COUNTY OF SAGINAW

OFFICE OF COUNTY CONTROLLER

111 SOUTH MICHIGAN AVENUE SAGINAW, MICHIGAN 48602

ROBERT V. BELLEMAN

Controller/Chief Administrative Officer rbelleman@saginawcounty.com

June 6, 2016

Honorable Chair and Members of the Saginaw County Board of Commissioners Saginaw County Courthouse and Governmental Center 111 S. Michigan Avenue Saginaw, MI 48602

RE: 2017 Fiscal Year Budget Message

Dear Chair Hanley, Vice-Chair Ruth and Commissioners:

In accordance with the Uniform Budgeting and Accounting Act, P.A. 2 of 1968 as amended, and the County of Saginaw Board of Commissioners adopted Budget Calendar, I hereby present to you the proposed Fiscal Year 2017 County Budget totaling \$148,513,123, which represents a \$5,201,864 decrease from current Fiscal Year 2016. Saginaw County Fiscal Year 2017 commences October 1, 2016 and ends September 30, 2017. The Fiscal Year 2017 budget includes the use of \$5,448,984 fund balance (retained earnings) in 27 Funds for operations or for capital purchases and/or projects. A specific list of those Funds is attached herewith for your review.

The FY 2017 County Budget proposes a workforce of 619.75 fulltime, part time, temporary, and seasonal employees. Comparatively, the FY 2016 and FY 2015 County Budgets included a workforce of 623.13 and 639.48 respectively.

The Fiscal Year 2017 General Fund Budget totals \$44,330,452 and represents a \$94,870 (0.21%) increase from current Fiscal Year 2016 General Fund Budget. The General Fund is projected to realize a budgeted decrease of 2.13% in property tax revenues. Also, Court revenues are expected to decrease approximately \$385,000. This decrease in Court revenues coupled with the Prosecutor's request for additional General Fund contribution of \$236,000 towards the Prosecutor's Special Projects created additional financial stress on the General Fund in FY 2017. The General Fund is balanced without the use of fund balance. The General Fund deficit was eliminated through the reduction of Departmental expenses, declining or modifying new funding requests, the elimination of a vacant position in the District Court, and an increase in contribution from the Delinquent Tax Fund. The following budget highlights will provide you an overview of these changes.

Budget Highlights by Fund

The following section is to draw your attention to (1) substantive changes between the Fiscal Year 2016 budget and the proposed Fiscal Year 2017 budget and (2) departmental request that are not included in the Controller Recommended budget for FY 2017.

Fund 101 General Fund

10100 Board of Commissioners

Permanent Salary and Wages and Fringe Benefits were reduced to recognize the staffing changes the Board of Commissioners implemented in FY2016 by modifying the Staff Assistant position from regular full time to regular part time resulting in a net decrease in salary/wages and fringe benefits of approximately \$56,000.

Per Diem (Board of Commissioners) is recommended to be increased \$5,000 from \$27,000 to \$32,000 to cover costs associated with special committee and board meetings.

PHONE (989) 790-5210

FAX (989) 790-5566

Consultant Strategic Planning Services includes \$22,279 for strategic planning services in FY 2017. The Board of Commissioners will be asked to undergo a new strategic planning process since there will be at least four (4) new commissioners.

Comp Software Licensing Fees includes \$10,000 for Novus Agenda, the electronic board agenda the Board Coordinator is recommending the Board use.

13100 Circuit Court

Circuit Court revenue is expected to decrease by approximately \$72,000 with only one revenue line item increasing \$2,100 for a net-decrease of \$69,900 in Circuit Court revenue. Specific Court revenue changes are:

Court Costs – Circuit and District Court – revenue is expected to decrease by \$26,000.

Show Cause – Court fee revenue is projected at \$5,000 compared to a budget of \$40,000 – a \$35,000 decrease.

Bond Forfeitures revenue is estimated in FY 2017 budget at \$9,000, an \$11,000 decrease.

Circuit Court requested slight increases to various expense lines (i.e. membership and dues and workshops) because a new Circuit Court Judge will be elected in November 2016 and take the bench in 2017. Additionally, Circuit Court requested capital (i.e. painting, carpeting and furniture) for the new judge - \$5,500 was included in the FY 2017 Public Improvement Fund budget to cover costs associated with this request.

13200 Circuit Court/Due Process

Jury Fees was reduced to \$200,000, an \$80,000 decrease to reflect historical expenses. This expense has correlating revenue from the State of Michigan of \$100,000; as such the revenue was decreased by \$40,000.

Court Appointed Attorney – Business Court. Circuit Court requested \$2,000 for Court Appointed Attorneys. This request was not accepted, as the Business Court is a requirement of the State, and as such, the Business Court is an unfunded mandate.

Jury Questionnaire Processing was increased to \$20,000 to cover costs associated with processing Jury Questionnaires.

13600 District Court

District Court revenue is expected to decrease in FY 2017 by \$377,616 with several minor line item increases totaling \$63,000 for a net decrease in District Court revenue of \$314,616. The specific revenue changes are:

Court Cost – Circuit and District Court is expected to decrease \$224,619.

Civil Fees - District Court is projected to experience a decrease in revenue by \$28,000.

Overseeing Fees – Probation revenue is being reduced \$40,000 to reflect historical costs associated with this line item.

Bond Forfeitures revenues are expected to increase \$40,000.

Local Ordinances and Fines and Costs revenues are projected to come in less by \$85,000.

Judge Clark informed me the District Court recognized its revenues were declining and increased "counter fines" (i.e. traffic, civil infractions) by \$10.00 effective June 1, 2016 to offset the loss of these revenues; however, it is too early to know what impact this increase in counter fines will have on the District Court revenues.

Salary, wages and fringe benefits were reduced by \$48,923 to reflect the elimination of a Traffic Clerk, which is expected to become vacant in FY 2016.

Office Supplies line item was reduced by \$9,000. District Court has historically made a "bulk" purchase of office supplies at the end of the fiscal year for the succeeding fiscal year.

13800 Probation - District Court

Clerical Services were reduced to \$0 because the department is fully staffed, which resulted in a decrease in expenses of \$2,445.

14500 Law Library

The Circuit Court proposed including all costs associated with the Law Library into a new General Fund Activity (#14500). The request was not incorporated into the Controller Recommended FY 2017 budget. Law Library costs will remain in the Circuit Court, District Court and Prosecutor's Departmental budgets as well as in Fund 269.

14800 Probate Court

Salary and Wages Permanent – Overtime Premium – Probate Court requested \$14,000 in overtime wages to microfilm files, destroy closed files, create logs for acknowledgement of paternity, and undertake inventory of County Treasurer inheritance tax orders, marriage waivers, and secret marriages. However, the General Fund lacked enough resources to appropriate funding toward this project in FY 2017.

Consultant Services were requested to be increased by \$9,000, but were only able to be increased by \$5,000. Consultants are used to "monitor and review" request for guardianships, visit wards, speak with ward(s) staff at the facility, visit or speak with the guardian and present written reports to the Court. The Court is experiencing an increase in guardianship requests.

14900 Family Division

The Family Court is recommending an increase of \$10,000 in **Reimb-Surveillance Fees** to represent revenue from non indigent families' charges for tether. This proposed revenue has an offsetting expense of \$10,000 for electronic monitoring.

