote controls to Delphi Automotive Systems LLC.

Darlene Kalahar, Program Planner/Coordinator met with the committee explaining that in 2003 Saginaw Midland Bay Michigan Works! partnered with Delta Collage (financial administrator) and Delphi Automotive Systems LLC (recipient of the federal training grant) in a Department of Labor project for H-1B Training. On June 30, 2007, the project ended and Delphi is asking to purchase the equipment that remains in use.

Michigan Works! does not believe sale at the County auction would yield a comparable price as the one offered by Delphi. Because the equipment is obsolete, the Controller has no problem with the request but Board approval is required to make the direct sale. Funds will be deposited in the Incumbent Worker Program.

We recommend that County Policy #411 - Sale of Real and Personal Property be waived to allow the sale of ten (10) overhead projectors and remote controls to Delphi Automotive Systems LLC; further, that the proper County officials be authorized and directed to proceed with the sale.

FROM: COMMITTEE ON COUNTY SERVICES – 3.4  

Your committee considered communication no. 9-18-5 from Douglas Bell, Director, Saginaw County Metropolitan Planning Commission, asking to adopt a new Memorandum of Understanding with Saginaw Transit Authority Regional Services (STARS) to allow available transportation planning funds to be more fully utilized in the Saginaw Metropolitan Area.

Under the current agreement, the Saginaw Metropolitan Area Transportation Study (SMATS) was designated as the lead agency and received all the available funds amounting to 80% from the Federal Highway Administration (FHWA) and 20% from the Federal Transit Administration (FTA). Based on current staffing and program priorities, the FHWA funds will be more than adequate to support transportation planning activities and will have no impact on existing programs. The proposed FY 2008 FHWA funding level for the Planning Department is $171,000 with a local match of $37,919 (18.15%).

Under the new agreement, the County will be able to pass through funds that are available from the FTA to STARS. In FY 2008, the available funding is $52,525 with a local match of $13,131 (20%). STARS will serve as the lead agency for transit planning activities, and be responsible for providing appropriate documentation of its activities to the Michigan Department of Transportation and be responsible for the local match. (new Memorandum of Understanding attached)

We recommend approval of the request as submitted by the Saginaw County Metropolitan Planning Commission; further, that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County, subject to review by the Controller as to substance and Civil Counsel as to legal form.

MEMORANDUM OF UNDERSTANDING
URBAN TRANSPORTATION PLANNING PROCESS

This Memorandum of Understanding, effective October 1, 2007, by and between the Saginaw Metropolitan Area Transportation Study (SMATS) and the Saginaw Transit Authority Regional Services (STARS), identifies the roles and responsibilities of the parties to carry out a continuing, cooperative and comprehensive transportation planning process in the Saginaw Metropolitan Area. Such a process is identified in Title 23 CFR Part 450 and Title 49 CFR Part 613.

The U.S. Department of Transportation (USDOT), under the authority of Title 23 U.S.C. 134 and Title 49 U.S.C. Subsections 1603(a), 1604(g)(1) and 1607 requires that each metropolitan area, as a condition to the receipt of Federal Highway and Transit funds have a continuing, cooperative and comprehensive transportation planning process. The USDOT further requires that the Metropolitan Planning Organization (MPO) designated to carry out said process and the public transportation providers serving said metropolitan area enter into an agreement identifying the responsibilities for cooperatively carrying out transportation planning and programming.

Pursuant to Title 23 U.S.C. 134 and Title 49 U.S.C. 1607, as amended, SMATS has been designated as the MPO for the Saginaw Metropolitan Area to carry out the urban transportation planning process and to identify the needs and prioritize the projects for the transportation system within the Saginaw Metropolitan Area.

2. SMATS and STARS will jointly identify the need for, and oversee the performance of, transit corridor studies, transit subarea studies, transit access management, and transit data collection in accordance with the SMATS Unified Work Program.
3. SMATS and STARS will cooperatively consider the information developed by the various studies noted herein to identify public transportation needs and prioritize transit projects for the transportation system within the Saginaw Metropolitan Area.

4. SMATS will act as the lead agency for transportation planning activities identified in the adopted Unified Work Program. These activities include program support and administration, data collection and management, long range system and project level planning, short range planning and special projects.

SMATS will establish transportation policy, oversee the transportation planning process for the Saginaw Metropolitan Area, provide a forum for cooperative decision making and ensure that there is technical support from transportation providers, including STARS, to oversee the technical aspects of the transportation planning process.

6. SMATS will identify the overall needs and prioritize the projects for the transportation system within the Saginaw Metropolitan Area.

7. SMATS will prepare and adopt the Saginaw Metropolitan Area’s Metropolitan Transportation Plan, Transportation Improvements Program and Unified Work Program with assistance and participation from STARS.

STARS will be responsible for supplying the required local match for the transit planning funds.

10. STARS will supply SMATS with monthly billing and activity reports for regular submission to MDOT. SMATS will request payment of transit planning funds on behalf of STARS. SMATS will disburse the funds to STARS when they are received from MDOT.

11. SMATS will maintain a certifiable urban transportation planning program to comply with Federal law, and will execute and annual certification of the continuous, cooperative and comprehensive urban transportation
12. STARS will act as the lead agency for transit planning activities. STARS will develop an annual Program of Projects and multi-year list of transit capital projects for inclusion in the SMATS Transportation Improvement Program. This includes conducting the public involvement process relating to those transit projects to be included in the Transportation Improvement Program.

