Saginaw County Emergency Management Division

PRESS RELEASE

Stay clear of the Gratiot & River Road Intersection

Saginaw County Emergency Management and local fire and police personnel are requesting all residents avoid the area of Gratiot Road and River Road Intersection. This intersection is closed due to flooding. Water levels continue to rise.

Thomas Township Fire and Police personnel are reporting increased traffic congestion along South River Road due, in part, to residents attempting to view the flooded area. Increased traffic is diverting necessary emergency personnel from priority services to address this traffic problem.

For your and everyone's safety, please stay clear of the Gratiot Road and River Road area.

For additional road closure information, please visit the Saginaw County Road Commission website. <https://www.scrs-mi.org>.

During the Flood Emergency, please utilize 911 for emergencies only.
Do not call 911 for directions or road closures.

Monitor media outlets and Saginaw County Emergency Management Facebook page for updates.