Salary and Wages Permanent increased to \$68,090 and Fringe Benefits increased \$56,253 to cover costs associated with two positions no longer Child Care Fund eligible. The two positions include the School Truancy Officer (100%) and case worker (50%) with the General Fund responsible for these costs. Previously, the Family Court believed these positions would be cost shared with the State of Michigan through the Child Care Fund.

Building Rental line item was reduced to \$0 because the 2011 Series Building Authority Bonds are scheduled to be paid off in FY 2016. This represents a \$71,310 decrease in expenditures.

21500 County Clerk

Clerical Services line item was decreased to \$12,000 from \$23,984 to reflect actual costs.

22301 Controller – Administration

Salary and Wages Temporary includes \$14,837 which represents the costs associated with a graduate intern who will assist with the Compensation Study – a Board of Commissioners priority. This expense is the same amount of budget in FY 2016 budget.

22302 Controller - Financial Management

Salary and Wages Supervisory increased by \$58,293 and **Salary and Wages Permanent** decreased by \$45,034 for a net increase of \$14,225 in salary and wages associated with the creation of the Assistant Finance Director Position. Fringe Benefits increased by \$34,201.

Professional Services will decrease by approximately \$11,000 because the Finance Department is fully staffed.

22353 Controller – Personnel

Consultant Services reflects an expense of \$80,000 for a County Wide Compensation Study. FY 2017 will be the second year this expense has been budgeted. The County has not engaged a consultant to conduct the Compensation Study. A Request for Proposal (RFP) is being prepared. I expect the County will have engaged a consultant it late FY 2016. This will be a three to four year project. **Contract Services** is projected to decrease \$25,000 in FY 2017 because 15 of 16 Collective Bargaining Agreements have been settled.

22500 Equalization

Reimb – Contract Services revenue is reduced by \$51,100 because the assessing contract with Buena Vista Township expires on September 30, 2016. The County desires to renew this contract but because this is an election year, the Equalization Director has not heard from the Township about their intent to renew.

22900 Prosecuting Attorney

The Prosecuting Attorney anticipated a decrease of \$4,500 in revenue from **Reimb-State/OUIL**, and \$2,000 in revenue from **Reimbursement Bad Check Collections**.

Witness Fees expense was decreased by \$19,000 from \$50,000 to \$31,000 to reflect historical charges.

Witness Fees – material expense was decreased by \$2,000 to \$5,000.

Travel – Apprehension and Extradition was decreased by \$3,000 from \$8,000 to \$5,000 to reflect historical costs. The Prosecuting Attorney requested this line item be increased to \$9,000.

23000 Prosecutor - Welfare Enforcement

Federal Grants – Title IV-D Contract revenue was increased by \$9,610.

25300 County Treasurer

Dog Licenses revenues were reduced by \$12,000 to reflect the decline in revenues, which will result in a decrease in the amount of revenue available to Animal Control since \$80,000 of this revenue is retained by the County Treasurer to offset personnel costs associated with collecting Dog Licenses. The FY 2017 budget will reflect Dog Licenses revenue at \$160,000.

State Grants – Sales Tax Revenue Sharing is estimated at \$4,566,393, which is the same amount for FY 2016.

Revolving Loan Fund – **Administration** – The County is no longer allowed to charge the Revolving Loan Fund for administrative services, which represents a loss of \$6,600 for FY 2017. Saginaw Future, Inc. administers this loan program. The County maintains the financial records.

26506 Other County Properties

The **Salary and Wages Permanent** and related **Fringe Benefits** will decrease \$88,779, with the elimination of the six (6) month fulltime electrician salary and benefits. FY 2016 budget included this cost in anticipation of our electrician retiring

and providing a training/transition period. However, I am unaware of our current electrician desiring to retire anytime soon.

27500 Public Works/Drain Division

Sales – Public Auctions revenue reflects \$31,000, which represents anticipated revenues from the sale of the Public Works Commission vehicle. There is an offsetting expenditure of \$34,500 in vehicles and accessories to purchase a new vehicle for the Public Works Commissioner.

35100 Sheriff's Department Jail Division

The Jail Division will include a new revenue line item- **State Grant – Transport Genesee County** – for revenue received in housing Genesee County Inmates in the Saginaw County Jail. The FY 2017 budget will include \$810,000 in new revenue (50 inmates at \$45/per day for 360 days). This new revenue will be dedicated to cover shortfalls in the Law Enforcement Fund and increase costs associated with housing these inmates. If the County fails to secure this additional revenue, the Law Enforcement Fund expenditures will need to be reduced or additional funding (i.e. millage) secured for the same amount.

Contribution – Law Enforcement – The contribution from the Law Enforcement Fund to the jail is estimated at \$2,603,038, which is a decrease of \$49,875 from FY 2016. This amount is based on County Policy 224 adopted in 2011 when the Law Enforcement Millage was successfully passed. The decrease in contribution is due to a decrease in taxable value.

Salary and Wages Temporary – The Sheriff's Department requested to increase the salary and wages of temporary employees by \$107,000. Unfortunately, the General Fund will not be in a financial position to absorb this increase in cost. Specifically, the Sheriff's Department wanted to increase the hourly rate paid to temporary employees from \$10.00 to \$16.00 to remain competitive with Midland and Bay Counties.

Physician Services over cap expense was decreased by \$30,000 from \$50,000 to \$20,000 because Saginaw County is experiencing lower inmate population.

44500 Reimbursement – County at Large Drains

Reimbursement – County at Large Drains revenue was decreased \$195,823 to \$0 because the Public Works Commissioner/Drain Office will be invoicing the Saginaw County Road Commission directly for its share of County drain projects – this change in billing practices will commence in FY 2017.

60151 Medical Examiner

The Medical Examiner's office is anticipating a slight revenue increase of \$4,000 from **Cremation Permits** and \$10,000 from **Autopsy Fees**. The autopsy fees increase will be offset by an increase in corresponding expense of \$10,000.

Transportation costs are anticipated to decrease by \$12,000.

Building Rental is expected to increase by \$6,000 in FY 2017 as the Health Department realizes an increase in costs.

Comp. Software Licensing Fees will increase \$4,000 as new technology and/or programs are rolled out in the Medical Examiner's Office.

89950 Contributions – Other Agencies

County will contribute to the following agencies:

Underground Railroad \$ 25,500 (no change) Saginaw Area Storm Water Authority \$ 9,000 (no change)

\$ 110,777 (\$6,806 increase or \$0.10 per parcel) **GIS Authority**

Mental Health Authority \$1,050,303 (no change) Saginaw Future – Jobs \$ 200,000 (no change)

93000 Contribution from Other Funds

The FY 2017 General Fund budget anticipates the following contributions from:

\$1,600,000 (\$100,000 increase) Tax Payment (Delinquent Tax Fund)

Inmate Services Fund \$ 276,824 (no change)

96500 **Contribution to Other Funds**

The FY 2017 General Fund budget proposes the following contributions to other funds:

Law Enforcement \$ 403,301 (\$318,957 decrease) FOC - Act 294 \$1,081,682 (\$12,571 decrease) Child Care Probate \$1,293,412 (\$642,040 decrease) Child Care Welfare \$ 464,260 (\$56,000 increase) Health Department \$1,519,046 (no change) \$ 56,500 (\$10,488 increase) Law Library

MSU Extension Special Project

\$ 98,509 (\$105,535 decrease from FY 2016 and

\$123,713 from Department requested FY 2017)

Emergency Services \$ 123,758 (\$14,260 decrease)

Planning Commission \$ 26,687 (no change)

Social Services \$ 17,100 (\$81,700 decrease)

Soldiers Relief \$ 15,000 (no change)

\$ 562,516 (\$235,578 increase) Prosecutor's Special Projects

Fund 205 Road Patrol Millage Fund 207 Law Enforcement

The FY 2017 Budget proposes to combine Fund 205 (Road Patrol Millage) and Fund 207 (Law Enforcement) into one Fund because both Funds, in essence, provide the same services and with a combined millage can account for these costs collectively.