13. STARS will participate and provide input relating to public transportation services relevant to any long range plans, corridor studies or subarea studies conducted by SMATS.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.3  
SEPTMBER 18, 2007

With the concurrence of the County Services Committee Chair, your Budget Audit Subcommittee considered communication no. 9-18-15 from Sheriff Charles L. Brown asking for a waiver of County Policy #411 - Sale of Real and Personal Property to allow the sale of one (1) 2003 Impala marked patrol vehicle.

The vehicle has 134,000 miles and has been pulled from service. As opposed to sending it to the County Auction, the Sheriff would like to sell the vehicle to Delta College for use in their Police Training Academy Program. The County's Purchasing Agent reported the sale price of $3,000 is the average amount which would be received at auction. Money from the sale will be returned to the Saginaw County motor pool account.

We recommend that County Policy #411 - Sale of Real and Personal Property be waived to allow the sale of a marked patrol vehicle to Delta College; further, that the proper County officials be authorized and directed to proceed with the sale.

Respectfully submitted,

COMMITTEE ON APPROPRIATIONS
Todd M. Hare, Chair
Timothy M. Novak, Vice-Chair

By Commissioner Braddock: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved. Commissioner Ruth abstained.

SEPTMBER 18, 2007

Your Labor Relations Subcommittee herewith submits the agreement between the County of Saginaw and the POAM representing Sheriff Unit I Deputies (312 Eligible). The contract covers a four-year period, commencing October 1, 2005 and ending September 30, 2009. The agreement has been formally ratified by the Union upon acceptance by the County. The financial implications of this agreement will be borne with funds within the existing, respective budgets. A summary of the main provisions is set forth below:
Economic Issues:

1. Wages (current and new employees)
   - 6% wage adjustment for all classifications in consideration of comparables
   - FY 2005/06: One-time lump sum = 3.5% of wages
   - FY 2006/07: Wage freeze. One-time lump sum = 3.5% of wages
   - FY 2007/08: Base wage increase of 2.75%
   - FY 2008/09: Base wage increase of 2.75%

2. Health Insurance (current employees only)
   - 10% employee insurance premium co-pay on PPO2 (same)
   - 20% employee insurance premium co-pay on PPO1 (same)
   - Or employees may choose no co-pay if they switch to PPO8

3. Health Insurance (new employees)
   - Mandatory PPO8 with no co-pay

4. Longevity
   - Current employees: no change
   - New employees: no longevity

5. Pension
   - Current employees: no change
   - New employees - Defined Contribution:
     - Employee contribution 0% / employer contribution 3% (change from 0% / 6%)
     - Employee contribution 6% / employer contribution 6% (change from 3% / 9%)

6. Retiree health insurance (current employees)
   - No change or $15,000 one-time incentive to switch to tax advantaged RHS plan (irrevocable; see below)

7. Retiree health insurance (new employees)

Employer will contribute 1% of wages to the RHS plan; employee contribution will be 5%.

8. PTO
   - PTO limits were reduced; payout not to exceed 300 hours

NOTE: All major wage and benefit provisions (1-8 above) are the same or substantially similar as those approved in the majority of collective bargaining agreements ratified since 2003, but for the 6% initial wage adjustment, which is justified by comparables, both internal and external. We recommend approval of the agreement between the County of Saginaw and the POAM (312 Eligible) as outlined above; further, authorize the proper County officials to sign the appropriate documents and make the necessary budgetary adjustments.

Your Labor Relations Subcommittee herewith submits the agreement between the County of Saginaw and the POAM representing Sheriff Unit I Corrections Officers and Clerks (Non-312 Eligible). The contract covers a four-year period, commencing October 1, 2005 and ending September 30, 2009. The agreement has been formally ratified by the Union upon acceptance by the County. The financial implications of this agreement will be borne with funds within the existing, respective budgets. A summary of the main provisions is set forth below:

Economic Issues:

1. Wages (current and new employees)
   - 2% wage adjustment for all classifications in consideration of comparables
   - FY 2005/06: One-time lump sum = 3.5% of wages
   - FY 2006/07: Wage freeze. One-time lump sum = 3.5% of wages

9. Retirement incentive offered to current Clerks which allows for a reduction in the co-payment of 5% per yearly increment; down to 5%.

10. Historically, Clerks ranged from T09 to T11. This contract will result in all Clerks being equalized at T09/10, with the allowance for one position to be a T11 until the incumbent's separation from employment, at which time the position will revert to a T09/10. This is in consideration of the supervisory and other duties that are performed in this position, but will not be once the position is vacated.

COMMISSIONER O'HARE TABLED BY COMMISSIONER PRIVILEGE
(SEE APPROPRIATIONS COMMITTEE MINUTES)
FROM: EXECUTIVE COMMITTEE -- 6.1 SEPTEMBER 18, 2007
At the May 22, 2007 Session, the Board approved the Calendar for adoption of the County's Fiscal Year 2009 Operating Budget. The early adoption of the budget calendar was to provide time for county departments to prepare for making significant budget reductions, targeted by the Controller at 12% for most General Fund budgets. At that same time, the Board began its budget reductions with the immediate elimination of in-county mileage for commissioners.
To continue and follow through on the Board Chair's intent to reduce its own budget first, each member of the Executive Committee was asked to compile a list of recommendations for making cuts in the 2009 budget. The end result was an all inclusive list with the major items being the reduction or elimination of staff, per diems, training, benefits, and salary. The Controller then calculated the amount of savings that would result from each line item for the committee's review.
It is the unanimous consensus of your Executive Committee to make the 12% reduction in the 2009 budget of the Saginaw County Board of Commissioners by reducing the salary for county commissioners by 50% effective January 1, 2009; further, that a letter be directed to the Saginaw County Officers Compensation Commission for consideration at its first meeting held no later than May 15, 2008, petitioning the Commission to approve the 50% reduction in salary for each county commissioner as adopted by this Board.
Respectfully submitted,
EXECUTIVE COMMITTEE

Commissioner Wurtzel opened the meeting with a prayer, followed by the Pledge of Allegiance to the Flag. Minutes of the preceding meeting were approved as proofread and corrected by the Clerk.

