

PRESS RELEASE

Contact: Robert V. Belleman
Controller/CAO
(989)790-5211

The County of Saginaw has re-opened its facilities to the public, effective immediately. Michigan Occupational Safety & Health Administration (MIOSHA), on June 22, 2021, repealed its COVID workplace safety rules and regulations. With this repeal, the County can safely re-open to the public. If you have previously made an appointment, departments will honor your appointment by giving you preference over walk-in traffic.

The County will maintain the Drop box outside of the Courthouse and still provide on-line services should you wish to conduct business through these alternate means.

The Board of Commissioners, at its Regular Session on June 22, 2021, repealed the Local State of Emergency declaration, effective July 1, 2021. With the repeal of this declaration all public meetings will be held in person at their designated locations.

Saginaw County Courts will be open to the public for certain hearings and will also continue to conduct some hearings via Zoom. It is important for participants to pay close attention to any notices from the court which will indicate whether a scheduled hearing will be in-person or via Zoom. If someone already has notice of a hearing to be conducted via Zoom, they should follow that listed date and time, unless they receive a different notice from the court.

Starting Monday, June 28th, people may also report to Room 319 for walk-in criminal arraignments between the hours of 8am-11am, and 130pm-4pm, Monday through Friday.

The County of Saginaw encourages anyone who is feeling ill to stay home. Anyone experiencing COVID symptoms will not be permitted to enter a County facility.

Commission on Aging

The Commission on Aging plans to re-open select Senior Center locations for activities and dining program on Monday July 12, 2021. Please contact the center you wish to participate for more information regarding activities and to sign up for lunch. The July Newsletter will also feature Wellness Programs at each center and will be available online at www.saginawcounty.com or call 989-797-6880 for the nearest location to pick up a paper copy after July 5, 2021. Lunch will be offered “to-go” for those not yet comfortable participating in person and reservations are required for the meal 48 hours in advance. *The Friendship, Buena Vista, and Freeland Senior Center’s will remain closed due to staffing and operational challenges.* It is our highest priority to resume pre-pandemic operations as soon as we are able to do so. We look forward to welcoming you back!

Senior Center	Days	Times	Senior Center Coordinator	Telephone Number