Current Real Property Taxes

Fund 205 anticipated tax revenues of \$1,576,952, which represented a slight decrease of \$30,205 from the .3394 tax levy and Fund 207 anticipated tax revenues of \$4,646,297, a decrease of \$88,996 from the 1.0000 mills. Collectively, the tax revenue is anticipated to be \$6,223,249 representing a decrease of \$119,201 from FY 2016.

Reimbursement 911 Authority is anticipated to be \$130,854 and represents reimbursement for Lt. Pfau's salary and other expenses (i.e. cell phone, uniform, etc.) while he serves as Deputy Director.

CFS – Foreclosure Processing Fee is estimated at \$25,000 and represents historical revenues.

Sales – Public Auction revenues are estimated at \$10,000.

Contribution General Fund is estimated to be \$403,301 and is based on County Policy 224. The amount the General Fund contributes adjusts with changes in taxable value. This FY 2017 Contribution represents a 1.88% decrease or \$7,727 from FY 2016.

Contribution – State Contribution - This new revenue is directly associated with the rental of jail beds to Genesee County/State of Michigan. They FY 2017 budget anticipates revenue of \$810,000 and the full amount being contributed to the Law Enforcement Fund to cover costs in excess of projected revenues for this Fund.

Reimbursement – MBS Airport Security is anticipated to increase \$29,055 pursuant to the contract between the Sheriff's Department and MBS Airport

Reimbursement – Contract Services is expected to increase \$10,000 and represents direct cost reimbursement from Kochville Township DDA.

Reimbursement – Townships is expected to increase \$2,000 for services provided to Merrill Township; however, the current contract is scheduled to expire in September 2016 and a new rate could be negotiated.

Reimbursement – Process Server Fees were decreased to \$9,000 from \$60,000 representing a \$51,000 loss of revenue. The proposed amount is consistent with current decline in this revenue.

Salary and Wages Permanent - Overtime – Premium – The FY 2017 budget includes \$195,000 in overtime which is consistent with actual overtime expenses each year. The Sheriff's Department requested this expense be increased to \$210,000 due to overtime requirements caused by FMLA, injuries, sick, scheduling vacations, and training.

Uniforms and Accessories will increase \$2,250 to \$18,000 due to cost increases and deputies need for new uniforms and equipment.

Contribution – Sheriff Special Projects is estimated to be \$35,257 which represents the match for Selective Enforcement Grant.

The FY 2017 Law Enforcement Fund (#207) includes the purchase of 9 vehicles (\$262,303). The Sheriff's Department requested 12 vehicles and a prisoner transport van be replaced.

The FY 2017 Law Enforcement Fund also included capital purchases totaling \$84,889 for bulletproof vests, ammunition, tasers, taser cartridges, pepper spray and flashlights

Fund 208 Parks and Recreation Commission

Salary and Wages Temporary is being increased by \$30,000 from \$120,000 to \$150,000 because of increased costs associated with a seasonal program coordinator and additional seasonal staff.

Consultant Services is budgeted at \$8,000, a \$3,000 increase, to hire a videographer for Parks promotional material.

Building Repair and Maintenance is budgeted in FY 2017 at \$15,000, a \$14,000 increase for scheduled building upgrades and structural office upgrades.

Special Projects will be increased in FY 2017 by \$20,000 for a total of \$100,000 to make increased investment in recreational opportunities in the City of Saginaw.

FY 2017 Capital Expenditures total \$122,500 and include repair/replacement of food service equipment at Haithco; Haithco Circle Drive repairs, Vets Boat Launch repairs, paddle boat replacement, replacement of 15 octagonal tables at Haithco, replacement of operations Supervisor vehicle and a small trailer for trail maintenance.

FY 2017 revenue exceeds projected expenditures by \$58,869, which will be used to increase the Parks and Recreation Fund Balance.

Fund 215 Friend of Court

Capital Outlay under \$5,000 will be budgeted at \$12,000 to cover costs associated with replacement of hard drives, monitors, printers and keyboards. This expenditure is needed because the State of Michigan no longer supports any of the County's computer equipment.

Fund 221 Health Department

The Health Department proposes to use \$703,723 in fund balance for FY 2017. \$60,000 of the proposed fund balance use is to cover costs associated with resurfacing and restriping the parking lot. \$625,389 will be used to cover operating costs in Family Planning, Administration, Nursing Services, Laboratory Services, and Environmental Health.

60106 Family Planning

The Health Department had initially included a \$488,400 Capital Project to combine and renovate the Family Planning and STD programs onto the 4th floor; however, the Board of Health agreed a broader assessment of the current Health Department building is appropriate. The Board of Health recommends an architect/engineer be engaged to evaluate the buildings HVAC, structural, electrical and fire systems. Employees have complained about sections of the building being too cold in the winter and too hot in the summer. Additionally, employees have expressed concerns about not hearing the fire alarm in or near their workspace.

60113 Medicaid Outreach

Medicaid Outreach is a new grant program. The Health Department provides such services as outreach and education, eligibility determination, enrollment assistance, collaboration with community service providers, referral and coordination of services. The State of Michigan will be funding these services.

60115 Nursing Services

The Health Department proposes to eliminate a vacant nurse position representing an \$89,121 reduction in wages and benefits.

60119 Women, Infants and Children

The Health Department proposes to eliminate a vacant clerical position in FY 2017 representing a reduction in wages and benefits of \$62,413

60184 Home Visiting HOB

The FY 2017 budget reflects the elimination of this program and the two (2) part time Community Health Workers positions, which are vacant.

Fund 228 Solid Waste Management

The Solid Waste Management Fund is budgeted to use \$13,847 in fund balance in FY 2017. This Fund used \$149,067 in fund balance in FY 2015 and anticipates using \$135,220 in fund balance in FY 2016. As such, the Solid Waste Fund fund balance will only have the \$13,847 available for use in FY 2017.

Surcharges – Solid waste is expected to generate \$350,000 in FY 2017 budget which is unchanged from FY 2016. The Solid Waste Management Fund proposes to use its resources primarily in the following areas.

Consultant – Solid Waste Management \$ 121,318 (Mid Michigan Waste Authority)

HHW Collections \$ 20,000 (Health Department)

Contribution - Sheriff Special Projects \$ 55,421 (Motor Carrier)

Contribution – Planning Commission \$ 31,537 (Planning Department)

Project Cost \$ 130,269

52903 SW Disposal Area Site Review

The Solid Waste Management saw its first application to site a landfill/disposal facility in the City of Saginaw on M-46. The application fee for site review is \$10,000. This fee was paid in FY 2016; however, it is believed a portion (50%) of the review will occur in FY 2017. This is the first application in the past 15 years.