Commissioner Wurtzel: "As we gather this evening to perform our duties as public servants, help us to remember the sacrifices made by Your Son, Jesus Christ, for the forgiveness of our sins and for our salvation. Help us to remember the sacrifices made......and continuing to be made.......by the troops fighting for our freedom, fighting for the freedom of mankind and fighting for all that is good. Dear Lord, bless and protect the unborn.......the smallest and most precious of all your creations.......and let us not forget that they too are living human beings created in Your image. Dear Lord, help us to believe in and live by the commandments that were carved in stone tablets by Your own hand and passed down to us through Moses some 3000 years ago. Dear Lord, bless the non-believers, for even though they do not appreciate the goodness of You and Your great works today, through Your goodness and Your greatness they too shall share in eternal salvation. Dear Lord, last but certainly not least, help us, as the leaders of Saginaw County, to conduct ourselves in a manner that recognizes our differences in a respectful manner, and allows us to compromise in a way that serves the good of all of Your creation, and not the good of any one individual. Help us to be true Christians, true champions of Your goodness and glory, true believers in Your promise of eternal salvation, true soldiers of Christ. In Your great name we pray and ask your blessing. Amen."

REPORTS OF REGULAR COMMITTEES

REVISED REPORT – LAID ON DESKS
FROM: COMMITTEE ON COUNTY SERVICES -- 1.1 OCTOBER 16, 2007
Your committee considered communication no. 10-16-8 from James T. Totten, Equalization Director, submitting the 2007 Tax Rate Requests - Form L-4029 for Saginaw County, filed by the various cities, townships, villages and school districts indicating the amount of millage to be spread, for all purposes, by the taxing entities within their jurisdiction. Attached hereto and made a part of this report is the schedule of tax levies to be spread upon the 2007 tax rolls of the respective jurisdictions. Said levies are expressed in terms of millage provided for in Section 37 of Act 347 of the Public Acts of 1968, as amended.
Mr. Totten informed us he is currently waiting for one school district to submit their L-4029 Millage Rate Request Form. This will require the L-4029 to be amended at a later session. Additionally, there are three ballot proposals on the November election: STARS Renewal, Saginaw Township Schools Bond Proposals and City of Zilwaukee Fire Millage Renewal. If all three proposals are approved, they would be levied in the summer of 2008, and would not effect the 2007 Apportionment for Saginaw County.
It is the recommendation of your committee that the 2007 Apportionment Report be approved as submitted.
Respectfully submitted,

FROM: COMMITTEE ON COUNTY SERVICES -- 1.2 OCTOBER 16, 2007

Your committee considered communication no. 10-16-1 from James A. Koski, Public Works Commissioner submitting the Saginaw County Annual Drain Assessment Report and the Annual Financial Report for 2007 in accordance with the provisions of Section 31 of Chapter 2 of the Drain Laws of the State of Michigan, Act 40 of the Public Acts of 1956, as amended. (On file and available for review in the Board Office.)

The 2007 Drain Assessment Report consists of schedules of completed drain projects, new drains under construction, progress of proposed drain work and drains to be reassessed to restore the funds used during the past year to keep the drains and facilities in working order. Also included is the 2007 Special Drain Assessment Roll.

The 2007 Annual Financial Report contains a listing of all Demand, Revolving and Time Drain Orders issued during 2007. The debits and credits for all 801 (cash) and 802 (revolving) drain accounts are also listed. Included, as well, are reports on the 808, 820, 858 and 870 drain accounts - construction and debt accounts in which bonds or notes have been issued.

FROM: COMMITTEE ON COUNTY SERVICES -- 1.3 OCTOBER 16, 2007

Your committee considered communication no. 10-16-7 from Jay Reithel, Transportation Planner, Bay Region Office, Michigan Department of Transportation (MDOT) asking Saginaw County to participate in a maintenance agreement for the Harger Line Non-motorized Trail and act as fiduciary to pass through funds for maintenance of the trail.

During the summer of 2005, MDOT purchased 8.5 miles of the abandoned Harger rail line right-of-way from Rail America, Inc. It is located one-half mile north of M-46 and extends from the western boundary at Airport Road in Saginaw County, easterly to M-15 in the Village of Richville, Tuscola County.

