PRESS RELEASE

COUNTY OF SAGINAW LIMITED RE-OPENING

Saginaw, Michigan. County of Saginaw administrative offices will re-open on Monday, February 1, 2021 **by appointment only**. Should you need to conduct in-person business with the County of Saginaw please call the specific office prior to arriving at any of the Courthouse or County offices.

The 10th Circuit Court, 70th District Court, 10th Circuit Family Division, Probate Court and the County of Saginaw closed all of its offices to in-person transactions on November 18, 2020 due to the rapidly increasing number of COVID-19 positive cases in Saginaw County. Christina Harrington, Saginaw County Health Department Health Officer, reported a decline in daily COVID-19 positive cases and increased capacity at local healthcare facilities. The County of Saginaw believes it can return to in-person transactions **by appointment only** while maintaining a safe environment for its residents and employees. Visitors will be required to wear a mask or face shield and maintain social distancing while visiting the Courthouse and County facilities. Your cooperation will be greatly appreciated.

Many County services remain accessible online, via the U.S. Postal Service or the “Drop Box” located at the Courthouse & Governmental Center. Residents can go to the appropriate department’s webpage at www.saginawcounty.com to see which services are available online.

The Saginaw County Courts remain closed to the public at this time. If you have questions regarding specific County services or would like to make an appointment for in-person transactions, you may contact the appropriate County department by calling the numbers below.