Fund 232 Event Center

This Fund anticipates the use of approximately \$119,769 in fund balance to cover costs (approximately \$60,000) associated with Capital Projects at the Event Center/FirstMerit Bank Event Park. The Building Authority is evaluating a number of capital needs for the Event Center and options on how to finance them over the next several years. One particular capital project involves the replacement of the ice system estimated between \$400,000 and \$500,000. The Saginaw Spirit has approached the Building Authority about replacing the scoreboard, renovating their locker room and installing signage. The estimated cost of these projects is \$1 million. The Building Authority is in discussions with the Spirit on how to finance these improvements.

Fund 238 Commission on Aging

Commission on Aging FY 2017 budget anticipates the use of approximately \$74,050 of its fund balance, which currently has an available balance of \$910,111.

Commission on Aging proposes \$222,800 in Capital for FY 2017. \$200,000 of the proposed Capital includes the purchase of four (4) passenger vans for transporting senior citizens. Commission on Aging anticipated receiving \$186,000 in Federal grant funds to cover this purchase. COA will be required to make a 7% match (\$14,000).

FGP Move to Marie Davis Center and Technology Upgrade	\$7,000	Technology costs for relocating the Foster Grandparent Program to Marie Davis Center and upgrade of Communications for Marie Davis Center.

67281 Case Management - Title III-B

This activity reflects changes to its personnel compliment by modifying the percentage of time two employees will spend either in Case Management and/or in Home Support Services. This adjustment in hours resulted in small adjustment in Salary and Wages Permanent and Fringe Benefits.

Fund 240 Mosquito Abatement Commission

The FY 2017 budget reflects \$10,000 in the Capital Outlay Under \$5,000 for the Mosquito Abatement Commission to acquire office and board room furniture.

Salary and Wages – Permanent – Overtime – Premium includes a \$2,000 increase due to change in the Fair Standard Labor Act making currently exempt employees making \$47,476 or less eligible for overtime.

The Mosquito Abatement Commission plans to increase its spending on suppressant and exterminate supplies by \$30,000 to increase efficacious period and provide community better control of nuisance and disease mosquitos.

The Mosquito Abatement Commission proposes in its FY 2017 budget to make the following Capital Investments.

Consolidation of gas islands, install new gas pumps, demolish the southern gas island	\$55,000
Equipment replacement – Maintenance Garage	\$10,000
Small electric pallet jack	\$ 5,000
Office/building improvements (i.e. painting, carpeting, and security upgrades, HVAC upgrades)	\$59,250
Vehicles and Accessories – vehicle replacement Education Department and a Forklift	\$81,000

62003 Source Reduction

The FY 2017 budget includes an additional \$35,000 for Source Reduction to complete outstanding projects in the pipeline prior to program changes. These additional funds will be used for construction and engineering. The total budget for this line item is \$155,000.

Fund 242 Planning

The Planning Commission anticipates the Solid Waste Management Fund will increase its contribution to this department in FY 2017 by \$5,187.

Fund 245 Public Improvement

The Public Improvement Fund is used to cover costs associated with capital purchases and projects for County Properties. The proposed FY 2017 Public Improvement Fund totals \$1,381,600, which represents a decrease of \$143,387 or 9.4% from Fiscal Year 2016.

The FY 2017 Public Improvement Fund contains cost associated with Priority "A" projects. Other projects may be labeled as Priority "B" or "C" and are not recommended for funding. There is one particular project request--replace the Courthouse/Governmental Center boiler/HVAC, estimated at \$2.5 million not included in the approved Capital Projects for FY 2017. The Public Improvement Fund has an available balance of \$2,112,040 after funding the recommended FY 2017 Priority "A" projects. The boiler/HVAC replacement would use majority of the Public Fund resources. We need to discuss how we should proceed with and fund this project. Bernard Delaney, Director of Maintenance, is evaluating several options.

Specific Capital projects and purchase are listed under tab "4" for your review.

Fund 250 Animal Control

Animal Control's Fiscal Year 2017 budget anticipates a \$13,350 decrease in property taxes. The remaining approximate \$249,000 is obtained through fees (Licenses, sale of animals) and donations. Specifically, the FY 2017 proposes to use approximately \$74,000 in donated funds for the care of animals. The Fiscal Year 2017 Animal Control budget includes the addition of a regular part time clerical and a regular part time kennel aid. These positions would exceed 29 hours per week; and as such, the employee would be eligible for health care. The increased cost is offset by the elimination of the fourth Animal Control Officer position. I believe Animal Control can effectively function with three (3) Animal Control Officers.

The Capital budget in the Public Improvement Fund includes the replacement of all cabinets, which has deteriorated because of moisture and use. Also, the Capital Budget includes repairing the parking lot

Fund 256 Automation Fund

The Automation Fund is a restricted Fund and can be used only to cover costs associated with upgrading technology in the Register of Deeds office with priority given to upgrading search capabilities. According to Civil Counsel Opinion (dated June 2, 2016) "Upgrading includes the design and purchase of equipment and supplies and implementation of systems and procedures that allow the Register of Deeds to receive, enter, record, certify, index, store, search, retrieve, copy and otherwise process by automated procedures and advanced technology documents, instruments, abstracts, maps, plats and other items recorded or maintained by the Register of Deeds."

The Automation Fund for FY 2017 proposes to use \$142,634 in fund balance to cover two primary line items; Contractual Services (\$93,000) and Computer Services (\$59,733).

Fund 267 Area Records Management System

The Area Records Management System (ARMS) Fund was established to account for costs associated with operating and maintaining ARMS, which was used by area law enforcement agencies for record database on criminals or individuals law enforcement personnel encountered.

In 2013 Saginaw County entered into a three (3) year Agreement to transfer ARMS to the Michigan State Police who renamed the database – State Records Management System (SRMS). The contract requires Saginaw County to transmit any funds remaining in ARMS at the end of the contract period. FY 2017 reflects \$263,956 being contributed to other agencies, which is in essence the transfer of this remaining balance to MSP.

26701 Statewide Records Management System

The County had also received a \$3,656,264 million grant from the State to cover costs associated with the transition of ARMS to SRMS. The 3 year grant expires September 30, 2016.

Fund 268 Jail Records Management System

The Jail Records Management System is grant funded under a three year CGAP grant, which totaled \$881,944 and was used to build a database/records management system for the jail. This grant expires in 2016. As such, there are no moneys appropriated in Fund 268 for Fiscal Year 2017.

Fund 269 Law Library

The Law Library accounts for updates to our electronic law database (Thomson Reuters) used by attorneys and employees at the Courthouse and a contract with the Saginaw Library to accommodate public access to the Law Library. This fund required a \$10,448 increase in contribution from the General Fund. This Fund's budget totals \$63,000. The Circuit Court, District Court and Prosecutor's Office are charged directly for their share of legal publications and electronic database updates.