The Bay Region is in the process of securing the remaining portion of the right-of-way from Airport Road extending to I-75. The intent is to create a non-motorized network that will connect with the facilities being planned for M-15 by the M-15 Heritage Route Committee as well as creating abundant opportunities for connection to existing facilities in Saginaw County. In February of 2006, the Saginaw County Board of Commissioners passed a Resolution supporting the development of the trail; no pledge of assistance, financial or otherwise, was made to the project.
Mr. Reithel informed us that MDOT has secured funding for this project from transportation enhancement funds and the Bay Region Office is providing the matching funds. The ultimate success of the project depends upon an entity willing to participate in a maintenance agreement for the non-motorized path. The Michigan Department of Natural Resources may be willing to provide multiple years of maintenance funds and act as trail management on the project. As part of the arrangement, Saginaw County and the Parks Department are being asked to participate in a maintenance agreement and act as fiduciary. The Parks Commission approved the plan. We recommend approval for Saginaw County and the Saginaw County Parks & Recreation Department to participate in a maintenance agreement for the non-motorized path development on the Harger Line contingent upon funding from the Michigan Department of Natural Resources; and, that Saginaw County act as fiduciary to pass through funds for maintenance of the trail. We further recommend that the proper County officials be authorized and directed to execute the necessary documents on behalf of the County subject to review by the Controller as to substance and Civil Counsel as to legal form.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES

Patrick A. Wurtzel                                          Cheryl M. Hadsall

By Commissioner O'Hare: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved. (In response to questions raised by Commissioner Hare, John Schmude clarified that the Parks Commissioner will serve as the fiduciary if the funding is approved by the DNR, and that the County is the pass-through agent only and will not own, operate or maintain the trail.)

FROM: COMMITTEE ON COUNTY SERVICES -- 1.4
OCTOBER 16, 2007

Your committee considered communication no. 10-16-4 from John P. Schmude, Director, Saginaw County Parks & Recreation Commission asking the Board's approval to replace a Parks vehicle in accordance with an Initiatory Motion approved at the May 22 Session that any request to replace vehicles in 2008 go through the appropriate Standing Committee. The 2005 Chevy Colorado Work Truck was damaged in an auto accident, and the County's Purchasing Agent reported the cost of repairs is greater than its total value. The Parks Director would like to replace the vehicle with a 2008 Chevy Silverado Work Truck estimated to cost $18,485.53 using the $8,520 insurance proceeds and funds from the Park's 2008 operating budget.

We recommend approval of the request from the Parks Commission to purchase a work truck to replace the damaged vehicle, as outlined above; further that the proper County officials be authorized and directed to purchase the vehicle in accordance with County policy and procedures.

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1  
OCTOBER 16, 2007

Your committee considered communication no. 9-18-18 from David A. Cable, 10th Circuit Court Administrator asking that two permanent part-time positions of Circuit Court Reporter be deleted and replaced with one full-time position.

For several years the position of Court Reporter was served by two individuals in a job-share arrangement with the time being split evenly between them. Recently, one of the Court Reporters left County employment and Mr. Cable would like to take the opportunity to make the position full-time. The additional cost would be minimal and any additional funding would come from the Court's budget.

It is the recommendation of your committee to approve the request of Circuit Court to delete two permanent part-time positions of Court Reporter and establish one permanent full-time position, effective September 3, 2007; further that the proper County officials be authorized and directed to make the necessary changes to the personnel complement and adjust the budget accordingly.

FROM: COMMITTEE ON APPROPRIATIONS -- 4.2

October 16, 2007

Your Labor Relations Subcommittee considered communication no. 10-16-6 from Michael E. Thompson, Administration Director, submitting amendments to Saginaw County Retirement Policy #346. (attached with deletions in strike-out; additions in bold)

At the December 2004 Session, the Board created a new Retiree Health Savings Plan (RHS) effective January 1, 2005 covering all employees subject to County Policy and Collective Bargaining Agreements. As originally adopted, the Plan provided subscribers with a voluntary and tax favored method of saving money to pay for allowable medical expenses after separation or retirement from County employment, and as a result, provided the County with long term reductions for retiree health care benefits. RHS Plan subscribers were allowed to select from among various methods of saving money, including payroll deductions, longevity pay, lump sum pay and PTO bank pay out.

Recently, the Internal Revenue Service determined that voluntary or elective provisions of the RHS Plan no longer meet the legal standards necessary for tax favored treatment. In order to continue utilizing the Plan in the same manner for which it was originally intended, their determination requires some form of "mandatory" subscriber contribution for each employee group.

For Non-Union employees, participation will end December 31, 2007 unless the County Policy and Plan Document are revised and amended. Non-union employees met and unanimously decided to continue participating in the RHS Plan in a manner that complies with the IRS Determination.

We recommend Saginaw County Retirement Policy #346 be amended, as submitted and staff be directed to amend the original RHS Plan Document to eliminate any voluntary or elective provisions and to require non-union employees to make mandatory contributions of 50% of their PTO bank pay out to the RHS Plan effective January 1, 2008; further, that the proper County officials be directed to distribute the policy to all Saginaw County Elected Officials, Department Heads, and Agencies of the County, and make the necessary changes to the Central Electronic File Repository for viewing on the County Board of Commissioners' web site, in accordance with County Policy.

Subject: RETIREMENT

1. PURPOSE: It is the purpose of this policy to assist County employees by providing for their health and well-being during their retirement years.
2. AUTHORITY: The Saginaw County Board of Commissioners.
3. APPLICATION: The rules and regulations herein set forth apply to all employees paid by Saginaw County pursuant to Policy # 301.
4. RESPONSIBILITY: The Controller/CAO shall be responsible for the implementation and administration of this policy.
5. DEFINITIONS: NONE
POLICY:

6.1 Retirement Benefit Plans. Retirement benefit plans vary depending upon employee classification and hire date. Said plans are modified from time to time by the direction of the Board of Commissioners. Eligible employees hired prior to June 1, 1994 were required to become members of the defined benefit plan administered under the rules established by the Michigan Municipal Employees Retirement System (MERS). Eligible employees hired on or after June 1, 1994 are required to become members of the defined contribution plan administered under the rules established by the International City/County Management Association (ICMA). There is no mandatory retirement age.

