Dear Chairman Ruth,

I appeared at the September Courts and Public Safety Sub-Committee and presented, for information, a resolution by the City of Saginaw naming the Saginaw County Emergency Management Coordinator (EMC) as the City EMC as described in PA 390 of 1976.

A concern on language within the resolution was expressed by members of the Committee, and I was asked to work with the City on a change of language; ultimately, the City of Saginaw agreed to adjust the language in question.

I have attached an updated copy of the City Resolution to this letter and request it be placed on the October Courts and Public Safety Sub-Committee Agenda. This is for informational purposes and requires no action by the County Board.

Respectfully,

Lt. Mark Przybylski

Dear Family Court Judges, Family Court Administrators and County Treasurers:

The Youth Rehabilitation Services Act, MCL 803.301 et seq., requires that the department “prescribe the liability of counties for the cost of services for state wards.” **The department has determined that the attached rates will be effective for calendar year 2023, effective January 1, 2023.** These rates shall remain in effect until the next scheduled revision in 2024.

Each county will continue to be charged one-half of the appropriate per diem costs for care provided to a state ward. There is no chargeback for Title IV-E funded youth placements.

The department is making every effort to contain the cost of care for youth placed in State facilities while ensuring the provision of quality care. Medical costs incurred for individual youth that are over and above routine medical care will continue to be billed directly and are not included in the per diem cost. Routine medical care consists of services such as routine physical exams, dental exams, first aid and over the counter medications for common ailments. Any non-routine medical costs for an individual youth will be billed to the county court with jurisdiction over the youth’s commitment to Michigan Department of Health and Human Services under the Youth Rehabilitation Services Act. This practice is consistent with MCL 803.305(1), which requires that “the county from which the public ward is committed is liable to the state for 50 percent of the cost of his or her care”. Attributing non-routine medical costs to the county of commitment will help lower the daily cost for all youth and assign additional medical costs only to the youth in need of such services.

If you have any questions regarding the chargeback rates, please contact Derrick McCree, Division of Juvenile Justice, Director, at (517) 335-3489.

Sincerely,

Derrick McCree