Fund 278 Special Projects – (District Court Parking)

24100 The County and District Court share in parking revenue generated from the metered parking spaces around the Courthouse. The revenue generated is shared 66.6% County and 33.3% District Court. The County uses its share to cover the expenses associated with a dedicated Parking Clerk. The District Court uses its share for technology upgrades, Capital or other expenses not paid for by the General Fund.

The Fiscal Year 2017 budget proposes the use of \$44,500 from District Court Parking fund to replace chairs, prosecutor tables and podiums in courtrooms.

27501 Drain Division - Maintenance

The Drain Division – Maintenance budget for FY 2017 totals \$185,859 and includes the creation of a fulltime Project Manager to assist Engineer, Construction/inspection and Soil Erosion administration. With 50% (\$44,714) of this Project Manager's wages and benefits charged to this activity.

Fund 280 Sheriff - Special Projects

30152 Bulletproof Vest Grant Program

This activity has accounted for the Justice Department's Grant Program which shared in the cost of replacing bulletproof vest within the Sheriff's Department. Historically, the Bulletproof Vest Grant Program contributed approximately \$1,400 (2014). However, the County does not anticipate receiving grant funding in FY 2017 because the Justice Department has had less money available to distribute nationwide and the County has not received grant proceeds in FY 2015 or FY 2016. Therefore, this activity had been reduced to zero in FY 2017.

33490 Motor Carrier Enforcement

The Motor Carrier Enforcement activity has struggled to maintain funding from the Solid Waste Management Fund and the Saginaw County Road Commission over the past several years. As such, the Sheriff's Department has partnered with other departments to cover any shortfalls. FY 2017 budget reflects the following contributions for the Motor Carrier Enforcement Program.

Solid Waste Management \$54,421 (decrease of \$6,158)

Road Commission \$25,000 (decrease of \$20,000)

Family Court \$27,000 Swift and Sure Grant \$35,000 (new)

34204 Plus Home Surveillance

The Plus Home Surveillance program needs to use \$192,402 from fund balance in FY 2017, which has an available fund balance of \$319,647.

Fund 282 Prosecutor's Auto Theft Division

The Prosecutor's Auto Theft Division receives a state grant covering 50% of this activity, which is a 5% decrease from 2015. As such, the General Fund will need to contribute an additional \$5,072 in FY 2017 for a total General Fund Contribution of \$78,391. The total activity's budget is \$146,056 and covers one (1) Assistant Prosecuting Attorney.

22904 Prosecutor's Victim's Rights

The Prosecutor's Victim's Rights Office anticipates a state grant of \$208,858 in FY 2017 and covers eligible expenses, except liability insurance. Risk Management Fund will contribute \$2,163 to cover the liability insurance. The Victim's Right's FY 2017 budget included temporary staff, (\$21,781) which was eliminated to balance the budget along with a General Fund Contribution of \$3,822.

22905 Prosecutor's Asset Forfeiture

The Prosecutor's Asset Forfeiture Federal Grant for FY 2017 is anticipated at \$12,784, which is a reduction of \$5,811 from previous years. The General Fund will be required to contribute \$199,106, which is a \$44,594 increase from 2015 and a \$14,278 increase from FY 2016. The Prosecutor's Asset Forfeiture program employs one (1) Assistant Prosecuting Attorney and one (1) Financial Investigator.

22912 Major Crimes Prosecution Grant

Major Crimes Prosecution Federal Grant will not be renewed in Fiscal Year 2017. As such, the General Fund Contribution will need to increase \$212,406 to cover the \$281,195 FY 2017 budget. Major Crimes Prosecution program employs two (2) Assistant Prosecuting Attorneys.

Fund 286 MSU Extension – Special Projects

25700 MSU Extension

The FY 2017 budget recommends a contribution of \$98,509 (Assessment) for MSU Extension. This recommended budget is \$105,535 lower than FY 2016 budget and \$123,713 lower than amount MSU Extension requested for FY 2017. The shortfall is used to cover costs associated with support staff position, office space, internet, phone, and copier maintenance. However, the General Fund lacks the resources to cover these expenses in FY 2017.

Bay County contributes \$123,500 per year to MSU Extension, which pays for the annual assessment and one person. Midland County contributes \$60,083.

Fund 290 Social Welfare

67002 FIA Local (State) Programs

The General Fund is required to pay the meeting per diems, membership dues and travel/workshop expenses of the local DHS Board. The FY 2017 budget anticipates these costs to be \$17,100. Previously, the General Fund was required to cover hospitalization costs for indigent/low income residents without insurance, which would cost \$80,000. However, the Affordable Care Act eliminated the need for the County to cover these expenses when the State of Michigan expanded Medicaid.

Fund 292 Child Care

66200 Child Care – Family Division

The FY 2017 budget anticipates the use of \$1,005,927 in fund balance. The State is expected to contribute \$2,530,838 in FY 2017 for eligible expenses and the General Fund is expected to contribute \$1,293,412, which is approximately \$640,000 less than FY 2016. This reduction of \$640,000 in expenses is directly attributed to line item 292-66200-83200 – State Institutions. Historically, State Institutions costs have been \$45,064 (2015) \$52,190 (2014), \$72,000 (2013). The County is responsible for 100% of these costs. The Family Division/Court has worked diligently to keep these costs low compared to a high of \$414,995 (2011).

The Child Care – Family Division FY 2017 budget reflects several personnel changes. The School Truancy Officer position was originally Child Care Fund eligible, which would cover 50% of the cost for this position or \$80,101. However, the School Truancy Officer Position is no longer Child Care Fund eligible because their case load exceeds state established ratio. As such, the General Fund will be required to cover 100% of this position's wages and fringe benefits.

Additionally, a Juvenile Probation Officer position, which currently is shared 50% Child Care Fund and 50% General Fund, will become 100% General Fund expense in FY 2017, a \$44,242 increase.

66300 Child Care - Welfare

The Child Care – Welfare activity requires and additional General Fund contribution of \$56,000 in Fiscal Year 2017 for non-matchable expenses.

Fund 293 Veterans Relief

The Veteran's Relief Fund is budgeted to receive \$15,000 General Fund Contribution. This Fund pays for costs associated with the monthly stipend of \$100 for the Soldiers/Sailor Relief Commission, bugler's services, headstones and markers, veteran's relief, etc.

Fund 636 Information Systems and Services

Information Systems and Services FY 2017 budget includes \$22,650 in increased revenues for GIS Website administration and \$18,750 for SRMS support. The City of Saginaw asked Saginaw County to manage the GIS in FY 2017. Also, the FY 2017 budget includes \$50,000 for a consultant to assist Information Technology staff in selecting business process "canned" software as the County transitions off the mainframe. The FY 2017 budget also includes an increase of \$165,154 in "Computer Agreements – Maint" to cover the costs of contracting with Blue Hill to host and support our mainframe system. Other expenses decreased as a result of the contract with Blue Hill. \$150,000 is budgeted in Capital Outlay for implementation of email software and hardware \$110,000 for computer hardware and \$124,000 for PC repair and replacement consistent with Board of Commissioner approved 5 year computer replacement program.

Fund 641 Soil Erosion

FY 2017 budget included an increase in soil erosion permit fee revenues of \$39,449 to support 50% (\$44,714) of the proposed full time Project Manager to assist, engineer, construction/inspection and soil erosion administration and a vehicle (\$35,000). This Fund also proposes the use of \$35,000 in fund balance.