6.2 Defined Benefit Plan (MERS). The County currently pays the entire cost for this plan without any employee contribution required. Benefits are based on a formula, including final average compensation, years of service and benefit program. In addition, an employee must reach a minimum age and/or complete a minimum number of years of service in order to be eligible for the particular MERS pension benefit under which they are covered. Benefit payment options allow for beneficiary coverage and may also include cost of living adjustments. Credit may be given for previous county service, military service, and generic service. Employees may purchase “generic service” up to five (5) years in accordance with MERS policies and procedures with the employee paying eighty percent (80%) of the cost and the employer paying twenty percent (20%) of the cost. Employees may purchase qualified “governmental service” in accordance with MERS policies and procedures with the employee paying eighty percent (80%) of the cost and the employer paying twenty percent (20%) of the cost. Employees may purchase “military service” in accordance with MERS policies and procedures, if the employee was hired prior to May 17, 1994, with the employee paying five percent (5%) of the member’s full-time annual compensation for the year in which payment is made multiplied by the number of years of service to be purchased. In order to receive credit for generic, government or military service, the employee must pay their cost share in full at the time of purchase.

6.3 Defined Contribution Plan (ICMA). For employees hired prior to March 1, 2005, a pre-tax employee contribution of either 0% or 3% of compensation is currently required for participation in this plan. The County currently matches this contribution at the rate of 6% or 9%, respectively. For employees hired on or after March 1, 2005 a pre-tax employee contribution of either 0% or 6% of compensation is currently required for participation in this plan. The County currently matches this contribution at the rate of 3% or 6% respectively. Benefits are based on the dollar amount in an employee's account at the time of termination and the selection of one of several pay out methods approved by the United States Department of Treasury, Internal Revenue Service. The amount in the employee's account accumulates from a combination of the above described contributions and self directed investment earnings. Upon termination, the employees may withdraw the entire amount of their contribution plus a percentage of the County's contribution based on their months of services as provided below.
6.4 Re-employment of Retired Employees. An employee who retires from Saginaw County in accordance with MERS guidelines whether enrolled as a member of the Defined Benefit Plan or Defined Contribution Plan, and is immediately eligible to draw their pension, will not be rehired into the County in any classification of employment, including but not limited to regular full-time, regular part-time, or on-call.

6.5 Health Insurance.

6.5.1 To be eligible for retiree health insurance, an employee must satisfy both the age and continuous length of service requirements associated with retirement under the MERS plan even if they are members of the ICMA plan. An employee hired before January 1, 1993 and retiring under the MERS plan or terminating under the ICMA plan shall be entitled to, health insurance for themselves, their spouse and their dependents, as defined by County Policy. The employee must continue with the group health option in which they are enrolled prior to retirement, provided proper application is made prior to retirement or termination and the above described age and service requirements are met. Employees hired after January 1, 1993 and prior to March 1, 2005 who have not made an irrevocable election to refuse retiree health insurance, who similarly retire or terminate, shall be entitled to continue with single coverage (employee only) in the group health option in which they are enrolled, prior to retirement. Employees hired on or after March 1, 2005 and employees that made an irrevocable election to refuse retiree health insurance are not eligible for retiree health insurance.

6.5.2 Employees hired on or after March 1, 2005 will not be eligible for retirement health insurance. They will be offered an employer sponsored health benefit savings plan (RHS plan) or its equivalent. The County will contribute 1% of employee's gross wages to the RHS Plan and equivalent, while the employee has an option of not contributing or contributing 1% - 7% of their salary, this decision shall be irrevocable. The Employee shall contribute 50% of their PTO bank pay out to the RHS Plan.

6.5.3 Employees not covered by a collective bargaining agreement hired prior to March 1, 2005 may make an irrevocable election to refuse retirement health insurance and choose the RHS plan. They will be offered a one-time incentive of $15,000.00 by the County, and will not be eligible for retiree health insurance or a stipend in lieu of retiree health insurance. Once opting out of retiree health insurance, the County will contribute 1% of the employee's gross wages to the RHS plan while the employee has an option of not contributing or contributing 1% - 7% of their salary, this decision shall be irrevocable. The Employee shall contribute 50% of their PTO bank pay out to the RHS Plan.

OCTOBER 16, 2007

Your Labor Relations Subcommittee considered communication no. 10-16-10 from Jennifer J. Broadfoot, Personnel Assistant, submitting amendments to Saginaw County Drug-Free Workplace Policy #325. (attached with deletions in strike-out; additions in bold)

Recently, Saginaw County entered into an agreement with Covenant Healthcare to provide pre-employment physicals and drug testing services for County employees. The revisions to the Policy address how the County will process a specific drug test result, a dilute negative specimen, which may be reported by Covenant to the County. It will require the County to direct the employee or candidate for employment to submit to another drug test. The proposed policy changes have been reviewed by Legal Counsel.

We recommend Saginaw County Drug-Free Workplace Policy #325 be amended, as submitted; further, that the proper County officials be directed to distribute the policy to all Saginaw County Elected Officials, Department Heads, and Agencies of the County, and make the necessary changes to the Central Electronic File Repository for viewing on the County Board of Commissioners' web site, in accordance with County Policy.