The Board of Commissioners adopted **Priorities** at its June 16, 2015. Those Priorities are:

- Jail Renovation
- Animal Care
- Reduction of Crime Rate
- Personnel Compensation Study
- Unified Technology Plan/Update
- Economic Development
- Unfunded Healthcare

The Fiscal Year 2017 County Budget incorporates several of these Priorities. Specifically, the FY 2017 Budget includes \$80,000 for a Personnel Compensation Study, a Management Intern to assist with the compensation study; \$50,000 in Information System & Services for assistance in transitioning from our antiquated mainframe to "canned" software programs (Unified Technology Plan); \$236,000 in additional General Fund support to the Prosecutor's Special Projects (Reduction in crime); \$200,000 contribution to Saginaw Future, Inc. (Economic Development). There will be additional investment in possibly constructing a new jail and addressing retiree healthcare unfunded liability. I am working with Brown & Brown (healthcare consultant); R W Baird and Dickinson Wright; and Giarmarco, Mullins, & Horton, P.C. to prepare an action plan from the Retiree Healthcare Task Force recommendations. Additionally, Goldberg Group Architects (gga) are evaluating options and costs/cost savings for constructing a new jail. With the hiring of a new Director, Saginaw County Animal Care Center Staff and Advisory Council will continue its efforts on evaluating options of renovating and/or constructing a new animal shelter and identifying possible funding sources.

Koren Thurston and I spent two weeks reviewing the County Budget and making necessary changes to insure revenues reflect either historical trends or Department recommended amounts. Additionally, we made changes to expenditures based on historical trends or available resources. As with previous years, healthcare costs, Information System & Services' charges (ISS) and the Cost Allocation Plan have not been finalized. The FY 2017 Budget incorporates estimates for these services at the hard cap rates established by the State of Michigan, 9% and 6.5% respectively. We are in the process of reviewing health insurance bids and should be meeting with the Union Management Committee in July to finalize healthcare costs.

Departmental Name Change

Information System & Services Department desires to change its name to Information Technology (IT). Director Brown believes this change will more accurately represent his department and eliminate confusion ISS creates with its internal and external customers. There will be minimal cost associated with this proposed change.

Capital Budget

The proposed FY 2017 Capital Budget totals \$5,909,004 which represents an increase of \$566,346 over the Board approved FY 2016 Capital Budget. Departments were requested to submit not only the proposed FY 2017 Capital Improvement requests but also to update the 5 Year Capital Improvement Plan so the County can continue to monitor the needs of our departments and continue to invest in its properties and buildings.

Staffing

The FY 2017 Budget (Resolution B) establishes Authorized Personnel a total of 619.75 positions for a net reduction of 2.64.

Fifteen of the sixteen County Collective Bargaining Agreements have been settled and have a duration of three years (October 1, 2016 through September 30, 2019). The Personnel Director and County Special Labor Counsel continue to negotiate with the last bargaining Unit, which is CAOM representing the Command Staff at the Sheriff's Department.

Total budget wages for FY 2017 are \$30,865,043 Total budget wages for FY 2016 are \$30,748,540 Total actual wages for FY 2015 were \$31,429,614

The total budget wages for FY 2017 reflect a \$564,571 (1.8% decrease) from FY 2015 actual wages.

Attached herewith and incorporated into the FY 2017 budget are four (4) resolutions (A-D), which are to be adopted by you at your September 20, 2016 Board meeting.

- Resolution A sets forth the annual budget appropriations for all departments and restrictions for use of those appropriations. Resolution A was modified to incorporate the Sheriff's request to rent beds to Genesee County/State of Michigan and to dedicate those revenues to cover costs in the jail directly related to these inmates and shortfall within the Law Enforcement Fund.
 - Resolution B sets certain wage schedules not already contained in Board of Commissioners approved labor agreements. The list of Authorized Personnel only represents Controller recommended position additions and deletions.
 - Resolution C identifies capital outlay items for approval.
 - Resolution D sets fees for all departments.

A Committee of the Whole has been scheduled for June 29, 2016 at 4:00 pm to review the proposed Fiscal Year 2017 County Budget and to provide Department Heads an opportunity to request further adjustments to their budget for FY 2017 for requests not incorporated in the Controller Recommended Budget or for new information that becomes available after this budget document has been submitted to you.

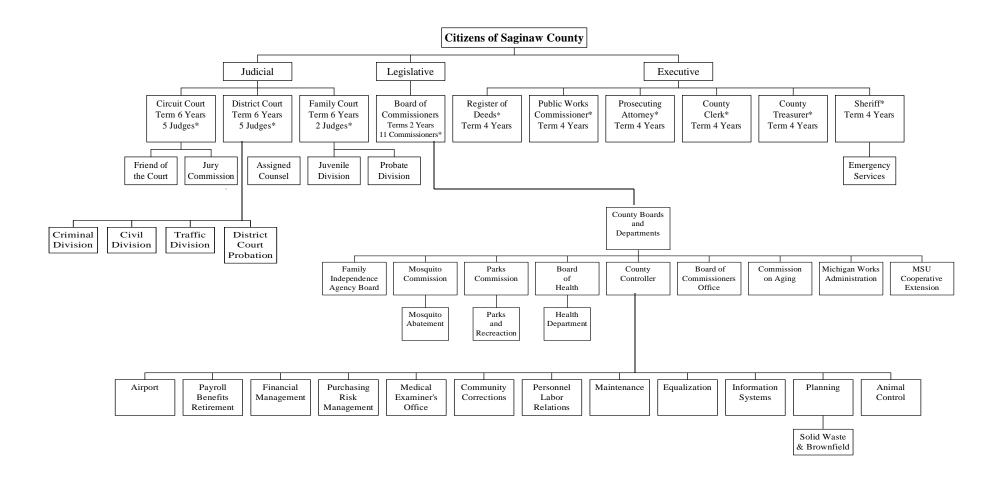

Finally, I would like to recognize the efforts of the Elected and Appointed Department Heads in keeping their expenses in line with our available resources and for pursuing alternate funding/revenues to offset declining resources; Koren Thurston and her staff for their hard work in assembling all of the financial information included in this document; and Cathy Brickel for assisting me in preparing this Budget Transmittal Letter.

Respectfully,

Robert V. Belleman Controller/CAO

UNFINISHED BUSINESS

FROM: COMMITTEE ON APPROPRIATIONS -- 4.2 *AMENDED

SEPTEMBER 20, 2016 AUGUST 16, 2016

Your Budget Audit Subcommittee received Communication No. 8-16-24 dated June 6, 2016 from Robert V. Belleman, Controller/CAO, submitting Draft #1 of the recommended Fiscal Year 2017 Budget. This Draft #1 of the Budget was submitted with all funds in balance. Each committee reviewed the proposed budgets and a Committee of the Whole meeting was held. The Budget was previously distributed to each commissioner and is available for review in the Office of the Board of Commissioners. The Budget Audit Subcommittee of Appropriations reviewed the budget as submitted, considered information presented at the Committee of the Whole meeting and have made amendments to Draft #1 of the 2017 Budget. These amendments were incorporated as Draft #2 of the Fiscal Year 2017 Budget. The Budget Audit Subcommittee met again in September and reviewed Draft #2 of the Budget, made amendments, and these amendments have been incorporated herein as Draft #3 of the Fiscal Year 2017 Budget.

Resolution A contains the amended total budget for the County including the General Fund. The amended total County Budget for Fiscal 2017 is \$148,693,009 which is a 3.84% percent decrease from the current amended Fiscal 2016 Budget. The amended General Fund Budget for Fiscal 2017 is \$44,587,925 which represents an increase of \$301,342 or .68% percent over the current amended Fiscal 2016 Budget. The General Fund budget does include the use of fund balance from District Court alcohol caseflow monies and will be subject to further expense control to ensure expenditures do not exceed revenues. Resolution A also contains the proposed County millage rates to be levied December 1, 2016 and July 1, 2017, as well as the authorization of the 9-1-1 surcharge to fund operations as set forth in the 2017 Budget.

Resolution B lists salaries for elected/appointed officials including judges and non-union employees. The salaries of elected/appointed officials have been set by the Saginaw County Board of Commissioners and the salaries of judges have been set by the State Officers Compensation Commission.

Resolution C sets forth the prioritized Capital Improvement Budget for Fiscal Year 2017, which totals \$1,381,600, a \$228,722 decrease over the current FY 2016 budget.

Resolution D sets fees for all departments controlled by the Saginaw County Board of Commissioners, as amended from year to year.

A public hearing was held at the August 16, 2016 session and comment was made on the proposed FY 2017 Budget, as amended, and on the proposed millages to be levied in December 2016 and July 2017. Notice was previously published in *The Saginaw News* and copies of the budget material will be made available to the public at the meeting.

It is the recommendation of your committee that Draft #3 of the Controller's recommended Fiscal Year 2017 Budget containing Budget Resolutions A, B, C and D be approved.

Respectfully submitted, **COMMITTEE ON APPROPRIATIONS**Michael J. Hanley, Chair

Approved by the Saginaw County Board of Commissioners September 20, 2016 Signed original and any attachments are on file in the Board of Commissioners Office Attested to by: Suzy Koepplinger, Board Coordinator/Deputy Clerk

RESOLUTION A

WHEREAS, The Saginaw County Board of Commissioners ("Board") has examined the 2015 annual financial report and budget requests for the 2017 Fiscal Year for the various departments, agencies, offices and activities ("Budgetary Centers"), which it by law or by policy must finance or assist in financing; and

WHEREAS, The Board has taken into consideration the fact that there are certain required functions of county government or operations which must be budgeted at serviceable levels in order to provide statutory and Constitutionally required services and programs; and

WHEREAS, The Uniform Budget and Accounting Act ("UBAA"), MCLA 141.421, et seq., requires that the Board enact a General Appropriation Act designed to appropriate for all County expenditures in the General Fund and all Special Revenue Funds; and

WHEREAS, The Board has the authority to enact a Special Appropriations Act designed to appropriate for all County expenditures in other County funds; and

WHEREAS, The Board has reviewed the Committee On Appropriation's recommended Budget for Fiscal 2017 and believes the same to contain funds sufficient to finance all mandatory County funded services at or beyond a serviceable level;

NOW, THEREFORE, BE IT RESOLVED, That the Fiscal 2017 Saginaw County Budget as summarized below and set forth in the Committee on Appropriation's recommended budget dated September 20, 2016, which is incorporated by reference herein, is hereby adopted on a fund and activity basis for all funds, subject to all County policies regarding the expenditure of funds and the conditions set forth in this Resolution. THE BUDGET PROCESS

BUDGET PROCESS SUMMARY

Saginaw County's fiscal year begins October 1 and ends September 30. Preparation of Saginaw County's annual budget typically encompasses a period of six months from April to September. Standard policies and procedures have been established by the Board of Commissioners to provide guidelines to the Controller, staff and departments for preparation, presentation and administration of the annual budget. This brief summary sets out how the Board of Commissioners, Controller, and staff work within the policies and procedures to complete the annual budget process.

SAGINAW COUNTY BOARD OF COMMISSIONERS FINANCIAL AND BUDGET POLICY GUIDELINES

At the beginning of the budget process, the Board of Commissioners provides written guidelines to the Controller and administrative staff regarding priorities and goals for the subsequent budget cycle. The Controller and staff implement Board direction by distributing budget instructions to the various departments. The instructions include the following:

- Target dates in the budget cycle
- Program priorities and major objectives
- Submittal requirements for new personnel, capital and/or program requests
- Submittal requirements for outside agencies
- Supplemental and supporting budget information

These guidelines and instructions are similar each year, but allow the Board of Commissioners and staff the opportunity to lay out priorities, as well as request new and different types of information in response to current issues. Guidelines also give staff and departments a view of the Board's expectations for the upcoming budget year.

BUDGET CYCLE

The County adopts its budget in accordance with Public Act 621, the Uniform Budgeting and Accounting Act, which mandates an annual budget process and an annual appropriation act to implement the budget. Under the State of Michigan law, the county must have a balanced budget so that revenues equal expenditures.

The budget cycle involves many people throughout the six month process, including department heads and staff, Financial Services Department, Controller's Office and the Board of Commissioners. Budget instructions are prepared by the Controller and Financial Services Department for each department head in April along with a target budget. The Department Head reviews the budget instructions and prepares any specific budget requests they may have for the upcoming fiscal year. The entire budget is stored on a computer system and each department head must enter the necessary data by the middle of May to complete their departmental budget.

During June, the Financial Services Department and Controller meet with various department heads to discuss the content of their requests and the revenue/expenditure level in their budget. The Controller submits a proposed budget for each department to their respective Committee in June. Each department head will have the opportunity to meet with their respective Committee if requested. Each Committee then makes a recommendation to the Budget/Audit Subcommittee of Appropriations in August which in turn submits the final recommended budget to the full Board. A public hearing (required by law) is held in August to provide any County resident the opportunity to discuss the budget with the Board of Commissioners. The budget and a budget resolution implementing it are then adopted in September. A summarized version of the budget book is printed for use by the Commissioners. Also, an electronic version of the budget book is then made available to the public and individual departments via the County's website (www.saginawcounty.com). The following page contains a calendar which denotes the typical annual budget process and general time frames for each step in the budget process.

BUDGET DOCUMENTS

The Financial Services Department prints preliminary and final budget documents as follows:

- <u>Budget Instructions</u> Detailed procedures for budget preparation that includes revenue and expenditure forecasts for each department;
- <u>Recommended or Target Budget</u> Includes various information about revenues and expenditures, personnel information, budget resolution and departmental and fund summaries for each Committee during budget hearings;
- <u>Budget Book</u> A full sized electronic version of the budget for the upcoming fiscal year. It contains departmental and fund summaries, personnel information, final budget resolutions and is designed for public distribution.