UNFINISHED BUSINESS

FROM: EXECUTIVE COMMITTEE -- 6.1 SEPTEMBER 18, 2007

At the May 22, 2007 Session, the Board approved the Calendar for adoption of the County's Fiscal Year 2009 Operating Budget. The early adoption of the budget calendar was to provide time for county departments to prepare for making significant budget reductions, targeted by the Controller at 12% for most General Fund budgets. At that same time, the Board began its own budget reductions with the immediate elimination of in-county mileage for commissioners.

To continue and follow through on the Board Chair's intent to reduce its own budget first, each member of the Executive Committee was asked to compile a list of recommendations for making cuts in the 2009 budget. The end result was an all inclusive list with the major items being the reduction or elimination of staff, per diems, training, benefits, and salary. The Controller then calculated the amount of savings that would result from each line item for the committee's review.

It is the unanimous consensus of your Executive Committee to make the 12% reduction in the 2009 budget of the Saginaw County Board of Commissioners by reducing the base salary for county commissioners by 50% effective January 1, 2009; further, that a letter be directed to the Saginaw County Officers Compensation Commission for consideration at its first meeting held no later than May 15, 2008, petitioning the Commission to approve the 50% reduction in the base salary for each county commissioner as adopted by this Board.

Respectfully submitted,

EXECUTIVE COMMITTEE

Cheryl M. Hadsall, Chair
James M. Graham, Vice-Chair

The Saginaw County Board of Commissioners is honored to recognize Miss Amy Wuobio for her heroic deed in saving the life of a young child. On Wednesday, August 1, 2007, Amy Wuobio who had just turned sixteen the day before was filling in for her sister as a lifeguard at the Zilwaukee Pool Park, Saginaw, Michigan. Amy was only three hours into her first day on the job when a two-year-old toddler fell into the shallow end of the swimming pool. Family members pulled the girl out of the pool, desperately yelling for a lifeguard. Amy rushed to help the toddler. During this very tense moment, the little girl was not breathing and turning blue, Amy performed CPR, “giving her two breaths, re-tilting her head, clearing the airway and giving her two more breaths.” The toddler responded. Amy was trained at the Saginaw YMCA in life saving and was praised by her supervisor for saving a life and following the procedures in administering CPR. The Saginaw County Board of Commissioners joins the Zilwaukee City Council and the residents of Saginaw County in thanking Amy Wuobio for showing the compassion and ability to extend herself to others when help could not wait.

INITIATORY MOTIONS

Commissioner Woods moved, supported by Commissioner Foxx that Sergeant Mark Przybylski, Deputy Steve Fresorger, Detective Frank Smith, Deputy Joe Lysogorski, and Firefighter and County Equalization Director James Totten receive resolutions of commendation for saving the life of Jack Campbell. (See under Audiences; resolutions were presented on Monday, December 10 at Horizon’s and formally adopted at the December 11 Session.)

APPROPRIATIONS COMMITTEE

Chair asked for a motion to suspend the Board Rules. Commissioner Hare moved, supported by Commissioner Krafft that, in light of the fact that the Appropriations Committee has no reports from subcommittees, the Board suspend the rules and move on to the next order of business on the agenda. (Counsel advised the motion is not debatable or amendable, and requires a 2/3rds majority vote for passage.)

REPORTS OF REGULAR COMMITTEES

FROM: COMMITTEE ON COUNTY SERVICES -- 2.1 NOVEMBER 13, 2007

At the October 16, 2007 Session, the Board approved the 2007 Apportionment Report subject to amendment (10-16-8/10-16-1.1). In communication no. 11-13-7, James T. Totten, Equalization Director, advises that the Report will require amending to reflect two changes in the tax rate requests from the townships.

The first change is the amount of additional voted millage for bridges and fire in Marion Township that was approved at 4.9073 mills; the amount should be 4.8855 mills. The second change is in the voted operating and fire millage in Zilwaukee Township that was approved at 4.2308 mills; the amount should be 4.2500 mills.

We recommend that the 2007 Apportionment Report, as amended and attached, be approved for the cities, townships, villages and school districts indicating the amount of millage to be spread, for all purposes, by the taxing entities within their jurisdiction. Said levies are expressed in terms of millage provided for in Section 37 of Act 347 of the Public Acts of 1968, as amended.

Respectfully submitted,

COMMITTEE ON COUNTY SERVICES
By Commissioner Ruth: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

UNFINISHED BUSINESS

FROM: COMMITTEE ON COURTS & PUBLIC SAFETY -- 3.1 

Your committee considered communication no. 9-18-18 from David A. Cable, 10th Circuit Court Administrator asking that two permanent part-time positions of Circuit Court Reporter be deleted and replaced with one full-time position.

For several years the position of Court Reporter was served by two individuals in a job-share arrangement with the time being split evenly between them. Recently, one of the Court Reporters left County employment and Mr. Cable would like to take the opportunity to make the position full-time. The additional cost would be minimal and any additional funding would come from the Court's budget.
It is the recommendation of your committee to approve the request of Circuit Court to delete two permanent part-time positions of Court Reporter and establish one permanent full-time position, effective September 3, 2007; further that the proper County officials be authorized and directed to make the necessary changes to the personnel complement and adjust the budget accordingly. Respectfully submitted,

**COMMITTEE ON COURTS & PUBLIC SAFETY**

Timothy M. Novak, Chair
Thomas A. Basil
Eddie F. Foxx

Todd M. Hare, Vice-Chair
Ann M. Doyle
Cheryl M. Hadsall

**APPROPRIATIONS AUTHORIZATION:** It is the recommendation of your committee to concur with the above.

Todd M. Hare, Chair
Timothy M. Novak, Vice-Chair

**October 16, 2007 Session**

Commissioner Novak moved, supported by Commissioner Hadsall to approve. Commissioners Hare and Wurtzel questioned the long term impact on health care costs. Commissioner Wurtzel said he could not support the motion until the cost was determined and he tabled the motion by commissioner privilege. Administration Director Thompson said he would provide the information but advised that the amount will be based on several assumptions.