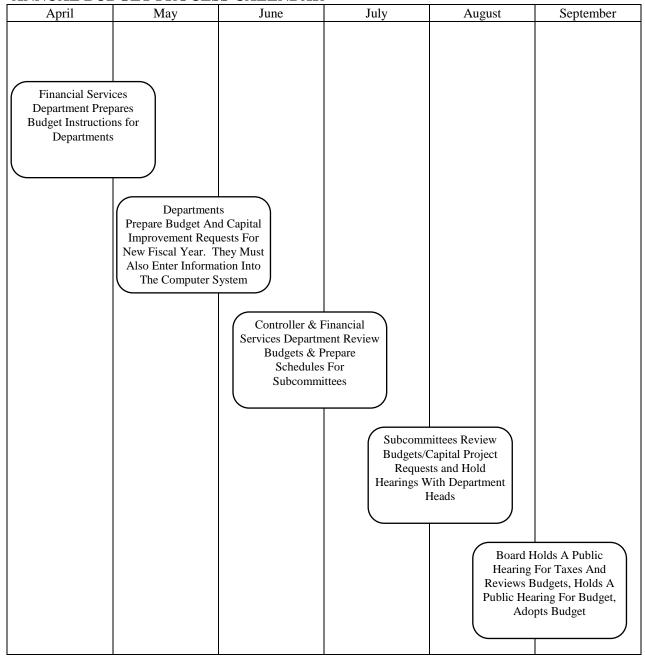

BUDGET ADJUSTMENTS

Proposed increases or reductions in appropriations or revenue in excess of \$75,000, involving a single or multiple funds, or any amendment resulting in a net change to revenues or expenditures are presented to the Budget/Audit Subcommittee for action. Transfers that are \$75,000 or less, within a single fund, or do not result in a net change to revenues or expenditures may be approved by the County Controller/Chief Administrative Officer. Budget adjustments will not be made after a fund's fiscal year end except where permitted by grant agreements. All budget appropriations lapse at the end of each fiscal year unless specific Board action is taken. The Controller/Chief Administrative Officer may, on a limited basis, approve the carry over of available balances and outstanding encumbrances for grants, capital projects, and outstanding purchase orders upon request of the department.

BUDGET CALENDAR

A master calendar schedule is used as a guide for setting the budget calendar each year by laying out time frames for stages of the overall budget process, including the capital projects budget. As mentioned previously, the Board of Commissioners sets specific dates for completion of stages within the process. The following shows the general time frame for the budget process:

SUMMARY OF SIGNIFICANT BUDGET POLICIES

BUDGETS AND BUDGETARY ACCOUNTING

The County follows these procedures in establishing the budgetary data reflected in the budget book:

- Prior to May 31, the County Controller submits to the Board of Commissioners a proposed operating budget.
- Public Hearings are conducted by the Board of Commissioners to obtain taxpayer comments.
- Prior to September 30, the budget is legally enacted through passage of a resolution. The budget is adopted at the fund and activity level for the General Fund and at the fund basis for the rest of the funds. These are the legal levels of control.
- The County Controller is authorized to transfer budgeted amounts between accounts within the same department of any fund upon written request by a department or division head for amounts up to \$75,000. Revisions that alter the total expenditures of any fund or total activity within a fund must be approved by the Board of Commissioners.
- Annual budgets are legally adopted and formal budgetary integration is employed as a management control device during the year for the General Fund and Special Revenue Funds. Annual Informational Budget Summaries are prepared for Enterprise Funds (except the Building Authority Administration Fund) and Internal Service Funds. Additional annual informational summaries for Fiduciary Funds are also included.
- Budgets for General and Special Revenue Funds are prepared on a modified accrual basis, while the
 Internal Service and Enterprise Fund budgets are prepared using the accrual basis of accounting.
 Both methods are consistent with Generally Accepted Accounting Principles (GAAP) and consistent
 with the basis of accounting.
- Budget appropriations lapse at the end of the year. The Controller, upon request from the department, may approve a budget carry forward for available balances and outstanding encumbrances for grants, capital projects and outstanding purchase orders.
- The original budget can be amended during the year in compliance with local and state laws. The
 budget to actual expenditures in financial statements represent the final budgeted expenditures as
 amended by the County.
- The County's Policies include a policy that establishes the manner in which a surplus fund balance in the General Fund is distributed among the County funds. The policy (#225), adopted May 19, 2015, establishes that any General Fund budgeted surplus must first be used to bring any reserve balances into compliance with County Policy #221 Fund Balance Policy. Any remaining surplus will then be divided equally among the following and transferred as follows: one-third (1/3) will be distributed to the Public Improvement Fund, one-third (1/3) will be distributed to the Other Post-Employment Benefits (OPEB) Funds, and the remaining one-third (1/3) will be distributed to the General Fund Reserve Fund Balance Accounts.

BUDGETARY CONTROLS

The County maintains budgetary controls to ensure compliance with legal provisions embodied in the annual appropriation resolution. The Financial Management System provides on-line access to account transactions and activity balances. It also conducts budget checks to verify that sufficient funds are available within an approved budget prior to authorizing payments or encumbering budgets.

GENERAL FUND

General Fund - This fund is used to account for all of the revenues and expenditures of the County not specifically provided for in other funds. Money for the operation of this fund is supplied from general property taxes, federal and state grants, state revenue sharing, licenses and permits, charges for current services, revenues from use of money and property, and all other revenue not specifically designated for other purposes. This fund shares a depository with other unrestricted funds. It is subject to the budgetary requirements of Act 2 of the Public Acts of 1968, as amended.

#### CAPITAL IMPROVEMENT PLAN

#### INTRODUCTION

This section contains the adopted 2017-2021 Capital Improvement Plan and budget with the Controller's recommendations for funding equipment and major projects the upcoming fiscal year.

The State of Michigan, Public Acts 621 of 1978, known as the Uniform Budget and Accounting Act, requires local units of government to develop a capital improvement plan and that plan must be updated and adopted by the legislative body each year in conjunction with the regular budget process.

A capital improvement plan is a five-year outline of recommended projects, estimated costs and proposed means of financing. The intent of the plan is to identify needs and plan for expenditures to meet those needs in an orderly, but flexible manner.

#### **EXAMPLES OF CAPITAL PROJECTS**

- New buildings
- Additions to existing buildings
- Building repairs
- Land acquisition
- Major equipment replacement or initial purchase (excluding vehicles)

#### EXAMPLES OF MEANS OF FINANCING

- Bond issues
- Federal or State grants
- Millage appropriation
- General Fund appropriation
- Departmental generated revenues

#### THE CAPITAL BUDGET PROCESS

Departments submit a list of their capital expenditure needs along with the operating budget requests (please refer to the budget calendar). These requests are reviewed by the Budget and Audit Subcommittee of the Appropriations Committee, the Controller and the budget staff. The recommendations for funding departmental requests are derived from this review process. The Appropriations Committee of the Board of Commissioners then recommends which projects are to be funded to the full Board.

The full Board of Commissioners approves the "plan" and may provide funds, in whole or in part. The adoption of the "plan" does not commit the Board to future appropriations and is subject to change, at its discretion. The capital improvement plan is then incorporated into the Budget and Audit Subcommittee's Recommended Budget and made part of the budget adopted by the Board of Commissioner's appropriation resolution.

The items in the plan emanate from requests submitted by the various departments, and recommendations by the Appropriations Committee of the Board of Commissioners, Controller and the budget staff. The resulting list is prioritized based on policies established by the Board. The plan authorizes new expenditures for the current year and reappropriates funds for projects and purchases authorized but not completed in prior years, subject to the availability of funds.