**November 13, 2007 Session**

Chair announced the motion on the floor. Administration Director Thompson reported he provided information to Commissioner Wurtzel and did not hear back with any further questions. Discussion having ended, the Chair called the vote. Motion carried with a nay recorded for Commissioner Wurtzel.

**ELECTION**

The Chair announced the election would now be held to fill two expiring positions on the HealthSource Saginaw Board of Trustees. *(reference communication no. 9-18-24 from HealthSource submitting three names of qualified candidates for each of the two expiring terms)*. Commissioner Novak nominated Robert Cramer – one of names submitted to fill seat #1. Commissioner Doyle moved, supported by Commissioner Basil to reject all three names submitted by HealthSource. The Chair requested input from Counsel Borrello on the process. Counsel responded he would need to review the bylaws and other information before providing an opinion. After a short recess, the Board reconvened and the matter was held over by the Chair to the next day’s session, scheduled for December 11, 2007.

**ANNOUNCEMENTS BY THE CHAIR**

Chair Hadsall announced the new Emergency Operations Center located in the lower level of the Courthouse has opened.

Today’s Board is followed by a Committee of the Whole meeting.

**COMMISSIONERS’ AUDIENCES**

Commissioner Krafft invited commissioners to Frankenmuth’s Holiday lighting on November 23 at 6:30 p.m.

The Chair announced the Board Rules allow three minutes for a petitioner to address the Board.

Judge Patrick McGraw, Probate Court provided information on why the proposed reclassification of the Probate Register / Court Administrator position in his office should be approved.

CERTIFICATE OF RECOGNITION
Presented to:
Sergeant Mark Przybylski, Deputy Steve Fresorger, Deputy Joe Lysogorski,
Detective Frank Smith - Saginaw County Sheriff Department
and
James Totten, Director, Saginaw County Equalization
Assistant Chief, Birch Run Fire Department

On Tuesday, November 11, 2007 at 5:15 p.m., Saginaw County resident Jack Campbell went into sudden cardiac arrest at the Saginaw County Governmental Center after speaking at a meeting of the Saginaw County Board of Commissioners. In attendance at the meeting were three off-duty Officers of the Saginaw County Sheriff Department, Sergeant Mark Przybylski, Deputy Steve Fresorger, and Detective Frank Smith. Also present was County Equalization Director and Birch Run Firefighter James Totten. The call was made to 911 and through a coordinated effort of these rescuers the life saving first aid techniques were begun.

The men moved Mr. Campbell to the floor and laid him on his side. He was then moved to his back when a pulse could not be detected. Sergeant Przybylski and Deputy Fresorger began CPR while Firefighter Totten assisted with gathering medical information and coordinating the rescue. At the same time, Detective Smith responded to the law enforcement area of the Courthouse to wait for the ambulance. He summoned on-duty Courthouse Security Officer, Deputy Joe Lysogorski, who rushed to the Board Chambers with the automated external defibrillator. The AED was attached to Mr. Campbell and after shocking him two times, his breathing was restored. Delivering the electrical shock to the heart was the most critical step in restoring his cardiac rhythm. Upon the arrival of Mobile Medical Response personnel, Mr. Campbell was placed in their care and transported to St. Mary's of Michigan in Saginaw.

When mere minutes were the key to survival, the coordinated sequence of steps that were activated by the five on-scene emergency personnel in response to a victim who suffers sudden cardiac arrest brought this incident to a successful conclusion. We commend Sergeant Mark Przybylski, Deputy Steve Fresorger, Deputy Joe Lysogorski, Detective Frank Smith of the Saginaw County Sheriff Department and James Totten, Director of Saginaw County Equalization and Assistant Chief of the Birch Run Fire Department for their heroic actions. The quick and appropriate action taken by these five individuals saved the life of Jack Campbell, and for that we are all grateful.

CERTIFICATE OF RECOGNITION
Presented to:

Deputy Max Williamson, Deputy Joe Lysogorski, Deputy Mike Martin
Saginaw County Sheriff Department

On Friday, November 30, 2007 at approximately 9:15 a.m., Saginaw County Assistant Prosecutor Richard King found Oakland County Attorney Michael Skinner on the floor in the restroom on the 4th floor of the Saginaw County Governmental Center. Mr. King immediately notified Deputy Max Williamson who by radio contacted the Courthouse Security Deputies at the front lobby to call 911 for an ambulance and to bring the automated external defibrillator. Deputy Williamson then pulled Mr. Skinner from under the sinks and tried to get him to respond by yelling his name and shaking him. Mr. Skinner gasped for air once or twice, however, he did not move. Deputy Joe Lysogorski arrived with the AED, and Deputy Williamson advised that he could not find a pulse. Deputy Lysogorski attached and administered the electrical shock; after two times no pulse was detected. Deputy Mike Martin arrived on the scene and the three began CPR; after two cycles no pulse was detected. Deputy Lysogorski administered another electrical shock after which a pulse was finally detected. Mobile Medical Response personnel arrived at that time and Mr. Skinner was placed in their care and transported to Covenant Hospital.

On December 7, friends of Mr. Skinner reported he was awake, alert and doing very well. He even surprised the hospital staff as they did not think he would survive as well as he had. They are calling him their "Christmas Miracle." There is absolutely no doubt that the actions taken by these individuals saved the life of Mr. Skinner. We commend Deputy Max Williamson, Deputy Joe Lysogorski, and Deputy Mike Martin of the Saginaw County Sheriff Department for their heroic measures. The quick and appropriate action taken by these three individuals saved the life of Michael Skinner, and for that we are all grateful.

   4.4) Recommendation, re: classification of Register/Court Administrator position
       ---Graham moved, supported by Wurtzel to approve same. There were exceptions to the recommendation and the floor was opened for debate. Some commissioners were concerned that approval would send the wrong message to county employees at a time when $4 million in reductions will be required to balance the 2009 budget. The role of the Factoring Committee was explained, and the duties of the position. The Controller responded to a number of questions from commissioners: the monetary difference between the current classification of H10 Step 4 and the recommended classification of M12 Step 4 is $15,000 yearly; this is a 33 year employee of the County. Woods moved, supported by Braddock to refer the recommendation back to the Labor Relations Subcommittee. Motion carried; nays were recorded for Graham, Hadsall, Novak, and O'Hare.
   4.5) Recommendation, re: Employment Separation Option
       ---Graham moved, supported by Hadsall to approve same. There were exceptions to the recommendation and the floor was opened for debate. Some commissioners were concerned with the absence of an age requirement for the twenty years and out, and the subsequent long-term cost to the County. They felt that layoffs were the best direction to proceed. Wurtzel moved, supported by Bartels to refer the recommendation back to the Labor Relations Subcommittee. In response to how a delay would affect the 2009 budget calendar, McGill said it would shorten the time to educate employees and for departments to plan. Some commissioners asked for more information on numbers of employees and costs. Others were opposed to the referral and encouraged the Board to act on it today. Discussion having ended, the Chair called the question. Motion carried to refer back to committee; nays recorded for Foxx, Graham, Hadsall, Novak, O'Hare, Ruth.

The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting and its attainment represents a significant accomplishment by a government and its management. It is affirmation that Saginaw County has met the high standards of the program and demonstrated a constructive "spirit of full disclosure" to clearly communicate our financial story.

We commend County Controller/CAO Marc A. McGill, Administration Director Michael E. Thompson, Financial Services Manager Koren A. Reaman, and staff of the Financial Services Division for meeting the standards and model reporting requirements prescribed by the Governmental Accounting Standards Board thus qualifying Saginaw County for continuing recognition for excellence in financial reporting. We further recommend this informational report be received and filed.

By Commissioner Braddock: That the Report of the Committee be received and the recommendations contained therein be adopted. Approved.

REferred BACK TO LABOR RELATIONS SUBCOMMITTEE

Your Labor Relations Subcommittee considered Standing Committee referrals for reclassification of existing positions and/or classification of new positions. Job descriptions were approved and placed on file in the Controller's Office; the positions forwarded to the Factoring Committee for evaluation in accordance with County Policies and Procedures.

We herewith submit the following for approval and direct the proper County officials to make the necessary budgetary adjustments in the respective departmental budget(s).

A) Judge Patrick McGraw, Probate Court requesting factoring evaluation of the position of Probate Register / Court Administrator H10 (comm. no. 8-21-17)

---Based on point factoring, we recommend the position of Probate Register / Court Administrator be placed in grade M12.

Respectfully submitted,
COMMITTEE ON APPROPRIATIONS
Todd M. Hare, Chair
Timothy M. Novak, Vice-Chair

December 11, 2007 Session:
Commissioner Graham moved, supported by Commissioner Wurtzel to approve same. There were exceptions to the recommendation and the floor was opened for debate. Upon conclusion, Commissioner Woods moved, supported by Commissioner Braddock to refer the recommendation back to the Labor Relations Subcommittee. Motion carried; nays were recorded for Commissioners Graham, Hadsall, Novak, and O'Hare.
At a Committee of the Whole meeting held on November 13, 2007, information included in communication no. 11-13-8 relating to the FY 2009 budget process and anticipated budget reductions in accordance with the approved 2009 Budget Calendar was presented and reviewed. The information included a recommendation to offer eligible individuals an employment separation option intended to provide cost saving measures for various departments and to help avert layoffs. The committee forwarded the recommendation to your Labor Relations Subcommittee for review.

The recommended employment separation option would be offered to all employees who have accumulated at least 20 years of retirement service credit during the six (6) month window period of April 1, 2008 through September 30, 2008. Any eligible employee who retires during the window period would receive twice their currently allowable paid time off bank pay out and would not be required to pay any retiree health insurance premiums.

During January of 2008, group educational meetings would be conducted to explain the option and the selection process. A voluntary declaration letter would be sent out on January 31, 2008 to all eligible employees and the employees would have until February 29, 2008 to return a signed voluntary declaration letter with their intent to retire during the window period. The timing of declarations is intended to fit into the budget calendar in such a way that cost savings could be documented and planned for as part of the fiscal 2009 budget year beginning on October 1, 2008.

We recommend approval of the employment separation option as presented and authorize and direct the proper County officials to proceed by making arrangements with the Municipal Employees Retirement System (MERS) to implement the 20 and out window and reallocate assets. Under the proper order of business the appropriate resolutions will be submitted.

Respectfully submitted,
